Item 2.02. Results of Operations and Financial Condition

On May 1, 2006, Tyson Foods, Inc. (the "Company") issued a press release announcing its unaudited results of operations for the second quarter ending April 1, 2006. The press release is furnished herewith as Exhibit 99.1 and incorporated by reference herein.

The Company's press release regarding its second quarter results and conference call relating thereto includes certain non-GAAP financial measures. A non-GAAP financial measure is defined as a numerical measure of a company's financial performance, financial position or cash flows that excludes (or includes) amounts that are included in (or excluded from) the most directly comparable measure calculated and presented in accordance with GAAP in the Company's financial statements.

Non-GAAP financial measures utilized by the Company include presentations of earnings per share and other GAAP measures of operating performance that exclude or include the effect of the closings of selected operations, dispositions of assets or investments, BSE-related charges, litigation settlements, natural disaster related charges, non-recurring income tax adjustments and other similar events. The Company's management believes these non-GAAP financial measures provide useful information to investors by removing the effect of variances in GAAP reported results of operations that are not indicative of fundamental changes in the earnings capacity of the Company's operations. Management also believes that the presentation of the non-GAAP financial measure is consistent with its past practice, as well as industry practice in general, and will enable investors and analysts to compare current non-GAAP measures with non-GAAP measures presented in prior periods. The non-GAAP financial measures used by the Company should not be considered in isolation or as a substitute for measures of performance prepared in accordance with GAAP.

Limitation on Incorporation by Reference

In accordance with general instruction B.2 of Form 8-K, the information in this report, including exhibits, is furnished pursuant to Items 2.02 and 9.01 and shall not be deemed filed for the purposes of Section 18 of the Securities Exchange Act of 1934, or otherwise subject to the liability of that section.
