**Item 1.01. Entry into a Material Definitive Agreement.**

On January 11, 2011 the Registrant entered into a \$15 million Senior Secured Super-Priority Debtor-In-Possession Credit Facility (the "DIP Credit Agreement") with Anchorage Illiquid Opportunities Offshore Master, L.P.; Anchorage Illiquid Opportunities Offshore Master II, L.P.; GRF Master Fund, L.P.; Bank of America, N.A.; and Luxor Capital, LLC (the "DIP Lenders"). Wilmington Trust FSB is serving as administrative and collateral agent under the credit facility, pursuant to which the lenders will initially lend \$5.0 million and will lend an additional \$10.0 million upon final court approval of the DIP Credit Agreement. The DIP Credit Agreement loans bear interest at the rate of Libor + 750 basis points with a Libor floor of 250 basis points (resulting in a current annual rate of 10.0%) (the "DIP Interest Rate").

The Registrant has an option, subject to certain conditions, to convert the DIP Loan into a first lien position loan in the principal amount of \$15.0 million with an expected maturity date of March 1, 2013 which will be paid interest at the same rate as the DIP Interest Rate.

The DIP Credit Agreement includes affirmative and negative covenants that will impose substantial restrictions on the financial and business operations of the Registrant and its subsidiaries, including their ability to incur and secure debt, make investments, sell assets, pay dividends or make acquisitions. A copy of the DIP Credit Agreement is attached hereto as Exhibit 10.1.

This Form 8-K contains forward-looking statements that are subject to certain risks and uncertainties that could cause actual results to differ materially from those projected. The most significant among these risks and uncertainties are: (i) the ability of the Registrant to continue as a going concern; (ii) the Registrant's ability to obtain bankruptcy court approval with respect to the plan of reorganization and other motions in the Chapter 11 cases; (iii) risks associated with third party motions in the Chapter 11 cases, which may interfere with the Registrant's ability to consummate the plan of reorganization; (iv) the ability to execute the Registrant's business and restructuring plan; (v) the Registrant's ability to maintain contracts that are critical to its operation and to retain key executives, managers and employees. The cautionary statements provided above are being made pursuant to the provisions of the Private Securities Litigation Reform Act of 1995 (the "Act") and with the intention of obtaining the benefits of the "safe harbor" provisions of the Act for any such forward-looking information. Additional risks that may affect the Registrant's future performance are detailed in the Registrant's filings with the Securities and Exchange Commission, including its most recent Annual Report on Form 10-K and its Quarterly Reports on Form 10-Q.
