MTS Announces Subscriber Growth Numbers for July 2004

Moscow, Russian Federation August 5, 2004 Mobile TeleSystems OJSC (MTS - NYSE: MBT), the largest mobile phone operator in Russia and Ukraine, announces that its consolidated subscriber base reached 24.12 million users on July 31, 2004.

During July 2004, MTS' consolidated subscriber base on a net basis increased by 1.34 million subscribers, of which 230 thousand were added in Moscow and the Moscow region.

Commenting on the results, MTS' Vice President and Chief Marketing Officer, Mikhail Susov, said: "For many years MTS has been the number one mobile operator in Russia. Over the past month we have become the leading operator in Moscow, the country's core market. MTS' success is a result of our continued efforts to offer the best services with innovative pricing for our customers. Our 'People Talk' campaign, launched at the beginning of the year, has also been a major contributor to the improved reception of the Company's brands in Russia. Furthermore, the countries of the CIS in which we operate are showing an even higher growth rate than the Russian market and we anticipate great potential in the development of the mobile phone market in Uzbekistan."
