DEREGISTRATION OF UNSOLD SECURITIES

This Post-Effective Amendment No. 1 (the Amendment) relates to the Registration Statement on Form S-8 filed with the Securities and Exchange Commission on March 12, 1994 (File No. 33-76440) (the Registration Statement) of UFP Technologies, Inc. (the Company) pertaining to a total of 110,000 shares of the Company s common stock, par value \$.01 per share (Common Stock), authorized for issuance under the Company s 1993 Non-Employee Director Stock Option Plan (the 1993 Director Plan). In 1998, the Company discontinued the 1993 Director Plan pursuant to Section 10 thereof. Options outstanding on the date of such discontinuance, each of which had a term of ten (10) years, remained in effect and were not affected by such discontinuance. As of the date of this Amendment, all options granted under the 1993 Director Plan prior to its discontinuance have now been exercised or have terminated or have expired unexercised and 72,500 shares of such Common Stock remain unsold under the 1993 Director Plan.

As a result of the discontinuance of the 1993 Director Plan, and the exercise, termination or expiration of all options granted thereunder, the offering of Common Stock under the 1993 Director Plan pursuant to the Registration Statement has been terminated. In accordance with an undertaking made by the Company in the Registration Statement to remove from registration, by means of a post-effective amendment, any of the securities which remain unsold at the termination of the offering, the Company hereby removes from registration the 72,500 shares of Common Stock registered but unsold under the 1993 Director Plan pursuant to the Registration Statement. This Amendment shall not affect the remaining shares of Common Stock registered pursuant to the Registration Statement, and the effectiveness of the Registration Statement as to such shares shall continue unaffected by this Amendment.
