**PART II**

**INFORMATION NOT REQUIRED TO BE DELIVERED TO OFFEREES OR PURCHASERS**

**INDEMNIFICATION**

Under the *Canada Business Corporations Act*, the Registrant may indemnify a director or officer of the Registrant, a former director or officer of the Registrant or another individual who acts or acted at the Registrant's request as a director or officer, or an individual acting in a similar capacity, of another entity, against all costs, charges and expenses, including an amount paid to settle an action or satisfy a judgment, reasonably incurred by the individual in respect of any civil, criminal, administrative, investigative or other proceeding in which the individual is involved because of that association with the Registrant or other entity and provided that the director, officer or other individual acted honestly and in good faith with a view to the best interest of the Registrant, or, as the case may be, to the best interests of the other entity for which the individual acted as director or officer or in a similar capacity at the Registrant's request and, in the case of a criminal or administrative action or proceeding that is enforced by a monetary penalty, had reasonable grounds for believing that his conduct was lawful. Such indemnification may be made in connection with a derivative action only with court approval. A director, officer or other individual referred to above is entitled to indemnification from the Registrant as a matter of right if he was not judged by the court or other competent authority to have committed any fault or omitted to do anything that the individual ought to have done and fulfilled the conditions set forth above.

In accordance with the *Canada Business Corporations Act*, the Registrant has entered indemnification agreements under which it has agreed to indemnify its directors and certain officers in the manner outlined above.

A policy of directors' and officers' liability insurance is maintained by the Registrant which insures directors and officers for losses as a result of claims against the directors and officers of the Registrant in their capacity as directors and officers and also reimburses the Registrant for payments made pursuant to the indemnity provisions under the Registrant's By-Laws and the *Canada Business Corporations Act*.

Insofar as indemnification for liabilities under the Securities Act of 1933, as amended (the "Securities Act"), may be permitted to directors, officers or persons controlling the Registrant pursuant to the foregoing provisions, the Registrant has been informed that in the opinion of the United States Securities and Exchange Commission such indemnification is against public policy in the United States as expressed in the Securities Act and is therefore unenforceable.
