PART I - REGISTRANT INFORMATION

Full Name of Registrant: Titanium Metals Corporation

Former Name if Applicable: Not Applicable

Address of Principal Executive Office: 5430 LBJ Freeway, Suite 1700
Dallas, Texas 75240

PART II - RULES 12b-25(b) AND (c)

If the subject report could not be filed without unreasonable effort or expense
and the registrant seeks relief pursuant to Rule 12b-25(b), the following should
be completed.

Edgar Filing: TITANIUM METALS CORP - Form NT 10-K

- (a) The reasons described in reasonable detail in Part III of this form could not be eliminated without unreasonable effort or expense;
- (b) The subject annual report, semi-annual report, transition report on Form 10-K, Form 20-F, 11-K, Form N-SAR or Form N-CSR, or portion thereof, will be filed on or before the fifteenth calendar day following the prescribed due date; or the subject quarterly report or transition report on Form 10-Q or subject distribution Report on Form 10-D, or portion thereof, will be filed on or before the fifth calendar day following the prescribed due date; and
- (c) The accountant's statement or other exhibit required by Rule 12b-25(c) has been attached, if applicable.

PART III - NARRATIVE

State below in reasonable detail the reasons why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed period:

The Registrant has been unable to complete the preparation and review of its Annual Report on Form 10-K for the year ended December 31, 2005 ("Annual Report") within the required time period, without unreasonable effort or expense, due to unanticipated delays in assembling all information and completing all reviews required with respect to such Annual Report, primarily because the Registrant is still in the process of completing its financial statements and assessment of its internal control over financial reporting as of December 31, 2005.

Based on the assessment of the Registrant's internal control over financial reporting performed to date, the Registrant believes it is possible that it would conclude that one or more material weaknesses may exist in its internal control over financial reporting as of December 31, 2005, which would preclude the Registrant from concluding that its internal control over financial reporting was effective as of such date. In the event the Company ultimately reaches such conclusion, the Company would also expect its independent registered public accounting firm to issue an opinion that also concludes the Company's internal control over financial reporting was not effective as of December 31, 2005. The ultimate conclusions in this regard are subject to completion of the Company's assessment that is currently in process. The Registrant currently expects to be able to complete such assessment within the time provided by this Form 12b-25, at which time the Registrant would file its complete Annual Report, including management's report on internal control over financial reporting.
