Both agreements contemplated a potential second closing, contingent upon approval of the shareholders of the Issuer with respect to the issuance of the securities to be sold at such second closing. Pursuant to these two agreements, Edison Venture IV acquired the following on the First Closing Date:

1.04. The Shares. The Series A Preferred Shares, the Converted Shares and the Warrant Shares are sometimes collectively referred to herein as the "Shares."

1.05. Purchase Price and Closings.

(a) The Initial Closing. The Company agrees to issue and sell to the Purchasers and, subject to and in reliance upon the representations, warranties, covenants, terms and conditions of this Agreement, the Purchasers, severally but not jointly, agree to purchase that number of the Series A Preferred Shares and Warrants set forth opposite their respective names under the heading "Initial Closing" in Exhibit 1.01. The aggregate purchase price of the Series A Preferred Shares and Warrants being purchased by each Purchaser is set forth opposite such Purchaser's name under the heading "Initial Closing" in Exhibit 1.01. The purchase and sale shall take place at a closing (the "Initial Closing") to be held on or before September 5, 2001, at 10:00 A.M., at Morgan, Lewis & Bockius LLP, 1701 Market Street, Philadelphia, Pennsylvania 19103 or at such other location and at such other time as may be mutually agreed upon, subject to the satisfaction of all of the conditions to the Initial Closing specified in Article II herein. At the Initial Closing, the Company will issue and deliver certificates evidencing the Series A Preferred Shares and the Warrants to be sold at the Initial Closing to each of the Purchasers (or its nominee) against payment of the full purchase price therefor by wire transfer to the Company.

(b) Subsequent Closing. The Company and the Purchasers agree that if, and within ten days after, Shareholder Approval (as defined in Section 5.13 hereof) is obtained, the Company shall issue and sell to the Purchasers and, subject to and in reliance upon the representations, warranties, covenants, terms and conditions of this Agreement, the Purchasers, severally but not jointly, agree to purchase that number of the Series A Preferred Shares and Warrants set forth opposite their respective names under the heading "Subsequent Closing" in Exhibit 1.01. The aggregate purchase price of the Series A Preferred Shares and Warrants being purchased by each Purchaser is set forth opposite such Purchaser's name under the heading "Subsequent Closing" in Exhibit 1.01. The purchase and sale shall take place at a closing (the "Subsequent Closing"; the Initial Closing and the Subsequent Closing referred to herein as a "Closing" and

collectively as the "Closings") to be held on or before the tenth day after Shareholder Approval is obtained, at 10:00 A.M., at Morgan, Lewis & Bockius LLP, 1701 Market Street, Philadelphia, Pennsylvania 19103 or at such other time as may be mutually agreed upon, subject to the satisfaction of all of the conditions to the Subsequent Closing specified in Article II herein. In addition, the Company may issue and sell at the Subsequent Closing up to 2,197,801 shares of Series A Preferred Stock ("Additional Shares") and Warrants for one share of Common Stock for each four Additional Shares sold (the "Additional Warrants") to one or more investors (which may include the Purchasers, the "Additional Purchasers"); provided, however, that Edison shall have consented to such sale to the Additional Purchasers. At the Subsequent Closing, the Company will issue and deliver certificates evidencing the Series A Preferred Shares and the Warrants to be sold at the Subsequent Closing to each of the Purchasers and Additional Purchasers (or its nominee) against payment of the full purchase price therefor by wire transfer to the Company. As a condition to the Additional Purchaser's investment, the Additional Purchaser shall execute and deliver to the Company and the other Purchasers a counterpart signature page to this Agreement, the Investor Rights Agreement and the Shareholders Agreement and the other documents reasonably required by the Company (the "Other Documents"). All Purchasers agree to amend Exhibit 1.01 at the time of the Subsequent Closing to properly reflect the number of Shares and Warrants being purchased at that time. The Additional Purchasers shall be deemed to be, upon execution and delivery of a counterpart of this Agreement and each of the Other Documents, a "Purchaser" for all purposes under this Agreement, with all of the rights and obligations thereof. The terms "Series A Preferred Shares", "Purchaser" and "Purchasers", when used in this Agreement, shall respectively be deemed to include such Additional Shares and Additional Warrants as are issued and the Additional Purchaser.

1.06. Use of Proceeds. The Company shall use the proceeds for working capital acquisitions and other general corporate purposes.

1.07. Representations and Warranties by the Purchasers. Each of the Purchasers represents and warrants severally, but not jointly, that:

(a) Authorization. Such Purchaser has full corporate, partnership or limited liability company power, as applicable, and authority to enter into this Agreement and the Other Documents, and to purchase the Series A Preferred Shares, and the Agreement and the Other Documents, constitute valid and legally binding obligations of each Purchaser, enforceable in accordance with their terms. All action on the part of each Purchaser's officers, directors, shareholders, members, partners, trustees or other governing body necessary for the authorization, execution and delivery of this Agreement and the Other Documents by such Purchaser, to the extent such Purchaser is a party thereto, and the performance of all of such Purchaser's obligations hereunder and thereunder has been taken. Each of this Agreement and the Other Documents has been duly executed and delivered by such Purchaser. Neither the execution and delivery of this Agreement and the Other Documents, nor the consummation by such Purchaser of the transactions contemplated hereby, violates or conflicts with any contract, commitment, agreement, understanding or arrangement of any kind to which such Purchaser is a party or by which such Purchaser is bound.

(b) Purchase Entirely for Own Account. This Agreement is made with such Purchaser in reliance upon such Purchaser's representation to the

Edgar Filing: EDISON VENTURE FUND IV LP - Form SC 13D

Company, which by such Purchaser's execution of this Agreement such Purchaser hereby confirms, that it will acquire the Series A Preferred Stock and the Warrants to be acquired by it for its own account, not as a nominee or agent, and that the Series A Preferred Stock and the Warrants are being and will be acquired by it for the purpose of investment and not with a view to distribution or resale thereof.

(c) Investment Experience. Such Purchaser is an investor in securities of companies in the development stage and acknowledges that it is able to fend for itself, can bear the economic risk of its investment indefinitely and has such knowledge and experience in financial and business matters that it is capable of evaluating the merits and risks of its investment in the Series A Preferred Shares. Such Purchaser also represents it has not been organized for the purpose of acquiring the Series A Preferred Shares. Such Purchaser understands that the Company has no current intention of registering the Series A Preferred Shares or the Converted Shares, except as contemplated by the Investor Rights Agreement.

(d) Accredited Investor. Such Purchaser is an "accredited investor" within the meaning of Securities and Exchange Commission Rule 501 of Regulation D, as currently in effect.

(e) Restricted Securities. Such Purchaser understands that the Series A Preferred Shares and the Converted Shares it is purchasing are characterized as "restricted securities" under the federal securities laws inasmuch as they are being acquired from the Company in a transaction not involving a public offering and that under such laws and applicable regulations such securities may be resold without registration under the Securities Act, only in certain limited circumstances. In this connection, such Purchaser represents that it is familiar with SEC Rule 144, as currently in effect, and understands the resale limitations imposed thereby and by the Securities Act. Such Purchaser is aware that SEC Rule 144 is not currently available for use by such Purchaser for immediate resale of any of the Series A Preferred Shares or Converted Shares to be acquired by such Purchaser upon consummation of the transactions contemplated herein.

(f) Company Information. Each Purchaser has had access to the Exchange Act Documents (as defined below) and has had an opportunity to discuss the Company's business, management and financial affairs with directors, officers and management of the Company and has had the opportunity to review the Company's operations and facilities. Each Purchaser has also had the opportunity to ask questions of, and receive answers from, the Company and its management regarding the terms and conditions of this investment.

(g) Residence. If the Purchaser is an individual, then the Purchaser resides in the state or province identified in the address of the Purchaser set forth on Exhibit 1.01; if the Purchaser is a partnership, corporation, limited liability company or other entity, the office or offices of the Purchaser in which its investment decision was made is located at the address or addresses of the Purchaser set forth on Exhibit 1.01.

(h) Brokers' Fees. No Purchaser has taken any action which would give rise to any claim by any other person for any brokerage commissions, finders' fees or the like relating to this Agreement or the transactions contemplated hereby.

(i) Securities Act Restrictions. The acquisition by each Purchaser of the Series A Preferred Shares and the Warrants acquired by it shall constitute a confirmation of the representations and warranties made by each

Edgar Filing: EDISON VENTURE FUND IV LP - Form SC 13D

such Purchaser as at the date of such acquisition. Each of the Purchasers further represents that it understands and agrees that, until registered

under the Securities Act of 1933, as amended (the "Securities Act") or transferred pursuant to the provisions of Rule 144 as promulgated by the Securities and Exchange Commission (the "SEC"), all certificates evidencing any of the Shares or the Warrants shall bear a legend, prominently stamped or printed thereon, reading substantially as follows:

"THE SECURITIES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933 OR APPLICABLE STATE SECURITIES LAWS. THESE SECURITIES HAVE BEEN ACQUIRED FOR INVESTMENT AND NOT WITH A VIEW TO DISTRIBUTION OR RESALE, AND MAY NOT BE SOLD, ASSIGNED MORTGAGED, PLEDGED, HYPOTHECATED OR OTHERWISE TRANSFERRED EXCEPT PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT FOR SUCH SECURITIES UNDER THE SECURITIES ACT OF 1933 AND APPLICABLE STATE SECURITIES LAWS, OR UPON RECEIPT BY THE COMPANY OF AN OPINION OF COUNSEL SATISFACTORY TO THE COMPANY THAT REGISTRATION IS NOT REQUIRED FOR SUCH SALE, TRANSFER OR ASSIGNMENT."

1.08. Purchase Price Allocation. The Company and the Purchasers having adverse interests and as a result of arm's length bargaining, agree that (i) neither the Purchasers nor any of their partners, members or employees has rendered or has agreed to render any services to the Company in connection with this Agreement or the issuance of Warrants; (ii) the Warrants are not being issued as compensation; and (iii) for the purpose, and within the meaning, of Section 1273(c)(2) of the Internal Revenue Code of 1986, as amended (the "Code"), the issue price of the Warrants is \$0.01 per Warrant Share. The Company and the Purchasers acknowledge that this allocation is based on the relative fair market values of the Preferred Shares and Warrants. The Company and the Purchasers recognize that this Agreement determines the original issue discount to be taken into account by the Company and the Purchasers for federal income tax purposes and they agree to adhere to this Agreement for such purposes.

(b) The attached Exhibit 3.01 contains a list of all Subsidiaries of the Company. Except for such Subsidiaries, the Company does not (i) own of record or beneficially, directly or indirectly, (A) any shares of capital stock or securities convertible into capital stock of any other corporation or (B) any participating interest in any partnership, joint venture or other non-corporate business enterprise, or (C) any assets comprising the business or obligations of any other corporation, partnership, joint venture or other non-corporate business enterprise or (ii) control, directly or indirectly, any other entity.

There are no actions, suits, claims, investigations or proceedings pending or, to the knowledge of the Company, threatened (or any basis therefor) which could reasonably be expected to result, either in any case or in the aggregate, in any material adverse effect on the business, operations, affairs or condition (financial or otherwise) of the Company or in its properties or assets taken as a whole, or which directly or indirectly challenge the validity of this Agreement, any of the Shares, or any action taken or to be taken pursuant hereto or thereto (each a "Material Adverse Effect"). The foregoing sentences include, without limiting their generality, actions pending or, to the knowledge of the Company, threatened (or any basis therefor) involving the prior employment of any of the Company's officers or employees or their use in connection with the Company's business of any information or techniques allegedly proprietary to any of their former employers.

5.05. Binding Effect; Assignment. This Agreement shall be binding upon and inure to the benefit of the Company and the Purchasers and their respective heirs, successors and valid assigns, except no party hereto shall have the right to delegate any of its respective obligations hereunder or to assign its respective rights hereunder or any interest herein without the prior written consent of the holders of at least a majority in interest of the Shares.

4. [intentionally omitted]

5. Incidental Registration. If the Company at any time (other than pursuant to Section 6) proposes to register any of its securities under the Securities Act for sale to the public, whether for its own account or for the account of other security holders or both (except with respect to corporate reorganizations, transactions under Rule 145 of the Securities Act or registration statements on Forms S-4, S-8 or another form not available for registering the Restricted Stock for sale to the public), each such time it will give written notice to all holders of outstanding Restricted Stock of its intention so to do. Upon the written request of any such holder, received by the Company within 30 days after the giving of any such notice by the Company,

Investor Rights Agreement - Page 4

to register any of its Restricted Stock, the Company will use its best efforts to cause the Restricted Stock as to which registration shall have been so requested to be included in the securities to be covered by the registration

Edgar Filing: EDISON VENTURE FUND IV LP - Form SC 13D

statement proposed to be filed by the Company, all to the extent requisite to permit the sale or other disposition by the holder of such Restricted Stock so registered. In the event that any registration pursuant to this Section 5 shall be, in whole or in part, an underwritten public offering of Common Stock, the number of shares of Restricted Stock to be included in such an underwriting may be reduced (PRO RATA among the requesting holders based upon the number of shares of Restricted Stock owned by such holders) if and to the extent that the managing underwriter shall be of the opinion that such inclusion would materially adversely affect the offering price of the securities to be sold by the Company therein, PROVIDED, HOWEVER, that such number of shares of Restricted Stock shall not be reduced until all shares to be included in such underwriting for the account of any person other than the Company and the requesting holders of Restricted Stock are first excluded, and PROVIDED, FURTHER, HOWEVER, that in no event may less than twenty percent (20%) of the total number of shares of Common Stock to be included in such underwriting be made available for shares of Restricted Stock unless all other shares are first excluded from such offering and the managing underwriter shall in good faith advise the holders proposing to distribute their securities through such underwriting that such level of participation would, in its opinion, materially adversely affect the offering price and its ability to complete the offering and shall specify the number of shares of Restricted Stock which, in its opinion, can be included in the registration and underwriting without such an effect. The Company shall have the right to terminate or withdraw any registration initiated by it under this Section 5 prior to the effectiveness of such registration whether or not any holder of Restricted Stock has elected to include securities in such registration. The registration expenses of such withdrawn registration shall be borne by the Company in accordance with Section 7 hereof.

6. Registration on Form S-3.

(a) If at any time (i) a holder or holders of Restricted Stock request that the Company file a registration statement on Form S-3 or any successor thereto for a public offering of all or any portion of the shares of Restricted Stock held by such requesting holder or holders which has an anticipated aggregate price to the public (prior to underwriters commissions and discounts) that would exceed \$1,000,000, and (ii) the Company is a registrant entitled to use Form S-3 or any successor thereto to register such shares, then the Company shall use its best efforts to register under the Securities Act on Form S-3 or any successor thereto, for public sale in accordance with the method of disposition specified in such notice, the number of shares of Restricted Stock specified in such notice.

(b) Following receipt of any notice under this Section 6, the Company shall immediately notify all holders of Restricted Stock and Preferred Shares from whom notice has not been received and such holders shall then be entitled within 30 days thereafter to request the Company to include in the requested registration all or any portion of their shares of Restricted Stock. The Company shall use its best efforts to register under the Securities Act, for public sale in accordance with the method of disposition described in paragraph (a) above, the number of shares of Restricted Stock specified in such notice (and in all notices received by the Company from other holders within 30 days after the giving of such notice by the Company).

Investor Rights Agreement - Page 5

(c) The Company shall be entitled to include in any registration statement referred to in this Section 6 shares of Common Stock to be sold by the Company for its own account, except as and to the extent that, in the opinion of the managing underwriter, such inclusion would adversely affect the marketing of the Restricted Stock to be sold. No other shares may be included in such registration statement. Except for registration statements on Form S-4, S-8 or

Edgar Filing: EDISON VENTURE FUND IV LP - Form SC 13D

any successor thereto, the Company will not file with the Commission any other registration statement with respect to its Common Stock, whether for its own account or that of other shareholders, from the date of receipt of a notice from requesting holders requesting sale pursuant to an underwritten offering pursuant to this Section 6 until the completion of the period of distribution of the registration contemplated thereby.

(d) If in the opinion of the managing underwriter the inclusion of all of the Restricted Stock requested to be registered under this Section 6 would adversely affect the marketing of such shares, shares to be sold by the holders of Restricted Stock, if any, shall be excluded only after any shares to be sold by the Company have been excluded, in such manner that the shares to be sold shall be allocated among the selling holders PRO RATA based on their ownership of Restricted Stock.

Notwithstanding anything to the contrary in this Section 6, the Company shall not be required to effect any such registration, qualification or compliance pursuant to this Section 6:

(i) if the Company has, within the six month period preceding the date of such request, already effected a registration on Form S-3 for the holders of Restricted Stock pursuant to this Section 6;

(ii) if the Company shall furnish to the holders of Restricted Stock a certificate signed by the Chairman of the Board stating that in the good faith judgment of the Board of Directors, there exists at the time material non-public information relating to the Company the disclosure of which would be required in such registration statement, and which disclosure would be seriously detrimental to the Company and its shareholders, in which event the Company shall have the right to defer the filing of the Form S-3 registration statement for a period of not more than ninety (90) days after receipt of the request of the holders of Restricted Stock under this Section 6; provided, that such right to delay a request shall be exercised by the Company not more than once in any twelve month period;

(iii) in any particular jurisdiction in which the Company would be required to execute a general consent to service of process in effecting such registration, qualification or compliance (provided the Company has not already executed such a consent or is already qualified to do business in such jurisdiction).

7. Registration Procedures. If and whenever the Company is required by the provisions of Sections 5 or 6 to use its best efforts to effect the registration of any shares of Restricted Stock under the Securities Act, the Company will, as expeditiously as possible:

Investor Rights Agreement - Page 6

(a) prepare and file with the Commission a registration statement with respect to such securities and use its commercially reasonable efforts to cause such registration statement to become and remain effective for the period of the distribution contemplated thereby (determined as hereinafter provided);

(b) prepare and file with the Commission such amendments and supplements to such registration statement and the prospectus used in connection therewith as may be necessary to keep such registration statement effective for the period specified in paragraph (a) above and comply with the provisions of the Securities Act with respect to the disposition of all Restricted Stock covered by such registration statement in accordance with the sellers' intended method of disposition set forth in such registration statement for such period;

Edgar Filing: EDISON VENTURE FUND IV LP - Form SC 13D

(c) furnish to each seller of Restricted Stock and to each underwriter such number of copies of the registration statement and the prospectus included therein (including each preliminary prospectus) as such persons reasonably may request in order to facilitate the public sale or other disposition of the Restricted Stock covered by such registration statement;

(d) use its commercially reasonable efforts to register or qualify the Restricted Stock covered by such registration statement under the securities or "blue sky" laws of such jurisdictions as the sellers of Restricted Stock or, in the case of an underwritten public offering, the managing underwriter reasonably shall request, PROVIDED, HOWEVER, that the Company shall not for any such purpose be required to qualify generally to transact business as a foreign corporation in any jurisdiction where it is not so qualified or to consent to general service of process in any such jurisdiction;

(e) use its commercially reasonable efforts to list the Restricted Stock covered by such registration statement with any securities exchange on which the Common Stock of the Company is then listed;

(f) provide a transfer agent and registrar for all such Restricted Stock, not later than the effective date of such registration statement;

(g) immediately notify each seller of Restricted Stock and each underwriter under such registration statement, at any time when a prospectus relating thereto is required to be delivered under the Securities Act, of the happening of any event of which the Company has knowledge as a result of which the prospectus contained in such registration statement, as then in effect, includes an untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing. The holders of Restricted Stock covered by such registration statement agree upon receipt of such notice forthwith to cease making offers and sales of Restricted Stock pursuant to such registration statement or deliveries of the prospectus contained therein for any purpose until the Company has prepared and furnished such amendment or supplement to the prospectus as may be necessary so that, as thereafter delivered to purchasers of such Restricted Stock, such prospectus shall not include any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances then existing. The Company shall use

Investor Rights Agreement - Page 7

best efforts to prepare and furnish such amendment or supplement to the prospectus within a commercially reasonable period of time;

(h) use its best efforts to furnish on the date that such Restricted Stock is delivered to the underwriters for sale, if such securities are being sold through underwriters: (i) an opinion, dated such date, of the counsel representing the Company for the purposes of such registration, in form and substance as is customarily given to underwriters in an underwritten public offering, addressed to the underwriters and to such seller and (ii) a letter dated as of such date from the independent certified public accountants of the Company, in form and substance as is customarily given by the independent certified public accountants to underwriters in an underwritten public offering addressed to the underwriters and to such seller;

(i) make available for inspection by each seller of Restricted Stock, any underwriter participating in any distribution pursuant to such

Edgar Filing: EDISON VENTURE FUND IV LP - Form SC 13D

registration statement, and any attorney, accountant or other agent retained by such seller or underwriter, all financial and other records, pertinent corporate documents and properties of the Company, and cause the Company's officers, directors and employees to supply all information reasonably requested by any such seller, underwriter, attorney, accountant or agent in connection with such registration statement, except that the Company may refuse to provide such information or access to any person that the Board of Directors reasonably concludes is a competitor of the Company;

(j) advise each selling holder of Restricted Stock, promptly after it shall receive notice or obtain knowledge thereof, of the issuance of any stop order by the Commission suspending the effectiveness of such registration statement or the initiation or threatening of any proceeding for such purpose and promptly use all reasonable efforts to prevent the issuance of any stop order or to obtain its withdrawal if such stop order should be issued;

(k) cooperate with the selling holders of Restricted Stock and the managing underwriters, if any, to facilitate the timely preparation and delivery of certificates representing Restricted Stock to be sold, such certificates to be in such denominations and registered in such names as such holders or the managing underwriters may request at least two business days prior to any sale of Restricted Stock; and

(l) permit Edison Venture Fund IV, L.P. ("Edison") or any affiliate or limited partner of Edison that is a holder of Restricted Stock which holder, in the sole and exclusive judgment, exercised in good faith, of such holder, might be deemed to be a controlling person of the Company, to participate in good faith in the preparation of such registration or comparable statement and to require the insertion therein of material, furnished to the Company in writing, which in the reasonable judgment of such holder and its counsel should be included, subject to review by the Company and its counsel after consultation with such holder.

For purposes of Section 7(a) and 7(b) and of Section 6(c), the period of distribution of Restricted Stock in a firm commitment underwritten public offering shall be deemed to extend until each underwriter has completed the distribution of all securities purchased by it, and the period of distribution of Restricted Stock in any other registration shall be deemed to extend until

Investor Rights Agreement - Page 8

the earlier of the sale of all Restricted Stock covered thereby and 120 days after the effective date thereof.

In connection with each registration hereunder, the sellers of Restricted Stock will furnish to the Company in writing such information with respect to themselves and the proposed distribution by them as reasonably shall be necessary in order to assure compliance with federal and applicable state securities laws.

In connection with each registration pursuant to Sections 5 or 6 covering an underwritten public offering, the Company and each seller agree to enter into a written agreement with the managing underwriter selected in the manner herein provided in such form and containing such provisions as are customary in the securities business for such an arrangement between such underwriter and companies of the Company's size and investment stature.

8. Assignment of Registration Rights. The registration rights of holders of Restricted Stock pursuant to Sections 5 and 6 hereof may be assigned by a holder to a transferee or assignee of Restricted Stock which (a) is a subsidiary, parent, general partner, limited partner, retired partner, member,

Edgar Filing: EDISON VENTURE FUND IV LP - Form SC 13D

retired member or affiliate of such holder, (b) is a holder's immediate family member or a trust for the benefit of an individual holder or immediate family members, or (c) acquires at least 25% of the Restricted Stock held by the transferring holder (as adjusted for stock splits and the like); PROVIDED, HOWEVER, (i) the transferor shall, within ten (10) days after such transfer, furnish to the Company written notice of the name and address of such transferee or assignee and the securities with respect to which such registration rights are being assigned, and (ii) such transferee shall agree to be subject to all restrictions set forth in this Agreement.

9. Expenses. All expenses incurred by the Company in complying with Sections 5 and 6, including, without limitation, all registration and filing fees, printing expenses, fees and disbursements of counsel and independent public accountants for the Company, fees and expenses (including counsel fees) incurred in connection with complying with state securities or "blue sky" laws, fees of the National Association of Securities Dealers, Inc., transfer taxes, fees of transfer agents and registrars, costs of insurance, and fees and disbursements of one counsel for the sellers of Restricted Stock, but excluding any Selling Expenses, are called "Registration Expenses". All underwriting discounts and selling commissions applicable to the sale of Restricted Stock are called "Selling Expenses". The Company shall not, however, be required to pay for Registration Expenses regarding any registration proceeding begun pursuant to Section 6, the request of which has been subsequently withdrawn by the holders of Restricted Stock making such request (and such holders will indemnify the Company against all such reasonable Registration Expenses) unless (a) the withdrawal is based upon material adverse information concerning the Company (including a material drop in the market price of the Company's Common Stock) of which such holders of Restricted Stock were not aware at the time of such request, or (b) such holders of Restricted Stock agree to forfeit their right to one requested registration pursuant to Section 6, in which event such right shall be forfeited by all holders of Restricted Stock. If the holders of Restricted Stock are required to pay the Registration Expenses, such expenses shall be borne by the holders of securities (including Restricted Stock) requesting such registration in proportion to the number of shares for which registration was requested.

Investor Rights Agreement - Page 9

The Company will pay all Registration Expenses in connection with each registration statement under Sections 5 or 6. All Selling Expenses in connection with each registration statement under Sections 5 or 6 shall be borne by the participating sellers in proportion to the number of shares sold by each, or by such participating sellers other than the Company (except to the extent the Company shall be a seller) as they may agree.

10. Indemnification and Contribution.

(a) In the event of a registration of any of the Restricted Stock under the Securities Act pursuant to Sections 5 or 6, the Company will indemnify and hold harmless each seller of such Restricted Stock thereunder, each underwriter of such Restricted Stock thereunder and each other person, if any, who controls such seller or underwriter within the meaning of the Securities Act, against any losses, claims, damages or liabilities, joint or several, to which such seller, underwriter or controlling person may become subject under the Securities Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in any registration statement under which such Restricted Stock was registered under the Securities Act pursuant to Sections 5 or 6, any preliminary prospectus or final prospectus contained therein, or any amendment or supplement thereof, or arise out of or are based upon the omission or alleged omission to state

Edgar Filing: EDISON VENTURE FUND IV LP - Form SC 13D

therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and will reimburse each such seller, each such underwriter and each such controlling person for any legal or other expenses reasonably incurred by them in connection with investigating or defending any such loss, claim, damage, liability or action, PROVIDED, HOWEVER, that the indemnity agreement contained in this Section 10(a) shall not apply to amounts paid in settlement of any such loss, claim, damage, liability or action if such settlement is effected without the consent of the Company; and PROVIDED, FURTHER, HOWEVER, that the Company will not be liable in any such case if and to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission so made in conformity with information furnished by any such seller (or such seller's partner, officer, director, or controlling person), any such underwriter or any such controlling person in writing specifically for use in such registration statement or prospectus.

(b) In the event of a registration of any of the Restricted Stock under the Securities Act pursuant to Sections 5 or 6, each seller of such Restricted Stock thereunder, severally and not jointly, will indemnify and hold harmless the Company, each person, if any, who controls the Company within the meaning of the Securities Act, each officer of the Company who signs the registration statement, each director of the Company, each underwriter and each person who controls any underwriter within the meaning of the Securities Act, against all losses, claims, damages or liabilities, joint or several, to which the Company or such officer, director, underwriter or controlling person may become subject under the Securities Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in the registration statement under which such Restricted Stock was registered under the Securities Act pursuant to Sections 5 or 6, any preliminary prospectus or final prospectus contained therein,

Investor Rights Agreement - Page 10

or any amendment or supplement thereof, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and will reimburse the Company and each such officer, director, underwriter and controlling person for any legal or other expenses reasonably incurred by them in connection with investigating or defending any such loss, claim, damage, liability or action, PROVIDED, HOWEVER, that the indemnity agreement contained in this Section 10(b) shall not apply to amounts paid in settlement of any such loss, claim, damage, liability or action if such settlement is effected without the consent of the each seller; PROVIDED, FURTHER, HOWEVER that such seller will be liable hereunder in any such case if and only to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in reliance upon and in conformity with information pertaining to such seller, as such, furnished in writing to the Company by such seller specifically for use in such registration statement or prospectus, and PROVIDED, FINALLY, HOWEVER, that the liability of each seller hereunder shall be limited to the net proceeds received by such seller from the sale of Restricted Stock covered by such registration statement.

(c) Promptly after receipt by an indemnified party hereunder of notice of the commencement of any action, such indemnified party shall, if a claim in respect thereof is to be made against the indemnifying party hereunder, notify the indemnifying party in writing thereof, but the omission so to notify the indemnifying party shall not relieve it from any liability which it may have to such indemnified party other than under this Section 10 and shall only relieve it from any liability which it may have to such indemnified party under

Edgar Filing: EDISON VENTURE FUND IV LP - Form SC 13D

this Section 10 if and to the extent the indemnifying party is prejudiced by such omission. In case any such action shall be brought against any indemnified party and it shall notify the indemnifying party of the commencement thereof, the indemnifying party shall be entitled to participate in and, to the extent it shall wish, to assume and undertake the defense thereof with counsel reasonably satisfactory to such indemnified party, and, after notice from the indemnifying party to such indemnified party of its election so to assume and undertake the defense thereof, the indemnifying party shall not be liable to such indemnified party under this Section 10 for any legal expenses subsequently incurred by such indemnified party in connection with the defense thereof other than reasonable costs of investigation and of liaison with counsel so selected, PROVIDED, HOWEVER, that, if the defendants in any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that there may be reasonable defenses available to it which are different from or additional to those available to the indemnifying party or if the interests of the indemnified party reasonably may be deemed to conflict with the interests of the indemnifying party, the indemnified party shall have the right to select a separate counsel and to assume such legal defenses and otherwise to participate in the defense of such action, with the expenses and fees of such separate counsel and other expenses related to such participation to be reimbursed by the indemnifying party as incurred.

(d) In order to provide for just and equitable contribution to joint liability under the Securities Act in any case in which either (i) any holder of Restricted Stock exercising rights under this Agreement, or any controlling person of any such holder, makes a claim for indemnification pursuant to this Section 10 but it is judicially determined (by the entry of a final judgment or decree by a court of competent jurisdiction and the expiration of time to appeal or

Investor Rights Agreement - Page 11

the denial of the last right of appeal) that such indemnification may not be enforced in such case notwithstanding the fact that this Section 10 provides for indemnification in such case, or (ii) contribution under the Securities Act may be required on the part of any such selling holder or any such controlling person in circumstances for which indemnification is provided under this Section 10; then, and in each such case, the Company and such holder will contribute to the aggregate losses, claims, damages or liabilities to which they may be subject (after contribution from others) in such proportion so that such holder is responsible for the portion represented by the percentage that the public offering price of its Restricted Stock offered by the registration statement bears to the public offering price of all securities offered by such registration statement, and the Company is responsible for the remaining portion; PROVIDED, HOWEVER, that, in any such case, (A) no such holder will be required to contribute any amount in excess of the public offering price of all such Restricted Stock offered by it pursuant to such registration statement; and (B) no person or entity guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) will be entitled to contribution from any person or entity who was not guilty of such fraudulent misrepresentation.

(e) The obligations of the Company and holders of Restricted Stock under this Section 10 shall survive completion of any offering which includes Restricted Stock in a registration statement and the termination of this Agreement. No indemnifying party, in the defense of any such claim or litigation, shall, except with the consent of each indemnified party, consent to the entry of any judgment or enter into any settlement which does not include as an unconditional term thereof the giving by the claimant or plaintiff to such indemnified party of a general release from all liability in respect to such claim or litigation.

11. Changes in Common Stock or Preferred Stock. If, and as often as, there is any change in the Common Stock or the Preferred Stock by way of a stock split, stock dividend, combination or reclassification, or through a merger, consolidation, reorganization or recapitalization, or by any other means, appropriate adjustment shall be made in the provisions hereof so that the rights and privileges granted hereby shall continue with respect to the Common Stock and the Preferred Stock as so changed.

12. Rule 144 Reporting. With a view to making available the benefits of certain rules and regulations of the Commission which may at any time permit the sale of the Restricted Stock to the public without registration, at all times after 90 days after any registration statement covering a public offering of securities of the Company under the Securities Act shall have become effective, the Company agrees to:

(a) make and keep public information available, as those terms are understood and defined in Rule 144 under the Securities Act;

(b) use its best efforts to file with the Commission in a timely manner all reports and other documents required of the Company under the Securities Act and the Exchange Act; and

(c) so long as a holder owns any Restricted Stock, furnish to each holder of Restricted Stock forthwith upon request a written statement by the Company as to its compliance

Investor Rights Agreement - Page 12

with the reporting requirements of such Rule 144 and of the Securities Act and the Exchange Act, a copy of the most recent annual or quarterly report of the Company, and such other reports and documents so filed by the Company as such holder may reasonably request in availing itself of any rule or regulation of the Commission allowing such holder to sell any Restricted Stock without registration.

13. Right of First Refusal

(a) Right of First Refusal. The Company shall not issue, sell or exchange, agree or obligate itself to issue, sell or exchange any (i) shares of Common Stock, (ii) any other equity security of the Company, including without limitation, Preferred Shares, (iii) any debt security of the Company (other than debt with no equity feature) including without limitation, any debt security which by its terms is convertible into or exchangeable for any equity security of the Company, (iv) any security of the Company that is a combination of debt and equity, or (v) any option, warrant or other right to subscribe for, purchase or otherwise acquire any such equity security or any such debt security of the Company, unless in each case the Company shall have first offered to sell such securities (the "Offered Securities") to the Investors (each an "Offeree" and collectively, the "Offerees") as follows: Each Offeree shall have the right to purchase (x) that portion of the Offered Securities as the number of shares of Restricted Stock then held by such Offeree bears to the total number of shares of Restricted Stock held on such date by all Offerees (the "Basic Amount"), and (y) such additional portion of the Offered Securities as such Offeree shall indicate it will purchase should the other Offerees subscribe for less than their Basic Amounts (the "Undersubscription Amount"), at a price and on such other terms as shall have been specified by the Company in writing delivered to such Offeree (the "Offer"), which Offer by its terms shall remain open and irrevocable for a period of twenty (20) days from receipt of the offer.

(b) Notice of Acceptance. Notice of each Offeree's intention to

Edgar Filing: EDISON VENTURE FUND IV LP - Form SC 13D

accept, in whole or in part, any Offer made pursuant to Section 13(a) shall be evidenced by a writing signed by such Offeree and delivered to the Company prior to the end of the 20-day period of such offer, setting forth such of the Offeree's Basic Amount as such Offeree elects to purchase and, if such Offeree shall elect to purchase all of its Basic Amount, such Undersubscription Amount as such Offeree shall elect to purchase (the "Notice of Acceptance"). If the Basic Amounts subscribed for by all Offerees are less than the total Offered Securities, then each Offeree who has set forth Undersubscription Amounts in its Notice of Acceptance shall be entitled to purchase, in addition to the Basic Amounts subscribed for, all Undersubscription Amounts it has subscribed for; PROVIDED, HOWEVER, that should the Undersubscription Amounts subscribed for exceed the difference between the Offered Securities and the Basic Amounts subscribed for (the "Available Undersubscription Amount"), each Offeree who has subscribed for any Undersubscription Amount shall be entitled to purchase only that portion of the Available Undersubscription Amount as the Undersubscription Amount subscribed for by such Offeree bears to the total Undersubscription Amount subscribed for by all Offerees, subject to rounding by the Board of Directors to the extent it reasonably deems necessary.

Investor Rights Agreement - Page 13

(c) Conditions to Acceptances and Purchase.

(i) Permitted Sales of Refused Securities. In the event that Notices of Acceptance are not given by the Offerees in respect of all the Offered Securities, the Company shall have ninety (90) days from the expiration of the period set forth in Section 13(a) to close the sale of all or any part of such Offered Securities as to which a Notice of Acceptance has not been given by the Offerees (the "Refused Securities") to the Person or Persons specified in the Offer, but only in all respects upon terms and conditions, including, without limitation, unit price and interest rates, which are no more favorable, in the aggregate, to such other Person or Persons or less favorable to the Company than those set forth in the Offer.

(ii) Reduction in Amount of Offered Securities. In the event the Company shall propose to sell less than all the Refused Securities (any such sale to be in the manner and on the terms specified in Section 13(c)(i) above), then each Offeree may, at its sole option and in its sole discretion, reduce the number of, or other units of the Offered Securities specified in its respective Notices of Acceptance to an amount which shall be not less than the amount of the Offered Securities which the Offeree elected to purchase pursuant to Section 13(b) multiplied by a fraction, (i) the numerator of which shall be the amount of Offered Securities which the Company actually proposes to sell, and (ii) the denominator of which shall be the amount of all Offered Securities. In the event that any Offeree so elects to reduce the number or amount of Offered Securities specified in its respective Notices of Acceptance, the Company may not sell or otherwise dispose of more than the reduced amount of the Offered Securities until such securities have again been offered to the Offerees in accordance with Section 13(a).

(iii) Closing. Upon the closing of the sale to such other Person or Persons of all or less than all the Refused Securities, the Offerees shall purchase from the Company, and the Company shall sell to the Offerees, the number of Offered Securities specified in the Notices of Acceptance, as reduced pursuant to Section 13(c)(ii) if the Offerees have so elected, upon the terms and conditions specified in the Offer. The purchase by the Offerees of any Offered Securities is subject in all cases to the preparation, execution and delivery by the Company and the Offerees of a purchase agreement relating to such Offered Securities reasonably satisfactory in form and substance to the Offerees and their respective counsel.

Edgar Filing: EDISON VENTURE FUND IV LP - Form SC 13D

(e) Waiver of Right of First Refusal. The rights of the Investors pursuant to this Section 13 may be waived as to all of such Investors by the affirmative vote or written consent of holders of at least a majority in interest of the then outstanding Restricted Stock, and any such waiver shall be binding on all Investors, even if any of such Investors do not execute such waiver and irrespective of whether one or more Investors participates in the purchase of the Offered Securities.

SHAREHOLDERS AGREEMENT made this 5th day of September, 2001 by and among (i) FASTNET CORPORATION, a Pennsylvania corporation (the "Company"), (ii) holders of Common Stock or options to acquire Common Stock whose names are set forth under the heading "Holders" on Schedule I hereto and each person who shall, after the date hereof, join in and become a party to this Agreement by executing and delivering to the Company an Instrument of Accession in the form of Schedule II hereto (the persons described in this clause (ii) such persons being referred to collectively as the "Holders" and singularly as a "Holder") and (iii) those persons whose names are set forth under the heading "Investors" on Schedule I hereto (the persons described in this clause (iii) being referred to collectively as the "Investors").

WITNESSETH:

WHEREAS, the Holders currently own collectively 8,860,333 shares of the Common Stock, no par value (the "Common Stock"), of the Company; and

Edgar Filing: EDISON VENTURE FUND IV LP - Form SC 13D

WHEREAS, the Investors are acquiring an aggregate of up to 5,494,505 shares of the Company's Series A Convertible Preferred Stock, no par value (the "Preferred Stock"), of the Company pursuant to a certain Series A Convertible Preferred Stock Purchase Agreement dated as of the date hereof, by and among the Investors and the Company (the "Purchase Agreement"). Capitalized terms used by not defined herein shall have the meaning set forth in the Purchase Agreement.

NOW, THEREFORE, in consideration of the mutual covenants herein contained and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, intending to be legally bound hereby, the Company, the Holders and the Investors agree as follows:

1. Prohibited Transfers. The Holders shall not sell, assign, transfer, pledge, hypothecate, mortgage or dispose of, by gift or otherwise, or in any way encumber, all or any part of the Shares (as hereinafter defined) owned by them except in compliance with the terms of this Agreement. For purposes of this Agreement, the term "Shares" shall mean and include all shares of Common Stock and Preferred Stock of the Company owned by the Holders, whether presently held or hereafter acquired. The Company shall not transfer on its books any shares of its capital stock which are subject to this Agreement unless the provisions hereof have been complied with in full. Any purported transfer by a Holder of capital stock of the Company without full compliance with the provisions of this Agreement shall be null and void.

2. Right of First Refusal on Dispositions by the Holders. If at any time any of the Holders wishes to sell, assign, transfer or otherwise dispose of any or all Shares owned by him pursuant to the terms of a bona fide offer received from a third party, he shall submit a written offer to sell such Shares to the Company and the Investors on terms and conditions, including price, not less favorable to the Company than those on which he proposes to sell such Shares to such third party (the "Offer"). The Offer shall disclose the identity of the proposed purchaser or

Shareholders Agreement - Page 2

transferee, the Shares proposed to be sold or transferred, the agreed terms of the sale or transfer, including price, and any other material facts relating to the sale or transfer. Within fifteen (15) days after receipt of the Offer, the Company shall give notice to the Holder of its intent to purchase all or any portion of the offered Shares on the same terms and conditions as set forth in the Offer. If, for any reason whatever, the Company shall not exercise its right to purchase all of the offered Shares as provided herein, then each of the Investors shall have the right to purchase, on the same terms and conditions set forth in the Offer, that portion of the offered Shares which the Company shall not have agreed to purchase from the Holder (all such remaining shares being referred to as the "Remaining Offered Shares") to be determined in the manner set forth herein. Each Investor shall have the right to purchase that number of the Remaining Offered Shares as shall be equal to the aggregate Remaining Offered Shares multiplied by a fraction, the numerator of which is the number of shares of Stock (as defined below) of the Company then owned by such Investor and the denominator of which is the aggregate number of shares of said Stock then issued and outstanding and held by all the Investors. The amount of Shares each Investor or Qualified Transferee, as that term is defined below, is entitled to purchase under this Section 2 shall be referred to as such Investor's "Pro Rata Fraction." Each Investor shall have the right to transfer his right to any Pro Rata Fraction or part thereof to any Qualified Transferee. In the event an Investor does not wish to purchase or to transfer his right to purchase his Pro Rata Fraction, then any Investors who so elect shall have the right to purchase, on a PRO RATA basis with any other Investors who so elect, any Pro Rata Fraction not purchased by an Investor or Qualified Transferee. Each Investor shall act upon the Offer as soon as practicable after receipt from the

Edgar Filing: EDISON VENTURE FUND IV LP - Form SC 13D

Company of notice that it has not elected to purchase all of the offered Shares, and in all events within fifteen (15) days after receipt thereof. Each Investor shall have the right to accept the Offer as to all or part of the Remaining Offered Shares offered thereby. In the event that an Investor shall elect to purchase all or part of the Remaining Offered Shares covered by the Offer, said Investor shall individually communicate in writing such election to purchase to whichever of the Holders has made the Offer, which communication shall be delivered by hand or mailed to such Holder at the address set forth in Section 7 below and shall, when taken in conjunction with the Offer be deemed to constitute a valid, legally binding and enforceable agreement for the sale and purchase of the Shares covered thereby.

In the event that the Company and the Investors, taken together, do not purchase all of the Shares offered by a Holder pursuant to the Offer within 45 days after the Offer is delivered to the Company, such unsold Shares may be sold by such Holder at any time within the 90-day period thereafter, but subject to the provisions of Section 3 below. Any such sale shall be at not less than the price and upon other terms and conditions, if any, not more favorable to the purchaser than those specified in the Offer. Any Shares not sold within such 90-day period shall continue to be subject to the requirements of a prior offer and re-sale pursuant to this Section.

For the purposes of this Agreement, "Stock" shall mean and include all shares of Common Stock, and all other securities of the Company (including the Preferred Stock) which may be exchangeable for, convertible into or issued in exchange for or in respect of shares of Common Stock (whether by way of stock split, stock dividends, combination, reclassification, reorganization or any other means); references to "shares of Stock" shall mean shares of Stock on an as-converted and as-exchanged for Common Stock basis. For purposes of this Section 2, a "Qualified Transferee" of an Investor shall mean any person (i) who is an Investor, (ii) who is an

Shareholders Agreement - Page 3

"affiliated person" of an Investor, as that term is defined in the Investment Company Act of 1940 or (iii) who is a partner of an Investor.

3. Right of Participation in Sales by Holders. If at any time any Holder wishes to sell, or otherwise dispose of any Shares owned by him to any person (the "Purchaser") in a transaction which is subject to the provisions of Section 2 hereof and subject to the exercise of rights under such Section 2, each Investor shall have the right to require, as a condition to such sale or disposition, that the Purchaser purchase from each of the Holder and such Investors at the same price per Share and on the same terms and conditions as involved in such sale or disposition by the Holder a number of shares of Stock based upon a fraction, the numerator of which is the number of shares of Stock of the Company then owned by the Holder or such participating Investor, as applicable, and the denominator of which is the aggregate number of shares of Stock held by the Holder and all participating Investors. Each Investor wishing so to participate in any such sale or disposition shall notify the selling Holder of such intention as soon as practicable after receipt of the Offer made pursuant to Section 2, and in all events within fifteen (15) days after receipt thereof. In the event that an Investor shall elect to participate in such sale or disposition, said Investor shall individually communicate such election to the selling Holder, which communication shall be delivered by hand or mailed to such Holder at the address set forth in Section 7 below. The Holder and/or each participating Investor shall sell to the Purchaser all, or at the option of the Purchaser, any part of the Stock proposed to be sold by them at not less than the price and upon other terms and conditions, if any, not more favorable to the Purchaser than those originally offered; PROVIDED, HOWEVER, that any purchase of less than all of such Stock by the Purchaser shall be made from the Holder
