PROXY STATEMENT

SOLICITING, VOTING AND REVOCABILITY OF PROXY

This proxy statement is being made available to all stockholders of record at the close of business on June 14, 2012, in connection with the solicitation by the Board of Directors of proxies to be voted at the Annual Meeting of Stockholders to be held on August 9, 2012 at 9:00 a.m., local time, or any adjournment thereof. Proxy materials for the Annual Meeting of Stockholders were made available to stockholders on June 27, 2012.

All shares represented by proxies duly executed and received will be voted on the matters presented at the meeting in accordance with the instructions specified in such proxies. If you are a beneficial owner of shares held in street name and you do not provide specific voting instructions to the organization that holds your shares, the organization will be prohibited under the current rules of the New York Stock Exchange from voting your shares on “non-routine” matters. This is commonly referred to as a “broker non-vote”. The election of directors is considered a “non-routine” matter and therefore may not be voted on by your bank or broker absent specific instructions from you. Please instruct your bank or broker so your vote can be counted.

Our Board does not know of any other matters that may be brought before the meeting nor does it foresee or have reason to believe that the proxy holder will have to vote for substitute or alternate nominees to the Board. In the event that any other matter should come before the meeting or any nominee is not available for election, the person named in the enclosed proxy will have discretionary authority to vote all proxies not marked to the contrary with respect to such matters in accordance with his best judgment.

The total number of common shares outstanding and entitled to vote as of the close of business on June 14, 2012 was 3,811,155. The common shares are the only class of securities entitled to vote on matters presented to our stockholders, each share being entitled to one vote. A majority of the common shares outstanding and entitled to vote as of the close of business on June 14, 2012, or 1,905,578 common shares, must be present at the meeting in person or by proxy in order to constitute a quorum for the transaction of business.

Our Restated Certificate of Incorporation provides for cumulative voting of shares for the election of directors. This means that each stockholder has the right to cumulate his votes and give to one or more nominees as many votes as equals the number of directors to be elected (five) multiplied by the number of shares he is entitled to vote. A stockholder may therefore cast his votes for one nominee or distribute them among two or more of the nominees. Only stockholders of record as of the close of business on June 14, 2012 will be entitled to vote. With regard to the election of directors, votes may be cast in favor or withheld. The directors shall be elected by a plurality of the votes cast in favor. Accordingly, based upon there being five nominees, each person who receives one or more votes will be elected as a director. Votes withheld in connection with the election of one or more of the nominees for director will not be counted as votes cast for such individuals and may be voted for the other nominees.

Any person giving a proxy in the form accompanying this proxy statement has the power to revoke it at any time before its exercise. The proxy may be revoked by filing with us written notice of revocation or a fully executed proxy bearing a later date. The proxy may also be revoked by affirmatively electing to vote in person while in attendance at the meeting. However, a stockholder who attends the meeting need not revoke a proxy given and vote in person unless the stockholder wishes to do so. Written revocations or amended proxies should be sent to us at 1154 Broadway, Hewlett, New York 11557, Attention: Corporate Secretary. Those voting by Internet or by telephone may also revoke their proxy by voting in person at the meeting or by voting and submitting their proxy at a later time by Internet or by telephone.

The proxy is being solicited by our Board of Directors. We will bear the cost of the solicitation of proxies, including the charges and expenses of brokerage firms and other custodians, nominees and fiduciaries for forwarding proxy materials to beneficial owners of our shares. Solicitations will be made primarily by Internet availability of proxy materials and by mail, but certain of our directors, officers or employees may solicit proxies in person or by telephone, telecopier or email without special compensation.

A list of stockholders entitled to vote at the meeting will be available for examination by any stockholder for any purpose germane to the meeting, during ordinary business hours, for ten days prior to the meeting, at our offices located at 1154 Broadway, Hewlett, New York 11557, and also during the whole time of the meeting for inspection by any stockholder who is present. To contact us, stockholders should call (516) 374-7600.

2009/2010 Debt Financing

Between June 2009 and March 2010, we borrowed an aggregate \$1,450,000 and issued promissory notes in such aggregate principal amount (the “2009/2010 Notes”). The 2009/2010 Notes provided for interest at the rate of 12.625% per annum and were payable on July 10, 2011. The 2009/2010 Notes were prepayable by us without premium or penalty; provided, however, that, under any circumstances, the holders of the 2009/2010 Notes were entitled to receive an aggregate of six months interest from the issue date of the 2009/2010 Notes with respect to the amount prepaid.

Kidstone purchased a 2009/2010 Note in the principal amount of \$120,000. Jay M. Haft, one of our principal stockholders and directors, purchased a 2009/2010 Note in the principal amount of \$50,000. PROPOSAL 1: ELECTION OF DIRECTORS

Five directors are to be elected at the meeting to serve until the next annual meeting of stockholders and until their respective successors shall have been elected and have qualified.

Our Restated Certificate of Incorporation provides for cumulative voting of shares for the election of directors. This means that each stockholder has the right to cumulate his votes and give to one or more nominees as many votes as equals the number of directors to be elected (five) multiplied by the number of shares he is entitled to vote. A stockholder may therefore cast his votes for one nominee or distribute them among two or more of the nominees.

Nominees for Directors

All five of the nominees are currently members of our Board. The following table sets forth each nominee's age as of June 14, 2012, the positions and offices presently held by him with us, and the year in which he became a director. The Board recommends a vote FOR all nominees. The person named as proxy intends to vote cumulatively all shares represented by proxies equally among all nominees for election as directors, unless proxies are marked to the contrary.

Name	Age	Positions and Offices Held	Director Since
Barry B. Goldstein	59	President, Chairman of the Board, Chief Executive Officer, Treasurer and Director	2001

We believe that Mr. Feinsod’s corporate finance, legal and executive-level experience, as well as his service on the Board of KICO since July 2009, give him the qualifications and skills to serve as one of our directors.

He has been instrumental in strategic planning and fundraising for a variety of Internet and high-tech, leading edge medical technology and marketing companies over the years. Mr. Haft is counsel to Reed Smith, an international law firm, as well as several other law and accounting firms. Mr. Haft is a past member of the Florida Commission for Government Accountability to the People, a past national trustee and Treasurer of the Miami City Ballet, and a past Board member of the Concert Association of Florida. Mr. Haft served as our Vice Chairman of the Board from February 1999 until March 2001. From October 1989 to February 1999, he served as our Chairman of the Board and he has served as one of our directors since 1989. Mr. Haft received B.A. and LL.B. degrees from Yale University. We believe that Mr. Haft's corporate finance, business consultation, legal and executive-level experience, as well as his service on the Board of KICO since July 2009, give him the qualifications and skills to serve as one of our directors.

David A. Lyons

Mr. Lyons is currently CEO of NextStep Technology Solutions, LLC, a telecommunications marketing company that is the exclusive master distributor for Samsung Telecommunications America, LLC in the sale of its VoIP product portfolio into the telecommunications network carrier market. He has served since 2004 as a principal of Den Ventures, LLC, a consulting firm focused on business, financing, and merger and acquisition strategies for public and private companies. From 2002 until 2004, Mr. Lyons served as a managing partner of the Nacio Investment Group, and President of Nacio Systems, Inc., a managed hosting company that provides outsourced infrastructure and communication services for mid-size businesses. Prior to forming the Nacio Investment Group, Mr. Lyons served as Vice President of Acquisitions for Expanets, Inc., a national provider of converged communications solutions. Previously, he was Chief Executive Officer of Amnex, Inc. and held various executive management positions at Walker Telephone Systems, Inc. and Inter-tel, Inc. Mr. Lyons has served as one of our directors since July 2005. We believe that Mr. Lyons' executive-level experience, as well as his experience in the areas of business consultation, corporate finance and mergers and acquisitions, and his service on the Board of KICO since July 2009, give him the qualifications and skills to serve as one of our directors.

Jack D. Seibald

Mr. Seibald is a Senior Managing Director of Concept Capital Markets, LLC (“Concept Capital”) and serves Concept Capital in a variety of areas, including business and client development and legal and compliance matters. Mr. Seibald also serves as a member of the Board of Managers of Concept Capital Holdings, LLC, the parent of Concept Capital, of Concept Capital Administration, LLC, which provides administrative services to Concept Capital and its affiliates, and of ConceptONE, LLC, which provides fund administration and risk management services to investment managers. From 1997 to 2005, Mr. Seibald was also a Managing Member of Whiteford Advisors, LLC, an investment management firm, where as co-founder he co-managed several pools of funds. He began his career at Oppenheimer & Co. as an equity analyst covering the retailing industry and has also been affiliated with Salomon Brothers and Morgan Stanley & Co in similar positions. Mr. Seibald also operated The Seibald Report, Inc., an independent research firm specializing in the retailing sector. He holds an M.B.A. from Hofstra University and a B.A. from George Washington University. Mr. Seibald has served as one of our directors since 2004. In January 2008, the Financial Industry Regulatory Authority (“FINRA”) imposed a \$100,000 fine and 20-day suspension on Mr. Seibald in connection with the settlement of a FINRA action against Sanders Morris Harris Inc. and Mr. Seibald, among others. FINRA had found that Mr. Seibald had improperly received compensation from a profit pool derived, in part, from commissions on trading by a hedge fund for which he served as a manager. We believe that Mr. Seibald’s corporate finance and executive-level experience, as well as his service on the Board of KICO since 2006 (including his service as Chairman of its Investments Committee), give him the qualifications and skills to serve as one of our directors.

Nominating Committee

The Nominating Committee of the Board of Directors is responsible for assisting the Board in identifying and recruiting qualified individuals to become Board members and select director nominees to be presented for Board and/or stockholder approval. The members of the Nominating Committee currently are Messrs. Feinsod, Haft, Lyons and Seibald. Our Board has adopted a written charter for the Nominating Committee. A copy of the charter is available on our website, www.kingstonecompanies.com. While the Nominating Committee does not have a formal policy on diversity for members of the Board of Directors, the Nominating Committee considers diversity of background, experience and qualifications in evaluating prospective Board members. The Nominating Committee will consider qualified director candidates recommended by stockholders if such recommendations are provided in accordance with the procedures set forth in the section entitled "Stockholder Proposals - Stockholder Nominees" below. At this time, the Nominating Committee has not adopted minimum criteria for consideration of a proposed candidate for nomination.

Compensation Committee

The Compensation Committee of the Board of Directors is responsible for the management of our business and affairs with respect to the compensation of our employees, including the determination of the compensation for our Chief Executive Officer and our other executive officers, the approval of one or more stock option plans and other compensation plans covering our employees, and the grant of stock options and other awards pursuant to stock option plans and other compensation plans. The Compensation Committee has the authority to consult with management and to engage the services of outside advisors, experts and others to assist it in its efforts.

Board Leadership Structure and Role in Risk Oversight

Our Board of Directors as a whole is responsible for our risk oversight. Our executive officers address and discuss with our Board of Directors our risks and the manner in which we manage or mitigate such risks. While our Board of Directors has the ultimate responsibility for our risk oversight, our Board of Directors works in conjunction with its committees on certain aspects of its risk oversight responsibilities. In particular, our Audit Committee focuses on financial reporting risks and related controls and procedures and our Compensation Committee strives to create compensation practices that do not encourage excessive levels of risk taking that would be inconsistent with our strategies and objectives.

Since 2001, Barry B. Goldstein has served as our Chief Executive Officer and Chairman of the Board. We do not currently have a lead independent director. At this time, our Board believes that Mr. Goldstein's combined role as Chief Executive Officer and Chairman of our Board enables us to benefit from Mr. Goldstein's significant institutional and industry knowledge and experience, while at the same time promoting unified leadership and direction for our Board and executive management without duplication of effort and cost. Given our history, position, Board composition and the relatively small size of our company and management team, at this time, our Board believes that we and our stockholders are best served by our current leadership structure.

Report of the Audit Committee

In overseeing the preparation of the financial statements of Kingstone Companies, Inc. (the "Company") as of December 31, 2011 and for the years ended December 31, 2011 and 2010, the Audit Committee met with management to review and discuss all financial statements prior to their issuance and to discuss significant accounting issues. Management advised the Committee that all financial statements were prepared in accordance with generally accepted accounting principles, and the Committee discussed the statements with management. The Committee also discussed with EisnerAmper LLP, the Company's outside auditors ("Eisner"), the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1 AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T.

The Committee received the written disclosures and the letter from Eisner required by applicable requirements of the Public Company Accounting Oversight Board regarding Eisner's communications with the Committee concerning independence and the Committee discussed Eisner's independence with Eisner.

On the basis of these reviews and discussions, the Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2011, for filing with the Securities and Exchange Commission.
