PROXY STATEMENT

The Board of Directors of Sonic Foundry, Inc., a Maryland corporation (“Sonic”), hereby solicits the enclosed proxy. Unless instructed to the contrary on the proxy, it is the intention of the persons named in the proxy to vote the proxies:

FOR the election of Brian T. Wiegand for a term expiring in 2022;

FOR approval, by a non-binding advisory vote, of the compensation paid by the Company to its Named Executive Officers;

FOR the selection, by a non-binding advisory vote, of the frequency at which the stockholders of the Company will be asked to approve, by a non-binding advisory vote, the compensation paid by the Company to its Named Executive Officers;

FOR approval of a proposal to amend the 2008 Sonic Foundry Employee Stock Purchase Plan to increase the number of shares of common stock subject to the plan from 150,000 to 200,000.

FOR approval of a proposal to amend the 2009 Stock Incentive Plan to increase the number of shares of common stock subject to the plan from 1,800,000 to 2,700,000.

FOR a Proposal to amend the 2008 Sonic Foundry Non-Employee Directors Stock Option Plan to increase the number of common shares subject to the plan from 100,000 to 150,000; and

FOR the ratification of the appointment of Baker Tilly Virchow Krause LLP as independent auditors of Sonic for the fiscal year ending September 30, 2017.

In the event that the nominee for director becomes unavailable to serve, which management does not expect, the persons named in the proxy reserve full discretion to vote for any other persons who may be nominated. Proxies may also be authorized by telephone or over the Internet by following the instructions on the proxy card. Any stockholder giving a proxy may revoke it at any time prior to the voting of such proxy. This Proxy Statement and the accompanying proxy are being mailed on or about February 1, 2017.

Each stockholder will be entitled to one vote for each share of Common Stock standing in his or her name on our books at the close of business on January 10, 2017 (the “Record Date”). Only holders of issued and outstanding shares of Sonic's common stock as of the close of business on the Record Date are entitled to notice of and to vote at the Annual Meeting, including any adjournment or postponement thereof. On that date, we had outstanding and entitled to vote 4,416,423 shares of Common Stock, held by approximately 4,000 stockholders, of which approximately 200 were held in street name.

QUORUM; VOTES REQUIRED

Votes cast by proxy or in person at the Annual Meeting will be tabulated by the inspector of elections appointed for the Annual Meeting and will determine whether or not a quorum is present. Where, as to any matter submitted to the stockholders for a vote, proxies are marked as abstentions (or stockholders appear in person but abstain from voting),

such abstentions will be treated as shares that are present and entitled to vote for purposes of determining the presence of a quorum, but will not be treated as present and entitled to vote for any other purpose. If a broker indicates on the proxy that it does not have discretionary authority as to certain shares to vote on a particular matter and has not received instructions from the beneficial owner, which is known as a broker non-vote, such shares will also be considered present for purposes of a quorum, provided that the broker exercises discretionary authority on any other matter in the Proxy. A majority of the shares of Common Stock issued, outstanding and entitled to vote at the Annual Meeting, present in person or represented by proxy, shall constitute a quorum at the Annual Meeting. The election of the Director requires a plurality of the votes present and entitled to vote. Therefore, the director who receives the highest vote total will be elected. Neither an abstention nor a withheld vote will affect the outcome of the election. The vote to amend the 2008 Employee Stock Purchase Plan, the amendment of the 2009 Stock Incentive Plan and, the amendment of the Sonic Foundry Non-Employee Directors Stock Option Plan require the affirmative vote of the holders of a majority of shares entitled to vote at the Annual Meeting. A plurality of the votes cast at the Annual Meeting is required to select, by a non-binding advisory vote, the frequency at which the stockholders of the Company will be asked to approve, by a non-binding advisory vote, the

compensation paid by the Company to its Named Executive Officers. If you abstain from voting on either of these proposals, it will have the same effect as a vote against the proposal. The non-binding advisory vote of the compensation paid by the Company to its Named Executive Officers and ratification of the appointment of Baker Tilly Virchow Krause LLP requires the affirmative vote of the holders of a majority of the votes cast at the Annual Meeting. If you abstain or withhold your vote on this proposal, it will have no effect on the outcome of the proposal.

The New York Stock Exchange ("NYSE") has rules that govern brokers who have record ownership of listed company stock held in brokerage accounts for their clients who beneficially own the shares. Under these rules, brokers who do not receive voting instructions from their clients have the discretion to vote uninstructed shares on certain discretionary matters but do not have discretion to vote uninstructed shares as to certain other non-discretionary matters. A broker may return a proxy card on behalf of a beneficial owner from whom the broker has not received instructions that casts a vote with regard to discretionary matters but expressly states that the broker is not voting as to non-discretionary matters. The broker's inability to vote with respect to the non-discretionary matters with respect to which the broker has not received instructions from the beneficial owner is referred to as a "broker non-vote". Under current NYSE interpretations, the proposal to ratify the appointment of Baker Tilly Virchow Krause, LLP as our independent auditor is considered a discretionary matter, while the non-binding advisory vote of the compensation paid by the Company to its named executive officers, the proposal to amend the 2008 Stock Purchase Plan, the proposal to amend the 2009 Stock Incentive Plan and the proposal to amend the 2008 non-employee directors stock option plan are considered non-discretionary matters.

DATE, TIME AND PLACE OF ANNUAL MEETING

The Annual Meeting will be held on March 7, 2017 at 9:00 a.m. (Central time) at the Monona Terrace Community and Convention Center, One John Nolen Drive, Madison, Wisconsin 53703.

When considering whether the Board of Directors and nominees thereto have the experience, qualifications, attributes and skills, taken as a whole, to enable the Board of Directors to satisfy its oversight responsibilities effectively in light of our business and structure, the Board of Directors focused primarily on the information discussed in each of the Board members' biographical information set forth above. CORPORATE GOVERNANCE

Director Independence

Through its listing requirements for companies with securities listed on the NASDAQ Capital Market, the NASDAQ Stock Market ("NASDAQ") requires that a majority of the members of our Board be independent, as defined under NASDAQ's rules. The NASDAQ rules have both objective tests and a subjective test for determining who is an "independent director." The objective tests state, for example, that a director is not considered independent if he or she is an employee of the Company or has engaged in various types of business dealings with the Company. The subjective test states that an independent director must be a person who lacks a relationship that in the opinion of the Board would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. The Board has made a subjective determination as to each independent director that no relationship exists that, in the opinion of the Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In making these determinations, the Board reviews information provided by the directors in an annual questionnaire with regard to each director's business and personal activities as they relate to the Company. Based on this review and consistent with NASDAQ's independence criteria, the Board has affirmatively determined that Mark D. Burish, David C. Kleinman and Brian T. Wiegand are independent.

Related Person Transaction

The Board has adopted a Related Person Transaction Policy (the "Policy"), which is a written policy governing the review and approval or ratification of Related Person Transactions, as defined in SEC rules.

Under the Policy, each of our directors and executive officers must notify the Chairman of the Audit Committee in writing of any new potential Related Person Transaction involving such person or an immediate family member. The Audit Committee will review the relevant facts and circumstances and will approve or ratify the transaction only if it

determines that the transaction is not inconsistent with, the best interests of the Company. The Related Party Transaction must then be approved by the independent directors. In determining whether to approve or ratify a Related Person Transaction, the Audit Committee and the independent directors may consider, among other things, the benefits to the Company; the impact on the director's independence (if the Related Person is a director or an immediate family member); the availability of other sources for comparable products or services; the terms of the transaction; and the terms available to unrelated third parties or to employees generally. There were no new Related Person Transactions in the fiscal year ended September 30, 2016 ("Fiscal 2016").

Board Leadership Structure and Role in Risk Oversight

Mark D. Burish serves as Non-Executive Chairman of the Board and Gary R. Weis serves as our Chief Executive Officer and Chief Technical Officer. The Company believes that having separate positions provides an appropriate leadership structure.

Our business and affairs are managed under the direction of our board, which is the Company's ultimate decision-making body, except with respect to those matters reserved to our stockholders. Our Board's key mission is to maximize long-term stockholder value. Our Board establishes our overall corporate policies, selects and evaluates our executive management team (which is charged with the conduct of our business), and acts as an advisor and counselor to executive management. Our board also oversees our business strategy and planning, as well as the performance of management in executing its business strategy and assessing and managing risks.

What is the Board's role in risk oversight?

The board takes an active role in monitoring and assessing the Company's risks, which include risks associated with operations, credit, financing and capital investments. Management is responsible for the Company's day-to-day risk management activities and our board's role is to engage in informed risk oversight. Management, through its disclosure committee, compiles an annual ranking of risks to which the Company could be subjected and reviews the results of this risk assessment with the audit committee. Any significant risks are then reviewed by the board and assigned for oversight. In fulfilling this oversight role, our board focuses on understanding the nature of our enterprise risks, including our operations and strategic direction, as well as the adequacy of our risk management process and overall risk management system. There are a number of ways our board performs this function, including the following:

- at its regularly scheduled meetings, the board receives management updates on our business operations, financial results and strategy and discusses risks related to the business;
- the audit committee assists the board in its oversight of risk management by discussing with management, particularly, the Chief Financial Officer, our guidelines and policies regarding financial and enterprise risk management and risk appetite, including major risk exposures, and the steps management has taken to monitor and control such exposures; and
- through management updates and committee reports, the board monitors our risk management activities, including the annual risk assessment process, risks relating to our compensation programs, and financial and operational risks being managed by the Company.

The board of directors also has oversight responsibility for risks and exposures related to employee compensation programs and management succession planning, and assesses whether the organization's compensation practices encourage risk taking that would have a material adverse effect on the Company. The compensation committee periodically reviews the structure and elements of our compensation programs and its policies and practices that manage or mitigate such risk, including the balance of short-term and long-term incentives, use of multiple performance measures, and a multi-year vesting schedule for long-term incentives. Based on these reviews, the committee believes our compensation programs do not encourage excessive risk taking.

Board Structure and Meetings

The Board met five times during Fiscal 2016. The Board also acted by written consent from time to time. All directors attended at least 75% of the total number of Board meetings and committee meetings on which they serve (during the period in which each director served). In addition, NASDAQ marketplace rules contemplate that the independent members of our Board will meet during the year in separate closed meetings referred to as "executive sessions" without any employee director or executive officer present. Executive sessions were usually held after regularly scheduled Board meetings during Fiscal 2016.

The Board of Directors has four standing committees, the Audit Committee, the Executive Compensation Committee, the Governance Committee and the Nominations Committee.

Sonic has a standing audit committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”). Members of the Audit Committee are Messrs. Kleinman (chair), Burish and Wiegand. Sonic’s Board of Directors has determined that all members of Sonic’s Audit Committee are “independent” as that term is used in Item 7(d)(3)(iv) of Schedule 14A under the Exchange Act and as defined under Nasdaq listing standards. The Audit Committee provides assistance to the Board in fulfilling its oversight responsibility including: (i) internal and external financial reporting, (ii) risks and controls related to financial reporting, and (iii) the internal and external audit process. The Audit Committee is also responsible for recommending to the Board the selection of our independent public accountants and for reviewing all related party transactions. The Audit Committee met five times in Fiscal 2016. A copy of the charter of the Audit Committee is available on Sonic’s website.

Sonic's Board of Directors has determined that, due to his affiliation with the Chicago Booth School of Business at the University of Chicago, and due to his current and past service as a director on numerous company boards, and membership on numerous audit committees, including chair, along with his other academic and business credentials, Mr. Kleinman has the requisite experience and applicable background to meet Nasdaq standards requiring financial sophistication of at least one member of the audit

committee. Sonic's Board of Directors has also determined that neither Mr. Kleinman nor any other member of the Audit Committee is an audit committee financial expert as defined by applicable SEC regulations

The Compensation Committee consists of Messrs. Kleinman (chair) and Burish. The Board of Directors has determined that all of the members of the Compensation Committee are "independent" as defined under Nasdaq listing standards. The Compensation Committee makes recommendations to the Board with respect to salaries of employees, the amount and allocation of any incentive bonuses among the employees, and the amount and terms of stock options to be granted to executive officers. The Compensation Committee met once in Fiscal 2016. A copy of the charter of the Compensation Committee is available on Sonic's website.

The Governance Committee consists of Messrs. Burish (chair) and Kopko. The Governance Committee was established on January 24, 2013 to consider board terms and other governance issues related to enhancing shareholder value. The Committee did not meet in fiscal 2016.

The Nominations Committee consists of Messrs. Burish (chair), Kopko and Kleinman. The Board of Directors has determined that all of the members of the Nominations Committee are "independent" as defined under Nasdaq listing standards. The purpose of the Nominations Committee is to evaluate and recommend candidates for election as directors, make recommendations concerning the size and composition of the Board of Directors, develop specific criteria for director independence, and assess the effectiveness of the Board of Directors. Our Board of Directors has adopted a charter for the Nominations Committee, which is available on Sonic's website. The Nominations Committee will review all candidates in the same manner regardless of the source of the recommendation. In recommending candidates for election to the Board of Directors, the Nominations Committee reviews each candidate's qualifications, including whether a candidate possesses any of the specific qualities and skills desirable in certain members of the Board of Directors. Evaluations of candidates generally involve a review of background materials, internal discussions and interviews with selected candidates as appropriate. Generally, the Nominations Committee will consider various criteria in considering whether to make a recommendation. These criteria include expectations that directors have substantial accomplishments in their professional backgrounds and are able to make independent, analytical inquiries and exhibit practical wisdom and mature judgment. Director candidates should possess the highest personal and professional ethics, integrity and values, be committed to promoting the long-term interest of our stockholders and be able and willing to devote the necessary time to carrying out their duties and responsibilities as members of the Board. While the Board of Directors has not adopted a policy regarding diversity, we also believe our directors should come from diverse backgrounds and experience bases in order to promote the representation of diverse views on the Board of Directors. Stockholder recommendations of candidates for Board membership will be considered when submitted to Corporate Secretary, Sonic Foundry, Inc., 222 W. Washington Ave., Madison, WI 53703. When submitting candidates for nomination to be elected at Sonic's annual meeting of stockholders, stockholders must also follow the notice procedures and provide the information required by Sonic's bylaws.

In particular, for a stockholder to nominate a candidate for election at the 2018 Annual Meeting of Stockholders, the nomination must be delivered or mailed to and received by Sonic's Secretary between November 7, 2017 and December 7, 2017 (or, if the 2018 annual meeting is advanced by more than 30 days or delayed by more than 60 days from March 7, 2018, not earlier than the close of business on the 120th day prior to such annual meeting and not later than the close of business on the later of the 90th day prior to such annual meeting or the tenth calendar day following the date on which public announcement of the date of the annual meeting is first made). The nomination must include the same information as is specified in Sonic's bylaws for stockholder nominees to be considered at an annual meeting, including the following:

- The stockholder's name and address and the beneficial owner, if any, on whose behalf the nomination is proposed;
- The stockholder's reason for making the nomination at the annual meeting, and the signed consent of the nominee to serve if elected;

The number of shares owned by, and any material interest of, the record owner and the beneficial owner, if any, on whose behalf the record owner is proposing the nominee;

A description of any arrangements or understandings between the stockholder, the nominee and any other person regarding the nomination; and

Information regarding the nominee that would be required to be included in Sonic's proxy statement by the rules of the Securities and Exchange Commission, including the nominee's age, business experience for the past five years and any other directorships held by the nominee.

DIRECTORS COMPENSATION

Our directors who are not also our full-time employees, receive an annual retainer of \$20,000 in addition to a fee of \$1,500 for attendance at each meeting of the Board of Directors and \$1,000 per committee meeting attended. In addition, Mr. Kleinman receives an Audit Committee annual retainer of \$8,000 and a Compensation Committee annual retainer of \$3,000 for his services as chairman of each committee and Mr. Burish receives an annual retainer of \$35,000 as compensation for his services as Chairman

of the Board of Directors. The retainers earned by each director in fiscal 2016 were awarded in stock rather than in cash using a value per share calculated by reducing the closing price of the stock on the date of the 2016 annual meeting by 15%. The discount was intended to approximate the diminution in value created by restrictions on trading imposed on insiders. The total fee compensation earned by the four non-employee directors combined in Fiscal 2016 was \$175,000. When traveling from out-of-town, the members of the Board of Directors are also eligible for reimbursement for their travel expenses incurred in connection with attendance at Board meetings and Board Committee meetings. Directors who are also employees do not receive any compensation for their participation in Board or Board Committee meetings.

Pursuant to the 2008 Sonic Foundry Non-Employee Amended Directors Stock Option Plan (the "Directors Plan") we grant to each non-employee director who is reelected or who continues as a member of the Board of Directors at each annual stockholders meeting a stock option to purchase 2,000 shares of Common Stock. Further, the chair of our Audit Committee receives an additional stock option grant to purchase 500 shares of Common Stock per year pursuant to Sonic's Non-Employee Amended Directors Stock Option Plan.

The exercise price of each stock option granted was equal to the market price of Common Stock on the date the stock option was granted. Stock options issued under the Directors Plan vest fully on the first anniversary of the date of grant and expire after ten years from date of grant. An aggregate of 100,000 shares are reserved for issuance under the Directors Plan.

If any change is made in the stock subject to the Directors Plan, or subject to any option granted thereunder, the Directors Plan and options outstanding thereunder will be appropriately adjusted as to the type(s), number of securities and price per share of stock subject to such outstanding options.

The options and warrants set forth above have an exercise price equal to the fair market value of the underlying common stock on the date of grant. The term of all such options is ten years. The following table summarizes cash and equity compensation provided our non-employee directors during the fiscal year ended September 30, 2016.

Compensation Discussion and Analysis

Introduction

This Compensation Discussion and Analysis describes our compensation strategy, policies, programs and practices for the executive officers identified in the Summary Compensation Table. Throughout this proxy statement, we refer to these individuals, who serve as our Chief Executive Officer, Chief Financial Officer and Executive Vice President of Sales as the “executive officers.”

The Executive Compensation Committee (“Committee”) establishes and oversees our compensation and employee benefits programs and approves the elements of total compensation for the executive officers. The day-to-day design and administration of our retirement and employee benefit programs available to our employees are handled by our Human Resources and Finance Department employees. The Committee is responsible for reviewing these programs with management and approving fundamental changes to them.

Overview and Objectives of our Executive Compensation Program

The compensation program for our executive officers is designed to attract, motivate, reward and retain highly qualified individuals who can contribute to Sonic’s growth with the ultimate objective of increasing stockholder value.

Our compensation program consists of several forms of compensation: base salary, annual bonus, long-term incentives and limited perquisites and benefits.

Base salary and annual bonus are cash-based while long-term incentives consist of stock option awards. The Committee does not have a specific allocation goal between cash and equity-based compensation or between annual and long-term incentive compensation. Instead, the Committee relies on the process described in this discussion and analysis in its determination of compensation levels and allocations for each executive officer.

The Committee established performance metrics for each of its Named Executive Officers in fiscal 2016 designed to match Company performance to the amount of incentive compensation paid to such officers following completion of the fiscal year.

The recommendations of the Chief Executive Officer play a significant role in the compensation-setting process. The Chief Executive Officer provides the Committee with an annual overall assessment of Sonic’s achievements and performance, his evaluation of individual performance and his recommendations for annual compensation and long-term incentive awards. The Committee has discretion to accept, reject or modify the Chief Executive Officer’s recommendations. The Committee determines the compensation for the Chief Executive Officer in an executive session.

Market Competitiveness

The Committee’s target is for total cash compensation to average between the 50th and 75th percentile of published compensation data derived from two sources: (i) a peer group of companies that are in our industry, competitors for key talent, or with similar financial characteristics; and (ii) published market survey data for companies within our revenue range. The peer group data was obtained from the most recently filed proxy statement of 14 publicly-traded technology companies with annual revenues ranging from approximately \$25 million to just over \$100 million; market capitalization of approximately \$20 million to approximately \$200 million and approximately 400 employees or less. The following companies comprised the peer group for the study: Adesto Technologies, Corp, ARI Network Services Inc., Asure Software Inc., Autobyte Inc., Bsquare Corporation, Datawatch Corp., FalconStor Software Inc., GlobalSCAPE Inc., Glowpoint Inc., GSE Systems Inc., Inuvo Inc., MAM Software Group, Inc., Qumu Corporation and Smith Micro Software Company. Given competitive recruiting pressures, the Committee retains its discretion to deviate from this target under appropriate circumstances. The Committee periodically receives updates of the published compensation data.

Pay for Performance

The Committee believes that both long and short term compensation of executive officers should correlate to Sonic’s overall financial performance. Incentive payouts will be larger with strong performance and smaller if Sonic’s

financial results decline. From time to time, extraordinary Board-approved initiatives in a fiscal year, such as a restructuring, acquisition, or divestiture, are considered by the Committee in its overall evaluation of Sonic's performance.

Peer Group Analysis

Compensation data came from a peer group of fourteen public companies that we consider similar to our market for sales, or for key talent, or with similar financial or other characteristics such as number of employees. The companies in the peer group are described above.

Components of Executive Compensation

Base Salary

The Committee seeks to pay the executive officers a competitive base salary in recognition of their job responsibilities for a publicly held company. As noted above, the target compensation range for an executive's total cash compensation (salary and bonus) is between the 50th and 75th percentile of the market data reviewed by the Committee.

As part of determining annual compensation review, the Committee also considers the Chief Executive Officer's recommendation regarding individual performance as well as internal equitable considerations.

In evaluating individual performance, the Committee considers initiative, leadership, tenure, experience, skill set for the particular position, knowledge of industry and business, and execution of strategy in placing the individual within the range outlined.

The Committee considered base wage changes for Messrs. Weis, Minor and Lipps at a meeting of the Committee held on December 1, 2016. The Committee increased the base compensation for Messrs. Weis, Minor and Lipps by 3% - calculating new base wages of \$489,883, \$301,986 and \$249,811, respectively. After its review of all sources of market data as described above, the Committee believes that the base salaries and the bonuses described are within its targeted range for total cash compensation.

Annual Performance-Based Variable Compensation

The performance-based variable compensation reported for each executive officer represents compensation that was earned based on the fiscal 2016 incentive plan. The following describes the methodologies used by the Compensation Committee to determine the final annual performance-based variable compensation earned by each executive officer: Selection of Performance Metrics. For fiscal 2016, the Compensation Committee designed a short-term incentive program ("STIP") driven by four performance measures that it determined were appropriate to drive desired business behavior for the Company and would correlate positively with total shareholder return. These measures were the Company's results with respect to (1) customer billings, (2) adjusted EBITDA, (3) customer satisfaction, and (4) the officer's achievement of certain individual goals. Messrs. Weis, Minor and Lipps were included in the plan. Mr. Lipps' short term incentive plan included a separate component based solely on the level of customer billings achieved.

Establishment of Incentive Goals and Payout Approach. The Compensation Committee designed the relationship between pay and performance to ensure that desired performance would be rewarded with material payouts. Similarly, performance that did not meet the goals would reduce the performance-based variable compensation payout to as low as zero. In setting the performance levels, the Compensation Committee strived to establish challenging but achievable goals. The factors considered by the Compensation Committee in assessing the challenge inherent in the goals included:

- Management's internal operating plan; and
- Customer satisfaction.

Payout Based on Performance Against Goals. For fiscal 2016 the Company's performance, as evaluated by the Compensation Committee, lead to the determination that no objectives were met with regard to financial performance of the Company but that individual goals and customer satisfaction targets were met. Therefore 40% of the target bonus amounts were earned under the STIP compensation plan. The STIP earned by Messrs. Weis, Minor and Lipps were \$95,123, \$41,047 and \$28,289, respectively. Total billings - based incentives paid to Mr. Lipps during fiscal 2016 was \$49,848. In order to maximize liquidity, management recommended to the Compensation Committee that any cash component of the bonus be deferred until the collection of a significant account receivable, expected in April

2017. Management also proposed that the three executive officers be offered a choice to receive, at their election, all or a portion of their bonus in a form of equity rather than cash, further saving the Company cash. The mechanics of the program, as proposed by management, is to (1) grant a stock option equal to the amount of bonus the individual elects to defer, divided by the price of the stock at the time of grant with a vest date one year from the date of grant, or immediate vesting upon termination of employment for any reason; (2) upon exercise, grant a deferred bonus equal to the exercise price of the option, and (3) grant a tax gross-up at the time the individual exercises the option and receives the deferred bonus. The committee approved the recommendations. Messrs. Weis and Minor elected to receive 50% of their bonus in this form and received, in lieu of payment of their bonus, a stock option grant of 10,012 and 4,320 shares, respectively.

Stock Options

The Committee has a long-standing practice of providing long-term incentive compensation grants to the executive officers. The Committee believes that such grants, in the form of stock options, help align our executive officers' interests with those of Sonic's stockholders. All stock options have been granted under our 1995 Stock Option Plan, the 1999 Non-Qualified Plan or the 2009 Stock Incentive Plan ("Employee Plans"). All but the 2009 Stock Incentive Plan are now terminated.

The Committee reviews option grant recommendations by the Chief Executive Officer for each executive officer, but retains full discretion to accept, reject or revise each recommendation. The Committee's policy is to grant options on the date it approves them or such other future date as the Committee may agree at the time of approval. The exercise price is determined in accordance with the terms of the Employee Plan and cannot be less than the Fair Market Value, as defined in the Plan, of Sonic's common stock. The Committee typically grants options once a year, but may grant options to newly hired executives at other times.

In making its determinations, the Committee considers the number of options or shares owned by the executive officers.

On December 1, 2016 the Committee approved awards to Messrs. Weis, Minor and Lipps of option grants, effective two days following the release of results, to purchase 75,053, 41,273 and 41,273 shares of common stock, respectively, with the strike price equal to the closing price of Sonic's stock on that date, which was \$4.75. Each grant will vest one third each on the first, second and third anniversaries of the grant.

Health and Welfare Benefits

Our officers are covered under the same health and welfare plans, including our 401(k) plan, as salaried employees.

Employment Agreements

The Company has employment agreements with Messrs. Minor and Lipps. Pursuant to such employment agreements, Messrs. Minor and Lipps receive annual base salaries subject to increase each year at the discretion of the Board of Directors. Messrs. Minor and Lipps are also entitled to incidental benefits of employment under the agreements. Each of the employment agreements provides that a cash severance payment be made upon termination, other than for cause, or upon death or disability. In each case, such cash severance is equal to the highest cash compensation paid in any of the last three fiscal years immediately prior to termination. In addition, Messrs. Minor and Lipps will receive immediate vesting of all previously unvested common stock and stock options and have the right to voluntarily terminate their employment, and receive the same severance arrangement detailed above following (i) any "person" becoming a "beneficial" owner of stock of Sonic Foundry representing 50% or more of the total voting power of Sonic Foundry's then outstanding stock; or, (ii) Sonic Foundry is acquired by another entity through the purchase of substantially all of its assets or securities; or (iii) Sonic Foundry is merged with another entity, consolidated with another entity or reorganized in a manner in which any "person" is or becomes a "beneficial" owner of stock of the surviving entity representing 50% or more of the total voting power of the surviving entity's then outstanding stock; and, within two years and ninety days of any such event, Messrs. Minor or Lipps, as the case may be, is demoted without cause or his title, authority, status or responsibilities are substantially altered, their salary is reduced or the principal office is more than 50 miles outside the Madison metropolitan area. Pursuant to the employment agreements, each of Messrs. Minor and Lipps has agreed not to disclose our confidential information and not to compete against us during the term of his employment agreement and for a period of one year thereafter. Such non-compete clauses may not be enforceable, or may only be partially enforceable, in state courts of relevant jurisdictions.

The Company also has an employment agreement with Mr. Weis for his services as Chief Executive Officer and Chief Technology Officer. Pursuant to the terms of the amended and restated employment agreement, Mr. Weis will receive an annual base salary subject to increase at the discretion of the Board. Mr. Weis may also receive a performance bonus at the discretion of the Board.

The employment agreement continues in effect until terminated as set forth therein. In the event Mr. Weis's employment is terminated without cause, as defined in the employment agreement, or in the event his employment is constructively terminated, Mr. Weis will be entitled to receive, in equal bi-weekly installments over a one-year period, compensation equal to one and five hundredths (1.05) multiplied by the highest cash compensation paid to Mr. Weis in any of the last three years immediately prior to his termination. In the event of a Change of Control, as defined in the amended and restated employment agreement, Mr. Weis is entitled to terminate the agreement within one year following such Change of Control, in which event he shall be entitled to receive, in a lump sum payable within thirty days of such termination, compensation equal to two and one-tenth (2.1) multiplied by the highest cash compensation paid to Mr. Weis in any of the last three fiscal years immediately prior to his termination. In any of the above events, (i) all of Mr. Weis's unvested stock options and stock grants will vest immediately upon termination, and (ii) Mr. Weis will receive health insurance continuation as required by COBRA, salary accrued to the date of termination, and any accrued vacation pay. Mr. Weis has further agreed not to disclose the Company's proprietary information, and, until one year

following the termination of his employment agreement, not to compete with the Company or solicit the Company's employees. Such non-compete clause may not be enforceable, or may be only partially enforceable, in state courts of relevant jurisdiction.

For illustrative purposes, if Sonic terminated the employment of Mr. Weis (not for cause) on September 30, 2016, Sonic would be obligated to pay \$764,891, representing 1.05 times the cash compensation paid Mr. Weis during fiscal 2014 (fiscal year with highest cash compensation in three year period preceding September 30, 2016) and \$1,529,782 if Mr. Weis elected to terminate his employment on September 30, 2016, following a change of control as defined in the employment agreement. If Sonic terminated Messrs. Minor and Lipps on September 30, 2016, (not for cause), or if Messrs. Minor and Lipps elected to terminate their employment following a demotion or alteration of duties on September 30, 2016, and a change of control as defined in the employment agreements had occurred, Sonic would be obligated to pay \$410,145 and \$378,339, respectively (based on fiscal 2014 compensation which was the fiscal year with highest cash compensation in three year period preceding September 30, 2016). In addition, any non-vested rights of Messrs. Weis, Minor and Lipps under the Employee Plans, would vest as of the date of employment termination. The value of accelerated vesting of the options under these circumstances would be \$148,000 for Mr. Weis and \$82,000 for both Messrs. Minor and Lipps.

Personal Benefits

Our executives receive a limited number of personal benefits certain of which are considered taxable income to them and which are described in the footnotes to the section of this Proxy Statement entitled "Summary Compensation Table".

Internal Revenue Code Section 162(m)

Internal Revenue Code Section 162(m) limits the ability of a public company to deduct compensation in excess of \$1 million paid annually to each of the Chief Executive Officer and each of the other executive officers named in the Summary Compensation Table. There are exemptions from this limit, including compensation that is based on the attainment of performance goals that are established by the Committee and approved by the Company stockholders. No executive officer was affected by this limitation in fiscal 2016.

COMPENSATION COMMITTEE REPORT

The Compensation Committee of Sonic has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management and, based on such review and discussions, the Compensation Committee recommended to the Board that the Compensation Discussion and Analysis be included in the Proxy Statement.

The option awards in column (f) represent the aggregate grant date fair value computed in accordance with FASB ASC Topic 718 for stock options granted during the fiscal year. The assumptions and methodology used in calculating the compensation expense of the option awards are provided in Sonic's Form 10-K. See Note 1, "Accounting for Stock Based Compensation" in the Notes to the Consolidated Financial Statements in Sonic's (1) Form 10-K. The amounts in this column represent value attributed to the awards at the date of grant and not necessarily the actual value that will be realized by the executive. There can be no assurance that the options will ever be exercised (in which case no value will be realized by the executive) or that the value on exercise will equal the ASC Topic 718 value.

(2) The amounts in column (g) represent cash bonuses which were awarded for performance during the prior fiscal year based on a pre-established formula.

The amount shown under column (i) for the fiscal year 2016 includes Sonic's matching contribution under our 401(k) plan of \$9,021, \$10,149 and \$9,945 for Messrs Weis, Minor and Lipps. Mr. Minor receives \$650 per month (3) as a car allowance of which the taxable personal portions were \$7,150. Mr. Lipps receives a car allowance of \$700 per month of which there was no taxable personal portion. Mr. Weis received car and housing allowances totaling \$2,500 per month, of which there was no taxable personal portion.

The amount reported in column (l) represents the grant date fair value of the award following the required FASB ASC Topic 718 compensation methodology. Grant date fair value is calculated using the Lattice method. See Note 1, "Accounting for Stock Based Compensation" in the Notes to the Consolidated Financial Statements in Sonic's

(2) Form 10-K for the fiscal year ended September 30, 2016 for an explanation of the methodology and assumptions used in FASB ASC Topic 718 valuation. Sonic grants options to its executive officers under our employee stock option plans. As of September 30, 2016, options to purchase a total of 1,602,822 shares were outstanding under the plans, and options to purchase 366,886 shares remained available for grant thereunder.

Compensation Committee Interlocks and Insider Participation

The members of the Executive Compensation Committee of Sonic's Board of Directors for fiscal 2016 were those named in the Executive Compensation Committee Report. No member of the Committee was at any time during fiscal 2016 or at any other time an officer or employee of Sonic Foundry, Inc.

No executive officer of Sonic Foundry, Inc. has served on the board of directors or compensation committee of any other entity that has or has had one or more executive officers serving as a member of the Board of Directors of Sonic Foundry.

PROPOSAL TWO: ADVISORY VOTE ON COMPENSATION OF NAMED EXECUTIVE OFFICERS

Introduction

The core of Sonic's executive compensation policies and practices continues to be to pay for performance. Our executive officers are compensated in a manner consistent with our strategy, competitive practice, sound corporate governance principles, and stockholder interests and concerns. We believe our compensation program is strongly aligned with the long-term interests of our stockholders. We urge you to read the Compensation Discussion and Analysis section of this proxy statement for additional details on our executive compensation, including our compensation philosophy and objectives and the 2016 compensation of our Named Executive Officers.

Pursuant to the "Say on Pay" rules enacted pursuant to Section 14A of the Securities Exchange Act, we are asking you to vote on the adoption of the following resolution:

BE IT RESOLVED by the stockholders of Sonic Foundry, Inc., that the stockholders approve the compensation of Sonic's Named Executive Officers as disclosed in the proxy statement pursuant to the SEC's compensation disclosure rules.

As an advisory vote, this Proposal is non-binding. Although the vote is non-binding, the Board of Directors and the Compensation Committee value the opinions of our stockholders, and will consider the outcome of the vote when making future compensation decisions for our Named Executive Officers.

Vote Required

The affirmative vote of a majority of the shares of Sonic common stock cast at the Annual Meeting is required for approval of this Proposal.

Recommendation of the Board of Directors

The Board of Directors recommends that the stockholders vote FOR Proposal Two.

PROPOSAL THREE: ADVISORY VOTE ON SELECTION OF FREQUENCY FOR ADVISORY VOTE ON EXECUTIVE COMPENSATION PROPOSAL

As part of the "Say on Pay", the Sonic stockholders may indicate, by a non-binding advisory vote, the frequency desired at which they will have an advisory vote on the compensation paid to Sonic's Named Executive Officers. (In other words, how often a proposal similar to this year's Proposal Two will be included in the matters to be voted on at the Annual Meeting.) The choices available under the Say on Pay rules are every year, every other year, or every third year.

Please mark your proxy card to indicate your preference on this Proposal or your abstention if you wish to abstain. If you fail to indicate your preference, your shares will be treated as though you chose to abstain on this proposal. A plurality of the votes cast on this Proposal will determine the frequency selected by the stockholders. The Board of

Directors recommends that you select three years as the desired frequency for a stockholder vote on executive compensation under the Say on Pay rules.

The frequency selected by the stockholders for conducting Say on Pay voting at the Annual Meetings of the stockholders of the Company is not a binding determination. However, the frequency selected will be given due consideration by the Company in its discretion.

PROPOSAL FOUR: PROPOSAL TO AMEND THE 2008 SONIC FOUNDRY EMPLOYEE STOCK PURCHASE PLAN

The Board of Directors believe that it is in the best interest of Sonic and its stockholders to amend the 2008 Employee Stock Purchase Plan to increase the number of shares of common stock subject to the plan from 150,000 to 200,000. The 2008 Employee Stock Purchase Plan was approved at the annual stockholders meeting held March 6, 2008 and in the opinion of the Company, enhanced the interest of employees in the continued success of Sonic and served to align the interests of the employees and stockholders. In addition, the Board of Directors is of the opinion that employee stock purchase plans provide an aid in recruiting highly qualified and talented employees. At January 10, 2017 there are 19,039 shares available for issuance under the plan and we typically issue approximately 15,000 shares per year.

For these reasons, the Board of Directors authorized the amendment of the 2008 Employee Stock Purchase Plan (the "Purchase Plan") to increase the number of shares of common stock subject to the plan from 150,000 to 200,000, subject to the approval of stockholders at the Annual Meeting.

The following is a summary of the material provisions of the Purchase Plan. This summary is qualified in its entirety by reference to the specific provisions of the Purchase Plan, the full text of which is attached to this Proxy Statement as Exhibit A.

Summary of the Purchase Plan

Common Stock Subject To Plan

Subject to adjustment as provided below, 200,000 shares of Common Stock will be available for issuance under the Purchase Plan. Shares of Common Stock delivered under the Purchase Plan may be authorized and unissued shares or reacquired shares. As of January 10, 2017, the fair market value of one share of Common Stock was \$4.95.

Participation

Any employee who has completed 90 days of employment with Sonic or any Designated Subsidiary of Sonic on the first day of each offering period will be eligible to participate in the Purchase Plan. A Designated Subsidiary of Sonic is any majority-owned subsidiary of Sonic that has been designated by the Board of Directors as eligible to participate in the Purchase Plan with respect to its Employees. An employee of Sonic or a Designated Subsidiary of Sonic who, after the grant of an option to purchase, would hold common stock and/or hold outstanding options to purchase stock possessing 5% or more of the total combined voting power or value of Sonic will not be eligible to participate. As of January 10, 2017, approximately 135 employees of Sonic would be eligible to participate in the Purchase Plan.

Purchases Under The Purchase Plan

Sonic will continue to make bi-annual offerings to eligible employees of options to purchase shares of Common Stock under the Purchase Plan on the first trading day of January and July. Each offering period will continue to be for a period of six months from the date of offering, and each eligible employee as of the date of offering will continue to be entitled to purchase shares of Common Stock at a purchase price equal to the lower of 85% of the fair market value of Common Stock on the first trading day of the offering period or 85% of the fair market value of Common Stock on the last trading day of the offering period.

Payment for shares of Common Stock purchased under the Purchase Plan will continue to be made by authorized payroll deductions from an employee's Total Wages. Subject to the terms of the Purchase Plan, eligible employees who desire to participate in the Purchase Plan will designate a stated whole percentage of their total wages, up to a

maximum of 10%, to be deducted from their total wages and held by Sonic until the date of purchase. No participant in the Purchase Plan is permitted to purchase Common Stock under the Purchase Plan if such option would permit his or her rights to purchase stock under the Purchase Plan to accrue at a rate that exceeds \$25,000 of the fair market value of such shares (determined as of the date of grant of such right), or that exceeds 1,000 shares, for each calendar year during which any option granted to such individual under any such plan is outstanding at any time.

A participant has none of the rights or privileges of a stockholder of Sonic (including the right to receive dividends) until the shares purchased under the Purchase Plan are fully paid for and issued.

Withdrawal

An employee may withdraw from the plan if such request is made at least 30 days prior to the end of a contribution period. Such withdrawal request and the refund of all cash contributions, without interest, will be made as soon as administratively feasible and all options will be cancelled. Once terminated, an employee will be eligible for reenrollment in the plan beginning with the contribution period beginning immediately following the next contribution period.

Termination Of Participation

An employee's participation in the Purchase Plan will be terminated when he or she: (1) voluntarily elects to withdraw his or her entire account; (2) resigns or is discharged from Sonic and all Designated Subsidiaries of Sonic; or (3) dies.

Administration

The Purchase Plan will continue to be administered by the Compensation Committee of the Board or such other committee established by the Board of Directors of Sonic ("the Committee").

Modification and Termination

The Committee may terminate the Purchase Plan at any time or make any amendment or modification it deems advisable.

Adjustments

Appropriate and proportionate adjustments will be made in the number and class of shares available under the Purchase Plan, and to the rights granted under the Purchase Plan and the prices applicable to such rights, to reflect changes in the outstanding stock that occur because of stock dividends, stock splits, recapitalizations, reorganizations, liquidations, or other similar events.

Transferability

A participant's rights under the Purchase Plan are exercisable only by such participant and may not be transferred in any manner.

Federal Income Tax Consequences

Sonic has been advised that under current law the federal income tax consequences to participants and Sonic of options granted under the Purchase Plan would generally be as set forth in the following summary. This summary is not a complete analysis of all potential tax consequences relevant to participants and Sonic and does not describe tax consequences based on particular circumstances. For these reasons, participants should consult with a tax advisor as to any specific questions regarding the tax consequences of participation in the Purchase Plan.

It is intended that the option to purchase shares of Common Stock granted under the Purchase Plan will constitute an option issued pursuant to an "employee stock purchase plan" within the meaning of Section 423 of the Internal Revenue Code of 1986, as amended. If shares are purchased under the Purchase Plan, and no disposition of these shares is made within two years of the date of grant of the option, or within one year after the purchase of the shares, then no income will be realized by the employee at the time of the transfer of the shares to such employee. When an employee sells or otherwise disposes of the shares, or in the event of his death (whenever occurring) while owning

such shares, there will be included in his or her gross income, as compensation, an amount equal to the lesser of: (i) the amount by which the fair market value of the shares on the first trading day of the offering period exceeds the purchase price for the shares, or (ii) the amount by which the fair market value at the time of disposition or death exceeds the purchase price per share. Any further gain will be treated for tax purposes as long-term capital gain, provided that the employee holds the shares for the applicable long-term capital gain holding period after the last day of the offering period applicable to such shares.

No deduction will be allowed to Sonic for federal income tax purposes in connection with the grant or exercise of the option to purchase shares under the Purchase Plan, provided there is no disposition of shares by a participant within either the two-year or the one-year periods referred to above. If an employee disposes of the shares within either the two-year or the one-year periods referred to above, he or she will realize ordinary income in the year of disposition in an amount equal to the difference between the purchase price and the fair market value of the shares at the time of exercise of the option, and Sonic will be entitled to a deduction in the same amount. Any difference between the amount received upon such a disposition and the fair market value of the shares at the time of exercise of the option will be capital gain or loss, as the case may be.

Plan Benefits

Participation in the Purchase Plan is voluntary and each eligible employee will make his or her own election whether and to what extent to participate in the plan. It is therefore not possible to determine the benefits or amounts that will be received in the future by individual employees or groups of employees under the Purchase Plan.

Provision to Purchase Additional Shares of Common Stock by Employees and Directors

Apart from the Plan provisions set forth above, the Committee has the power and authority to allow any Employee or director to receive Shares in lieu of cash compensation or cash fees. In such event, in order to account for the non-transferability of any Shares acquired thereunder, the Committee may discount the value of such Shares by up to 15% of the then Fair Market Value of unvested Shares of Common Stock. This portion of the Plan will allow Employees and directors the opportunity to acquire Shares in accordance with such special terms and conditions as the Committee may establish from time to time, which terms and conditions may modify the terms and conditions of the Plan set forth elsewhere in the Plan. Without limiting the authority of the Committee, the special terms and conditions which may be established with respect to such Employees and directors who elect to participate in this portion of the Plan, and which need not be the same for all such Employees and directors, include but are not limited to the right to participate, procedures for elections to participate, the purchase price of any Shares to be acquired, and the maximum amount of Shares which may be purchased by any participating Employee or director. Any purchases made pursuant to the provisions of this portion of the Plan shall not be subject to the requirements of Section 423 of the Code and the federal income tax consequences set forth above shall not apply thereto.

Vote Required

The amendment of the Purchase Plan requires the approval of a majority of the outstanding shares present and entitled to vote at the meeting.

The Board of Directors unanimously recommends a vote FOR Proposal 4 to amend the Employee Stock Purchase Plan.

PROPOSAL FIVE: PROPOSAL TO AMEND THE 2009 STOCK INCENTIVE PLAN

We are asking our stockholders to approve an amendment to the 2009 Stock Incentive Plan to increase the number of shares of common stock subject to the plan by 900,000 at the Annual Meeting (in this proposal, the “Amended 2009 Plan”). On January 25, 2017, the Board approved the Amended 2009 Plan, subject to stockholder approval.

The purpose of the Amended 2009 Plan is to promote the interests of the Company and its stockholders by strengthening the Company’s ability to attract and retain experienced and knowledgeable employees and to furnish additional incentives to those employees upon whose judgment, initiative and efforts the Company largely depends. The 2009 Plan provides for the grant of up to 1,800,000 stock options. As of September 30, 2016, the Company had granted options for 1,613,111 shares and had forfeitures totaling 210,143, leaving a balance of 397,032. During the quarter ended December 31, 2016, the Company granted options for 300,270 shares under the 2009 Plan and cancelled 2,974 options, leaving a balance at December 31, 2016 of 99,736. We recommend approval of the Amended 2009 Plan to provide for an aggregate number of shares that may be subject to awards under the Amended 2009 Plan of 2,700,000.

We presently anticipate that the number of Available Shares under the Amended 2009 Plan will be sufficient for issuance of awards under our equity compensation for three years. Except with respect to the number of shares of common stock subject to equity awards, there are no material differences between the prior 2009 Stock Incentive Plan

and the Amended 2009 Plan.

Why You Should Vote for the Amended 2009 Plan

There are a Limited Number of Options Remaining to be Granted Under the 2009 Plan

Equity awards are currently made to officers and employees exclusively from our 2009 Stock Incentive Plan. As of December 31, 2016, we had a balance of 99,736 options remaining to be granted under our 2009 Stock Incentive Plan. We currently grant approximately 300,000 options per year. If we do not adopt the Amended 2009 Plan we will be unable to issue a significant number of equity awards unless our stockholders approve a new stock plan. We anticipate that we will have difficulty attracting, retaining, and motivating officers and employees if we were unable to make equity awards to them. In addition, we believe that equity awards are an effective compensation vehicle because they offer significant potential value with a smaller impact on current income and cash flow. Therefore, we are asking our stockholders to approve the Amended 2009 Plan.

Equity Incentives are an Important Part of our Compensation Philosophy

Approval of the Amended 2009 Plan is critical to our ongoing effort to create stockholder value. As discussed in the Compensation Discussion and Analysis earlier in this Proxy Statement, equity-based incentives are an integral part of our compensation program. We grant stock options to substantially all of our employees. We believe we must continue to offer a competitive equity compensation plan in order to attract, retain and motivate the talent necessary to successfully grow the Company.

The Amended 2009 Plan Combines Compensation and Governance Best Practices

Some of the key features of the Plans that are designed to protect our stockholders' interest and to reflect corporate governance best practices are as follows:

Continued broad-based eligibility for equity awards. We grant equity awards to substantially all of our employees. By doing so, we link employee interests with stockholder interests throughout the organization and motivate our employees to act as owners of the Company.

- Reasonable share counting provisions. In general, when awards granted under the Plans expire or are cancelled, the shares reserved for those awards will be returned to the share reserve and be available for future issuance under the Plans. However, shares of common stock received from the exercise of stock options or withheld for taxes will not be returned to the share reserve.

Option exercise price. Under the Amended 2009 Plan, the exercise price per share of stock options may not be less than 100% of the fair market value on the date of grant.

Repricing is not allowed. Under the Amended 2009 Plan, repricing of stock options (including reduction in the exercise price of stock options or replacement of an award with cash or another award type) is prohibited without prior stockholder approval.

Limitations on Amendments. The Amended 2009 Plan requires stockholder approval for material amendments to the Plan, including (i) a material increase in the benefits accrued to participants under the Plan, (ii) a material increase in the number of securities that may be issued under the Plan, (iii) a material expansion of the class of individuals eligible to participate in the Plan, or (iv) an extension to the term of the Plan.

Description of the Amended 2009 Plan

A description of the principal features of the Amended 2009 Plan is set forth below. The summary is qualified in its entirety by the detailed provisions of the Amended 2009 Plan, a copy of which is attached to this Proxy Statement as Exhibit B.

Purpose. The Amended 2009 Plan is intended to provide incentives to the Company's officers, directors, and employees by providing them with opportunities to acquire a direct proprietary interest in the operations and future success of the Company.

Effective Date. The Amended 2009 Plan will become effective on the date on which it is approved by the stockholders (the "Effective Date").

Types of Awards. The Amended 2009 Plan provides for the following types of awards: (i) incentive stock options, (ii) non-qualified stock options, (iii) restricted stock awards, (iv) restricted stock units, (v) performance stock awards, (vi) and other stock-based awards (collectively, "Awards").

Administration. Our Board, or a committee of the Board consisting of at least two members of the Board, will continue to administer the Amended 2009 Plan. The Board may delegate responsibility for administration of the Plan

to different committees, subject to any limitations the Board deems appropriate. The Board, or any two member committee of the Board (hereinafter, the "Committee"), has full authority to administer the Plan, including authority to interpret and construe any relevant provisions of the Plan, to adopt rules and regulations that it deems necessary, to determine which individuals are eligible to participate and/or receive Awards under the Plan, to determine the amount and/or number of shares subject to the Award, and to determine the terms of the Award (which need not be identical). The Committee may delegate its authority to grant Awards under the Amended 2009 Plan to one or more of the Company's executive officers to the extent permitted by applicable law, provided the grantees are not executive officers or directors of the Company.

The Committee has the power to approve the form of Award agreements, and to amend or adopt sub-plans to permit employees who reside outside the United States to participate in the Amended 2009 Plan. The Committee does not have authority under the

Amended 2009 Plan to reduce the exercise or purchase price of any outstanding Award or to cancel and re-grant an outstanding Award if such action would reduce the exercise or purchase price of the Award, in either case, absent prior approval of the stockholders for such an action.

The Board has delegated administration of the 2009 Stock Incentive Plan, and any amendments thereto, including the Amended 2009 Plan to the Executive Compensation Committee.

Stock Subject to the Amended 2009 Plan. The common stock issued or to be issued under the Amended 2009 Plan consists of authorized but unissued shares or issued shares that have been reacquired by the Company in any manner. Subject to adjustment made in connection with a recapitalization, change in control and certain other events set forth in the Amended 2009 Plan, the maximum number of shares subject to Awards which may be issued pursuant to the Amended 2009 Plan will be 2,700,000 shares of common stock. In addition, if any Award granted under the Amended 2009 Plan is not exercised or is forfeited, lapses or expires, or otherwise terminates without delivery of any common stock subject thereto, the shares subject to such Award will again be available for future grants of Awards under the Plan. The number of shares of common stock available for issuance under the Amended 2009 Plan will not be increased by any shares tendered or Awards surrendered in connection with the purchase of shares of common stock upon exercise of an option or any shares of common stock deducted or forfeited from an Award in connection with our withholding obligations.

Eligibility and Limitations on Grants. Awards under the Amended 2009 Plan may be made to employees, officers, directors and consultants of the Company or any present or future parent or subsidiary of the Company or other business venture in which the Company has a substantial interest (“Related Entities”). Awards made to non-employee directors under the Amended 2009 Plan may only be granted and administered by a committee meeting the independence requirements of the exchange on which the Company’s common stock is listed.

Terms of Options. The Amended 2009 Plan permits grants of stock options intended to qualify as incentive stock options (“ISOs”) under Section 422 of the Internal Revenue Code (the “Code”) and stock options that do not qualify as ISOs (“non-qualified” options). Options granted under the Amended 2009 Plan will be non-qualified options if they fail to qualify as ISOs or exceed the annual limit on ISOs. Only employees of the Company may receive ISOs.

Non-qualified options may be granted to any persons eligible to receive ISOs and to directors and consultants of the Company. The exercise price of a stock option may not be less than 100% of the fair market value of the stock subject to the option on the date of grant (for an incentive stock option, 110% if the optionee is a 10% holder of our common stock). The term of option will not be longer than ten years (or, in the case of a 10% owner of our common stock, five years if the option is an ISO) and may be subject to restrictions on transfer.

Options may be exercised in whole or in part with written or electronic notice to the Company’s delegate for receipt of such notice, accompanied by full payment of the exercise price for the number of shares being purchased. Subject to the discretion of the Committee, the exercise price may be paid in cash, by check, pursuant to a broker-assisted cashless exercise, by delivery of other shares of common stock, by a “net exercise arrangement”, or any other form of legal consideration deemed acceptable by the Committee.

Options generally terminate ninety days after termination of an optionee’s service or as set forth in the option agreement. The optionee may have longer to exercise when termination is due to disability or death. No option may be exercised beyond the expiration of its term. The ability to exercise options may be accelerated by the Committee, subject to compliance with the provisions of the Amended 2009 Plan.

Terms of Restricted Stock. The Amended 2009 Plan permits grants of restricted stock entitling recipients to acquire shares of the Company’s common stock, subject to the right of the Company to require forfeiture of such shares in the event that conditions specified by the Committee in the applicable award agreement are not satisfied. Subject to the provisions of the Amended 2009 Plan, the Committee will determine the terms and conditions of any restricted stock award, including the grant date and vesting schedule for the award.

Terms of Restricted Stock Units. The Amended 2009 Plan permits awards of restricted stock units entitling recipients to acquire shares of the Company’s common stock (or the cash equivalent) in the future. Subject to the provisions of the Amended 2009 Plan, the Committee will determine the terms and conditions of any restricted stock unit award, including the grant date and vesting schedule for the award.

Other Stock-Based Awards. The Amended 2009 Plan permits awards of shares of the Company's common stock, and other awards that are valued by reference to, or are otherwise based on, shares of the Company's common stock or property, including awards entitling recipients to receive shares of the Company's common stock in the future. Such awards may also be available as a form of payment in the settlement of other awards granted under the Amended 2009 Plan or as payment in lieu of compensation to which a participant is otherwise entitled. Subject to the discretion of the Committee, the awards may be paid in shares of common

stock or cash. Subject to the provisions of the Amended 2009 Plan, the Committee will determine the terms and conditions of such other stock-based awards, including any purchase price that may be applicable to the award.

Performance Awards. Under the Amended 2009 Plan, certain restricted stock awards, restricted stock unit awards and other stock-based awards may be subject to the achievement of performance goals. For performance awards that are intended to qualify as performance-based compensation under Section 162(m) of the Code, the vesting and/or delivery of shares for such awards will occur upon achievement of one or more of the following objective performance measures, as determined by the Committee in its discretion: earnings per share, return on average equity or average assets in relation to a peer group of companies designated by the Committee, earnings, earnings growth, earnings before interest, taxes and amortization (EBITA), operating income, gross or product margins, revenues, expenses, stock price, market share, reductions in non-performing assets, return on sales, assets, equity or investment, regulatory compliance, satisfactory internal or external audits, improvement of financial ratings, achievement of balance sheet or income statement objectives, net cash provided from continuing operations, stock price appreciation, total shareholder return, cost control, strategic initiatives, net operating profit after tax, pre-tax or after-tax income, cash flow, or a combination of one or more of these measures, which may be absolute in their terms or measured against or in relationship to other companies comparably, similarly or otherwise situated. These performance measures may be adjusted to exclude the effect of various events that may occur during the performance period, including: extraordinary items and any other unusual or non-recurring items; discontinued operations; gains or losses on the dispositions of discontinued operations; the cumulative effects of changes in accounting principles; the writedown of any asset; and charges for restructuring and rationalization programs. In addition, such performance measures:

• may vary by participant and may be different for different performance awards;

• may be particular to a participant or the department, branch, line of business, subsidiary or other unit in which the participant works and may cover such period as may be specified by the Committee; and

• shall be set by the Committee within the time period prescribed by, and shall otherwise comply with the requirements of Section 162(m) of the Code.

Notwithstanding any other provision of the Plan, the Committee may adjust downwards, but not upwards, the cash or number of shares payable pursuant to performance awards intended to qualify as performance-based compensation under 162(m) of the Code, and the Committee may not waive the achievement of the applicable performance measures except in the case of the death or disability of the participant or a change in control of the Company. Awards that are not intended to qualify as performance-based compensation under 162(m) of the Code may be based on these or such other performance measures as the Committee may determine.

Adjustments and Recapitalization. In the event that any change is made to the shares of common stock issuable under the Amended 2009 Plan, whether through merger, consolidation, stock split, stock dividend, extraordinary cash dividend, recapitalization, combination of shares, exchange of shares, or other similar event, then appropriate adjustments will be made to (i) the maximum number and/or class of securities issuable under the Plan, (ii) the number and/or class of securities and, if applicable, price per share in effect under each outstanding Award under the Plan, and (iii) the maximum number of shares issuable to one individual in a calendar year under the Plan.

Change in Control Provisions. In the event of a change in control of the Company, outstanding Awards may be assumed, continued or substituted by the successor corporation. If the successor corporation does not assume, continue or substitute such Awards, then all Awards held by a participant, immediately prior to the effectiveness of the change in control, will become fully vested and exercisable.

Notwithstanding the foregoing, in the event of a change in control, all outstanding Awards held by the participant will, immediately prior to the effectiveness of the change in control, become vested and exercisable as to an additional number of shares equal to the number of shares that would have become vested and exercisable on the date twelve months after the effectiveness of the change in control. If the participant has been employed by the Company for less than twelve months immediately prior to the change in control, the number of vested and exercisable shares will be

increased by the number of shares that would have become vested and exercisable on the date six months after the consummation of the change in control. In addition, if, within six months following the change in control, the successor corporation terminates the employment of a participant without cause, all Awards held by the participant will become fully vested and exercisable.

Under the Amended 2009 Plan, a “change in control” generally means any of the following events: (i) a person (as defined by Sections 13(d) and 14(d) of the Exchange Act, as amended) becomes the beneficial owner of securities representing 35% or more of the combined voting power of the Company’s then outstanding securities; (ii) the Company’s incumbent directors cease to constitute a majority of the Board; (iii) a consummated merger or consolidation of the Company with any other corporation; or

(iv) the stockholders approve a plan of liquidation or dissolution or an agreement for the sale of all or substantially all of the Company's assets.

Term and Amendment of the Plan. The Amended 2009 Plan is scheduled to expire ten years from the Effective Date of the 2009 Stock Incentive Plan. The Board may amend or modify the Amended 2009 Plan in any respect to the extent the amendment or modification does not adversely affect a holder's rights under any outstanding Award without the holder's consent; however, stockholder approval is required for any amendment that (i) materially increases the benefits accrued to participants under the Plan, (ii) materially increases the number of securities which may be issued under the Plan, (iii) materially expands the class of individuals eligible to participate in the Plan, or (iv) extends the term of the Plan. In addition, certain amendments may, as determined by the Board in its discretion, require stockholder approval pursuant to applicable laws, rules or regulations, including any applicable exchange on which our common stock is listed.

Tax Withholding. Participants in the Amended 2009 Plan are responsible for the payment of any foreign, federal or state tax that we are required by law to withhold upon any exercise or vesting of an Award. Subject to the discretion of the Committee, participants may satisfy such tax obligations by delivery of shares of common stock, including shares retained from the Award creating the tax obligations, valued at their fair market value. The Company may, to the extent permitted by law, deduct such tax obligations from any payment of any kind otherwise due to the participant.

Federal Income Tax Consequences

The following is a summary of the principal U.S. federal income tax consequences to participants and the Company with respect to participation in the Amended 2009 Plan. It does not describe all federal tax consequences under the Amended 2009 Plan, nor does it discuss state, local or foreign tax consequences.

Incentive Stock Options. An optionee who is granted an incentive stock option does not recognize taxable income at the time the option is granted or upon its exercise, although the exercise is an adjustment item for alternative minimum tax purposes and may subject the optionee to the alternative minimum tax. Upon a disposition of the shares more than two years after grant of the option and more than one year after the exercise of the option, any gain or loss is treated as long-term capital gain or loss. If these holding periods are not satisfied, the optionee recognizes ordinary income at the time of disposition equal to the difference between the exercise price and the lower of (a) the fair market value of the shares at the date of the option exercise or (b) the sale price of the shares. Any gain or loss recognized on such a premature disposition of the shares in excess of the amount treated as ordinary income is treated as long-term or short-term capital gain or loss, depending on the holding period. Unless limited by Section 162(m) of the Code, we are generally entitled to a deduction in the same amount as the ordinary income recognized by the optionee.

Nonstatutory Stock Options. No taxable income is recognized by an optionee upon the grant of a nonstatutory stock option. Upon exercise, the optionee will recognize ordinary income equal to the excess of the fair market value of the purchased shares on the exercise date over the exercise price paid for those shares. Assuming we comply with Section 162(m) of the Code, we will be entitled to an income tax deduction in the tax year in which the optionee recognizes the ordinary income. When the optionee disposes of shares granted as a nonstatutory stock option, any difference between the sale price and the optionee's exercise price, to the extent not recognized as taxable income as provided above, is treated as long-term or short-term capital gain or loss, depending on the holding period.

Restricted Stock. A grantee who is awarded restricted stock will not recognize any taxable income for federal income tax purposes in the year of the award, provided that the shares of common stock are subject to restrictions (that is, the restricted stock is nontransferable and subject to a substantial risk of forfeiture). However, the grantee may elect under Section 83(b) of the Code to recognize compensation in the year of the award in an amount equal to the fair market value of the common stock on the date of the award (less the purchase price, if any), determined without regard to the restrictions. If the grantee does not make such a Section 83(b) election, the fair market value of the common stock on the date the restrictions lapse (less the purchase price, if any) will be treated as compensation income to the grantee and will be taxable in the year the restrictions lapse and dividends paid while common stock is subject to restrictions

will be subject to withholding taxes. If we comply with the restrictions of Section 162(m) of the Code, we will be entitled to a tax deduction in the same amount and generally at the same time as the grantee recognizes ordinary income.

Restricted Stock Units. There are no immediate tax consequences of receiving an award of restricted stock units under the Amended 2009 Plan. A grantee who is awarded restricted stock units will be required to recognize ordinary income in an amount equal to the fair market value of shares issued to such grantee at the end of the restriction period or, if later, the payment date. If we comply with the restrictions of Section 162(m) of the Code, we will be entitled to a tax deduction in the same amount and generally at the same time as the grantee recognizes ordinary income.

Performance Awards. The award of a performance award will have no federal income tax consequences for us or the grantee. The payment of the award is taxable to a grantee as ordinary income. If we comply with the restrictions of Section 162(m) of the Code, we will be entitled to a tax deduction in the same amount and generally at the same time as the grantee recognizes ordinary income.

Section 280(G). To the extent payments that are contingent on a change in control are determined to exceed certain Code limitations, they may be subject to a 20% nondeductible excise tax and our deduction with respect to the associated compensation expense may be disallowed in whole or in part.

Section 409A. The Company intends for awards granted under the Amended 2009 Plan to comply with Section 409A of the Code.

New Plan Benefits

Because the Amended 2009 Plan will not be effective unless and until it is approved by the stockholders, no Awards will be granted under the 2009 Plan in excess of the current share limit until approved. The participants and types of Awards under the Amended 2009 Plan are subject to the discretion of the Committee and, as a result, the benefits or amounts that will be received by any participant or groups of participants if the Amended 2009 Plan is approved are currently not determinable. As of January 10, 2017 there were three executive officers, four non-employee directors, and approximately 135 employees who are eligible to participate in the Amended 2009 Plan. As of the Record Date, the closing price per share of our common stock was \$4.95.

General

The amendment of the 2009 Stock Incentive Plan requires the approval of a majority of the outstanding shares entitled to vote at the Annual Meeting.

Recommendation of the Board of Directors

The Board of Directors unanimously recommends a vote FOR proposal 5, to amend the 2009 Stock Incentive Plan.
**PROPOSAL SIX: PROPOSAL TO AMEND THE
2008 SONIC FOUNDRY NON-EMPLOYEE DIRECTORS STOCK OPTION PLAN**

The Board of Directors recommends amending the 2008 Sonic Foundry Non-Employee Directors Stock Option Plan (the "2008 Plan") by increasing the shares that may be issued pursuant to the plan from 100,000 to 150,000 (the "Amended Directors Stock Option Plan").

The purpose of the Amended Directors Stock Option Plan is to promote the interests of Sonic and its stockholders by strengthening Sonic's ability to attract and retain experienced and knowledgeable non-employee directors and to encourage them to acquire an increased proprietary interest in Sonic. The Amended Directors Stock Option Plan is intended to increase the number of shares pursuant to the plan in order to provide sufficient shares for further grants. The 2008 Plan provided for the grant of up to 100,000 stock options, of which 101,500 were granted under the plan and 8,000 expired, leaving a balance of 6,500 available for grant.

The Amended Directors Stock Option Plan will continue to be administered by the Board of Directors. The Amended Directors Stock Option Plan will continue to provide for a grant of an option to each non-employee director 1) upon his initial appointment to the Board, 2) to each non-employee director who is reelected or who is continuing in offices as a member of the Board after the adjournment of each annual meeting and 3) in the Board's discretion, other grants to one or more Non-Employee Directors from time to time. Each option grant pursuant to 1) or 2) above is effective to purchase 2,000 shares of Common Stock at an exercise price equal to the fair market value on the date of grant. Other option grants will be in amounts as determined by the Board.

Common Stock that may be issued under the Amended Directors Stock Option Plan pursuant to options shall not exceed in the aggregate One Hundred Thousand (150,000) shares of Common Stock. Except with respect to the number of shares of common stock subject to issuance, there are no material differences between the 2008 Plan and the Amended Directors Stock Option Plan.

Summary of the Amended Directors Stock Option Plan

The following is a summary of the material provisions of the Amended Directors Stock Option Plan. This summary is qualified in its entirety by reference to the specific provisions of the Amended Directors Stock Option Plan, the full text of which is attached to this Proxy Statement as Exhibit C.

All options granted under the Amended Directors Stock Option Plan are non- statutory - not intended to qualify under Section 422 of the Code, as amended. The federal income tax consequences are similar to those described above with respect to the grant of a non-qualified stock option.

Payment of the option exercise price may be in cash, by delivery of previously owned Common Stock, by any other legally permissible means acceptable to the Board at the time of the grant of the option (including cashless exercise, subject to applicable legal restrictions), or by a combination of such means.

If an optionee ceases to be a director before an option vests, the option will terminate, other than in the case of death, disability or resignation required as a condition of a change in control, in which case all outstanding options granted as of the date of termination shall vest and immediately become exercisable. Each option expires ten years from the date of its grant or earlier in certain circumstances such as death or disability. Options are not transferable at any time except in certain circumstances such as transfers to family members. Options that are forfeited or terminated will again be available for grant. Shares may be authorized but unissued, currently held or reacquired shares. The Board of Directors may amend, terminate or suspend the Plan at any time.

Plan Benefits

Under the 2008 Plan, each of the three non-employee directors received options to purchase 2,000 shares of Common Stock upon initial appointment to the Board and each non-employee director has received and pursuant to the Amended Directors Stock Option Plan, will continue to receive options to purchase an additional 2,000 shares of Common Stock after the adjournment of each annual stockholders meeting. However, no dollar value is assigned to the options because their exercise price is the fair market value of the common stock on the date of grant.

General

The amendment of the 2008 Plan requires the approval of a majority of the outstanding shares entitled to vote at the Annual Meeting.

The Board of Directors unanimously recommends a vote FOR Proposal 6, amending the 2008 Plan.

PROPOSAL SEVEN: RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

The Board of Directors, upon the recommendation of the Audit Committee, has appointed the firm of Baker Tilly Virchow Krause LLP (“BT”) as independent auditors to audit our financial statements for the year ending September 30, 2017, and has further directed that management submit the selection of independent public accountants for ratification by the stockholders at the annual meeting. Representatives of BT are expected to be present at the annual meeting to respond to stockholders' questions and to have the opportunity to make any statements they consider appropriate.

Stockholder ratification of the selection of BT as our independent auditors is not required by our Bylaws or otherwise. However, the Board is submitting the selection of BT to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Board and the Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the Board and the Audit Committee in their discretion may direct the appointment of a different independent accounting firm at any time during the year if they determine that such a change would be in the best interests of Sonic and its stockholders.

The ratification of the appointment of BT as independent public accountants requires the approval of a majority of the votes cast at the Annual Meeting.

Recommendation of Board of Directors

The Board of Directors unanimously recommends a vote FOR proposal 7 ratifying the appointment of BT as independent auditors for Sonic Foundry.

Relations with Independent Auditors

The Company, upon the recommendation of its audit committee has selected Baker Tilly Virchow Krause, LLP (“BT”) as its independent auditor for the fiscal year ending September 30, 2017.

Audit services performed by BT for Fiscal 2016 and 2015 consisted of the examination of our financial statements, review of

fiscal quarter results, and services related to filings with the Securities and Exchange Commission (SEC). We also retained BT to perform certain audit related services associated with the audit of our benefit plan. All fees paid to BT were reviewed, considered for independence and upon determination that such payments were compatible with maintaining such auditors' independence, approved by Sonic's audit committee prior to performance.

Fiscal Years 2016 and 2015 Audit Firm Fee Summary

During fiscal years 2016 and 2015, we retained our principal accountant, Baker Tilly Virchow Krause LLP to provide services in the following categories and amounts:

	Years Ended	
	September 30,	
	2016	2015
Audit Fees	\$191,207	\$188,970
Audit Related	12,400	12,300
Tax Fees	-	-

All of the services described above were approved by Sonic's audit committee prior to performance. The Audit Committee may, in its discretion, delegate to one or more of its members the authority to pre-approve any audit or non-audit services to be performed by the independent auditors, provided that any such approvals are presented to the Audit Committee at its next scheduled meeting. The audit committee has determined that the payments made to its independent accountants for these services are compatible with maintaining such auditors' independence.

REPORT OF THE AUDIT COMMITTEE ¹

The Audit Committee's role includes the oversight of our financial, accounting and reporting processes, our system of internal accounting and financial controls and our compliance with related legal and regulatory requirements, the appointment, engagement, termination and oversight of our independent auditors, including conducting a review of their independence, reviewing and approving the planned scope of our annual audit, overseeing the independent auditors' audit work, reviewing and pre-approving any audit and non-audit services that may be performed by them, reviewing with management and our independent auditors the adequacy of our internal financial controls, and reviewing our critical accounting policies and the application of accounting principles. The Audit Committee held five meetings during fiscal 2016.

Messrs. Kleinman, Burish and Wiegand meet the rules of the SEC for audit committee membership and are "independent" as that term is used in Item 7(d)(3)(iv) of Schedule 14A under the Exchange Act and under Nasdaq listing standards. A copy of the Audit Committee Charter is available on Sonic's website.

As set forth in the Audit Committee Charter, management of Sonic is responsible for the preparation, presentation and integrity of Sonic's financial statements and for the effectiveness of internal control over financial reporting. Management and the accounting department are responsible for maintaining Sonic's accounting and financial reporting principles and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent auditors are responsible for auditing Sonic's financial statements and expressing an opinion as to their conformity with generally accepted accounting principles.

We have reviewed and discussed with our independent auditors, BT, matters required to be discussed pursuant to Auditing Standard No. 16 (Communications with Audit Committees) as promulgated by the Public Company Accounting Oversight Board. We have received from the auditors a formal written statement describing the relationships between the auditor and Sonic that might bear on the auditor's independence consistent with applicable requirements of the Public Company Accounting Oversight Board. We have discussed with BT matters relating to its independence, including a review of audit related fees, and considered the compatibility of non-audit services with the auditors' independence.

The members of the Audit Committee are not full-time employees of Sonic and are not performing the functions of auditors or accountants. As such, it is not the duty or responsibility of the Audit Committee or its members to conduct "field work" or other types of auditing or accounting reviews or procedures or to set auditor independence standards. Members of the Committee necessarily rely on the information provided to them by management and the independent accountants. Accordingly, the Audit Committee's considerations and discussions referred to above do not assure that the audit of Sonic's financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles or that Sonic's auditors are in fact "independent".

We have reviewed and discussed with management and BT the audited financial statements. We discussed with BT the overall scope and plans of their audit. We met with BT, with and without management present, to discuss results of their examination and the overall quality of Sonic's financial reporting.

Based on the reviews and discussions referred to above and our review of Sonic's audited financial statements for fiscal 2016, we recommended to the Board that the audited financial statements be included in the Annual Report on Form 10-K for the fiscal year ended September 30, 2016, for filing with the SEC effective December 22, 2016.

Respectfully submitted,

AUDIT COMMITTEE

David C. Kleinman, Chair
Mark D. Burish
Brian T. Wiegand

Requirements for Stockholder Proposals to be Considered for Inclusion in Sonic's Proxy Materials. Stockholders of Sonic may submit proposals on matters appropriate for stockholder action at meetings of Sonic's stockholders in accordance with Rule 14a-8 promulgated under the Securities Exchange Act of 1934. For such proposals to be included in Sonic's proxy materials relating to its 2018 Annual Meeting of Stockholders, all applicable requirements of Rule 14a-8 must be satisfied and such proposals must be received by Sonic no later than the anniversary date of 120 days prior to the date of this proxy statement (September 29, 2017). In no event will the public announcement of an adjournment of an annual meeting of stockholders commence a new time period for the giving of a stockholder's notice as provided

above. A stockholder's notice to Sonic's Secretary must set forth the information required by Sonic's bylaws with respect to each matter the stockholder proposes to bring before the annual meeting.

In addition, the proxy solicited by the Board of Directors for the 2018 Annual Meeting of Stockholders will confer discretionary authority to vote on (i) any proposal presented by a stockholder at that meeting for which Sonic has not been provided with notice on or prior to the anniversary date of 45 days prior to the date of this proxy statement (December 13, 2017) and (ii) any other proposal, if the 2018 proxy statement briefly describes the matter and how management's proxy holders intend to vote on it, and if the stockholder does not comply with the requirements of Rule 14a-4(c)(2) under the Securities Exchange Act of 1934. Notwithstanding the above, all stockholder proposals must comply with the provisions of Sonic's bylaws.
