Complex Questions?

(14)

How would the combination affect the Mission of the Bank?

How would it affect the banking services in this community?

How would it affect the customers?

How would it affect the employees?

How would it affect the shareholders?

(15)

Some people were only concerned with how it would affect the directors!

(16)

All the members of CSCG recognize that it is the shareholders' bank NOT the directors' bank.

(17)

Governance must be taken from the Group of 10 and returned to those who will protect the shareholders.
