Item 1.01. Entry into a Material Definitive Agreement.

On May 12, 2006, TransMontaigne Inc. announced that it had entered into an amendment to the definitive merger agreement previously executed on March 27, 2006, with SemGroup, L.P. and certain of its affiliated entities (SemGroup). On May 11, 2006, SemGroup delivered to us an amended and restated merger agreement that increased the cash payment to holders of our capital stock from \$9.75 per share to \$10.75 per share. In addition, SemGroup eliminated the former financing and due diligence contingencies as a prerequisite to closing, and substantially increased the financial threshold at which SemGroup would be permitted to terminate the transaction in the event of an unfavorable response from any governmental antitrust authority. Before SemGroup would be permitted to terminate the merger agreement, the effects of complying with the governmental antitrust authority s response would have to result in a material adverse effect upon the combined entities, taken as a whole.

Other than the changes noted above, the amended and restated merger agreement is substantially similar to the SemGroup merger agreement executed on March 27, 2006, as previously disclosed in our 8-Ks filed with the Securities and Exchange Commission (the SEC) on March 28 and March 29, 2006.

The foregoing description of the amended and restated merger agreement does not purport to be complete and is qualified in its entirety by reference to the amended and restated merger agreement and the press release announcing the transaction, which are attached hereto as Exhibit 2.1 and 99.1, respectively, and incorporated herein by reference.

Additional Information and Where to Find It

Edgar Filing: TRANSMONTAIGNE INC - Form DEFA14A

On May 1, 2006, we filed preliminary proxy materials regarding the proposed merger with SemGroup with the SEC. TransMontaigne currently expects to file amended proxy materials with the SEC as soon as reasonably practicable. Upon receipt of all necessary approvals, TransMontaigne then will mail to its stockholders definitive materials regarding the transaction as soon as practicable thereafter. Such proxy materials will contain information about TransMontaigne, the proposed merger and related matters. Stockholders are urged to read the amended proxy statement carefully when it is available, as it will contain important information that stockholders should consider before making a decision about the merger. In addition to receiving the proxy statement from TransMontaigne by mail, stockholders also will be able to obtain the proxy statement, as well as other filings containing information about TransMontaigne, without charge, from the Securities and Exchange Commission's website (<http://www.sec.gov>) or, without charge, from TransMontaigne at <http://www.transmontaigne.com>.

This announcement is neither a solicitation of proxy, an offer to purchase, nor a solicitation of an offer to sell shares of TransMontaigne. TransMontaigne and its executive officers and directors may be deemed to be participants in the solicitation of proxies from TransMontaigne's stockholders with respect to the proposed merger. Information regarding any interests that TransMontaigne's executive officers and directors may have in the transaction will be set forth in the proxy statement.
