PROXY STATEMENT

The Board of Directors (the "Board of Directors") of BankUnited, Inc. (the "Company", "we", "us" or "our") is soliciting your proxy to vote at the 2012 Annual Meeting of Stockholders to be held on Wednesday, May 9, 2012, at 10:00 a.m., Eastern Time, and any adjournment or postponement of that meeting (the "Annual Meeting"). The Annual Meeting will be held at the offices of Skadden, Arps, Slate, Meagher & Flom LLP, 4 Times Square, 38th Floor, New York, NY 10036. This Proxy Statement and the accompanying proxy card, Notice of Annual Meeting of Stockholders, and the 2011 Annual Report to Stockholders (the "Annual Report") were first mailed on or about April 4, 2012, to stockholders of record as of March 26, 2012 (the "Record Date").

**QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS
AND THE ANNUAL MEETING**

Q:
Why am I receiving these materials?

A:
We are providing these proxy materials to you in connection with the solicitation, by the Board of Directors of BankUnited, Inc., of proxies to be voted at the Company's Annual Meeting and at any adjournments or postponements thereof. You are receiving this Proxy Statement because you were a BankUnited, Inc. stockholder as of the close of business on the Record Date. This Proxy Statement provides notice of the Annual Meeting, describes the four proposals presented for stockholder action and includes information required to be disclosed to stockholders.

Q:
How do I get electronic access to the proxy materials?

This Proxy Statement and the Company's Annual Report to Stockholders are available on our website at <http://ir.bankunited.com>. If you are a stockholder of record, you may elect to receive future annual reports or proxy statements electronically by so indicating on your proxy card or by contacting Registrar and Transfer Company (i) by mail at 10 Commerce Drive, Cranford, NJ 07016, Attn: Investor Relations Department, (ii) by e-mail at info@rtco.com or (iii) by logging on to IRIS (Investor Relations Inquiry System) at <http://www.rtco.com/inv>. If you hold your shares in street name, you should contact your broker, bank or other nominee for information regarding electronic delivery of proxy materials.

An election to receive proxy materials electronically will remain in effect for all future annual meetings unless revoked. Stockholders requesting electronic delivery may incur costs, such as telephone and internet access charges, that must be borne by the stockholder.

Q:
What proposals will be voted on at the Annual Meeting?

A:
There are four proposals scheduled to be voted on at the Annual Meeting:

To elect ten directors identified on the attached Proxy Statement to the Board of Directors to serve until the next annual meeting of stockholders or until that person's successor is duly elected and qualified;

To ratify the appointment of KPMG LLP as our independent registered public accounting firm for 2012;

Edgar Filing: BankUnited, Inc. - Form DEF 14A

To hold an advisory vote to approve the compensation of our named executive officers; and

Table of Contents

To hold an advisory vote on the frequency of the stockholder vote to approve the compensation of our named executive officers in the future.

Q: *What is the Board of Directors' voting recommendation?*

A: The Company's Board of Directors recommends that you vote your shares:

"FOR" each of the nominees to the Board of Directors;

"FOR" the ratification of the appointment of KPMG LLP as our independent registered public accounting firm for 2012;

"FOR" the approval, on an advisory basis, of the compensation of our named executive officers; and

"EVERY THREE YEARS" on the frequency of the advisory stockholder vote to approve the compensation of our named executive officers in the future.

Q: *Who is entitled to vote?*

A: All shares owned by you as of the Record Date, which is the close of business on March 26, 2012, may be voted by you. You may cast one vote per share of common stock that you held on the Record Date. These shares include shares that are:

held directly in your name as the stockholder of record; and

held for you as the beneficial owner through a broker, bank or other nominee.

On the Record Date, BankUnited, Inc. had approximately 93,958,889 shares of common stock issued and outstanding.

Q: *What is the difference between holding shares as a stockholder of record and as a beneficial owner?*

A: Many of our stockholders hold their shares through a broker, bank or other nominee rather than directly in their own name. As summarized below, there are some differences between shares held of record and those owned beneficially.

Stockholder of Record. If your shares are registered directly in your name with the Company's transfer agent, Registrar and Transfer Company, you are considered, with respect to those shares, the stockholder of record, and these proxy materials are being sent directly to you by the Company. As the stockholder of record, you have the right to grant your voting proxy directly to certain officers of BankUnited, Inc. or to vote in person at the Annual Meeting. The Company has enclosed or sent a proxy card for you to use. You may also vote on the internet or by telephone, as described below under the heading "How can I vote my shares without attending the Annual Meeting?"

Beneficial Owner. If your shares are held in an account at a broker, bank or other nominee, like many of our stockholders, you are considered the beneficial owner of shares held in street name, and these proxy materials were forwarded to you by that organization. As the beneficial owner, you have the right to direct your broker, bank or other nominee how to vote your shares, and you are also invited to attend the Annual Meeting.

Edgar Filing: BankUnited, Inc. - Form DEF 14A

Since a beneficial owner is not the stockholder of record, you may not vote your shares in person at the Annual Meeting unless you obtain a "legal proxy" from the broker, bank, or other nominee that is the stockholder of record of your shares giving you the right to vote the shares at the Annual Meeting. If you do not wish to vote in person or you will not be attending the Annual Meeting, you may vote by proxy. You may vote by proxy over the internet or by telephone, as

Table of Contents

described below under the heading "How can I vote my shares without attending the Annual Meeting?"

Q:

How can I vote my shares in person at the Annual Meeting?

A:

Stockholder of Record. Shares held directly in your name as the stockholder of record may be voted in person at the Annual Meeting. If you choose to vote your shares in person at the Annual Meeting, please bring proof of identification. Even if you plan to attend the Annual Meeting, the Company recommends that you vote your shares in advance as described below so that your vote will be counted if you later decide not to attend the Annual Meeting.

Beneficial Owner. Shares held in street name may be voted in person by you only if you obtain a signed proxy from the stockholder of record giving you the right to vote the shares.

Q:

What must I do if I want to attend the Annual Meeting in person?

A:

Attendance at the Annual Meeting is limited to individuals who were stockholders as of the Record Date and admission will be on a first-come, first-served basis. Registration and seating will begin at 9:30 a.m., Eastern Time. Each stockholder will be asked to present proof of identification, such as a driver's license or passport, prior to admission to the Annual Meeting. Beneficial owners of shares held in street name will need to bring proof of share ownership as of the record date, such as a bank or brokerage firm account statement or a letter from the intermediary holding your shares. Cameras, recording devices and other electronic devices will not be permitted at the Annual Meeting.

Q:

How can I vote my shares without attending the Annual Meeting?

A:

Whether you hold your shares directly as the stockholder of record or beneficially own your shares in street name, you may direct your vote without attending the Annual Meeting by voting in one of the following manners:

Internet. Go to the website listed on your proxy card or voting instruction card and follow the instructions there. You will need the control number included on your proxy card or voting instruction form;

Telephone. Dial the number listed on your proxy card or your voting instruction form. You will need the control number included on your proxy card or voting instruction form; or

Mail. Complete and sign your proxy card or voting instruction card and mail it using the enclosed, prepaid envelope.

If you vote on the internet or by telephone, you do not need to return your proxy card or voting instruction card. Internet and telephone voting for stockholders will be available 24 hours a day, and will close at 3:00 a.m., Eastern Time, on May 9, 2012.

Q:

What is the quorum requirement for the Annual Meeting?

A:

A quorum is necessary to hold a valid Annual Meeting. A quorum exists if the holders of a majority of the Company's capital stock issued and outstanding and entitled to vote thereat are present in person or represented by proxy. Abstentions and broker non-votes are counted as present for determining whether a quorum exists. A broker non-vote occurs when an intermediary holding shares for a beneficial owner does not vote on a particular proposal because the intermediary does not have discretionary voting power for that particular proposal and has not received instructions from the beneficial owner.

Table of Contents

Q: *What happens if I do not give specific voting instructions?*

A: **Stockholder of Record.** If you are a stockholder of record and you submit a signed proxy card or submit your proxy by telephone or the internet, but do not specify how you want to vote your shares on a particular proposal, then the proxy holders will vote your shares in accordance with the recommendations of the Board of Directors on all matters presented in this Proxy Statement. With respect to any other matters properly presented for a vote at the Annual Meeting, the proxy holders will vote your shares in accordance with their best judgment.

Beneficial Owners. If you are a beneficial owner of shares held in street name and do not provide the broker, bank or other nominee that holds your shares with specific voting instructions, under the rules of the New York Stock Exchange (the "NYSE"), the broker, bank or other nominee that holds your shares may generally vote on routine matters but cannot vote on non-routine matters such as the election of directors. If the broker, bank or other nominee that holds your shares does not receive instructions from you on how to vote your shares on a non-routine matter, the broker, bank or other nominee that holds your shares will inform the inspector of election that it does not have the authority to vote on this matter with respect to your shares. This is generally referred to as a "broker non-vote." Therefore, we urge you to give voting instructions to your broker. Shares represented by such broker non-votes will be counted in determining whether there is a quorum. Because broker non-votes are not considered entitled to vote, they will have no effect on the outcome other than reducing the number of shares present in person or by proxy and entitled to vote from which a majority is calculated.

Q: *Which proposals are considered "routine" or "non-routine"?*

A: The ratification of the appointment of KPMG LLP as our independent registered public accounting firm for 2012 (Proposal No. 2) is a matter considered routine under applicable rules. A broker or other nominee may generally vote on routine matters, and therefore no broker non-votes are expected to exist in connection with Proposal No. 2.

The election of directors (Proposal No. 1), the advisory vote to approve the compensation of our named executive officers (Proposal No. 3) and the advisory vote on the frequency of the stockholder vote to approve the compensation of our named executive officers in the future (Proposal No. 4) are matters considered non-routine under applicable rules. A broker, bank or other nominee cannot vote without instructions on non-routine matters, and therefore there may be broker non-votes on Proposal Nos. 1, 3 and 4.

Q: *What is the voting requirement to approve each of the proposals?*

Ten directors have been nominated for election at the Annual Meeting. Each director will be elected by a plurality of the votes cast in the election of directors at the Annual Meeting, either in person or represented by properly authorized proxy. This means that the ten nominees who receive the largest number of "FOR" votes cast will be elected as directors. Stockholders cannot cumulate votes in the election of directors. Abstentions and broker non-votes will have no effect on this proposal.

The ratification of the appointment of our independent registered public accounting firm requires the affirmative vote of a majority of the votes represented at the meeting and entitled to vote on the proposal. In accordance with Delaware law, only votes cast "for" a matter constitute affirmative votes. A properly executed proxy marked "abstain" with respect to the ratification of the appointment of our independent registered public accounting firm will not be voted, although it will be counted for purposes of determining whether there is a quorum. Since abstentions will not be votes cast "for" the ratification of the appointment of our independent registered public accounting firm, they will have the same effect as negative votes or votes against that matter. Broker non-votes will have no effect on this proposal.

Table of Contents

The advisory vote to approve the compensation of our named executive officers requires the affirmative vote of a majority of the votes represented at the meeting and entitled to vote on the proposal. Similar to the vote to ratify the appointment of our independent registered public accounting firm, abstentions will also have the effect of a vote against approval of the compensation of our named executive officers. Broker non-votes will have no effect on this proposal.

For the non-binding advisory vote on the frequency of the stockholder vote to approve the compensation of our named executive officers in the future every three (3) years, every two (2) years or every (1) year the alternative receiving the greatest number of votes will be the frequency that the stockholders recommend to the Board of Directors. Abstentions and broker non-votes will have no effect on this proposal.

Q:

What does it mean if I receive more than one proxy or voting instruction card?

A:

It means your shares are registered differently or are in more than one account. Please provide voting instructions for all proxy and voting instruction cards you receive.

Q:

Who will count the vote?

A:

A representative of Registrar and Transfer Company will tabulate the votes and act as the inspector of election.

Q:

Can I revoke my proxy or change my vote?

A:

Yes. You may revoke your proxy or change your voting instructions at any time prior to the vote at the Annual Meeting by:

providing written notice to the corporate secretary of the Company;

delivering a valid, later-dated proxy or a later-dated vote on the internet or by telephone; or

attending the Annual Meeting and voting in person.

Please note that your attendance at the Annual Meeting in person will not cause your previously granted proxy to be revoked unless you specifically so request. Shares held in street name may be voted in person by you at the Annual Meeting only if you obtain a signed proxy from the stockholder of record giving you the right to vote the shares.

Q:

Who will bear the cost of soliciting votes for the Annual Meeting?

A:

BankUnited, Inc. will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials. In addition to the mailing of these proxy materials, the solicitation of proxies or votes may be made in person, by telephone or by electronic and facsimile transmission by our directors, officers and employees, who will not receive any additional compensation for such solicitation activities. In addition, the Company may reimburse its transfer agent, brokerage firms and other persons representing beneficial owners of shares of BankUnited, Inc.'s common stock for their expenses in forwarding solicitation material to such beneficial owners. We have also retained Innisfree M&A Incorporated to assist in the solicitation of proxies at an anticipated approximate cost of \$10,000 plus reasonable out-of-pocket expenses.

Q:

I share an address with another stockholder, and we received only one paper copy of the proxy materials. How may I obtain an additional copy of the proxy materials?

A:

The Company has adopted a procedure called "householding," which the SEC has approved. Under this procedure, we deliver a single copy of the proxy materials and the Annual Report to

Table of Contents

multiple stockholders who share the same address unless we received contrary instructions from one or more of the stockholders. This procedure reduces the Company's printing costs, mailing costs and fees. Stockholders who participate in householding will continue to be able to access and receive separate proxy cards. Upon written or oral request, a separate copy of this Proxy Statement and the Annual Report will be promptly delivered to any stockholder at a shared address to which the Company delivered a single copy of any of these documents. To receive a separate copy of this Proxy Statement or the Annual Report, stockholders may write or call the Company's transfer agent at the following address and telephone number:

Registrar and Transfer Company
10 Commerce Drive
Cranford, NJ 07016
(800) 368-5948

Stockholders who hold shares in street name (as described above) may contact their broker, bank or other nominee to request information about householding. Stockholders sharing an address can request delivery of a single copy of our Annual Report or Proxy Statement if they are currently receiving multiple copies of the Proxy Statement by following the same procedures outlined above.

Q:

Is my vote confidential?

A:

Yes. The Company encourages stockholder participation in corporate governance by ensuring the confidentiality of stockholder votes. The Company has designated Registrar and Transfer Company, the Company's independent transfer agent and registrar, to receive and tabulate stockholder votes. Your vote on any particular proposal will be kept confidential and will not be disclosed to the Company or any of its officers or employees except (i) where disclosure is required by applicable law, (ii) where disclosure of your vote is expressly requested by you or (iii) where the Company concludes in good faith that a bona fide dispute exists as to the authenticity of one or more proxies, ballots or votes, or as to the accuracy of any tabulation of such proxies, ballots or votes. However, aggregate vote totals will be disclosed to the Company from time to time and publicly announced at the Annual Meeting.

Q:

How can I obtain a copy of BankUnited, Inc.'s Annual Report on Form 10-K?

A:

Copies of the Company's Annual Report on Form 10-K for the year ended December 31, 2011, as filed with the SEC, are available to stockholders free of charge on BankUnited, Inc.'s website at <http://ir.bankunited.com> or by writing to BankUnited, Inc., Investor Relations, 14817 Oak Lane, Miami Lakes, FL 33016. The Company's 2011 Annual Report to Stockholders, which includes such Form 10-K, accompanies this Proxy Statement.

Q:

Where can I find the voting results of the Annual Meeting?

A:

BankUnited, Inc. will announce preliminary voting results at the Annual Meeting and publish preliminary, or final results if available, in a Current Report on Form 8-K within four business days of the Annual Meeting.

PROPOSALS TO BE VOTED ON BY BANKUNITED, INC. STOCKHOLDERS

PROPOSAL NO. 1

ELECTION OF DIRECTORS

Directors Elected Annually

Our Board of Directors is currently comprised of nine members. The size of the Board of Directors may be fixed from time to time exclusively by our Board of Directors as provided in our Certificate of Incorporation. In April 2012, based on the recommendation of the Nominating and Corporate Governance Committee, the Board of Directors increased the number of authorized directors to ten, effective as of the date of the Annual Meeting. BankUnited, Inc.'s directors are elected each year by the stockholders at the Annual Meeting. We do not have a staggered or classified board. Ten directors will be elected at this year's Annual Meeting. Each director's term will last until the 2013 annual meeting of stockholders and until such director's successor is duly elected and qualified, or such director's earlier death, resignation or removal.

Board Nominations

Six of our directors are nominated pursuant to a director nomination agreement. In January 2011, we entered into a director nomination agreement (the "Director Nomination Agreement") with John A. Kanas and certain funds affiliated with The Blackstone Group ("Blackstone"), The Carlyle Group ("Carlyle"), Centerbridge Partners, L.P. ("Centerbridge") and WL Ross & Co. LLC ("WL Ross"), whom we refer to as our Sponsors. The Director Nomination Agreement provides for the rights of our Sponsors and Mr. Kanas to nominate individuals to our Board of Directors. The Director Nomination Agreement was amended and restated in February of 2012 in connection with Blackstone's exchange of a portion of its common stock for shares of non-voting preferred stock ("Preferred Stock") having substantially the same economic rights as its previously held common shares. See "Certain Related Party Relationships Blackstone Exchange Agreement" below. Pursuant to the agreement, the Sponsors and Mr. Kanas have the right to nominate individuals to our Board of Directors at each meeting of stockholders where directors are to be elected and, subject to limited exceptions, we will include in the slate of nominees recommended to our stockholders for election as directors the number of individuals designated by the Sponsors and Mr. Kanas as follows:

so long as Blackstone owns at least 40% of the common stock owned by Blackstone (inclusive of shares of common stock issuable upon conversion of all shares of Preferred Stock) immediately prior to the consummation of our initial public offering in January 2011 (the "IPO"), one individual nominated by Blackstone;

so long as Carlyle owns at least 40% of the common stock owned by Carlyle immediately prior to the consummation of the IPO, one individual nominated by Carlyle;

so long as WL Ross owns at least 40% of the common stock owned by WL Ross immediately prior to the consummation of the IPO, one individual nominated by WL Ross;

so long as Centerbridge owns at least 40% of the common stock owned by Centerbridge immediately prior to the consummation of the IPO, one individual nominated by Centerbridge; and

so long as Mr. Kanas is our Chief Executive Officer, two individuals (one of which will be Mr. Kanas) nominated by Mr. Kanas.

In addition, each of Blackstone, Carlyle, WL Ross and Centerbridge has the right to appoint one non-voting observer to attend all meetings of our Board of Directors until such time as such Sponsor

Table of Contents

ceases to own 5% of our outstanding common stock (inclusive of shares of common stock issuable upon conversion of all shares of Preferred Stock).

Blackstone's nominee to our Board of Directors is Chinh E. Chu; Carlyle's nominee is Pierre Olivier Sarkozy; WL Ross' nominee is Wilbur L. Ross, Jr.; and Centerbridge's nominee is Lance N. West. Mr. Kanas has nominated himself and John Bohlsen.

Board candidates are also selected based upon various criteria including their character and reputation, relevant business experience and acumen, and relevant educational background. The Nominating and Corporate Governance Committee and Board of Directors review these factors, including diversity, in considering candidates for board membership. Board members are expected to prepare for, attend and participate in all Board of Directors and applicable committee meetings, and the Company's annual meetings of stockholders.

Information Regarding the Nominees for Election to the Board of Directors

Qualifications

In considering candidates for the Board of Directors, the Nominating and Corporate Governance Committee takes into consideration the Company's Corporate Governance Guidelines and all other factors deemed appropriate by the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee's determination is made based primarily on the following criteria: (i) a candidate's special skills, expertise and background that would enhance or complement the mix of the existing Directors, (ii) a candidate's reputation and prominence in his or her business, professional activities or community, including a well-known reputation for addressing important issues that the Company may face, (iii) a candidate's commitment to high ethical business standards and integrity, and (iv) a candidate's time commitment and willingness to fully participate in the Board's affairs and perform his or her duties to the highest standards.

Set forth below is biographical information concerning each nominee who is standing for election at the Annual Meeting. Following the biographical information for each nominee is a description of such nominee's specific experience, qualifications, attributes and skills that the Nominating and Corporate Governance Committee and the Board of Directors considered in determining whether to recommend the nominee for election to the Board of Directors. In addition to the information presented below, the Company believes that a board comprised of its nominees constitutes a board with a reputation for integrity, strong business acumen and the exercise of sound judgment; a board that is strong in its collective knowledge and leadership abilities; and a board that has a diversity of viewpoints and backgrounds. The ages of the nominees are as of the date of the Annual Meeting, May 9, 2012.

BOARD OF DIRECTORS, EXECUTIVE OFFICERS AND CORPORATE GOVERNANCE

Role of Board of Directors

The Company's business and affairs are managed under the direction of the Board of Directors which is the Company's ultimate decision-making body, except with respect to those matters reserved to the Company's stockholders. The Board of Directors' mission is to maximize long-term stockholder value. The Board of Directors establishes the Company's overall corporate policies, evaluates the Company's Chief Executive Officer and the senior leadership team and acts as an advisor and counselor to senior management. The Board of Directors also oversees the Company's business strategy and planning, as well as the performance of management in executing the Company's business strategy, assessing and managing risks and managing the Company's day-to-day operations.

Director Independence

Under the NYSE listing standards, in order to consider a director independent, the Board of Directors must affirmatively determine that he or she has no material relationship with BankUnited, Inc. The standards specify the criteria for determining whether directors are independent and contain guidelines for directors and their immediate family members with respect to employment or affiliation with BankUnited, Inc. or its independent registered public accounting firm. In addition to the NYSE's standards for independence, the Board of Directors has adopted additional independence standards to assist it in making independence determinations. The Company's Director Independence Standards contain the formal director qualification and independence standards adopted by the Board of Directors, and are available as part of the Company's Corporate Governance Guidelines on the Company's Web site at <http://ir.bankunited.com>.

The Board undertook its annual review of director independence in March 2012. As a result of this review, the Board affirmatively determined that all of the Directors are independent of the Company and its management under the corporate governance standards of the NYSE, with the exception of John A. Kanas and John Bohlsen. Each is considered an inside Director because of his employment as a senior executive of the Company.

Board of Directors Meetings and Attendance

The Board of Directors held 9 meetings during 2011 and acted by written consent 3 times. All of the directors attended at least 75% of the total of all the meetings of the Board of Directors and Board committees on which they served during 2011.

Board Leadership Structure

The Board of Directors believes that having a combined Chairman/CEO, a majority of independent directors and independent key board committees provides an effective and appropriate leadership structure for the Company.

The Company's Corporate Governance Guidelines provide that the Board of Directors will select its Chairman and the Company's CEO in the manner it considers in the best interests of the Company at any given point in time. At this time, the Board of Directors combines the role of Chairman of the Board of Directors and the Company's CEO. The Board of Directors believes that combining the roles of Chairman and CEO fosters unified leadership and direction for the Board of Directors and executive management and allows for alignment and clear accountability in the development and execution of the Company's strategic initiatives and business plans. Mr. Kanas is the director most familiar with the Company's business and industry, and by serving in these dual capacities, he is best situated to effectively identify strategic priorities and lead discussions on key business issues that impact all of the Company's stakeholders. The Board of Directors also considered Mr. Kanas' prior history

Table of Contents

and performance in serving in these dual capacities, and believes that Mr. Kanas has provided effective leadership and guidance in the pursuit of the Company's strategic objectives during his tenure as the Company's Chairman and CEO.

Further enhancing the overall independent functioning of the Board of Directors is the fact that the Board of Directors is comprised of over a two-thirds majority of independent directors. The independent directors also review Mr. Kanas' performance in his dual capacities of Chairman and CEO. In addition, the Company's governance structure is strengthened by virtue of each of its Nominating and Corporate Governance, Compensation and Audit committees consisting entirely of independent directors. These committees provide additional independent oversight of management.

Through the Company's overall governance structure, the Board of Directors believes it has effectively balanced the need for strategic leadership by the Company's Chairman and CEO with the oversight and objectivity of the independent directors, and has created an effective and appropriate leadership structure that is conducive to the risk oversight process. The Board of Directors recognizes that, depending on the circumstances, other leadership structures might be appropriate and in the best interests of the Company. Accordingly, the Board of Directors has the discretion to modify its leadership structure in the future if it deems it in the best interests of the Company to do so.

Committees of the Board of Directors

In 2011, the Board of Directors maintained four standing committees: the Executive Committee, the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee. A description of each Board committee is set forth below.

Compensation Committee

Since our inception, our Compensation Committee has been responsible for such matters as the determination of discretionary bonus amounts, if any, to be paid to our named executive officers, the implementation of the BankUnited, Inc. 2009 Stock Option Plan and the 2010 Omnibus Equity Incentive Plan, including the determination of grant amounts, vesting terms and exercise prices. In addition, our Compensation Committee was responsible for vetting and approving our 401(k) plan and Nonqualified Deferred Compensation Plan. The Compensation Committee reviews and approves corporate goals and objectives relevant to compensation of our Chief Executive Officer and other executive officers, evaluates the performance of these officers in light of those goals and objectives, and recommends the compensation of these officers based on such evaluations. The Compensation Committee also administers the issuance of stock options and other awards under our stock plans.

The Compensation Committee held 3 meetings during 2011. The Compensation Committee in 2011 was comprised of Messrs. LeFrak (Chairman), Sarkozy and West and Ambassador Cobb, each of whom qualifies as an "independent" director as defined under the applicable rules and regulations of the SEC and the NYSE. In February 2012, in connection with our conversion to a bank holding company, Messrs. Sarkozy and West stepped down and Mr. DeMark joined the Compensation Committee.

Nominating and Corporate Governance Committee

Our Nominating and Corporate Governance Committee is responsible for making recommendations to our Board of Directors regarding candidates for directorships and the size and composition of our Board of Directors. In addition, the Nominating and Corporate Governance Committee is responsible for overseeing our corporate governance guidelines and reporting and making recommendations to our Board of Directors concerning governance matters.

The Nominating and Corporate Governance Committee, in consultation with our Chief Executive Officer, also reviews the Company's management succession plans to ensure that an effective succession process is in place and to discuss potential internal successors for both emergency and long-term executive succession. The succession planning activities of the Nominating and Corporate Governance Committee and the Compensation Committee are discussed with the full Board of Directors.

The Nominating and Corporate Governance Committee held no meetings during fiscal year 2011 but held its first meeting in March 2012 to fulfill its responsibilities relating to the current candidates for directorships. The Nominating and Corporate Governance Committee in 2011 was comprised of Messrs. Ross (Chairman), Chu, Sarkozy and West, each of whom qualifies as an "independent" director as defined under the applicable rules and regulations of the SEC, the NYSE and the Internal Revenue Service. In February 2012, in connection with our conversion to a bank holding company, all members of the Nominating and Corporate Governance Committee stepped down and Ambassador Cobb became the new Chairperson of the committee, and was joined by Messrs. DeMark and LeFrak.

Risk Management and Oversight

Our Board of Directors oversees our risk management process, including the company-wide approach to risk management, carried out by our management. Our full Board of Directors determines the appropriate levels of risk for the Company generally, assesses the specific risks faced by us, and reviews the steps taken by management to manage those risks. While our full Board of Directors maintains the ultimate oversight responsibility for the risk management process, its committees oversee risk in certain specified areas. In particular, our Compensation Committee is responsible for overseeing the management of risks relating to our executive compensation plans and arrangements, and the incentives created by the compensation awards it administers.

The Audit Committee plays a key role in the Board of Directors' exercise of its risk oversight function. The Audit Committee is primarily responsible for overseeing matters involving the Company's financial and operational risks, and the guidelines, policies and processes for managing such risks, including internal controls. The Audit Committee conducts its risk oversight in a variety of ways, including reviewing management's assessment of the Company's internal control over financial reporting, reviewing the results of regulatory examinations, and receiving quarterly reports on legal and regulatory matters. Additionally, the Company's independent registered public accounting firm regularly discusses risks and related mitigation measures that may arise during its regular reviews of the Company's financial statements with the Audit Committee. To ensure candid and complete reporting, the Audit Committee regularly meets in separate executive sessions with management, the head of the Company's internal audit department and the Company's independent registered public accounting firm.

Our Nominating and Corporate Governance Committee is responsible for overseeing the management of risks associated with the independence of our Board. Pursuant to our Board's instruction, management regularly reports on applicable risks to the relevant committee or the full Board, as appropriate, with additional review or reporting on risks conducted as needed or as requested by our Board and its committees.

Corporate Governance Guidelines, Code of Conduct and Code of Ethics

Our Board has adopted Corporate Governance Guidelines, which set forth a flexible framework within which our Board, assisted by Board committees, directs the affairs of the Company. The Guidelines address, among other things, the composition and functions of the Board, director independence, compensation of directors, management succession and review, Board committees and selection of new directors.

We have a Code of Conduct, which is applicable to all directors, officers, employees, agents (including consultants and contractors) and temporary personnel of the Company. We have a separate Code of Ethics for Principal Executive and Senior Financial Officers, which contains provisions specifically applicable to our principal executive officer, principal financial officer, principal accounting officer and controller (or persons performing similar functions).

The Corporate Governance Guidelines, the Code of Conduct and the Code of Ethics for Principal Executive and Senior Financial Officers are available on our website at <http://ir.bankunited.com>. We expect that any amendments to these codes, or any waivers of their requirements, will be disclosed on our website.

Director Expenses

The Company also reimburses expenses incurred by directors to attend board and committee meetings, educational seminars and other expenses directly related to the Company's business.

Director Nominating Process and Diversity

The Board of Directors is responsible for nominating members for election to the Board of Directors and for filling vacancies on the Board of Directors that may occur between annual meetings of stockholders. The Nominating and Corporate Governance Committee is responsible for identifying, screening and recommending candidates to the Board of Directors for board membership. When formulating its Board of Directors membership recommendations, the Nominating and Corporate Governance Committee may also consider advice and recommendations from others, including stockholders, as it deems appropriate.

The Nominating and Corporate Governance Committee and the Board of Directors believe that diversity along multiple dimensions, including opinions, skills, perspectives, personal and professional experiences and other differentiating characteristics, is an important element of its nomination recommendations. The Nominating and Corporate Governance Committee has not identified any specific minimum qualifications which must be met for a person to be considered as a candidate for director. However, Board candidates are selected based upon various criteria including experience, skills, expertise, diversity, personal and professional integrity, character, business judgment, time availability in light of other commitments, dedication, conflicts of interest and such other relevant factors that the Nominating and Corporate Governance Committee considers appropriate in the context of the needs of the Board of Directors. Although the Board of Directors does not have a formal diversity policy, the Nominating and Corporate Governance Committee and Board of Directors review these factors, including diversity, in considering candidates for board membership. Board members are expected to prepare for, attend and participate in all Board of Directors and applicable committee meetings, and the Company's annual meetings of stockholders.

Candidates Nominated by Stockholders

The Nominating and Corporate Governance Committee will also consider nominees recommended by stockholders. Our Corporate Governance Guidelines provide that nominees recommended by stockholders should be given appropriate consideration in the same manner as other nominees. PROPOSAL NO. 2

RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Proposal

The Audit Committee has appointed KPMG LLP to serve as BankUnited, Inc.'s independent registered public accounting firm for its fiscal year ending December 31, 2012. The Audit Committee and the Board of Directors seek to have the stockholders ratify the Audit Committee's appointment of KPMG LLP, which has served as BankUnited, Inc.'s independent registered public accounting firm or independent auditor since 2009. Although BankUnited, Inc. is not required to seek stockholder approval of this appointment, the Board of Directors believes it to be sound corporate governance to do so. If the appointment of KPMG LLP is not ratified by the stockholders, the Audit Committee may appoint another independent registered public accounting firm or may decide to maintain its appointment of KPMG LLP.

Representatives of KPMG LLP will be present at the Annual Meeting and will have the opportunity to make a statement, if they desire to do so, and to respond to appropriate questions.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF KPMG LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2012.

Report of the Audit Committee

The Audit Committee reviews the Company's financial reporting process on behalf of the Board of Directors. The Audit Committee consists of the directors who have been determined by the Board of Directors to be independent of the Company as prescribed by the NYSE and the SEC. The Company's management has the primary responsibility for the financial statements and for the reporting process, including the establishment and maintenance of the system of internal control over financial reporting. The Company's independent registered public accounting firm is responsible for auditing the financial statements prepared by management, expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, and auditing the Company's internal control over financial reporting and expressing an opinion on managements' assessment thereof. In this context, the Audit Committee has met and held discussions with management and KPMG LLP, the Company's independent registered public accounting firm, regarding the fair and complete presentation of the Company's financial statements and the assessment of the Company's internal control over financial reporting.

The Audit Committee has discussed with KPMG LLP matters required to be discussed by Statement on Auditing Standards No. 61, as amended (AICPA, *Professional Standards*, Vol. 1, AU section 380), as adopted by the Public Company Accounting Oversight Board (the "PCAOB") in Rule 3200T and has reviewed and discussed KPMG LLP's independence from the Company and its management. As part of that review, the Audit Committee has received the written disclosures and the letter required by applicable requirements of the PCAOB regarding KPMG LLP's communications with the Audit Committee concerning independence, and the Audit Committee has discussed KPMG LLP's independence from the Company. The Audit Committee also has considered whether KPMG LLP's provision of non-audit services to the Company is compatible with the auditor's independence. The Audit Committee has concluded that KPMG LLP is independent from the Company and its management.

The Audit Committee meets with the Chief Financial Officer and representatives of KPMG LLP, in regular and executive sessions, to discuss the results of their examinations, the evaluations of the Company's internal controls and the overall quality of the Company's financial reporting and compliance programs.

Table of Contents

In reliance on the reviews and discussions referred to above, the Audit Committee has recommended to the Board of Directors, and the Board has approved, that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2011, for filing with the SEC.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Auditors

The Audit Committee has adopted a policy that requires advance approval of all audit, audit related tax services and other services performed by the independent auditor. The policy provides for pre-approval by the Audit Committee of specifically defined audit and non-audit services. Unless the specific service has been previously pre-approved with respect to that year, the Audit Committee must approve the permitted service before the independent auditor is engaged. The Audit Committee pre-approved all of the audit and non-audit services provided to the Company by KPMG LLP in fiscal year 2011.

COMPENSATION DISCUSSION AND ANALYSIS

Executive Compensation

The following Compensation Discussion and Analysis provides information regarding the objectives and elements of our compensation philosophy, policies and practices with respect to the compensation of our executive officers who appear in the " Summary Compensation Table" below (referred to collectively throughout this section as our "named executive officers" and with respect to our named executive officers other than Mr. Melby, the "Management Members"). Our named executive officers for the fiscal year ended December 31, 2011 were:

John A. Kanas, Chairman, President and Chief Executive Officer

Douglas J. Pauls, Chief Financial Officer

John Bohlsen, Vice Chairman and Chief Lending Officer

Rajinder P. Singh, Chief Operating Officer

Randy R. Melby, Senior Executive Vice President, Chief Risk Officer at BankUnited

Objectives of Our Executive Compensation Program

Our executive compensation philosophy is primarily based on pay-for-performance. Accordingly, our executive compensation programs are designed to achieve the following objectives:

Align the interests of our executives with those of our stockholders. We link a meaningful portion of compensation to the achievement of our long-term goals by rewarding executive officers if and when stockholder value increases. To that end, a significant portion of the compensation awarded to our executives is in the form of equity-based compensation.

Retain management. Compensation for executives is designed such that we retain them by having meaningful vesting long-term equity compensation.

Motivate through ownership. We believe that the best way to inspire leadership and performance is by distributing ownership in the form of equity-based compensation throughout our ranks and requiring executive management to retain meaningful exposure to our Company's stock.

Setting Executive Compensation

Our current executive compensation program is largely based on arrangements that were negotiated at the time that our Company was founded. BankUnited, Inc. was organized by a management team led by Messrs. Kanas, Singh, Bohlsen and our former Chief Financial Officer on April 28, 2009. At that time, the founding members of the management team directly negotiated the terms of their compensation with the investors. Mr. Pauls replaced our former Chief Financial Officer, and as a result, Mr. Pauls' compensation components are similar to those provided to our former Chief Financial Officer prior to his departure. The level of Mr. Pauls' compensation was negotiated by him and the Company and was ultimately subject to approval by our Board. Mr. Melby, who is not a founding member of our management team, commenced employment with BankUnited on September 28, 2009 and the terms of his compensation were the product of negotiation between Mr. Melby and BankUnited and was subject to final approval by the Board of BankUnited.

Role of Compensation Committee

Since our inception, our Compensation Committee has been responsible for such matters as the determination of discretionary bonus amounts, if any, to be paid to our named executive officers, the implementation of the BankUnited, Inc. 2009 Stock Option Plan and 2010 Omnibus Equity Incentive

Table of Contents

Plan, including the determination of grant amounts, vesting terms and exercise prices of awards under such plans. In addition, our Compensation Committee was responsible for vetting and approving our 401(k) plan and Nonqualified Deferred Compensation Plan.

Role of Compensation Consultant

We have not engaged any compensation consultants. However, we may revisit the use of a compensation consultant in the future.

Risk Oversight

The Audit Committee of our Board, which is comprised of non-employee directors, is currently responsible for risk oversight within our Company, including with respect to compensation practices. Mr. Melby, Senior Executive Vice President, Chief Risk Officer at BankUnited, is responsible for developing an Enterprise Risk Management framework to identify, manage and mitigate risks across our Company. This framework, which involves ongoing participation and oversight by our Board, captures compensation-related risk amongst various other dimensions of risk. In addition, our Company is a bank holding company subject to ongoing supervision, examination and regulation by the Federal Reserve, including its guidance on compensation practices. We do not believe that our overall compensation policies and practices create risks that are reasonably likely to have a material adverse effect on our Company.

Executive Officer Compensation

Principal Components of Compensation of Our Named Executive Officers

The compensation package offered to our executive officers, including our named executive officers, consists of:

Base salary. Base salaries for our executive officers are designed to compensate the executive for the experience, education, personal qualities and other qualifications of that individual that are essential for the specific role the executive serves within our Company, while remaining competitive with the market.

Discretionary cash bonuses. Our executives, including our named executive officers, are eligible to receive discretionary cash bonuses as determined by our Board. To date, our Board has not awarded any discretionary cash bonuses to the Management Members and has not established any performance targets for such awards. To the extent that bonuses are awarded to the Management Members in the future, the determination of the amounts of such bonuses will be determined in accordance with the BankUnited, Inc. Policy on Incentive Compensation Arrangements, which provides that bonus amounts are to be based upon the following: overall individual performance, organizational performance, individual contribution to organizational performance, business segment performance, and level of individual responsibilities. Pursuant to his offer letter, Mr. Melby is eligible to receive an annual bonus with a target bonus opportunity equal to \$300,000. Mr. Melby is the only one of our named executive officers with a target bonus due to his role as the Chief Risk Officer of BankUnited and our belief that a lesser portion of his overall compensation should be in the form of equity-based compensation and, accordingly, at-risk.

Long-term equity-based compensation. In general, we provide a significant portion of the compensation due to our named executive officers in the form of long-term equity-based compensation. We believe that providing compensation that is contingent on our long-term performance and that is at-risk serves to align the long-term interests of our named executive officers with the long-term interests of our stockholders. To date, long-term equity-based

Table of Contents

compensation has generally been granted to our executives upon commencement of employment. In addition, on March 11, 2011, Mr. Melby was granted 11,000 restricted shares in respect of his performance in the 2010 fiscal year. On December 16, 2011, the Compensation Committee approved a grant of 12,000 restricted shares to Mr. Melby as well as a grant of 100,000 stock options award to each of Messrs. Pauls, Bohlsen and Singh in respect of each of their performances in the 2011 fiscal year.

Limited perquisites and other benefits. Our executive officers, including our named executive officers, are eligible to participate in our 401(k) retirement plan and the Management Members are also eligible to participate in our Nonqualified Deferred Compensation Plan. Messrs. Kanas, Pauls, Bohlsen, Singh and Melby receive a car allowance and, in addition, Messrs. Kanas and Bohlsen are provided with a company-paid driver.

Compensation Mix

Our current compensation package is designed to provide a strong link between the compensation of our executives and the success of our Company and our stockholders generally. The cash components base salary and discretionary cash bonus compensation collectively represent what we believe is appropriate pay for expected performance during the year. The equity-based compensation component is designed to encourage high performance by closely aligning an executive's pay with the interests of our stockholders. The allocation between different elements of compensation with respect to our named executive officers has been a product of individual negotiations to date.

Employment Agreements

We have entered into employment agreements with each of the Management Members. Mr. Melby is not party to an employment agreement and instead his employment is subject to the terms of an offer letter with BankUnited. The employment agreements and offer letter set forth the compensatory terms of each of our named executive officers' employment. For additional information regarding certain provisions of each named executive officer's employment agreement or offer letter, see " Potential Payments Upon Termination or Change-in-Control."

Base Salary

We provide our executive officers and other employees with base salary to compensate them for services rendered during the year. We believe that, with respect to our named executive officers, base salary should compensate the executives for their service and performance but that superior contributions and performance should be rewarded by other forms of compensation, including long-term equity-based compensation. The base salary for each of our named executive officers was set in his employment agreement or offer letter when the named executive officer commenced employment with us or BankUnited, as applicable. To date, we have not granted any increase in base salary for any of our named executive officers.

Discretionary Cash Bonuses

Pursuant to their employment agreements, the Management Members are eligible to receive discretionary cash bonuses, as determined in the sole discretion of our Board. To date, our Board has not awarded cash bonuses to the Management Members and has not established any performance targets for such awards. To the extent that cash bonuses are awarded to the Management Members in the future, the determination of the amounts of such bonuses will be determined in accordance with the BankUnited, Inc. Policy on Incentive Compensation Arrangements, which provides that bonus amounts are to be based upon the past, present, and expected future contributions of an employee or group of employees to the overall success, safety, and soundness of the organization. Factors considered

Table of Contents

in evaluating those contributions will include, among other things: overall individual performance, organizational performance, individual contribution to organizational performance, business segment performance, and level of individual responsibilities. The BankUnited, Inc. Policy on Incentive Compensation Arrangements is designed to balance risk and financial results in a manner that does not encourage employees to expose the Company to imprudent risks.

Pursuant to his offer letter, Mr. Melby is eligible to receive an annual bonus with a target bonus opportunity equal to \$300,000. Mr. Melby is the only one of our named executive officers with a target bonus opportunity due to his role as the Chief Risk Officer of BankUnited and our belief that a lesser portion of his compensation should be in the form of equity-based compensation and, accordingly, at-risk due to the responsibilities inherent in his role as Chief Risk Officer. For 2011, Mr. Melby received a bonus of \$300,000, equal to his target bonus. The Compensation Committee determined the amount of the bonus after a review of subjective criteria related to Mr. Melby's performance in 2011. No other named executive officer received a discretionary cash bonus for 2011.

Equity-Based Compensation

Background/LLC Liquidation

The Management Members previously held equity-based compensation in the form of profits interest units, or PIUs, in BU Financial Holdings LLC (the "LLC"), our parent company prior to the reorganizations consummated in connection with our IPO. The PIUs represented the right of the holder to share in distributions from the LLC after investors had received certain returns on their investment. In connection with the IPO, the LLC was liquidated and the Management Members received a combination of common stock (both shares not subject to vesting schedules and restricted shares that are subject to vesting schedules) and options to purchase common stock (both vested and unvested) as well as certain dividend equivalent rights, in each case, in respect of the vested and unvested PIUs that were then held by the Management Members in the LLC. The shares issuable upon exercise of options are newly issued shares that are issued under the BankUnited, Inc. 2010 Omnibus Equity Incentive Plan. Mr. Melby did not previously hold PIUs and had instead been awarded stock options to purchase shares of our common stock under the BankUnited, Inc. 2009 Stock Option Plan.

In respect of the vested PIUs held by each of the Management Members, such individuals received 3,863,491 shares of our common stock that were held by the LLC and fully vested and exercisable options under the 2010 Omnibus Equity Incentive Plan to acquire a total of 3,023,314 shares of our common stock, which options have an exercise price per share equal to the initial public offering price per share in the IPO and will expire on the tenth anniversary of the date of grant, as well as the dividend equivalent rights discussed below.

In respect of a portion of the unvested PIUs held by each of the Management Members, such individuals received unvested and unexercisable options under the 2010 Omnibus Equity Incentive Plan to acquire a total of 1,511,656 shares of our common stock, which options (i) have an exercise price per share equal to the initial public offering price per share in the IPO, (ii) expire on the tenth anniversary of the date of grant and (iii) vest in accordance with the same time-based vesting schedule as existed for the corresponding time-based PIUs to which the awards relate.

In respect of a portion of the unvested PIUs held by each of the Management Members, such individuals also received a total of 1,931,745 shares of our common stock held by the LLC that were restricted shares of common stock, which vesting restrictions lapse and cease to exist in accordance with the same time-based vesting schedule as existed for the corresponding time-based PIUs to which the awards relate, as well as the dividend equivalent rights discussed below.

Stock Options

In December 2011, the Compensation Committee determined that equity awards should be granted to each Management Member for fully demonstrating all of the key principles under the BankUnited, Inc. Policy on Incentive Compensation Arrangements, including their valuable contribution to the organization, disciplined balance of risk and financial results, exceptional focus on risk management and internal controls and strong corporate governance.

Through the leadership of the Management Members, our Company achieved the following in 2011:

Successfully executed our IPO during the first quarter of 2011.

Enhanced the Company's infrastructure to support the future growth of a healthy institution and comply with new regulatory standards.

Reached the inflection point of new loan growth exceeding the runoff of the covered loan portfolio. In 2011, our new loan portfolio grew \$1.2 billion.

Shifted the mix of the Company's deposit portfolio, which subsequently improved our cost of deposits, by increasing transaction accounts and reducing our time deposit portfolio. At December 31, 2011, time deposits represented 35% of the total deposit portfolio, compared to 75% at the time of the Acquisition.

Delivered four quarters of profitability. In 2011, net income was \$63.2 million, which reflects the one-time charge of \$110.4 million (not deductible for income tax purposes) recorded in conjunction with the IPO.

Maintained strong asset quality, with non-performing loans to total loans at 0.7%.

Messrs. Bohlsen, Pauls and Singh were each awarded 100,000 stock options under the BankUnited, Inc. 2010 Omnibus Equity Incentive Plan. Mr. Kanas, although eligible, abstained from receiving any equity awards. The Compensation Committee determined that the option grants were adequate in keeping the Management Members incentivized and invested in the long-term success, soundness and profitability of the Company.

Restricted Shares

Pursuant to his offer letter, Mr. Melby is eligible to receive grants of equity-based compensation. After a review of subjective criteria relative to Mr. Melby's performance and to provide Mr. Melby with continued long-term incentive opportunities, the Compensation Committee granted 11,000 restricted shares to Mr. Melby on March 11, 2011 in respect of his performance in the 2010 fiscal year and 12,000 restricted shares on December 16, 2011 in respect of his performance in the 2011 fiscal year. The restricted shares vest in substantially equal installments on each of the first three anniversaries of the grant date, subject to Mr. Melby's continued service through the applicable vesting dates. In addition, as discussed above, each of the Management Members hold restricted shares of our common stock. The named executive officers are entitled to receive dividend payments in respect of their restricted shares.

Dividend Equivalent Rights

In respect of the vested PIUs held by each of the Management Members, such individual received, among other forms of equity, a dividend equivalent right entitling the holder to receive the economic benefit, for a period of ten years following the date of grant, of any dividends paid with respect to our common stock after the IPO as though such holder owned the number of shares of our common stock that would be issuable upon exercise of the vested options received by such holder.

In respect of the unvested PIUs held by each of the Management Members, such individual received, among other forms of equity, a dividend equivalent right entitling the holder to an aggregate payment from us, at the time the unvested options received by such holder vest in accordance with their terms, in an amount equal to the amount of all dividends that would have been paid in respect of such unvested options after the date of the IPO and prior to such vesting date as though such holder owned the number of shares of our common stock that would be issuable upon the vesting and exercise of such options. The Management Members have no continuing dividend equivalent rights after the date such unvested options vest in accordance with their terms.

Equity Ownership Requirements

In connection with the formation of our Company, certain of the Management Members were required to invest a portion of their personal assets in our Company. Mr. Kanas invested \$23,500,000, Mr. Bohlsen invested \$10,000,000 and Mr. Singh invested \$1,000,000. Mr. Pauls invested \$1,000,000 in our Company in connection with the commencement of his employment. The amounts that the Management Members were initially required to invest vary and each executive's investment amount is in relation to his net worth. Mr. Melby joined BankUnited subsequent to our formation and was not required to invest any of his personal assets in our Company.

In connection with the IPO and in exchange for the PIUs vesting described above, we adopted a policy to which the Management Members agreed relating to the minimum amount of equity securities that such Management Members must retain for so long as they are employed by us. This policy, which may be waived from time to time by the Compensation Committee, provides that so long as Mr. Kanas is CEO, he will not sell equity if, after giving effect to such sale, his retained equity (including vested and unvested equity, including options) has a value that is less than twelve times his base salary. Additionally, for Messrs. Pauls, Bohlsen and Singh, so long as they are employed and are named executive officers of the Company, they will not sell equity if, after giving effect to such sale, their respective retained equity (including vested and unvested equity, including options) has a value that is less than five times their respective base salary. We believe that requiring members of our senior management to invest and maintain ownership in our Company serves to align their interests with the interests of our stockholders generally.

Tax and Accounting Implications

Transition provisions under Section 162(m) of the Internal Revenue Code of 1986, as amended, may apply for a period of three years following the consummation of the IPO to certain compensation arrangements that were entered into by a corporation before it was publicly held.
