ITEM 5. OTHER EVENTS.

On April 16, 2004, Boston Biomedica, Inc. ("BBI") announced that it has signed an Asset Purchase Agreement (the "Asset Purchase Agreement") to sell substantially all of the assets and selected liabilities of its BBI Diagnostics and BBI Biotech Divisions to SeraCare Life Sciences, Inc. ("SeraCare") of Oceanside, California (the "Asset Sale"). The purchase price is \$30 million in cash, plus the assumption of certain liabilities, and is subject to adjustment at closing based on the value of the net assets being sold. Of the \$30.0 million purchase price, \$2.5 million will be held in escrow for a period of 18 months following the closing.

The closing, which is expected to occur by August 15, 2004, is subject to a number of conditions, including the approval of the transaction by BBI stockholders and SeraCare's receipt of sufficient financing to complete the transaction. SeraCare expects to finance the transaction primarily with debt, along with some equity financing, and has agreed to use commercially reasonable efforts to obtain the financing between now and August 15, 2004.

On April 16, 2004, SeraCare entered into voting agreements (the "Voting

Agreements") with each of Mr. Richard T. Schumacher, BBI's founder and a Director, and Mr. Richard Kiphart, his daughter and Shoreline Micro-Cap Fund I LP, a fund of which Mr. Kiphart serves as general partner and has the sole power to vote and dispose or direct the disposition of shares held by such fund. Under the Voting Agreements, these stockholders, who collectively hold an aggregate of approximately 32% of BBI's total outstanding shares entitled to vote at the stockholders meeting, have agreed to vote their shares in favor of the Asset Sale in accordance with the Voting Agreements.

The foregoing description of the Asset Purchase Agreement and Voting Agreements does not purport to be complete and is qualified in its entirety by reference to the Asset Purchase Agreement attached hereto as Exhibit 1 and the Voting Agreements attached hereto as Exhibits 2 and 3, each of which is incorporated herein by reference.

BBI has amended its shareholder Rights Agreement to provide that none of the following events will trigger the rights under that agreement: (i) the execution and delivery of the Asset Purchase Agreement, (ii) the execution of the Voting Agreements, (iii) the granting of proxies to vote common stock of BBI by each of Richard T. Schumacher and Richard Kiphart (together with his related parties) to SeraCare pursuant to the Voting Agreements, and (iv) the completion of the transactions under the Asset Purchase Agreement and the taking of actions under the Voting Agreements. The foregoing description of the amendment to the Rights Agreement does not purport to be complete and is qualified in its entirety by reference to Amendment No. 1 to Rights Agreement attached hereto as Exhibit 4, which is incorporated herein by reference.

Simultaneously with the announcement of the Asset Sale, BBI stated its intention to commence a tender offer to purchase up to 6,000,000 shares of its common stock at a price of \$3.50 per share shortly following the completion of the Asset Sale. BBI expects to use up to \$21.0 million of the after-tax net proceeds from the Asset Sale to purchase shares of its common stock tendered in the tender offer. The remaining net proceeds from the Asset Sale, after taxes and including any portion of

the escrow released to BBI and an additional amount estimated between \$1.0 and \$2.0 million, are expected to be used for working capital for BBI's pressure cycling technology activities.

Boston Biomedica also announced on April 16, 2004 that it entered into a non-binding Letter of Intent ("LOI") to sell the assets and selected liabilities of its BBI Source Scientific Division (BBI's California-based Instrumentation Division) to an entity to be jointly owned 70% by Mr. Richard W. Henson and Mr. Bruce A. Sargeant and 30% by BBI. Mr. Henson and Mr. Sargeant are medical instrument executives with many years of experience in the instrumentation field. The LOI calls for BBI to receive a 3 year Note for \$900,000. The LOI also calls for the new instrumentation company to provide engineering, manufacturing and other related services for BBI's pressure cycling technology products until September 30, 2005.

The press release issued by BBI with respect to the announcement of the above-described transactions is attached hereto as Exhibit 99.1 and is hereby incorporated herein by reference in its entirety.
