Item 5. Other Events and Regulation FD Disclosure

As previously reported on Coram Healthcare Corporation s Current Report on Form 8-K, dated July 11, 2003, two competing proposed plans of reorganization have been filed in the United States Bankruptcy Court for the District of Delaware (the Bankruptcy Court) in the jointly administered bankruptcy cases of Coram Healthcare Corporation (CHC) and Coram, Inc. (CI) (CHC and CI are hereinafter collectively referred to as the Debtors). The two competing plans of reorganization have been proposed by (i) Arlin M. Adams, the Chapter 11 Trustee for the Debtors estates, and (ii) the Official Committee of Equity Security Holders of Coram Healthcare Corporation (the Equity Committee). Such proposed plans of reorganization, as well as modifications, supplements and amendments thereto, can be found as exhibits to CHC s Current Reports on Form 8-K previously filed with the United States Securities and Exchange Commission.

On June 14, 2004, the Equity Committee filed the Third Amended Plan Of Reorganization Of The Official Committee Of Equity Security Holders Of Coram Healthcare Corporation And Coram, Inc. (the Equity Committee s Third Amended Plan) in the Bankruptcy Court in the Debtors bankruptcy cases. The Equity Committee s Third Amended Plan, which remains subject to modification or amendment, has been attached to this report as exhibit 99.1.

The hearings to consider confirmation of the two competing proposed plans of reorganization commenced on September 30, 2003. The related briefing period concluded on June 14, 2004; however, the proposed plans of reorganization remain subject to Bankruptcy Court confirmation. No assurances can be given that either plan will ultimately be confirmed by the Bankruptcy Court.

Note: Except for historical information, all other statements in this report are forward-looking within the meaning of the Private Securities Litigation Reform Act of 1995. The actual results of the Debtors and their operating subsidiaries (collectively the Company) may vary materially from these forward-looking statements due to important risk factors, including the Company s historical lack of profitability; uncertainties associated with the outcomes of certain pending legal matters, including the bankruptcy proceedings; the Company s leveraged financial structure; the Company s ability to comply with certain governmental regulations; the Company s need to obtain additional financing or equity; the Company s limited liquidity; the Company s dependence upon its relationships with third party payers and the prices paid by such third party payers for the Company s services; and certain other factors. Risk factors are described in greater detail in CHC s Annual Reports on Form 10-K, Form 10-Q Quarterly Reports and Current Reports on Form 8-K on file with the United States Securities and Exchange Commission.
