Item 1.01 Entry Into a Material Definitive Agreement.

On November 18, 2004, the Board of Wireless Facilities, Inc. (the Company) adopted the Wireless Facilities, Inc. Nonqualified Deferred Compensation Plan, effective as of January 1, 2005 (the Plan). The Plan provides executive officers and other eligible highly compensated employees with the opportunity to enter into agreements to defer up to eighty percent (80%) of their cash compensation derived from base salary, bonus awards, and/or commissions. In addition, the Company may, in its sole and absolute discretion, award any participant under the Plan an additional employer contribution. The Plan year is the calendar year. Participants may elect that distribution of deferred amounts be paid in the form of either a lump sum or in annual installments if the participant terminates employment as a result of his or her retirement. However, all other distributions under the Plan will be made in a single lump sum. Distributions occur upon termination of service or upon such other dates that may be elected by the participant in accordance with the terms of the Plan. Deferrals are adjusted for gain or loss based on the performance of one or more investment options selected by the participant from among investment funds chosen by the committee appointed to administer the Plan. The Company, in its sole discretion, may suspend or terminate the Plan or revise or amend it in any respect whatsoever; provided, however, that no such action may reduce amounts credited to deferral accounts, and such accounts will continue to be owed to the participants or beneficiaries and will continue to be a liability of the Company.

The description of the Plan set forth above is qualified in its entirety by reference to the Plan filed with this current report as Exhibit 10.44.
