INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

Why am I receiving these materials?

The Company has delivered printed versions of these materials to you by mail, in connection with the Company’s solicitation of proxies for use at the Annual Meeting. These materials describe the proposals on which the Company would like you to vote and also give you information on these proposals so that you can make an informed decision.

What is included in these materials?

These materials include:

 this Proxy Statement for the Annual Meeting;

 the Company’s Annual Report on Form 10-K, as amended, for the fiscal year ended June 30, 2011; and

 the proxy card or vote instruction form for the Annual Meeting.

What is the proxy card?

The proxy card enables you to appoint OC Kim, our President, as your representative at the Annual Meeting. By completing and returning a proxy card, you are authorizing this individual to vote your shares at the Annual Meeting in accordance with your instructions on the proxy card. This way, your shares will be voted whether or not you attend the Annual Meeting.

4

What is the purpose of the Annual Meeting?

At our Annual Meeting, stockholders will act upon the matters outlined in the Notice of Annual Meeting on the cover page of this Proxy Statement, including (i) the election of five persons named herein as nominees for directors of the Company, to hold office subject to the provisions of the bylaws of the Company, until the next annual meeting of stockholders and until their successors are duly elected and qualified, and (ii) to ratify an amendment of the Franklin Wireless Corp. 2009 Stock Option Plan increasing the number of shares covered by the Plan to 2,000,000 shares, (iii) ratification of the appointment of BDO USA, LLP as the Company's independent registered public accounting firm for the fiscal year 2012, and (iv) to act on such other matters as may properly come before the meeting or any adjournment thereof.

What constitutes a quorum?

The presence at the meeting, in person or by proxy, of the holders of a majority of the number of shares of common stock issued and outstanding on the record date will constitute a quorum permitting the meeting to conduct its business. As of the record date, there are 11,835,471 shares of Franklin common stock issued and outstanding. Thus, the presence, in person or by proxy, of holders of common stock representing at least 5,917,736 votes will be required to establish a quorum.

What is the difference between a stockholder of record and a beneficial owner of shares held in street name?

Most of our stockholders hold their shares in an account at a brokerage firm, bank or other nominee holder, rather than holding share certificates in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially in street name.

Stockholder of Record

If, on October 14, 2011, your shares were registered directly in your name with our transfer agent, Integrity Stock Transfer, you are considered a stockholder of record with respect to those shares, and the Notice of Annual Meeting and Proxy Statement was sent directly to you by the Company. As the stockholder of record, you have the right to direct the voting of your shares by returning the proxy card to us. Whether or not you plan to attend the Annual Meeting, please complete, date, sign and return a proxy card to ensure that your vote is counted.

Beneficial Owner of Shares Held in Street Name

If, on October 14, 2011, your shares were held in an account at a brokerage firm, bank, broker-dealer, or other nominee holder, then you are considered the beneficial owner of shares held in "street name," and the Notice of Annual Meeting & Proxy Statement was forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the Annual Meeting. As the beneficial owner, you have the right to direct that organization on how to vote the shares held in your account. However, since you are not the stockholder of record, you may not vote these shares in person at the Annual Meeting unless you receive a valid proxy from the organization.

How do I vote?

Shareholders of Record. If you are a stockholder of record, you may vote by any of the following methods:

By Mail. You may vote by completing, signing, dating and returning your proxy card in the pre-addressed, postage-paid envelope provided.

In Person. You may attend and vote at the Annual Meeting. The Company will give you a ballot when you arrive.

Beneficial Owners of Shares Held in Street Name. If you are a beneficial owner of shares held in street name, you may vote by any of the following methods:

By Mail. You may vote by proxy by filling out the vote instruction form and returning it in the pre-addressed, postage-paid envelope provided.

In Person. If you are a beneficial owner of shares held in street name and you wish to vote in person at the Annual Meeting, you must obtain a legal proxy from the organization that holds your shares.

Abstentions and broker non-votes

While the inspectors of election will treat shares represented by Proxies that reflect abstentions or include "broker non-votes" as shares that are present and entitled to vote for purposes of determining the presence of a quorum, abstentions or "broker non-votes" do not constitute a vote "for" or "against" any matter and thus will be disregarded in any calculation of "votes cast." However, abstentions and "broker non-votes" will have the effect of a negative vote if an item requires the approval of a majority of a quorum or of a specified proportion of all issued and outstanding shares.

Brokers holding shares of record for customers generally are not entitled to vote on "non-routine" matters, unless they receive voting instructions from their customers. As used herein, "uninstructed shares" means shares held by a broker who has not received voting instructions from its customers on a proposal. A "broker non-vote" occurs when a nominee holding uninstructed shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that non-routine matter.

What happens if I do not give specific voting instructions?

Shareholders of Record. If you are a stockholder of record and you:

indicate when voting on the Internet or by telephone that you wish to vote as recommended by the Board of Directors, or

sign and return a proxy card without giving specific voting instructions,

then the proxy holders will vote your shares in the manner recommended by the Board of Directors on all matters presented in this proxy statement and as the proxy holders may determine in their discretion with respect to any other matters properly presented for a vote at the Annual Meeting.

Beneficial Owners of Shares Held in Street Name. If you are a beneficial owner of shares held in street name and do not provide the organization that holds your shares with specific voting instructions, under the rules of various national and regional securities exchanges, the organization that holds your shares may generally not vote on non-routine matters, such as the election of directors.

What are the Board's recommendations?

The Board's recommendation is set forth together with the description of each item in this Proxy Statement. In summary, the Board recommends a vote:

for election of the five directors nominated by the Company to hold office subject to the provisions of the Bylaws of the Company, until the next annual meeting of stockholders and until their successors are duly

elected and qualified;

to approve the ratification of an amendment of the Franklin Wireless Corp. 2009 Stock Option Plan increasing the number of shares covered by the Plan to 2,000,000 shares ; and

to approve the ratification of the appointment of BDO USA, LLP as the Company's independent registered public accounting firm for the fiscal year 2012.

With respect to any other matter that properly comes before the meeting, the proxy holder will vote as recommended by the Board of Directors or, if no recommendation is given, in his own discretion.

Dissenters' Right of Appraisal

Holders of shares of our Common Stock do not have appraisal rights under Nevada law or under the governing documents of the Company in connection with this solicitation.

How are Proxy materials delivered to households?

Only one copy of the Company's 10-K for the fiscal year ending June 30, 2011 and this Proxy Statement will be delivered to an address where two or more stockholders reside with the same last name or who otherwise reasonably appear to be members of the same family based on the stockholders' prior express or implied consent.

We will deliver promptly upon written or oral request a separate copy of the Company's 10-K for the fiscal year ending June 30, 2011, as amended, and this Proxy Statement upon such request. If you share an address with at least one other stockholder, currently receive one copy of our Annual Report and Proxy Statement at your residence, and would like to receive a separate copy of our Annual Report and Proxy Statement for future stockholder meetings of the Company, please specify such request in writing and send such written request to Franklin Wireless Corp., 6205 Lusk Blvd., San Diego, CA 92121 Attention: Corporate Secretary.

Nomination of Directors

The Board of Directors is responsible for identifying individuals qualified to become directors. The Board of Directors seeks to identify director candidates based on input provided by a number of sources, including (1) the Board of Directors members, (2) our stockholders, and (3) third parties, such as service providers. In evaluating potential candidates for director, the Board of Directors considers the entirety of each candidate's credentials.

Qualifications for consideration as a director nominee may vary according to the particular areas of expertise being sought as a complement to the existing composition of the Board of Directors. However, at a minimum, candidates for director must possess:

- high personal and professional ethics and integrity;
- the ability to exercise sound judgment;
- the ability to make independent analytical inquiries;
- a willingness and ability to devote adequate time and resources to diligently perform Board and committee duties; and
- the appropriate and relevant business experience and acumen.

The Board of Directors will consider nominees recommended by stockholders if such recommendations are made in writing to the Board in compliance with the Bylaws of the Company. The Board of Directors does not plan to change the manner in which it evaluates nominees for election as a director based on whether the nominee has been recommended by a stockholder or otherwise.

The Board of Directors does not have a formal policy relating to diversity among directors. In considering new nominees and whether to re-nominate existing members of the Board, the committee seeks to achieve a Board with strengths in its collective knowledge and a broad diversity of perspectives, skills and business and professional experience. Among other items, the committee looks for a range of experience in strategic planning, sales, finance, executive leadership, industry and similar attributes.

Stockholder Communications

Stockholders requesting communication with directors can do so by writing to Franklin Wireless Corp., c/o Corporate Secretary, 6205 Lusk Blvd., San Diego, CA 92121. COMPENSATION DISCUSSION AND ANALYSIS

GENERAL PHILOSOPHY - We compensate our executive officers through a mix of base salary, bonus and stock options. Our compensation policies are designed to be competitive with comparable employers and to align management's incentives with both near term and long-term interests of our stockholders. We use informal methods of benchmarking our executive compensation, based on the experience of our directors or, in some cases, studies of industry standards. Our compensation is negotiated on a case by case basis, with attention being given to the amount of compensation necessary to make a competitive offer and the relative compensation among our executive officers.

BASE SALARIES - We want to provide our senior management with a level of cash compensation in the form of base salary that facilitates an appropriate lifestyle given their professional status and accomplishments.

INCENTIVE COMPENSATION - Our practice is to award cash bonuses based upon performance objectives set by the Board of Directors. PROPOSAL NO. 2:

RATIFICATION OF AMENDMENT TO THE COMPANY'S 2009 STOCK OPTION PLAN

At the Annual Meeting, the Company's stockholders are being asked to ratify an amendment to the Franklin Wireless Corp. 2009 Stock Option Plan (the "Plan") that increased the number of shares of Common Stock available under the Plan by 700,000 shares, from 1,300,000 shares to 2,000,000 shares.

The Board determined that it was advisable to amend the Company's 2009 Stock Option Plan (the "Plan") to increase the maximum number of authorized but unissued shares of Common Stock for the grant of awards under the Plan from 1,300,000 shares to 2,000,000 shares, and this action was approved by a written consent of holders of a majority of the outstanding Common Stock. The securities underlying the options under the Plan are shares of Common Stock. The Board of Directors is seeking ratification of this action by vote of the shareholders at the Annual Meeting. The purpose of the Plan is to align the interests of officers, other key employees, consultants and non-employee directors of the Company with those of the stockholders of the Company, to afford an incentive to such officers, employees, consultants and directors to continue as such, to increase their efforts on behalf of the Company and to promote the success of the Company's business. The availability of additional shares will enhance the Company's ability to achieve these goals. The basis of participation in the Plan is upon discretionary grants of the Board.

The exercise price of the options under the Plan may be no less than the fair market value of our shares of common stock on the date of grant, unless, with respect to nonqualified stock options that are not intended as incentive stock options within the meaning of section 422 of the Internal Revenue Code of 1986, as amended from time to time, otherwise determined by the Board of Directors. However, incentive stock options granted to ten percent or more stockholders must be priced at no less than 110% of the fair market value our shares of common stock on the date of grant and their term may not exceed five years. All options granted under the Plan are for a term of no longer than ten years unless otherwise determined by the Board of Directors. The Board also determines the exercise schedule of each option grant.

Equity Compensation Plan Information

The following table sets forth the aggregate information of our equity compensation plans in effect as of June 30, 2011:

| Equity compensation plans approved by security holders | 930,836 | \$ 1.40 | 984,000 |
| Equity compensation plans not approved by security holders | -0- | \$ N/A | N/A |

Required Vote

Ratification of the amendment requires the receipt of the affirmative vote of a majority of the shares of the Company's common stock present in person or by proxy and voting at the Annual Meeting.
