QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS

AND THE 2006 ANNUAL MEETING

Q: *Why am I receiving these materials?*

A: The Board of Directors (the Board) of Heska Corporation, a Delaware corporation (Heska or the Company), is providing these proxy materials for you in connection with Heska's Annual Meeting of Stockholders (the Annual Meeting). The 2006 Annual Meeting will take place on Friday, May 12, 2006. As a stockholder, you are invited to attend the 2006 Annual Meeting and are entitled to and requested to vote on the items of business described in this proxy statement.

Q: *What information is contained in these materials?*

A: The information included in this proxy statement relates to the proposals to be voted on at the 2006 Annual Meeting, the voting process, the compensation of our Directors and most highly paid Executive Officers, and certain other required information. Our 2005 Annual Report on Form 10-K as filed with the Securities and Exchange Commission is also enclosed.

Q: *What items of business will be voted on at the 2006 Annual Meeting?*

A: The items of business scheduled to be voted on at the 2006 Annual Meeting are:

- (1) The election of two nominees to serve on our Board of Directors for a three-year term; and
- (2) The ratification of independent registered public accountant for fiscal 2006.

We will also consider other business that properly comes before the 2006 Annual Meeting.

Q: *How does the Board recommend I vote on the proposals?*

A: The Board recommends a vote FOR the election of each of the Director nominees and FOR the ratification of Ehrhardt Keefe Steiner & Hottman PC as the Company's independent registered public accountant.

Q: *Who is entitled to vote?*

A: Stockholders as of the close of business on April 6, 2006 (the Record Date) are entitled to vote at the 2006 Annual Meeting. As of the Record Date, 50,232,018 shares of our common stock were issued and outstanding. Each stockholder is entitled to one vote for each share of common stock held on the Record Date. A list of stockholders entitled to vote at the 2006 Annual Meeting will be available at the 2006 Annual Meeting and for ten days prior to the meeting during normal business hours at our offices at 3760 Rocky Mountain Avenue, Loveland, Colorado 80538, by contacting our corporate Secretary.

Q: *How do I vote?*

A: There are two ways you can vote:

- (1) Sign and date each proxy card you receive and return it in the prepaid envelope.

- (2) Vote in-person at the 2006 Annual Meeting. If your shares are held of record by a broker, bank or other nominee and you wish to vote your shares at the 2006 Annual Meeting, you must contact your broker, bank or other nominee to obtain the proper documentation and bring it with you to the 2006 Annual Meeting.

Q: *How can I change my vote or revoke my proxy?*

A: You have the right to revoke your proxy and change your vote at any time before the meeting by notifying our corporate Secretary, or returning a later-dated proxy card. You may also revoke your proxy and change your vote by voting in person at the meeting.

Q: *Who can help answer my questions?*

A: If you have any questions about the 2006 Annual Meeting or how to vote or revoke your proxy, you should contact:

Heska Corporation

Attn: Corporate Secretary

3760 Rocky Mountain Avenue

Loveland, Colorado 80538

(970) 493-7272

If you need additional copies of this proxy statement or voting materials, please contact our corporate Secretary as described above.

Q: *What does it mean if I get more than one proxy card?*

A: It means that you hold shares registered in more than one account. Sign and return all proxies to ensure that all of your shares are voted.

Q: *Who will serve as inspector of elections?*

A: The inspector of elections will be a representative of Computershare Trust Company, Inc., our transfer agent.

Q: *What are the quorum and voting requirements for the 2006 Annual Meeting?*

A: The quorum requirement for holding the 2006 Annual Meeting and transacting business is that holders of a majority of the outstanding shares of our common stock entitled to vote must be present in person at the meeting or represented by proxy. Both abstentions and non-votes are counted for the purposes of determining the presence of a quorum, but not in determining the matter at hand. We will consider an abstention or a non-vote on a given matter to be a forfeiture of the right to vote on that matter and a forfeiture of the voting power present at the 2006 Annual Meeting underlying the forfeited votes regarding that matter. Accordingly, if you abstain on a given matter, your shares will not be voted for or against that matter and will not be considered as present and entitled to vote on that matter. However, you may abstain on a given matter for a certain portion of your shares and vote on the same matter with the remaining portion of your shares without forfeiting the votes underlying the shares you choose to vote. For example, a stockholder who owns 100 shares may choose to abstain on a proposal with 50 shares and vote for a proposal with the other 50 shares. In this case, the stockholder would forfeit his right to vote 50 shares on the proposal and would have his other 50 votes count for the proposal. In addition, an abstention or a non-vote on any matter will not affect your ability to vote on any other matter. If you hold shares in street name through a broker or other nominee, your broker or nominee may not be permitted to exercise voting discretion with respect to certain matters to be acted upon. If you do not give your broker or nominee specific instructions, your shares may not be voted on those matters and, if so, will not be considered as present and entitled to vote with respect to those matters.

The holders of a majority of the outstanding shares of our common stock, present in person or by proxy, will constitute a quorum for the transaction of business at the 2006 Annual Meeting. Election of Directors will be determined by a plurality of the votes of the shares present in person or by proxy at the 2006 Annual Meeting and entitled to vote on the election of Directors. The other matters submitted for stockholder approval at the 2006 Annual Meeting, including the ratification of our independent registered public accountant, will be decided by

the affirmative vote of a majority of the shares having voting power present in person or by proxy at the 2006 Annual Meeting and entitled to vote on the subject matter.

Q: *Who can attend the 2006 Annual Meeting?*

A: All stockholders as of the Record Date can attend. If you wish to vote your shares at the 2006 Annual Meeting and your shares are held of record by a broker, bank or other nominee, you must contact your broker, bank or other nominee to obtain the proper documentation and bring it with you to the 2006 Annual Meeting.

Q: *What happens if additional matters are presented at the 2006 Annual Meeting?*

A: Other than the two items of business described in this proxy statement, we are not aware of any other business to be acted upon at the 2006 Annual Meeting. If you grant a proxy, the persons named as proxyholders, Robert B. Grieve, Ph.D. Heska's Chairman and Chief Executive Officer, Jason A. Napolitano, Heska's Executive Vice President, Chief Financial Officer and Secretary, and Michael A. Bent, Heska's Vice President, Principal Accounting Officer and Controller, will have the discretion to vote your shares on any additional matters presented for a vote at the meeting. If for any unforeseen reason any of our nominees is not available as a candidate for Director, the persons named as proxyholders, Dr. Grieve, Mr. Napolitano and Mr. Bent, will vote your proxy for such other candidate or candidates who may be nominated by the Board.

Q: *Where can I find the voting results of the meeting?*

A: We intend to announce preliminary voting results at the 2006 Annual Meeting and publish final results in our quarterly report on Form 10-Q for our second fiscal quarter of 2006.

Q: *May I propose actions for consideration at next year's Annual Meeting or nominate individuals to serve as Directors?*

A: You may submit proposals, including Director nominations, for consideration at future stockholder meetings. All proposals or nominations should be addressed to: Corporate Secretary, Heska Corporation, 3760 Rocky Mountain Avenue, Loveland, Colorado 80538.

Stockholder Proposals: For a stockholder proposal to be considered for inclusion in Heska's proxy statement for the annual meeting next year, the written proposal must be received by our corporate Secretary at our principal executive offices under either (1) Rule 14a-8 under the Securities Exchange Act of 1934, as amended (a "Rule 14 Proposal") or (2) the bylaws of Heska (a "Bylaws Proposal"). A Rule 14 Proposal must be received by our corporate Secretary at our principal executive offices no later than December 13, 2006. If the date of next year's annual meeting is moved more than 30 days before or after the anniversary date of this year's annual meeting, the deadline for inclusion of proposals in our proxy statement is instead a reasonable period of time before we begin to print and mail our proxy materials. Such proposals also will need to comply with Rule 14a-8 under the Securities Exchange Act of 1934, as amended, regarding the inclusion of stockholder proposals in company-sponsored proxy materials. For a Bylaws Proposal, the stockholder must deliver a written notice of intent to propose such action in accordance with our bylaws, which in general require that the notice be received by us not less than 60 days nor more than 90 days prior to the first anniversary of the date on which notice of the prior year's annual meeting was mailed to stockholders. For the 2007 Annual Meeting, this means that any such proposal must be submitted no earlier than January 12, 2007 and no later than February 11, 2007.

Director Nominees: You may propose Director candidates for consideration by our Board's Corporate Governance Committee. Any such recommendations should be directed to our corporate Secretary at our principal executive offices. In addition, you may nominate a Director for consideration by Heska's stockholders if you give timely notice to our corporate Secretary of your intention to make such nomination in accordance with our bylaws, which require that the notice be received by the corporate Secretary within the time periods described above under "Stockholder Proposals."

Copy of Bylaw Provisions: You may contact our corporate Secretary at our principal executive offices for a copy of the relevant bylaw provisions regarding the requirements for making stockholder proposals and nominating Director candidates.

Q: *Who bears the costs of soliciting votes for the 2006 Annual Meeting?*

A: Heska is making this solicitation and will pay the entire cost of preparing, printing, assembling and mailing these proxy materials. In addition to the mailing of these proxy materials, certain of our Directors and employees may solicit proxies on our behalf in person, by telephone, electronic transmission or facsimile. No additional compensation will be paid to these people for such solicitation. Upon request, we will also reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy and solicitation materials to stockholders.

BOARD STRUCTURE AND COMMITTEES

Our Board is divided into three classes serving staggered three-year terms. Our Board currently has nine Directors: Robert B. Grieve, Ph.D., Chairman, William A. Aylesworth, Elisabeth DeMarse, A. Barr Dolan, Peter Eio, G. Irwin Gordon, Tina S. Nova, Ph.D., John F. Sasen, Sr. and Lynnor B. Stevenson, Ph.D. Our Board has three standing Committees, each of which is chaired by an outside Director: (1) Audit (the Audit Committee), (2) Compensation (the Compensation Committee) and (3) Corporate Governance (the Corporate Governance Committee). The membership during 2005 and the function of each Committee are described below. Our Board held four meetings during 2005. Each Director, except for Tina S. Nova, Ph.D. attended at least 75% of all Board and applicable Committee meetings. While the Company does not have a formal policy, Directors are generally encouraged to attend annual meetings of stockholders. All of our Directors, except for Tina S. Nova, Ph.D., attended our last annual meeting of stockholders.

Board Independence

Our Board has determined that each of the Directors standing for re-election has no material relationship with the Company (either directly or as a partner, stockholder or officer of an organization that has a relationship with the Company) and meets the requirements of independence as set forth in the rules and regulations promulgated by the Securities and Exchange Commission (the SEC) and the Nasdaq Stock Market listing standards (the Nasdaq Listing Standards). Furthermore, the Board has determined that, with the exception of Dr. Grieve, Heskas Chairman and Chief Executive Officer, all current members of the Board meet the requirements of independence as set forth in the rules and regulations promulgated by the SEC and the Nasdaq Listing Standards.

Audit Committee

Our Audit Committee has the following responsibilities:

- appoint and replace our independent auditors;

- compensate and oversee the work of our independent auditors;

- oversee and monitor the integrity of our annual and quarterly financial statements;

- review and discuss with management and our independent auditors significant financial reporting issues and critical accounting policies and practices;

- oversee and monitor the qualifications, independence and performance of our independent auditors;
- oversee and monitor our internal accounting and financial controls; and
- provide the results of examinations and recommendations derived therefrom to the Board.

During 2005, our Audit Committee met eight times. Our Audit Committee consisted of Mr. Gordon, as Chairman, Mr. Aylesworth, Mr. Eio and Dr. Stevenson through our 2005 Annual Meeting on May 10, 2005 and has consisted of Mr. Aylesworth, as Chairman, Ms. DeMarse and Mr. Eio since our 2005 Annual Meeting. Our Board has determined that each of the current members of our Audit Committee, as well as the proposed nominees, meets the requirements of independence as set forth in Section 10A(m)(3) of the Securities Exchange Act of 1934, the rules and regulations promulgated by the SEC and the Nasdaq Listing Standards. Our Board has also determined that William A. Aylesworth is an Audit Committee financial

expert within the meaning of the rules and regulations promulgated by the SEC and he has accounting and related financial management expertise within the meaning of the Nasdaq Listing Standards.

Our Audit Committee has a written charter, which is available on our website at www.heska.com.

Compensation Committee

Our Compensation Committee has the following responsibilities:

- discharge the Board's responsibilities relating to compensation of our Executive Officers, including our Chief Executive Officer;
- oversee all compensation programs involving the use of our stock; and
- produce an annual report on Executive compensation for inclusion in our proxy statement for our annual meeting of stockholders.

During 2005, our Compensation Committee met five times. Our Compensation Committee consisted of Mr. Eio, as Chairman, Mr. Dolan, and Mr. Sasen through our 2005 Annual Meeting on May 10, 2005 and has consisted of Mr. Eio, as Chairman, Mr. Dolan and Mr. Gordon since our 2005 Annual Meeting.

The Board has determined that each of the current members of our Compensation Committee meets, as well as the proposed nominees, the requirements of independence as set forth in the rules and regulations promulgated by the SEC and the Nasdaq Listing Standards.

In August 2002, our Compensation Committee established a Committee designated as the Stock Option Committee, which was authorized to grant new and existing employees options to purchase shares of our common stock up to a specified limit without prior written consent of our Compensation Committee. The establishment of our Stock Option Committee was ratified by our Board in August 2002. The sole member of our Stock Option Committee since its inception has been Dr. Grieve, our Chairman and Chief Executive Officer. In August 2003, the authority of our Stock Option Committee was expanded to include grants of options to purchase shares of our common stock up to a specified limit to consultants and independent contractors who provide bona fide services to Heska.

Our Compensation Committee has a written charter, which is available on our website at www.heska.com.

Corporate Governance Committee

Our Corporate Governance Committee has the following responsibilities:

- assist our Board by identifying qualified candidates for Director, and select the Director nominees for each annual meeting of stockholders;
- lead our Board in its annual review of our Board's performance;
- recommend to our Board Director nominees for each Board Committee; and
- develop and recommend to our Board the corporate governance guidelines applicable to the Company.

During 2005, our Corporate Governance Committee met four times. Our Corporate Governance Committee consisted of Mr. Aylesworth, as Chairman, Mr. Dolan, and Mr. Gordon through our 2005 Annual

Meeting on May 10, 2005 and has consisted of Mr. Sasen, as Chairman, Mr. Aylesworth and Dr. Nova since our 2005 Annual Meeting. Our Board has determined that each of the current members of our Corporate Governance Committee, as well as the proposed nominees, meets the requirements of independence as set forth in the rules and regulations promulgated by the SEC and the Nasdaq Listing Standards.

Our Board established a Corporate Governance Committee in August 2001, and in February 2005 our Board revised its Corporate Governance Committee charter, which is available on our website at www.heska.com. In February 2005, our Corporate Governance Committee prepared, and our full Board approved, revised Corporate Governance Guidelines outlining the qualifications, responsibilities and other issues related to our Board's governance role and functions. A copy of such guidelines is available on our website at www.heska.com.

Consideration of Director Nominees

Our Corporate Governance Committee considers candidates for Board membership suggested by its members. Our Corporate Governance Committee has also utilized a third-party executive search firm in the past to identify candidates.

Our Corporate Governance Committee does not have an established policy for minimum qualifications of Director nominees. However, pursuant to our Corporate Governance Guidelines, our Corporate Governance Committee will consider, among other things, diversity, skills and experience in such areas as operations, finance, marketing and sales, manufacturing, technology and the general needs of our Board.

Our Corporate Governance Committee will also consider nominees recommended by stockholders provided such recommendations are made in accordance with the procedures described in this proxy statement under Questions and Answers About the Proxy Materials and the 2006 Annual Meeting. Although to date no stockholder has presented any candidate for Board membership to us, it is expected that recommendations from stockholders would generally be considered in the same manner as recommendations by a Director or an Officer of the Company.

Stockholder Communication with our Board

Stockholders can contact our Board, any Committee thereof, or any Director in particular, by writing to them, c/o Heska Corporation, 3760 Rocky Mountain Avenue, Loveland, Colorado 80538, Attn: Corporate Secretary. We will forward any correspondence sent in the foregoing manner to the appropriate addressee without review by management.

DIRECTOR COMPENSATION

2005 Director Compensation. In 2005, no employee Director received any separate compensation for their Board activities. Non-employee Directors received the compensation described below.

On the date of the May 2005 Annual Meeting, all eight continuing non-employee Directors who were Directors at the end of the immediately preceding calendar year automatically received options to purchase 40,000 shares of our common stock and each non-employee Director who served as Chairperson of a Committee of our Board automatically received additional options to purchase 2,000 shares of our common stock.

Each non-employee Director was entitled to choose, on an annual basis, whether to receive fees for meeting attendance in the form of cash payment or equity as fully vested stock options, as discussed in the following paragraph.

For each in-person Board and Board Committee meeting attended, each non-employee Director received a fee of \$2,000 per day. Each non-employee Director who elected to receive such meeting fees in equity received a fully vested grant of options to purchase a number of shares of our common stock equal to \$2,000 divided by two-thirds of the fair market value of our common stock. For each telephonic Board and Board Committee meeting, each non-employee Director received a fee of \$500 per meeting attended. Each non-employee Director who elected to receive such meeting fees in equity received a fully vested grant of options to purchase a number of shares of our common stock equal to \$500 divided by two-thirds of the fair market value of our common stock. The date of grant was the first business day of the week immediately following the conclusion of such meetings. Options granted to non-employee Directors had an exercise price equal to the fair market value of the common stock on the last trading date immediately preceding the date of grant.

All options granted to non-employee Directors in 2005 were fully vested at the time of grant. Directors were also reimbursed for customary and usual travel expenses. The form and amount of compensation paid to the non-employee Directors is reviewed from time to time by our Corporate Governance and our Compensation Committees. Any revisions to our Director Compensation Policy have been approved by our Corporate Governance Committee, our Compensation Committee and our Board. On February 24, 2005, we amended our Director Compensation Policy with the amended policy to be effective July 1, 2005; however in May 2005, our Board discussed the delay by the SEC in the effective date of Statement of Financial Accounting Standards No. 123 Share-Based Payments (SFAS No. 123R) from July 1, 2005 to January 1, 2006 and authorized the amended Director Compensation Policy effective date be postponed until the effective date of SFAS No. 123R. On August 25, 2005, we further amended our Director Compensation Policy, which became effective January 1, 2006 and is described below under 2006 Director Compensation .

The following table provides information for fiscal 2005 compensation for non-employee Directors who served during fiscal 2005.

No new non-employee Director may receive an initial grant and the annual grant for continuing Directors in the same year.

Non-employee Directors will continue to receive a fee of \$2,000, in cash or equity, per day for each in-person Board and Committee meeting attended and \$500, in cash or equity, per day for each telephonic Board and Committee meeting attended. Effective January 1, 2006, the value for all options to purchase shares of our common stock issued to non-employee Directors in accordance with the above will be determined pursuant to the Company's option valuation policy at the time of issuance. Non-employee Directors will also continue to be reimbursed for customary and usual travel expenses.

PROPOSALS TO BE VOTED ON

PROPOSAL NO. 1

ELECTION OF DIRECTORS

Our Board is divided into three classes serving staggered three-year terms. Directors for each class are elected at the Annual Meeting of Stockholders held in the year in which the term for their class expires.

The terms for three Directors will expire at this 2006 Annual Meeting. Effective immediately after our 2006 Annual Meeting, our Board will consist of eight rather than the current nine Directors, and, accordingly, we will elect only two Directors at the 2006 Annual Meeting. PROPOSAL NO. 2

RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTANT

On March 31, 2006, we dismissed KPMG LLP (KPMG) as our independent registered public accountant. The Company's Audit Committee recommended and approved the decision to change independent registered public accounting firms. Our Audit Committee appointed Ehrhardt Keefe Steiner and Hottman PC (EKS&H) as our independent registered public accountant for fiscal 2006.

The Board of Directors of the Company is submitting the appointment of EKS&H as the Company's independent registered public accountant for stockholder ratification at the 2006 Annual Meeting. A representative of EKS&H plans to attend the Annual Meeting.

KPMG served as our independent auditors from July 30, 2002 to March 31, 2006. Services provided to us by KPMG during fiscal years ended December 31, 2004 and 2005 are described under Auditor Fees and Services below. In connection with the audits of the two fiscal years ended December 31, 2004 and 2005, and during the subsequent interim period through March 31, 2006, we did not have any disagreements with KPMG on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreements, if not resolved to their satisfaction would have caused them to make reference in connection with their opinion to the subject matter of the disagreement. In addition, during the fiscal years ended December 31, 2004 and 2005 and through March 31, 2006, we had no reportable events (as defined in Item 304(a)(1)(v) of Regulation S-K).

During the years ended December 31, 2004 and 2005 and the subsequent period through March 31, 2006, neither the Company nor anyone acting on the Company's behalf consulted EKS&H regarding: (1) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's financial statements; or (2) any matter that was either the subject of a disagreement as defined in Item 304(a)(1)(iv) of Regulation S-K or a reportable event described in Item 304(a)(1)(v) of Regulation S-K.

Vote Required; Recommendation of our Board of Directors

Stockholder ratification of the appointment of EKS&H as our independent registered public accountant is not required by our bylaws or otherwise. Our Board, however, is submitting the appointment of EKS&H to the stockholders for ratification as a matter of good corporate governance practice. The affirmative vote of a majority of the shares present in person or by proxy at our Annual Meeting which are entitled to vote on the subject matter and have voted and chosen not to abstain is required to ratify the appointment of EKS&H as our independent registered public accountant for fiscal 2006. If the stockholders fail to ratify the appointment, our Audit Committee will reconsider whether or not to retain that firm. Even if the appointment is ratified, our Audit Committee in its discretion may direct the appointment of a different

independent registered public accountant at any time during the year if it determines that such a change would be in the best interests of the Company and its stockholders.

Our Board unanimously recommends a vote FOR the approval of EKS&H as our independent registered public accountant for fiscal 2006.

Employment, Severance and Change of Control Agreements

On March 29, 2006, we entered into a new employment agreement with Robert B. Grieve, Ph.D., our Chief Executive Officer, which supersedes and replaces his prior agreement dated February 23, 2000. The new agreement is for an initial term of three years and is automatically renewable every year for an additional one-year term, unless we notify Dr. Grieve at least 180 days in advance of the anniversary date of our intention not to renew. We will pay Dr. Grieve an annual salary of \$341,000, subject to subsequent adjustment at the discretion of the Board of Directors. Dr. Grieve is also eligible to participate in the Management Incentive Plan, or such other bonus programs established by the Compensation Committee of the Board of Directors, at a target percentage that is no less than 50% of Dr. Grieve's annual base salary then in effect (the Target Bonus), with the actual amount paid subject to adjustment based on Dr. Grieve's individual performance.

Dr. Grieve remains an at-will employee and either party may terminate the agreement for any reason at any time. However, if we terminate Dr. Grieve's employment without cause or he terminates his employment for good reason other than in connection with certain changes in control of the Company, he is entitled to receive: (i) one year of his base salary; (ii) one year paid health and dental benefit coverage; (iii) any bonuses that would have been received under the terms of the Management Incentive Plan pro-rated for the period beginning January 1 and ending on the date of separation, to be paid in the next fiscal year when payments are made to other participants in the Management Incentive Plan; and (iv) one year of additional vesting of all equity compensation awards held by Dr. Grieve at the time of termination. If we terminate Dr. Grieve's employment without cause or he terminates his employment for good reason in connection with certain changes in control of the Company, he is entitled to receive: (i) two years base salary, (ii) two years paid health and dental benefit coverage; (iii) a payment equal to the higher of: (a) two times Dr. Grieve's Target Bonus for the year in which the change in control occurred or (b) the highest annual bonus paid to Dr. Grieve over the preceding three fiscal years; and (iv) immediate vesting under any stock arrangement.

We have entered into an employment agreement with Jason A. Napolitano, our Executive Vice President, Chief Financial Officer and Secretary. Mr. Napolitano is an at-will employee and we can terminate his employment at any time. However, if we terminate Mr. Napolitano's employment without cause, he is entitled to receive (i) six months' base salary and (ii) six months of health and dental benefits. In the event Mr. Napolitano's employment is terminated following a change of control, he will be entitled to receive (i) one year's base salary, (ii) one year of health and dental benefits, and (iii) immediate vesting under any stock arrangements.

We have entered into an employment agreement with Carol T. Verser, Ph.D., our Executive Vice President, Intellectual Property and Business Development, Joseph H. Ritter, our Executive Vice President, Global Business Operations and Michael A. Bent, our Vice President, Principal Accounting Officer and Controller. Dr. Verser, Dr. Ritter and Mr. Bent are at-will employees and we can terminate their employment at any time. However, if we terminate their employment without cause, they will be entitled to receive (i) six months' base salary and (ii) six months of health and dental benefits. In the event their employment is terminated following a change of control, they will be entitled to receive (i) one year's base salary and (ii) one year of health and dental benefits. If they are terminated in connection with a change of control or within 12 months after a change of control, they will be entitled to immediate vesting under all outstanding stock options.

Loan to Executive Officer

In 1999, we approved a personal loan to Dr. Grieve for \$100,000, which was repaid in full as of December 23, 2005. Heska has no outstanding loans to its executive officers and will not provide any new loans to its executive officers in the future, in accordance with the Sarbanes-Oxley Act of 2002.

REPORT OF OUR COMPENSATION COMMITTEE

This report on executive compensation is provided by the Compensation Committee of Heska Corporation's Board of Directors (the Compensation Committee) to assist stockholders in understanding the objectives and procedures used in establishing the compensation of the Executive Officers of Heska Corporation (Heska or the Company). The Compensation Committee administers Heska's Executive compensation program and establishes the salaries of Heska's Executive Officers. The Compensation Committee consists of only non-employee Directors, who are appointed by Heska's Board of Directors (the Board), and all of whom meet the requirements of independence as set forth in the rules and regulations promulgated by the Securities and Exchange Commission and the Nasdaq Stock Market listing standards.

The Compensation Committee's responsibilities are to review the performance and development of Heska's management in achieving corporate goals and objectives and to assure that the Company's senior Executives are compensated effectively in a manner consistent with Heska's strategy and competitive practices. Toward that end, the Compensation Committee is responsible for establishing a compensation policy for Executives that is designed to (i) enhance the value and profitability of the Company and increase stockholder value, (ii) reward Executive Officers for their contribution to Heska's financial performance, (iii) recognize individual initiative, leadership, achievement, and other contributions, and (iv) provide competitive compensation that will attract and retain qualified executives. A copy of the charter for the Compensation Committee is available on the Company's website at www.heska.com.

Compensation Philosophy

The general philosophy of Heska's Compensation Committee is to provide Executive compensation designed to enhance stockholder value, including annual compensation consisting of salary and bonus awards

and long-term compensation consisting of equity based compensation. To this end, we design compensation plans and incentives designed to link the financial interests of our Executive Officers to the interest of Heska's stockholders, to encourage support of Heska's long-term goals, to tie Executive compensation to the Company's performance, to attract and retain talented leadership and to encourage significant ownership of Heska's common stock by Executive Officers.

In reviewing the compensation of Heska's Executives, we review the nature and scope of each Executive Officer's responsibilities as well as his or her effectiveness in supporting the Company's long-term goals. We also consider and review the compensation practices and programs of other companies competitive with Heska and have utilized the services of an outside consultant with extensive experience advising on compensation matters. Competition for skilled employees, particularly management level employees, in Heska's industry is intense and we seek to provide total compensation packages that will attract and retain superior caliber individuals, yet be consistent with Heska's financial situation and stage of development. Based upon these and other factors that we consider relevant, we have considered it appropriate, and in the best interests of Heska's stockholders, to set the overall Executive compensation near the mid-point of the range of companies in the comparison group we reviewed.

Compensation Components

Heska's compensation structure for Executive Officers currently includes a combination of base salary, an annual performance-based cash incentive under a management incentive plan and stock options.

Base Salary. We review each Executive's base salary annually. When reviewing base salaries, we consider compensation data from companies in medical, biotechnology and general industry groups that have similar revenues and/or are in a similar stage of development to Heska. Consideration is also given to prior performance, relevant experience, level of responsibility and skills and abilities of each Executive. We believe that salary levels for Heska's Executive Officers were at a level that, at the time such salary determinations were made, were reasonable and necessary given Heska's financial resources and the Company's stage of its development. At the request of Heska's Executive Officers, we have frozen the base salaries for all Heska Executive Officers in 2005 and 2006.

Management Incentive Plan. We believe that short-term (e.g. annual) performance based incentives play an important role in Executive compensation. Heska adopted a management incentive plan in 1999 to provide incentives to the Company's Executives to meet and exceed certain predetermined annual goals. Target annual incentives and specific performance criteria are established each year by Heska's Compensation Committee, with the actual payout to Executives based on the extent to which the specified performance criteria are met. We believe this approach provides a very strong incentive to Heska's management to achieve the stated annual goals. Based on the Company's performance during 2005 against the stated objective of net income, no Management Incentive Plan bonuses were paid to Heska's management for the fiscal year. Net income will be the primary performance criterion for Heska's 2006 Management Incentive Plan.

Stock Options. We believe that stock options to purchase shares of the Company's common stock provide excellent long-term incentives for Heska's Executive Officers to increase Heska's market value for the benefit of all stockholders. We are responsible for determining the number and terms of options to be granted to Executive

Officers, taking into account such factors as individual and Company performance, policies regarding cash compensation and practices of comparable companies. Options granted to Executive Officers generally have exercise prices equal to fair market value on the date of grant, expire ten years from the date of grant and, prior to 2005, vested monthly over a four-year period. Vesting ceases and the vested portion of options must be exercised within a certain period should an Executive leave Heska's employment (subject to any rights to partial acceleration of vesting upon termination without cause under employment agreements).

Accordingly, option grants will provide a return to an Executive Officer only if said Executive Officer remains with the Company and only if Heska's market price per share appreciates over the option term. We believe that these provisions help both to retain qualified employees and to motivate them to achieve long-term increases in stock value, providing continuing benefits to the Company and its stockholders beyond those in the year of grant. On February 24, 2005, the Board considered the significant impact that the use of fair values, rather than intrinsic values, for option grants likely to be required under recently proposed accounting rules would have on the Company's future results of operations, as well as factors including that the management team had requested that their salaries be frozen for 2005, many non-management employees' 2005 raises were to be below market levels, no management bonus payments were made for 2004 and the 2005 management incentive plan called for a performance in excess of the Company's internal budget before any bonus payments were to be made, and authorized the Company's Stock Option Committee (the "Stock Option Committee"), which consisted solely of the Company's Chief Executive Officer, to immediately vest all options granted from that date through June 30, 2005, and to accelerate the vesting of any outstanding but unvested stock options with a strike price that was not "in-the-money" at its discretion (the aggregate authorization to the Stock Option Committee to be known as the "Vesting Authorization") through June 30, 2005; for similar reasons and understanding the Securities and Exchange Commission had issued a release amending the compliance date for Statement of Financial Accounting Standards No. 123 "Share-Based Payments", on May 9, 2005, the Board approved the extension of the Vesting Authorization to the Stock Option Committee from June 30, 2005 to December 31, 2005. On March 30, 2005, the Stock Option Committee exercised its discretion and accelerated the vesting of outstanding but unvested stock options with a strike price greater than \$0.82. This action effected options to purchase approximately 750 thousand shares, approximately 55 thousand of which were held by the Company's Directors and Executive Officers. For reasons similar to those of the Board actions described above, we granted two groups of options with immediate vesting to Executive Officers and other key employees in 2005: options to purchase approximately 1.1 million shares on March 30, 2005 and options to purchase approximately 1.3 million shares on December 15, 2005 for 2005 long-term compensation and 2006 long-term compensation, respectively. While our practice in the past has generally been to grant long-term compensation awards in the beginning of a new year, we intend to consider such awards in the fourth quarter going forward. Accordingly, 2005 was a transition year and actually contained two years of long-term compensation grants. We are currently considering the level of long-term compensation awards we intend to grant in the future. In addition, we are currently considering alternatives regarding different forms of long-term compensation for future use, including the elimination or continued use of stock options.

Chief Executive Officer Compensation

The annual salary of Robert B. Grieve, Ph.D., Heska's Chief Executive Officer, is \$341,000 for 2006. At Dr. Grieve's request, his annual salary has not been increased since 2004. Dr. Grieve has not received a cash bonus since the payout from our 2003 Management Incentive Plan.

On March 30, 2005, we awarded Dr. Grieve an option to purchase 282,000 shares of common stock and on December 15, 2005, we awarded Dr. Grieve options to purchase 400,000 shares of common stock. The awards were part of the two groups of options granted in 2005 to Executive Officers and other key employees for long-term compensation discussed above. In both cases, the option award reflects Dr. Grieve's continued leadership of the Company and is intended to provide him with additional incentives to reach Heska's financial metrics and goals in the near term and beyond.

Compliance With Internal Revenue Code Section 162(m)

It is Heska's policy generally to qualify compensation paid to Executive Officers for deductibility under section 162(m) of the Internal Revenue Code. Section 162(m) generally disallows Heska from deducting the compensation of Executive Officers that exceeds \$1,000,000 unless that compensation is based on the satisfaction of objective performance goals. Heska has structured its Management Incentive Plan Master Document, its 2005 Management Incentive Plan and its 2006 Management Incentive Plan to qualify awards under such plans as performance-based compensation and to maximize the tax deductibility of such awards. However, the Company reserves the discretion to pay compensation to its Executive Officers that may not be deductible.

REPORT OF OUR AUDIT COMMITTEE

The ultimate responsibility for good corporate governance rests with Heska Corporation's Board of Directors (the Board), whose primary roles are oversight, counseling and direction to Heska Corporation's management in the best long-term interests of Heska Corporation (Heska or the Company) and its stockholders. The Audit Committee of the Board (the Audit Committee) has been established for the purpose of overseeing the accounting and financial reporting processes of the Company and audits of Heska's financial statements.

The Audit Committee operates under a written charter, a copy of which is available on Heska's website at www.heska.com. As described more fully in its charter, the purpose of the Audit Committee is to assist the Board in its oversight and monitoring of Heska's financial reporting, internal controls and audit function. Management is responsible for the preparation, presentation and integrity of Heska's financial statements; accounting and financial reporting principles; internal controls; and procedures designed to ensure compliance with accounting standards, applicable laws and regulations. The Audit Committee has hired an independent registered public accountant, who is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards. In accordance with the Sarbanes-Oxley Act of 2002, the Audit Committee has ultimate authority and responsibility to select, compensate, evaluate and, when appropriate, replace Heska's independent registered public accountant.

The Audit Committee members are not professional accountants or auditors, and their functions are not intended to duplicate or to certify the activities of management and the independent registered public accountant, nor can the Audit Committee certify that the independent registered public accountant is independent under applicable rules. The Audit Committee serves a board-level oversight role, in which it provides advice, counsel and direction to management and the auditors on the basis of the information it receives, discussions with management and the independent registered public accountant, and the experience of the Audit Committee's members in business, financial and accounting matters. The Audit Committee has the authority to engage its own outside advisers, including experts in particular areas of accounting, as it determines appropriate, apart from counsel or advisers hired by management.

In this context, during the year 2005, we met and held discussions with management and KPMG LLP (KPMG), Heska's independent registered public accountant at the time. Management represented to us that Heska's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and we have reviewed and discussed the consolidated financial statements with management and KPMG. In Audit Committee meetings with KPMG, we discussed matters as required by Statement of Auditing Standards No. 61 (Communication with Audit Committees). Our review included a discussion with management of the quality, not merely the acceptability, of Heska's accounting principles, the reasonableness of significant estimates and judgments and the disclosure in Heska's consolidated financial statements.

We received from KPMG the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and discussed with KPMG its independence. In reliance on the reviews and discussions noted above, and the report of the independent registered public accountant, we recommended to the Board that the Company's audited financial statements be included in its Annual Report on Form 10-K for the year ended December 31, 2005, and be filed with the Securities and Exchange Commission.

On March 31, 2006, we dismissed KPMG as Heska's independent registered public accountant and engaged Ehrhardt Keefe Steiner & Hottman PC (EKS&H) as Heska's independent registered public accountant. An extensive search was conducted to evaluate Heska's alternatives regarding independent registered public accountants, including face-to-face interviews conducted by the Chairman of the Audit Committee. We believe EKS&H is compatible with a company Heska's size and we believe EKS&H will conduct a high quality, cost-effective audit.

KPMG served as Heska's independent auditors from July 30, 2002 to March 31, 2006. In connection with the audits of the two fiscal years ended December 31, 2004 and 2005, and during the subsequent interim period through March 31, 2006, the Company did not have any disagreements with KPMG on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreements, if not resolved to their satisfaction would have caused them to make reference in connection with their opinion to the subject matter of the disagreement. In addition, during the fiscal years ended December 31, 2004 and 2005 and through March 31, 2006, the Company had no reportable events (as defined in Item 304(a)(1)(v) of Regulation S-K).

Edgar Filing: HESKA CORP - Form DEF 14A

During the years ended December 31, 2004 and 2005 and the subsequent period through March 31, 2006, neither the Company nor anyone acting on the Company's behalf consulted EKS&H regarding: (1) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's financial statements; or (2) any matter that was either the subject of a disagreement as defined in Item 304(a)(1)(iv) of Regulation S-K or a reportable event described in Item 304(a)(1)(v) of Regulation S-K.

ADDITIONAL INFORMATION

Incorporation by Reference

The Report of our Compensation Committee, the Report of our Audit Committee and the Stock Price Performance graph above, shall not be deemed soliciting material or filed or incorporated by reference in future filings with the SEC, or subject to the liabilities of Section 18 of the Exchange Act, except to the extent that the Company specifically incorporates them by reference into a document filed under the Securities Act of 1933, as amended, or the Exchange Act.

Householding of Proxy Materials

The SEC has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as householding, potentially provides extra convenience for stockholders and cost savings for companies. Heska and some brokers household proxy materials, delivering a single proxy statement to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker or us that they or we will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement, or if you are receiving multiple copies of the proxy statement and wish to receive only one, please notify your broker if your shares are held in a brokerage account or us if you hold registered shares. You can notify us by sending a written request to Investor Relations, Heska Corporation, 3760 Rocky Mountain Avenue, Loveland, Colorado 80538.

OTHER MATTERS

Our Board knows of no other matters to be presented for stockholder action at our Annual Meeting. However, if other matters do properly come before our Annual Meeting or any adjournments or postponements thereof, our Board intends that the persons named in the proxies will vote upon such matters in accordance with their best judgment.
