The Registrant expects that a significant change in results of operations from the corresponding period for the last fiscal year will be reflected in its financial statements. The Registrant expects its operating loss and net loss for the year ended December 31, 2009, to be significantly less than the respective amounts for the year ended December 31, 2008, due to the Registrant's more limited operations during 2009. However, for the reasons set forth in Part III above, a reasonable estimate of these changes cannot be quantified at this time.
