THE ANNUAL MEETING AND PROXY SOLICITATION

When and Where the Annual Meeting will be Held

This proxy statement is being furnished to our stockholders in connection with the solicitation of proxies by our management, at the direction of our Board of Directors, for use at the annual meeting of Insure.com stockholders to be held on May 17, 2007 at 9:00 a.m., Central Daylight Savings Time, at our offices, located at 8205 S. Cass Avenue, Suite 102, Darien, Illinois 60561, and any adjournments thereof. This proxy statement and the enclosed Notice of Annual Meeting and form of proxy are first being sent to stockholders on or about April 10, 2007.

What will be Voted on

At the annual meeting, you will be asked to consider and vote on:

- a proposal to elect two persons to our Board of Directors to serve until the 2010 Annual Meeting of Stockholders;
- a proposal to ratify the appointment of BDO Seidman, LLP as our independent registered public accounting firm for the year ending December 31, 2007;
- any other business as may properly come before the annual meeting or any adjournment thereof.

For the reasons set forth in more detail elsewhere in this proxy statement, our Board of Directors recommends a vote FOR the approval of each of the proposals set forth above.

Who may Vote at the Annual Meeting

The Board of Directors has fixed the close of business on April 2, 2007 as the record date for the annual meeting. Stockholders of record as of the record date are entitled to notice of and to vote at the annual meeting. If you own shares of Insure.com common stock that are registered in someone else's name (for example, a nominee), you need to direct that person to vote those shares or obtain an authorization from them and vote the shares yourself at the meeting. A list of stockholders entitled to vote at the annual meeting will be available for inspection by stockholders for any purpose germane to the annual meeting at our offices for the ten days immediately preceding the annual meeting date. At the close of business on the record date, 7,301,469 shares of common stock were outstanding held by approximately 1,200 stockholders of record. Each stockholder is entitled to one vote for each share of Insure.com common stock held as of the record date on all matters to be considered at the annual meeting.

How to Vote

You may vote in person or by proxy. The proxy card accompanying this proxy statement is solicited on behalf of our Board of Directors for use at the annual meeting. You are urged to complete, sign and date the accompanying form of proxy and return it as soon as possible in the envelope provided for that purpose. Returning a proxy card does not prevent you from attending the annual meeting or from changing your vote. If the enclosed proxy is properly executed and returned in time for voting with a choice specified thereon, and not properly revoked, the shares represented thereby will be voted as indicated on such proxy. Executed but unmarked proxies will be voted by the person(s) named thereon (i) FOR the election of the nominees named herein as a director (or a substitute therefor if the nominee is unable or refuses to serve), (ii) FOR the ratification of BDO Seidman, LLP as our independent registered public accounting firm for 2007, and (iii) in the discretion of such person(s) upon such matters not presently known or determined that properly may come before the annual meeting. If you wish to designate a person or persons to act as your proxy at the annual meeting, other than the proxies designated by the Board of Directors, you may strike out the names appearing on the enclosed form of proxy, insert the name of any

other such person or persons, sign the proxy and transmit it directly to such other designated person or persons for use at the annual meeting.

Our Board of Directors knows of no other matters that may be brought before the meeting. However, if any other matters are properly presented for action, it is the intention of the named proxies to vote on them according to their best judgment.

How to Change your Vote

You may revoke a proxy at any time before the meeting is convened by filing with the secretary of Insure.com an instrument of revocation or a duly executed proxy bearing a later date. You may also revoke a proxy by attending the annual meeting and voting in person, although attendance at the annual meeting will not, in and of itself, constitute a revocation of proxy.

Quorum and Vote Required

Stockholders do not have the right to cumulate their votes in the election of directors. A majority of the shares entitled to vote at and present, in person or by proxy, at the annual meeting will constitute a quorum. If a quorum is present, the affirmative vote of a plurality of such shares will be sufficient to elect a director. The affirmative vote of a majority of such shares will be sufficient to ratify the appointment of the independent registered public accounting firm.

Abstentions and Broker Non-Votes

Abstentions and broker non-votes will be treated as present at the annual meeting for purposes of reaching a quorum. Abstentions shall have no effect on the election of a director but shall be treated as a vote against the ratification of the independent registered public accounting firm.

Solicitation of Proxies and Expenses of Solicitation

The cost of soliciting proxies will be borne by Insure.com. In addition to solicitation by mail, our directors, officers and employees may solicit proxies in person or by telephone. Brokers, nominees, fiduciaries and other custodians will be requested to forward soliciting materials to the beneficial owners of shares of Insure.com common stock and will be reimbursed by us for their reasonable expenses in forwarding such materials.

We currently intend to retain all future earnings to finance the growth and development of our business. Any future determination as to the payment of dividends will be made by our Board of Directors and will depend on our results of operations, financial condition, capital requirements, and any other factors our Board of Directors considers relevant, including the restrictions contained in the investor rights agreement.

PROPOSAL 1. ELECTION OF DIRECTORS

Our Board of Directors is currently comprised of seven directors divided into three classes serving staggered three-year terms. Each year, the directors of one class will stand for election as their terms of office expire. Messrs. Bland, Shannon and Thoms are designated as Class III directors with their terms of office expiring in 2008.

The Board has nominated Admiral Denton and Mr. Hopkins for re-election to the Board at the annual meeting, and they have indicated their willingness to serve if elected. In the event that a nominee should become unwilling or unable to serve as a director, all duly executed proxies shall be voted for the election of such other person as may be designated by the Board of Directors. Unless authority to vote for a nominee is withheld, all votes represented by a properly executed proxy will be cast in favor of the nominees.

Pursuant to the investor rights agreement we entered into with Zions Bancorporation, Messrs. Bland and Thoms, their spouses and the partnership through which Mr. and Mrs. Bland hold their common stock, we have agreed to, among other things, nominate an individual designated by Zions to serve on the Board of Directors. Board Committees and Meetings

Our Board of Directors met four times during 2006, pursuant to scheduled quarterly Board meetings. In accordance with the NASD marketplace rules, we have determined that Messrs. Gretsich, Shannon, Hopkins and Rueben and Admiral Denton are independent within the meaning of the NASD marketplace rules. In accordance with the NASD marketplace rules, the independent directors meet separately, without the non-independent directors present, following each regularly scheduled quarterly Board meeting. We do not have a policy regarding board members' attendance at the annual meeting. However, each director attended our 2006 annual meeting of stockholders, other than Messrs. Denton, Gretsich and Rueben.

Our Board of Directors has an executive committee, an audit committee, a nominating committee and a compensation committee. Each member of our Board of Directors satisfies the independence requirements established by the NASD marketplace rules, other than Messrs. Bland and Thoms. The nominating committee will consider for recommendation to the Board nominations made by stockholders that comply with the procedures described below under the caption "2008 Stockholder Proposals."

Our nominating committee consists of Messrs. Gretsich, Shannon and Rueben, each of whom is independent within the meaning of the NASD marketplace rules. The nominating committee is governed by a written charter approved by the Board of Directors. A copy of the charter was attached as Exhibit A

to the proxy statement for our 2005 annual meeting. Once our nominating committee has identified a possible nominee (whether through a recommendation from a shareholder or otherwise), the members of the nominating committee make an initial determination as to whether to conduct a full evaluation of the candidate. This initial determination is based on the information provided to the nominating committee when the candidate is recommended, the committee's own knowledge of the prospective candidate and information, if any, obtained by the committee's inquiries. The preliminary determination is based primarily on the need for additional Board members to fill vacancies, expand the size of the Board of Directors or obtain representation in market areas without Board representation and the likelihood that the candidate can satisfy the evaluation factors described below. If the nominating committee determines that additional consideration is warranted, it may gather additional information about the candidate's background and experience. The nominating committee then evaluates the prospective nominee against the following standards and qualifications:

- Achievement, experience and independence;
- Wisdom, integrity and judgment;
- Understanding of the business environment; and
- Willingness to devote adequate time to Board duties.

The nominating committee also considers such other relevant factors as they deem appropriate, including the current composition of the Board, the need for audit committee or other expertise and the evaluations of other candidates. In connection with this evaluation, the nominating committee determines whether to interview the candidate. If the nominating committee decides that an interview is warranted, one or more of the members, and others as appropriate, interviews the candidate in person or by telephone. After completing this evaluation and interview, the nominating committee makes a recommendation to the full Board of Directors as to the persons who should be nominated by the Board, and the Board determines the nominees after considering the recommendation and report of the nominating committee. The nominating committee met once in 2006.

Our executive committee consists of Messrs. Bland, Thoms and Rueben. The executive committee is authorized to exercise, between meetings of our Board of Directors, all of the powers and authority of our Board of Directors in the direction and management of Insure.com, except to the extent prohibited by applicable law or our certificate of incorporation, or another committee shall have been given authority over the matter. The executive committee did not meet during 2006.

Our audit committee consists of Messrs. Gretsche, Shannon, Rueben and Hopkins. Information regarding the functions performed by the committee is set forth in this proxy statement under the caption Report of the Audit Committee. The audit committee is governed by a written charter approved by the Board of Directors. A copy of the charter is attached as Annex A to this proxy. The audit committee has reviewed and reassessed the adequacy of the formal written charter on an annual basis since its adoption. Mr. Hopkins serves as the audit committee's financial expert. The audit committee met four times during 2006. Each member of the audit committee satisfies the independence requirements established by the NASD marketplace rules.

Our compensation committee consists of Messrs. Gretsche, Shannon, Hopkins and Rueben, each of whom is independent within the meaning of the NASD marketplace rules. The compensation committee receives recommendations from the Chief Executive Officer, and makes recommendations to the Board of Directors, concerning salaries and incentive compensation for our executive officers and administers our employee benefit plans. The compensation committee met once during 2006.

During 2006, all members of the Board of Directors attended at least 75% of the Board of Directors' meetings and their respective committee meetings, except for Admiral Denton.

Director Compensation

Directors who are also employees of Insure.com (Messrs. Bland and Thoms) receive no additional compensation for serving on our Board of Directors. Non-employee directors receive an annual stipend of \$16,000 and \$500 per committee meeting attended. In addition, we reimburse non-employee directors for all reasonable travel and other expenses incurred in connection with attending Board and committee meetings. Non-employee directors are also eligible to receive stock option grants under the Insure.com, Inc. 1997 Stock Option Plan. No options were granted to non-employee directors in 2005 or 2006.

The following table presents the compensation paid to our directors in 2006.

Stockholder Communications

Historically, Insure.com has not adopted a formal process for stockholder communications with the Board of Directors. Nevertheless, every effort has been made to ensure that the views of stockholders are heard by the Chairman of the Board, the Board of Directors or individual directors, as applicable, and that appropriate responses are provided to stockholders in a timely manner. Stockholders are free to contact any director or executive officer directly by writing in care of Insure.com or by sending an email to board@insure.com. Stockholders can contact the audit committee directly by sending an email to audit@insure.com. In the past, stockholders have contacted the executive officers if they have concerns. Two of our largest individual shareholders are members of the Board of Directors, and one other large shareholder has the right to nominate a director pursuant to the investor rights agreement described below.

Insure.com believes its responsiveness to stockholder communications to the Board of Directors has been excellent.

- Zions will have preemptive rights to subscribe for future issuances of our securities, other than issuances under certain authorized or issued options, under our employee stock purchase plan, or in a registered offering;
- We will comply with certain covenants regarding the operation of our business;
- The number of directors on our board of directors will be fixed at seven, and Zions will be entitled to nominate or appoint one of such directors;

 - amend or propose to amend our charter or bylaws;
 - liquidate, dissolve, recapitalize, or effect a stock split or reverse stock split, or obligate ourselves to do so;
 - engage in any other business other than the business we are currently engaged in; or
 - declare any dividends or distributions.

We agreed to maintain certain directors' and officers' liability insurance for the director nominated or appointed by Zions, and to indemnify and hold harmless such director to the same extent as all of our other directors.

In addition, Robert S. Bland and William V. Thoms agreed that, for so long as Zions holds 40% of the shares of stock it originally purchased from us, if either proposes to sell any of their Insure.com common stock, subject to certain exceptions, they will afford Zions the right to participate proportionately in such sale.

Mr. Bland and Mr. Thoms also granted to Zions, and Zions granted to us, Mr. Bland and Mr. Thoms, a right of first refusal with respect to certain transfers of their shares of our common stock.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The Company's compensation committee is empowered to review and approve the annual compensation and compensation procedures for our executive officers of the Company.

Objectives of the Company's Compensation Program

The primary objective of our compensation program, including our executive compensation program, is to attract and retain qualified executives who are dedicated to achieving our goals. A further objective of our compensation program is to provide incentives and reward the individual executives for their financial and other contributions to the Company. In addition, we want to promote an ownership mentality among key leadership and the Board of Directors. Finally, we want to ensure that our compensation program is perceived as fundamentally fair to our employees and stockholders.

What Our Compensation Program is Designed to Reward

Edgar Filing: INSURE.COM, INC - Form DEF 14A

Our compensation program is designed to reward each executive's contribution to the Company. In measuring the executive officers' contribution to the Company, the compensation committee considers numerous factors including the Company's growth and financial performance. Regarding most compensation matters, including executive and director compensation, our management provides recommendations to the compensation committee; however, the compensation committee does not delegate any of its functions to others in setting compensation. We have not previously and do not currently engage any consultant related to executive and/or director compensation matters.

Stock price performance has not generally been a factor in determining annual compensation because the price of the Company's common stock is subject to a variety of factors outside our control. The Company does not have an exact formula for allocating between cash and non-cash compensation.

Elements of Our Compensation Program and Why We Chose Each (How It Relates to Objectives)

Annual executive officer compensation consists primarily of a base salary component. It is the Compensation Committee's intention to set total executive cash compensation sufficiently high to attract and retain a strong motivated leadership team, but not so high that it creates a negative perception with our other stakeholders. Certain of our officers receive bonuses tied to the achievement of set objectives for which they have direct responsibility, for example, life insurance policy sales or policy placement levels.

Four of our executive officers each received 20,000 stock option grants in 2006 under our stock option plan. We believe that through our stock option plan, the economic interests of our officers are more closely aligned with those of the shareholders. The number of stock options granted to each officer is made on a discretionary, rather than formula basis by the compensation committee.

How the Company Chose the Amounts Each Element of Compensation

Each executive officer's current and prior compensation is considered in setting future compensation. In addition, we review the compensation practices of other companies which we view as our competitors. To some extent, our compensation plan is based on the market and the companies we compete with for executives. The elements of our plan (e.g., base salary, bonus and stock options) are clearly similar to the elements used by many companies. The exact base pay, bonus and stock option grant are chosen in an attempt to balance our competing objectives of fairness to all stakeholders and attracting and retaining officers.

The grant date for stock option grants to executives is established when our compensation committee approves the grant. The exercise price of each of our stock options grants is the market closing price on the grant date. If at the time of any planned option grant date any member of our Board of Directors or executive officers is aware of material non-public information, the Company would not generally make the planned stock option grant.

Accounting and Tax Considerations

Our stock option grant policies have not been impacted by the implementation of SFAS No. 123R, which we adopted in the first quarter of fiscal year 2006. Under this accounting pronouncement, we are required to value unvested stock options granted prior to our adoption of SFAS 123 under the fair value method and expense those amounts in the income statement over the stock options remaining vesting period. We did not accelerate the vesting of any stock options prior to the implementation of SFAS No. 123R.

We have structured our compensation program to comply with Internal Revenue Code Sections 162(m) and 409A. Under Section 162(m) of the Internal Revenue Code, a limitation was placed on tax deductions of any publicly-held corporation for individual compensation to certain executives of such corporation exceeding \$1,000,000 in any taxable year, unless the compensation is performance-based. If an executive is entitled to nonqualified deferred compensation benefits that are subject to Section 409A, and such benefits do not comply with Section 409A, then the benefits are taxable in the first year they are not subject to a substantial risk of forfeiture. In such case, the service provider is subject to regular federal income tax, interest and an additional federal income tax of 20% of the benefit includible in income. The Company has no individuals with non-performance based compensation paid in excess of the Internal Revenue Code Section 162(m) tax deduction limit.

REPORT OF THE AUDIT COMMITTEE

THE FOLLOWING REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS SHALL NOT BE DEEMED TO BE SOLICITING MATERIAL OR TO BE INCORPORATED BY REFERENCE BY ANY GENERAL STATEMENT INCORPORATING BY REFERENCE THIS PROXY STATEMENT OR ANY PORTION HEREOF INTO ANY FILING UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR THE SECURITIES EXCHANGE ACT OF 1934, AS AMENDED, EXCEPT TO THE EXTENT WE SPECIFICALLY INCORPORATE THIS REPORT THEREIN, AND SHALL NOT OTHERWISE BE DEEMED FILED UNDER SUCH ACTS.

The audit committee oversees the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the audit committee reviewed the audited financial statements in the Company's Annual Report on Form 10-K with management, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The audit committee reviewed with the independent registered public accounting firm, who are responsible for expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the audit committee by Statement on Auditing Standards No. 61 (Communication with Audit Committees). The audit committee also received written disclosures and the letters from the independent registered public accounting firm required by Independence Standards Board Standard No. 1 (Independent Discussions with Audit Committees), and the audit committee discussed with the independent registered public accounting firm that firm's independence.

The audit committee discussed with the independent registered public accounting firm the overall scope and plans for their audit. The audit committee meets with the independent registered public accounting firm, with and without management present, to discuss the results of their examination, their evaluation of the Company's internal controls, and the overall quality of the Company's financial reporting. The Committee held four meetings during 2006.

In reliance on the reviews and discussions referred to above, the audit committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2006 for filing with the Securities and Exchange Commission. The audit committee and the Board have also recommended, subject to shareholder approval, the selection of the Company's independent registered public accounting firm.

PROPOSAL 2. RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Subject to ratification by the stockholders, the audit committee and the Board of Directors have selected BDO Seidman, LLP to serve as our independent registered public accounting firm to audit the financial statements of the Company for the year ended December 31, 2007. Ernst & Young LLP served as our independent registered public accounting firm for the year ended December 31, 2006. Representatives of the firms of Ernst & Young LLP and BDO Seidman, LLP will be present at the annual meeting and will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

On March 8, 2007, Company changed its registered public accounting firm. The Company dismissed Ernst & Young LLP (E&Y) as its independent registered public accounting firm. The decision to end the Company s relationship with E&Y was made and approved by the Audit Committee of the Company s Board of Directors and the Board of Directors.

The reports of E&Y on the Company s financial statements for the fiscal years ended December 31, 2006 and December 31, 2005 contained no adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principle.

During the fiscal years ended December 31, 2006 and December 31, 2005, and the interim period from January 1, 2007 until March 8, 2007, there were no disagreements with E&Y on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of E&Y, would have caused E&Y to make reference to the subject matter of the disagreement in its reports. During the fiscal years ended December 31, 2006 and December 31, 2005, and the interim period from January 1, 2007 until March 8, 2007, there were no reportable events within the meaning of Item 304(a)(1)(v) of Regulation S-K.

The Company has provided E&Y with a copy of this disclosure and requested that E&Y furnish it with a letter addressed to the Securities and Exchange Commission (the SEC) stating whether it agrees with the above statements, and if not, stating the respects in which it does not agree. A copy of the letter from E&Y addressed to the SEC, dated March 12, 2007 and relating to the fiscal years ended December 31, 2006 and December 31, 2005 and the interim period from January 1, 2007 until March 8, 2007, was filed as Exhibit 16.1 to the Company s March 12, 2007 Current Report on Form 8-K.

On March 8, 2007, the Company approved the engagement of BDO Seidman, LLP (BDO) as the Company s new independent registered public accounting firm for the fiscal year ending December 31, 2007. During the fiscal years ended December 31, 2006 and December 31, 2005, and the interim period from January 1, 2007 until March 8, 2007, neither the Company nor anyone acting on its behalf consulted BDO regarding either (1) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company s consolidated financial statements or (2) any matter that was (a) either the subject of a disagreement with E&Y on accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which, if not resolved to the satisfaction of E&Y, would have caused E&Y to make reference to the subject matter of the disagreement in its reports, or (b) a reportable event as defined in Item 304(a)(1)(v) of Regulation S-K.

Pre-Approval Policies and Procedures

The audit committee has adopted a policy that requires advance approval of all audit, audit-related, tax services, and other services performed by the independent registered public accounting firm. The policy provides for pre-approval by the audit committee of specifically defined audit and non-audit services. Unless the specific service has been pre-approved with respect to that year, the audit committee must approve the permitted service before the independent registered public accounting firm is engaged to perform it. The audit committee has delegated to the chair of the audit committee the authority to approve permitted services provided that the chair reports any decisions to the audit committee at its next scheduled meeting. All of the fees described above for 2006 and 2005 were pre-approved by the audit committee using these procedures.

The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the annual meeting will be required to ratify the selection of BDO Seidman, LLP, as our independent registered public accounting firm for 2007. In the event stockholders fail to ratify the appointment of BDO Seidman, LLP, the Board of Directors will reconsider its selection. Even if the selection is ratified, the Board of Directors, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time if the Board of Directors determines that such a change would be in our best interests.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE RATIFICATION OF BDO SEIDMAN, LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2007.

OTHER MATTERS

The Board of Directors is not aware of any matters to be presented at the annual meeting other than those listed in the notice of the meeting. If any other matters do come before the annual meeting, it is intended that the holders of proxies solicited by the Board of Directors will vote on such other matters in their discretion in accordance with their best judgment.

The committee shall be directly responsible for the appointment and termination (subject to stockholder ratification), compensation, and oversight of the work of the independent auditors, including resolution of disagreements between management and the auditor regarding financial reporting. The committee shall pre-approve all audit and non-audit services provided by the independent auditors and shall not engage the independent auditors to perform the specific non-audit services proscribed by law or regulation. The committee may delegate pre-approval authority to a member of the audit committee. The decisions of any audit committee member to whom pre-approval authority is delegated must be presented to the full audit committee at its next scheduled meeting.

At least annually, the committee shall obtain and review a report by the independent auditors describing:

- The firm's internal quality control procedures.
- Any material issues raised by the most recent internal quality control review, or peer review, of the firm, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the firm, and any steps taken to deal with any such issues.
- All relationships between the independent auditor and the Company (to assess the auditor's independence).

In addition, the committee shall set clear hiring policies for employees or former employees of the independent auditors that meet the SEC regulations and Nasdaq Stock Market listing standards.

The committee shall discuss with the independent auditors the overall scope and plans for their audit, including the adequacy of staffing and compensation. Also, the committee shall discuss with management and the independent auditors the adequacy and effectiveness of the accounting and financial controls, including the Company's policies and procedures to assess, monitor, and manage business risk, and legal and ethical compliance programs.

The committee shall meet separately periodically with management and the independent auditors to discuss issues and concerns warranting committee attention. The committee shall provide sufficient opportunity for the independent auditors to meet privately with the members of the committee. The committee shall review with the independent auditor any audit problems or difficulties and management's response.

The committee shall receive regular reports from the independent auditor on the critical policies and practices of the Company, and all alternative treatments of financial information within generally accepted accounting principles that have been discussed with management.

The committee shall review management's assertion on its assessment of the effectiveness of internal controls as of the end of the most recent fiscal year and the independent auditors' report on management's assertion.

The committee shall review and discuss earnings press releases, as well as financial information and earnings guidance provided to analysts and rating agencies.

The committee shall review the interim financial statements and disclosures under Management's Discussion and Analysis of Financial Condition and Results of Operations with management and the independent auditors prior to the filing of the Company's Quarterly Report on Form 10-Q. Also, the committee shall discuss the results of the quarterly review and any other matters required to be

communicated to the committee by the independent auditors under generally accepted auditing standards. The chair of the committee may represent the entire committee for the purposes of this review.

The committee shall review with management and the independent auditors the financial statements and disclosures under Management's Discussion and Analysis of Financial Condition and Results of Operations to be included in the Company's Annual Report on Form 10-K, including their judgment about the quality, not just the acceptability, of accounting principles, the reasonableness of significant judgments, and the clarity of the disclosures in the financial statements. Also, the committee shall discuss the results of the annual audit and any other matters required to be communicated to the committee by the independent auditors under generally accepted auditing standards.

The committee shall establish procedures for the receipt, retention, and treatment of complaints received by the issuer regarding accounting, internal accounting controls, or auditing matters, and the confidential, anonymous submission by employees of the issuer of concerns regarding questionable accounting or auditing matters.

The committee shall review management's monitoring of the Company's compliance with the Company's ethical code.

The committee shall receive corporate attorneys' reports of evidence of a material violation of securities laws or breaches of fiduciary duty.

The committee also prepares its report to be included in the Company's annual proxy statement, as required by SEC regulations.

The committee shall perform an evaluation of its performance at least annually to determine whether it is functioning effectively.
