PROXY STATEMENT

ABOUT THE ANNUAL MEETING

Who Is Soliciting My Vote?

The Board of Directors of j2 Global, Inc. is soliciting your vote at the 2017 Annual Meeting of j2 Global's stockholders (the "Annual Meeting"). In this proxy statement, j2 Global, Inc. is referred to as "j2 Global," the "Company," "we," "us" and "our."

What Will I Be Voting On?

1. A proposal to elect six members to the j2 Global Board of Directors (see page 6);
2. A proposal to ratify the appointment of BDO USA, LLP ("BDO") to serve as j2 Global's independent auditors for fiscal 2017 (see page 9);
3. A proposal to provide an advisory vote on the compensation of j2 Global's named executive officers (see page 10); and
4. A proposal to provide an advisory vote on the frequency of future advisory votes of the compensation of j2 Global's named executive officers (see page 11).

How Many Votes Do I Have?

You will have one vote for every share of j2 Global common stock you owned at the close of business on March 10, 2017 (the "record date").

How Many Votes Can Be Cast By All Stockholders?

48,189,642 votes can be cast, which represents the total number of shares of j2 Global common stock that were outstanding and eligible to vote on the record date.

How Many Votes Must Be Present to Hold the Annual Meeting?

A majority of the votes that can be cast must be present to hold the meeting, or 24,094,822 votes. We urge you to vote by proxy even if you plan to attend the Annual Meeting so that we will know as soon as possible that enough votes will be present for us to hold the Annual Meeting.

What is the Required Vote to Approve Each Proposal?

For Proposal 1 – Election of Directors – to be elected to the j2 Global Board of Directors, each of the six nominees must receive the affirmative vote of the majority of shares of j2 Global common stock present or represented by proxy and voting at the Annual Meeting (meaning the number of shares voted "for" a nominee must exceed the number of shares voted "against" such nominee). If the votes cast "for" a nominee do not exceed the votes cast "against" a nominee, pursuant to our Corporate Governance Guidelines, the nominee must promptly tender his resignation for consideration by the Company's Corporate Governance and Nominating Committee, which will recommend to the Board of Directors the action to be taken.

For Proposal 2 – Ratification of Selection of Independent Auditors and Proposal 3 – Advisory Vote on the Compensation of the Named Executive Officers, approval requires the affirmative vote of holders of a majority of shares of j2 Global common stock present in person or represented by proxy and entitled to vote at the Annual Meeting.

For Proposal 4 – Advisory Vote on the Frequency of Future Advisory Votes on the Compensation of the Named Executive Officers – will be determined by the number of years receiving the highest number of votes, whether or not such number of votes represents a majority of the votes cast.

Why Did I Receive a One-Page Notice in the Mail Regarding the Internet Availability of Proxy Materials Instead of a Full Set of Proxy Materials?

Pursuant to rules adopted by the Securities and Exchange Commission (the "SEC"), we have elected to provide access to our proxy materials over the Internet. Accordingly, we are sending a Notice of Internet Availability of Proxy Materials (the "Notice") to our stockholders of record and beneficial owners. All stockholders will have the ability to access the proxy materials on the website referred to in the Notice or request to receive a printed set of the proxy materials. Instructions on how to access the proxy materials over the Internet or to request a printed copy may be found in the Notice. In addition, stockholders may request to receive proxy materials in printed form by mail or electronically by email on an ongoing basis.

How Can I Get Electronic Access to the Proxy Materials?

The Notice provides you with instructions regarding how to:

- View our proxy materials for the Annual Meeting on the Internet; and
- Instruct us to send future proxy materials to you electronically by email.

Choosing to receive future proxy materials by email will save us the cost of printing and mailing documents to you and will reduce the impact of our annual meetings on the environment. If you choose to receive future proxy materials by email, you will receive an email next year with instructions containing a link to those materials and a link to the proxy voting site. Your election to receive proxy materials by email will remain in effect until you terminate it.

The Notice, proxy statement, proxy card and the 2016 Annual Report are available at www.proxyvote.com.

How Can I Obtain Paper or Email Copies of Proxy Materials?

The Notice contains a toll-free telephone number, an email address, and a website where stockholders can request a paper or an email copy of the proxy statement, proxy card and the 2016 Annual Report. These proxy materials are available free of charge.

Can I Vote My Shares by Filling Out and Returning the Notice?

No. The Notice identifies the items to be voted on at the Annual Meeting, but you cannot vote by marking the Notice and returning it. The Notice provides instructions on how to vote by Internet or how to request a paper proxy card.

How Do I Vote?

If you are a stockholder of record, you can vote either in person at the Annual Meeting, by proxy without attending the Annual Meeting or as otherwise provided in this mailing. You can vote by proxy over the Internet by following the instructions provided in the Notice, or, if you requested to receive printed proxy materials, you can also vote by mail or telephone pursuant to instructions provided on the proxy card.

If you own your j2 Global stock through a bank or broker, you may also vote by proxy over the Internet by following the instructions provided in the Notice, or, if you requested to receive printed proxy materials, you can also vote by telephone or mail by following the instructions that the broker or nominee provides to you.

If you want to vote in person at the Annual Meeting and you hold your j2 Global stock through a bank or broker (that is, in street name), you must obtain a proxy from your bank or broker and bring that proxy to the Annual Meeting.

Can I Revoke My Proxy?

Yes. If you are a stockholder of record, just send in a new proxy card with a later date or send a written notice of revocation to j2 Global's Secretary at 6922 Hollywood Boulevard, Suite 500, Los Angeles, California 90028. If you own your j2 Global stock through a bank or broker, follow the instructions provided by your bank or broker. In addition, if you are a stockholder of record, attend the Annual Meeting and want to vote in person, you can request that your previously submitted proxy not be used. Attendance at the Annual Meeting will not by itself revoke a proxy.

What If I Vote "Abstain"?

Abstentions are counted as votes present for purposes of determining whether a quorum exists for the transaction of business at the Annual Meeting. An abstention has no effect on the outcome of Proposal 1 – Election of Directors or Proposal 4 – Advisory Vote on the Frequency of Future Advisory Votes on the Compensation of the Named Executive Officers. An abstention has the same effect as a vote against Proposal 2 – Ratification of Selection of Independent Auditors and Proposal 3 – Advisory Vote on the Compensation of the Named Executive Officers.

What if I Don't Provide Specific Voting Instructions?

If you are a stockholder of record and return a proxy card without indicating your vote, your shares will be voted FOR the director nominees listed on the card, FOR ratification of the appointment of BDO as j2 Global's independent auditors, FOR approval of an advisory resolution approving the compensation paid to j2 Global's named executive officers, FOR a frequency of ONE YEAR for holding future advisory stockholder votes to approve named executive officer compensation and otherwise in accordance with the judgment of the person or persons voting the proxy on any other matter properly brought before the Annual Meeting.

If you are the beneficial owner of shares held in street name and do not instruct your bank or broker how to vote your shares, your bank or broker will not be able to vote your shares on certain matters scheduled to come before the Annual Meeting. Your broker is not permitted to vote your uninstructed shares on Proposal 1 – Election of Directors, Proposal 3 – Advisory Vote on the Compensation of the Named Executive Officers or Proposal 4 – Advisory Vote on the Frequency of Future Advisory Votes on the Compensation of the Named Executive Officers. Thus, if you hold your shares in street name and you do not instruct your bank or broker how to vote with respect to the aforementioned proposals, no votes will be cast on your behalf on such proposals. Your broker will, however, continue to have discretion to vote any uninstructed shares on Proposal 2 – Ratification of Selection of Independent Auditors.

If your bank or broker does not have discretion to vote your shares held in street name on a particular proposal and you don't give your broker instructions on how to vote your shares, or your broker has such discretion but does not exercise it, the votes will be broker non-votes, which will be counted for purposes of determining whether a quorum is present for transaction of business at the Annual Meeting. Broker non-votes will have no effect on the vote for Proposal 1 – Election of Directors, Proposal 2 – Ratification of Selection of Independent Auditors, Proposal 3 – Advisory Vote on the Compensation of the Named Executive Officers or Proposal 4 – Advisory Vote on the Frequency of Future Advisory Votes on the Compensation of the Named Executive Officers.

If you are the owner of record, and you do not vote your shares held in your name, your shares will not be counted as present for purposes of determining whether a quorum exists for transaction of business at the Annual Meeting, and no votes will be cast on your behalf on any of the items of business at the Annual Meeting.

What Happens if the Annual Meeting is Postponed or Adjourned?

Your proxy will still be good and may be voted at the postponed or adjourned meeting. You will still be able to change or revoke your proxy until it is voted.

Who Can I Contact if I Have Questions Concerning the Annual Meeting?

If you have any further questions about voting your shares or attending the Annual Meeting, or wish to obtain directions to the Annual Meeting, please call or email j2 Global's Investor Relations Department at (323) 657-5371 or investor@j2global.com.

PROPOSAL 2 — RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS

General

The Audit Committee of the Board of Directors has selected BDO as independent auditors for j2 Global for the fiscal year ending December 31, 2017. BDO has served as j2 Global's independent auditors since May 9, 2014. Notwithstanding the ratification of BDO as j2 Global's independent auditors, the Audit Committee, in its discretion, may direct appointment of new independent auditors at any time during the year if the Audit Committee believes that such a change would be in the best interests of j2 Global and its stockholders. In addition, if the stockholders do not ratify the appointment of BDO, the Audit Committee will consider the appointment of other independent auditors, but is not required to do so. Representatives of BDO are expected to be present at the Annual Meeting and available to respond to appropriate questions. Those representatives will have the opportunity to make a statement if they wish to do so.

Vote Required

Ratification of BDO as j2 Global's independent auditors for the fiscal year ending December 31, 2017, requires the affirmative vote of the holders of a majority of shares of j2 Global common stock present or represented and entitled to vote at the Annual Meeting.

THE j2 GLOBAL BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" PROPOSAL 2 – RATIFICATION OF SELECTION OF BDO AS j2 GLOBAL'S INDEPENDENT AUDITORS.

PROPOSAL 3 — ADVISORY VOTE ON THE COMPENSATION OF THE NAMED EXECUTIVE OFFICERS

j2 Global is seeking approval of an advisory resolution on the compensation of its named executive officers, as reported in this proxy statement. As described below in the "Compensation Discussion and Analysis" section of this proxy statement, the Compensation Committee has structured j2 Global's executive compensation program to link compensation to continuous improvements in corporate performance and increase in stockholder value. j2 Global's executive compensation program goals include the following:

- to establish pay levels that attract, retain and motivate highly qualified executive officers, while considering the overall market competitiveness for such executive talent and balancing the relationship between total stockholder return and direct compensation;
- to align executive officer remuneration with the interests of the stockholders;
- to recognize superior individual performance;
- to balance base and incentive compensation to complement j2 Global's annual and longer-term business objectives and strategies and encourage the fulfillment of those objectives and strategies through executive officer performance; and
- to provide compensation opportunities based on j2 Global's performance.

j2 Global urges stockholders to read the "Compensation Discussion and Analysis" beginning on page 24 of this proxy statement, which describes in more detail how j2 Global's executive compensation policies and procedures operate and are designed to achieve its compensation goals, as well as the Summary Compensation Table and other related compensation tables and narrative, appearing on pages 33 through 39, which provide detailed information on the compensation of j2 Global's named executive officers. The Compensation Committee and the Board of Directors believe that the policies and procedures articulated in the "Compensation Discussion and Analysis" are effective in achieving j2 Global's goals, and that the compensation of the named executive officers reported in this proxy statement has contributed to the Company's recent and long-term success.

In accordance with Section 14A of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), j2 Global is asking stockholders to approve the following advisory resolution at the 2017 Annual Meeting of Stockholders:

RESOLVED, that the stockholders of j2 Global, Inc. (the "Company") approve, on an advisory basis, the compensation of the Company's named executive officers disclosed in the Compensation Discussion and Analysis, the Summary Compensation Table and the related compensation tables, notes and narrative in the proxy statement for the Company's 2017 Annual Meeting of Stockholders.

This advisory resolution, commonly referred to as a "say-on-pay" resolution, is non-binding on the Board of Directors. Although non-binding, the Board of Directors and the Compensation Committee will review and consider the voting results when making future decisions regarding the Company's executive compensation program.

THE j2 GLOBAL BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" PROPOSAL 3 – APPROVAL OF THE ADVISORY RESOLUTION ON THE COMPENSATION OF THE NAMED EXECUTIVE OFFICERS.

**PROPOSAL 4 — ADVISORY VOTE ON FREQUENCY OF FUTURE
ADVISORY VOTES ON COMPENSATION OF THE NAMED EXECUTIVE OFFICERS**

As required under Section 14A of the Exchange Act, j2 Global is also asking stockholders to vote on whether future advisory votes on executive compensation of the nature reflected in Proposal 3 above should occur every one, two or three years. We are required to seek an advisory vote on the frequency of future say-on-pay votes at least once every six years. As this is an advisory vote, the result will not be binding; however, we value the opinion of our stockholders and welcome communication regarding our executive compensation structure and policies.

After careful consideration, our Board of Directors has determined that holding an advisory vote on named executive officer compensation every year is the most appropriate policy for j2 Global at this time and is consistent with our current, annual "say-on-pay" voting. An annual advisory vote on executive compensation will allow stockholders to provide timely, direct input on j2 Global's executive compensation philosophy, policies and practices as disclosed in the proxy statement each year. The Board of Directors believes that an annual vote is therefore consistent with j2 Global's efforts to engage in an ongoing dialogue with its stockholders on executive compensation and corporate governance matters (including j2 Global's practice of having all directors elected annually and annually providing stockholders the opportunity to ratify the Audit Committee's selection of independent auditors).

This advisory vote on the frequency of future advisory votes on executive compensation is non-binding on the Board of Directors. Stockholders will be able to specify one of four choices for this proposal on the proxy card: one year, two years, three years or abstain. Stockholders are not voting to approve or disapprove the recommendation of the Board of Directors. Although non-binding, the Board of Directors and the Compensation Committee will carefully review the voting results. Notwithstanding the recommendation of the Board of Directors and the outcome of the stockholder vote, the Board of Directors may in the future recommend conducting advisory votes on a more or less frequent basis and may vary its practice based on factors such as discussions with stockholders and the adoption of material changes to compensation programs.

**THE j2 GLOBAL BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE TO CONDUCT
FUTURE ADVISORY VOTES ON THE COMPENSATION OF THE NAMED EXECUTIVE OFFICERS EVERY
YEAR.**

CORPORATE GOVERNANCE

j2 Global's Board of Directors has adopted Corporate Governance Principles and a Code of Business Conduct and Ethics (the "Code"), which are both posted, along with the charters for the Audit, Compensation and Corporate Governance and Nominating Committees, in the corporate governance section of j2 Global's website at <http://investor.j2global.com/documents.cfm>.

Corporate Governance Principles

j2 Global's Corporate Governance Principles provide guidelines that govern the qualifications and conduct of the Board of Directors. The Corporate Governance Principles are consistent with the corporate governance requirements of the Sarbanes-Oxley Act of 2002 ("SOX") and the corporate governance listing requirements applicable to companies whose securities are listed on the Nasdaq Global Select Market (the "Nasdaq listing standards"). The Corporate Governance Principles address, among other things:

the independence and other qualifications of members of the j2 Global Board of Directors and its committees. The Corporate Governance Principles provide that a majority of the directors, and all members of the Audit, Compensation and Corporate Governance and Nominating Committees, shall be independent of j2 Global and its management;

the functions of the Board of Directors in relation to oversight of j2 Global;

the selection, evaluation and approval of compensation of j2 Global's executive officers;

the organization and basic function of committees of the Board of Directors; and

the authority of the Board of Directors and committees to engage outside advisors.

Code of Business Conduct and Ethics

j2 Global's Code of Business Conduct and Ethics applies to all directors, officers and employees of j2 Global, including j2 Global's Chief Executive Officer, President and Chief Financial Officer, Chief Accounting Officer, and Vice President, General Counsel and Secretary. The Code embodies j2 Global's commitment to conduct its business in accordance with all applicable laws, rules and regulations, and the highest ethical standards. The Code is posted on the corporate governance page of j2 Global's website, and can be accessed at <http://investor.j2global.com/documents.cfm>.

Board Leadership

We separate the roles of Chief Executive Officer and Chairman of the Board in recognition of the different responsibilities fulfilled by the Chief Executive Officer and the Chairman of the Board at j2 Global. The Chief Executive Officer is responsible for setting the strategic direction for j2 Global and for the day-to-day leadership and performance of j2 Global, while the Chairman of the Board provides guidance to the Chief Executive Officer and sets the agenda for, and presides over, meetings of the Board of Directors.

Director Independence

j2 Global's Board of Directors has determined that all of our directors are independent within the meaning of the rules of the SEC and the listing rules of the NASDAQ Stock Market.

Communications with the Board of Directors and the Audit Committee

The Board of Directors welcomes communications from stockholders and has adopted a procedure for receiving and addressing them. Interested parties may also submit complaints regarding accounting, internal accounting controls or auditing matters to j2 Global's Audit Committee. Stockholders may send written communications to the entire Board of Directors, to the Audit Committee or to individual members, addressing them to j2 Global, Inc., 6922 Hollywood Boulevard, Suite 500, Los Angeles, California 90028, Attention: Corporate Secretary. Communications by e-mail should be addressed to investor@j2global.com and marked "Attention: Corporate Secretary" in the "Subject" field.

The Board of Directors has instructed the Secretary to review all communications so received (via e-mail or otherwise), and to exercise his discretion not to forward to members of the Board of Directors correspondence that is inappropriate, such as business solicitations, frivolous communications, advertising, routine business matters (i.e., business inquiries, complaints or suggestions) and personal grievances. However, any director may at any time request the Secretary to forward any and all communications received by the Secretary but not forwarded to the Board of Directors.

Risk Management

The Board of Directors plays an active role, as a whole and also at the committee level, in overseeing management of j2 Global's risks and strategic direction. The Board of Directors regularly reviews information regarding j2 Global's liquidity and operations, as well as the risks associated with each. j2 Global's Compensation Committee is responsible for overseeing the management of risks relating to j2 Global's executive compensation plans and arrangements. The Audit Committee oversees the process by which j2 Global's senior management and the relevant departments assess and manage j2 Global's exposure to, and management of, financial risks. The Corporate Governance and Nominating Committee manages risks associated with the independence of the Board of Directors and potential conflicts of interest. While each committee is responsible for evaluating certain risks and overseeing the management of such risks, the entire Board of Directors is regularly informed about such risks.

MEETINGS AND COMMITTEES OF THE BOARD

Board Meetings and Attendance at Annual Meeting

The Board of Directors of j2 Global held a total of five meetings during 2016 and also conducted business by written consent. During 2016, each director attended at least seventy-five percent (75%) of the aggregate of all of the meetings of the Board of Directors and the committees of which he was a member. j2 Global encourages, but does not require, members of the Board of Directors to attend annual stockholder meetings. All of j2 Global's directors attended j2 Global's 2016 Annual Meeting of Stockholders.

Executive Sessions

In accordance with j2 Global's Corporate Governance Principles, executive sessions of non-management directors are held at least twice a year. The sessions are scheduled and chaired by the Chairman of the Audit Committee. Any non-management director can request that an additional executive session be scheduled.

Board Committees

The Board of Directors has established four standing committees: Audit, Compensation, Corporate Governance and Nominating, and Executive. The Board of Directors has determined that the Audit, Compensation and Corporate Governance and Nominating Committees are composed solely of independent directors within the meaning of the rules of the SEC and the listing rules of the NASDAQ Stock Market. The charters of the Audit, Compensation and Corporate Governance and Nominating Committees are each posted on the corporate governance portion of j2 Global's website at <http://investor.j2global.com/documents.cfm>.

Audit Committee

The Audit Committee currently consists of Messrs. Miller, Ross and Kretzmer, who is the Chairman of the Committee. The Audit Committee is comprised solely of directors who meet all the independence standards for audit committee members as set forth in SOX, the rules of the SEC adopted pursuant to SOX and the listing rules of the NASDAQ Stock Market. The Board of Directors has determined that each member of the Audit Committee is an "audit committee financial expert" as that term is defined in the SEC rules adopted pursuant to SOX and that he has accounting or related financial management expertise, in each case in accordance with the rules of the SEC and the listing rules of the NASDAQ Stock Market. The Board of Directors has determined that each member of the Audit Committee is able to read and understand fundamental financial statements. The Audit Committee is responsible for, among other things, retaining and overseeing j2 Global's independent auditors, approving the services performed by them and reviewing j2 Global's financial reports and reporting process, accounting principles and its system of internal accounting controls. The Audit Committee held five meetings in 2016. See the "Audit Committee Report" below.

Compensation Committee

The Compensation Committee currently consists of Messrs. Cresci, Ross and Bech, who is the Chairman of the Committee. The Compensation Committee is comprised solely of directors who meet all the independence standards for compensation committee members as set forth in the listing rules of the NASDAQ Stock Market. The Compensation Committee is responsible for, among other things:

- administering j2 Global's compensation programs, including its stock-based compensation plans;
- reviewing the performance of j2 Global's executives and recommending to the Board of Directors, for approval by a majority of independent directors, goals and objectives, as well as compensation (including, salary, bonus and equity grants) for j2 Global's executives;
- periodically evaluating compensation paid to non-management members of the Board of Directors, including monitoring the competitiveness and composition of director compensation;
- recommending to the Board of Directors changes to j2 Global's compensation policies and benefits programs; and
- otherwise seeking to ensure that j2 Global's compensation philosophy is consistent with j2 Global's best interests and is properly implemented.

The Compensation Committee also has the authority to retain and terminate compensation consultants. The Compensation Committee retained Pearl Meyer & Partners, LLC ("Pearl Meyer") as its compensation consultant for fiscal 2016, to provide information to the Compensation Committee related to compensation of our Board of Directors.

The Compensation Committee's charter does not provide for the delegation of the Compensation Committee's responsibilities. The Compensation Committee held six meetings in 2016. See the "Compensation Committee Report" below.

Corporate Governance and Nominating Committee

The Corporate Governance and Nominating Committee currently consists of Messrs. Kretzmer, Miller and Bech, who is the Chairman of the Corporate Governance and Nominating Committee. The Corporate Governance and Nominating Committee is responsible for, among other things:

- identifying, evaluating and nominating qualified individuals to become director nominees at j2 Global's annual meetings of stockholders or to fill vacancies occurring between annual meetings of stockholders;
- recommending members of the Board of Directors for nomination to, or to fill vacancies on, the standing committees of the Board of Directors;
- developing and recommending to the Board of Directors standards for addressing conflicts of interest;
- developing, recommending to the Board of Directors and reviewing j2 Global's Corporate Governance Principles; and
- evaluating the performance of the Board of Directors and its committees.

The Corporate Governance and Nominating Committee has not established specific minimum age, education, experience or skill requirements for potential director nominees. In selecting director nominees, the Corporate Governance and Nominating Committee takes into consideration various factors to find candidates that will be able to represent the interests of the stockholders, including judgment, skill, diversity, integrity, educational background, experience with businesses and other organizations of a comparable size, the interplay of the candidate's experience with that of the other members of the Board of Directors and the extent to which a candidate would be a desirable addition to the Board of Directors and any committees of the Board of Directors. Although the Corporate Governance and Nominating Committee does not have a formal policy with respect to diversity, in accordance with the Company's Corporate Governance Principles, the Corporate Governance and Nominating Committee endeavors to seek nominees representing diverse experience in policy-making positions in business and technology, and in areas that are relevant to the Company's global activities. The Corporate Governance and Nominating Committee evaluates the diversity in experience of its directors annually in recommending the slate of nominees to the full Board of Directors, and j2 Global believes that the current Board of Directors reflects the diversity of experience it seeks.

The Corporate Governance and Nominating Committee may consider candidates proposed by management or by stockholders, but is not limited to such candidates. The Corporate Governance and Nominating Committee evaluates director candidates recommended by stockholders in the same way that it evaluates candidates recommended by other sources. j2 Global sets forth its policy with regard to the consideration of any director candidates recommended by stockholders in its Bylaws. See "Deadline for Submitting Stockholder Proposals and Director Nominations for the Next Annual Meeting" for more information regarding the procedures for the consideration of any director candidates recommended by stockholders.

The Corporate Governance and Nominating Committee held three meetings in 2016.

Executive Committee

The Executive Committee currently consists of Messrs. Cresci and Ressler, who is the Chairman of the Committee. The Executive Committee may take certain action permitted by law and j2 Global's Bylaws in the intervals between meetings of the full Board of Directors. The Executive Committee held two meetings in 2016.

Lead Independent Director

The Company's Corporate Governance Principles align with investor preferences. The Lead Independent Director position entails significant responsibility for independent Board leadership. The responsibilities of the Lead Independent Director include the following:

- presiding at executive sessions of the independent directors;
- serving as an ex-officio member of each committee and attending meetings of the various committees;
- calling meetings of the independent directors;
- approving information sent to the Board, including the quality, quantity and timeliness of such information;
- facilitating the Board's approval of the number and frequency of Board meetings and approving meeting schedules, to ensure that there is sufficient time for discussion of all agenda items;
- authorizing the retention of outside advisors and consultants who report directly to the Board;
- being regularly apprised of inquiries from stockholders and involved in correspondence responding to these inquiries when appropriate; and
- if requested by stockholders or other stakeholders, ensuring that he/she is available, when appropriate, for consultation and direct communication.

Mr. Cresci has been designated as j2 Global's Lead Independent Director.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

General

The Compensation Committee of j2 Global's Board of Directors:

- administers j2 Global's compensation programs, including its stock-based compensation plans;
- recommends to the Board of Directors the compensation to be paid to j2 Global's executives;
- recommends to the Board of Directors changes to j2 Global's compensation policies and benefit programs; and
- otherwise seeks to ensure that j2 Global's compensation philosophy is consistent with j2 Global's best interests and is properly implemented.

The Compensation Committee currently is comprised of three non-employee directors whom the Board of Directors has determined meet the independence requirements for compensation committee membership set forth in Nasdaq Marketplace Rule 5605.

Compensation Philosophy and Objectives

j2 Global's executive compensation program is designed to attract, retain and motivate j2 Global's executive officers in a manner that is tied directly to achievement of j2 Global's overall operating and financial goals, and thereby increase j2 Global's overall equity value. The Compensation Committee reviews j2 Global's compensation strategy annually. As part of this process, the Compensation Committee considers whether j2 Global's current compensation programs should be modified and whether new programs or elements of compensation should be introduced in order to better meet j2 Global's overall compensation objectives.

At j2 Global's 2016 Annual Meeting of Stockholders held on May 4, 2016, the Company held a stockholder advisory vote on the compensation of the named executive officers, commonly referred to as a "say-on-pay" vote. j2 Global's stockholders overwhelmingly approved the compensation of the named executive officers, with more than 97% of stockholder votes cast in favor of the Company's say-on-pay proposal. The Compensation Committee believes this affirms the stockholders' support of the Company's approach to executive compensation and, as a result, the Compensation Committee decided to retain its general approach to executive compensation. The Compensation Committee will continue to consider the outcome of the Company's say-on-pay votes when making future compensation decisions for the named executive officers.

Compensation for j2 Global's executives consists of salary, an executive bonus program, a supplemental bonus program for the Chief Executive Officer and President that has been discontinued, stock option grants and restricted stock awards. j2 Global's Compensation Committee has not adopted any formal policy for allocating compensation between long-term and short-term, between cash and non-cash or among different forms of non-cash compensation. Rather, the Compensation Committee assesses past performance and anticipated future contribution of each executive officer and recommends to the Board of Directors the total amount and mix of each element of compensation. In addition, the Committee believes that the most senior executives should have their compensation more heavily weighted toward equity compensation.

The Compensation Committee also considers from time to time the market compensation of similarly-situated executives at other companies and periodically purchases third-party compensation surveys or engages third-party compensation consultants to assist in providing comparative compensation data. In fiscal 2016, the Compensation Committee engaged Pearl Meyer to prepare a competitive analysis of the Company's current executive compensation programs that addressed j2 Global's Business Cloud Services Segment, j2 Global's Digital Media Segment and the Company on a consolidated basis (the "2016 Compensation Report"). As part of its analysis, Pearl Meyer selected and proposed companies for inclusion in two separate comparison groups. The "Cloud Peer Group" was comprised of the following companies that operated in the cloud services sector and had revenues that were roughly similar to the Company's Business Cloud Services Segment: Box, Inc., Cimpress N.V., Criteo SA, Endurance International Group Holdings, Inc., GoDaddy Inc., Green Dot Corporation, IAC/InterActiveCorp, Match Group, Inc., Neustar, Inc., Nuance Communications, Inc., Open Text Corporation, Pandora Media, Inc., Proofpoint, Inc., Rackspace Hosting, Inc., RingCentral, Inc., Shopify Inc., Shutterfly, Inc., Syntel, Inc., TripAdvisor Inc., WebMD Health Corp. and Zillow Group, Inc. The "Digital Media Peer Group" was comprised of the following companies that operated in the digital media sector that, in the opinion of Pearl Meyer, were similar to the Company's Digital Media Segment: Bankrate, Inc., Demand Media, Inc., QuinStreet, Inc., RetailMeNot, Inc., TechTarget, Inc., The Rubicon Project, Inc., WebMD Health Corp., and Zillow Group, Inc. The 2016 Compensation Report was presented to the Compensation Committee in April 2016. The 2016 Compensation Report helped clarify the relevancy of the companies used in the peer groups, and informed our decisions with respect to executive compensation for fiscal 2016.

The Compensation Committee recognizes that it is essential to receive objective advice from its external advisors. Consequently, the Compensation Committee is solely responsible for retaining and terminating Pearl Meyer, Pearl Meyer reports directly to the Compensation Committee and Pearl Meyer did not provide any other services to j2 Global during fiscal 2016.

In setting compensation for any given year, the Compensation Committee considers the amount of compensation from prior periods or amounts realizable from prior compensation.

j2 Global's compensation objective is to link compensation to improvements in corporate performance and increase in stockholder value. j2 Global's executive compensation program goals include the following:

- to establish pay levels that attract, retain and motivate highly qualified executive officers, while considering the overall market competitiveness for such executive talent and balancing the relationship between total stockholder return and direct compensation;
- to align executive officer remuneration with the interests of the stockholders;
- to recognize superior individual performance;
- to balance base and incentive compensation to complement j2 Global's annual and longer-term business objectives and strategies and encourage the fulfillment of those objectives and strategies through executive officer performance; and
- to provide compensation opportunities based on j2 Global's performance.

Compensation Components

Executive compensation consists of the following elements:

Salary. Base salary is the fixed portion of executive pay and is set to reward individuals' current contributions to j2 Global and compensate them for their expected day-to-day performance. Base salaries are evaluated annually for all

executive officers. In determining appropriate salary levels for the executive officers generally, the Compensation Committee considers, among other factors, the officer's scope of responsibility, prior experience and past performance, and data on prevailing compensation levels in relevant markets for executive talent.

The Compensation Committee generally targets executive salaries near the median percentile for comparable positions at comparable companies based upon third-party compensation survey information, including the 2016 Compensation Report. In determining 2016 base salaries, the Compensation Committee considered a number of factors including the information in the 2016 Compensation Report, together with various other factors such as Company performance and general economic conditions, among others.

Based on the factors described above, in May 2016 the Compensation Committee recommended, and the Board of Directors approved, the following increases to the base salaries of the named executive officers:

Name	Previous Base Salary	New Base Salary
Nehemia Zucker	\$752,500	\$785,000
R. Scott Turicchi	\$555,500	\$590,000
Jeremy D. Rossen	\$350,000	\$370,000
Steve P. Dunn	\$245,500	\$265,000

Non-Equity Incentive Compensation. j2 Global has established an executive bonus program (the "Senior Management Bonus Program") for awarding cash bonuses to j2 Global's senior executives, including the named executive officers. Bonus guidelines under the Senior Management Bonus Program are established each year and are designed to encourage and reward senior management for (a) attaining company-wide financial goals, (b) improving the financial and operational health of j2 Global and (c) meeting or exceeding individually defined goals and objectives. The Senior Management Bonus Program provides guidelines only as to payment of bonuses to executive program participants, is non-binding, and does not create any contract right between j2 Global and the participants.

The process for determining bonuses under the Senior Management Bonus Program relies on the development of corporate financial targets. In addition, individual goals and objectives are set for each program participant except the Chief Executive Officer and the President, who bear ultimate responsibility for achievement of the corporate financial targets and the budget. The financial objectives are generally in alignment with j2 Global's budget for the year, which budget is used as a basis for j2 Global's public disclosures regarding its expected annual financial performance. The individual goals and objectives are designed to help j2 Global achieve its financial goals. The corporate financial objectives are recommended by the Compensation Committee for approval by the Board of Directors.

Under the Senior Management Bonus Program established for fiscal 2016 (the "2016 Senior Management Bonus Plan"), j2 Global established a "bonus pool" based upon an aggregate of specified percentages of base salary of all eligible executives, ranging from 25% to 100%. For Mr. Zucker, the "target" bonus percentage was 110% of his base salary. For Mr. Turicchi, the "target" bonus percentage was 90% of his base salary. For Mr. Rossen, the "target" bonus percentage was 50% of his base salary. For Mr. Dunn, the "target" bonus percentage was 50% of his base salary. These percentages were determined based on the named executive officers' relative level of responsibility, size and complexity of the job, past contributions to j2 Global's performance and expected contributions to j2 Global's future success, based on the executive's articulated goals and objectives, as well as the market compensation of similarly-situated executives at other companies, as reflected in third-party compensation surveys, including the 2016 Compensation Report. However, the Compensation Committee retained the discretion to award bonus percentages higher or lower than these targets based on the overall plan funding level and the Committee's subjective assessment of each individual's achievement of his or her individual goals and objectives, as applicable.

The 2016 Senior Management Bonus Plan provided that the bonus pool would be "funded" only if j2 Global achieved at least 96% of a target adjusted Non-GAAP Net Income value ("Adjusted Non-GAAP Net Income") of \$237,959,000. Such amount would be calculated by taking j2 Global's consolidated GAAP net income, adding back any non-cash compensation expense, non-recurring one-time charges, depreciation and amortization, and deducting any non-recurring income or income recorded in the fiscal year of 2016 relating to a previous year, all items net of tax. Such amount would be further reduced by a cost of capital charge at a rate of 8.41% representing acquisitions. If 96% or more of the target Adjusted Non-GAAP Net Income was achieved, the bonus pool could be funded at between 50% and 170% of the target pool amount, or between \$907,512 and \$3,085,541, depending on the actual percentage of the Adjusted Non-GAAP Net Income target achieved. The bonus pool was capped at 170% if more than \$256,430,000 of Adjusted Non-GAAP Net Income was achieved. Notwithstanding the achievement of the 2016 Senior Management Bonus Plan criteria, the Compensation Committee retained discretion to increase or decrease the funding of the bonus pool based on factors it deemed appropriate.

Once the bonus pool was funded, individual bonuses were to be established by evaluating each executive's relative contribution to the success of j2 Global as a whole, as well as his or her success in meeting his or her individual objectives. Individual bonus amounts were to be recommended by the Compensation Committee for approval by the Board of Directors.

On February 7, 2017, the Compensation Committee recommended for approval by the Board of Directors, and the Board of Directors approved, funding the pool established under the 2016 Senior Management Bonus Plan (the "2016 Pool") at the 119.5% level based upon the program formula. On February 8, 2017, the Board of Directors approved the Compensation Committee's recommendation to award the following bonuses from the 2016 Pool to the named executive officers: Nehemia Zucker – \$990,000; R. Scott Turicchi – \$605,000; Jeremy D. Rossen – \$210,000; and Steve Dunn – \$136,000. The bonus levels for Messrs. Zucker, Turicchi, Rossen and Dunn were based on the overall financial performance of j2 Global for 2016.

In addition to the Senior Management Bonus Program described above, the Chief Executive Officer and President also participated in a Supplemental Deferred Compensation Bonus Program (the "Supplemental Plan") from 2010 and ending with the 2014 Supplemental Plan year which payments were approved in 2015. The Supplemental Plan was designed to further incentivize the most senior executives, who are ultimately responsible for j2 Global's performance, to achieve j2 Global's financial goals and improve its financial and operational health. The Supplemental Plan was adopted in recognition of the increased level of responsibility that the participants have assumed in light of the continued growth of j2 Global, and the increased expectations of these executives to continue to innovate and grow and promote j2 Global's vision. Under the Supplemental Plan, the Chief Executive Officer and President were eligible to receive an additional 37.5% and 25% of their base salary, respectively, in any year in which the Senior Management Bonus Plan was funded in an amount representing achievement of at least 90% of the target value.

Awards under the Supplemental Plan were determined on the date on which the level of funding of the Senior Management Bonus Plan was determined (the "Determination Date"), and were to be paid out in three equal annual installments on or around the first, second and third anniversary of the applicable Determination Date. Payments were to be made only if the recipients were active employees of the Company on the date of distribution. Notwithstanding the achievement of the funding criteria under the Supplemental Plan, the Compensation Committee and Board of Directors reserved the right to increase or decrease the amount payable under the Supplemental Plan as they deemed appropriate under the circumstances. The Supplemental Plan was discontinued in 2015, following the approval of the annual installments in respect of the 2014 Supplemental Plan year by the Board of Directors in February 2015. All amounts approved by the Board prior to the discontinuance, shall be paid on such dates as required by the Supplemental Plan.

j2 Global does not currently have any policy regarding the adjustment or recovery of awards under the bonus program in the event that the Company's financial statements are later restated or adjusted. In July 2015, in response to Congress' adoption of the Dodd Frank Wall Street Reform and Consumer Protection Act, the SEC proposed rules requiring that all public companies adopt a policy whereby, in the event of a restatement, the company will recover from current and former executives, for the three years preceding the restatement, any incentive-based compensation that would not have been awarded under the restated financial statements. The SEC has not yet adopted such rules. Upon their adoption, j2 Global will consider and adopt a policy that complies with the new requirements and, as necessary, enter into appropriate agreements with the employees covered by any such policy.

Stock-Based Compensation. Stock-based compensation awards, including stock options, restricted stock, stock appreciation rights, restricted stock units and performance shares, are designed to align the interests of executives and employees with the long-term interests of the stockholders. j2 Global approves stock-based compensation awards subject to vesting periods to retain executives and employees and encourage sustained contributions. To date, j2 Global has only awarded stock-based compensation in the form of stock options, restricted stock and restricted stock units because it believes that these forms of compensation are most likely to retain and incentivize the employees to improve stockholder value. In fiscal 2012, the Compensation Committee adopted a policy of making annual stock-based compensation awards to better align the Company's compensation practices with members of the peer groups.

In general, the Compensation Committee determines the appropriate size of stock-based compensation awards by evaluating the relative importance of the contributions of each executive and the expected future value of each award over the vesting period. The Compensation Committee also takes into account from time to time information provided by third-party compensation surveys that provide market compensation data of similarly-situated executives at similar companies. This process is designed to achieve the proper balance between incentivizing and retaining the services of our executive officers

and other key employees, while continuing to preserve stockholder value. Prior to 2012, the Compensation Committee had used a combination of (a) stock options vesting ratably over five years and having an exercise price equal to the closing market price on the date of grant and (b) restricted stock vesting over five years on the following graduated schedule on each anniversary of the date of award: 10% on the first anniversary, 15% on the second anniversary, 20% on the third anniversary, 25% on the fourth anniversary and 30% on the fifth anniversary. In fiscal 2012, to better align the Company's compensation practices with members of the peer groups, the Compensation Committee adopted a policy of having restricted stock vest ratably over the five-year vesting period, with awards vesting one-fifth on each of the first five anniversaries of the date of the award provided that the recipient is still employed by j2 Global at the applicable vesting date. In fiscal 2015, the Company re-introduced the issuance of stock options, vesting ratably over five years and having an exercise price equal to the closing market price on the date of grant, to the Chief Executive Officer and President and Chief Financial Officer. In fiscal 2016, the Compensation Committee adopted a policy whereby restricted stock issued to senior executive officers, including the named executive officers, vest with respect to (i) 50% of the restricted shares granted, ratably over the five-year vesting period, with awards vesting one-fifth on each of the first five anniversaries of the date of the award provided that the recipient is still employed by j2 Global at the applicable vesting date ("time vesting restricted shares"), and (ii) the remaining 50% of the restricted shares granted, with respect to one-fifth of such shares at each such time as j2 Common Stock remains at or above the following stock prices for at least 20 consecutive trading days: \$75, \$85, \$95, \$105, and \$115 ("performance vesting restricted shares"); provided that in the case of performance vesting restricted shares (x) no such shares shall vest prior to the first anniversary of the date of grant, whether or not any stock price condition is satisfied prior to such time and (y) the recipient is still employed by j2 Global at the applicable vesting date.

In fiscal 2016, the following stock-based compensation awards were made to the named executive officers (the "2016 Awards"):

Nehemia Zucker	25,890 time vesting restricted shares	25,890 performance vesting restricted shares
R. Scott Turicchi	17,653 time vesting restricted shares	17,652 performance vesting restricted shares
Jeremy D. Rossen	4,354 time vesting restricted shares	4,354 performance vesting restricted shares
Steve P. Dunn	3,123 time vesting restricted shares	3,122 performance vesting restricted shares

Employee Stock Purchase Plan. j2 Global offers all of its employees, including j2 Global's executive officers, the opportunity to purchase j2 Global's common stock through a tax-qualified employee stock purchase plan ("ESPP"). Under the ESPP, eligible employees can withhold up to 15% of their earnings, up to certain maximums, to be used to purchase shares of j2 Global's common stock at certain plan-defined dates. The price of j2 Global common stock purchased under the ESPP for the offering periods is equal to 95% of its fair value at the end of the offering period.

Other Compensation. j2 Global's executive officers are entitled to participate in j2 Global's health, vision, dental, life and disability insurance plans, j2 Global's innovation and patent award program and j2 Global's tax-qualified 401(k) plan, to the same extent as j2 Global's other employees. However, j2 Global bears a greater share of the cost with respect to the health, vision and dental plans offered to executives. j2 Global's innovation and patent award program provides monetary incentives for participants who submit patent ideas to the Company, or file patent applications with, or are granted patents by, the U.S. Patent and Trademark Office. Participants in the 401(k) plan are eligible to receive an annual company match up to \$500, which vests over a three-year period. In addition, j2 Global pays a higher portion of employer contributions toward premiums for executives who participate in the health, vision and dental plans.

Change in Control and Severance Arrangements. j2 Global has not provided change of control or severance arrangements to any of its executive officers, except Mr. Zucker. Mr. Zucker has an employment agreement which has no specified term and is terminable at will by either party, but provides for continued payment of salary for six months (or if earlier, to the date Mr. Zucker commences new employment) in the event of a termination by j2 Global without cause. Under Mr. Zucker's employment agreement, "cause" means (i) any act or failure to act, done or omitted in bad faith, (ii) persistent unavailability for service, habitual neglect, material misconduct (after notice and a reasonable opportunity to cure) or dishonesty, or (iii) conviction of a felony (other than ordinary traffic violations or similar minor offenses). If Mr. Zucker had been terminated without cause on December 31, 2016, he would have been entitled to receive \$392,500.

In addition, in the event of a change of control of j2 Global, each option granted under the Second Amended and Restated 1997 Stock Option Plan or the 2007 Stock Plan will become immediately exercisable in full and all outstanding restrictions on each share of restricted stock and each restricted stock unit awarded under these plans will immediately lapse in full, in each case unless the Board of Directors determines that the holder has been offered substantially identical replacement options, shares of restricted stock or restricted stock units, as the case may be, and a comparable position at the acquiring company. With respect to the 2015 Stock Plan, unless the Compensation Committee or Board of Directors determines otherwise at the time of grant, in the event a participant's employment is involuntarily terminated without cause or a participant resigns for good cause, in each case during the twenty-four month period following a change in control, each option granted under the 2015 Stock Plan will become immediately exercisable in full and all outstanding restrictions on each share of restricted stock, including time and performance based restrictions, and each restricted stock unit awarded under the 2015 Stock Plan will immediately lapse in full. Moreover, the Compensation Committee or Board of Directors may provide for awards under the 2015 Stock Plan to be cancelled in exchange for a cash payment in connection with a change in control.

Prohibition on Hedging Transactions

The Board of Directors has adopted an anti-hedging policy that prohibits officers and directors from engaging in transactions that would allow such officer or director to continue to own the Company's common stock without taking on the full risks and rewards of stock ownership. The Board of Directors believes that when such transactions occur, those directors or officers engaged in any such transactions may no longer have the same objectives as the Company's other stockholders under such circumstances and, therefore, such hedging and monetization transactions are prohibited.

Summary

After its review of all existing programs, consideration of current market and competitive conditions and alignment with j2 Global's overall compensation objectives and philosophy, the Compensation Committee believes that the total compensation program for j2 Global's executive officers is focused on increasing value for stockholders and enhancing j2 Global's performance. The Compensation Committee currently believes that, although it does not target a specific percentage as being incentive compensation, a significant portion of compensation of executive officers is properly tied to stock appreciation or stockholder value through stock-based compensation awards and annual cash incentive bonus measures. j2 Global's Compensation Committee believes that its executive compensation levels are competitive with the compensation programs offered by other corporations with which it competes for executive talent.

Notwithstanding anything to the contrary set forth in any of j2 Global's filings under the Securities Act of 1933, as amended (the "Securities Act"), or the Exchange Act, that might incorporate future filings, including this proxy statement, in whole or in part, the following Compensation Committee Report shall not be deemed to be "Soliciting Material," is not deemed "filed" with the SEC and shall not be incorporated by reference into any filings under the Securities Act or Exchange Act whether made before or after the date hereof and irrespective of any general incorporation language in such filings.

COMPENSATION COMMITTEE REPORT

Management of j2 Global has prepared the Compensation Discussion and Analysis as required by Item 402(b) of Regulation S-K, and the Compensation Committee of the Board of Directors has reviewed and discussed it with management. Based on this review and discussion, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in the proxy statement for j2 Global's 2017 Annual Meeting of Stockholders.

Douglas Y. Bech
Robert J. Cresci
Stephen Ross

COMPENSATION RISK

The Compensation Committee has reviewed the Company's compensation policies and practices for all employees, including executive and non-executive officers, and determined that j2 Global's compensation programs do not give rise to risks reasonably likely to have a material adverse effect on the Company. The Committee noted several design features of j2 Global's cash and equity incentive programs for all executive officers in particular that reduce the likelihood of excessive risk-taking and instead encourage behaviors that support sustainable value creation:

The program design provides a balanced mix of cash and equity, annual and longer-term incentives, and performance metrics (earnings and total stockholder return).

There is a significant weighting towards long-term incentive compensation that discourages short-term risk taking.

Goals are appropriately set to avoid targets that, if not achieved, result in a large percentage loss of compensation.

The maximum funding level of the Senior Management Bonus Program is capped at 170% of target.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Messrs. Bech, Cresci and Ross served on the Compensation Committee during 2016. j2 Global has no interlocking relationships or other transactions involving any of its Compensation Committee members that are required to be reported pursuant to applicable SEC rules. No member of the Compensation Committee has ever been an officer or employee of j2 Global.
