Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

2016 Executive Incentive Plan

On June 9, 2015, the Compensation Committee (the "Committee") of the Board of Directors (the "Board") of ePlus inc. (the "Company") finalized the structure of cash incentive award agreements for the fiscal year ending March 31, 2016, under the Company's Executive Incentive Plan (the "EIP"), in which each of Phillip G. Norton (President and Chief Executive Officer), Mark P. Marron (Chief Operating Officer), Elaine D. Marion (Chief Financial Officer) and Steven J. Mencarini (Senior Vice President) will participate.

The awards to Messrs. Norton, Marron and Mencarini are designated as Covered Awards (as defined in the EIP). The fiscal year 2016 performance goals and their relative proportions, which are the same for all four executives, are as follows:

<u>2016 Performance Goals</u>	<u>Weighting</u>
Consolidated earnings before tax	70%
Percent increase in gross profit from ePlus professional and managed services as compared to the prior year	15%
Financing origination volume	15%

The Committee must certify in writing prior to payment of the Covered Awards that the performance goals were met. Any awards earned under the EIP will be paid in cash.

In calculating whether performance goals have been achieved, actual results will be adjusted to exclude the following, as applicable: (i) the incentive compensation expensed by ePlus for payments under the plan, (ii) all items of revenue, gain or loss determined by the ePlus Board of Directors to be extraordinary or unusual in nature and not incurred or realized in the ordinary course of business, (iii) all third-party expenses related to ePlus' patent infringement litigation against Lawson Software/Infor which are over the amount budgeted for fiscal year 2016, (iv) any income related to the patent infringement litigation against Lawson Software/Infor, net of the amount of costs excluded from the executive incentive plan in prior years, and (v) any revenue, gain or loss attributable to the business operations of any entity acquired by ePlus during the 2016 fiscal year. The cash incentive compensation for fiscal year 2015 can range from \$0 to a maximum of: for Mr. Norton, \$900,000; for Mr. Marron, \$550,000; for Ms. Marion, \$400,000; and for Mr. Mencarini, \$275,000.

The award amount payable is a target award based on the level of attainment of the applicable performance goals as set forth in the participant's award agreement. The Committee may not waive or amend performance goals or increase the amount payable pursuant to Covered Awards (as defined in the EIP) after the performance goals have been established but has discretionary authority to reduce the amount that would otherwise be payable with respect to any award. In the event it is determined that an award was paid based on incorrect financial results, the Committee may lower the payment, and to the extent permitted by applicable law, require the participant to reimburse the Company for any amount paid with respect to such an award. Additionally, the EIP provides that cash payments are subject to recovery by the Company to the extent required by the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 and the Sarbanes-Oxley Act of 2002 and any regulations promulgated thereunder.

Amendments to Employment Agreements
