On October 31, 2007, Duke Energy Corporation (the Company) entered into an amended and restated Duke Energy Corporation Executives Savings Plan (the ESP) and Duke Energy Corporation Directors Savings Plan (the DSP). The ESP is a nonqualified deferred compensation plan that permits selected executives to defer base pay, short-term incentives awards and certain long-term incentive awards on a tax-favored basis, and receive company matching contributions to the extent such contributions could not be made under the Company's tax qualified 401(k) plan due to Internal Revenue Code limits. The DSP is a nonqualified deferred compensation plan that permits non-employee members of the Company's board of directors to defer retainers (cash and stock) and meeting fees on a tax-favored basis. In connection with the entry into the ESP and DSP, the Company also merged the legacy Cinergy Corp. nonqualified deferred compensation plans for executives and non-employee directors into the ESP and DSP, respectively, and amended the plans to reflect the restrictions on nonqualified deferred compensation plans that are contained in Section 409A of the Internal Revenue Code. The ESP and DSP are attached hereto as Exhibits 10.1 and 10.2 and incorporated herein by reference.
