ITEM 2

DISPOSITION OF ASSETS

SkyLynx Communications, Inc., f/k/a Basic Technologies, Inc. (the "Company") previously announced and reported that it had formed and organized a new subsidiary, Founders Industries, Inc., a Nevada corporation ("Founders") for the purpose of spinning off to its shareholders, pro rata, its oil and gas interests and properties and other historical assets.

Effective December 13, 2001, the Company transferred to Founders all of the assets and liabilities of its operating subsidiaries owned at that time solely in exchange for 8,198,356 shares of Founders common stock.

The Company's Board of Directors declared the spin-off dividend and set the record date for the dividend of February 8, 2002. Shareholders of record of the Company as of February 8, 2002 are entitled to receive one share of Founders common stock for every share of the Company's common stock owned as of the record date. The dividend has been declared, but not yet paid.

Following the declaration of the dividend, Founders has been in the process of completing its audit and preparing its Registration Statement on Form SB-2 which it plans to file with the Securities and Exchange Commission. Payment of the spin-off dividend is contingent upon the Registration Statement being filed with and declared effective by the Securities and Exchange Commission.

Pending payment of the dividend, management and operation of Founders and its subsidiaries have been separate from those of the Company's. In its Annual Report on Form 10-KSB for the year ended June 30, 2002, the Company deconsolidated the operations of Founders Industries for the six-month period beginning January 1, 2002 and ending June 30, 2002.

Effective June 15, 2002, the Company created a Spin-off Trust, with Bryan Walker as Trustee, pursuant to which all 8,198,356 shares of Founders common stock owned by the Company and which were held for distribution in the spin-off were transferred to the trust. Under the terms of the Spin-Off Trust, the Trustee has taken delivery of all of the Founders spin-off shares pending completion of the Registration Statement and having the Registration Statement declared effective and completing the spin-off distribution. Under the terms of the Spin-Off Trust, if the spin-off has not been completed for any reason prior to June 15, 2004, then the Trustee has been authorized to dispose of the spin-off shares in any commercially reasonable fashion and to distribute the proceeds derived from that disposition to the Company's shareholders entitled to participate in the spin-off, pro rata, in lieu of the spin-off distribution of the Founders common stock.

As a result of the spin-off, the Company has deconsolidated the operations of Founders Industries and its subsidiaries.

The attached pro forma financial information has been prepared to demonstrate the effect of such spin-off and deconsolidation.
