SPECIAL MEETING OF STOCKHOLDERS
March 26, 2010

QUESTIONS & ANSWERS

Bennett Rosenthal
Chairman of the Board

Dear Stockholder:

On October 26, 2009, Ares Capital Corporation, or "Ares Capital," and Allied Capital Corporation, or "Allied Capital," announced a strategic business combination of Ares Capital and Allied Capital effected through a merger of Allied Capital into one of Ares Capital's wholly owned subsidiaries.

If the merger is completed, holders of Allied Capital common stock will have a right to receive 0.325 shares of Ares Capital common stock for each share of Allied Capital common stock held immediately prior to such merger. In connection with such merger, Ares Capital expects to issue a maximum of approximately 58.3 million shares of its common stock (assuming that holders of all "in-the-money" Allied Capital stock options elect to be cashed out), subject to adjustment in certain limited circumstances.

The pending transaction has been approved unanimously by Ares Capital's board of directors, including its independent directors. At the special meeting of stockholders, Ares Capital stockholders are being asked to vote on a proposal to approve the issuance of Ares Capital common stock in connection with the merger and a proposal to approve the adjournment of the Ares Capital special meeting, if necessary or appropriate, to solicit additional proxies if there are not sufficient votes at the time of the Ares Capital special meeting to approve the foregoing proposal. While there can be no assurance as to the exact timing, or that the merger will be completed at all, we are working to complete the merger in the first quarter of 2010.

The Questions and Answers and other information in this pamphlet highlight certain information about the merger and what it will mean to Ares Capital stockholders. **This Q&A pamphlet is not intended to be a full explanation of the merger and the proposals to be voted on at the Ares Capital special meeting. I urge you to carefully read the accompanying Proxy Statement/Prospectus in which the transaction and other important information is described in more detail.**

Once you have had an opportunity to read the accompanying Proxy Statement/Prospectus, I urge you to vote "**FOR**" the share issuance proposal and "**FOR**" the adjournment proposal by signing, dating and mailing your enclosed proxy card using the postage-paid envelope provided. Internet and telephone voting are also available. Please follow the instructions on your enclosed proxy card.

Your vote is important, regardless of the number of shares you own, so please vote your shares today.

Sincerely,

Bennett Rosenthal
Chairman of the Board of Directors

Ares Capital Corporation

Questions and Answers for Stockholders

Q: Why am I receiving these materials?

A:

Ares Capital is sending these materials to stockholders to help them decide how to vote their shares of Ares Capital common stock at its special meeting concerning the merger with Allied Capital.

Q: What am I being asked to vote on?

A:

Ares Capital common stockholders will be asked to vote on the issuance of Ares Capital common stock in connection with the merger and approval to adjourn the Ares Capital special meeting, if necessary or appropriate, to solicit additional proxies if there are not sufficient votes at the time of the Ares Capital special meeting to approve the foregoing proposal. The board of directors of Ares Capital, including its independent directors, has unanimously approved the merger and the merger agreement, including the issuance of common stock in connection therewith, as in the best interests of Ares Capital and its stockholders. Please see the section entitled "The Merger Reasons for the Merger" in the Proxy Statement/Prospectus for an important discussion of the merger.

Q: Who is entitled to vote at the Ares Capital special meeting of stockholders?

A:

Holders of record of Ares Capital common stock as of the close of business on February 2, 2010 are entitled to vote at the Ares Capital special meeting of stockholders.

Q: What Ares Capital stockholder vote is required to approve the issuance of Ares Capital common stock in connection with the merger?

A:

Approval of the issuance of the shares of Ares Capital common stock to be issued pursuant to the merger agreement requires the affirmative vote of at least a majority of all of the votes cast on the matter at a meeting at which a quorum is present. **Your vote is extremely important.**

Q: Does Ares Capital's board of directors recommend approval of the issuance of Ares Capital common stock in connection with the merger and the proposal to adjourn the Ares Capital special meeting if necessary?

A:

Yes. Ares Capital's board of directors, including its independent directors, unanimously approved the merger and the merger agreement, including the issuance of common stock in connection therewith, and recommends that Ares Capital stockholders vote **"FOR"** approval of the issuance of Ares Capital common stock to be issued pursuant to the merger agreement and **"FOR"** approval of the proposal to adjourn the Ares Capital special meeting, if necessary or appropriate, to solicit additional proxies if there are not sufficient votes at the time of the Ares Capital special meeting to approve the foregoing proposal.

Q: Why does Ares Capital believe that the merger is in the best interests of Ares Capital stockholders?

A:

Ares Capital's board of directors consulted with representatives of management, its investment adviser, Ares Capital Management, as well as Ares Capital's financial, legal and other advisors and considered numerous factors, including the ones described below, and, as a result, determined that the merger is in Ares Capital's best interests and the best interests of Ares Capital's stockholders.

Edgar Filing: ALLIED CAPITAL CORP - Form 425

Certain material factors considered by Ares Capital's board of directors, including its independent directors, included, among others:

Increased Scale and Presence in Middle Market. The unique opportunity to acquire a franchise of Allied Capital's size and scope and the fact that the combined company will have a broad and diverse platform from which to provide capital to middle-market companies, including the ability to originate larger transactions with larger final hold positions.

Continued Access to Capital. The combined company is expected to have access to capital even in a credit challenged environment to reinvest in its portfolio and to pursue new attractive investment opportunities in what Ares Capital's management believes is a compelling investment environment following the credit dislocation.

More Diversified Asset Base. The limited overlap of assets and investments of Allied Capital and Ares Capital will further limit single issuer and industry credit exposure of the combined company following the merger.

Strengthened Asset Management Platform. The merger will create a large scale middle-market asset management platform that is expected to bring meaningful information and deal flow benefits.

Accretive to NAV and Core EPS. The merger is expected to be accretive to Ares Capital's net asset value and core earnings per share in the first year following its closing.

Cost Savings/Synergies. The merger is expected to result in cost savings and synergies for the combined company.

Ability to Unlock Potential Value in Allied Capital's Portfolio. Allied Capital has limited liquidity, which has required it to sell assets in order to de-lever its balance sheet and satisfy stringent debt amortization requirements. Ares Capital's management believes that it will have the time, capital and expertise to re-position Allied Capital's existing portfolio into higher yielding, cash generating securities with less volatility because the combined company will face less pressure to sell assets in the portfolio at an inopportune time. To the extent asset sales are deemed necessary or advisable by the combined company, the combined company would have the flexibility to sell Ares Capital's assets as well.

Q: Did the board of directors of Ares Capital receive an opinion from a financial advisor regarding the exchange ratio?

A:

Yes. J.P. Morgan Securities Inc., or "J.P. Morgan," delivered its written opinion to Ares Capital's board of directors that, as of October 26, 2009, and based upon and subject to the factors, assumptions, qualifications and limitations set forth therein, the exchange ratio in the merger was fair, from a financial point of view, to Ares Capital. The full text of the written opinion, dated October 26, 2009, which sets forth the assumptions made, matters considered and limits on the review undertaken, is attached as *Annex D-2* to the Proxy Statement/Prospectus. You are urged to read the opinion in its entirety. J.P. Morgan's written opinion is addressed to the board of directors of Ares Capital, is directed only to the exchange ratio in the merger and does not constitute a recommendation to any stockholder of Ares Capital as to how such stockholder should vote at the Ares Capital special meeting. The above summary is qualified in its entirety by reference to the full text of such opinion.

Q: Will I receive dividends after the merger?

A:

Ares Capital currently intends to distribute quarterly dividends to its stockholders. For a history of the dividends and distributions paid by Ares Capital since January 1, 2008, see "Market Price, Dividend and Distribution Information" in the Proxy Statement/Prospectus. The amount and timing of past dividends and distributions are not a guarantee of any future dividends or distributions, or the amount thereof, the payment, timing and amount of which will be determined
