This Proxy Statement, the Notice of Annual Meeting and the Proxy Card(s) are first being mailed to shareholders on or about June 9, 2011.

Proposal 1 relates to the election of Trustees for the Fund, Proposal 2 relates to the ratification of the selection of the independent registered public accountants of the Fund and Proposal 3 relates to a shareholder proposal to be acted on, if properly presented at the meeting.

The Fund will furnish, without charge, a copy of its Annual Report, or the most recent Semi-Annual Report succeeding the Annual Report, if any, to a shareholder upon request. Requests may be sent to the Fund at 2 Liberty Square, 9th Floor, Boston, MA 02109 or be made by calling (800) 451-2597.

Proposal 1 ELECTION OF TRUSTEES

The Fund's Declaration of Trust provides that its Board of Trustees shall be divided into three classes with staggered terms. The term of office of the Class A Trustees expires on the date of the 2011 Annual Meeting, and the term of office of the Class B and Class C Trustee will expire one and two years, respectively, thereafter. Trustees chosen to succeed the Class A Trustees whose terms are expiring will be elected for a three-year term.

The Fund's Declaration of Trust provides that a majority of its Trustees shall fix the number of the entire Board of Trustees and that such number shall be at least three and no greater than fifteen. The Fund's Board of Trustees has fixed the number of Trustees at eight. Proxies will be voted for the election of the following three nominees to serve as Class A Trustees until the 2014 Annual Meeting: Eric Oddleifson, Oleg M. Pohotsky and William S. Reardon. Each nominee is presently serving as a Class A Trustee and has consented to continue to so serve. In the event that a nominee is unable to serve for any reason (which is not now expected) when the election occurs, the accompanying Proxy will be voted for such other person or persons as the Board of Trustees may recommend.

The Class B Trustees serving until the 2012 Annual Meeting are Rakesh K. Jain, Ph.D., Daniel R. Omstead, Ph.D. and Lucinda H. Stebbins, CPA. The Class C Trustees serving until the 2013 Annual Meeting are Lawrence S. Lewin and Uwe E. Reinhardt.

Each Trustee's ability to perform the duties of a trustee effectively has been attained and enhanced through the Trustee's education, professional training and other life experiences, such as business, consulting or public service positions and through experience from service as a member of this Fund's Board and that of H&Q Healthcare Investors ("HQP"), public companies, or non-profit entities or other organizations.

Shareholders wishing to send communications to the Board may communicate with members of the Board of Trustees by submitting a written communication directed to the applicable Board of Trustees in care of the Fund's President, Daniel R. Trustees Leadership Structure and Oversight Responsibilities

Overall responsibility for general oversight of the Fund rests with the Board. The Board is comprised of eight individuals, seven of whom are not "interested persons" of the Fund as defined in the 1940 Act ("Independent Trustee"). The Chairman of the Board is an Independent Trustee. The Chairman presides at meetings of the Trustees, participates in the preparation of the agenda for meetings of the Board, and acts as a liaison between the Independent Trustees and the Fund's management between Board meetings. Except for any duties specified herein, the designation as Chairman does not impose any obligations or standards greater than or different from other Trustees.

The Board holds regular quarterly meetings each year to consider and address matters involving the Fund. The Board also may hold special meetings to address matters arising between regular meetings. The Independent Trustees also meet outside the presence of management in executive session at least quarterly and have engaged independent legal counsel to assist them in performing their oversight responsibilities.

The Board has established Audit, Governance, Nominating, Valuation and Qualified Legal Compliance Committees to assist the Board in the oversight of the management and affairs of the Fund. All of the members of these

Committees are Independent Trustees. From time to time the Board may establish additional committees or informal working groups to deal with specific matters.

The Fund is subject to a number of risks including investment, compliance, operational and valuation. Although the Adviser and the Officers of the Fund are responsible for managing these risks on a day-to-day basis, the Board has adopted, and periodically reviews, policies and procedures designed to address these risks. As part of its regular oversight of the Fund, the Board, directly or through a Committee, interacts with the Fund's Chief Compliance Officer, the Fund's independent public accounting firm, and legal counsel to the Fund. These interactions include discussing the Fund's risk management and controls with the independent registered public accounting firm engaged by the Fund, reviewing valuation policies and procedures and the valuations of specific restricted securities, and receiving periodic reports from the Fund's Chief Compliance Officer regarding compliance matters relating to the Fund and its major service providers, including results of the implementation and testing of the Fund's and such providers' compliance programs. The Board's oversight function is facilitated by management reporting processes designed to provide information to the Board regarding the identification, assessment, and management of critical risks and the controls and policies and procedures used to mitigate those risks. The Board reviews its role in supervising the Fund's risk management from time to time and may make change the manner in which it fulfills its oversight responsibilities at its discretion at any time.

The Board has determined that its leadership structure is appropriate for the Fund because it enables the Board to exercise informed and independent judgment over matters under its purview, allocates responsibility among committees in a manner that fosters effective oversight and allows the Board to devote appropriate resources to specific issues in a flexible manner as they arise. The Board periodically reviews its leadership structure as well as its overall structure, composition, and functioning, and may make changes at its discretion at any time.

Standing Committees

Audit Committee. The Fund has an Audit Committee comprised solely of Independent Trustees who are "independent" as defined in the New York Stock Exchange ("NYSE") Listing Standards. The Fund's Board of Trustees has adopted a written charter for the Audit Committee. The Audit Committee charter is available at <http://www.hqcm.com/Reports/AuditCommitteeCharterFebruary2007.pdf>. The principal purpose of the Fund's Audit Committee is to assist the Board of Trustees in fulfilling its responsibility to oversee management's conduct of the Fund's financial reporting process, including reviewing the financial reports and other financial information provided by the Fund, the Fund's systems of internal accounting and financial controls and the annual independent audit process.

The Audit Committee's role is one of oversight, and it is recognized that the Fund's management is responsible for preparing the Fund's financial statements and that the Fund's independent registered public accountant is responsible for auditing those financial statements. Although each Audit Committee member must be financially literate and one member must have accounting or financial management expertise (as determined by the Board of Trustees in its business judgment), Audit Committee members are not professionally engaged in the practice of accounting or auditing and are not experts in the fields of accounting or auditing, including with respect to auditor independence. Audit Committee members rely, without independent verification, on the information provided to them and on the representations made by management and the Fund's independent registered public accountants.

The members of the Fund's Audit Committee are Mr. Oddleifson, Mr. Pohotsky, Dr. Reinhardt and Ms. Stebbins. Mr. Pohotsky is the Chairman of the Fund's Audit Committee. The Fund's Audit Committee held four meetings during the fiscal year ended September 30, 2010.

Governance Committee. The Fund has a Governance Committee comprised solely of Independent Trustees who are "independent" as defined in the NYSE Listing Standards. The Fund's Board of Trustees has adopted a written charter for the Governance Committee. The Fund's Governance Committee's mission under its charter is to review, evaluate, and enhance the effectiveness of the Fund's Board of Trustees in its role in governing the Fund and to oversee management of the Fund in accordance with the Corporate Governance Guidelines, which have been adopted by the Fund's Board of Trustees.

The Fund's Governance Committee reviews, discusses and makes recommendations to the Board of Trustees relating to those issues that pertain to the effectiveness of the Board of Trustees in carrying out its responsibilities in governing the Fund and overseeing the Fund's management. The members of the Fund's Governance Committee are Dr. Jain, Mr. Lewin and Ms. Stebbins. Mr. Lewin is the Chairman of the Fund's Governance Committee. The Fund's Governance Committee met one time during the fiscal year ended September 30, 2010.

Nominating Committee. The Fund has a Nominating Committee comprised solely of Independent Trustees who are "independent" as defined in the NYSE Listing Standards. The Fund's Board of Trustees has adopted a written charter for the Nominating Committee. The Nominating Committee charter is not available on the Fund's website but was included as Exhibit A to the Funds' Joint Proxy Statement dated April 30, 2009.

The Fund's Nominating Committee requires that each prospective trustee candidate have a college degree or equivalent business experience and that each candidate is not serving in a similar capacity on the board of a registered investment company which (i) is not sponsored or advised by the Fund's investment adviser or its affiliates and (ii) the Board in its discretion has determined to be competitive with the Fund taking into account such registered investment company's investment mandate. The Fund's Nominating Committee may also take into account other factors when considering and evaluating potential trustee candidates, including but not limited to: (i) availability and commitment to attend meetings and perform responsibilities of the Board; (ii) relevant industry and related experience; (iii) educational background; (iv) financial expertise; (v) the candidate's ability, judgment and expertise; and (vi) the overall diversity of the Board's composition.

The Fund's Nominating Committee may identify prospective trustees from any reasonable source, including, but not limited to, the consultation of third-party trustee search services. The Fund's Nominating Committee will consider potential trustee candidates recommended by shareholders, provided that the proposed candidates (i) satisfy any minimum qualifications of the Fund for its trustees; (ii) are not "interested persons" (as that term is defined in Section 2(a)(19) of the 1940 Act) of the Fund or the Adviser; and (iii) are "independent" as defined in the NYSE Listing Standards. In order to be evaluated by the Committee, trustee candidates recommended by shareholders must also meet certain eligibility requirements as set out in the Committee's charter. Other than those eligibility requirements, the Committee shall not evaluate shareholder trustee candidates in a different manner than other candidates. The standard of the Committee is to treat all equally qualified candidates in the same manner.

All recommendations by shareholders must be received by the Fund by the deadline for submission of any shareholder proposals which would be included in the Fund's proxy statement for the next annual meeting of the Fund. Each shareholder or shareholder group must meet the requirements stated in the Nominating Committee's charter in order to recommend a candidate. A shareholder or shareholder group may not submit more than one candidate per year. When recommending a trustee candidate, shareholders must include in their notice to the Fund's Secretary: (i) the shareholder's contact information; (ii) the trustee candidate's contact information and the number of Fund shares owned by the proposed candidate; (iii) all information regarding the candidate that would be required to be disclosed in solicitations of proxies for elections of trustees required by Regulation 14A of the Securities Act of 1934, as amended; and (iv) a notarized letter executed by the trustee candidate, stating

his or her intention to be a nominee and be named in the Fund's proxy statement, if nominated by the Board of Trustees, and to serve as a trustee, if so elected. Once a recommendation has been timely received in proper form, the candidate will be asked to complete an eligibility questionnaire to assist the Fund in assessing the candidate's qualifications as a potential Independent Trustee and as someone who is "independent" under the NYSE Listing Standards. The Nominating Committee will make such determinations in its sole discretion and such determinations shall be final.

The members of the Fund's Nominating Committee are Dr. Jain, Mr. Lewin and Ms. Stebbins. Mr. Lewin is the Chairman of the Fund's Nominating Committee. The Fund's Nominating Committee met three times during the fiscal year ended September 30, 2010.

Valuation Committee. The Board has delegated to the Fund's Valuation Committee general responsibility for determining, in accordance with the Fund's valuation procedures, the value of assets held by the Fund on any day on which the net asset value per share is determined. The Valuation Committee may appoint, and has appointed, a Sub-Committee made up of employees and officers of the Adviser to deal with day to day valuation decisions, subject to oversight by the Valuation Committee. The Valuation Committee shall meet as often as necessary to ensure that each action taken by the Sub-Committee is reviewed within a calendar quarter of the occurrence. In connection with its review, the Valuation Committee shall ratify or revise the pricing methodologies authorized by the Sub-Committee since the last meeting of the Valuation Committee. The Valuation Committee is charged with the responsibility of determining the fair value of the Fund's securities or other assets in situations set forth in the Fund's valuation procedures.

The members of the Fund's Valuation Committee are Mr. Oddleifson, Mr. Pohotsky and Mr. Reardon. Mr. Pohotsky is the Chairman of the Fund's Valuation Committee. The Fund's Valuation Committee met four times during the fiscal year ended September 30, 2010.

Qualified Legal Compliance Committee. The Fund has a Qualified Legal Compliance Committee ("QLCC") comprised solely of Independent Trustees. The Fund's Board of Trustees has adopted a written charter for the QLCC. The principal purpose of the Fund's QLCC is to review and respond to reports of Evidence of a Material Violation (as defined in the QLCC charter). Reporting Evidence of a Material Violation is required under the Standards of Professional Conduct for Attorneys adopted by the U.S. Securities and Exchange Commission (the "SEC") under the Sarbanes-Oxley Act of 2002 (the "Standards"). Under the Standards, if an attorney appearing and practicing before the SEC in the representation of an issuer, such as the Fund, becomes aware of Evidence of a Material Violation by the issuer or by any officer, trustee, employee or agent of the issuer, the Standards provide for the attorney to report such evidence to the issuer's QLCC forthwith. In discharging its role, the QLCC is granted the power to investigate any Evidence of a Material Violation brought to its attention with full access to all books, records, facilities and personnel of the Fund and the power to retain outside counsel, auditors or other experts for this purpose.

The members of the Fund's QLCC are Messrs. Lewin, Oddleifson and Pohotsky. Mr. Pohotsky is the Chairman of the Fund's QLCC. The Fund's QLCC did not meet during the fiscal year ended September 30, 2010.

Attendance. During the fiscal year ended September 30, 2010, the Fund's Board of Trustees held four meetings; the Fund's Audit Committee held four meetings; the Fund's Governance Committee held one meeting; the Fund's Nominating Committee held three meetings; and the Fund's Valuation Committee held four meetings.

Each of the Trustees attended at least 75% of the aggregate number of meetings of the Board of Trustees and the Committees of the Board of Trustees on which such Trustee served.

Compensation of Trustees and Officers

For the fiscal year ended September 30, 2010 the Fund paid its Independent Trustees an annual fee of \$20,000. Additionally, the Fund currently pays each Independent Trustee \$500 for each Board and Committee meeting attended in person and \$250 for each Board and Committee meeting attended by telephone. Currently, the Chairman of the Board of Trustees, the Chairman of the Audit Committee and the Chairman of the Valuation Committee of the Fund receives an additional annual fee of \$2,500. Currently, the Chairman of the Nominating Committee and the Chairman of the Governance Committee of the Fund receives an additional annual fee of \$1,250. Independent Trustees are also reimbursed for travel expenses incurred in connection with attending such meetings. The Fund did not directly pay any additional compensation to the Trustees for the fiscal year ended September 30, 2010. The Fund has entered into a Services Agreement (the "Agreement") with the Adviser. Pursuant to the terms of the Agreement, the Fund reimburses the Adviser for a portion of the payment of salary and provision of benefits to the Fund's Chief Compliance Officer. During the fiscal year ended September 30, 2010 these payments amounted to \$53,700 for the Fund. Trustees and officers of the Fund who hold positions with the Adviser receive indirect compensation from the Fund in the form of the investment advisory fee paid to the Adviser. REPORT OF THE AUDIT COMMITTEE OF EACH FUND

The Fund's Audit Committee reviewed and discussed the Fund's audited financial statements with management for the Fund's fiscal year ended September 30, 2010, and discussed with the Fund's independent registered public accountants, Deloitte & Touche LLP, the matters required to be discussed by ASC 950, *Communication with Audit Committees*, which includes, among other items, matters relating to the conduct of an audit of the Fund's financial statements. The Fund's Audit Committee received written disclosures and the letter from Deloitte & Touche LLP required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and discussed with Deloitte & Touche LLP its independence. Based on its review and discussions with management and Deloitte & Touche LLP, the Fund's Audit Committee recommended to the Board of Trustees that the Fund's audited financial statements for the Fund's fiscal year ended September 30, 2010, be included in the Fund's Annual Report filed with the SEC. The members of the Fund's Audit Committee are Mr. Oddleifson, Mr. Pohotsky, Dr. Reinhardt and Ms. Stebbins. Mr. Pohotsky is the Chairman of the Fund's Audit Committee.

Proposal 2

RATIFICATION OR REJECTION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

Pursuant to the 1940 Act, at a meeting called for such purpose on May 17, 2011, the Fund's Audit Committee approved the appointment of Deloitte & Touche LLP as the independent registered public accountants for the fiscal year ending September 30, 2011, and a majority of the Board of Trustees of the Fund, including a majority of the Independent Trustees, subsequently ratified the appointment. The Fund has been advised that neither Deloitte & Touche LLP nor any of its partners has any direct

or material indirect financial interest in the Fund, nor has had any connection during the past three years with the Fund in the capacity of promoter, underwriter, voting trustee, director, officer or employee.

Accounting services to be performed by Deloitte & Touche LLP for the Fund will consist of the examination of the annual financial statements of the Fund, consultation on financial, accounting and reporting matters, review and consultation regarding various filings with the SEC and attendance at some meetings of the Board of Trustees. Deloitte & Touche LLP also will perform non-audit services consisting of review of income tax returns of the Fund.

A representative of Deloitte & Touche LLP will be present and available for questioning at the Annual Meeting and will have an opportunity to make a statement.

The following tables set forth the aggregate fees billed for professional services rendered by Deloitte & Touche LLP to the Fund during the Fund's two most recent fiscal years:

| Fiscal year | Audit Fees | Audit-Related Fees | Tax Fees | All Other Fees |
|--------------------|-------------------|---------------------------|-----------------|-----------------------|
| 2010 | \$ 74,500 | \$ 0 | \$ 4,500 | \$ 0 |
| 2009 | \$ 74,500 | \$ 0 | \$ 0 | \$ 0 |

All of the services described in the tables above were approved by the Audit Committees pursuant to its pre-approval policies and procedures (the "Pre-Approval Policies and Procedures") which are summarized below to the extent that such services were required to be pre-approved by the Audit Committee.

The aggregate non-audit fees billed by Deloitte & Touche LLP for services rendered to HQL and to the Adviser, or an affiliate thereof that provides ongoing services to HQL, amounted to \$4,500 for the fiscal year ended September 30, 2010 and \$0 for the fiscal year ended September 30, 2009.

The Fund's Audit Committee has adopted Pre-Approval Policies and Procedures pursuant to which the Committee pre-approves all audit and non-audit services provided by the Fund's independent auditor (the "Auditor") and any non-audit services provided by the Auditor to the Fund's investment adviser and service affiliates ("Service Affiliates") during the period of the Auditor's engagement to provide audit services to the Fund, if those services directly impact the Fund's operations and financial reporting. Audit services include those typically associated with the annual audit such as evaluation of internal controls. Non-Audit services include certain services that are audit-related, such as consultations regarding financial accounting and reporting standards and tax services. Certain services may not be provided by the Auditor or the Fund's Service Affiliates without jeopardizing the Auditor's independence. These services are deemed prohibited services and include certain management functions; human resources services; broker-dealer, investment adviser or investment banking services; legal services; and expert services unrelated to the audit. Other services are conditionally prohibited and may be provided if the Audit Committee reasonably concludes that the results of the services will not be subject to audit procedures during an audit of the Fund's financial statements. These types of services include bookkeeping; financial information systems design and implementation; appraisal or valuation services; actuarial services; and internal audit outsourcing services.

The Pre-Approval Policies and Procedures require Audit Committee approval of the engagement of the Auditor for each fiscal year and approval of the engagement by at least a majority of the Fund's Independent Trustees. In determining whether to engage the Auditor for its audit services, the Audit Committee will consider the Auditor's proposed fees for the engagement, in light of the scope and nature of the audit services that the Fund will receive. The Pre-Approval Policies and Procedures also permit the Audit Committee to pre-approve the provisions of types or categories of permissible non-audit services for the Fund and its Service Affiliates on an annual basis at the time of the Auditor's engagement and on a project-by-project basis. At the time of the annual engagement of the Fund's Auditor, the Audit Committee is to receive a list of the categories of expected non-audit services with a description and an estimated budget of fees. In their pre-approval, the Audit Committee should determine that the provision of the service is consistent with, and will not impair, the ongoing independence of the Auditor and set any limits on fees or other conditions they find appropriate. Non-audit services may also be approved on a project-by-project basis by the Audit Committee consistent with the same standards for determination and information.

The Audit Committee may also appoint a member of the Committee to pre-approve non-audit services that have not been pre-approved or material changes in the nature or cost of any non-audit services previously pre-approved. The member may not pre-approve any project the estimated budget (or budgeted range) of fees of which exceed or may exceed \$15,000. Any actions by the member are to be ratified by the Audit Committee by the time of their next scheduled meeting. The Fund's Pre-Approval Policies and Procedures are reviewed annually by the Audit Committee, and the Fund maintains a record of the decisions made by the Committee pursuant to these procedures.

Required Vote

The selection of Deloitte & Touche LLP as the Fund's independent public accountants for the fiscal year ending September 30, 2011 is submitted to shareholders for ratification and requires approval by a majority of the Fund's shares voting at the Annual Meeting. The Trustees recommend a vote FOR the selection of Deloitte & Touche LLP as the independent registered public accountants of the Fund.

Proposal 3 SHAREHOLDER PROPOSAL

A beneficial owner of shares of HQL (the "Proponent") has informed HQL that the Proponent intends to present a proposal for a shareholder vote at the meeting, requesting that the Board of Trustees (the "Board") take steps to eliminate HQL's classified board structure that has been in place since HQL's inception. If approved, this proposal would recommend that the Board consider changing the term for which Trustees serve on the Board from three years to one year. The Proponent's name and address and the number of shares owned by the Proponent will be furnished by HQL upon request.

If properly presented, the following proposal will be voted on at the meeting. Voting on this matter would serve only as an advisory vote for the Board to reconsider its classified board structure. As required by the rules of the SEC, the text of the Proponent's resolution and supporting statement, for which HQL accepts no responsibility, are included below exactly as submitted by the Proponent. The Board's statement in opposition to the Proponent's proposal immediately follows.

For the reasons discussed below, your Board of Trustees is committed to maintaining HQL's classified board structure and therefore unanimously recommends that shareholders vote AGAINST the Proponent's proposal (Proposal 3).

Proponent's Proposal:

Elect Each Trustee Annually

RESOLVED, shareholders ask that our Company take the steps necessary to reorganize the Board of Trustees into one class with each trustee subject to election each year and to complete this transition without affecting the unexpired terms of trustees elected to the board at or prior to the upcoming annual meeting.

Proponent's Supporting Statement:

Our current practice, in which only a few trustees stand for election annually, is not in the best interest of our Company and its shareholders. Eliminating this staggered system would give shareholders an opportunity to register their view on the performance of each trustee annually. Electing trustees in this manner is one of the best methods available to shareholders to ensure that our Company will be managed in a manner that is in the best interest of shareholders.

Arthur Levitt, former Chairman of the Securities and Exchange Commission said, "In my view it's best for the investor if the entire board is elected once a year. Without annual election of each director shareholders have far less control over who represents them."

In 2010 over 70% of S&P 500 companies had annual election for each Board member. Shareholder resolutions on this topic won an average of 68%-support in 2009.

Increasingly, companies themselves are presenting resolutions seeking shareholder support for this topic. These management resolutions regularly receive votes in the 90%-plus range. This is clearly a trend with companies as they strive to adopt best governance practices.

The merit of this Elect Each Trustee Annually proposal should also be considered in the context of the need for additional improvements in our company's 2010 reported corporate governance status.

Please encourage our board to respond positively to this proposal: Elect Each Trustee Annually Yes on 3.

Response of the Board of Trustees

The Board of Trustees unanimously recommends that shareholders vote against the Proponent's proposal (Proposal 3).

The Board believes that HQL's classified board structure provides significant long-term benefits and that the Proponent's proposal to eliminate HQL's classified board structure is NOT in the best interests of HQL and its shareholders. Therefore, THE BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE AGAINST THIS PROPOSAL.

Stability and Continuity: HQL's classified board structure is designed to provide stability and continuity to HQL by seeking to ensure that, at any given time, a majority of trustees serving on the Board have in-depth knowledge and experience with HQL's closed-end fund structure, unique investment strategy, investment objectives and focus on the

healthcare and life sciences industries.

Importance of Specialized Knowledge and Experience, Especially in Healthcare: HQL is a specialized sector fund that invests principally in specialized subsectors within the healthcare and life sciences industries. The Board considers it important that a significant number of trustees have knowledge and experience in those industries and the Board takes into account relevant industry and related experience, among other factors, when reviewing each prospective candidate for nomination.

In addition, HQL may invest up to 40% of its net assets in securities of privately held companies and restricted securities of publicly traded companies. The values of such securities are determined by a "fair valuation" process, which is overseen by the Board's Valuation Committee. The Board considers it important that trustees serving on the Valuation Committee have experience in the healthcare and life sciences industries and/or with the valuation of companies and securities. Continuity in oversight of the valuation process also is important, as such securities are often long-term holdings. A classified board structure is designed to ensure that the Board continuously includes trustees with such specialized knowledge.

As a closed-end investment company, HQL is subject to significant regulation and benefits from an active and experienced Board. HQL's trustees have a broad range of responsibilities and must invest significant time to become and remain knowledgeable about these regulatory requirements. If all trustees were elected annually, most or all of HQL's trustees could be replaced at one time, potentially resulting in a loss of the Board's accrued institutional memory with respect to HQL's history, development, and policies and procedures. The Board believes that experienced trustees who are knowledgeable about HQL's regulated operating environment, its unique strategy and its focus on the healthcare and life sciences industries are a valuable resource that serve the best interests of HQL's shareholders and that the classified board structure helps HQL's Board more effectively fulfill its oversight responsibilities.

Focus on Long-Term Investment Objectives, Including Venture Capital Investments: In addition, the classified board structure and staggered trustee terms are consistent with HQL's long-term investment objectives. A classified board structure helps to ensure that the Board can focus on the long-term interests of shareholders and that shareholders who propose trustee candidates have the long-term interests of the shareholders in mind. Thus, the structure helps to protect HQL from activists interested in short-term liquidity events, such as significant one-time tender offers, open-market share repurchases or distributions. Transactions likely to be pursued by such activists could involve significant returns of capital, increase the discount of the market price of HQL's shares relative to net asset value over the long-term, and create unique liquidity issues for HQL due to its illiquid venture capital and restricted securities portfolio. The classified board structure helps to protect HQL against the efforts of activists intent on quickly taking control of HQL and its assets and implementing a short-term liquidity transaction. While the structure will not preclude an activist from taking control, it should enhance the ability of the Board to negotiate the best results for all shareholders.

Enhanced Independence of the Board: The Board believes that electing trustees to three-year terms, rather than one-year terms, enhances the trustees' independence. Longer elected terms of office insulate the trustees from pressures from management, the investment adviser and special interest groups that may have agendas contrary to shareholders' long-term interests. As a result of being elected to three-year terms, rather than one-year terms, HQL's trustees are more likely to express their views freely and act in the best long-term interests of HQL and its shareholders, without short-term pressures related to annual nominations and elections.

Accountability to Shareholders: Trustees elected to three-year terms are as accountable to shareholders as those elected annually because they have the same fiduciary duties and legal obligations to HQL and its shareholders. In addition, a classified board does not preclude long-term shareholders from voting in their own candidates. Shareholders currently have the right to replace approximately one-third of HQL's trustees each year and all of the trustees over a three-year period.

Corporate Governance: The Board is committed to superior corporate governance and continually examines HQL's practices in this area. Specifically, trustee independence is evaluated annually and the chairman of the Board, seven of the eight trustees, and the members of each standing committee are independent from the investment adviser. In addition, the Board and the audit committee annually conduct a self-assessment review, and two audit committee members qualify as "audit committee financial experts." Moreover, the Proponent's statements regarding governance and classified boards are made with reference to operating companies. Unlike operating companies, closed-end funds are subject to extensive regulation under the Investment Company Act of 1940 (the "1940 Act") with respect to governance and operations. Furthermore, neither Massachusetts law nor the 1940 Act require HQL to hold annual shareholders' meetings for the election of trustees. HQL holds annual meetings to satisfy the requirements of the New York Stock Exchange rules for listed companies, which also permit classified boards.

INFORMATION PERTAINING TO THE CUSTODIAN AND ADMINISTRATOR AND TRANSFER AGENT, DIVIDEND DISBURSING AGENT AND REGISTRAR

The Fund's securities and cash are held under a custodian contract by State Street Bank and Trust Company ("State Street"), whose principal business address is One Lincoln Street, Boston, MA 02111. State Street is also the Administrator of the Fund and also performs certain accounting related functions for the Fund, including calculation of net asset value and net income.

Computershare Inc. serves as Dividend Disbursing Agent. Computershare Trust Company, N.A., a fully owned subsidiary of Computershare Inc., serves as (1) the Plan Agent for the Fund's Dividend Reinvestment Plan and (2) the Transfer Agent and Registrar for Shares of the Fund. Computershare Trust Company, N.A. and Computershare Inc. have their principal business at 250 Royall Street, Canton, MA 02021.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act and Section 30(j) of the 1940 Act, as applied to a Fund, require the Fund's officers and trustees, investment manager, affiliates of the investment manager, and persons who beneficially own more than ten percent of a registered class of the Fund's outstanding securities ("Reporting Persons") to file reports of ownership of the Fund's securities and changes in such ownership with the SEC and the NYSE. Such persons are required by SEC regulations to furnish the Fund with copies of all such filings.

Based solely upon its review of the copies of such forms received by it, and written representations from certain Reporting Persons that no year-end reports were required for those persons, the Fund believes that during the fiscal year ended September 30, 2010, its Reporting Persons complied with all applicable filing requirements.

OTHER BUSINESS

As of the date of this Proxy Statement, the Board of Trustees is not aware that any matters are to be presented for action at the Annual Meeting other than those described above. Should other business properly be brought before the Annual Meeting, it is intended that the accompanying Proxy will be voted thereon in accordance with the judgment of the persons named as proxies.

PROXIES AND VOTING AT THE ANNUAL MEETING

Shareholders who execute proxies may revoke them at any time before they are voted by written notice to the Secretary of the Fund at 2 Liberty Square, 9th Floor, Boston, MA 02109, or by casting a vote at the Annual Meeting. Instructions on how to attend the meeting and vote in person can be obtained by calling (800) 451-2597. All valid proxies received prior to the Annual Meeting, or any adjournment(s) or postponements(s) thereof, will be voted at the Annual Meeting and any adjournments or postponements thereof.

The representation in person or by proxy of a majority of the outstanding shares of the Fund is necessary to constitute a quorum for transacting business at the Annual Meeting. For purposes of determining the presence of a quorum, abstentions and broker "non-votes" will be treated as shares that are present. Broker non-votes are proxies received by a Fund from brokers or nominees when the broker or nominee has neither received instructions from the beneficial owner or other persons entitled to vote nor has discretionary power to vote on a particular matter. Proposals 1 and 2 to be voted upon by the shareholders involve matters that the NYSE considers to be routine and within the discretion of brokers to vote if no customer instructions are received. Proposal 3 to be voted upon by the shareholders involves a matter that the NYSE considers to be non-routine and not within the discretion of brokers to vote if no customer instructions are received.

Proposal 1 requires the approval of a plurality of shares voting at the Annual Meeting (i.e., the three nominees receiving the greatest number of votes will be elected).

Proposals 2 and 3 require the approval of a majority of all votes validly cast at the Annual Meeting.

Abstentions and broker non-votes will not be counted in favor of, but will have no other effect on, the votes for Proposals 1, 2 and 3.

Matters on which a choice has been provided will be voted as indicated on the proxy card and, if no instruction is given, the persons named as proxies will vote the shares represented thereby FOR all nominees for election as Trustee, FOR Proposal 2 and AGAINST Proposal 3, and will use their best judgment in connection with the transaction of such other business as may properly come before the Annual Meeting or any adjournment(s) or postponement(s) thereof.

In the event that sufficient votes in accordance with the Trustees' recommendations on any Proposal are not received by July 8, 2011, the necessary quorum has not been obtained or if other matters arise requiring shareholder attention, the persons named as proxies on the enclosed proxy card may propose one or more adjournments of the Annual Meeting to permit further solicitation. Any such adjournment will require approval by a majority of the votes validly cast on the matter at the session of the Annual Meeting to be adjourned. When voting on a proposed adjournment, the persons named as proxies will vote FOR the proposed adjournment all shares that they are entitled to vote with respect to each item, unless directed to vote AGAINST an item, in which case such shares will be voted AGAINST the proposed adjournment with respect to that item. A shareholder vote may be

taken on one or more items prior to such adjournment if sufficient votes have been received and it is otherwise appropriate. Abstentions and broker non-votes will be disregarded for purposes of voting on adjournment.

As of June 6, 2011, there were 14,478,866 shares of beneficial interest of the Fund issued and outstanding. Shareholders will be entitled to one vote for each share held. Only shareholders of record at the close of business on June 6, 2011, the record date, will be entitled to vote at the Annual Meeting. As of June 6, 2011, the Trustees and officers of the Fund individually and as a group beneficially owned less than 1% of the outstanding voting securities of the Fund. To the best of the Fund's knowledge, based upon filings made with the SEC, as of June 6, 2011, no persons or group beneficially owned more than 5% of the voting securities of the Fund.

PROPOSALS FOR 2012 ANNUAL MEETING

Shareholder proposals for the Fund's 2012 Annual Meeting must be received at the Fund's executive offices at 2 Liberty Square, 9th Floor, Boston, Massachusetts 02109 no later than February 10, 2012 for inclusion in the 2012 Proxy Statement and form of proxy, unless the meeting date is more than 30 days before or after July 8, 2012. Submission of such proposals does not insure that they will be included in the 2012 Proxy Statement or submitted for a vote at the 2012 Annual Meeting.

In addition, shareholder proposals for the 2012 annual meeting of shareholders (other than proposals submitted for inclusion in a Fund's 2012 Proxy Statement) must be submitted to the Fund's Secretary between March 10, 2012 and April 9, 2012, unless the meeting date is more than 30 days before or after July 8, 2012.

GENERAL

The Fund will pay the cost of preparing, printing and mailing the enclosed proxy card(s) and Proxy Statement and all other costs incurred in connection with the solicitation of proxies, including any additional solicitation made by letter, Internet, telephone or telegraph. The solicitation of proxies will be largely by mail, but may include telephonic, electronic or oral communication by The Altman Group, Inc., a professional proxy solicitor retained by the Fund for an estimated fee of \$30,000 plus out-of-pocket expenses. Banks, brokerage houses, nominees and other fiduciaries will be requested to forward the proxy soliciting materials to the beneficial owners of the shares of the Fund. The Fund may reimburse brokerage houses, nominees and other fiduciaries for postage and reasonable expenses incurred by them in forwarding of proxy material to beneficial owners. In addition, certain officers of the Fund and certain employees of the Adviser, who will receive no compensation for their services other than their regular salaries, may solicit the return of proxies personally or by telephone or facsimile.

A number of banks, brokers and financial institutions have instituted "householding". Under this practice, only one Proxy Statement may be delivered to multiple shareholders who share the same address and satisfy other conditions. The Fund will deliver promptly a separate copy of this Proxy Statement to a shareholder at a shared address upon request. To request a separate copy of this Proxy Statement, write or call the Fund at the address and phone number set forth above.
