Item 29. Indemnification

The Annotated Code of Maryland, Corporations and Associations (the "Maryland Law"), Section 2-418 provides that a Maryland corporation may indemnify any director of the corporation and any person who, while a director of the corporation, is or was serving at the request of the corporation as a director, officer, partner, trustee, employee, or agent of another foreign or domestic corporation, partnership, joint venture, trust, other enterprise or employee benefit plan, made a party to any proceeding by reason of service in that capacity unless it is established that the act or omission of the director was material to the matter giving rise to the proceeding and was committed in bad faith or was the result of active and deliberate dishonesty; or the director actually received an improper personal benefit in money, property or services; or, in the case of any criminal proceeding, the director had reasonable cause to believe that the act or omission was unlawful. Indemnification may be made against judgments, penalties, fines, settlements, and reasonable expenses actually incurred by the director in connection with the proceeding, but if the proceeding was one by or in the right of the corporation, indemnification may not be made in respect of any proceeding in which the director shall have been adjudged to be liable to the corporation. Such indemnification may not be made unless authorized for a specific proceeding after a determination has been made, in the manner prescribed by the law, that indemnification is permissible in the circumstances because the director has met the applicable standard of conduct. On the other hand, the director must be indemnified for expenses if he or she has been successful in the defense of the proceeding or as otherwise ordered by a court. The law also prescribes the circumstances under which the corporation may advance expenses to, or obtain insurance or similar cover for, directors. The law also provides for comparable indemnification for corporate officers and agents.

The Articles of Incorporation of the Company provide that its directors and officers shall, and its agents in the discretion of the board of directors may, be indemnified to the fullest extent permitted from time to time by the laws of Maryland (with such power to indemnify officers and directors limited to the scope provided for in Section 2-418 as currently in force), provided, however, that such indemnification is limited by the Investment Company Act of 1940 or by any valid rule, regulation or order of the Securities and Exchange Commission thereunder. The Company's Bylaws provide that the Company may not indemnify any director or officer against liability to the Company or its security holders to which he or she might otherwise be subject by reason of such person's willful misfeasance, bad faith, gross negligence or reckless disregard of the duties involved in the conduct of his or her office unless a determination is made by final decision of a court, by vote of a majority of a quorum of directors who are disinterested, non-party directors or by independent legal counsel that the liability for which indemnification is sought did not arise out of such disabling conduct.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Company pursuant to the provisions described above, or otherwise, the Company has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Company of expenses incurred or paid by a director, officer or controlling person in the successful defense of an action, suit or proceeding) is asserted by a director, officer or controlling person in connection with the securities being registered, the Company will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of the court of the issue.

The Company carries liability insurance for the benefit of its directors and officers on a claims-made basis of up to \$10,000,000, subject to a retention of up to \$200,000 for certain claims.

Item 30. Business and Other Connections of Investment Adviser

Not applicable.

Item 31. Location of Accounts and Records

The Company maintains at its principal office physical possession of each account, book or other document required to be maintained by Section 31(a) of the 1940 Act and the rules thereunder.

Item 32. Management Services

Not applicable.

Item 33. Undertakings

The Registrant hereby undertakes:

(1) to suspend the offering of shares until the prospectus is amended if (1) subsequent to the effective date of this registration statement, its net asset value declines more than ten percent from its net asset value as of the effective date of this registration statement; or (2) the net asset value increases to an amount greater than its net proceeds as stated in the prospectus.

(2) to file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

(3) that, for the purpose of determining any liability under the Securities Act of 1933, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the Registrant under Rule 497(h) under the Securities Act of 1933 shall be deemed to be part of this registration statement as of the time it was declared effective;

(4) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering;

(5) that, for the purpose of determining any liabilities under the Securities Act of 1933, each post effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of the securities at that time shall be deemed to be the initial bona fide offering thereof.
