INFORMATION STATEMENT PURSUANT TO  
SECTION 14(f) OF THE SECURITIES  
EXCHANGE ACT OF 1934 AND RULE 14f-1 THEREUNDER

***THIS INFORMATION STATEMENT IS BEING PROVIDED SOLELY FOR INFORMATIONAL PURPOSES AND NOT IN CONNECTION WITH ANY VOTE OF THE STOCKHOLDERS OF DORAL ENERGY CORP.***

**GENERAL**

This Information Statement is being mailed commencing on or about December 22, 2010 by Doral Energy Corp. (the "Company", we, us, or our) to holders of record of the Company's common stock, par value \$0.001 per share, in accordance with the requirements of Section 14(f) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and Securities and Exchange Commission Rule 14f-1. This Information Statement is being sent as notice of a proposed change of a majority of the Company's directors.

On December 2, 2010, the Company entered into an Agreement and Plan of Merger (the Merger Agreement) with Pure Gas Partners II, L.P. (Pure) and Pure Energy Group, Inc., a wholly owned subsidiary of Pure (Pure Sub). Pursuant to the provisions of the Merger Agreement, Pure will transfer all of its assets to Pure Sub in exchange for Pure Sub assuming all of the liabilities of Pure, and Pure Sub will merge with and into Doral Acquisition Corp. (Doral Sub), with Doral Sub continuing as the surviving corporation (the Merger). Doral Sub is the wholly owned subsidiary of the Company incorporated solely for the purpose of completing the Merger. Prior to closing the Merger, the Company expects to complete a 1-for-55 reverse split of the Company's authorized and outstanding common stock (the Reverse Split). Upon completion of the Reverse Split, the Company's authorized capital is expected to be reduced from 2,000,000,000 shares of common stock, par value \$0.001 per share to 36,363,637 shares of common stock par value \$0.001 per share and the total number of outstanding shares is expected to be reduced from 135,933,086 shares of common stock to 2,471,511 shares of common stock (prior to closing the Merger and not including adjustments for fractional interests). The effective date of the Reverse Split is expected to be December 27, 2010 unless otherwise determined by the Company's Board of Directors.

Upon completion of the Merger, it is expected that each share of Pure Sub stock outstanding will be converted into 19,963,072 shares of the Company's common stock, resulting in the Company issuing an aggregated of 9,981,536 shares of common stock to Pure. Completion of the Merger is expected to ultimately result in the Company having a total of approximately 12,453,047 post-Reverse Split shares outstanding, with Pure owning approximately 80% of the Company's total outstanding shares on a fully diluted basis, and the Company's existing shareholders owning the remaining 20%.

Upon closing, the Company intends to appoint Lawrence J. Risley, Richard F. LaRoche Jr. and John Hawkins as directors of the Company. Everett Willard Gray, II and Brad E. Heidelberg are expected to continue to serve on the Company's Board of Directors upon closing of the Merger. In addition, it is expected that Mr. Risley will be appointed as the Company's President and Chief Operating Officer, and that P. Mark Stark will be appointed as the Company's Chief Financial Officer and Treasurer. Mr. Gray is expected to continue to act as the Company's Chief Executive Officer and as Chairman of the Board of Directors.

Neither Lawrence J. Risley, Richard F. LaRoche Jr. nor John Hawkins will be appointed as directors until at least ten days after this Information Statement is mailed or delivered to all of the Company's shareholders of record in compliance with Section 14(f) of the Securities Exchange Act of 1934, as amended, and Rule 14f-1 thereunder.

**This Information Statement is being provided for information purposes only. The Company is not soliciting proxies in connection with the matters described in this Information Statement and no vote or other action is required to be taken by the Company's stockholders.**

The Company had been in default of the WS Oil Note since November 2009 due to an inability to meet the payment schedule specified in the terms of the WS Oil Note.

Between March 2010 and September 2010, WS Oil and Gas assigned a total of \$100,000 of the amounts due under the WS Oil Note to unrelated third parties. **SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE**

Section 16(a) of the Exchange Act requires the Company's executive officers and directors, and persons who beneficially own more than 10% of the Company's equity securities (collectively, the Reporting Persons), to file reports of ownership and changes in ownership with the SEC. Reporting Persons are required by SEC regulations to furnish the Company with copies of all forms they file pursuant to Section 16(a). Based on the Company's review of the copies of such forms received by the Company, other than as described below, no other reports were required for those persons.

During the Company's current fiscal year, the following persons have failed to file, on a timely basis, the identified reports required by Section 16(a) of the Exchange Act:

Name and Principal Position	Number of Late Reports	Transactions Not Timely Reported	Known Failures to File a Required Form
Everett Willard Gray, II Chairman, Chief Executive Officer, Chief Financial Officer, President, Secretary, Treasurer and Director	None	None	None
Brad E. Heidelberg Director	None	None	None

**DIRECTOR INDEPENDENCE**

The Company's common stock is quoted on the OTC Bulletin Board inter-dealer quotation system, which does not have director independence requirements. Under NASDAQ Rule 5605(a)(2), a director is not considered to be independent if he or she is also an executive officer or employee of the corporation. Brad E. Heidelberg is the Company's sole independent director.

Upon their appointment, Mr. LaRoche and Mr. Hawkins are expected to meet the definitions of independence provided in NASDAQ Rule 5605(a)(2).

**COMMITTEES OF THE BOARD OF DIRECTORS**

The Company does not currently maintain a separately designated nominating committee, audit committee, compensation committee or any other committees. The Company's Board of Directors currently consists of two directors, making the appointment of separately designated committees superfluous. Currently the Company's entire Board of Directors participates in the nomination, audit and compensation process.

Upon closing of the Merger, the Company's Board may appoint separately designated committees, but a determination in that regard has not yet been made.

**Nomination Process**

The Company does not have a nominating committee charter nor does it have any written policies with respect to the consideration of director candidates recommended by the Company's security holders. As the Company is in the early stages of developing its business, the Company's Board of Directors feels that it is unnecessary to establish a specific policy for considering candidates recommended by security holders. The Company examines all director candidates, whether recommended by the Company's security holders or otherwise, on a case by case basis based on each individual candidate's experience, skill set, integrity and reputation, the current needs of the Company, the current make up of the Company's Board of Directors and any other factors that the Company's Board of Directors deems

relevant.

Each of Mr. Risley, Mr. LaRoche and Mr. Hawkins were recommended for the Company's Board of Directors by Pure.

### **Audit Process**

The Company does not have an audit committee charter. The Company's Board of Directors reviews and discusses the Company's financial statements with the Company's management, and has discussed with the Company's independent auditors the matters required to be discussed by the statement on Auditing Standards No. 6, as amended and as adopted by the Public Company Accounting Oversight Board (the PCAOB). The Company's Board of Directors has received written disclosures and the letter from the Company's independent auditors required by the PCAOB regarding the Company's independent auditors' communications concerning independence, and has discussed the independent auditors' independence. Based on these discussions and disclosures, the Company's Board of Directors (consisting of Everett Willard Gray, II and Brad E. Heidelberg) approved the inclusion of the Company's audited financial statements in its Annual Report on Form 10-K for the year ended July 31, 2010.

The Company does not currently have a person on its Board of Directors that meets the definition of an audit committee financial expert. The Company was not previously able to acquire the services of a person that meets the definition of an audit committee financial expert for its Board of Directors. Upon closing of the Merger, it is expected that Mr. Hawkins will meet the requirements of an audit committee financial expert.

### **Director and Executive Officer Compensation Process**

The Company does not have a compensation committee charter. When setting director and executive officer compensation, the Company's Board of Directors takes into consideration each individual's skills and experience, the responsibilities of that individual, the amount of time expected to be devoted to the Company's business activities, the relative availability of persons with similar skills and experience, and the Company's financial resources. The Company has not previously engaged the services of independent compensation consultants in setting compensation for its directors and executive officers.

### **STOCKHOLDER COMMUNICATIONS WITH THE BOARD OF DIRECTORS**

The Company has not provided any separate process for communicating with the Board of Directors. Communications to the Board of Directors may be directed to the Company, to the attention of the Board of Directors, at the address and telephone number set out on the cover page to this Information Statement.

### **MEETINGS OF DIRECTORS**

There were no meetings of the Board of Directors during the last full fiscal year and all actions taken by the Board of Directors were taken by consent resolution. The Company did not hold an annual meeting of the Company's security holders during the prior fiscal year and does not have a policy requiring attendance by members of the Board of Directors.

### **BOARD LEADERSHIP STRUCTURE AND RISK OVERSIGHT**

Mr. Gray currently acts as the Company's principal executive officer and Chairman of the Company's Board of Directors. Mr. Heidelberg is currently the only independent member of the Company's Board of Directors. The Company's management and Board of Directors has determined that this leadership structure is appropriate as the Company currently has limited financial and other resources. The Company's Board of Directors oversees the overall operation of the Company and sets the Company's major strategic, business and financial goals which are then implemented by the Company's management. As Mr. Gray acts as Chairman of the Board and as the Company's principal executive officer, the Company's Board of Directors is kept informed of the Company's day to day management and implementation of the goals set by the Board of Directors. The Company's Board of Directors and

management factors business, financial, strategic and other risks in setting the Company's goals and in managing the day to day operation of the Company's business.

**COMPENSATION OF EXECUTIVE OFFICERS AND DIRECTORS****Summary Compensation Table**

The following table sets forth total compensation paid to or earned by the Company's named executive officers, as that term is defined in Item 402(m)(2) of Regulation S-K during the fiscal years ended July 31, 2010 and 2009.
