PART III NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

TransMontaigne Inc. closed its new working capital credit facility on September 13, 2004. TransMontaigne's new working capital credit facility has an aggregate commitment of \$400 million, substantially in excess of the \$275 million available under TransMontaigne's former facility. As a result, this new credit facility will affect TransMontaigne's liquidity and capital resources and other aspects of its operations, which TransMontaigne will disclose in the Form 10-K.

In addition, as announced in a press release on July 16, 2004, TransMontaigne's Board of Directors authorized management to engage UBS Investment Bank to assist TransMontaigne in evaluating its strategic alternatives. While negotiations are ongoing and TransMontaigne cannot currently determine whether such a transaction will be agreed upon, TransMontaigne currently believes that it will receive indications of interest for a strategic transaction in the near future. If such a strategic transaction proposal is received and accepted by TransMontaigne's Board of Directors prior to the filing of the Form 10-K, TransMontaigne expects to include subsequent event disclosures in the Form 10-K.

Management anticipates that the Registrant's Form 10-K for the fiscal year ended June 30, 2004 will be filed no later than September 28, 2004.
