Management is in the process of finalizing the financial statements for the quarter ended September 30, 2004. On November 8, 2004, management determined that it had not recognized a total of approximately \$750,000 in revenue that it should have recognized for the year ended December 31, 2003 and the nine months ended September 30, 2004. Due to the proximity of the date of such determination to the November 9, 2004 due date of the Quarterly Report on Form 10-Q of Vital Images, Inc. (Vital Images) for the quarter ended September 30, 2004, the financial statements for that quarter could not be completed without unreasonable effort and expense to Vital Images.
