In addition to the above and in connection with the Refinancing, on February 22, 2008, Crdentia issued a Common Stock Purchase Warrant to ComVest to purchase up to eight million (8,000,000) shares of Common Stock of Crdentia with an exercise price of \$0.001 per share (the Warrant). II. GENERAL TERMS

Section 2.01. Revolving Credit Loans.

(a) Subject at all times to all of the terms and conditions of this Agreement, the Lender hereby agrees to extend to the Borrower a secured revolving credit facility, from the

Closing Date to the Revolving Credit Maturity Date, in an aggregate principal amount not to exceed, at any time outstanding, the lesser of (i) the Borrowing Base at the subject time, or (ii) \$5,200,000 (the Revolving Credit Commitment).

(b) Such revolving credit loans are herein sometimes referred to individually as an Advance and collectively as the Advances. Subject at all times to all of the terms and conditions of this Agreement, from the Closing Date to the Revolving Credit Maturity Date and within the limits of the Revolving Credit Commitment, the Lender shall lend, and the Borrower may borrow, prepay (without premium or penalty) and reborrow under this Section 2.01. Each request for an Advance (i) shall be irrevocable, (ii) shall be deemed to constitute an express affirmation that all conditions precedent set forth in part B of Article IV below are satisfied on the date of such request and will be satisfied on the requested Borrowing Date, and (iii) shall be made to the Lender in writing, not later than three (3) Business Days prior to the requested Borrowing Date, by an authorized officer of the Borrower or by telephonic communication by such authorized officer to the Lender, which shall be confirmed by written notice to the Lender to be delivered to the Lender by the Business Day next following the subject request. In no event shall the Borrower request, or shall the Lender be required to honor, (A) any request for an Advance in an amount greater than the Availability at such time, (B) any request for an Advance in an amount less than \$100,000, or (C) more than one request for the borrowing of Advances in any seven (7) calendar day period.

(c) The Borrower shall pay the Lender interest on all Advances at the rate(s) per annum as in effect from time to time in accordance with the Revolving Credit Note. Such interest shall be payable monthly in arrears on the first day of each calendar month and on the Revolving Credit Maturity Date, and shall be computed on the daily unpaid balance of all Advances made under the Borrower's revolving credit loan accounts with the Lender, based on a three hundred sixty (360) day year, counting the actual number of days elapsed. The Borrower hereby authorizes the Lender to charge the Borrower's revolving credit loan accounts for all such interest; provided, however, that the Lender shall be under no obligation to make any such charge to the Borrower's revolving credit loan accounts (including, without limitation, if there is insufficient Availability at the time such interest is due and payable).

(d) In the event and to the extent that, at any time, the outstanding principal amount of Advances exceeds the Revolving Credit Commitment then in effect, then the Borrower shall, within three (3) Business Days, without notice or demand, make a payment to the Lender in respect of the Advances in an amount sufficient to cause the outstanding principal amount of Advances to be equal to or less than the Revolving Credit Commitment then in effect.

(e) Unless sooner due and payable by reason of an Event of Default hereunder having occurred, the Borrower shall pay in full all of the Obligations to the Lender in respect of all Advances on or prior to the Revolving Credit Maturity Date.

(f) All Advances shall be evidenced by a secured Revolving Credit Note of the Borrower payable to the Lender or registered assigns.

(g) The Borrower may, at its option, without payment of any premium or penalty, terminate the Revolving Credit Commitment at any time by giving ten (10) Business

Days prior written notice thereof to the Lender, and paying to the Lender, on the date fixed for termination, an amount equal to the sum of all outstanding principal and accrued interest of the Advances.

(h) Provided that the Revolving Credit Commitment has not previously been terminated, the Borrower may, at its option, by written notice to the Lender given not earlier than December 31, 2009 and not later than January 31, 2010, elect to extend the Revolving Credit Maturity Date to February 28, 2011, provided that, at the time of such notice and on the scheduled Revolving Credit Maturity Date, no Default or Event of Default shall have occurred and be continuing. The Borrower's extension notice shall expressly certify to the satisfaction of such conditions, and once given, any such notice shall be irrevocable.

Section 2.02. Term Loans.

(a) Subject at all times to all of the terms and conditions of this Agreement, the Lender hereby agrees to extend to the Borrower (i) a Term Loan in the principal amount of \$2,500,000, and (ii) an additional Term Loan in the principal amount of \$2,500,000. Each of the Term Loans shall be borrowed in a single borrowing on the Closing Date, and any principal amounts repaid in respect of the Term Loans may not be reborrowed.

(b) The Term Loans shall be repayable in accordance with the schedules of payments set forth in the Term Notes. The Borrower shall be required to prepay the Term Loans (i) in full upon the consummation of any Sale, and (ii) in part from time to time in the event and to the extent of 33% of any and all Qualified Proceeds received by the Borrower or any Subsidiary from time to time. With respect to any prepayment under the foregoing clause (ii), same shall be due and payable as and when the amount of Qualified Proceeds is determined (i.e., upon receipt of such Qualified Proceeds in the event that no acquisition transaction is then pending, or sixty (60) days after receipt of such Qualified Proceeds to the extent that such Qualified Proceeds have not been applied to the purchase price and/or related expenses of a consummated business acquisition), and shall be applied to the principal of the Term Notes ratably in proportion to the respective principal balances thereof.

(c) The Borrower shall pay the Lender interest on the principal balance of the Term Loans at the rate(s) per annum as in effect from time to time in accordance with the Term Notes. Such interest shall be payable monthly in arrears on the first day of each calendar month and on the Term Loans Maturity Date, and shall be computed on the daily unpaid balance of each Term Loan, based on a three hundred sixty (360) day year, counting the actual number of days elapsed. The Borrower hereby authorizes the Lender to charge the Borrower's revolving credit loan accounts for all such interest and/or for any or all principal amounts due and payable in respect of the Term Loans; provided, however, that the Lender shall be under no obligation to make any such charge to the Borrower's revolving credit loan accounts (including, without limitation, if there is insufficient Availability at the time such interest and/or principal is due and payable).

(d) Unless sooner due and payable by reason of an Event of Default hereunder having occurred, the Borrower shall pay to the Lender all of the then-outstanding Obligations in respect of the Term Loans on the Term Loans Maturity Date.

(e) The Tranche A Term Loan shall be evidenced by a secured Term Note of the Borrower payable to the Lender or registered assigns, and the Tranche B Term Loan shall be evidenced by a secured Term Note of the Borrower payable to the Lender or registered assigns.

(b) The Borrower shall further pay to the Lender, on the first (1st) day of each calendar month prior to the Revolving Credit Maturity Date or the earlier termination of the Revolving Credit Commitment and payment of the Obligations in accordance with Section 2.01(g) above, and upon the termination of the Revolving Credit Commitment and payment of the Obligations thereon, a collateral monitoring, availability and administrative fee in an amount equal to one-tenth of one percent (0.10%) of the average daily outstanding principal amount of Advances during the immediately preceding calendar month (which shall be appropriately prorated, based on a 30-day month, for any partial calendar month).

(c) In the event of any prepayment of all or any portion of the Tranche B Term Loan at any time prior to the second (2nd) anniversary of the Closing Date, in addition to the payment of the subject principal amount and all unpaid accrued interest thereon, the Borrower shall be required to pay to the Lender a prepayment premium in an amount equal to two (2%) percent of the principal amount being prepaid; provided, however, that no such prepayment premium shall be required in respect of any mandatory prepayment pursuant to Section 2.02(b)(ii) above.

(d) Payments received in respect of the Obligations after 2:00 p.m. Eastern time on any day shall be deemed to be received on the next succeeding Business Day, and if any payment is received other than by wire transfer of immediately available funds, such payment shall be subject to three (3) Business Days' clearance prior to being credited to the Obligations for interest calculation purposes.

(e) In the event that the Lender notifies the Borrower that the Lender is ready, willing and able to fund the Loans on substantially the terms of this Agreement and the Closing Date has not occurred within ten (10) days thereafter other than due to the fault of the Lender, then the Lender may, at any time thereafter until the Closing Date, terminate this Agreement by written notice to the Borrower, in which event the Borrower shall immediately pay to the Lender (i) an amount equal to all out-of-pocket costs, charges and expenses incurred by the Lender in respect of the transactions contemplated by this Agreement (over and above the \$30,000 deposit heretofore paid to the Lender by the Borrower), and (ii) an additional fee in the amount of \$100,000. This Section 2.03(e) shall survive any termination of this Agreement.

Section 2.04. Use of Proceeds. The Borrower shall utilize the proceeds of the Loans (a) on the Closing Date, to repay all then-outstanding Indebtedness owed by the Borrower to Textron Financial Corporation (assignee of Systran Financial Services Corporation) and to

Section 2.06. Application of Payments. All amounts paid to or received by the Lender in respect of the Obligations from whatever source (whether from the Borrower, any Subsidiary pursuant to the Guaranty Agreement, any realization upon any Collateral, or otherwise) shall, unless otherwise specified in this Agreement or otherwise directed by the Borrower with respect to any particular payment (unless an Event of Default shall then be continuing, in which event the Lender may disregard the Borrower's direction), be applied (a) first, to reimburse the Lender for all out-of-pocket costs and expenses incurred by the Lender which are reimbursable to the Lender in accordance with this Agreement, the Notes and/or any of the other Loan Documents, (b) next, to any accrued but unpaid fees or prepayment premiums, (c) next, to unpaid accrued interest on the Tranche A Term Loan, (d) next, to unpaid accrued interest on the Tranche B Term Loan, (e) next, to unpaid accrued interest on the Advances, (f) next, to the outstanding principal of the Tranche A Term Loan, to the extent then due and payable, (g) next, to the outstanding principal of the Tranche B Term Loan, to the extent then due and payable, (h) next, to the outstanding principal of the Advances, and (i) finally, to the payment of any other outstanding Obligations; provided, however, that during the continuance of an Event of Default, the Lender may apply any and all such amounts to such of the Obligations as the Lender may determine in its sole and absolute discretion. After payment in full of the Obligations, any further amounts paid to or received by the Lender in respect of the Obligations shall be paid over to the Borrower or such other Person(s) as may be legally entitled thereto.

Section 2.07. Sale or Maturity Date. Anything elsewhere contained in this Agreement and/or the Notes to the contrary notwithstanding, (a) the Revolving Credit Commitment shall terminate and all Obligations shall become immediately due and payable, without requirement of notice or demand, upon the consummation of any Sale, and (b) the Revolving Credit Commitment shall terminate and all Obligations shall become immediately due and payable, without requirement of notice or demand, on the Revolving Credit Maturity Date or sooner upon the prepayment (or required prepayment) and/or conversion in full of the Term Loans.

Section 2.08. Obligations Unconditional.

(a) The payment and performance of all Obligations shall constitute the absolute and unconditional obligations of the Borrower, and shall be independent of any defense or rights of set-off, recoupment or counterclaim which the Borrower might otherwise have against the Lender. All payments required by this Agreement and/or the Notes shall be paid free of any deductions or withholdings for any taxes or other amounts and without abatement, diminution or set-off. If the Borrower is required by law to make such a deduction or withholding from a

payment hereunder, the Borrower shall pay to the Lender such additional amount as is necessary to ensure that, after the making of such deduction or withholding, the Lender receives (free from any liability in respect of any such deduction or withholding) a net sum equal to the sum which it would have received and so retained had no such deduction or withholding been made or required to be made. The Borrower shall (i) pay the full amount of any deduction or withholding, which it is required to make by-law, to the relevant authority within the payment period set by the relevant law, and (ii) promptly after any such payment, deliver to the Lender an original (or certified copy) official receipt issued by the relevant authority in respect of the amount withheld or deducted or, if the relevant authority does not issue such official receipts, such other evidence of payment of the amount withheld or deducted as is reasonably acceptable to the Lender.

If the Lender becomes entitled to claim any additional amounts pursuant to this Section 2.08(b), the Lender shall promptly notify the Borrower of the event by reason of which the Lender has become so entitled, and each such notice of additional amounts payable pursuant to this Section 2.08(b) submitted by the Lender to the Borrower shall, absent manifest error, be final, conclusive and binding for all purposes.

Section 2.09. Reversal of Payments. To the extent that any payment or payments made to or received by the Lender pursuant to this Agreement or any other Loan Document are subsequently invalidated, declared to be fraudulent or preferential, set aside, or required to be repaid to any trustee, receiver or other person under any state or federal bankruptcy or other such law, then, to the extent thereof, such amounts shall be revived as Obligations and continue in full force and effect hereunder as if such payment or payments had not been received by the Lender.

(e) The Borrower and its Subsidiaries have in place adequate systems of internal controls and disclosure controls and procedures sufficient to provide reasonable assurance that (i) transactions are executed in accordance with management's general or specific authorizations, (ii) transactions are recorded as necessary to permit preparation of financial statements in accordance with GAAP and Regulation S-X and to maintain asset accountability, (iii) access to assets is permitted only in accordance with management's general or specific authorization, (iv) the recorded accountability for assets is compared with the existing assets at reasonable intervals and appropriate action is taken with respect to any differences, and (v) the Borrower and its management are able to obtain timely and accurate information regarding the Business Operations and all material transactions relating to the Borrower and the Subsidiaries; and no material deficiency exists with respect to the Borrower's or any Subsidiary's systems of internal controls.

(f) All of the SEC Reports, as of the respective dates thereof, complied in all material respects, as applicable, with the Act and the Exchange Act.

Section 3.02. Organization; Corporate Existence.

(a) The Borrower (i) is a corporation duly organized, validly existing and in good standing under the laws of the State of Delaware, (ii) has all requisite corporate power and authority to own its properties and to carry on its business as now conducted and as proposed hereafter to be conducted, (iii) is qualified to do business as a foreign corporation in each jurisdiction (including, without limitation, the State of Texas) in which the failure of the Borrower to be so qualified would have a Material Adverse Effect, and (iv) has all requisite corporate power and authority to execute and deliver, and perform all of its obligations under, the Loan Documents. True and complete copies of the Organic Documents of the Borrower, together with all amendments thereto, have been furnished to the Lender.

(b) On the date of this Agreement, the outstanding capital stock of the Company, and the number and amount of all outstanding options, warrants, convertible securities, subscriptions and other rights to acquire capital stock of the Company, are as set forth in Schedule 3.02 of the Disclosure Schedule.

(c) Schedule 3.02 of the Disclosure Schedule further sets forth, with respect to each Active Subsidiary on the date of this Agreement, (i) its proper legal name, (ii) its jurisdiction of incorporation or formation, (iii) the jurisdictions in which it is qualified to do business as a foreign entity, (iv) the number of shares of capital stock or ownership interests outstanding, and (v) the owner of such outstanding capital stock or other ownership interests. Each of the Active Subsidiaries (A) is an entity duly organized, validly existing and in good standing under the laws of the jurisdiction of its incorporation or formation, (B) has all requisite power and authority to own its properties and to carry on its business as now conducted and as proposed hereafter to be conducted, and to execute and deliver, and perform all of its obligations under, the Loan Documents to which it is a party, and (C) is not required to be qualified to do business as a foreign entity in any jurisdiction in which it is not so qualified and the failure to be so qualified would reasonably be expected to have a Material Adverse Effect. True and complete copies of the Organic Documents of each Active Subsidiary, together with all amendments thereto to the date hereof, have been furnished to the Lender.

(d) On the date of this Agreement, the Borrower has no Subsidiaries other than the Active Subsidiaries and the Dissolving Subsidiaries. Each of the Dissolving Subsidiaries (i) has no material assets or liabilities, (ii) is not engaged in the conduct of any active business operations, and (iii) is actively pursuing its dissolution as a legal entity.

Section 3.03. Authorization.

(a) The execution, delivery and performance by the Borrower and the Subsidiaries of their respective obligations under the Loan Documents have been duly authorized by all requisite corporate, company, partnership and other action and will not, either prior to or as a result of the consummation of the transactions contemplated by this Agreement: (i) violate any provision of Applicable Law, any order of any court or other agency of government, any provision of the Organic Documents of the Borrower or any Subsidiary, or any Contract, indenture, agreement or other instrument to which the Borrower or any of the Subsidiaries is a party, or by which the Borrower or any of the Subsidiaries or any of its assets or properties are bound, or (ii) be in conflict with, result in a breach of, or constitute (after the giving of notice or lapse of time or both) a default under, or, except as may be provided in the Loan Documents, result in the creation or imposition of any Lien of any nature whatsoever upon any of the property or assets of the Borrower or any of the Subsidiaries pursuant to, any such Contract, indenture, agreement or other instrument. When executed and delivered, each Loan Document to which the Borrower or any Subsidiary is a party will constitute the valid and binding obligation of the Borrower or such Subsidiary (as applicable), enforceable against the Borrower or such Subsidiary in accordance with its terms, except as such enforceability may be limited by bankruptcy, insolvency, reorganization or other laws affecting creditors' rights generally, and by general principles of equity.

(b) Neither the Borrower nor any of the Subsidiaries is required to obtain any Government Approval, consent or authorization from, or to file any declaration or statement with, any governmental instrumentality or agency in connection with or as a condition to the execution, delivery or performance of any of the Loan Documents.

Section 3.04. Litigation. Except as disclosed on Schedule 3.04 of the Disclosure Schedule, there is no action, suit or proceeding at law or in equity or by or before any governmental instrumentality or other agency now pending or, to the knowledge of the Borrower, threatened against or affecting the Borrower or any of the Subsidiaries or any of their respective assets, which, if adversely determined, would have a Material Adverse Effect. The Borrower has no Knowledge of any state of facts, events, conditions or circumstances which would properly constitute grounds for or the basis of any meritorious suit, action, arbitration, proceeding or investigation (including, without limitation, any unfair labor practice charges, interference with union organizing activities, or other labor or employment claims) against or with respect to the Borrower or any Subsidiary which, if adversely determined, would have a Material Adverse Effect.

Section 3.05. Material Contracts. Except as disclosed on Schedule 3.05 of the Disclosure Schedule, neither the Borrower nor any of the Subsidiaries is (a) a party to any Contract, agreement or instrument or subject to any charter or other corporate or organizational restriction which has had or could reasonably be expected to have a Material Adverse Effect, (b)

a party to any collective bargaining agreement, or (c) in default in the performance, observance or fulfillment of any of the obligations, covenants or conditions contained in any Contract, agreement or instrument to which it is a party or by which any of its assets or properties is bound, which default, individually or in the aggregate, would have or could reasonably be expected to have a Material Adverse Effect.

Section 3.06. Title to Properties. The Borrower and each of the Subsidiaries has good title to all of its properties and assets, free and clear of all mortgages, security interests, restrictions, encumbrances or other Liens of any kind, except for restrictions on the nature of use thereof imposed by Applicable Law, and except for Permitted Liens, none of which materially interfere with the use and enjoyment of such properties and assets in the normal course of the Business Operations as presently conducted, or materially impair the value of such properties and assets for the purpose of such business.

Section 3.07. Real Property. Schedule 3.07 of the Disclosure Schedule sets forth a correct and complete list of all Real Properties currently leased or occupied by the Borrower and/or any of the Subsidiaries. Neither the Borrower nor any of the Subsidiaries owns any Real Properties. The Borrower and each Subsidiary has a valid lessee's interest in each Real Property currently leased or occupied by the Borrower or such Subsidiary. Neither the Borrower, any Subsidiary, or, to the Borrower's Knowledge, any other party thereto, is in material breach or violation of any requirements of any such lease; and such Real Properties are in good condition (reasonable wear and tear excepted) and are adequate for the current and proposed businesses of the Borrower and the Subsidiaries.

Section 3.08. Machinery and Equipment. The machinery and equipment owned and/or used by the Borrower and the Subsidiaries is, as to each individual material item of machinery and equipment, and in the aggregate as to all such equipment, in good and usable condition and in a state of good maintenance and repair (reasonable wear and tear excepted), and adequate for its use in the Business Operations.

Section 3.09. Capitalization. Except as set forth in Schedule 1.01 or Schedule 3.02 of the Disclosure Schedule and for new Subsidiaries formed in accordance with Section 5.11 below, the Borrower does not, directly or indirectly, own any capital stock of or any form of equity interest in any other Person.

Section 3.10. Solvency. After giving effect to the Loans and the other transactions contemplated hereby, the borrowings made and/or to be made by the Borrower under this Agreement do not and will not render the Borrower insolvent or with unreasonably small capital for its business; the fair saleable value of all of the assets and properties of the Borrower does now, and will, upon the funding of the Loans contemplated hereby, exceed the aggregate liabilities and Indebtedness of the Borrower (including contingent liabilities); the Borrower is not contemplating either the filing of a petition under any state or federal bankruptcy or insolvency law, or the liquidation of all or any substantial portion of its assets or property; the Borrower has no knowledge of any Person contemplating the filing of any such petition against the Borrower; and the Borrower reasonably anticipates that it will be able to pay its debts as they mature.

Section 3.11. No Investment Company. The Borrower is not an investment company or a company controlled by an investment company as such terms are defined in the Investment Company Act of 1940, as amended.

Section 3.12. Margin Securities. The Borrower does not own or have any present intention of acquiring any margin security or any margin stock within the meaning of Regulations T, U or X of the Board of Governors of the Federal Reserve System (herein called margin security and margin stock). None of the proceeds of the Loans will be used, directly or indirectly, for the purpose of purchasing or carrying, or for the purpose of reducing or retiring any Indebtedness which was originally incurred to purchase or carry, any margin security or margin stock or for any other purpose which might constitute the transactions contemplated hereby a purpose credit within the meaning of said Regulations T, U or X, or cause this Agreement to violate any other regulation of the Board of Governors of the Federal Reserve System or the Exchange Act, or any rules or regulations promulgated under such statutes.

Section 3.13. Taxes.

(a) All federal, state and local tax returns and tax reports required to be filed by the Borrower and/or any Subsidiary have been timely filed with the appropriate governmental agencies in all jurisdictions in which such returns and reports are required to be filed. All federal, state and local income, franchise, sales, use, property, excise, ad valorem, value-added, payroll and other taxes (including interest, penalties and additions to tax and including estimated tax installments where required to be filed and paid) due from or with respect to the Borrower and the Subsidiaries have been paid to the extent due and payable, and appropriate accruals have been made on the Borrower's books for taxes not yet due and payable. All taxes and other assessments and levies which the Borrower and/or any Subsidiary is required by law to withhold or to collect have been duly withheld and collected, and have been paid over to the proper governmental authorities to the extent due and payable. Except as set forth in Schedule 3.13 of the Disclosure Schedule, there are no outstanding or pending material claims, deficiencies or assessments for taxes, interest or penalties with respect to any taxable period of the Borrower or any Subsidiary, and no outstanding tax Liens.

(b) Except as disclosed in Schedule 3.13 of the Disclosure Schedule, the Borrower has no Knowledge and has not received notice of any pending audit with respect to any federal, state or local tax returns of the Borrower or any Subsidiary, and no waivers of statutes of limitations have been given or requested with respect to any tax years or tax filings of the Borrower or any Subsidiary.

Section 3.14. ERISA. Except as set forth in Schedule 3.14 of the Disclosure Schedule, neither the Borrower nor any ERISA Affiliate of the Borrower maintains or has any obligation to make any contributions to any pension, profit sharing or other similar plan providing for deferred compensation to any employee. With respect to any such plan(s) as may now exist or may hereafter be established by the Borrower or any ERISA Affiliate of the Borrower, and which constitutes an employee pension benefit plan within the meaning of Section 3(2) of ERISA, except as set forth on Schedule 3.14 of the Disclosure Schedule: (a) the Borrower or the subject ERISA Affiliate has paid and shall cause to be paid when due all amounts necessary to fund such plan(s) in accordance with its terms, (b) except for normal premiums payable by the Borrower to

the Pension Benefit Guaranty Corporation (PBGC), the Borrower or the subject ERISA Affiliate has not taken and shall not take any action which could result in any liability to the PBGC, or any of its successors or assigns, (c) the present value of all accrued benefits thereunder shall not at any time exceed the value of the assets of such plan(s) allocable to such accrued benefits, (d) there have not been and there shall not be any transactions such as would cause the imposition of any tax or penalty under Section 4975 of the Code or under Section 502 of ERISA, which would adversely affect the funded benefits attributable to the Borrower or the subject ERISA Affiliate, (e) there has not been and there shall not be any termination or partial termination thereof (other than a partial termination resulting solely from a reduction in the number of employees of the Borrower or an ERISA Affiliate of the Borrower, which reduction is not anticipated by the Borrower), and there has not been and there shall not be any reportable event (as such term is defined in Section 4043(b) of ERISA) on or after the effective date of Section 4043(b) of ERISA with respect to any such plan(s) subject to Title IV of ERISA, (f) no accumulated funding deficiency (as defined in Section 412 of the Code) has been or shall be incurred on or after the effective date of Section 412 of the Code, (g) such plan(s) have been and shall be determined to be qualified within the meaning of Section 401(a) of the Code, and have been and shall be duly administered in compliance with ERISA and the Code, and (h) the Borrower is not aware of any fact, event, condition or cause which might adversely affect the qualified status thereof. As respects any multi-employer plan (as such term is defined in Section 3(37) of ERISA) to which the Borrower or any ERISA Affiliate thereof has heretofore been, is now, or may hereafter be required to make contributions, the Borrower or such ERISA Affiliate has made and shall make all required contributions thereto, and there has not been and shall not be any complete withdrawal or partial withdrawal (as such terms are respectively defined in Sections 4203 and 4205 of ERISA) therefrom on the part of the Borrower or such ERISA Affiliate.

Section 3.15. Intellectual Property. The Borrower and the Subsidiaries own or have the valid right to use all material patents, trademarks, copyrights, software, computer programs, equipment designs, network designs, equipment configurations, technology and other intellectual property used, marketed and sold in the Business Operations, and the Borrower and the Subsidiaries are in compliance in all material respects with all licenses, user agreements and other such agreements regarding the use of intellectual property used in the Business Operations; and the Borrower has no Knowledge that or received notice claiming that any of such intellectual property infringes upon or violates the rights of any other Person.

Section 3.16. Compliance with Laws. The Borrower and the Subsidiaries are in compliance with all occupational safety, health, wage and hour, employment discrimination, environmental, flammability, labeling and other Applicable Law (including, without limitation, healthcare laws and regulations, and healthcare reimbursement laws and regulations) which are material to the Business Operations, except where such non-compliance would not, individually or in the aggregate, have a Material Adverse Effect. To the Borrower's Knowledge, there are no state or facts, events, conditions or occurrences which may now or hereafter constitute or result in a violation of any Applicable Law, or which may give rise to the assertion of any such violation, which could have a Material Adverse Effect. Neither the Borrower nor any Subsidiary has received written notice of default or violation, nor is the Borrower or any Subsidiary in default or violation, with respect to any judgment, order, writ, injunction, decree, demand or

assessment issued by any court or any federal, state, local, municipal or other governmental agency, board, commission, bureau, instrumentality or department, domestic or foreign, relating to any aspect of the Borrower's or any Subsidiaries' business, affairs, properties or assets, which default(s) or violation(s) would, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. Neither the Borrower nor any Subsidiary has received written notice of or been charged with, or is, to the Borrower's Knowledge, under investigation with respect to, any violation(s) of any provision of any Applicable Law, which violation(s) would, individually or in the aggregate, have a Material Adverse Effect.

Section 3.17. Licenses and Permits. The Borrower and each Subsidiary has all federal, state and local licenses and permits required to be maintained in connection with the Business Operations, except where the failure to maintain any such license or permit would not, individually or in the aggregate, have a Material Adverse Effect; and all such licenses and permits are valid and in full force and effect. The Borrower and each Subsidiary has complied with the requirements of such licenses and permits in all material respects, and has received no notice of any pending or threatened proceedings for the suspension, termination, revocation or limitation thereof. There is no circumstance or condition Known to the Borrower that would cause or permit any of such licenses or permits to be voided, revoked or withdrawn.

Section 3.18. Insurance. Schedule 3.18 of the Disclosure Schedule lists all insurance coverages maintained by the Borrower and the Subsidiaries, including the names of insurers, policy limits and deductibles. Neither the Borrower nor any Subsidiary has received written notice of cancellation or intent not to renew any of such policies, and to the Borrower's Knowledge, there has not occurred, and there does not exist, any condition (other than general industry-wide conditions) such as would cause any of such insurers to cancel any of such insurance coverages, or would be reasonably likely to materially increase the premiums charged to the Company and the Subsidiaries for coverages consistent with the scope and amounts of coverages as in effect on the date of this Agreement.

Section 3.19. Environmental Laws.

(a) The Borrower and each Subsidiary has complied with all Environmental Laws relating to its business and properties, except where non-compliance would not, individually or in the aggregate, have a Material Adverse Effect; and to the Borrower's Knowledge, there exist no Hazardous Substances in amounts in violation of applicable Environmental Laws on any of the Real Properties the existence of which would have a Material Adverse Effect, except those that are stored and used in compliance with Applicable Laws.

(b) Neither the Borrower nor any Subsidiary has received notice of any pending or threatened litigation or administrative proceeding which in any instance (i) asserts or alleges any violation of applicable Environmental Laws on the part of the Borrower or any Subsidiary, (ii) asserts or alleges that the Borrower or any Subsidiary is required to clean up, remove or otherwise take remedial or other response action due to the disposal, depositing, discharge, leaking or other release of any Hazardous Substances or materials, or (iii) asserts or alleges that the Borrower or any Subsidiary is required to pay all or any portion of the costs of any past, present or future cleanup, removal or remedial or other response action which arises out of or is related to the disposal, depositing, discharge, leaking or other release of any hazardous

substances or materials by the Borrower or any Subsidiary. To the Borrower's Knowledge, neither the Borrower nor any Subsidiary is subject to any judgment, decree, order or citation related to or arising out of any Environmental Laws. To the Borrower's Knowledge, neither the Borrower nor any Subsidiary has been named or listed as a potentially responsible party by any governmental body or agency in any matter arising under any Environmental Laws. Neither the Borrower nor any Subsidiary is a participant in, nor does the Borrower have Knowledge of, any governmental investigation involving any of the Real Properties.

(c) Neither the Borrower or any Subsidiary nor, to the Borrower's Knowledge, any other person, firm, corporation or governmental entity has caused or permitted any Hazardous Substances or other materials to be stored, deposited, treated, recycled or disposed of on or at any of the Real Properties which materials, if known to be present, would reasonably be expected to require or authorize cleanup, removal or other remedial action under any applicable Environmental Laws.

(d) As used in this Section 3.19 and in Section 5.08 below, the following terms have the following meanings:

Environmental Laws include all federal, state, and local laws, rules, regulations, ordinances, permits, orders, and consent decrees agreed to by the Borrower or any Subsidiary, relating to health, safety, and environmental matters applicable to the business and property of the Borrower or any Subsidiary. Such laws and regulations include but are not limited to the Resource Conservation and Recovery Act (RCRA), 42 U.S.C. §6901 et seq., as amended; the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA), 42 U.S.C. §9601 et seq., as amended; the Toxic Substances Control Act (TSCA), 15 U.S.C. §2601 et seq., as amended; and the Clean Water Act, 33 U.S.C. §1331 et seq., as amended.

Hazardous Substances, Release, Respond and Response shall have the meanings assigned to them in CERCLA, 42 U.S.C. §9601, as amended.

Notice means any actual summons, citation, directive, information request, notice of potential responsibility, notice of violation or deficiency, order, claim, complaint, investigation, proceeding, judgment, letter, or other written communication from the United States Environmental Protection Agency or other federal, state, or local agency or authority, or any other entity or individual, public or private, concerning any intentional or unintentional act or omission which involves management of Hazardous Substances in amounts in violation of Environmental Laws on or transported off any Real Properties; the imposition of any liens asserted by government entities in connection with any Borrower's or Subsidiary's response to the presence or Release of Hazardous Substances in amounts in violation of Environmental Laws; and any alleged violation of or responsibility under any Environmental Laws.

Section 3.20. Sensitive Payments. Neither the Borrower nor any Subsidiary has (a) made any contributions, payments or gifts to or for the private use of any governmental official, employee or agent where either the payment or the purpose of such contribution, payment or gift is illegal under the laws of the United States or the jurisdiction in which made, (b) established or maintained any unrecorded fund or asset for any purpose or made any false or artificial entries on its books, (c) made any payments to any person with the intention that any part of such payment

was to be used for any purpose other than that described in the documents supporting the payment, or (d) done business with or proposes to do business with any country, or any Person in any country, which is prohibited or restricted under any Applicable Law of the United States, or engaged in or proposes to engage in any trading with the enemy or other transactions violating any rules or regulations of the Office of Foreign Assets Control or any similar laws, rules or regulations of any federal, state, local or foreign government or governmental agency.

Section 3.21. Full Disclosure. No statement of fact made by the Borrower in this Agreement or any other Loan Document, in any SEC Report, or in any information memorandum, business summary, agreement, certificate, schedule or other written statement furnished by the Borrower to the Lender pursuant hereto, contains or will contain any untrue statement of a material fact, or omits or will omit to state any material fact necessary to make any statements contained herein or therein not misleading, in any manner or instance in which the correction of such statement would indicate, result in or reflect a Material Adverse Effect relative to the represented facts. Except for matters of a general economic or political nature which do not affect the Borrower or any Subsidiary uniquely, there is no fact presently known to the Borrower or any Subsidiary which has not been disclosed to the Lender, which has had or would reasonably be expected to have a Material Adverse Effect.

Section 3.22. Reaffirmation. Each and every request by the Borrower for Advances shall constitute a reaffirmation of the truth and accuracy of the Borrowers representations and warranties made in this Agreement and the Security Documents on and as of the date of such request.

Upon any such transfer, assignment or granting of participating interests, the Participants shall be deemed to be included within the term Lender for all purposes of this Agreement, subject to such agreements and arrangements as the Lender and the Participants may agree upon. Notwithstanding the granting of any such participating interests: (a) the Borrower shall look solely to the Lender for all purposes of this Agreement and the transactions contemplated hereby, (b) the Borrower shall at all times have the right to rely upon any waivers or consents signed by the Lender as being binding upon all of the Participants, and (c) all communications in respect of this Agreement and such transactions shall remain solely between the Borrower and the Lender (exclusive of Participants) hereunder.

Section 8.02. Transfer. Anything in this Agreement to the contrary notwithstanding, the Lender may, at any time and from time to time, without in any manner affecting or impairing the validity of any Obligations, transfer and assign all or any portion of its interest in this Agreement, the Notes and the other Loan Documents to any Person (an Assignee Lender) as the Lender may determine. Upon any such transfer or assignment, the Assignee Lender shall be deemed to succeed (to the extent of the interest assigned) to the rights and obligations of the Lender for all purposes of this Agreement. In the event of any transfer and assignment of the Lender's entire interest in this Agreement, the Notes and the Security Documents, the Lender shall be replaced by the Assignee Lender as Secured Party under the Collateral Agreement and all other Security Documents.

Section 8.03. Recordation of Assignment. In respect of any negotiation, transfer or assignment of all or any portion of any Lender's interest in this Agreement, any Note and/or any other Loan Documents at any time and from time to time, the following provisions shall be applicable:

(a) The Borrower, or any agent appointed by the Borrower, shall maintain a register (the Register) in which there shall be recorded the name and address of each Person holding any Note(s) hereunder or any commitment to lend hereunder, and the principal amount payable to such Person under such Person's Note(s) or committed by such Person under such Person's lending commitment. The Borrower hereby irrevocably appoints the Lender (and/or any subsequent Lender appointed by the Lender then maintaining the Register) as the Borrower's agent for the purpose of maintaining the Register.

(b) In connection with any negotiation, transfer or assignment as aforesaid, the transferor/assignor shall deliver to the Lender then maintaining the Register an assignment and assumption agreement executed by the transferor/assignor and the transferee/assignee, setting forth the specifics of the subject transaction, including but not limited to the amount and nature of Obligations and/or lending commitments being transferred or assigned (and being assumed, as applicable), and the proposed effective date of such transfer or assignment and the related assumption (if applicable).

(c) Subject to receipt of completed tax forms (indicating withholding status, or exemption from withholding, as applicable, of the transferee/assignee) reasonably required by the Person then maintaining the Register, and (if required by such Person) surrender of the negotiated, transferred or assigned Note(s) for reissuance by the Borrower, such Person shall record the subject transfer, assignment and assumption in the Register. Anything contained in any Note or other Loan Document to the contrary notwithstanding, no negotiation, transfer or assignment shall be effective until it is recorded in the Register pursuant to this Section 8.03(c). The entries in the Register shall be conclusive and binding for all purposes, absent manifest error; and the Borrower and each Lender shall treat each Person whose name is recorded in the Register as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by the Borrower and each Lender at any reasonable time and from time to time upon reasonable prior notice.

IX. MISCELLANEOUS

Section 9.01. Survival. This Agreement and all covenants, agreements, representations and warranties made herein and in the certificates delivered pursuant hereto, shall survive the making by the Lender of the Loans and the execution and delivery to the Lender of the Notes, and shall continue in full force and effect for so long as the Notes or any other Obligations are outstanding and unpaid or the Revolving Credit Commitment remains outstanding. Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the successors and permitted assigns of such party; and all covenants, promises and agreements in this Agreement contained, by or on behalf of the Borrower shall inure to the benefit of the successors and assigns of the Lender.

Section 9.02. Indemnification. The Borrower shall indemnify the Lender and its managers, directors, officers, employees, attorneys and agents against, and shall hold the Lender and such Persons harmless from, any and all losses, claims, damages and liabilities and related expenses, including reasonable counsel fees and expenses, incurred by the Lender or any such Person arising out of, in any way connected with, or as a result of: (a) the use of any of the proceeds of the Loans made by the Lender to the Borrower; (b) this Agreement, the ownership and operation of the Borrower's and any Subsidiary's assets, including all Real Properties and improvements or any Contract, the performance by the Borrower or any other Person of their respective obligations thereunder, and the consummation of the transactions contemplated by this Agreement; (c) any finder's fee, brokerage commission or other such obligation payable or alleged to be payable in respect of the transactions contemplated by this Agreement which arises or is alleged to arise from any agreement, action or conduct of the Borrower or any of its Affiliates, and/or (d) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not the Lender or its managers, directors, officers, employees, attorneys or agents are a party thereto; provided that such indemnity shall not apply to any such losses, claims, damages, liabilities or related expenses arising from (i) any unexcused breach by the Lender of any of its obligations under this Agreement, (ii) the willful misconduct or gross negligence of the Lender as determined by a final, non-appealable judgment of a court of competent jurisdiction, or (iii) the breach of any commitment or legal obligation of the Lender to any Person other than the Borrower or its Affiliates, provided that such breach is determined pursuant to a final and nonappealable decision of a court of competent jurisdiction. The foregoing indemnity shall remain operative and in full force and effect regardless of the expiration or any termination of this Agreement, the consummation of the transactions contemplated by this Agreement, the repayment of the Loans, the invalidity or unenforceability of any term or provision of any Loan Document, any investigation made by or on behalf of the Lender, and the content or accuracy of any representation or warranty made by the Borrower or any Subsidiary in any Loan Document. All amounts due under this Section 9.02 shall be payable on written demand therefor.

Section 9.03. Governing Law. This Agreement and the other Loan Documents shall (irrespective of where same are executed and delivered) be governed by and construed in accordance with the laws of the State of New York (without giving effect to principles of conflicts of laws).

Section 9.04. Waiver and Amendment. Neither any modification or waiver of any provision of this Agreement, the Notes, or any other Loan Document, nor any consent to any departure by the Borrower or any Subsidiary therefrom, shall in any event be effective unless the same shall be set forth in writing duly signed or acknowledged by the Lender and all parties to such Loan Document, and then such waiver or consent shall be effective only in the specific instance, and for the specific purpose, for which given. No notice to or demand on the Borrower in any instance shall entitle the Borrower to any other or future notice or demand in the same, similar or other circumstances.

Section 9.05. Reservation of Remedies. Neither any failure nor any delay on the part of the Lender in exercising any right, power or privilege hereunder or under the Notes or any other Loan Document shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or future exercise, or the exercise of any other right, power or privilege.

Section 9.06. Notices. All notices, requests, demands and other communications under or in respect of this Agreement or any transactions hereunder shall be in writing (which may include telegraphic or telecopied communication) and shall be personally delivered or mailed (by prepaid registered or certified mail, return receipt requested), sent by prepaid recognized overnight courier service, or telegraphed or telecopied by facsimile transmission to the applicable party at its address or telecopier number indicated below.

Section 9.07. Binding Effect. This Agreement shall be binding upon and inure to the benefit of the Borrower and the Lender and their respective successors and assigns, except that the Borrower shall not assign any of its rights or obligations hereunder without the prior written consent of the Lender.

Section 9.08. Consent to Jurisdiction; Waiver of Jury Trial. The Borrower hereby consents to the jurisdiction of all courts of the State of New York and the United States District Court for the Southern District of New York, as well as to the jurisdiction of all courts from which an appeal may be taken from such courts, for the purpose of any suit, action or other proceeding arising out of or with respect to this Agreement, any other Loan Document, any other agreements, instruments, certificates or other documents executed in connection herewith or therewith, or any of the transactions contemplated hereby or thereby, or any of the Borrower's or any Subsidiary's obligations hereunder or thereunder. The Borrower hereby waives the right to interpose any counterclaims (other than compulsory counterclaims) in any action brought by the Lender hereunder or in respect of any other Loan Document, provided that this waiver shall not preclude the Borrower from pursuing any such claims by means of separate proceedings. THE BORROWER HEREBY EXPRESSLY WAIVES ANY AND ALL OBJECTIONS WHICH IT MAY HAVE AS TO VENUE IN ANY OF SUCH COURTS, AND ALSO WAIVES TRIAL BY JURY IN ANY SUCH SUIT, ACTION OR PROCEEDING. The Lender may file a copy of this Agreement as evidence of the foregoing waiver of right to jury trial.

Section 9.09. Certain Waivers. The Borrower and the Lender each hereby waives any claims for special, consequential or punitive damages in any way arising out of or relating to this Agreement, any of the other Loan Documents, or any breach hereof or thereof.

Section 9.10. Severability. If any provision of this Agreement is held by a court of competent jurisdiction to be invalid or unenforceable, either in its entirety or by virtue of its scope or application to given circumstances, such provision shall thereupon be deemed modified only to the extent necessary to render same valid, or not applicable to given circumstances, or excised from this Agreement, as the situation may require, and this Agreement shall be construed

and enforced as if such provision had been included herein as so modified in scope or application, or had not been included herein, as the case may be.

Section 9.11. Captions. The Article and Section headings in this Agreement are included herein for convenience of reference only, and shall not affect the construction or interpretation of any provision of this Agreement.

Section 9.12. Sole and Entire Agreement. This Agreement, the Notes, the other Loan Documents, and the other agreements, instruments, certificates and documents referred to or described herein and therein constitute the sole and entire agreement and understanding between the parties hereto as to the subject matter hereof, and supersede all prior discussions, agreements and understandings of every kind and nature between the parties as to such subject matter.

Section 9.13. Confidentiality. The Lender shall not disclose any Confidential Information to any Person without the prior consent of the Borrower; provided, however, that nothing herein contained shall limit any disclosure of the tax structure of the transactions contemplated hereby, or the disclosure of any information (a) to the extent required by statute, rule, regulation or judicial process, (b) to counsel, accountants and other professional advisors for the Lender, (c) to bank examiners, auditors, accountants or, if required by law, any regulatory authority, (d) to the officers, partners, managers, directors, employees, agents and advisors (including independent auditors and counsel) of the Lender, (e) in connection with any litigation which relates to this Agreement to which the Lender is a party, (f) to a subsidiary or Affiliate of the Lender, or (g) to any assignee or participant (or prospective assignee or participant) which agrees to be bound by this Section 9.13, and further provided, that in no event shall the Lender be obligated or required to return any materials furnished by the Borrower. The obligations of the Lender under this Section 9.13 shall supersede and replace the obligations of the Lender under any confidentiality letter in respect of this financing previously signed and delivered by the Lender to the Borrower.

Section 9.14. Counterparts; Fax Signatures. This Agreement may be executed in any number of counterparts, all of which shall constitute one and the same agreement. This Agreement may be executed by fax signatures, each of which shall be fully binding on the signing party.

REVOLVING CREDIT NOTE

\$5,200,000

February 22, 2008

FOR VALUE RECEIVED, the undersigned, **CRDENTIA CORP.**, a Delaware corporation (the Maker), hereby promises to pay to **COMVEST CAPITAL, LLC**, a Delaware limited liability company (ComVest), or registered assigns (hereinafter, collectively with ComVest, referred to as the Payee), on February 28, 2010 (subject to extension pursuant to Section 2.01(h) of the Loan Agreement hereinafter described, or sooner by reason of an Event of Default or other mandatory prepayment event in accordance with the Loan Agreement hereinafter described), the principal sum of Five Million Two Hundred Thousand (\$5,200,000) Dollars or, if less, the aggregate unpaid principal amount of all Advances made by the Payee to the Maker pursuant to that certain Revolving Credit and Term Loan Agreement of even date herewith by and between ComVest and the Maker (as same may be amended, modified, supplemented and/or restated from time to time, the Loan Agreement), together with interest (computed as hereinafter provided) on any and all principal amounts outstanding hereunder from time to time from the date hereof until payment in full hereof, at a rate per annum equal to the greater of (a) the Prime Rate (as such term is hereinafter defined) as in effect from time to time plus two (2%) percent, or (b) eight and one-half (8.5%) percent; provided, however, that during the continuance of any Event of Default under the Loan Agreement, the interest rate otherwise applicable hereunder shall be increased by five hundred (500) basis points. All interest shall be computed on the daily unpaid principal balance hereof based on a three hundred sixty (360) day year, and shall be payable monthly in arrears on the first day of each calendar month commencing March 1, 2008, and upon maturity or acceleration hereof.

As used herein, the term Prime Rate shall mean the prime rate or base rate of interest publicly announced by Citibank, N.A. (or any successor thereto, or in the event that such bank shall cease to exist and shall have no successor, any other domestic commercial bank selected by the Payee in good faith) from time to time, which is merely a reference rate for determining the interest rate to be charged on loans or other financial transactions, and may or may not be the best rate offered by such bank for commercial loans; and upon each announced change of the Prime Rate by such bank, the interest rate hereunder shall be correspondingly adjusted.

The Maker shall have the right, at any time and from time to time, without premium or penalty, to prepay all or any portion of the principal balance of this Note upon written notice to the Payee, stating the amount of the prepayment. In addition, the Maker shall be required to make principal payments hereunder, without requirement of notice or demand, as and to the extent provided in Sections 2.01(d) and 2.07 of the Loan Agreement.

Unless the Maker shall be otherwise notified in writing by ComVest, all principal and interest hereunder are payable in lawful money of the United States of America at the office of ComVest set forth in the Loan Agreement in immediately available funds. Payments of principal and/or interest hereunder shall be made, at the Payee's option, by debiting any demand deposit account(s) in the name of the Maker at the Payee (or any agent of the Payee) or in such other reasonable manner as may be designated by the Payee in writing to the Maker and in any event

shall be made in immediately available funds. The Maker hereby irrevocably authorizes the Payee to so debit any and all such demand deposit accounts.

The Maker hereby waives presentment, demand, dishonor, protest, notice of protest, diligence and any other notice or action otherwise required to be given or taken under the law in connection with the delivery, acceptance, performance, default, enforcement or collection of this Note, and expressly agrees that this Note, or any payment hereunder, may be extended, modified or subordinated (by forbearance or otherwise) from time to time, without in any way affecting the liability of the Maker. The Maker hereby further waives the benefit of any exemption under the homestead exemption laws, if any, or any other exemption, appraisal or insolvency laws, and consents that the Payee may release or surrender, exchange or substitute any personal property or other collateral security now held or which may hereafter be held as security for the payment of this Note.

This Note is the Revolving Credit Note issued pursuant to the terms of the Loan Agreement and is secured pursuant to the provisions of certain Security Documents referred to in the Loan Agreement. This Note is entitled to all of the benefits of the Loan Agreement and said Security Documents, including provisions governing the payment and the acceleration of maturity hereof, which agreements and instruments are hereby incorporated by reference herein and made a part hereof. The occurrence and continuance of an Event of Default thereunder shall constitute a default under this Note and shall entitle the Payee to accelerate the entire indebtedness hereunder and take such other action as may be provided for in the Loan Agreement and/or any and all other instruments evidencing and/or securing the indebtedness under this Note, or as may be provided under the law.

In the event that any holder of this Note shall, during the continuance of any Event of Default, exercise or endeavor to exercise any of its remedies hereunder or under the Loan Agreement or any of the Security Documents, the Maker shall pay all costs and expenses incurred in connection therewith, including, without limitation, reasonable attorneys' fees, all of which costs and expenses shall be obligations under and part of this Note; and the holder hereof may take judgment for all such amounts in addition to all other sums due hereunder.

No consent or waiver by the holder hereof with respect to any action or failure to act which, without such consent or waiver, would constitute a breach of any provision of this Note shall be valid and binding unless in writing and signed by the Maker and by the holder hereof.

All agreements between the Maker and the Payee are hereby expressly limited to provide that in no contingency or event whatsoever, whether by reason of acceleration of maturity of the indebtedness evidenced hereby or otherwise, shall the amount paid or agreed to be paid to the Payee for the use, forbearance or detention of the indebtedness evidenced hereby exceed the maximum amount which the Payee is permitted to receive under applicable law. If, from any circumstances whatsoever, fulfillment of any provision hereof or of any of the Security Documents or the Loan Agreement, at the time performance of such provision shall be due, shall involve transcending the limit of validity prescribed by law, then, ipso facto, the obligation to be fulfilled shall automatically be reduced to the limit of such validity, and if from any circumstance the Payee shall ever receive as interest an amount which would exceed the highest lawful rate, such amount which would be excessive interest shall be applied to the reduction of the principal

balance of any of the Maker's Obligations (as such term is defined in the Loan Agreement) to the Payee, and not to the payment of interest hereunder. To the extent permitted by applicable law, all sums paid or agreed to be paid for the use, forbearance or detention of the indebtedness evidenced by this Note shall be amortized, prorated, allocated and spread throughout the full term of such indebtedness until payment in full, to the end that the rate or amount of interest on account of such indebtedness does not exceed any applicable usury ceiling. As used herein, the term "applicable law" shall mean the law in effect as of the date hereof, provided, however, that in the event there is a change in the law which results in a higher permissible rate of interest, then this Note shall be governed by such new law as of its effective date. This provision shall control every other provision of all agreements between the Maker and the Payee.

This Note shall be governed by and construed in accordance with the laws of the State of New York, except to the extent that such laws are superseded by Federal enactments.

The Maker hereby consents to the jurisdiction of all courts of the State of New York and the United States District Court for the Southern District of New York, as well as to the jurisdiction of all courts from which an appeal may be taken from such courts, for the purpose of any suit, action or other proceeding arising out of or with respect to this Note. The Maker hereby waives the right to interpose any counterclaims (other than compulsory counterclaims) in any action brought by the Payee hereunder, provided that this waiver shall not preclude the Maker from pursuing any such claims by means of separate proceedings. THE MAKER HEREBY EXPRESSLY WAIVES ANY AND ALL OBJECTIONS WHICH IT MAY HAVE AS TO VENUE IN ANY OF SUCH COURTS, AND ALSO WAIVES ALL RIGHTS TO TRIAL BY JURY IN ANY SUCH SUIT, ACTION OR PROCEEDING. The Payee may file a copy of this Note as evidence of the foregoing waiver of right to jury trial.

In the event that the Payee shall place this Note in the hands of an attorney for collection during the continuance of any Event of Default, the Maker shall further be liable to the Payee for all costs and expenses (including reasonable attorneys fees) which may be incurred by the Payee in enforcing this Note, all of which costs and expenses shall be obligations under and part of this Note; and the Payee may take judgment for all such amounts in addition to all other sums due hereunder.

IN WITNESS WHEREOF, the Maker has caused this Note to be executed by its duly authorized officer as of the date first set forth above.

TERM NOTE

(Tranche A)

FOR VALUE RECEIVED, the undersigned, CRDENTIA CORP., a Delaware corporation (the **Maker**), hereby promises to pay to ComVest Capital, LLC, a Delaware limited liability company (**ComVest**), or registered assigns (hereinafter, collectively with ComVest, the **Payee**), the sum of Two Million Five Hundred Thousand (\$2,500,000) Dollars (the **Principal**), with interest thereon, on the terms and conditions set forth herein and in the Revolving Credit and Term Loan Agreement of even date herewith by and between the Maker and ComVest (the **Loan Agreement**). Terms defined in the Loan Agreement and not otherwise defined herein shall have the meanings assigned thereto in the Loan Agreement.

Payments of principal of, interest on and any other amounts with respect to this Term Note (this **Note**) are to be made in lawful money of the United States of America.

1. Payments.

(a) Interest. This Note shall bear interest (**Interest**) on Principal amounts outstanding from time to time from the date hereof at the rate of twelve and one-half (12.5%) percent per annum; provided, however, that during the continuance of any Event of Default under the Loan Agreement, the interest rate hereunder shall be seventeen and one-half (17.5%) percent per annum. All Interest shall be computed on the daily unpaid Principal balance of this Note based on a three hundred sixty (360) day year, and shall be payable monthly in arrears on the first day of each calendar month commencing March 1, 2008, and upon the maturity hereof.

(b) Principal. The outstanding Principal of this Note shall be payable (i) in twenty-three (23) equal monthly installments of \$104,166.67 each, due and payable on the first day of each calendar month commencing March 1, 2009 and continuing through and including January 1, 2011, and (ii) a final installment due and payable on February 28, 2011, in an amount equal to the entire remaining Principal balance of this Note.

(c) Non-Business Day. If any scheduled payment date as aforesaid is not a business day in the State of Texas or the State of Florida, then the payment to be made on such scheduled payment date shall be due and payable on the next succeeding business day, with additional interest on any Principal amount so delayed for the period of such delay.

2. Prepayment.

(a) Optional Prepayment of Principal. All or any portion of the unpaid Principal balance of this Note, together with all accrued and unpaid Interest on the Principal amount being prepaid, may at the Maker's option be prepaid in whole or in part, at any time or from time to time, without premium or penalty, upon ten (10) days' prior written notice to the Payee.

(b) Mandatory Prepayments of Principal. The entire Principal balance of this Note, and all accrued and unpaid Interest hereunder, (i) shall be required to be prepaid upon the consummation of any Sale, and (ii) may be required to be prepaid upon the occurrence of any Event of Default. In addition, all or a portion of the Principal of this Note shall be required to be prepaid as and to the extent provided in Section 2.02(b) of the Loan Agreement.

(c) Application of Payments. Any and all prepayments hereunder shall be applied first to unpaid accrued Interest on the Principal amount being prepaid, and then to Principal. Any and all prepayments of Principal hereunder shall be applied to the installments under Section 1(b) above in the inverse order of their maturity.

3. Events of Default. The occurrence or existence of an Event of Default under the Loan Agreement shall constitute a default under this Note and shall entitle the Payee to accelerate the entire indebtedness hereunder and take such other action as may be provided for in the Loan Agreement and/or in any and all other instruments evidencing and/or securing the indebtedness under this Note, or as may be provided under the law.

4. Assignment. This Note shall be binding upon and shall inure to the benefit of the respective successors and permitted assigns of the parties hereto, provided that the Maker may not assign any of its rights or obligations hereunder without the prior written consent of the Payee.

5. Waiver and Amendment. No waiver of a right in any instance shall constitute a continuing waiver of successive rights, and any one waiver shall govern only the particular matters waived. Neither any provision of this Note nor any performance hereunder may be amended or waived except pursuant to an agreement in writing signed by the party against whom enforcement thereof is sought. Except as otherwise expressly provided in this Note, the Maker hereby waives diligence, demand, presentment for payment, protest, dishonor, nonpayment, default, notice of any and all of the foregoing, and any other notice or action otherwise required to be given or taken under the law in connection with the delivery, acceptance, performance, default, enforcement or collection of this Note, and expressly agrees that this Note, or any payment hereunder, may be extended, modified or subordinated (by forbearance or otherwise) from time to time, without in any way affecting the liability of the Maker. The Maker further waives the benefit of any exemption under the homestead exemption laws, if any, or any other exemption, appraisal or insolvency laws, and consents that the Payee may release or surrender, exchange or substitute any personal property or other collateral security now held or which may hereafter be held as security for the payment of this Note.

6. Governing Law. This Note shall be construed in accordance with and governed by the laws of the State of New York, except to the extent superseded by Federal enactments.

7. Consent to Jurisdiction: Waiver of Jury Trial. The Maker hereby consents to the jurisdiction of all courts of the State of New York and the United States District Court for the Southern District of New York, as well as to the jurisdiction of all courts from which an appeal may be taken from such courts, for the purpose of any suit, action or other proceeding arising out of or with respect to this Note. The Maker hereby waives the right to interpose any counterclaims (other than compulsory counterclaims) in any action brought by the Payee hereunder, provided that this waiver shall not preclude the Maker from pursuing any such claims by means of separate proceedings. **THE MAKER HEREBY EXPRESSLY WAIVES ANY AND ALL OBJECTIONS WHICH IT MAY HAVE AS TO VENUE IN ANY OF SUCH COURTS, AND ALSO WAIVES ALL RIGHTS TO TRIAL BY JURY IN ANY SUCH SUIT, ACTION OR PROCEEDING.** The Payee may file a copy of this Note as evidence of the foregoing waiver of right to jury trial.

8. Usury Savings Clause. All agreements between the Maker and the Payee are hereby expressly limited to provide that in no contingency or event whatsoever, whether by reason of acceleration of maturity of the indebtedness evidenced hereby or otherwise, shall the amount paid or agreed to be paid to the Payee for the use, forbearance or detention of the indebtedness evidenced hereby exceed the maximum amount which the Payee is permitted to receive under applicable law. If, from any circumstances whatsoever, fulfillment of any provision hereof or of the Loan Agreement or any Loan Document thereunder, at the time performance of such provision shall be due, shall involve transcending the limit of validity prescribed by law, then, ipso facto, the obligation to be fulfilled shall automatically be reduced to the limit of such validity, and if from any circumstance the Payee shall ever receive as interest an amount which would exceed the highest lawful rate, such amount which would be excessive interest shall be applied to the reduction of the principal balance of any of the Maker's Obligations (as such term is defined in the Loan Agreement) to the Payee, and not to the payment of interest hereunder. To the extent permitted by applicable law, all sums paid or agreed to be paid for the use, forbearance or detention of the indebtedness evidenced by this Note shall be amortized, prorated, allocated and spread throughout the full term of such indebtedness until payment in full, to the end that the rate or amount of interest on account of such indebtedness does not exceed any applicable usury ceiling. As used herein, the term applicable law shall mean the law in effect as of the date hereof, provided, however, that in the event there is a change in the law which results in a higher permissible rate of interest, then this Note shall be governed by such new law as of its effective date. This provision shall control every other provision of all agreements between the Maker and the Payee.

9. Collection Costs. In the event that the Payee shall place this Note in the hands of an attorney for collection during the continuance of any Event of Default, the Maker shall further be liable to the Payee for all costs and expenses (including reasonable attorneys' fees) which may be incurred by the Payee in enforcing this Note, all of which costs and expenses shall be obligations under and part of this Note; and the Payee may take judgment for all such amounts in addition to all other sums due hereunder.

IN WITNESS WHEREOF, the Maker has executed this Note on the date first above written.

(c) Non-Business Day. If any scheduled payment date as aforesaid is not a business day in the State of Texas or the State of Florida, then the payment to be made on such scheduled payment date shall be due and payable on the next succeeding business day, with additional interest on any Principal amount so delayed for the period of such delay.

2. Prepayment.

Edgar Filing: CRDENTIA CORP - Form 424B3

(a) Optional Prepayment of Principal. All or any portion of the unpaid Principal balance of this Note, together with all accrued and unpaid Interest on the Principal amount being prepaid, may at the Maker's option be prepaid in whole or in part, at any time or from time to time, upon ten (10) days' prior written notice to the Payee. Any option prepayment of Principal hereunder paid on or prior to the second (2nd) anniversary of the date hereof shall require the simultaneous payment of a prepayment premium in an amount equal to two (2%) percent of the Principal amount being prepaid; any optional prepayment made after the second (2nd) anniversary of the date hereof may be made without premium or penalty.

(b) Mandatory Prepayments of Principal. The entire Principal balance of this Note, and all accrued and unpaid Interest hereunder, (i) shall be required to be prepaid upon the consummation of any Sale, and (ii) may be required to be prepaid upon the occurrence of any Event of Default. In addition, all or a portion of the Principal of this Note shall be required to be prepaid as and to the extent provided in Section 2.02(b) of the Loan Agreement.

(c) Application of Payments. Any and all prepayments hereunder shall be applied first to any prepayment premium required under Section 2(a) above, then to unpaid accrued Interest on the Principal amount being prepaid, and then to Principal.

3. Events of Default. The occurrence or existence of an Event of Default under the Loan Agreement shall constitute a default under this Note and shall entitle the Payee to accelerate the entire indebtedness hereunder and take such other action as may be provided for in the Loan Agreement and/or in any and all other instruments evidencing and/or securing the indebtedness under this Note, or as may be provided under the law.

4. Assignment. This Note shall be binding upon and shall inure to the benefit of the respective successors and permitted assigns of the parties hereto, provided that the Maker may not assign any of its rights or obligations hereunder without the prior written consent of the Payee.

5. Waiver and Amendment. No waiver of a right in any instance shall constitute a continuing waiver of successive rights, and any one waiver shall govern only the particular matters waived. Neither any provision of this Note nor any performance hereunder may be amended or waived except pursuant to an agreement in writing signed by the party against whom enforcement thereof is sought. Except as otherwise expressly provided in this Note, the Maker hereby waives diligence, demand, presentment for payment, protest, dishonor, nonpayment, default, notice of any and all of the foregoing, and any other notice or action otherwise required to be given or taken under the law in connection with the delivery, acceptance, performance, default, enforcement or collection of this Note, and expressly agrees that this Note, or any payment hereunder, may be extended, modified or subordinated (by forbearance or otherwise) from time to time, without in any way affecting the liability of the Maker. The Maker further waives the benefit of any exemption under the homestead exemption laws, if any, or any other exemption, appraisal or insolvency laws, and consents that the Payee may release or surrender, exchange or substitute any personal property or other collateral security now held or which may hereafter be held as security for the payment of this Note.

6. Governing Law. This Note shall be construed in accordance with and governed by the laws of the State of New York, except to the extent superseded by Federal enactments.

7. Consent to Jurisdiction: Waiver of Jury Trial. The Maker hereby consents to the jurisdiction of all courts of the State of New York and the United States District Court for the Southern District of New York, as well as to the jurisdiction of all courts from which an appeal may be taken from such courts, for the purpose of any suit, action or other proceeding arising out of or with respect to this Note. The Maker hereby waives the right to interpose any counterclaims (other than compulsory counterclaims) in any action brought by the Payee hereunder, provided that this waiver shall not preclude the Maker from pursuing any such claims by means of separate proceedings. **THE MAKER HEREBY EXPRESSLY WAIVES ANY AND ALL OBJECTIONS WHICH IT MAY HAVE AS TO VENUE IN ANY OF SUCH COURTS, AND ALSO WAIVES ALL RIGHTS TO TRIAL BY JURY IN ANY SUCH SUIT, ACTION OR PROCEEDING.** The Payee may file a copy of this Note as evidence of the foregoing waiver of right to jury trial.

8. Usury Savings Clause. All agreements between the Maker and the Payee are hereby expressly limited to provide that in no contingency or event whatsoever, whether by reason of acceleration of maturity of the indebtedness evidenced hereby or otherwise, shall the amount paid or agreed to be paid to the Payee for the use, forbearance or detention of the indebtedness evidenced hereby exceed the maximum amount which the Payee is permitted to receive under applicable law. If, from any circumstances whatsoever, fulfillment of any provision hereof or of the Loan Agreement or any Loan Document thereunder, at the time performance of such provision shall be due, shall involve transcending the limit of validity prescribed by law, then, ipso facto, the obligation to be fulfilled shall automatically be reduced to the limit of such validity, and if from any circumstance the Payee shall ever receive as interest an amount which would exceed the highest lawful rate, such amount which would be excessive interest shall be applied to the reduction of the principal balance of any of the Maker's Obligations (as such term is defined in the Loan Agreement) to the Payee, and not to the payment of interest hereunder. To the extent permitted by applicable law, all sums paid or agreed to be paid for the use, forbearance or detention of the indebtedness evidenced by this Note shall be amortized, prorated, allocated and spread throughout the full term of such indebtedness until payment in full, to the end that the rate or amount of interest on account of such indebtedness does not exceed any applicable usury ceiling. As used herein, the term applicable law shall mean the law in effect as of the date hereof, provided, however, that in the event there is a change in the law which results in a higher permissible rate of interest, then this Note shall be governed by such new law as of its effective date. This provision shall control every other provision of all agreements between the Maker and the Payee.

9. Collection Costs. In the event that the Payee shall place this Note in the hands of an attorney for collection during the continuance of any Event of Default, the Maker shall further be liable to the Payee for all costs and expenses (including reasonable attorneys' fees) which may be incurred by the Payee in enforcing this Note, all of which costs and expenses shall be obligations under and part of this Note; and the Payee may take judgment for all such amounts in addition to all other sums due hereunder.

IN WITNESS WHEREOF, the Maker has executed this Note on the date first above written.

CRDENTIA CORP.

**WARRANT TO PURCHASE SHARES OF COMMON STOCK
(Expires February 28, 2014)**

Warrant No. CV-1

8,000,000 Shares of Common Stock

FOR VALUE RECEIVED, subject to the provisions set forth below, the undersigned, CRDENTIA CORP., a Delaware corporation (the **Company**), hereby certifies that ComVest Capital, LLC, a Delaware limited liability company, or its registered assigns (the **Holder**), is entitled to purchase from the Company up to eight million (8,000,000) fully paid and nonassessable shares (the **Warrant Shares**) of the Company's common stock, \$.0001 par value per share (the **Common Shares**), for cash at a price of \$.001 per share (the **Exercise Price**) at any time and from time to time from and after the earlier of (a) August 22, 2008, or (b) any Event of Default or Sale (as such terms are defined in the Revolving Credit and Term Loan Agreement dated as of February 22, 2008 by and between ComVest Capital, LLC and the Company) which causes the acceleration or mandatory prepayment of all Obligations under and as defined in such Revolving Credit and Term Loan Agreement (the **Commencement Date**), and until 5:00 p.m. (Central time) on February 28, 2014 (the **Expiration Date**), upon surrender to the Company at its principal office (or at such other location as the Company may advise the Holder in writing) of this Warrant properly endorsed with the Notice of Exercise attached hereto duly filled in and signed and, if applicable, upon payment in cash or by check of the aggregate Exercise Price for the number of shares for which this Warrant is being exercised determined in accordance with the provisions hereof. The Exercise Price and the number of shares purchasable hereunder are subject to adjustment as provided in Section 3 of this Warrant.

1. Exercise of Warrant.

1.1. Exercise. This Warrant shall be exercisable at any time and from time to time from the Commencement Date until the Expiration Date, and this Warrant shall expire on the Expiration Date. Upon exercise of this Warrant, the Exercise Price shall be payable in cash or by check. This Warrant may be exercised in whole or in part so long as any exercise in part hereof would not involve the issuance of fractional Warrant Shares or the payment of fractional cents. If exercised in part, the Company shall deliver to the Holder a new Warrant, identical in form to this Warrant, in the name of the Holder, evidencing the right to purchase the number of Warrant Shares as to which this Warrant has not been exercised, which new Warrant shall be

signed by an appropriate officer of the Company. The term "Warrant" as used herein shall include any subsequent Warrant issued as provided herein.

1.2. Exercise Procedures; Delivery of Certificate. Upon surrender of this Warrant with a duly executed Notice of Exercise in the form of Annex A attached hereto, together with payment of the Exercise Price for the Warrant Shares purchased, at the Company's principal executive offices (the "Designated Office"), the Holder shall be entitled to receive a certificate or certificates for the Warrant Shares so purchased. The Company agrees that the Warrant Shares shall be deemed to have been issued to the Holder as of the close of business on the date on which this Warrant shall have been surrendered together with the Notice of Exercise and payment for such Warrant Shares.

1.3. Cashless Exercise. Anything elsewhere contained herein to the contrary notwithstanding, in lieu of payment of the Exercise Price, a Holder may exercise this Warrant, in whole or in part, by presentation and surrender of this Warrant to the Company, together with a Cashless Exercise Form in the form attached hereto as Annex B (or a reasonable facsimile thereof) duly executed (a "Cashless Exercise"). Such presentation and surrender shall be deemed a waiver of the Holder's obligation to pay all or any portion of the Exercise Price, as the case may be. In the event of a Cashless Exercise, the Holder shall exchange this Warrant for that number of Common Shares determined by multiplying the number of Common Shares for which this Warrant is being exercised by a fraction, (a) the numerator of which shall be the difference between (i) the then current market price per Common Share, and (ii) the Exercise Price, and (b) the denominator of which shall be the then current market price per Common Share. For purposes of any computation under this Section 1.3, the then current market price per Common Share at any date shall be deemed to be the average of the daily trading price for the ten (10) consecutive trading days immediately prior to the Cashless Exercise. If, during such measuring period, there shall occur any event which gives rise to any adjustment of the Exercise Price, then a corresponding adjustment shall be made with respect to the closing prices of the Common Shares for the days prior to the Effective Date of such adjustment event. As used herein, the term "trading price" on any relevant date means (A) if the Common Stock is listed for trading on the New York Stock Exchange, the American Stock Exchange, the NASDAQ Global Market, or the NASDAQ Global Select Market, the closing sale price (or, if no closing sale price is reported, the last reported sale price) of the Common Stock (regular way), or (B) if the Common Stock is not so listed but quotations for the Common Stock are reported on the OTC Bulletin Board, the most recent closing price as reported on the OTC Bulletin Board.

2. Transfer; Issuance of Stock Certificates; Restrictive Legends.

2.1. Transfer. Each transfer of this Warrant and all rights hereunder, in whole or in part, shall be registered on the books of the Company to be maintained for such purpose, upon surrender of this Warrant at the Designated Office, together with a written assignment of this Warrant in the form of Annex C attached hereto duly executed by the Holder or its agent or attorney. Upon such surrender and delivery, the Company shall execute and deliver a new Warrant or Warrants in the name of the assignee or assignees and in the denominations specified in such instrument of assignment, and shall issue to the assignor a new Warrant evidencing the portion of this Warrant not so assigned, if any. A Warrant may be exercised by the new Holder for the purchase of Warrant Shares without having a new Warrant issued. Prior to due

presentment for registration of transfer thereof, the Company may deem and treat the registered Holder of this Warrant as the absolute owner hereof (notwithstanding any notations of ownership or writing thereon made by anyone other than a duly authorized officer of the Company) for all purposes and shall not be affected by any notice to the contrary. All Warrants issued upon any assignment of Warrants shall be the valid obligations of the Company, evidencing the same rights and entitled to the same benefits as the Warrants surrendered upon such registration of transfer or exchange. The foregoing notwithstanding, no portion of this Warrant shall be transferred or assigned (except to an affiliate of ComVest Capital, LLC) prior to the Commencement Date.

2.2. Stock Certificates. Certificates for the Warrant Shares shall be delivered to the Holder within five (5) business days after the rights represented by this Warrant shall have been exercised pursuant to Section 1, and a new Warrant representing the right to purchase the Common Shares, if any, with respect to which this Warrant shall not then have been exercised shall also be issued to the Holder within such time. The issuance of certificates for Warrant Shares upon the exercise of this Warrant shall be made without charge to the Holder hereof including, without limitation, any documentary, stamp or similar tax that may be payable in respect thereof; provided, however, that the Company shall not be required to pay any income tax to which the Holder hereof may be subject in connection with the issuance of this Warrant or the Warrant Shares.

2.3. Restrictive Legend. Except as otherwise provided in this Section 2, each certificate for Warrant Shares initially issued upon the exercise of this Warrant and each certificate for Warrant Shares issued to any subsequent transferee of any such certificate, shall be stamped or otherwise imprinted with a legend in substantially the following form:

THESE SECURITIES HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED. THEY MAY NOT BE SOLD, OFFERED FOR SALE, PLEDGED OR HYPOTHECATED IN THE ABSENCE OF A REGISTRATION STATEMENT IN EFFECT WITH RESPECT TO THE SECURITIES UNDER SUCH ACT OR AN OPINION IN FORM AND FROM COUNSEL REASONABLY SATISFACTORY TO THE COMPANY THAT SUCH REGISTRATION IS NOT REQUIRED.

Notwithstanding the foregoing, the legend requirements of this Section 2.3 shall terminate as to any particular Warrant Shares when (i) such Warrant Shares are transferred pursuant to an effective resale registration statement, as contemplated in the Registration Rights Agreement between the Company and the Holder dated as of February , 2008, or (ii) the Company shall have received from the Holder thereof an opinion of counsel in form and substance reasonably acceptable to the Company that such legend is not required in order to ensure compliance with the Securities Act. Whenever the restrictions imposed by this Section 2.3 shall terminate, the Holder or subsequent transferee, as the case may be, shall be entitled to receive from the Company without cost to such Holder or transferee a certificate for the Warrant Shares without such restrictive legend.

3. Adjustment of Number of Shares; Exercise Price; Nature of Securities Issuable Upon Exercise of Warrants.

3.1. Exercise Price; Adjustment of Number of Shares. The Exercise Price and the number of shares purchasable hereunder shall be subject to adjustment from time to time as hereinafter provided; provided, however, that, notwithstanding the below, in no case shall the Exercise Price be reduced to below the par value per share of the class of stock for which this Warrant is exercisable at such time.

3.2. Adjustments Upon Distribution, Subdivision or Combination. If the Company, at any time or from time to time after the issuance of this Warrant, shall (a) make a dividend or distribution on its Common Shares payable in Common Shares, (b) subdivide or reclassify the outstanding Common Shares into a greater number of shares, or (c) combine or reclassify the outstanding Common Shares into a smaller number of shares, the Exercise Price in effect at that time and the number of Warrant Shares into which the Warrant is exercisable at that time shall be proportionately adjusted effective as of the record date for the dividend or distribution or the effective date of the subdivision, combination or reclassification.

3.3. Adjustment Upon Other Distributions. If the Company, at any time or from time to time after the issuance of this Warrant, makes a distribution to the holders of Common Shares which is payable in cash, securities of the Company other than Common Shares or any other property, then, in each such event, provision shall be made so that the Holder shall receive upon exercise of this Warrant, in addition to the number of Warrant Shares, the amount of such cash, securities or other property which would have been received if the portion of the Warrant so exercised had been exercised for Warrant Shares on the date of such event, subject to adjustments subsequent to the date of such event with respect to any such distributed securities which shall be on terms as nearly equivalent as practicable to the adjustments provided in this Section 3 and all other adjustments under this Section 3.

3.4. Adjustment Upon Merger, Consolidation or Exchange. If at any time or from time to time after the issuance of this Warrant there occurs any merger, consolidation, arrangement or statutory share exchange of the Company with or into any other person or company, then, in each such event, provision shall be made so that the Holder shall receive upon exercise of this Warrant the kind and amount of shares and other securities and property (including cash) which would have been received upon such merger, consolidation, arrangement or statutory share exchange by the Holder if the portion of this Warrant so exercised had been exercised for Warrant Shares immediately prior to such merger, consolidation, arrangement or statutory share exchange, subject to adjustments for events subsequent to the effective date of such merger, consolidation, arrangement or statutory share exchange with respect to such shares and other securities which shall be on terms as nearly equivalent as practicable to the adjustments provided in this Section 3 and all other adjustments under this Section 3.

3.5. Adjustments for Recapitalization or Reclassification. If, at any time or from time to time after the issuance of this Warrant, the Warrant Shares issuable upon exercise of this Warrant are changed into the same or a different number of securities of any class of the Company, whether by recapitalization, reclassification or otherwise (other than a merger, consolidation, arrangement or statutory share exchange provided for elsewhere in this Section 3), then, in each such event, provision shall be made so that the Holder shall receive upon exercise of this Warrant the kind and amount of securities or other property which would have been received in connection with such recapitalization, reclassification or other change by the Holder

if the portion of this Warrant so exercised had been exercised immediately prior to such recapitalization, reclassification or change, subject to adjustments for events subsequent to the effective date of such recapitalization, reclassification or other change with respect to such securities which shall be on terms as nearly equivalent as practicable to the adjustments provided in this Section 3 and all other adjustments under this Section 3.

3.6 Adjustment Upon Certain Issuances of Common Stock.

(a) If the Company, at any time or from time to time, issues or sells any Additional Shares of Common Stock (as defined below), other than as provided in the foregoing subsections of this Section 3, for a price per share (which, in the case of options, warrants, convertible securities or other rights, includes the amounts paid therefor plus the exercise price, conversion price or other such amounts payable thereunder) that is less than the Exercise Price then in effect, then and in each such case, the then applicable Exercise Price shall automatically be reduced as of the opening of business on the date of such issue or sale, to a price determined by multiplying the Exercise Price then in effect by a fraction (i) the numerator of which shall be (A) the number of Common Shares deemed outstanding (as determined below) immediately prior to such issue or sale, plus (B) the number of Common Shares which the aggregate consideration received by the Company for the total number of Additional Shares of Common Stock so issued would purchase at such Exercise Price, and (ii) the denominator of which shall be the number of Common Shares deemed outstanding (as defined below) immediately prior to such issue or sale plus the total number of Additional Shares of Common Stock so issued; provided, however, that upon the expiration or other termination of options, warrants or other rights to purchase or acquire Common Shares which triggered any adjustment under this Section 3.6, and upon the expiration or termination of the right to convert or exchange convertible or exchangeable securities (whether by reason of redemption or otherwise) which triggered any adjustment under this Section 3.6, if any thereof shall not have been exercised, converted or exchanged, as applicable, the number of Common Shares deemed to be outstanding pursuant to this Section 3.6(a) shall be reduced by the number of shares as to which options, warrants, and rights to purchase or acquire Common Shares shall have expired or terminated unexercised, and as to which conversion or exchange rights shall have expired or terminated unexercised, and such number of shares shall no longer be deemed to be outstanding; and the Exercise Price then in effect shall forthwith be readjusted and thereafter be the price that it would have been had adjustment been made on the basis of the issuance only of the Common Shares actually issued. For purposes of the preceding sentence, the number of Common Shares deemed to be outstanding as of a given date shall be the sum of (x) the number of Common Shares actually outstanding, (y) the number of Common Shares for which this Warrant could be exercised on the day immediately preceding the given date, and (z) the number of Common Shares which could be obtained through the exercise or conversion of all other rights, options and convertible securities outstanding on the day immediately preceding the given date.

Additional Shares of Common Stock shall mean all Common Shares, and all options, warrants, convertible securities or other rights to purchase or acquire Common Shares, issued by the Company other than (i) Common Shares issued pursuant to the exercise of options, warrants or convertible securities outstanding on February 22, 2008 (including, without limitation, this Warrant), or hereafter issued from time to time pursuant to and in accordance with stock purchase or stock option plans as in effect on February 22, 2008, and (ii) Common Shares and/or options, warrants or other Common Share purchase rights for up to an aggregate of 5,000,000

Common Shares (such number to be subject to adjustment in accordance with Section 3.2 above), where such shares, options, warrants or other rights are issued both (A) at prices or with exercise prices per Common Share at or above the then-current fair market value of a Common Share, as determined in good faith by the Board of Directors of the Company or the Compensation Committee thereof, and (B) to employees, officers or directors of, or consultants to, or acquisition targets of, the Company or any subsidiary pursuant to stock purchase or stock option plans or other arrangements that are approved by the Company's Board of Directors or the Compensation Committee thereof, and/or by the Company's stockholders.

(b) In the event that the exercise price, conversion price, purchase price or other price at which Common Shares are purchasable pursuant to any options, warrants, convertible securities or other rights to purchase or acquire Common Shares is reduced at any time or from time to time (other than under or by reason of provisions designed to protect against dilution), then, upon such reduction becoming effective, the Exercise Price then in effect hereunder shall forthwith be decreased to such Exercise Price as would have been obtained had the adjustments made and required under this Section 3.6 upon the issuance of such options, warrants, convertible securities or other rights been made upon the basis of (and the total consideration received therefor) (i) the issuance of the number of Common Shares theretofore actually delivered upon the exercise, conversion or exchange of such options, warrants, convertible securities or other rights, (ii) the issuance of all of the Common Shares and all other options, warrants, convertible securities and other rights to purchase or acquire Common Shares issued after the issuance of the modified options, warrants, convertible securities or other rights, and (iii) the original issuance at the time of the reduction of any such options, warrants, convertible securities or other rights then still outstanding.

(c) In no event shall an adjustment under this Section 3.6 be made if it would result in an increase in the then applicable Exercise Price.

3.7. Certificate of Adjustment. Whenever the Exercise Price and/or the number of Warrant Shares receivable upon exercise of this Warrant is adjusted, the Company shall promptly deliver to the Holder a certificate of adjustment, setting forth the Exercise Price and/or Warrant Shares issuable after adjustment, a brief statement of the facts requiring the adjustment and the computation by which the adjustment was made. The certificate of adjustment shall be prima facie evidence of the correctness of the adjustment.

3.8. Successive Adjustments. The provisions of this Section 3 shall be applicable successively to each event described herein which may occur subsequent to the issuance of this Warrant and prior to the exercise in full of this Warrant.

3.9. No Impairment. The Company will not, by amendment of its incorporation documents or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms to be observed or performed hereunder. Without limitation of the foregoing, the Company shall not take any action which would cause the par value of the Common Shares to exceed the then-effective Exercise Price.

4. Registration; Exchange and Replacement of Warrant; Reservation of Shares. The Company shall keep at the Designated Office a register in which the Company shall provide for the registration, transfer and exchange of this Warrant. The Company shall not at any time, except upon the dissolution, liquidation or winding-up of the Company, close such register so as to result in preventing or delaying the exercise or transfer of this Warrant.

The Company may deem and treat the person in whose name this Warrant is registered as the Holder and owner hereof for all purposes and shall not be affected by any notice to the contrary, until presentation of this Warrant for registration or transfer as provided in this Section 4.

Upon receipt by the Company of evidence reasonably satisfactory to it of the loss, theft, destruction or mutilation of this Warrant and (in case of loss, theft or destruction) of the Holder's indemnity in form satisfactory to the Company, and (in the case of mutilation) upon surrender and cancellation of this Warrant, the Company will (in the absence of notice to the Company that the Warrant has been acquired by a bona fide purchaser) make and deliver a new Warrant of like tenor in lieu of this Warrant, without requiring the posting of any bond or the giving of any security.

The Company shall at all times reserve and keep available out of its authorized shares of capital stock, solely for the purpose of issuance upon the exercise of this Warrant, such number of Common Shares as shall be issuable upon the exercise hereof. The Company covenants and agrees that, upon exercise of this Warrant and payment of the Exercise Price therefor, if applicable, all Warrant Shares issuable upon such exercise shall be duly and validly authorized and issued, fully paid and nonassessable.

5. Investment Representations. The Holder, by accepting this Warrant, covenants and agrees that, at the time of exercise of this Warrant, if the Warrant Shares shall not then be the subject of an effective registration statement under the Act, the securities acquired by the Holder upon exercise hereof are for the account of the Holder or are being acquired for its own account for investment and are not acquired with a view to, or for sale in connection with, any distribution thereof (or any portion thereof) and with no present intention (at such time) of offering and distributing such securities (or any portion thereof), except in compliance with applicable federal and state securities laws.

6. Fractional Warrants and Fractional Shares. If the number of Warrant Shares purchasable upon the exercise of this Warrant is adjusted pursuant to Section 3 hereof, the Company shall nevertheless not be required to issue fractions of shares upon exercise of this Warrant or otherwise, or to distribute certificates that evidence fractional shares. With respect to any fraction of a share called for upon any exercise hereof, the Company shall pay to the Holder an amount in cash equal to such fraction multiplied by the current market value of a Common Share (determined in accordance with the last sentence of Section 1.3 above).

7. Warrant Holders Not Deemed Stockholders. No Holder of this Warrant shall, as such, be entitled to vote or to receive dividends (except to the extent provided in Section 3.2 above) or be deemed the holder of Warrant Shares that may at any time be issuable upon exercise of this Warrant, nor shall anything contained herein be construed to confer upon the

Holder of this Warrant, as such, any of the rights of a stockholder of the Company or any right to vote for the election of directors or upon any matter submitted to stockholders at any meeting thereof, or to give or withhold consent to any corporate action (whether upon any recapitalization, issue or reclassification of stock, change of par value or change of stock to no par value, consolidation, merger or conveyance or otherwise), or to receive notice of meetings, or subscription rights, until such Holder shall have exercised this Warrant and been issued Warrant Shares or deemed to have been issued Warrant Shares in accordance with the provisions hereof.

8. Notices. Any notice which is required to be given by this Warrant must be in writing, and shall be given or served, unless otherwise expressly provided herein, by depositing the same in the United States Mail, postpaid and certified and addressed to the party to be notified, with return receipt requested, or by delivering the same by courier or in person to such party (or, if the party or parties to be notified be incorporated, to an officer of such party). Notice deposited in the mail, postpaid and certified with return receipt requested, shall be deemed received and effective upon the deposit in a proper United States depository. Notice given in any other manner shall be effective only if and when received by the party to be notified. 9. Successors. All the covenants, agreements, representations and warranties contained in this Warrant shall bind the parties hereto and their respective heirs, executors, administrators, distributees, successors, assigns and transferees.

10. Law Governing. THIS WARRANT SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO THE CONFLICTS OF LAW PRINCIPLES THEREOF.

11. Entire Agreement; Amendments and Waivers. This Warrant, together with the Registration Rights Agreement of even date herewith executed by the Company for the benefit of the Holder, sets forth the entire understanding of the parties with respect to the subject matter hereof. The failure of any party to seek redress for the violation or to insist upon the strict performance of any term of this Warrant shall not constitute a waiver of such term and such party shall be entitled to enforce such term without regard to such forbearance. This Warrant may be amended, and any breach of or compliance with any covenant, agreement, warranty or representation may be waived, only if the Company has obtained the written consent or written waiver of the Holder, and then such consent or waiver shall be effective only in the specific instance and for the specific purpose for which given.

12. Severability; Headings. If any term of this Warrant as applied to any person or to any circumstance is prohibited, void, invalid or unenforceable in any jurisdiction, such term shall, as to such jurisdiction, be ineffective to the extent of such prohibition or invalidity without in any way affecting any other term of this Warrant or affecting the validity or enforceability of this Warrant or of such provision in any other jurisdiction. The Section headings in this Warrant have been inserted for purposes of convenience only and shall have no substantive effect.

2. Shelf Registration.

(a) The Company shall prepare and file with the SEC (i) not later than sixty (60) days after the date of this Agreement, a Registration Statement or Registration Statements (as necessary) on a form that is appropriate under the Act (and, if available, pursuant to Rule 415 promulgated under the Act), covering the resale of all of the Registrable Securities; provided, that if the SEC refuses to declare the Registration Statement filed pursuant to this Section 2(a) effective as a valid secondary offering under Rule 415 due to the number of Registrable Shares included in such Registration Statement relative to the number of outstanding shares of Common Stock, then (i) the Company shall be permitted to reduce the number of Registrable Shares included in such Registration Statement to an amount that does not exceed the amount that the SEC allows for the offering thereunder to qualify as a valid secondary offering under Rule 415, and (ii) the Company shall file, as soon as practicable thereafter and in accordance with the Act and the SEC's rules and regulations, a Registration Statement (or Registration Statement(s) if required by the SEC) to register the Registrable Securities excluded from the initial Registration Statement filed hereunder, provided that the terms of Sections 2(b) through 2(i) below shall apply to such Registration Statement or Registration Statements once the filing thereof is permitted.

(b) The Company shall use all commercially reasonable efforts to cause the Registration Statement(s) required by this Section 2 to be declared effective under the Act as promptly as possible after the filing thereof, but in any event not later than one hundred eighty (180) days after the date of this Agreement (or any later filing date permitted in accordance with Section 2(a) above).

(c) If (i) any Registration Statement required by this Section 2 is not declared effective within one hundred eighty (180) days after the date of this Agreement (or any later filing date permitted in accordance with Section 2(a) above), or (ii) the Registration Statement required by this Section 2 shall cease to be available for use by the Holders as selling stockholders (A) as provided under Section 2(f) below where such unavailability continues for a period in excess of five (5) days beyond the allowed time period, or (B) for any other reason including, without limitation, by reason of a stop order, a material misstatement or omission in such Registration Statement or the information contained in such Registration Statement having become outdated and continues to be unavailable for a period in excess of thirty (30) days (which need not be consecutive days) in any twelve (12) month period, and no Holder is in material breach of its obligations under this Agreement, then the Company shall pay to the Holders, ratably in proportion to the number of Registrable Shares held by the respective Holders, a cash fee equal to the product of \$1,000 multiplied by the number of calendar days during which any of the events described in clauses (i) or (ii) above occurs and is continuing (the Blackout Period); provided, however, that the aggregate such fees payable under this Section 2(c) shall not exceed \$700,000. Each such payment shall be due within five (5) days after the end of each 30-day period of the Blackout Period until the termination of the Blackout Period and within five (5) days after such termination. The Blackout Period shall terminate upon the effectiveness of the Registration Statement in the case of clause (i) above and upon notice from the Company that the Registration Statement is again available in the case of clause (ii) above.

(d) The Company shall use all commercially reasonable efforts to keep each Registration Statement under this Section 2 effective at all times during the applicable Registration Period.

(e) If the Holders (acting by a majority in interest) determine that any offering pursuant to a Registration Statement pursuant to this Section 2 shall involve an underwritten offering (which may only be with the consent of the Company, which shall not be unreasonably withheld or delayed), the Holders (acting by a majority in interest) shall have the right to select an investment banker or bankers and manager or managers to administer to the offering, which investment banker or bankers or manager or managers shall be reasonably satisfactory to the Company.

(f) If the Registrable Securities are registered for resale under an effective Registration Statement, the Holders shall cease any distribution of such Shares under such Registration Statement:

(i) for a period of up to six (6) months if (A) such distribution would require the public disclosure of material non-public information concerning any transaction or negotiations involving the Company or any of its Affiliates that, in the reasonable judgment of the Company's Board of Directors, would materially interfere with such transaction or negotiations, or (B) such distribution would otherwise require premature disclosure of information that, in the reasonable judgment of the Company's Board of Directors, would adversely affect or otherwise be detrimental to the Company; provided that the Company shall not invoke this clause (i) more than once in any twelve (12) month period or for more than six (6) months in any such twelve (12) month period;

(ii) not more than once in any twelve (12) month period, for up to 30 days, upon the request of the Company if the Company proposes to file a Registration Statement under the Act for the offering and sale of securities for its own account in an underwritten offering and the managing underwriter therefor shall advise the Company in writing that in its opinion the continued distribution of the Registrable Securities would adversely affect the offering of the securities proposed to be registered for the account of the Company; and

(iii) for a period of up to sixty (60) days after the filing of the Company's annual report on Form 10-K or Form 10-KSB or other event that requires the filing of a post-effective amendment to any Registration Statement hereunder, so long as the Company has filed and is during such period actively pursuing effectiveness of such post-effective amendment with the staff of the SEC.

The Company shall promptly notify the Holders in writing at such time as (x) such transactions or negotiations have been otherwise publicly disclosed or terminated, or (y) such non-public information has been publicly disclosed or counsel to the Company has determined that such disclosure is not required due to subsequent events.

(g) The Company shall (i) permit the Holders' counsel to review (A) such Registration Statement, and all amendments and supplements thereto, in each case to the extent of any information with respect to the Holders, their and their Affiliates' beneficial ownership of

securities of the Company, and their intended method of disposition of Registrable Securities, and (B) all requests for acceleration or effectiveness thereof and any correspondence between the Company and the SEC relating to the Registration Statement (collectively, the Registration Documents), for a reasonable period of time prior to their filing with the SEC, (ii) not file (or send) any Registration Documents in a form to which such counsel reasonably objects, and (iii) not request acceleration of such Registration Statement without prior notice to such counsel. The sections of such Registration Statement covering information with respect to the Holders, their and their Affiliates' beneficial ownership of securities of the Company, and their intended method of disposition of Registrable Securities shall conform to the information provided to the Company by the Holders.

(h) The Registration Statement pursuant to this Section 2 shall not include any securities other than Registrable Shares.

(i) The Company shall bear all of the Costs and Expenses of the Registration pursuant to this Section 2.

3. Piggyback Registration. In the event that the Company shall propose a Registration at any time when a Registration Statement is not effective pursuant to Section 2 above, then the Company shall give to each Holder written notice (the Registration Notice) of such proposed Registration (which notice shall include a statement of the proposed filing date thereof, the underwriters and/or managing underwriters of the subject offering, and any other known material information relating to the proposed Registration) not less than twenty (20) or more than sixty (60) days prior to the filing of the subject Registration Statement, and shall, subject to the limitations provided in this Section 3, include in such Registration Statement all or a portion of the Registrable Shares owned by and/or issuable to each Holder, as and to the extent that such Holder may request same to be so included by means of written notice given to the Company within ten (10) days after the Company's giving of the Registration Notice. Each Holder shall be permitted to withdraw all or any part of its Registrable Shares from a Registration Statement by written notice to the Company given at any time prior to the effective date of the Registration Statement. The Company shall bear all of the Costs and Expenses of any Registration described in this Section 3; provided, however, that each Holder shall pay, pro rata based upon the number of its Registrable Shares included therein, the underwriters' discounts, commissions and compensation attributable solely to the inclusion of such Registrable Shares in the overall public offering. Notwithstanding anything to the contrary contained herein, the Company's obligation to include a Holder's Registrable Shares in any such Registration Statement shall be subject, at the option of the Company, to the following further conditions:

(a) The distribution for the account of such Holder shall be underwritten by the same underwriters (if any) who are underwriting the distribution of the securities for the account of the Company and/or any other persons whose securities are covered by such Registration Statement, and shall be made at the same underwriter discount or commission applicable to the distribution of the securities for the account of the Company and/or any other persons whose securities are covered by such Registration Statement; and such Holder shall enter into an agreement with such underwriters containing customary indemnification and other provisions;

(b) If at any time after giving the Registration Notice, and prior to the effective date of the Registration Statement filed in connection with such Registration Notice, the Company shall determine for any reason not to proceed with the subject Registration, the Company may, at its election, give written notice of such determination to the Holders and, thereupon, shall be relieved of its obligation to register any of the Holders Registrable Shares in connection with such Registration;

(c) In connection with an underwritten public offering pursuant to a Registration Statement under this Section 3, if and only if the managing underwriter(s) thereof shall advise the Company in writing that, due to adverse market conditions or the potential adverse impact on the offering to be made for the account of the Company, the securities to be included in such Registration will not include all of the Registrable Shares requested to be so included by the Holders, then the Company will promptly furnish each such Holder with a copy of such written statement and may require, by written notice to each such Holder accompanying such written statement, that the distribution of all or a specified portion of such Registrable Shares be excluded from such distribution (with any such cutback to be allocated among the subject Holders (and, if applicable, any other holders of Common Stock to be included in such Registration) in proportion to the relative number of shares of Common Stock requested by such Persons to be included in such Registration); and

(d) The Company shall not be obligated to effect any registration of Shares incidental to the registration of any of its securities in connection with mergers, acquisitions, exchange offers, dividend reinvestment plans or stock option or other employee benefit plans.

4. Registration Procedures. In the case of each Registration effected by the Company in which Registrable Shares are to be sold for the account of any Holder, the Company, at its sole cost and expense (exclusive of items excluded in the proviso to the definition of Costs and Expenses above), will use all commercially reasonable efforts to:

(a) prepare and file with the SEC such amendments and supplements to such Registration Statement and the prospectus included therein as may be necessary to effect and maintain the effectiveness of such Registration Statement, until the completion of the distribution of the Registrable Shares included therein, as may be required by the applicable rules and regulations of the SEC and the instructions applicable to the form of such Registration Statement, and furnish to the Holders of the Registrable Shares covered thereby copies of any such supplement or amendment not less than three Business Days prior to the date first used and/or filed with the SEC; and comply with the provisions of the Act with respect to the disposition of all the Shares to be included in such Registration Statement;

(b) provide (i) the Holders of the Registrable Shares to be included in such Registration Statement, (ii) the underwriters (which term, for purposes of this Agreement, shall include a person deemed to be an underwriter within the meaning of Section 2(11) of the Act, if any, thereof, (iii) the sales or placement agent, if any, therefor, (iv) one counsel for such underwriters or agent, and (v) not more than one counsel for all the Holders of such Registrable Shares, the reasonable opportunity to review such Registration Statement, each prospectus included therein or filed with the SEC, and each amendment or supplement thereto, in each case to the extent of any disclosures regarding the Holders, their and their Affiliates beneficial

ownership of securities of the Company, and their intended method of disposition of the Registrable Shares included in such Registration Statement (or any amendment to any such information previously included in such Registration Statement (including any amendment or supplement thereto) or any prospectus included therein);

(c) for a reasonable period prior to the filing of such Registration Statement, and not more than once in any calendar quarter throughout the period specified above, make available for inspection by the Persons referred to in Section 4(b) above such financial and other information and books and records of the Company, and cause the officers, directors, employees, counsel and independent certified public accountants of the Company to respond to such inquiries, as shall be reasonably necessary, in the judgment of the respective counsel referred to in such Section 4(b), to conduct a reasonable investigation within the meaning of the Act; provided, however, that each such party shall be required to maintain in confidence and not disclose to any other person or entity any information or records reasonably designated by the Company in writing as being confidential, until such time as and to the extent that (i) such information becomes a matter of public record or generally available to the public (whether by virtue of its inclusion in such Registration Statement or otherwise, other than by reason of a breach hereof), (ii) such party shall be required to disclose such information pursuant to the subpoena or order of any court or other governmental agency or body having jurisdiction over the matter, or (iii) such information is required to be set forth in such Registration Statement or the prospectus included therein or in an amendment to such Registration Statement or an amendment or supplement to such prospectus in order that such Registration Statement, prospectus, amendment or supplement, as the case may be, does not include an untrue statement of a material fact or omit to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading; and further provided, that the Company need not make such information available, nor need it cause any officer, director or employee to respond to such inquiry, unless each such Holder of Registrable Shares to be included in a Registration Statement hereunder, upon the Company's request, executes and delivers to the Company a specific undertaking to substantially the same effect contained in the preceding proviso;

(d) promptly notify in writing the Holders of Registrable Shares to be included in a Registration Statement hereunder, the sales or placement agent, if any, therefor and the managing underwriter of the securities being sold, (i) when such Registration Statement or the prospectus included therein or any prospectus amendment or supplement or post-effective amendment has been filed, and, with respect to such registration statement or any post-effective amendment, when the same has become effective, (ii) of any comments by the SEC and by the blue sky or securities commission or regulator of any state with respect thereto or any request by the SEC for amendments or supplements to such Registration Statement or the prospectus or for additional information, (iii) of the issuance by the SEC of any stop order suspending the effectiveness of such registration statement or the initiation of any proceedings for that purpose, (iv) of the receipt by the Company of any notification with respect to the suspension of the qualification of any Shares for sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose, or (v) if it shall be the case, at any time when a prospectus is required to be delivered under the Act, that such Registration Statement, prospectus, or any document incorporated by reference in any of the foregoing contains an untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing;

(e) obtain the withdrawal of any order suspending the effectiveness of such Registration Statement or any post-effective amendment thereto at the earliest practicable date;

(f) if requested by any managing underwriter or underwriter, any placement or sales agent or any Holder of Registrable Shares to be included in a Registration Statement, promptly incorporate in a prospectus, prospectus supplement or post-effective amendment such information as is required by the applicable rules and regulations of the SEC and as such managing underwriter or underwriters, such agent or such Holder may reasonably specify should be included therein relating to the terms of the sale of the Registrable Shares included thereunder, including, without limitation, information with respect to the number of Registrable Shares being sold by such Holder or agent or to such underwriters, the name and description of such Holder, the offering price of such Registrable Shares and any discount, commission or other compensation payable in respect thereof, the purchase price being paid therefor by such underwriters and with respect to any other terms of the offering of the Registrable Shares to be sold in such offering; and make all required filings of such prospectus, prospectus supplement or post-effective amendment promptly after notification of the matters to be incorporated in such prospectus, prospectus supplement or post-effective amendment;

(g) furnish to each Holder of Registrable Shares to be included in such Registration Statement hereunder, each placement or sales agent, if any, therefor, each underwriter, if any, thereof and the counsel referred to in Section 4(b) an executed copy of such Registration Statement, each such amendment and supplement thereto (in each case excluding all exhibits and documents incorporated by reference) and such number of copies of the Registration Statement (excluding exhibits thereto and documents incorporated by reference therein unless specifically so requested by such Holder, agent or underwriter, as the case may be) and the prospectus included in such Registration Statement (including each preliminary prospectus and any summary prospectus), in conformity with the requirements of the Act, as such Holder, agent, if any, and underwriter, if any, may reasonably request in order to facilitate the disposition of the Shares owned by such Holder, sold by such agent or underwritten by such underwriter and to permit such Holder, agent and underwriter to satisfy the prospectus delivery requirements of the Act; and the Company hereby consents to the use of such prospectus and any amendment or supplement thereto by each such Holder and by any such agent and underwriter, in each case in the form most recently provided to such person by the Company, in connection with the offering and sale of the Shares covered by the prospectus (including such preliminary and summary prospectus) or any supplement or amendment thereto;

however, that the Company shall not be required for any such purpose to (A) qualify generally to do business as a foreign corporation or a broker-dealer in any jurisdiction wherein it would not otherwise be required to qualify but for the requirements of this Section 4(h), (B) subject itself to taxation in any such jurisdiction, or (C) consent to general service of process in any such jurisdiction;

(j) provide a CUSIP number for all Shares, not later than the effective date of the Registration Statement;

(k) in the event that Registrable Securities included in any Registration Statement are to be sold to or through any underwriter or placement or sales agent, (i) make such representations and warranties to the Holders of such Registrable Shares and the placement or sales agent, if any, therefor and the underwriters, if any, thereof in form, substance and scope as are customarily made in connection with any offering of equity securities pursuant to any appropriate agreement and/or in a registration statement filed on the form applicable to such Registration Statement; (ii) if so requested by any such underwriter or placement or sales agent, obtain an opinion of counsel to the Company in customary form and covering such matters, of the type customarily covered by such an opinion, as the managing underwriters, if any, and/or the placement or sales agent may reasonably request, addressed to such Holders and the placement or sales agent, if any, therefor and the underwriters, if any, thereof and dated the effective date of such Registration Statement (and if such Registration Statement contemplates an underwritten offering of a part or of all of the Shares included in such Registration Statement, dated the date of the closing under the underwriting agreement relating thereto); (iii) if so requested by any such underwriter or placement or sales agent, obtain a "cold comfort" letter or letters from the independent certified public accountants of the Company addressed to the Holders and the placement or sales agent, if any, therefor and the underwriters, if any, thereof, dated (A) the effective date of such Registration Statement, and (B) the effective date of the most recent (or, if so stated in the request therefor, the next) prospectus supplement to the prospectus included in such Registration Statement or post-effective amendment to such Registration Statement which includes unaudited or audited financial statements as of a date or for a period subsequent to that of the latest such statements included in such prospectus (and, if such Registration Statement contemplates an underwritten offering pursuant to any prospectus supplement to the prospectus included in such Registration Statement or post-effective amendment to such Registration Statement which includes unaudited or audited financial statements as of a date or for a period subsequent to that of the latest such statements included in such prospectus, dated the date of the closing under the underwriting agreement relating thereto), such letter or letters to be in customary form and covering such matters of the type customarily covered by letters of such type; (iv) deliver such documents and certificates, including officers

(l) notify in writing each Holder of Registrable Shares of any proposal by the Company to amend or waive any provision of this Agreement and of any amendment or waiver effected pursuant thereto, each of which notices shall contain the text of the amendment or waiver proposed or effected, as the case may be;

(m) engage to act on behalf of the Company, with respect to the Registrable Shares to be so registered, a registrar and transfer agent having such duties and responsibilities (including, without limitation, registration of transfers and maintenance of stock registers) as are customarily discharged by such an agent, and to enter into such agreements and to offer such indemnities as are customary in respect thereof; and

(n) otherwise comply with all applicable rules and regulations of the SEC, and make available to the Holders, as soon as practicable, but in any event not later than 18 months after the effective date of such Registration Statement, an earnings statement covering a period of at least twelve months which shall satisfy the provisions of Section 6(a) of the Act (including pursuant to Rule 158 thereunder).

5. Indemnification by the Company.

(a) The Company shall indemnify each Holder and its Affiliates from and against any claim, loss, cost, charge or liability of any kind, including amounts paid in settlement and reasonable attorneys' fees, which may be incurred by the Holder or Affiliate as a result of any breach of any representation or warranty or covenant of the Company contained in this Agreement or in any certificate delivered on the closing date of any public offering of Shares.

(b) The Company shall indemnify and hold harmless each Holder and its Affiliates, any underwriter (as defined in the Act) for any Holder, each officer and director of a Holder, legal counsel and accountants for a Holder, and each person, if any, who controls a Holder or such underwriter within the meaning of the Act, against any losses, expenses, claims, damages or liabilities, joint or several, to which such Holder or any such Affiliate, underwriter, officer, director or controlling person becomes subject, under the Act or any rule or regulation thereunder or otherwise, insofar as such losses, expenses, claims, damages or liabilities (or actions in respect thereof) (i) are caused by any untrue statement or alleged untrue statement of any material fact contained in any preliminary prospectus (if used prior to the effective date of the Registration Statement), or contained, on the effective date thereof, in any Registration Statement in which Registrable Shares were included, the prospectus contained therein, any amendment or supplement thereto, or any other document related to such Registration Statement, or (ii) arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, or

(iii) arise out of any violation by the Company of the Act or any rule or regulation thereunder applicable to the Company and relating to actions or omissions otherwise required of the Company in connection with such registration. The Company shall reimburse each Holder and any such Affiliate, underwriter, officer, director or controlling person for any legal or other expenses reasonably incurred by such Holder, or any such officer, director, underwriter or controlling person in connection with investigating, defending or settling any such loss, claim, damage, liability or action; provided, however, that the Company shall not be liable to any such persons in any such case to the extent that any such loss, claim, damage, liability or action arises out of or is based upon any untrue statement or alleged untrue statement or omission or alleged omission made in reliance upon and in conformity with information furnished to the Company in writing by such Person expressly for inclusion in any of the foregoing documents. This indemnity shall not apply to amounts paid in settlement of any such loss, claim, damage, liability or action if such settlement is effected without the consent of the Company, which consent shall not be unreasonably withheld or delayed.

6. Further Obligations of Holders. The obligations of the Company with respect to any particular Holder are subject to such Holder's agreement to the following (which such Holder shall specifically confirm in writing to the Company upon the Company's request in connection with any Registration Statement):

(a) Such Holder shall furnish in writing to the Company all information concerning such Holder and its and its Affiliates holdings of securities of the Company and its Affiliates, and the intended method of disposition of the Registrable Securities included in such Registration Statement, as shall be reasonably required in connection with the preparation and filing of any Registration Statement covering any of such Holder's Registrable Shares.

(b) Such Holder shall indemnify and hold harmless the Company, each of its directors, each of its officers who has signed a Registration Statement, each person (if any) who controls the Company within the meaning of the Act, and any underwriter (as defined in the Act) for the Company, against any losses, claims, damages or liabilities to which the Company or any such director, officer, controlling person or underwriter may become subject under the Act or any rule or regulation thereunder or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) (i) are caused by any untrue statement or alleged untrue statement of any material fact contained in any preliminary prospectus (if used prior to the effective date of the Registration Statement), or contained, on the effective date thereof, in any Registration Statement in which such Holder's Registrable Shares were included, the prospectus contained therein, any amendment or supplement thereto, or any other document related to such Registration Statement, or (ii) arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in reliance upon and in conformity with information furnished to the Company by such Holder in writing expressly for inclusion in any of the foregoing documents. In no event shall any Holder be required to pay indemnification hereunder (or contribution under Section 7(d) below) in an aggregate amount in excess of the net proceeds received by such Holder in the subject offering. This indemnity shall not apply to amounts paid in settlement of any such loss, claim, damage,

liability or action if such settlement is effected without the consent of the subject Holder, which consent shall not be unreasonably withheld or delayed.

7. Additional Provisions.

(a) Each Holder and each other Person indemnified pursuant to Section 5 above shall, in the event that it receives notice of the commencement of any action against it which is based upon an alleged act or omission which, if proven, would result in the Company's having to indemnify it pursuant to Section 5 above, promptly notify the Company, in writing, of the commencement of such action and permit the Company, if the Company so notifies such Holder within twenty (20) days after receipt by the Company of notice of the commencement of the action, to participate in and to assume the defense of such action with counsel reasonably satisfactory to such Holder; provided, however, that such Holder or other indemnified person shall be entitled to retain its own counsel at its own expense (except that the indemnifying party shall bear the expense of such separate counsel if representation of both parties by the same counsel would be inappropriate due to actual or potential conflicts of interest). The failure to notify the Company promptly of the commencement of any such action shall not relieve the Company of any liability to indemnify such Holder or such other indemnified person, as the case may be, under Section 5 above, except to the extent that the Company shall be actually prejudiced or shall suffer any loss by reason of such failure to give notice, and shall not relieve the Company of any other liabilities which it may have under this or any other agreement.

(b) The Company and each other Person indemnified pursuant to Section 6 above shall, in the event that it receives notice of the commencement of any action against it which is based upon an alleged act or omission which, if proven, would result in any Holder having to indemnify it pursuant to Section 6 above, promptly notify such Holder, in writing, of the commencement of such action and permit such Holder, if such Holder so notifies the Company within twenty (20) days after receipt by such Holder of notice of the commencement of the action, to participate in and to assume the defense of such action with counsel reasonably satisfactory to the Company; provided, however, that the Company or other indemnified person shall be entitled to retain its own counsel at the Company's expense. The failure to notify any Holder promptly of the commencement of any such action shall not relieve such Holder of liability to indemnify the Company or such other indemnified person, as the case may be, under Section 6 above, except to the extent that the subject Holder shall be actually prejudiced or shall suffer any loss by reason of such failure to give notice, and shall not relieve such Holder of any other liabilities which it may have under this or any other agreement.

(c) No indemnifying party, in the defense of any such claim or litigation, shall, except with the consent of each indemnified person who is party to such claim or litigation, consent to entry of any judgment or enter into any settlement that does not include as an unconditional term thereof the giving by the claimant or plaintiff to such indemnified person of a release from all liability in respect to such claim or litigation. Each such indemnified person shall furnish such information regarding itself or the claim in question as an indemnifying party may reasonably request in writing and as shall be reasonably required in connection with defense of such claim and litigation resulting therefrom.

(d) If the indemnification provided for in Section 5 and 6 is unavailable or insufficient to hold harmless an indemnified party, then, subject to the limits set forth in Section 6(b) above, each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of the expenses, claims, losses, damages or liabilities (or actions or proceedings in respect thereof) referred to in Section 5 and 6, in such proportion as is appropriate to reflect the relative fault of the Company on the one hand and the sellers of Shares on the other hand in connection with statements or omissions which resulted in such losses, claims, damages or liabilities (or actions or proceedings in respect thereof) or expenses, as well as any other relevant equitable considerations. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company or the sellers of Shares and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such untrue statement or omission. The Company and the Holders agree that it would not be just and equitable if contributions pursuant to this Section 7(d) were to be determined by pro rata allocation (even if all sellers of Shares were treated as one entity for such purpose) or by another method of allocation which does not take account of the equitable considerations referred to in the first sentence of this Section. The amount paid by an indemnified person as a result of the expenses, claims, losses, damages or liabilities (or actions or proceedings in respect thereof) referred to in the first sentence of this Section 7(d) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified person in connection with investigating or defending any claim, action or proceeding which is the subject of this Section 7(d). No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The obligations of sellers of Shares to contribute pursuant to this Section 7(d) shall be several in proportion to the respective amounts of Shares sold by them pursuant to a Registration Statement.
