PROXY STATEMENT

FOR THE 2009 ANNUAL MEETING OF STOCKHOLDERS

Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting to be Held on September 14, 2009: The Proxy Statement and Annual Report are available at www.eplus.com/proxy09.

QUESTIONS AND ANSWERS ABOUT THIS PROXY MATERIAL AND VOTING

Ø Why am I receiving these materials?

We sent you this proxy statement and the enclosed proxy card because the Board of Directors of ePlus inc. (sometimes referred to as “we”, “us”, “our”, “the Company” and “ePlus”), a Delaware corporation, is soliciting your proxy to vote at the 2009 Annual Meeting of Stockholders and at any adjournment or postponement thereof. The annual meeting will be held on September 14, 2009 at 8:00 a.m. at the Hyatt Regency, 1800 Presidents Street, Reston, Virginia, 20190. You are invited to attend the annual meeting and we request that you vote on the proposals described in this proxy statement. However, you do not need to attend the annual meeting to vote your shares. Instead, you may complete, sign and return the enclosed proxy card.

The Company intends to mail this proxy statement and accompanying proxy card on or about August 4, 2009 to all stockholders of record entitled to vote at the annual meeting.

Ø Who is entitled to vote?

Only stockholders of record at the close of business on July 20, 2009, or “record date,” will be entitled to vote at the annual meeting. On this record date, there were 8,253,997 shares of common stock outstanding and entitled to vote. Each share of common stock is entitled to one vote on each matter properly brought before the annual meeting.

Ø What is the difference between holding shares as a registered stockholder and as a beneficial holder?

If on the record date your shares were registered directly in your name with our transfer agent, National City Bank, now a part of PNC, then you are a stockholder of record and the proxy materials were sent directly to you by the Company. As a stockholder of record, you may vote in person at the annual meeting or vote by proxy using the enclosed proxy card. Whether or not you plan to attend the annual meeting, we urge you to complete, sign and return the proxy card to ensure your vote is counted.

If on the record date your shares were held in an account at a brokerage firm, bank, dealer, or other similar organization, then you are the beneficial owner of shares held in “street name” and these proxy materials were forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the annual meeting. As a beneficial owner you have the right to direct your broker or other agent on how to vote the shares in your account by following the voting instructions included in their mailing. You are also invited to attend the annual meeting. However, since you are not the stockholder of record you may not vote your shares in person at the annual meeting unless you request and obtain a valid proxy from your broker or other agent.

Ø On what am I voting?

There are two matters scheduled for a vote:

Election of eight directors named in this proxy statement to serve for an annual term.

Ratification of the appointment of Deloitte & Touche LLP as our independent auditors for our fiscal year ending March 31, 2010.

Ø Can I change my vote after submitting my proxy?

Yes. You can revoke your proxy at any time before the final vote at the annual meeting. If you are a stockholder of record, you may revoke your proxy in any one of three ways:

You may submit another properly completed proxy card with a later date.

You may send a written notice that you are revoking your proxy to the Corporate Secretary, ePlus inc., 13595 Dulles Technology Drive, Herndon, Virginia, 20171.

You may attend the annual meeting and vote in person. Attending the annual meeting will not, by itself, revoke your proxy.

Table of Contents

Please note that to be effective, your new proxy card or written notice of revocation must be received by the Corporate Secretary prior to the annual meeting.

If you are a beneficial owner of shares, you may submit new voting instructions by contacting your broker or other agent. You may also vote in person at the annual meeting if you obtain a legally valid proxy from your broker or other agent as described above.

Ø How are votes counted?

Votes will be counted by the inspector of election appointed for the annual meeting, who will separately count “For” and “Against” votes, abstentions and broker non-votes. A “broker non-vote” occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that proposal and has not received instructions with respect to that proposal from the beneficial owner despite voting on at least one other proposal for which it does have discretionary authority or for which it has received instructions. Discretionary authority is allowed for both Proposal 1 and Proposal 2. Broker non-votes will have no effect and will not be counted towards the vote for either Proposal 1 or 2. For Proposal 1, abstentions will have no effect. For Proposal 2, abstentions will be counted toward the vote total and will have the same effect as “Against” votes.

If you give us a proxy without giving specific voting instructions, your shares will be voted as recommended by the Board of Directors by the persons named as proxies. We are not aware of any other matters to be presented at the annual meeting except for those described in this proxy statement. However, if any other matters not described in this proxy statement are properly presented at the meeting, the persons named as proxies will use their own judgment to determine how to vote your shares. If the meeting is adjourned, your shares may be voted by the persons named as proxies on the new meeting date as well, unless you have revoked your proxy instructions prior to that time.

Ø What are the voting requirements for each proposal?

For Proposal 1, election of directors, nominees who receive a plurality of the votes cast will be elected director. Abstentions and broker non-votes will have no effect.

To be approved, Proposal 2, ratification of appointment of independent auditors, must receive a “For” vote from the majority of shares present and entitled to vote either in person or by proxy. If you “Abstain” from voting, it will have the same effect as an “Against” vote. Broker non-votes will have no effect.

Ø What is a quorum?

A quorum of stockholders is necessary to hold a valid annual meeting. A quorum will be present if at least a majority of the outstanding shares entitled to vote at the annual meeting are represented by proxy or by stockholders present in person at the annual meeting. On the record date, there were 8,253,997 shares outstanding and entitled to vote. Thus, at least 4,126,999 shares must be represented by proxy or by stockholders present and entitled to vote at the annual meeting to have a quorum.

Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker or bank) or if you vote in person at the annual meeting. We will count abstentions and broker non-votes for purposes of determining a quorum. If there is no quorum, the chairman of the annual meeting or holders of a majority of the votes present at the annual meeting may adjourn the annual meeting to another time or date.

Ø

Who pays for the cost of this proxy solicitation?

We will pay for the entire cost of soliciting proxies. In addition to these proxy materials, our directors and employees may also solicit proxies in person, by telephone, or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We may also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

Ø

How do I submit a proposal for the Annual Meeting of Stockholders in 2010?

To be considered for inclusion in the Company's proxy statement and form of proxy for next year's annual meeting, your stockholder proposal must be submitted in writing by April 6, 2010 to the Corporate Secretary, ePlus inc., 13595 Dulles Technology Drive, Herndon, Virginia 20171. Proposals must be received by that date and satisfy the requirements under applicable SEC Rules (including SEC Rule 14a-8) to be included in the proxy statement and on the proxy card that will be used for solicitation of proxies by the Board for the 2010 Annual Meeting.

CORPORATE GOVERNANCE

Role of the Board of Directors

Our Board plays an active role in overseeing management and representing the interests of stockholders. Directors are expected to attend Board meetings and the meetings of committees on which they serve. Directors are also frequently in communication with management between formal meetings. During the fiscal year ended March 31, 2009, the Board met a total of six times. All directors attended at least 75% of the total Board and committee meetings to which they were assigned in the fiscal year ended March 31, 2009. Six members of the Board attended the last meeting of our stockholders.

Standard of Conduct and Ethics

We are committed to ethical behavior in all that we do. Our Standard of Conduct and Ethics applies to all of our directors, officers and employees. It sets forth our policies and expectations on a number of topics, including our commitment to promoting a fair workplace, avoiding conflicts of interest, compliance with laws (including insider trading laws), appropriate relations with government officials and employees, and compliance with accounting principles.

We also maintain a toll-free hotline through which employees may raise concerns regarding accounting or financial reporting matters. The hotline is available to all employees, 7 days a week, 24 hours a day, in English and in Spanish. Employees using the hotline may choose to remain anonymous. All hotline inquiries are forwarded to a member of our Audit Committee.

Our Standard of Conduct and Ethics is posted on our website at www.eplus.com/ethics.htm. Printed copies of the Standard of Conduct and Ethics may be obtained by stockholders, without charge, by contacting Corporate Secretary, ePlus inc., 13595 Dulles Technology Drive, Herndon, Virginia 20171. We intend to make any required disclosures regarding any amendments of our Standard of Conduct and Ethics or waivers granted to any of our directors or executive officers on our website at www.eplus.com.

Identifying and Evaluating Nominees for Directors

Each year, the Nominating and Corporate Governance Committee recommends to the Board the slate of directors to serve as management's nominees for election by the stockholders at the annual meeting. The process for identifying and evaluating candidates to be nominated to the Board starts with an evaluation of a candidate by the Chairman of the Committee, followed by the Committee in its entirety. Director candidates may also be identified by stockholders. In evaluating such nominations, the Nominating and Corporate Governance Committee seeks to achieve a balance of knowledge, experience, and capability on the Board of Directors. Furthermore, any member of the Board of Directors shall have unquestioned personal ethics and integrity; shall possess specific skills and experience aligned with ePlus' strategic direction and operating challenges and that complement the overall composition of the Board; core business competencies of high achievement and a record of success, financial literacy and history of making good business decisions and exposure to best practices; interpersonal skills that maximize group dynamics; should be enthusiastic about ePlus and have sufficient time to become fully engaged.

Table of Contents

Stockholder Nominees

Stockholder proposals for nominations to the Board should be submitted to the Secretary of the Company as specified in the Company's Bylaws. The information requirements for any stockholder proposal or nomination can be found in Section 2.8 of our Bylaws, available at www.eplus.com/bylaws.htm. Proposed stockholder nominees are communicated to the Nominating and Corporate Governance Committee and are considered in the selection process for nominees to be included among the director candidates to be recommended to the Board.

Communications with the Board of Directors

Persons interested in communicating with the directors regarding concerns or issues may address correspondence to a particular director, to the Board or to the independent directors generally, in care of ePlus inc. at 13595 Dulles Technology Drive, Herndon, Virginia 20171. If no particular director is named, letters will be forwarded, as appropriate and depending on the subject matter, by the General Counsel to the Chair of the Audit Committee, the Chair of the Compensation Committee, or the Chair of the Nominating and Corporate Governance Committee. The General Counsel reviews such communications for spam (such as junk mail or solicitations) or misdirected communications.

Director Independence

Our Board has reviewed the relationships concerning independence of each director on the basis of the definition of "independent" contained in the Nasdaq Marketplace Rules and our Corporate Governance Guidelines and Policies, a copy of which is available on our website at www.eplus.com/corporate-governance-guidelines.htm. Guideline No. 11 of our Corporate Governance Guidelines and Policies provides that the Board of Directors has determined that the following relationships will not be considered material relationships that would impair a director's independence:

Business Relationships

The Company does business with a director's business affiliate or the business affiliate of an immediate family member of a director for goods or services, or other contractual arrangements, in the ordinary course of business and on substantially the same terms as those prevailing at the time for comparable transactions with non-affiliated persons and the annual revenues or purchases from such business affiliate are less than the greater of \$500,000 and 1% of such person's consolidated gross revenues;

A company (of which a director or an immediate family member is an officer) does business with the Company and the annual sales to, or purchases from, the Company during such other company's preceding fiscal year are less than the greater of \$500,000 and 1% of the gross annual revenues of such other company;

A law firm of which a director or an immediate family member is a partner or of counsel performs legal services for the Company, the director or the immediate family member does not personally perform any legal services for the Company, and the annual payments to such law firm are less than the greater of \$500,000 and 1% of such law firm's consolidated gross revenues;

An investment bank or consulting firm of which a director or an immediate family member is a partner or of counsel performs investment banking or consulting services for the Company, the director or the immediate family member does not personally perform any investment banking or consulting services for the Company and the annual payments to such investment bank or consulting firm are less than the greater of \$500,000 and 1% of such investment bank's or consulting firm's consolidated gross revenues; and

The director serves on a regularly constituted advisory board of the Company, for which such director receives standard fees of no more than \$50,000 per annum.

Relationships with Not-for-Profit Entities

A foundation, university or other not-for-profit organization of which a director or immediate family member is an officer, director or trustee receives from the Company contributions in an amount which does not exceed the greater of \$100,000 and 1% of the not-for-profit organization's aggregate annual charitable receipts during the entity's preceding fiscal year. (The Company's automatic matching of employee charitable contributions, if any, are not included in the Company's contributions for this purpose.)

Table of Contents

In accordance with that review, our Board has made a subjective determination as to each independent director that no relationships exist that, in our Board's opinion, would interfere with his exercise of independent judgment in carrying out the responsibilities of a director. In making these determinations, the Board reviewed and discussed information provided by the directors and by management with regard to each director's business and personal activities as they may relate to our business and our management.

The Board has determined that Messrs. O'Donnell, Cooper, Beimler, Herman, Faulders and Hovde are independent under the Nasdaq Marketplace Rules and in accordance with the Corporate Governance Guidelines and Policies. The Board has also determined that the members of each committee of the Board are independent under the listing standards of the Nasdaq Marketplace Rules. In determining the independence of the directors, the Board considered the relationships described under "Related Party Transactions," which it determined were immaterial to the individual's independence.

In accordance with our Corporate Governance Guidelines and Policies, the independent directors have chosen a lead director to preside at regularly scheduled executive sessions of our Board held without management present. Mr. Irving R. Beimler currently serves as lead director.

COMMITTEES OF THE BOARD OF DIRECTORS

Committees

In accordance with our bylaws, the Board of Directors has three standing committees: Audit, Compensation, and Nominating and Corporate Governance. On June 17, 2009, the Board of Directors approved and adopted amended charters for each of our three committees. The charter for each of our committees can be found at www.eplus.com/committeecharters.htm.

The following table provides a summary of the membership of each of the committees of the Board of Directors as of March 31, 2009.

The Committee also reviews and recommends to the Board the compensation of non-employee directors. The Nominating and Corporate Governance Committee met five times during the fiscal year ended March 31, 2009. Each of the members of the Committee is an independent director within the meaning of the Nasdaq Marketplace Rules. The functions of the Committee are further described in its charter, which can be found on our website.

DIRECTORS' COMPENSATION

The following table sets forth the compensation for the members of the Board of Directors of ePlus for the fiscal year ended March 31, 2009. Mr. Norton, the Company's Chairman of the Board, President and Chief Executive Officer, and Mr. Bowen, the Company's Executive Vice President, do not receive any additional compensation for their service as a director. Mr. Norton's and Mr. Bowen's compensation is reported in "Executive Compensation" and accordingly is not included in the following table.

The general policy of the Board is that compensation for non-employee directors should be a mix of cash and equity-based compensation. Each non-employee director receives an annual cash retainer of \$35,000, which is paid in quarterly installments. Alternatively, directors may elect to receive their cash compensation in restricted stock. In addition, each non-employee director will receive on September 25th of each year an annual grant of restricted stock having a fair market value on the date of grant (determined without regard to the restrictions applicable thereto) equal to the aggregate dollar amount of cash compensation earned by a non-employee director during the Company's fiscal year ended immediately prior to the annual grant date. In accordance with the 2008 Non-Employee Director Long-Term Incentive Plan, on September 25, 2008, each director received an additional one-time grant of 3,211 shares of restricted stock. All awards of restricted stock will vest ratably over two years. Upon joining the Board, a new non-employee director will receive a pro-rata share of restricted stock awarded to the other non-employee directors, based on the number of days the new non-employee director will serve before the next regularly scheduled annual grant date (i.e., September 25th). These awards will also vest ratably over two years.

All directors are also reimbursed for their out-of-pocket expenses incurred to attend Board or Committee meetings.

(1) Three of our directors, Messrs. Cooper, Hovde and O'Donnell, made a stock fee election for calendar year 2009 to receive shares of restricted stock in lieu of cash pursuant to the 2008 Non-Employee Long-Term Incentive Plan. Thus, for the first three quarters of fiscal year ended March 31, 2009, they each received cash compensation of \$8,750 per quarter. For the last quarter of the fiscal year ended March 31, 2009, they each received 748 shares of restricted stock in lieu of cash compensation of \$8,750.

(2) These amounts reflect the dollar amount recognized in accordance with SFAS No. 123R for financial statement reporting purposes for the year ended March 31, 2009. These amounts include awards pursuant to the 2008 Non-Employee Director Long-Term Incentive Plan. Assumptions used in the calculations of these amounts are included in the footnotes to the Company's audited consolidated financial statements for the fiscal year ended March 31, 2009, which are included in Item 8 of the Company's annual report on Form 10-K filed with the SEC. An estimate of forfeitures is not included in these amounts nor were any actual forfeitures included in these amounts. On September 25, 2008, each non-employee director was granted 3,211 shares of restricted stock in connection with their annual award. The grant date fair value of each of these awards was \$35,000 (calculated by multiplying the number of shares by \$10.90 per share, the closing price reported by The Nasdaq Global Market). In addition, on September 25, 2008, each non-employee director was granted 3,211 shares of restricted stock in connection with a one-time award. The grant date fair value of each of these awards was \$35,000 (calculated by multiplying the number of shares by \$10.90 per share, the closing price reported by The Nasdaq Global Market).

TRANSACTIONS AND INDEMNIFICATION

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires the Company's directors and executive officers, and persons who own more than ten percent of a registered class of the Company's equity securities, to file with the SEC initial reports of ownership and reports of changes in ownership of common stock and other equity securities of the Company. Officers, directors and greater than ten percent stockholders are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on a review of the copies of such reports furnished to the Company and written representations that no other reports were required, the Company believes that all Section 16(a) filing requirements applicable to its' executive officers, directors and greater than ten percent beneficial owners were complied with during the fiscal year ended March 31, 2009.

Related Party Transactions

During the fiscal year ended March 31, 2009, we leased approximately 55,880 square feet for use as our principal headquarters from Norton Building 1, LLC for an average monthly payment of approximately \$88,000 which includes rent and operating expenses. Norton Building 1, LLC is a limited liability company owned in part by Mr. Norton's spouse and in part in trust for his children. As of May 31, 2007, Mr. Norton, our President and CEO, has no managerial or executive role in Norton Building 1, LLC. On June 18, 2009, we entered into Amendment No. 2 to the office lease agreement with Norton Building 1, LLC pursuant to which we will continue to lease 55,880 square feet for use as our principal headquarters. The term of the amended lease will begin January 1, 2010, and will continue for five years from such date. In addition, we have the right to terminate the lease on December 31, 2012 in the event that the facility no longer meets our needs, by giving six months' prior written notice, with no penalty fee. The annual base rent, which includes an expenses factor, is \$21.50 per square foot for the first year, with an annual rent escalation for operating cost increases plus 2.75% of the annual base rent, net of the expenses factor, for each year thereafter. The amended lease was approved by the Nominating and Corporate Governance Committee in accordance with our Related Person Transaction Policy, and was subsequently approved by a majority of the Board of Directors, with Mr. Norton abstaining. During the years ended March 31, 2009 and 2008, we paid rent, which includes operating expenses, in the amount of \$1,126,000 and \$1,052,000, respectively.

Two of Mr. Norton's sons are employed at subsidiaries of the Company. The first, a Director of Finance at ePlus Government, inc., earned \$200,000 in each of the fiscal years ended March 31, 2008 and 2009. His compensation is comprised of a base salary and a bonus. The second, a Senior Account Executive at ePlus Government, inc., earned \$331,000 and \$281,000 in the fiscal years ended March 31, 2008 and 2009, respectively, in base salary and commissions. Mr. Norton's two brothers are Senior Account Executives at ePlus Group, inc. The first earned less than \$120,000 for the fiscal year ended March 31, 2008 and his compensation in the fiscal year ended March 31, 2009 was \$139,000. The second earned \$193,000 in the fiscal year ended March 31, 2008 in base salary and commissions, and \$281,000 in the fiscal year ended March 31, 2009, primarily in commissions. The Senior Account Executives' compensation, like that of their peers', is based primarily on the calculation of commissions for sales completed, in accordance with our commission plan.

Mr. Terrence O'Donnell, Chairman of the Audit Committee and member of the Nominating and Corporate Governance Committee, has a son-in-law serving as Senior Account Executive at ePlus Group, inc. who earned \$845,000 and \$819,000 in base salary and commissions in the fiscal years ended March 31, 2008 and 2009, respectively. His compensation, like that of his peers', is based primarily on the calculation of commissions for sales

completed, in accordance with our commission plan.

The Company has a written Related Party Transaction Policy, which establishes processes, procedures and standards regarding the review, approval and ratification of transactions between the Company and its directors, director nominees, executive officers, greater than five percent beneficial owners and their respective immediate family members, where the amount involved in the transaction exceeds the lesser of \$120,000 or one percent of the average of the Company's total assets at year end for the last two completed fiscal years. All related person transactions are prohibited unless approved or ratified by the Nominating and Corporate Governance Committee, or, in certain circumstances, the Chair of the Nominating and Corporate Governance Committee.

Indemnification

We have entered into indemnification agreements with each of our directors and executive officers, and we expect to enter into similar indemnification agreements with persons who become directors or executive officers in the future. The indemnification agreements provide that ePlus will indemnify the director or officer against any expenses or liabilities incurred in connection with any proceeding in which the director or officer may be involved as a party or otherwise, by reason of the fact that the director or officer is or was a director or officer of ePlus or by any reason of any action taken by or omitted to be taken by the director or officer while acting as an officer or director of ePlus.

9

Table of Contents

However, ePlus is only obligated to provide indemnification under the indemnification agreements if:

the director or officer was acting in good faith in a manner the director or officer reasonably believed to be in the best interests of ePlus, and, with respect to any criminal action, the director or officer had no reasonable cause to believe the director's or officer's conduct was unlawful;

the claim was not made to recover profits by the director or officer in violation of Section 16(b) of the Exchange Act or any successor statute;

the claim was not initiated by the director or officer;

the claim was not covered by applicable insurance; or

the claim was not for an act or omission of a director of ePlus from which a director may not be relieved of liability under Section 102(b)(7) of the Delaware General Corporation Law. Each director and officer has undertaken to repay ePlus for any costs or expenses paid by ePlus if it is ultimately determined that the director or officer is not entitled to indemnification under the indemnification agreements.

Description of Executive Compensation

Supplemental Benefit Plans

On February 28, 2005, our Board approved the adoption of separate ePlus inc. Supplemental Benefit Plans for each of Messrs. Bowen and Mencarini. The plans were developed and designed to provide each of the participating named executive officers with a long-term incentive plan outside of the Company's normal incentive plans.

Table of Contents

The plans are unfunded and nonqualified and are designed to provide the participants with a cash benefit that is payable only upon the earlier to occur of:

death
termination of employment; or
the expiration of the plans.

Each plan terminates on August 11, 2014. Under the terms of the plans, the participants or their beneficiaries have only the right to receive a single lump-sum cash distribution upon the occurrence of one of the triggering events described above. Under the terms of the plans, the participants do not have a right to accelerate payments of the benefits payable under the plans. If a participant is terminated for cause (as defined in each plan) prior to the expiration of the respective plan, we will have no further obligation under the respective plan and the affected participant will not be entitled to any payments under such plan. In connection with the adoption of the plans, we have established a grantor trust to which we have transferred assets intended to be used for the benefit of the participants. Through the date of distribution of plan benefits, the assets of such trusts will remain subject to the claims of our creditors and the beneficiaries of the trusts shall have standing with respect to the trusts' assets not greater than that of our general unsecured creditors. For the year ended March 31, 2009, there were no payments to the participants under the plan. The Compensation Committee takes the amounts accruing under these plans into consideration when setting other long-term compensation awards.

Incentive Plan Awards Paid to Named Executive Officers

On July 31, 2008, the Board of Directors of the Company adopted the ePlus inc. Fiscal Year 2009 Executive Incentive Plan ("the Cash Incentive Plan"), effective August 6, 2008. Certain performance-based cash incentive compensation was earned by eligible executive employees under the Cash Incentive Plan.

The Cash Incentive Plan is administered by the Compensation Committee of the Board, which has full authority to determine the participants in the Cash Incentive Plan, the terms and amounts of each participant's minimum, target and maximum awards, and the period during which the performance is to be measured.

At the conclusion of the fiscal year ended March 31, 2009, the Compensation Committee determined the various corporate, unit and individual performance objectives described under the Cash Incentive Plan which were achieved. A cash payment to each respective executive was based on the level of attainment of the applicable performance objectives.

The award amount paid is a percentage of base salary based on the level of attainment of the applicable performance goals as set forth in each participant's award agreement. The 2009 performance criteria and their relative weights for each participant were as follows: Company financial performance, 66.6%; and individual performance, 33.3%. The Company's financial performance was based on the Company's net earnings before taxes for the 2009 fiscal year as stated in the Company's Form 10-K for such year. Such earnings were adjusted to exclude the incentive compensation accrued by the Company under the Cash Incentive Plan. The Cash Incentive Plan also permits the exclusion of all items of income, gain or loss determined by the Board to be extraordinary or unusual in nature and not incurred or realized in the ordinary course of business, and any income, gain or loss attributable to the business operations of any entity acquired by the Company during the 2009 fiscal year. For the 2009 fiscal year, the Compensation Committee excluded the goodwill impairment charge in its determination of the Company's financial performance. After taking into account this adjustment, the Company's financial performance set forth in each executive's plan was exceeded. The cash incentive compensation was capped at 50% of each executive's salary, therefore, although the Company's financial performance was exceeded, no executive received more than the maximum cash incentive payment of 50% of his salary. There were no waivers or modifications to any specified performance targets, goals or

conditions with respect to the Cash Incentive Plan.

Employment Agreements

Phillip G. Norton's employment agreement was not renewed at the end of the most recent renewal period, November 20, 2008, as a result of the board of directors' notice of non-renewal. The notice of non-renewal did not otherwise modify the terms of Mr. Norton's employment. Currently, Mr. Norton receives an annual salary in the amount of \$400,000, and is a participant in our Cash Incentive Plan for the fiscal years ending March 31, 2009 and March 31, 2010. Mr. Norton is also entitled to certain other benefits on the same terms as our employees, including medical insurance, death and long-term disability benefits, the reimbursement of employment-related expenses and our 401(k) program. He may also be entitled to additional benefits upon the termination of his employment.

We entered into employment agreements with Bruce M. Bowen, effective December 10, 2008 and Steven Mencarini, effective September 1, 2008. Each provide for an initial term of one year. At the end of the year, if the parties have not extended the agreement or entered into a new agreement, then the executive shall continue as an at-will employee. Under the agreement, Mr. Bowen and Mr. Mencarini are each eligible for an annual bonus of up to 50% of his base salary then in effect under the terms and conditions of the Cash Incentive Plan and certain other benefits such as reimbursement of business expenses.

Table of Contents

If Mr. Bowen or Mr. Mencarini's employment is terminated due to death or Incapacity (as defined in the Employment Agreement), the Company will pay any bonus determined by the Compensation Committee in accordance with the Cash Incentive Plan, and, in the case of Incapacity, an additional amount equal to the greater of (a) an amount equal to one year of his base salary or (b) the balance of his salary through the end of the Employment Term.

Under the terms of the Employment Agreements, the Company may terminate Mr. Bowen or Mr. Mencarini's employment at any time with or without Good Cause (as defined in the Employment Agreement). If the Company terminates the executive's employment without Good Cause or the executive terminates his employment for Good Reason (as defined in the Employment Agreement), then he shall be entitled to (a) payment in an amount equal to one year of his base salary, and (b) continued medical and dental insurance for himself and his dependents through COBRA for a period not longer than one year after termination. If the Company and the executive have not entered into a new employment agreement or extended the Employment Term, and within ten (10) days following the end of the Employment Term, either the Company or the executive gives notice of an at-will termination, then he shall be entitled to (a) an amount equal to one year of his base salary and (b) continued medical and dental insurance for himself and his dependents through COBRA for a period not longer than one year after termination.

Mr. Bowen and Mr. Mencarini have each agreed to non-solicitation, non-compete and confidentiality provisions in their respective employment agreements.

Proposal 2 – Ratification of the appointment of Deloitte & Touche LLP as our independent auditors for our fiscal year ending March 31, 2010

(Proposal # 2 on Proxy Card)

The Audit Committee of the Board of Directors has selected Deloitte & Touche LLP ("Deloitte") as the Company's independent auditor for the fiscal year ending March 31, 2010. Deloitte has served as the Company's independent auditors since 1990, and is an independent registered public accounting firm.

Neither the Company's Bylaws nor other governing documents or law require stockholder ratification of the appointment of Deloitte as the Company's independent auditors. However, the Company is submitting the appointment of Deloitte to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the appointment, the Audit Committee will reconsider whether or not to retain that firm. Even if the appointment is ratified, the Audit Committee in its discretion may direct the appointment of different independent auditors at any time if they determine that such a change would be in the best interest of the Company and its stockholders.

Representatives of Deloitte are expected to attend the annual meeting and will have the opportunity to make a statement if they desire and to respond to appropriate questions.

If you “Abstain” from voting, it will have the same effect as an “Against” vote. Broker non-votes will have no effect.

Your board unanimously recommends voting FOR ratification of Deloitte & Touche LLP as the Company’s independent auditor for the fiscal year ending March 31, 2010.

Report of the Audit Committee

The primary role of the Audit Committee, as more fully described in its charter, is to assist the Board of Directors in its oversight of our corporate accounting and financial reporting process and to interact directly with and evaluate the performance of our independent auditors. Management is responsible for the preparation, presentation and integrity of our consolidated financial statements, accounting and financial reporting principles, internal controls and procedures designed to assure compliance with accounting standards, applicable laws and regulations. Our independent registered public accounting firm, Deloitte & Touche LLP, is responsible for performing an independent audit of the consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board, or PCAOB.

In the performance of its oversight function, the Audit Committee has reviewed the audited financial statements for the fiscal year ended March 31, 2009 and has met with both management and Deloitte & Touche LLP to discuss those financial statements. The Audit Committee has discussed with Deloitte & Touche LLP those matters related to the conduct of the audit that are required to be communicated by the independent auditors to the Audit Committee, including, as set forth in Statements of Auditing Standards No. 61, as amended (as adopted by the PCAOB in Rule 3200T), Deloitte & Touche LLP’s judgments as to the quality, not just the acceptability, of our accounting principles.

The Audit Committee met separately with the independent auditors, without management present, to discuss the results of their audits, their evaluations of our internal controls and the overall quality of our financial reporting.

The Audit Committee has received from Deloitte & Touche LLP the written disclosures and letter required by applicable requirements of the PCAOB regarding the independent accountant’s communications with the audit committee concerning independence, and has discussed with Deloitte & Touche LLP its independence. The Audit Committee has also reviewed and considered whether the provision of other non-audit services by Deloitte & Touche LLP is compatible with maintaining the auditors’ independence.

Based on these reviews and discussions, the Audit Committee recommended to the Board of Directors, and the Board of Directors approved, that the audited financial statements of ePlus for the fiscal year ended March 31, 2009 be included in the Annual Report on Form 10-K, which was filed with the Securities and Exchange Commission on June 16, 2009.
