Item 1.01 Entry Into a Material Definitive Agreement.

On October 29, 2010, US Ecology, Inc. (the “Company”) entered a credit agreement (the “Credit Agreement”) with Wells Fargo National Association (“Wells Fargo”) which provides for an aggregate commitment from Wells Fargo of \$95 million. The Credit Agreement replaces our \$20 million revolving credit agreement with Wells Fargo dated June 30, 2008 as amended on June 15, 2010.

The Credit Agreement provides for a \$20 million revolving line of credit (the “Revolving Line of Credit”) with a maturity date of June 15, 2013 and a \$75 million reducing revolving line of credit (the “Reducing Revolving Line of Credit”) with a maturity date of November 1, 2015.

Revolving Line of Credit

The Revolving Line of Credit provides up to \$20 million in revolving credit loans or letters of credit for working capital needs (the “Commitment Amount”). Under the Revolving Line of Credit, revolving loans are available based on the Prime Rate or LIBOR, at the Company’s option, plus an applicable margin, which is determined according to a pricing grid under which the interest rate decreases or increases based on our ratio of funded debt to earnings before interest, taxes, depreciation and amortization (“EBITDA”). Interest only payments are due either monthly or on the last day of any interest period, as applicable.

Reducing Revolving Line of Credit

The Reducing Revolving Line of Credit provides an initial commitment amount of \$75 million the proceeds of which were used to acquire all of the shares of Stablex (as defined below) as more fully described in Item 2.01 of this report, and thereafter will be used to provide financing for working capital needs (the “Reducing Revolving Commitment Amount”). The initial Reducing Revolving Commitment Amount is reduced by \$2,780,000 on the last day of each June, September, December and March beginning June 30, 2011 continuing through November 1, 2015. Under the Reducing Revolving Line of Credit revolving loans are available based on the Prime Rate or LIBOR, at the Company’s option, plus an applicable margin, which is determined according to a pricing grid under which the interest rate decreases or increases based on our ratio of funded debt to EBITDA. Interest only payments are due either monthly or on the last day of any interest period, as applicable.

In addition to standard fees, there are origination fees and commitment fees based on the average daily unused portion of the Commitment Amount and the Reducing Revolving Commitment Amount. The credit agreement contains certain quarterly financial covenants, including a maximum funded debt ratio, a maximum fixed charge coverage ratio, a minimum required tangible net worth and a minimum current ratio. In addition, we may only declare quarterly or annual dividends if on the date of declaration, no event of default has occurred, or no other event or condition has occurred that would constitute an event of default after giving effect to the payment of the dividend.

A copy of Credit Agreement is filed as Exhibit 10.52 hereto and is incorporated by reference herein. The description above is qualified in its entirety by reference to the full text of Credit Agreement.

Item 2.01 Completion of Acquisition or Disposition of Assets.

On October 31, 2010, the Company through a wholly-owned subsidiary acquired all of the outstanding shares of Seaway TLC Inc. and its wholly-owned subsidiaries Stablex Canada Inc. and Gulfstream TLC, Inc. (Seaway TLC Inc., Stablex Canada, Inc. and Gulfstream TLC, Inc. collectively “Stablex”) from Marsulex Inc. pursuant to a Share Purchase Agreement dated September 13, 2010. The purchase price consisted of \$80 million Canadian dollars that was funded through a combination of cash on hand and borrowings under a \$75 million Reducing Revolving Line of Credit facility (as more fully described in Item 1.01 of this report). The purchase price is subject to post-closing adjustments based on the amount of working capital at closing and the amount of capital expenditures made by

Stablex prior to closing. Stablex is a leading North American provider of hazardous waste services.

The foregoing description of the acquisition of Stablex is not complete and is qualified in its entirety by reference to the Share Purchase Agreement, which was filed as Exhibit 2.1 to the Company's Quarterly Report on Form 10-Q on October 28, 2010.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet arrangement of a Registrant.

The information provided in Item 1.01 above is hereby incorporated into this Item 2.03.
