**SUPPLEMENT TO PROXY STATEMENT FOR ANNUAL MEETING OF SHAREHOLDERS**

**April 2, 2008**

Dear Shareholder:

This Supplement provides updated information regarding the solicitation by the Board of Directors of Fluor Corporation (the "company" or "Fluor") of your proxy for use at the annual meeting of shareholders to be held at 9:00 a.m. Central Daylight Time on Wednesday, May 7, 2008 at Four Seasons Resort and Club, 4150 North MacArthur Boulevard, Irving, Texas, and any adjournment or postponement thereof (the "Annual Meeting"), for the purposes set forth in the Amended Notice of Annual Meeting of Shareholders and as described in the proxy statement dated March 14, 2008.

The Notice, proxy statement dated March 14, 2008 and related proxy and voting instruction cards were mailed on or about March 17, 2008 to all shareholders entitled to vote at the Annual Meeting. This Supplement is being mailed on or about April 3, 2008 to all shareholders entitled to vote at the Annual Meeting. Except as specifically amended or supplemented by the information contained in this Supplement, all information set forth in the proxy statement remains accurate and should be considered in voting your shares.

**Approval of Amendment to Certificate of Incorporation to Increase Authorized Shares**

Proposal 3 in our proxy statement asks our shareholders to vote "FOR" the amendment of the Fluor Certificate of Incorporation to increase the number of authorized shares of our common stock from 150,000,000 to 400,000,000. After filing the proxy statement, our Board reconsidered the proposal and now recommends that the total number of authorized shares of common stock be increased from 150,000,000 to 375,000,000. Thus, our Board of Directors has unanimously adopted a resolution proposing and recommending that shareholders approve an amendment to Article Fourth of our Amended and Restated Certificate of Incorporation to increase (1) the total number of shares of all classes of stock which our company will have authority to issue from 170,000,000 to 395,000,000 and (2) the number of authorized shares of common stock from 150,000,000 to 375,000,000. Article Fourth of the Certificate of Incorporation is proposed to be amended and restated in its entirety to read as follows:

"FOURTH: The Corporation shall be authorized to issue two classes of shares of stock to be designated, respectively, Preferred Stock and Common Stock; the total number of shares which the Corporation shall have authority to issue is 395,000,000; the total number of shares of Preferred Stock shall be 20,000,000 and each such share shall have a par value of \$.01; the total number of shares of Common Stock shall be 375,000,000 and each such share shall have a par value of \$.01. Shares of Preferred Stock may be issued from time to time in one or more series. The Board of Directors is hereby authorized to fix the voting powers, designations, powers, preferences and the relative, participating, optional or other rights, if any, and the qualifications, limitations or restrictions thereof, of any wholly unissued series of Preferred Stock; and to fix the number of shares constituting such series, and to increase or decrease the number of shares of any such series (but not below the number of shares thereof then outstanding)."

Additional information regarding this proposal is set forth in the proxy statement. Shareholders are encouraged to read the proxy statement and this Supplement in their entirety.

**If you have not yet voted, please do so as soon as possible. If you have already returned your proxy card or voting instruction card or voted over the Internet or by telephone, you do not need to vote again unless you wish to change your vote.** Votes already cast by shareholders will remain valid and will be voted at the Annual Meeting unless changed or revoked. You may change or revoke your prior vote by delivering a written notice of revocation to the Secretary of the company at any time prior to 24 hours before the commencement of the Annual Meeting, by returning a new proxy card or voting instruction card, by voting by telephone or the Internet or by voting in person at the Annual Meeting.
