Information contained herein is subject to completion or amendment. A registration statement relating to the shares of East West Bancorp, Inc. common stock to be issued in the merger has been filed with the Securities and Exchange Commission. These securities may not be sold nor may offers to buy be accepted prior to the time the registration statement becomes effective. **PRELIMINARY PROXY STATEMENT/PROSPECTUS
DATED NOVEMBER 8, 2013, SUBJECT TO COMPLETION**

To the Shareholders of MetroCorp Bancshares, Inc.:

On September 18, 2013, East West Bancorp, which we refer to as East West, entered into a merger agreement to acquire MetroCorp Bancshares, Inc., which we refer to as MetroCorp, in a transaction in which the consideration is partly stock and partly cash. If the merger agreement is approved and the merger is subsequently completed, MetroCorp will merge with and into East West, with East West as the surviving entity.

East West will acquire the outstanding shares of MetroCorp for the lesser of \$14.60 per share and 1.72 times the per share tangible equity, as adjusted, which we refer to in this proxy statement/prospectus as the per share merger consideration, for an aggregate purchase price estimated to be approximately \$273 million based on the 18,699,638 shares outstanding as of September 30, 2013. The shareholders of MetroCorp will receive two-thirds of the merger consideration in shares of East West common stock and the remainder in cash with cash paid in lieu of any fractional shares of East West common stock a holder is entitled to receive. The determination of the number of shares of East West common stock deliverable in exchange for each share of MetroCorp common stock, which we refer to in this proxy statement/prospectus as the per share stock consideration, will be based on the weighted average closing price of East West's common stock on the NASDAQ Global Select Market over a 60 trading-day measurement period ending with the fifth trading day prior to the effective time of the merger, subject to the limitation that if the average closing price of East West common stock is equal to or greater than \$32.00, the per share stock consideration will be calculated by dividing the stock portion of the per share merger consideration by \$32.00. If the average closing price of East West common stock is less than or equal to \$28.00, the per share stock consideration will be calculated by dividing the stock portion of the per share merger consideration by \$28.00. The table below sets forth exchange ratios based upon a purchase price of \$14.60 and a hypothetical average closing price of East West common stock over a 60 trading-day measurement period:

Average East West Trading Price	Exchange Ratio (followed by calculation)
Equal to or greater than \$32.00	0.3042 (\$9.73 divided by the average East West trading price)
Equal to \$30.00	0.3244 (\$9.73 divided by the average East West trading price)
Equal to or less than \$28.00	0.3476 (\$9.73 divided by the average East West trading price)

Edgar Filing: EAST WEST BANCORP INC - Form S-4/A

Based on the volume-weighted average closing price of East West of \$29.79 for the 60 trading days ending on September 18, 2013, the last trading day before the announcement of the merger, the per share stock consideration would have been 0.3267 East West shares per share of MetroCorp common stock and the cash consideration would have been \$4.87 per share of MetroCorp common stock based upon merger consideration of \$14.60. Based on the volume-weighted average closing price of East West of \$31.80 for the 60 trading days ending on November 4, 2013, the latest practicable date for which information was available prior to the printing and mailing of this document, the per share stock consideration would have been 0.3060 East West shares per share of MetroCorp common stock based upon merger consideration of \$14.60.

If 1.72 times the per share tangible equity, as adjusted pursuant to the terms of the merger agreement, is less than \$14.60, the price paid to the holders of MetroCorp common stock will be based upon the adjusted per share tangible equity of MetroCorp, not \$14.60. The tangible equity of MetroCorp is subject to adjustments, some of which will reduce the price East West pays for each share of MetroCorp common stock if the merger consideration is based upon tangible equity.

Table of Contents

Tangible equity is calculated by reducing total equity by intangible assets, goodwill and preferred equity. As of September 30, 2013 MetroCorp's tangible equity was \$165,759,000 which is calculated by taking total shareholders' equity of \$180,118,000 minus intangible assets and goodwill of \$14,359,000. Pursuant to the terms of the merger agreement, tangible equity is further reduced by \$7,000,000 (as described further in this proxy statement/prospectus) such that total tangible equity net of adjustments is \$158,759,000. Tangible equity net of adjustments is then multiplied by 1.72 times to arrive at 1.72 times tangible equity of \$273,065,480. The 1.72 times tangible equity per share is \$14.60 which is calculated by taking 1.72 times tangible equity of \$273,065,480 divided by the outstanding shares of MetroCorp as of September 30, 2013 of 18,699,638. There are other adjustments that will affect tangible equity, such as bonus retention payments, advisor fees and severance agreements.

You should obtain current stock price quotations for East West common stock and MetroCorp common stock. East West common stock is traded on the NASDAQ Global Select Market under the symbol EWBC, and MetroCorp common stock is traded on the NASDAQ Global Select Market under the symbol MCBI.

The share price of East West common stock will fluctuate, and the average closing price for the 60 trading days ending with the fifth trading day prior to the effective time of the merger may be different than the average closing price used to calculate the hypothetical per share stock consideration in the example above.

We expect the merger to be generally tax free to MetroCorp shareholders for United States federal income tax purposes, except for taxes on cash received by MetroCorp shareholders.

MetroCorp will hold a special meeting of shareholders to consider the proposed merger and related matters. East West and MetroCorp cannot complete the proposed merger unless MetroCorp's shareholders vote to adopt the merger agreement. This letter is accompanied by the attached document, which our board of directors is providing to solicit your proxy to vote for adoption of the merger agreement.

The accompanying document is also being delivered to MetroCorp shareholders as East West's prospectus for its offering of East West common stock in connection with the merger.

QUESTIONS AND ANSWERS ABOUT THE MERGER AND THE SPECIAL MEETING

Q: WHAT IS THE MERGER?

A. East West and MetroCorp have entered into a merger agreement, pursuant to which MetroCorp will merge with and into East West, with East West continuing as the surviving corporation, in a transaction that is referred to as the merger. A copy of the merger agreement is attached as Appendix A to this document. Immediately after the merger, MetroBank, National Association and Metro United Bank, each a wholly owned subsidiary of MetroCorp and which are, collectively, referred to in this proxy statement/prospectus as the MetroCorp Banks, will merge with and into East West Bank, a wholly owned subsidiary of East West. The mergers of the MetroCorp Banks with and into East West are referred to as the bank mergers. East West Bank will be the surviving entity following the bank mergers. In order for us to complete the transaction with East West, the approval of MetroCorp's shareholders is needed as are approvals by the bank regulators of East West, MetroCorp, East West Bank, and the MetroCorp Banks.

Q: WHY AM I RECEIVING THIS PROXY STATEMENT/PROSPECTUS?

A. MetroCorp is sending these materials to its shareholders to help them decide how to vote their shares of MetroCorp common stock with respect to the merger and other matters to be considered at the special meeting.

The merger cannot be completed unless MetroCorp shareholders adopt the merger agreement. MetroCorp is holding a special meeting of its shareholders to vote on the proposals necessary to complete the merger. Information about the special meeting, the merger and the other business to be considered by MetroCorp's shareholders at the special meeting is contained in this document.

This document constitutes both a proxy statement of MetroCorp and a prospectus of East West. It is a prospectus because East West, in connection with the merger, is offering shares of its common stock, in addition to cash consideration, in exchange for outstanding shares of MetroCorp common stock in the merger.

Q: WHAT WILL METROCORP SHAREHOLDERS RECEIVE IN THE MERGER?

A. In the merger, each outstanding share of MetroCorp common stock (excluding dissenting shares and shares of MetroCorp common stock owned by MetroCorp or East West) will be converted into the right to receive the lesser of \$14.60 per share and 1.72 times the per share tangible equity of MetroCorp, as adjusted, as of the month-end prior to the merger. The shareholders of MetroCorp will receive two-thirds of the merger consideration in shares of East West common stock and the remainder in cash. Cash will be issued for fractional shares.

Q: WHAT HAPPENS TO METROCORP STOCK OPTIONS IN THE MERGER?

A: Each outstanding option to purchase shares of MetroCorp common stock, whether exercisable or unexercisable, will become fully vested upon the approval of the merger agreement by MetroCorp's shareholders, without any action on the part of the holder of the option. All options that are not exercised at least two business days before the effective time of the merger will terminate and, following the merger, East West will pay to the holders the amount needed to cash out the options pursuant to the terms of MetroCorp's equity incentive plans, as applicable, less any taxes required to be withheld. MetroCorp may provide for cashless exercise of the options.

Table of Contents

Q: WHAT HAPPENS TO METROCORP RESTRICTED STOCK AWARDS IN THE MERGER?

A: In the merger, each share of restricted stock will, without any action on the part of the holder, become fully vested and be converted into the right to receive the per share merger consideration on the same terms of conversion as MetroCorp common stock, subject to any required tax withholding.

Q: WHEN WILL THE MERGER BE COMPLETED?

A: East West and MetroCorp are working to complete the merger as soon as practicable. If the shareholders of MetroCorp adopt the merger agreement, the parties currently expect that the merger will be completed in the first quarter of 2014, but no later than March 31, 2014. Neither East West nor MetroCorp can predict, however, the actual date on which the merger will be completed because it is subject to factors beyond each company's control, including whether or when the required regulatory approvals will be received.

Q: WHEN AND WHERE WILL THE METROCORP SPECIAL MEETING OF SHAREHOLDERS TAKE PLACE?

A: The special meeting of shareholders of MetroCorp will be held at 10:00 a.m., Central time, on December 16, 2013, at MetroCorp's principal executive office located at 9600 Bellaire Boulevard, Suite 252, Houston, Texas 77036.

Q: WHAT AM I BEING ASKED TO VOTE ON AND WHY IS THIS APPROVAL NECESSARY?

A: MetroCorp shareholders are being asked to vote on the following proposals:

1. to adopt the merger agreement, a copy of which is attached as Appendix A to this document, which is referred to as the MetroCorp Merger proposal;

2. to approve, on an advisory (non-binding) basis, specified compensation that may become payable to the named executive officers of MetroCorp in connection with the merger, which is referred to as the MetroCorp Advisory (Non-Binding) Proposal on Specified Compensation; and

3. to approve one or more adjournments of the MetroCorp special meeting, if necessary or appropriate, including adjournments to permit further solicitation of proxies in favor of the MetroCorp Merger proposal, which is referred to as the MetroCorp Adjournment proposal.

Shareholder approval of the MetroCorp Merger proposal is required for completion of the merger. MetroCorp will transact no other business at the MetroCorp special meeting, except for business properly brought before the MetroCorp special meeting or any adjournment or postponement thereof.

Q: WHO IS ENTITLED TO VOTE?

A: Holders of record of MetroCorp common stock at the close of business on November 6, 2013, which is the date that the MetroCorp board of directors has fixed as the record date for the MetroCorp special meeting, are entitled to vote at the MetroCorp special meeting.

Q: WHAT CONSTITUTES A QUORUM?

A: The presence at the MetroCorp special meeting, in person or by proxy, of holders of a majority of the issued and outstanding shares of MetroCorp common stock entitled to vote at the MetroCorp special meeting will constitute a quorum for the transaction of business. Abstentions and broker non-votes, if any, will be included in determining the number of shares present at the meeting for the purpose of determining the presence of a quorum.

Table of Contents

Q: WHAT VOTE IS REQUIRED TO APPROVE EACH PROPOSAL AT THE METROCORP SPECIAL MEETING?

A: *Merger proposal:* The affirmative vote of a majority of the outstanding shares of MetroCorp common stock entitled to vote is required to approve the MetroCorp Merger proposal.

Advisory (Non-Binding) Proposal on Specified Compensation: Assuming a quorum is present, the affirmative vote of a majority of the shares of MetroCorp common stock represented (in person or by proxy) at the MetroCorp special meeting and entitled to vote on the proposal is required to approve the MetroCorp Advisory (Non-Binding) Proposal on Specified Compensation.

Adjournment proposal: Assuming a quorum is present, the affirmative vote of a majority of the shares of MetroCorp common stock represented (in person or by proxy) at the MetroCorp special meeting and entitled to vote on the proposal is required to approve the MetroCorp adjournment proposal.

Q: WHAT WILL HAPPEN IF METROCORP S SHAREHOLDERS DO NOT APPROVE THE METROCORP ADVISORY (NON-BINDING) PROPOSAL ON SPECIFIED COMPENSATION?

A: The vote on the MetroCorp Advisory (Non-Binding) Proposal on Specified Compensation is a vote separate and apart from the vote to approve the MetroCorp Merger proposal. You may vote against this proposal and for the MetroCorp Merger proposal, or vice versa. Because the vote on this proposal is advisory only, it will not be binding on MetroCorp.

Q: WHAT DOES THE METROCORP BOARD OF DIRECTORS RECOMMEND?

A: The MetroCorp board of directors unanimously recommends that MetroCorp shareholders vote **FOR** the MetroCorp Merger proposal, **FOR** the MetroCorp Advisory (Non-Binding) Proposal on Specified Compensation and **FOR** the MetroCorp Adjournment proposal (if necessary or appropriate).

Q: WHAT DO I NEED TO DO NOW?

A: After carefully reading and considering the information contained in this proxy statement/prospectus, if you were the record holder of shares of MetroCorp common stock as of November 6, 2013, you may vote in person by attending the special meeting or, to ensure that your shares of MetroCorp common stock are represented at the special meeting, you may vote your shares by phone, over the Internet or by signing and returning the enclosed proxy card in the postage-paid envelope provided. Please follow the instructions set forth on

Edgar Filing: EAST WEST BANCORP INC - Form S-4/A

the proxy card or on the voting instruction form provided by the record holder if your shares are held in the name of your broker, bank or other nominee.

Street name shareholders who wish to vote at the meeting will need to obtain a proxy form from their broker, bank or other nominee.

Table of Contents

Q: HOW MANY VOTES DO I HAVE AND WHAT PERCENTAGE OF SHARES DO DIRECTORS AND OFFICERS OWN?

A: You are entitled to one vote for each share of MetroCorp common stock that you owned as of the record date. As of the close of business on November 6, 2013, there were approximately 18,776,765 shares issued and 18,698,170 outstanding shares of MetroCorp common stock. As of that date, approximately 14.7% of the outstanding shares of MetroCorp common stock were beneficially owned by the directors and executive officers of MetroCorp.

Q: IF MY SHARES ARE HELD IN STREET NAME BY A BROKER, BANK OR OTHER NOMINEE, WILL MY BROKER, BANK OR OTHER NOMINEE VOTE MY SHARES FOR ME?

A: If your shares are held in street name in a stock brokerage account or by a bank or other nominee, you must provide the record holder of your shares with instructions on how to vote your shares. Please follow the voting instructions provided by your broker, bank or other nominee. Please note that you may not vote shares held in street name by returning a proxy card directly to MetroCorp or by voting in person at MetroCorp's special meeting unless you provide a legal proxy, which you must obtain from your broker, bank or other nominee.

Under the rules of the NASDAQ Stock Market, brokers who hold shares in street name for a beneficial owner of those shares typically have the authority to vote in their discretion on routine proposals when they have not received instructions from beneficial owners. However, brokers are not allowed to exercise their voting discretion with respect to the approval of matters that the NASDAQ determines to be non-routine without specific instructions from the beneficial owner. It is expected that all proposals to be voted on at the MetroCorp special meeting are such non-routine matters. Broker non-votes occur when a broker or nominee is not instructed by the beneficial owner of shares to vote on a particular proposal for which the broker does not have discretionary voting power.

Assuming a quorum is present, if you are a MetroCorp shareholder and you do not instruct your broker, bank or other nominee on how to vote your shares,

- your broker, bank or other nominee may not vote your shares on the MetroCorp Merger proposal, which broker non-votes will have the same effect as a vote **AGAINST** such proposal;
- your broker, bank or other nominee may not vote your shares on the MetroCorp Advisory (Non-Binding) Proposal on Specified Compensation, which broker non-votes will have no effect on the vote count for such proposal; and
- your broker, bank or other nominee may not vote your shares on the MetroCorp Adjournment proposal, which broker non-votes will have no effect on the vote count for such proposal.

Q: WHAT IF I DO NOT VOTE OR ABSTAIN?

A: Assuming a quorum is present, an abstention occurs when a shareholder attends the special meeting in person and does not vote or returns a proxy with an abstain vote.

Assuming a quorum is present, if you are a MetroCorp shareholder and you fail to vote or fail to instruct your broker, bank or other nominee how to vote on the MetroCorp Merger proposal, it will have the same effect as a vote cast **AGAINST** the MetroCorp Merger proposal. If you respond with an abstain vote on the MetroCorp Merger proposal, your proxy will have the same effect as a vote cast **AGAINST** the MetroCorp Merger proposal.

Assuming a quorum is present, if you respond with an abstain vote, or if you are present in person but do not vote, your proxy will have the same effect as a vote cast **AGAINST** the Advisory (Non-Binding) Proposal on Specified Compensation that may become payable to the named executive officers of MetroCorp in connection with the Merger and the Adjournment proposal.

Q: WHAT WILL HAPPEN IF I RETURN MY PROXY OR VOTING INSTRUCTION CARD WITHOUT INDICATING HOW TO VOTE?

A: If you sign and return your proxy or voting instruction card without indicating how to vote on any particular proposal, the MetroCorp common stock represented by your proxy will be voted as recommended by the MetroCorp board of directors with respect to that proposal. Unless a MetroCorp shareholder, as applicable, checks the box on its proxy card to withhold discretionary authority, the proxyholders may use their discretion to vote on other matters relating to the MetroCorp special meeting.

Q: MAY I CHANGE MY VOTE AFTER I HAVE DELIVERED MY PROXY OR VOTING INSTRUCTION CARD?

A: Yes. You may change your vote at any time before your proxy is voted at the MetroCorp special meeting. You may do this in one of four ways:

- by sending a notice of revocation to the corporate secretary of MetroCorp;

- by logging onto the Internet website specified on your proxy card in the same manner you would to submit your proxy electronically or by calling the telephone number specified on your proxy card, in each case if you are eligible to do so and following the instructions on the proxy card;

- by sending a completed proxy card bearing a later date than your original proxy card; or

- by attending the MetroCorp special meeting and voting in person.

If you choose any of the first three methods, you must take the described action such that the notice, internet vote or proxy card, as applicable, is received no later than the beginning of the special meeting.

If your shares are held in an account at a broker, bank or other nominee, you should contact your broker, bank or other nominee to change your vote.

Q: DO I NEED IDENTIFICATION TO ATTEND THE METROCORP MEETING IN PERSON?

A: Yes. Please bring proper identification, together with proof that you are a record owner of MetroCorp common stock. If your shares are held in street name, please bring acceptable proof of ownership, such as a letter from your broker or an account statement showing that you beneficially owned shares of MetroCorp common stock, as applicable, on the record date.

Q: ARE METROCORP SHAREHOLDERS ENTITLED TO APPRAISAL RIGHTS?

A: Under Texas law, MetroCorp shareholders are entitled to appraisal rights in connection with the merger.

Q: WHAT ARE THE MATERIAL UNITED STATES FEDERAL INCOME TAX CONSEQUENCES OF THE MERGER TO METROCORP SHAREHOLDERS?

The merger is intended to qualify, and the obligation of East West and MetroCorp to complete the merger is conditioned upon the receipt of legal opinions from their respective counsel to the effect that the merger will qualify, as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended, which we refer to as the Internal Revenue Code. In addition, in connection with the filing of the registration statement of which this document is a part, each of Manatt, Phelps & Phillips, LLP and Bracewell & Giuliani LLP has delivered an opinion to East West and MetroCorp, respectively, to the same effect.

Assuming the merger qualifies as such a reorganization, a shareholder of MetroCorp generally will not recognize any gain or loss upon receipt of East West common stock in exchange for MetroCorp common stock in the merger but may recognize gain with respect to the cash consideration and cash received in lieu of a fractional share of East West common stock.

Table of Contents

The consequences of the merger to any particular MetroCorp shareholder will depend on that shareholder's particular facts and circumstances. Accordingly, you are urged to consult your tax advisor to determine your tax consequences from the merger.

Q: WHAT HAPPENS IF THE MERGER IS NOT COMPLETED?

A: If the merger is not completed, MetroCorp shareholders will not receive any consideration for their shares of MetroCorp common stock in connection with the merger. Instead, MetroCorp will remain an independent public company and its common stock will continue to be listed and traded on the NASDAQ Global Select Market. Under specified circumstances MetroCorp may be required to pay East West a fee and to reimburse East West for its merger-related expenses in connection with the termination of the merger agreement.

Q: SHOULD METROCORP SHAREHOLDERS SEND IN THEIR STOCK CERTIFICATES NOW?

A: No. MetroCorp shareholders **SHOULD NOT** send in any stock certificates now. If the merger is approved, a letter of transmittal with instructions for their completion will be provided to MetroCorp shareholders under separate cover and the stock certificates should be sent at that time.

Q: WHOM SHOULD I CONTACT IF I HAVE ANY QUESTIONS ABOUT THE PROXY MATERIALS OR VOTING?

A: If you are a MetroCorp shareholder and have any questions about the proxy materials or if you need assistance submitting your proxy or voting your shares or need additional copies of this document or the enclosed proxy card, you should contact MetroCorp Investor Relations at (713) 776-3876.

SUMMARY

This summary highlights selected information included in this document and does not contain all of the information that may be important to you. You should read this entire document and its appendices and the other documents to which we refer before you decide how to vote with respect to the merger-related proposals. In addition, we incorporate by reference important business and financial information about MetroCorp and East West into this document. For a description of this information, please see the section entitled INCORPORATION OF CERTAIN DOCUMENTS BY REFERENCE beginning on page 87. You may obtain the information incorporated by reference into this document without charge by following the instructions in the section entitled Where You Can Find More Information in the forepart of this document. Each item in this summary includes a page reference directing you to a more complete description of that item.

Unless the context otherwise requires, throughout this document, East West refers to East West Bancorp, Inc., MetroCorp refers to MetroCorp Bancshares, Inc. and we, us and our refer collectively to East West and MetroCorp. Also, we refer to the proposed merger of MetroCorp with and into East West as, the merger, the proposed mergers of MetroBank and Metro United Bank with and into East West Bank as the bank mergers, and the Agreement and Plan of Merger, dated as of September 18, 2013, by and between East West and MetroCorp as the merger agreement.

The Merger and the Merger Agreement (pages 36 and 58)

The terms and conditions of the merger are contained in the merger agreement, which is attached to this document as Appendix A. We encourage you to read the merger agreement carefully, as it is the legal document that governs the merger.

Under the terms of the merger agreement, MetroCorp will merge with and into East West with East West as the surviving corporation.

Merger Consideration (page 36)

East West will acquire the outstanding shares of MetroCorp for the lesser of \$14.60 per share and 1.72 times the per share tangible equity, as adjusted, for an aggregate purchase price estimated to be approximately \$273 million based on the 18,699,638 shares outstanding as of September 30, 2013. The shareholders of MetroCorp will receive two-thirds of the merger consideration in shares of East West common stock and the remainder in cash. The determination of the number of shares of East West common stock deliverable in exchange for each share of MetroCorp common stock, which we refer to in this proxy statement/prospectus as the per share stock consideration, will be based on the weighted average closing price of East West's common stock over a 60 trading day measurement period ending with the fifth trading day prior to the effective time of the merger. A MetroCorp shareholder will receive cash in lieu of any fractional shares of East West common stock such holder is entitled to receive.

Example:

Edgar Filing: EAST WEST BANCORP INC - Form S-4/A

Based on the volume-weighted average closing price of East West of \$29.79 for the 60 trading days ending on September 18, 2013, the last trading day before the announcement of the merger, the per share stock consideration would have been 0.3267 East West shares per share of MetroCorp common stock. Based on the volume-weighted average closing price of East West of \$31.80 for the 60 trading days ending on November 4, 2013, the latest practicable date for which information was available prior to the printing and mailing of this document, the per share stock consideration would have been 0.3060 East West shares per share of MetroCorp common stock assuming a per share purchase price of \$14.60.

The share price of East West common stock will fluctuate, and the average closing price for the 60 trading days ending with the fifth trading day prior to the effective time of the merger may be different than the average closing price used to calculate the hypothetical per share stock consideration in the example above.

Table of Contents

The number of shares of East West common stock to be issued in the merger is subject to a minimum and a maximum price range. If the average closing price of East West common stock is equal to or greater than \$32.00, the per share stock consideration will be calculated by dividing the stock portion of the per share merger consideration by \$32.00. If the average closing price of East West common stock is less than or equal to \$28.00, the per share stock consideration will be calculated by dividing the stock portion of the per share merger consideration by \$28.00. The per share stock consideration will not be adjusted for changes in the market price of MetroCorp common stock prior to the closing.

The table below sets forth exchange ratios based upon a purchase price of \$14.60 and a hypothetical average closing price of East West common stock over a 60 trading-day measurement period:

Average East West Trading Price	Exchange Ratio (followed by calculation)
Equal to or greater than \$32.00	0.3042 (\$9.73 divided by the average East West trading price)
Equal to \$30.00	0.3244 (\$9.73 divided by the average East West trading price)
Equal to or less than \$28.00	0.3476 (\$9.73 divided by the average East West trading price)

Each outstanding option to purchase shares of MetroCorp common stock, whether exercisable or unexercisable, will become fully vested upon the approval of the merger agreement by MetroCorp's shareholders, without any action on the part of the holder of the option. All options that are not exercised at least two business days before the effective time of the merger will terminate and, following the merger, East West will pay to the holders the amount needed to cash out the options pursuant to the terms of MetroCorp's equity incentive plans, as applicable, less any taxes required to be withheld. MetroCorp may provide for cashless exercise of the options.

Each share of MetroCorp restricted stock will, without any action on the part of the holder, become fully vested and be converted into the right to receive the per share merger consideration on the same terms of conversion as MetroCorp common stock, subject to any required tax withholding.

Recommendation of the MetroCorp Board of Directors (page 28)

After careful consideration, the MetroCorp board of directors unanimously recommends that MetroCorp shareholders vote **FOR** the MetroCorp Merger proposal, **FOR** the MetroCorp Advisory (Non-Binding) Proposal on Specified Compensation and **FOR** the MetroCorp Adjournment proposal (if necessary or appropriate).

For a more complete description of MetroCorp's reasons for the merger and the recommendation of the MetroCorp board of directors, please see the section entitled "THE MERGER Recommendation of the MetroCorp Board of Directors and Reasons for the Merger" beginning on page 40.

Opinion of Financial Advisor (page 41)

MetroCorp Financial Advisor

On September 18, 2013, Sandler O'Neill + Partners, L.P., which we refer to as Sandler O'Neill, MetroCorp's financial advisor in connection with the merger, delivered an oral fairness opinion to MetroCorp's board of directors, which was subsequently confirmed in a written opinion dated the same date that, as of such date and subject to and based on the qualifications and assumptions set forth in its written opinion, the per share merger consideration in the proposed merger was fair, from a financial point of view, to the common shareholders of MetroCorp.

The full text of Sandler O'Neill's opinion, dated September 18, 2013, is attached as Appendix B to this document. You should read the opinion in its entirety for a description of the procedures followed, assumptions made, matters considered, and qualifications and limitations on the review undertaken by Sandler O'Neill in rendering its opinion.

Table of Contents

Sandler O'Neill's opinion is addressed to MetroCorp's board of directors and the opinion is not a recommendation as to how any shareholder of MetroCorp should vote with respect to the merger or any other matter or as to any action that a shareholder should take with respect to the merger.

The opinion addresses only the fairness, from a financial point of view, of the per share merger consideration in the proposed merger to the common shareholders of MetroCorp, and does not address the underlying business decision of MetroCorp to engage in the merger, or the relative merits of the merger as compared to any strategic alternatives that may be available to MetroCorp. Sandler O'Neill has received a fee for its services.

For further information, please see the section entitled "THE MERGER - Opinion of MetroCorp's Financial Advisor" beginning on page 41.

MetroCorp Special Meeting of Shareholders (page 28)

The MetroCorp special meeting will be held at 10:00 a.m., Central time, on December 16, 2013, at MetroCorp's principal executive office, located at 9600 Bellaire Boulevard, Suite 252, Houston, Texas 77036. At the MetroCorp special meeting, MetroCorp shareholders will be asked to approve the MetroCorp Merger proposal, the MetroCorp Advisory (Non-Binding) Proposal on Specified Compensation proposal and the MetroCorp Adjournment proposal.

MetroCorp's board of directors has fixed the close of business on November 6, 2013 as the record date for determining the holders of MetroCorp common stock entitled to receive notice of and to vote at the MetroCorp special meeting. Only holders of record of MetroCorp common stock at the close of business on the MetroCorp record date will be entitled to notice of and to vote at the MetroCorp special meeting and any adjournment or postponement thereof, unless the adjournment is for more than 30 days, or if after the adjournment a new record date is fixed for the adjourned meeting, a notice of the adjourned meeting shall be given to each shareholder of record entitled to vote at such meeting.

As of the MetroCorp record date, there were 18,698,170 shares of MetroCorp common stock outstanding and entitled to vote at the MetroCorp special meeting held by approximately 221 holders of record. Each share of MetroCorp common stock entitles the holder to one vote on each proposal to be considered at the MetroCorp special meeting. As of the record date, directors and executive officers of MetroCorp owned and were entitled to vote 2,752,506 shares of MetroCorp common stock, representing approximately 14.7% of the shares of MetroCorp common stock outstanding on that date. MetroCorp currently expects that MetroCorp's executive officers will vote their shares in favor of the proposals to be presented at the special meeting, although none of them has entered into any agreements obligating them to do so. As of the record date, East West beneficially held no shares of MetroCorp's common stock.

Financial Interests of Directors and Officers of MetroCorp in the Merger (page 52)

Certain of MetroCorp's executive officers and directors have financial interests in the merger that are different from, or in addition to, the interests of MetroCorp's shareholders. These interests include:

- immediately after the merger and pursuant to his existing employment agreement, George M. Lee, the Co-Chairman, Chief Executive Officer and President of MetroCorp, will receive a cash payment from East West in an amount estimated to be \$1.785 million, which is equal to three years' salary as in effect on the effective date of merger plus an amount equal to three times his incentive compensation for the previous fiscal year. In addition, Mr. Lee is entitled to have East West pay his life insurance and medical insurance premiums for two (2) years following the merger in connection with the termination of his current employment agreement with MetroCorp entered into in 2012;
- East West has entered into a senior advisor consulting agreement with Mr. Lee for a term of twelve months which entitles him to receive an annual fee of \$400,000 payable in bi-monthly installments, plus reimbursement of certain business expenses. The agreement also contains non-competition and non-solicitation obligations beginning at the effective time of the merger;

Table of Contents

- upon a termination of employment for any reason at any time (other than a voluntary resignation without good reason or an involuntary termination for cause (as defined in each of their change in control agreements), in either case prior to March 31, 2015) after a change in control (as defined in each of their change in control agreements), each of Herbert Baker, David Choi, Andy Hou, David Tai and Mohammad Tariq, executive officers of MetroCorp, will be entitled to receive a cash payment from East West in an amount equal to one and one-half times his annual base salary as in effect at the time of termination of employment;
- MetroCorp or East West will pay retention bonuses to certain employees, including officers, who are essential to the transition and continuation of operations before and after the merger;
- the directors and officers of MetroCorp, MetroBank and Metro United Bank will receive continued indemnification and director and officer liability insurance coverage for a period of four years after completion of the merger; and
- all outstanding and unvested restricted stock awards and options to acquire shares of MetroCorp common stock, including those held by directors and officers, will become fully vested and the options will become immediately exercisable prior to completion of the merger.

Treatment of MetroCorp Stock Options and Shares of Restricted Stock Awards (page 38)

MetroCorp Stock Options. Each outstanding option to purchase shares of MetroCorp common stock, whether exercisable or unexercisable, will become fully vested upon the approval of the merger agreement by MetroCorp's shareholders, without any action on the part of the holder of the option. All options that are not exercised at least two business days before the effective time of the merger will terminate and, following the merger, East West will pay to the holders the amount needed to cash out the options pursuant to the terms of MetroCorp's equity incentive plans, as applicable, less any taxes required to be withheld.

MetroCorp Restricted Stock Awards. Each share of MetroCorp restricted stock will, without any action on the part of the holder, become fully vested and be converted into the right to receive the per share merger consideration on the same terms of conversion as MetroCorp common stock, subject to any required tax withholding.

Regulatory Approvals Required for the Merger (page 55)

Completion of the merger and the bank mergers are subject to various regulatory approvals, including approvals from the California Department of Business Oversight, which we refer to as the Department of Business Oversight, and the Board of Governors of the Federal Reserve System, which we refer to as Federal Reserve. Notifications and/or applications requesting approval for the merger or for the bank mergers may also be submitted to other federal and state regulatory authorities and self-regulatory organizations. We have filed, or are in the process of filing, notices and applications to obtain the necessary regulatory approvals. Although we currently believe we should be able to obtain all required regulatory approvals in a timely manner, we cannot be certain when or if we will obtain them or, if obtained, whether they will contain terms, conditions or

restrictions not currently contemplated that will be detrimental to or have a material adverse effect on East West after the completion of the merger. The regulatory approvals to which completion of the merger and bank mergers are subject are described in more detail under the section entitled "THE MERGER - Regulatory Approvals Required for the Mergers" beginning on page 55.

Conditions to the Merger (page 68)

Among other things, the obligations of East West and MetroCorp to complete the merger are each subject to the satisfaction or waiver of the following conditions:

- approval of the MetroCorp Merger proposal by the MetroCorp shareholders and holders of no more than 5% of the outstanding shares of MetroCorp common stock have exercised their dissenters' rights with respect to the merger;

Table of Contents

- the effectiveness of the registration statement on Form S-4, of which this document is a part, and the absence of a stop order or proceeding initiated or threatened by the SEC for that purpose;
- approval for the listing on the NASDAQ Global Select Market of the East West common stock to be issued in the merger;
- the accuracy of the representations and warranties of each party as of the closing date of the merger, other than, in most cases, those failures to be true and correct that would not reasonably be expected to result in a material adverse effect on the other party;
- performance in all material respects by each party of the obligations required to be performed by it at or prior to the closing date of the merger;
- the assumption by East West of certain outstanding trust preferred securities of MetroCorp; and
- receipt by each party of an opinion of its tax counsel as to certain tax matters.

No Solicitation (page 63)

Under the terms of the merger agreement, MetroCorp has agreed not to solicit, initiate or knowingly encourage inquiries or proposals with respect to, or engage or participate in any discussions or negotiations concerning, or provide any confidential or nonpublic information or data to, any person relating to, any acquisition proposal. Notwithstanding these restrictions, the merger agreement provides that, under specified circumstances, in response to an unsolicited bona fide acquisition proposal which, in the good faith judgment of the MetroCorp board of directors, is or is reasonably likely to result in a proposal which is superior to the merger with East West, and the MetroCorp board of directors determines in good faith (and after consultation with MetroCorp's outside counsel) that failure to take such actions would reasonably be expected to be a violation of its fiduciary duties under applicable law, MetroCorp may furnish information regarding MetroCorp and participate in discussions and negotiations with such third party.

Termination (page 64)

East West and MetroCorp may mutually agree at any time to terminate the merger agreement without completing the merger, even if the MetroCorp shareholders have adopted the merger agreement.

Edgar Filing: EAST WEST BANCORP INC - Form S-4/A

The merger agreement may also be terminated and the merger abandoned at any time prior to the effective time of the merger, as follows:

- by either East West or MetroCorp, if a required governmental approval is denied by final, non-appealable action, or if a governmental entity has issued a final, non-appealable order, ruling, injunction or decree permanently restraining, enjoining or otherwise prohibiting the closing of the merger;
- by either East West or MetroCorp, if the merger has not closed by the close of business on March 31, 2014, unless the failure to close by such date is due to the failure of the party seeking to terminate the merger agreement to fulfill any material obligation of such party set forth in the merger agreement;
- by either East West or MetroCorp, if there is a breach or failure to comply by the other party that would, individually or in the aggregate with other breaches or noncompliance by such party, result in the failure of a closing condition, unless the breach is cured before the earlier of the closing date and 15 days following written notice of the breach (provided that the terminating party is not then in material breach of the merger agreement);

Table of Contents

- by either East West or MetroCorp, if the MetroCorp shareholders have not adopted the merger agreement at the MetroCorp special meeting or any adjournment or postponement thereof; or
- by East West, if the MetroCorp board of directors (1) submits the merger agreement to its shareholders and withdraws or adversely modifies its recommendation for approval, or recommends to its shareholders an alternative acquisition proposal other than the merger agreement, or (2) materially breaches its obligation to refrain from soliciting alternative acquisition proposals.

MetroCorp may be required to pay East West a termination fee equal to 3% of the merger consideration and expenses of up to \$250,000 in certain circumstances. For more information, please see the sections entitled THE MERGER AGREEMENT Termination of Merger Agreement Termination Fee beginning on page 64.

Litigation Related to the Merger (page 71)

On October 31, 2013, a purported shareholder of MetroCorp filed a putative class action lawsuit in connection with the merger. The suit, captioned *Hsin-Hui Kuo v. MetroCorp Bancshares, Inc., et al.*, Case No. 4:13-cv-03198, was filed in the United States District Court for the Southern District of Texas, Houston Division, against MetroCorp, its directors, and East West. For more information, please see the section entitled LITIGATION RELATED TO THE MERGER beginning on page 71.

Material United States Federal Income Tax Consequences of the Merger (page 72)

The merger is intended to qualify as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code. Assuming the merger qualifies as such a reorganization, a shareholder of MetroCorp generally will not recognize any gain or loss upon receipt of East West common stock in exchange for MetroCorp common stock in the merger, but may recognize gain with respect to the cash consideration and cash received in lieu of a fractional share of East West common stock. It is a condition to the completion of the merger that East West and MetroCorp receive written opinions from their respective counsel to the effect that the merger will qualify as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code.

Tax matters are very complicated and the tax consequences of the merger to each MetroCorp shareholder may depend on such shareholder's particular facts and circumstances. MetroCorp shareholders are urged to consult their tax advisors to understand fully the tax consequences to them of the merger. For more information, please see the section entitled MATERIAL UNITED STATES FEDERAL INCOME TAX CONSEQUENCES OF THE MERGER beginning on page 72.

Comparison of Shareholders' Rights (page 79)

Edgar Filing: EAST WEST BANCORP INC - Form S-4/A

The rights of MetroCorp shareholders who continue as East West shareholders after the merger will be governed by the certificate of incorporation and bylaws of East West rather than by the articles of incorporation and bylaws of MetroCorp. For more information, please see the section entitled "COMPARISON OF SHAREHOLDERS' RIGHTS" beginning on page 79.

Dissenters' Rights of Appraisal in the Merger (page 76)

As a shareholder of MetroCorp, under Texas law you have the right to dissent from the merger and have the appraised fair value of your shares of MetroCorp common stock paid to you in cash. The appraised fair value may be more or less than the value of the shares of East West common stock and cash being paid in the merger.

Persons having beneficial interests in MetroCorp common stock held of record in the name of another person, such as a broker or bank, must act promptly to cause the record holder to take the actions required under Texas law to exercise your dissenters' rights.

In order to dissent, you must carefully follow the requirements of the Texas Business Organizations Code, including giving the required written notice prior to the special meeting at which the vote on the merger agreement is taken. These steps are summarized under the caption "DISSENTERS' RIGHTS OF METROCORP SHAREHOLDERS" on page 76.

Table of Contents

If you intend to exercise dissenters' rights, you should read the statutes carefully and consult with your own legal counsel. You should also remember that if you return a signed proxy card but fail to provide instructions as to how your shares of MetroCorp common stock are to be voted, you will be considered to have voted in favor of the merger agreement and you will not be able to assert dissenters' rights. Also, if you exercise dissenters' rights, you may have taxable income as a result, so you should consult with your own tax advisor if you intend to dissent. See MATERIAL UNITED STATES FEDERAL INCOME TAX CONSEQUENCES OF THE MERGER on page 72. If the merger agreement is approved by the shareholders of MetroCorp, holders of MetroCorp common stock who make a written objection to the merger prior to the MetroCorp special meeting, vote against the approval of the merger agreement, properly make a written demand for payment following notice of the merger and timely surrender their MetroCorp stock certificates will be entitled to receive the appraised fair value of their shares in cash under the Texas Business Organizations Code.

The text of the provisions of the Texas Business Organizations Code pertaining to dissenters' rights is attached to this proxy statement/prospectus as Appendix C.

RISK FACTORS

In addition to the other information contained in or incorporated by reference into this proxy statement/prospectus, including the matters addressed under the caption entitled CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING STATEMENTS, MetroCorp shareholders should carefully consider the following risk factors in deciding whether to vote for adoption of the merger agreement. Shareholders of MetroCorp should also consider the other information in this document and the other documents incorporated by reference into this document. Please see the sections entitled WHERE YOU CAN FIND MORE INFORMATION beginning on page iii and INCORPORATION OF CERTAIN DOCUMENTS BY REFERENCE beginning on page 87.

The value of the merger consideration to be received by MetroCorp shareholders may change based upon fluctuations in the market price of East West common stock.

East West will acquire the outstanding shares of MetroCorp for the lesser of \$14.60 per share and 1.72 times the per share tangible equity, as adjusted, for an aggregate purchase price estimated to be approximately \$273 million based on the 18,699,638 shares outstanding as of September 30, 2013. The shareholders of MetroCorp will receive two-thirds of the merger consideration in shares of East West common stock and the remainder in cash. The determination of the number of shares of East West common stock deliverable as the per share stock consideration will be based on the weighted average closing price of East West's common stock over a 60 trading day measurement period ending with the fifth trading day prior to the effective time of the merger. The number of shares of East West common stock to be issued in the merger is subject to a minimum and maximum price range. If the average closing price of East West common stock is equal to or greater than \$32.00, the per share stock consideration will be calculated by dividing the stock portion of the per share merger consideration by \$32.00. If the average closing price of East West common stock is less than or equal to \$28.00, the per share stock consideration will be calculated by dividing the stock portion of the per share merger consideration by \$28.00. The per share stock consideration will not be adjusted for changes in the market price of MetroCorp common stock prior to the closing.

Any change in the market price of East West common stock prior to completion of the merger may affect the value of the merger consideration that MetroCorp shareholders will receive upon completion of the merger. Stock price changes may result from a variety of factors, including general market and economic conditions, changes in our respective businesses, operations and prospects, and regulatory considerations, among other things. Many of these factors are beyond the control of East West and MetroCorp. MetroCorp shareholders should obtain current market quotations for shares of East West common stock before voting their shares at the MetroCorp special meeting. Accordingly, at the time of the MetroCorp special meeting, MetroCorp shareholders will not know or be able to calculate the value of the East West common stock they would receive upon completion of the merger.

MetroCorp shareholders will receive less than \$14.60 per share as merger consideration if the adjusted per share tangible equity of MetroCorp is lower than \$14.60 per share as reflected in MetroCorp's consolidated month-end financial statements.

In the merger MetroCorp shareholders will receive the *lesser* of \$14.60 per share and 1.72 times the per share tangible equity, as adjusted. Accordingly, MetroCorp shareholders will receive less than \$14.60 per share if the adjusted per share tangible equity of MetroCorp is less than \$14.60 per share as reflected in MetroCorp's consolidated financial statements as of the month-end prior to the merger (or as of the last day of the second month-end prior to the merger if the effective time occurs on or before the fifth day of the month).

The tangible equity of MetroCorp is subject to adjustments, some of which will reduce the price East West pays for each share of MetroCorp common stock if the merger consideration is based upon tangible equity.

If 1.72 times the adjusted per share tangible equity is less than \$14.60, the price paid to the holders of MetroCorp common stock will be based upon the per share tangible equity of MetroCorp, not \$14.60. MetroCorp's tangible equity is subject to the adjustments described in the section entitled THE MERGER AGREEMENT Terms of the Merger *Merger Consideration*. Such adjustments will reduce the amount of tangible equity and accordingly, the amount MetroCorp shareholders will receive in the merger if the price paid to the holders of MetroCorp common stock is based upon the per share tangible equity of MetroCorp.

Table of Contents

MetroCorp shareholders will have a reduced ownership and voting interest after the merger and will exercise less influence over management.

MetroCorp shareholders currently have the right to vote in the election of the board of directors of MetroCorp and on other matters affecting MetroCorp. Upon the completion of the merger, each MetroCorp shareholder who receives shares of East West common stock will become a shareholder of East West with a percentage ownership of East West that is smaller than such shareholder's percentage ownership of MetroCorp. It is currently expected that the former shareholders of MetroCorp as a group will receive shares in the merger constituting approximately 4% of the outstanding shares of East West common stock immediately after the merger based on shares outstanding as of the record date. Because of this, MetroCorp shareholders may have less influence on the management and policies of East West than they now have on the management and policies of MetroCorp.

The market price for East West common stock may be affected by factors different from those that historically have affected MetroCorp.

Upon completion of the merger, holders of MetroCorp common stock will become holders of East West common stock. East West and MetroCorp do not have identical business models. Accordingly, the results of operations of East West will be affected by some factors that are different from those currently affecting the results of operations of MetroCorp. For a discussion of the businesses of East West and MetroCorp and of some important factors to consider in connection with those businesses, see the section entitled "INFORMATION ABOUT THE COMPANIES" beginning on 34 and the documents incorporated by reference in this proxy statement/prospectus and referred to under the section entitled "WHERE YOU CAN FIND MORE INFORMATION" beginning on page iii.

East West may fail to realize the anticipated benefits of the merger.

The success of the merger will depend on, among other things, East West's ability to combine the businesses of East West and MetroCorp. If East West is not able to successfully achieve this objective, the anticipated benefits of the merger may not be realized fully, or at all, or may take longer to realize than expected.

East West and MetroCorp have operated and, until the consummation of the merger, will continue to operate independently. It is possible that the integration process or other factors could result in the loss or departure of key employees, the disruption of the ongoing business of East West or inconsistencies in standards, controls, procedures and policies. It is also possible that clients, customers, depositors and counterparties of East West could choose to discontinue their relationships with the combined company post-merger because they prefer doing business with an independent company or for any other reason, which would adversely affect the future performance of the combined company. These transition matters could have an adverse effect on each of East West and MetroCorp during the pre-merger period and for an undetermined time after the consummation of the merger.

Regulatory approvals may not be received, may take longer than expected or may impose conditions that are not presently anticipated or cannot be met.

Edgar Filing: EAST WEST BANCORP INC - Form S-4/A

Before the transactions contemplated in the merger agreement, including the merger and the bank mergers, may be completed, various approvals must be obtained from the bank regulatory and other governmental authorities. These governmental entities may impose conditions on the granting of such approvals. Such conditions and the process of obtaining regulatory approvals could have the effect of delaying completion of the merger or of imposing additional costs or limitations on East West following the merger. The regulatory approvals may not be received at any time, may not be received in a timely fashion, and may contain conditions on the completion of the merger that are not anticipated or cannot be met.

Table of Contents

The merger agreement may be terminated in accordance with its terms and the merger may not be completed.

The merger agreement is subject to a number of conditions which must be fulfilled in order to complete the merger. Those conditions, among others, include: approval of the merger agreement by MetroCorp shareholders, receipt of requisite regulatory approvals subject to certain limitations set forth in the merger agreement, effectiveness of the registration statement of which this document is a part, approval of the shares of East West common stock to be issued to MetroCorp shareholders for listing on the NASDAQ Global Select Market, the continued accuracy of the representations and warranties by both parties and the performance by both parties of their covenants and agreements, and the receipt by both parties of legal opinions from their respective tax counsels. These conditions to the closing of the merger may not be fulfilled and, accordingly, the merger may not be completed. In addition, if the merger is not completed by March 31, 2014, either East West or MetroCorp may choose not to proceed with the merger, and the parties can mutually decide to terminate the merger agreement at any time, before or after shareholder approval. In addition, East West and MetroCorp may elect to terminate the merger agreement in certain other circumstances. If the merger agreement is terminated under certain circumstances, MetroCorp may be required to pay a termination fee to East West of 3% of the merger consideration and expenses of up to \$250,000. Please refer to the section entitled THE MERGER AGREEMENT Termination of Merger Agreement Termination Fee beginning on pages 64 and 65 for a fuller description of these circumstances.

Termination of the merger agreement could negatively impact MetroCorp.

MetroCorp's business may have been adversely impacted by the failure to pursue other beneficial opportunities due to the focus of management on the merger, without realizing any of the anticipated benefits of completing the merger, and the market price of MetroCorp common stock might decline to the extent that the current market price reflects a market assumption that the merger will be completed. If the merger agreement is terminated and MetroCorp's board of directors seeks another merger or business combination, MetroCorp shareholders cannot be certain that MetroCorp will be able to find a party willing to offer equivalent or more attractive consideration than the consideration East West has agreed to provide in the merger. If the merger agreement is terminated under certain circumstances, MetroCorp may be required to pay a termination fee of 3% of the merger consideration to East West and expenses of up to \$250,000. Please refer to the section entitled THE MERGER AGREEMENT Termination of Merger Agreement Termination Fee beginning on pages 64 and 65.

MetroCorp will be subject to business uncertainties and contractual restrictions while the merger is pending.

Uncertainty about the effect of the merger on employees and customers may have an adverse effect on MetroCorp and consequently on East West. These uncertainties may impair MetroCorp's ability to attract, retain and motivate key personnel until the merger is completed, and could cause customers and others that deal with MetroCorp to seek to change existing business relationships with MetroCorp. Retention of certain employees may be challenging during the pendency of the merger, as certain employees may experience uncertainty about their future roles. If key employees depart because of issues relating to the uncertainty and difficulty of integration or a desire not to remain with the business, East West's business following the merger could be negatively impacted. In addition, the merger agreement restricts MetroCorp from taking certain specified actions until the merger occurs without the consent of East West. These restrictions may prevent MetroCorp from pursuing attractive business opportunities that may arise prior to the completion of the merger. Please see the section entitled THE MERGER AGREEMENT Covenants and Agreements beginning on page 58 for a description of the restrictive covenants applicable to MetroCorp.

MetroCorp directors and officers may have interests in the merger different from the interests of other MetroCorp shareholders.

Edgar Filing: EAST WEST BANCORP INC - Form S-4/A

The interests of some of the directors and executive officers of MetroCorp may be different from those of other MetroCorp shareholders, and directors and officers of MetroCorp may be participants in arrangements that are different from, or are in addition to, those of other MetroCorp shareholders. These interests are described in more detail under the section entitled "THE MERGER Financial Interests of Directors and Officers of MetroCorp in the Merger" beginning on page 52. In addition, each of MetroCorp's executive officers and directors hold equity awards, the treatment of which is described below under "THE MERGER Treatment of MetroCorp Stock Options and Shares of Restricted Stock" beginning on page 38.

Table of Contents

Shares of East West common stock to be received by MetroCorp shareholders as a result of the merger will have rights different from the shares of MetroCorp common stock.

Upon completion of the merger, the rights of former MetroCorp shareholders will be governed by the certificate of incorporation and bylaws of East West. East West is organized under Delaware law and MetroCorp is organized under Texas law. Accordingly, certain rights associated with MetroCorp common stock may differ from the rights associated with East West common stock. Please see the section entitled **COMPARISON OF SHAREHOLDERS RIGHTS** beginning on page 79 for a discussion of the different rights associated with East West common stock.

The merger agreement contains provisions that may discourage other companies from trying to acquire MetroCorp for greater merger consideration.

The merger agreement contains provisions that may discourage a third party from submitting a business combination proposal to MetroCorp that might result in greater value to MetroCorp's shareholders than the merger. These provisions include a general prohibition on MetroCorp from soliciting or, subject to certain exceptions, entering into discussions with any third party regarding any acquisition proposal or offers for competing transactions. MetroCorp may be required to pay East West a termination fee of 3% of the merger consideration and expenses of up to \$250,000 in certain circumstances involving acquisition proposals for competing transactions. For further information, please see the sections entitled **THE MERGER AGREEMENT Termination of Merger Agreement Termination Fee** beginning on pages 64 and 65.

In connection with the filing of the registration statement, one lawsuit has been filed and is pending seeking, among other things, to enjoin the merger, and an adverse judgment in this lawsuit may prevent the merger from becoming effective within the expected time frame (if at all).

On October 31, 2013, a purported shareholder of MetroCorp filed a lawsuit in connection with the merger. The suit, captioned *Hsin-Hui Kuo v. MetroCorp Bancshares, Inc., et al.*, Case No. 4:13-cv-03198, was filed in the United States District Court for the Southern District of Texas, Houston Division, against MetroCorp, its directors, and East West. It is brought as a putative class action and alleges that MetroCorp's directors breached certain fiduciary duties to MetroCorp's shareholders by approving the merger agreement pursuant to an allegedly deficient sales process and at an allegedly unfair price. It alleges that MetroCorp and East West aided and abetted those breaches. The suit also asserts individual claims against all defendants for violations of federal securities laws and state disclosure duties relating to alleged material nondisclosures in the registration statement. The suit seeks, among other things, to enjoin consummation of the merger. At this stage, it is not possible to predict the outcome of the proceedings or the potential impact on MetroCorp or East West. If the plaintiff is successful in enjoining the consummation of the merger, the lawsuit may prevent the merger from becoming effective within the expected timeframe (if it is completed at all).

The combined company expects to incur substantial expenses related to the merger.

The combined company expects to incur substantial expenses in connection with consummation of the merger and combining the business, operations, networks, systems, technologies, policies and procedures of the two companies. Although East West and MetroCorp have assumed that a certain level of transaction and combination expenses would be incurred, there are a number of factors beyond their control that could affect the total amount or the timing of their combination expenses. Many of the expenses that will be incurred, by their nature, are difficult to

estimate accurately at the present time. Due to these factors, the transaction and combination expenses associated with the merger could, particularly in the near term, exceed the savings that the combined company expects to achieve from the elimination of duplicative expenses and the realization of economies of scale and cost savings related to the combination of the businesses following the consummation of the merger. As a result of these expenses, both East West and MetroCorp expect to take charges against their earnings before the completion of the merger and East West expects to take additional charges after completion of the merger.

The opinion of MetroCorp's financial advisor will not reflect changes in circumstances between the signing of the merger agreement and the completion of the merger.

MetroCorp received an opinion from its financial advisor on September 18, 2013. Subsequent changes in the operations and prospects of MetroCorp or East West, general market and economic conditions and other factors that may be beyond the control of MetroCorp or East West, and on which MetroCorp's financial advisor's opinion was based, may significantly alter the value of MetroCorp, the per share tangible equity of MetroCorp or the prices of the shares of East West common stock or MetroCorp common stock by the time the merger is completed. The opinion does not speak as of the time the merger will be completed or as of any date other than the date of such opinion. Because MetroCorp does not anticipate asking its financial advisor to update its opinion, the opinion will not address the fairness of the per share merger consideration from a financial point of view at the time the merger is completed. Consequently, MetroCorp's board of directors' recommendation that MetroCorp shareholders vote FOR the MetroCorp Merger proposal was made as of the date of the merger agreement. For a description of the opinion that MetroCorp received from its financial advisor, please refer to the section entitled THE MERGER Opinion of MetroCorp's Financial Advisor beginning on page 41.

METROCORP SPECIAL MEETING OF SHAREHOLDERS

Date, Time and Place

The special meeting of MetroCorp shareholders will be held at MetroCorp's principal executive office at 960 Bellaire Boulevard, Suite 252, Houston, Texas 77036 at 10:00 a.m., Central time, on December 16, 2013. On or about November 15, 2013, MetroCorp commenced mailing this document and the enclosed form of proxy to its shareholders entitled to vote at the MetroCorp special meeting.

Purpose of MetroCorp Special Meeting

At the MetroCorp special meeting, MetroCorp shareholders will be asked to:

- adopt the merger agreement, a copy of which is attached as Appendix A to this document, which is referred to as the MetroCorp Merger proposal;
- approve, on an advisory (non-binding) basis, specified compensation that may become payable to the named executive officers of MetroCorp in connection with the merger, which is referred to as the MetroCorp Advisory (Non-Binding) Proposal on Specified Compensation; and
- approve one or more adjournments of the MetroCorp special meeting, if necessary or appropriate, including adjournments to permit further solicitation of proxies in favor of the MetroCorp Merger proposal, which is referred to as the MetroCorp Adjournment proposal.

Recommendation of the MetroCorp Board of Directors

The MetroCorp board of directors unanimously recommends that you vote **FOR** the MetroCorp Merger proposal, **FOR** the MetroCorp Advisory (Non-Binding) Proposal on Specified Compensation and **FOR** the MetroCorp Adjournment proposal (if necessary or appropriate). Please see the section entitled **THE MERGER Recommendation of the MetroCorp Board of Directors and Reasons for the Merger** beginning on page 40.

MetroCorp Record Date and Quorum

The MetroCorp board of directors has fixed the close of business on November 6, 2013, as the record date for determining the holders of MetroCorp common stock entitled to receive notice of and to vote at the MetroCorp special meeting.

As of the MetroCorp record date, there were 18,698,170 shares of MetroCorp common stock outstanding and entitled to vote at the MetroCorp special meeting held by approximately 221 holders of record. Each share of MetroCorp common stock entitles the holder to one vote at the MetroCorp special meeting on each proposal to be considered at the MetroCorp special meeting.

The representation (in person or by proxy) of holders of at least a majority of the votes entitled to be cast on the matters to be voted on at the MetroCorp special meeting constitutes a quorum for transacting business at the MetroCorp special meeting. All shares of MetroCorp common stock, whether present in person or represented by proxy, including abstentions and broker non-votes, will be treated as present for purposes of determining the presence or absence of a quorum for all matters voted on at the MetroCorp special meeting.

As of the record date, directors and executive officers of MetroCorp owned and were entitled to vote 2,752,506 shares of MetroCorp common stock, representing approximately 14.7% of the shares of MetroCorp common stock outstanding on that date. MetroCorp currently expects that MetroCorp's directors and executive officers will vote their shares in favor of the MetroCorp Merger proposal, the MetroCorp Advisory (Non-Binding) Proposal on Specified Compensation, and the MetroCorp Adjournment proposal. As of the record date, East West beneficially held no shares of MetroCorp common stock.

Table of Contents

Required Vote

Required Vote to Approve the MetroCorp Merger Proposal

The affirmative vote of a majority of the outstanding shares of MetroCorp common stock entitled to vote is required to approve the MetroCorp Merger proposal.

Required Vote to Approve the MetroCorp Advisory (Non-Binding) Proposal on Specified Compensation and the MetroCorp Adjournment Proposal

Assuming a quorum is present, the affirmative vote of a majority of the shares of MetroCorp common stock represented (in person or by proxy) at the MetroCorp special meeting and entitled to vote on the proposal is required to approve each of the MetroCorp Advisory (Non-Binding) Proposal on Specified Compensation and the MetroCorp Adjournment proposal.

Treatment of Abstentions; Failure to Vote

For purposes of the MetroCorp special meeting, an abstention occurs when a MetroCorp shareholder attends the MetroCorp special meeting, either in person or by proxy, but abstains from voting.

- For the MetroCorp Merger proposal, an abstention or a failure to vote will have the same effect as a vote cast **AGAINST** this proposal.
- For the MetroCorp Advisory (Non-Binding) Proposal on Specified Compensation and the MetroCorp Adjournment proposal, assuming a quorum is present, if a MetroCorp shareholder present in person at the MetroCorp special meeting abstains from voting, or responds by proxy with an abstain vote, it will have the same effect as a vote cast **AGAINST** this proposal. If a MetroCorp shareholder is not present in person at the MetroCorp special meeting and does not respond by proxy, it will have no effect on the vote count for the MetroCorp Advisory (Non-Binding) Proposal on Specified Compensation and the MetroCorp Adjournment proposal.

Voting on Proxies; Incomplete Proxies

Edgar Filing: EAST WEST BANCORP INC - Form S-4/A

Giving a proxy means that a MetroCorp shareholder authorizes the persons named in the enclosed proxy card to vote its shares at the MetroCorp special meeting in the manner it directs. A MetroCorp shareholder may vote by proxy or in person at the MetroCorp special meeting. If you hold your shares of MetroCorp common stock in your name as a shareholder of record, to submit a proxy you, as a MetroCorp shareholder, may use one of the following methods:

- **By telephone:** Use any touch-tone telephone to vote your proxy 24 hours a day, 7 days a week. Have your proxy card handy when you call. You will be prompted to enter your control number(s), which is located on your proxy card, and then follow the directions given.
- **Through the Internet:** Use the Internet to vote your proxy 24 hours a day, 7 days a week. Have your proxy card handy when you access the website. You will be prompted to enter your control number(s), which is located on your proxy card, to create and submit an electronic ballot.
- **By mail:** Complete and return the proxy card in the enclosed envelope. The envelope requires no additional postage if mailed in the United States.

MetroCorp requests that MetroCorp shareholders vote by telephone, over the Internet or by completing and signing the accompanying proxy and returning it to MetroCorp as soon as possible in the enclosed postage-paid envelope. When the accompanying proxy is returned properly executed, the shares of MetroCorp stock represented by it will be voted at the MetroCorp special meeting in accordance with the instructions contained on the proxy card.

Table of Contents

If any proxy is returned without indication as to how to vote, the shares of MetroCorp common stock represented by the proxy will be voted as recommended by the MetroCorp board of directors. Unless a MetroCorp shareholder checks the box on its proxy card to withhold discretionary authority, the proxyholders may use their discretion to vote on any other matters voted upon at the MetroCorp special meeting.

If a MetroCorp shareholder's shares are held in street name by a broker, bank or other nominee, the shareholder should check the voting form used by that firm to determine whether it may vote by telephone or the Internet.

Every MetroCorp shareholder's vote is important. Accordingly, each MetroCorp shareholder should sign, date and return the enclosed proxy card, or vote via the Internet or by telephone, whether or not the MetroCorp shareholder plans to attend the MetroCorp special meeting in person.

Shares Held in Street Name

If you are a MetroCorp shareholder and your shares are held in street name through a bank, broker or other holder of record, you must provide the record holder of your shares with instructions on how to vote your shares. Please follow the voting instructions provided by the bank or broker. You may not vote shares held in street name by returning a proxy card directly to MetroCorp or by voting in person at the MetroCorp special meeting unless you provide a legal proxy, which you must obtain from your broker, bank or other nominee. Further, brokers, banks or other nominees who hold shares of MetroCorp common stock on behalf of their customers may not give a proxy to MetroCorp to vote those shares with respect to any of the proposals without specific instructions from their customers, as brokers, banks and other nominees do not have discretionary voting power on these matters. Therefore, if you are a MetroCorp shareholder and you do not instruct your broker, bank or other nominee on how to vote your shares:

- your broker, bank or other nominee may not vote your shares on the MetroCorp Merger proposal, which broker non-votes will have the same effect as a vote **AGAINST** this proposal; and

- your broker, bank or other nominee may not vote your shares on the MetroCorp Advisory (Non-Binding) Proposal on Specified Compensation or the MetroCorp Adjournment proposal, which broker non-votes will have no effect on the vote count for these proposals.

Revocability of Proxies and Changes to a MetroCorp Shareholder's Vote

A MetroCorp shareholder has the power to change its vote at any time before its shares of MetroCorp common stock are voted at the MetroCorp special meeting by:

Edgar Filing: EAST WEST BANCORP INC - Form S-4/A

- sending a notice of revocation to MetroCorp Bancshares, Inc., Attention: Corporate Secretary, 9600 Bellaire Boulevard, Suite 252, Houston, Texas 77036, stating that you would like to revoke your proxy;
- logging onto the Internet website specified on your proxy card in the same manner you would to submit your proxy electronically or by calling the telephone number specified on your proxy card, in each case if you are eligible to do so and following the instructions on the proxy card;
- sending a completed proxy card bearing a later date than your original proxy card; or
- attending the MetroCorp special meeting and voting in person.

If you choose any of the first three methods, you must take the described action no later than the beginning of the MetroCorp special meeting. If you choose to send a completed proxy card bearing a later date than your original proxy card or a notice of revocation, the new proxy card or notice of revocation must be received before the beginning of the MetroCorp special meeting. If you have instructed a bank, broker or other nominee to vote your shares of MetroCorp common stock, you must follow the directions you receive from your bank, broker or other nominee in order to change or revoke your vote.

Table of Contents

Solicitation of Proxies

The cost of solicitation of proxies from MetroCorp shareholders will be borne by MetroCorp. MetroCorp will reimburse brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending proxy materials to the beneficial owners of common stock. In addition to solicitations by mail, MetroCorp's directors, officers and regular employees may solicit proxies personally or by telephone without additional compensation.

Attending the MetroCorp Special Meeting

Subject to space availability, all MetroCorp shareholders as of the record date, or their duly appointed proxies, may attend the MetroCorp special meeting.

If you hold your shares of MetroCorp common stock in your name as a shareholder of record and you wish to attend the MetroCorp special meeting, please bring evidence of your stock ownership, such as your most recent account statement, to the MetroCorp special meeting. You must also bring valid picture identification.

If your shares of MetroCorp common stock are held in street name in a stock brokerage account or by a bank or nominee and you wish to attend the MetroCorp special meeting, you need to bring a copy of a bank or brokerage statement to the MetroCorp special meeting reflecting your stock ownership as of the record date. You must also bring valid picture identification.

METROCORP PROPOSALS

MetroCorp Merger Proposal

As discussed throughout this proxy statement/prospectus, MetroCorp is asking its shareholders to approve the MetroCorp Merger proposal. Holders of MetroCorp common stock should read carefully this proxy statement/prospectus in its entirety, including the appendices, for more detailed information concerning the merger agreement and the merger. In particular, holders of MetroCorp common stock are directed to the merger agreement, a copy of which is attached as Appendix A to this proxy statement/prospectus.

Vote Required and MetroCorp Board Recommendation

The affirmative vote of a majority of the outstanding shares of MetroCorp common stock entitled to vote is required to approve the MetroCorp Merger proposal.

The MetroCorp board of directors unanimously recommends a vote FOR the MetroCorp Merger proposal.

MetroCorp Advisory (Non-Binding) Proposal on Specified Compensation

In accordance with Section 14A of the Securities Exchange Act of 1934, as amended, which we refer to as the Exchange Act, MetroCorp is providing its shareholders with the opportunity to cast an advisory (non-binding) vote on the compensation that may be payable to its named executive officers in connection with the merger, the value of which is set forth in the table included in the section of this proxy statement/prospectus entitled THE MERGER Merger-Related Compensation for MetroCorp s Named Executive Officers beginning on page 54. As required by Section 14A of the Exchange Act, MetroCorp is asking its shareholders to vote on the adoption of the following resolution:

RESOLVED, that the compensation that may be paid or become payable to MetroCorp s named executive officers in connection with the merger, as disclosed in the table in the section of the proxy statement/prospectus statement entitled THE MERGER Merger-Related Compensation for MetroCorp s Named Executive Officers, is hereby APPROVED.

The vote on executive compensation payable in connection with the merger is a vote separate and apart from the vote to approve the merger. Accordingly, a MetroCorp shareholder may vote to approve the executive compensation and vote not to approve the merger and vice versa. Because the vote is advisory in nature only, it will not be binding on MetroCorp. Accordingly, because MetroCorp is contractually obligated to pay the compensation, the compensation will be payable, subject only to the conditions applicable thereto, if the merger is approved and regardless of the outcome of the advisory vote.

The MetroCorp board of directors recommends a vote FOR the MetroCorp Advisory (Non-Binding) Proposal on Specified Compensation.

MetroCorp Adjournment Proposal

The MetroCorp special meeting may be adjourned to another time or place, if necessary or appropriate, to solicit additional proxies if there are insufficient votes at the time of the MetroCorp special meeting to approve the MetroCorp Merger proposal.

If, at the MetroCorp special meeting, the number of shares of MetroCorp common stock present or represented and voting in favor of the MetroCorp Merger proposal is insufficient to approve the MetroCorp Merger proposal, MetroCorp intends to move to adjourn the MetroCorp special meeting in order to enable the MetroCorp board of directors to solicit additional proxies for approval of the merger. In that event, MetroCorp will ask its shareholders to vote only upon the MetroCorp Adjournment proposal, and not the MetroCorp Merger proposal or the MetroCorp Advisory (Non-Binding) Proposal on Specified Compensation.

Table of Contents

In the MetroCorp Adjournment proposal, MetroCorp is asking its shareholders to authorize the holder of any proxy solicited by the MetroCorp board of directors to vote in favor of granting discretionary authority to the proxy holders, to adjourn the MetroCorp special meeting to another time and place for the purpose of soliciting additional proxies. If the MetroCorp shareholders approve the MetroCorp Adjournment proposal, MetroCorp could adjourn the MetroCorp special meeting and use the additional time to solicit additional proxies, including the solicitation of proxies from MetroCorp shareholders who have previously voted.

The MetroCorp board of directors recommends a vote FOR the MetroCorp Adjournment proposal.

Other Matters to Come Before the MetroCorp Special Meeting

No other matters are intended to be brought before the MetroCorp special meeting by MetroCorp, and MetroCorp does not know of any matters to be brought before the MetroCorp special meeting by others. If, however, any other matters properly come before the MetroCorp special meeting, the persons named in the proxy will vote the shares represented thereby in accordance with their best judgment on any such matter.

THE MERGER

The following is a discussion of the merger and the material terms of the merger agreement between East West and MetroCorp. You are urged to read carefully the merger agreement in its entirety, a copy of which is attached as Appendix A to this proxy statement/prospectus and incorporated by reference herein. This summary does not purport to be complete and may not contain all of the information about the merger agreement that is important to you. This section is not intended to provide you with any factual information about East West or MetroCorp. Such information can be found elsewhere in this proxy statement/prospectus and in the public filings East West and MetroCorp make with the SEC, as described in the section entitled WHERE YOU CAN FIND MORE INFORMATION beginning on page iii.

Terms of the Merger

Effect of the Merger

East West's and MetroCorp's boards of directors have approved the merger agreement. The merger agreement provides for the acquisition of MetroCorp by East West through the merger of MetroCorp with and into East West, with East West continuing as the surviving corporation. Simultaneously with the merger, MetroBank and Metro United Bank, each wholly owned subsidiaries of MetroCorp, will merge with and into East West Bank, a bank chartered under the laws of the State of California and a wholly owned subsidiary of East West. East West Bank will be the surviving bank following the bank mergers.

If the shareholders of MetroCorp approve the merger agreement at the special meeting, and if the required regulatory approvals are obtained and the other conditions to the parties' obligations to effect the merger are met or waived by the party entitled to do so, we anticipate that the merger will be completed in the first quarter of 2014, although delays could occur. As a result of the merger, holders of MetroCorp common stock will be entitled to receive shares of East West common stock and cash, with cash paid in lieu of a fractional share, and will no longer be owners of MetroCorp stock. As a result of the merger, certificates for MetroCorp common stock will only represent the right to receive the merger consideration pursuant to the merger agreement, and otherwise will be null and void after completion of the merger.

Merger Consideration

In the merger, each outstanding share of MetroCorp's common stock (excluding dissenting shares and shares of MetroCorp common stock held by MetroCorp or East West) will be converted into the right to receive the lesser of \$14.60 per share and 1.72 times the per share tangible equity of MetroCorp, as adjusted, as of the month-end prior to the merger (or as of the last day of the second month-end prior to the merger if the effective time occurs on or before the fifth day of the month). The shareholders of MetroCorp will receive two-thirds of the per share merger consideration in shares of East West common stock and the remainder in cash. Accordingly, if \$14.60 per share is less than 1.72 times the adjusted per share tangible equity of MetroCorp, each MetroCorp share would receive \$4.87 per share in cash and \$9.73 worth of East West common stock, which if, solely for purposes of illustration, the closing occurred on September 18, 2013 (the last trading day before the announcement of the merger), would convert to 0.3267 shares of East West common stock based upon the closing price of \$29.79 on that date. Cash would be paid in lieu of any fractional share.

Edgar Filing: EAST WEST BANCORP INC - Form S-4/A

Alternatively, if 1.72 times the adjusted per share tangible equity of MetroCorp is less than \$14.60 per share, the number of shares of East West common stock and cash to be received for each share of MetroCorp common stock would be based upon tangible equity.

Tangible equity is calculated by reducing total equity by intangible assets, goodwill and preferred equity. As of September 30, 2013 MetroCorp's tangible equity was \$165,759,000, which is calculated by taking total shareholders' equity of \$180,118,000 minus intangible assets and goodwill of \$14,359,000. Pursuant to the terms of the merger agreement, tangible equity is further reduced by \$7,000,000 (as described further below), such that total tangible equity net of adjustments is \$158,791,000. Tangible equity net of adjustments is then multiplied by 1.72 to arrive at 1.72 times tangible equity of \$273,065,480. The 1.72 times tangible equity per share is \$14.60 which is calculated by taking 1.72 times tangible equity of \$273,065,480 divided by the outstanding shares of MetroCorp as of September 30, 2013 of 18,699,638. There are other adjustments that will affect tangible equity, such as bonus retention payments, advisor fees and severance agreements.

Table of Contents

Based on the closing price of East West common stock on November 4, 2013, the last practicable date before the date of this document, the value of the per share stock consideration payable to holders of MetroCorp common stock would be \$9.73 using the same formula above.

Tangible equity on the closing financial statements could be decreased by the following amounts if the amounts have not accrued prior to closing: the legacy investment banker transaction fee due from MetroCorp at closing (approximately \$2,730,000), the change of control payments payable to certain executive officers of MetroCorp (D. Tai, D. Choi, H. Baker, M. Tariq and A. Hou upon a termination of employment under certain circumstances after closing approximately \$1,740,000), retention payments to be paid to key employees to incentivize their continued service during the transition period (approximately \$2,556,000). The cost of a four-year tail on the directors and officers liability insurance policy, estimated to be approximately \$500,000, will also be accrued by MetroCorp. It is also anticipated that MetroCorp may accrue prior to closing an additional 25% of annual 2013 year-end bonuses payable in 2014 (approximately \$640,000). These additions or subtractions will only be relevant if the amount received by MetroCorp shareholders as per share merger consideration is based on tangible equity.

Pursuant to the terms of the merger agreement, adjusted tangible equity of MetroCorp means the tangible equity of MetroCorp as reflected in the closing financial statements minus \$7,000,000 and certain other adjustments. Tangible equity will increase from \$165,759,000 as of September 30, 2013 by the amount of earnings of MetroCorp from the period of October 1, 2013 to the date of the closing financial statements, or decrease in the event of a loss. Under the merger agreement, MetroCorp is permitted to reduce its loan loss allowance, if in accordance with GAAP, from the 1.76% of loans as of September 30, 2013 to the greater of 1.5% of loans, as of the Closing Financial Statements or 1.5% of total loans as of August 31, 2013 which could result in up to \$3,183,000 of reversal of allowance (net of applicable taxes) becoming income that would increase tangible equity. Also, to the extent the closing financial statements have unrealized losses on the available for sale securities portfolio in excess of the losses on August 31, 2013 (which were \$7,012,000), the first \$2,500,000 of such losses shall be an upward adjustment in the adjusted tangible equity for purposes of computing whether the \$14.60 net equity number is met.

As noted above, East West will not issue any certificates for fractional shares of East West common stock in connection with the merger, but will instead pay cash for any fractional share interests. The amount of cash will be determined by multiplying the fractional share interest by the average closing price of East West common stock.

The number of shares of East West common stock to be issued in the merger is subject to a minimum and maximum price range. If the average closing price of East West common stock is equal to or greater than \$32.00, the per share stock consideration will be calculated by dividing the stock portion of the per share merger consideration by \$32.00. If the average closing price of East West common stock is less than or equal to \$28.00, the per share stock consideration will be calculated by dividing the stock portion of the per share merger consideration by \$28.00.

The table below sets forth exchange ratios based upon a purchase price of \$14.60 and a hypothetical average closing price of East West common stock over a 60 trading-day measurement period:

Average East West Trading Price	Exchange Ratio (followed by calculation)
Equal to or greater than \$32.00	0.3042 (\$9.73 divided by the average East West trading price)
Equal to \$30.00	0.3244 (\$9.73 divided by the average East West trading price)
Equal to or less than \$28.00	0.3476 (\$9.73 divided by the average East West trading price)

The market value of the merger consideration will fluctuate with the price of East West common stock, and the value of the shares of East West common stock that holders of MetroCorp common stock will receive upon consummation of the merger may be different than the value of the shares of East West common stock that holders of MetroCorp common stock would receive if calculated on the date East West and MetroCorp announced the merger, on the date that this document is being mailed to MetroCorp shareholders, and on the date of the special meeting of MetroCorp shareholders.

Treatment of MetroCorp Stock Options and Shares of Restricted Stock

MetroCorp Stock Options. Each outstanding option to purchase shares of MetroCorp common stock, whether exercisable or unexercisable, will become fully vested upon the approval of the merger agreement by MetroCorp's shareholders, without any action on the part of the holder of the option. All options that are not exercised at least two business days before the effective time of the merger will terminate and, following the merger, East West will pay to the holders the amount needed to cash out the options pursuant to the terms of MetroCorp's equity incentive plans, as applicable, less any taxes required to be withheld. MetroCorp may provide for cashless exercise of the options.

MetroCorp Restricted Shares. Each share of MetroCorp restricted stock will, without any action on the part of the holder, become fully vested and be converted into the right to receive the per share merger consideration on the same terms of conversion as MetroCorp common stock, subject to any required tax withholding.

Background of the Merger

From time to time, the board of directors of MetroCorp has considered various strategic alternatives designed to enhance shareholder value. These strategic alternatives include continuing as an independent institution, seeking additional capital to repay the U.S. Treasury TARP Capital Purchase Program securities and considering commercial banking opportunities in mainland China. The board of directors of MetroCorp has also followed the increased consolidation activity in recent years in the banking industry and visited informally with various investment banking firms about the acquisition environment. In 2011 MetroCorp engaged an investment bank to explore a possible combination with East West. No formal or informal agreement relating to a potential transaction resulted at that time.

For the past seven years, East West CEO Dominic Ng and MetroCorp Co-Chairman and CEO George Lee had become acquainted and socialized together several times a year when Mr. Lee was visiting MetroCorp's West Coast operations. On July 14, 2013, Mr. Lee contacted Mr. Ng to arrange a meeting during Mr. Lee's upcoming visit to California. On July 19, 2013, Mr. Lee and Mr. Ng met in Los Angeles and discussed, among other topics, the favorable, energy-driven economic climate for financial institutions in Texas generally and in Houston specifically, where East West currently operates a small branch proximate to MetroCorp's headquarters. Mr. Lee and Mr. Ng also discussed MetroCorp's plans to merge its two subsidiary banks and the potential advantages of East West making a major entry into the Texas market through MetroCorp's platform.

After the July 19, 2013 meeting, Mr. Lee informed several MetroCorp Board members of the meeting and its subject matter, and Mr. Lee and Mr. Ng had several additional telephone conversations regarding a potential business combination. On July 29, 2013, MetroCorp informally asked Sandler O'Neill to contact a few possible strategic partners to gauge their proclivity for a combination with MetroCorp. These contacts did not result in any serious indications of interest.

On August 15, 2013, Mr. Lee notified MetroCorp's outside counsel, Bracewell & Giuliani, that MetroCorp was beginning to engage in serious discussions with East West regarding a possible business combination, and Mr. Lee and a representative of Bracewell & Giuliani discussed MetroCorp's selection of an investment banking firm to advise MetroCorp with respect to the potential business combination.

On August 16, 2013, Douglas Krause, East West's general counsel, sent MetroCorp a draft of a non-binding letter of intent, subject to the conduct of due diligence, the negotiation of a mutually acceptable definitive acquisition agreement and several other standard conditions. That same day, MetroCorp's counsel proposed several minor additions and clarifications, which were incorporated into a revised letter of intent delivered to MetroCorp early in the afternoon of August 16.

Table of Contents

On Saturday, August 17, 2013, Mr. Krause notified MetroCorp's counsel that East West had scheduled a special Board meeting for 6:00 p.m. on Monday, August 19, 2013 to consider the letter of intent. Mr. Krause also sent a draft of a Confidentiality/Exclusivity Agreement to accompany the letter of intent. MetroCorp informed East West that it had scheduled a special meeting of its board of directors for 4:00 p.m. on August 20, 2013 to consider the letter of intent and approve the engagement of an investment banking firm. The parties also began preliminary planning with respect to East West's due diligence examination of MetroCorp.

On the evening of August 19, 2013, Mr. Krause informed Mr. Lee that the board of directors of East West had unanimously approved the letter of intent and authorized its execution.

On August 20, 2013, MetroCorp sent East West several proposed changes to the Confidentiality Agreement, including a provision regarding non-solicitation of employees in the event that a deal could not be agreed to. After the MetroCorp Board meeting in the afternoon of August 20, 2013, Mr. Lee notified East West that all 11 of the 13 members of the board of directors able to attend the meeting approved the letter of intent, and that the two members of the board of directors unable to attend the meeting conveyed their oral support of the letter of intent. The board of directors also approved the engagement of Sandler O'Neill to advise MetroCorp and render a fairness opinion. That same evening, East West delivered to MetroCorp a signed Confidentiality Agreement.

On August 21, 2013, MetroCorp executed the Confidentiality Agreement with East West and entered into an engagement letter with Sandler O'Neill.

During the week of August 26, 2013 through September 4, 2013, East West conducted a due diligence examination of MetroCorp and MetroCorp conducted a due diligence examination of East West. Mr. Ng and Mr. Lee visited frequently by telephone during this time period and discussed the results of East West's due diligence examination and engaged in deal term negotiations.

On September 6, 2013, East West presented MetroCorp with an initial draft of a merger agreement. MetroCorp and its outside legal counsel presented comments to the initial draft of the merger agreement to East West and its counsel on September 9, 2013. From September 10, 2013 to September 18, 2013, management of both MetroCorp and East West, and their respective legal counsel, negotiated the merger agreement. Negotiations between the parties focused on the calculation of the merger consideration, the treatment of MetroCorp's outstanding warrant, certain limitations on the representations and warranties made by MetroCorp and the accrual for certain payments by MetroCorp. East West agreed to indemnify the directors and officers of MetroCorp and the MetroCorp Banks under certain circumstances after the closing. The parties also agreed to additional rights of MetroCorp to terminate the merger agreement consistent with the board of directors' fiduciary duties, but subject to MetroCorp's obligation to pay the expenses of East West (up to \$250,000) and a termination fee of 3% of the merger consideration under certain circumstances. The management of MetroCorp met frequently during the period from September 6 through September 18, 2013, reviewing all aspects of the merger agreement with Sandler O'Neill and MetroCorp's outside legal counsel.

On September 16, 2013, MetroCorp delivered the then-current draft of the merger agreement to all of the directors of MetroCorp. On that day, Mr. Lee discussed the terms of the merger agreement with Mr. Don Wang and Mr. Daniel Wright, two of the directors who would not be able to attend the board of directors meeting scheduled for September 18, 2013. During those calls, Mr. Lee and the other directors discussed the terms and conditions of the proposed merger agreement. At the conclusion of these calls, Mr. Wang and Mr. Wright each signed a Unanimous Written Consent of the Directors of MetroCorp, approving the proposed merger agreement.

Edgar Filing: EAST WEST BANCORP INC - Form S-4/A

On September 18, 2013, ten of the 13 directors met with representatives of Sandler O'Neill and MetroCorp's outside legal counsel while director Robert Hsueh participated by conference call. At that meeting, Mr. Lee reported on the process undertaken by him and the management of MetroCorp that led to this meeting. Sandler O'Neill made a presentation concerning the merger consideration. At the conclusion of this discussion and after responding to questions from the directors, Sandler O'Neill rendered to MetroCorp's board of directors its oral opinion that, subject to the assumptions, limitations and qualifications set forth in their written opinion, the per share merger consideration of the lesser of \$14.60 and 1.72 times MetroCorp's per share tangible book value, after certain adjustments, to be received from East West in cash and shares of East West common stock, was fair to holders of MetroCorp's common stock from a financial point of view. Sandler O'Neill's oral opinion was subsequently confirmed by delivery of its written opinion, dated as of September 18, 2013, to MetroCorp's board of directors. Outside legal counsel then made a presentation regarding the terms and conditions of the proposed merger agreement, discussing in detail the business points, contingencies, timing issues and fiduciary concerns. The board of directors asked questions related to the conditions for payment of the termination fee, the impact of a possible shareholder lawsuit and the reasonableness of the conditions contained in the merger agreement.

Table of Contents

Based upon MetroCorp's board of directors review and discussion of the merger agreement, the opinion of Sandler O'Neill and other relevant factors (described below in MetroCorp's Reasons for the Merger and Recommendations of the Board of MetroCorp), the board, by unanimous vote of all directors present at the meeting, authorized and approved the execution of the merger agreement with East West, and authorized Mr. Lee to execute the merger agreement on behalf of MetroCorp. Each of the directors also signed a Unanimous Written Consent of the Directors of MetroCorp, consistent with the resolutions described in the preceding sentence, counterparts of which had previously been signed by Messrs. Hsueh, Wang and Wright, who were not able to attend the meeting in person.

Recommendation of the MetroCorp Board of Directors and Reasons for the Merger

MetroCorp's board of directors has unanimously approved the merger agreement and unanimously recommends that the MetroCorp shareholders vote **FOR** approval of the merger agreement.

MetroCorp's board of directors has determined that the merger is fair to, and in the best interests of, MetroCorp's shareholders. In approving the merger agreement, MetroCorp's board of directors consulted with Sandler O'Neill with respect to the financial aspects and fairness of the merger consideration, from a financial point of view, to the holders of MetroCorp common stock, and with its outside legal counsel as to its legal duties and the terms of the merger agreement. In arriving at its determination, MetroCorp's board also considered a number of factors, including the following:

- MetroCorp's board of directors' familiarity with and review of information concerning the business, results of operations, financial condition, competitive position and future prospects of MetroCorp;
- the current and prospective environment in which MetroCorp operates, including national, regional and local economic conditions, the competitive environment for banks, thrifts and other financial institutions generally and the increased regulatory burdens on financial institutions generally and the trend toward consolidation in the banking industry and in the financial services industry;
- the financial presentation of Sandler O'Neill and the opinion of Sandler O'Neill dated as of September 18, 2013 that, as of September 18, 2013 (the date on which MetroCorp's board of directors approved the merger agreement), and subject to the assumptions, limitations and qualifications set forth in the opinion, the merger consideration to be received from East West is fair, from a financial point of view, to the shareholders of MetroCorp (see *Opinion of MetroCorp's Financial Advisor*, beginning on page 41);
- that shareholders of MetroCorp will receive part of the merger consideration in shares of East West common stock, which are publicly traded on the NASDAQ stock exchange;
- the treatment of the merger as a reorganization within the meaning of Section 368(a) of the Code with respect to the MetroCorp common stock exchanged for East West common stock;

- the results that MetroCorp could expect to obtain if it continued to operate independently, and the likely benefits to shareholders of that course of action, as compared with the value of the merger consideration offered by East West;

Table of Contents

- the ability of East West to pay the aggregate merger consideration without a financing contingency and without the need to obtain financing to close the transaction;
- the ability of East West to receive the requisite regulatory approvals in a timely manner;
- the terms and conditions of the merger agreement, including the parties' respective representations, warranties, covenants and other agreements, the conditions to closing, including a provision that permits MetroCorp's board of directors, in the exercise of its fiduciary duties, under certain conditions, to furnish information to a third party that has submitted an unsolicited proposal to acquire MetroCorp;
- the merger with a larger holding company would provide the opportunity to realize economies of scale, increase efficiencies of operations and enhance the development of new products and services;
- the agreement of East West to continue to provide indemnification for MetroCorp's directors and officers, and to honor certain existing employee benefits;
- that some of MetroCorp's directors and executive officers have other financial interests in the merger in addition to their interests as MetroCorp shareholders, including financial interests that are the result of compensation arrangements with MetroCorp and the manner in which such interests would be affected by the merger;
- that the cash portion of the merger consideration will be taxable to MetroCorp's shareholders upon completion of the merger;
- the requirement that MetroCorp conduct its business in the ordinary course and the other restrictions on the conduct of MetroCorp's business before completion of the merger, which may delay or prevent MetroCorp from undertaking business opportunities that may arise before completion of the merger; and
- that under the agreement MetroCorp could not solicit competing proposals for the acquisition of MetroCorp.

The reasons set out above for the merger are not intended to be exhaustive but do include all material factors considered by MetroCorp's board of directors in approving the merger. In reaching its determination, the MetroCorp board of directors did not assign any relative or specific weights to different factors, and individual directors may have given different weights to different factors. Based on the reasons stated, the board

believed that the merger was in the best interest of MetroCorp's shareholders, and therefore the board of directors of MetroCorp unanimously approved the merger agreement and the merger. In addition, all members of MetroCorp's board of directors are expected to vote the shares of common stock of MetroCorp over which they have voting authority in favor of the merger agreement.

For the reasons set forth above, the MetroCorp board of directors has unanimously approved the merger agreement and the transactions contemplated thereby and recommends that you vote FOR the MetroCorp Merger proposal, FOR the MetroCorp Advisory (Non-Binding) Proposal on Specified Compensation and FOR the MetroCorp Adjournment proposal (if necessary or appropriate).

Opinion of MetroCorp's Financial Advisor

By letter dated August 21, 2013, MetroCorp retained Sandler O'Neill to render a fairness opinion in connection with MetroCorp's consideration of a proposed merger involving MetroCorp and East West. Sandler O'Neill is a nationally recognized investment banking firm whose principal business specialty is financial institutions. As part of its investment banking business, Sandler O'Neill is regularly engaged in the valuation of financial institutions and their securities in connection with mergers and acquisitions and other corporate transactions.

Table of Contents

At the meeting of the board of directors of MetroCorp on September 18, 2013, Sandler O Neill delivered to the board of directors its oral opinion, subsequently followed by delivery of its written opinion, that, as of such date, the per share merger consideration was fair to the holders of MetroCorp common stock from a financial point of view. **The full text of Sandler O Neill's written opinion dated September 18, 2013 is attached as Appendix B to this proxy statement/prospectus. The opinion outlines the procedures followed, assumptions made, matters considered and qualifications and limitations on the review undertaken by Sandler O Neill in rendering its opinion. The description of the opinion set forth below is qualified in its entirety by reference to the opinion. MetroCorp shareholders are urged to read the entire opinion carefully in connection with their consideration of the proposed merger. Sandler O Neill's opinion speaks only as of the date of its opinion.**

In connection with rendering its September 18, 2013 opinion, Sandler O Neill reviewed and considered, among other things:

- the merger agreement;
- certain publicly available financial statements and other historical financial information of MetroCorp that Sandler O Neill deemed relevant;
- certain publicly available financial statements and other historical financial information of East West that Sandler O Neill deemed relevant;
- median consensus earnings estimates for MetroCorp for the years ending December 31, 2013 and December 31, 2014 as discussed with senior management of MetroCorp and a publicly available analyst estimated long-term growth rate for the years thereafter as discussed with senior management of MetroCorp;
- median consensus earnings estimates for East West for the years ending December 31, 2013 and December 31, 2014 as discussed with senior management of East West and a publicly available analyst estimated long-term growth rate for the years thereafter as discussed with senior management of East West;
- the pro forma financial impact of the merger on East West based on assumptions relating to transaction expenses, purchase accounting adjustments, cost savings and other synergies as determined by the senior management of East West;
- a comparison of certain financial information for MetroCorp and East West with similar institutions for which publicly available information is available;
- the financial terms of certain recent business combinations in the commercial banking industry, to the extent publicly available;
- the current market environment generally and the commercial banking environment in particular; and
- such other information, financial studies, analyses and investigations and financial, economic and market criteria as Sandler O Neill considered relevant.

Sandler O Neill also discussed with certain members of senior management of MetroCorp the business, financial condition, results of operations and prospects of MetroCorp and held similar discussions with certain members of senior management of East West regarding the business, financial condition, results of operations and prospects of East West.

Edgar Filing: EAST WEST BANCORP INC - Form S-4/A

In performing its review, Sandler O'Neill relied upon the accuracy and completeness of all of the financial and other information that was available to Sandler O'Neill from public sources, that was provided to Sandler O'Neill by MetroCorp and East West or their respective representatives or that was otherwise reviewed by Sandler O'Neill and has assumed such accuracy and completeness for purposes of rendering its opinion. Sandler O'Neill has further relied on the assurances of the respective managements of MetroCorp and East West that they are not aware of any facts or circumstances that would make any of such information inaccurate or misleading. Sandler O'Neill has not been asked to undertake and has not undertaken an independent verification of any of such information and Sandler O'Neill does not assume any responsibility or liability for the accuracy or completeness thereof. Sandler O'Neill did not make an independent evaluation or appraisal of the specific assets, the collateral securing assets or the liabilities (contingent or otherwise) of MetroCorp and East West or any of their respective subsidiaries. Sandler

Table of Contents

O'Neill rendered no opinion or evaluation on the collectability of any assets or the future performance of any loans of MetroCorp and East West. Sandler O'Neill did not make an independent evaluation of the adequacy of the allowance for loan losses of MetroCorp and East West, or the combined entity after the merger and Sandler O'Neill has not reviewed any individual credit files relating to MetroCorp and East West. Sandler O'Neill assumed, with the consent of MetroCorp, that the respective allowances for loan losses for both MetroCorp and East West are adequate to cover such losses and will be adequate on a pro forma basis for the combined entity.

In preparing its analyses, Sandler O'Neill used publicly available earnings projections and long-term growth rates for MetroCorp and East West as discussed with respective senior managements of MetroCorp and East West. Sandler O'Neill also received and used in its analyses certain projections of transaction costs, purchase accounting adjustments, expected cost savings and other synergies which were prepared by and/or reviewed with the senior management of East West. With respect to those projections, estimates and judgments, the respective managements of MetroCorp and East West confirmed to Sandler O'Neill that those projections, estimates and judgments reflected the best currently available estimates and judgments of those respective managements of the future financial performance of MetroCorp and East West, respectively, and Sandler O'Neill assumed that such performance would be achieved. Sandler O'Neill expresses no opinion as to such estimates or the assumptions on which they are based. Sandler O'Neill has also assumed that there has been no material change in MetroCorp's and East West's assets, financial condition, results of operations, business or prospects since the date of the most recent financial statements made available to Sandler O'Neill. Sandler O'Neill has assumed in all respects material to its analysis that MetroCorp and East West will remain as going concerns for all periods relevant to its analyses, that all of the representations and warranties contained in the merger agreement and all related agreements are true and correct, that each party to the agreements will perform all of the covenants required to be performed by such party under the agreements, that the conditions precedent in the merger agreement are not waived and that the merger will qualify as a tax-free reorganization for federal income tax purposes. Finally, with MetroCorp's consent, Sandler O'Neill has relied upon the advice MetroCorp has received from its legal, accounting and tax advisors as to all legal, accounting and tax matters relating to the merger and the other transactions contemplated by the Agreement.

Sandler O'Neill's opinion was necessarily based on financial, economic, market and other conditions as in effect on, and the information made available to us as of, the date of its opinion. Events occurring after the date of the opinion could materially affect the opinion. Sandler O'Neill has not undertaken to update, revise, reaffirm or withdraw its opinion or otherwise comment upon events occurring after the date of the opinion.

Sandler O'Neill's opinion is directed to the board of directors of MetroCorp in connection with its consideration of the merger and does not constitute a recommendation to any shareholder of either MetroCorp or East West as to how any such shareholder should vote at any meeting of shareholders called to consider and vote upon the merger. Sandler O'Neill's opinion is directed only to the fairness, from a financial point of view, of the per share merger consideration to holders of MetroCorp common stock and does not address the underlying business decision of MetroCorp to engage in the merger, the relative merits of the merger as compared to any other alternative business strategies that might exist for MetroCorp or the effect of any other transaction in which MetroCorp might engage. The opinion may not be used for any other purposes, without Sandler O'Neill's prior written consent. The opinion has been approved by Sandler O'Neill's fairness opinion committee. Sandler O'Neill does not express any opinion as to the fairness of the amount or nature of the compensation to be received in the merger by any officer, director, or employees, or class of such persons, relative to the compensation to be received in the merger by any other shareholder.

In rendering its September 18, 2013 opinion, Sandler O'Neill performed a variety of financial analyses. The following is a summary of the material analyses performed by Sandler O'Neill, but is not a complete description of all the analyses underlying Sandler O'Neill's opinion. The summary includes information presented in tabular format. **In order to fully understand the financial analyses, these tables must be read together with the accompanying text. The tables alone do not constitute a complete description of the financial analyses.** The preparation of a fairness opinion is a complex process involving subjective judgments as to the most appropriate and relevant methods of financial analysis and the application of those methods to the particular circumstances. In arriving at its opinion, Sandler O'Neill did not attribute any particular weight to any analysis or factor that it considered. Rather Sandler O'Neill made qualitative judgments as to the significance and relevance of each analysis and factor. Sandler O'Neill did not form an opinion as to whether any individual analysis or factor (positive or negative) considered in isolation supported or failed to support its opinion; rather Sandler O'Neill made its

Table of Contents

determination as to the fairness of the per share merger consideration on the basis of its experience and professional judgment after considering the results of all its analyses taken as a whole. The process, therefore, is not necessarily susceptible to a partial analysis or summary description. Sandler O Neill believes that its analyses must be considered as a whole and that selecting portions of the factors and analyses to be considered without considering all factors and analyses, or attempting to ascribe relative weights to some or all such factors and analyses, could create an incomplete view of the evaluation process underlying its opinion. Also, no company included in Sandler O Neill's comparative analyses described below is identical to MetroCorp and East West and no transaction is identical to the merger. Accordingly, an analysis of comparable companies or transactions involves complex considerations and judgments concerning differences in financial and operating characteristics of the companies and other factors that could affect the public trading values or merger transaction values, as the case may be, of MetroCorp and East West and the companies to which they are being compared.

In performing its analyses, Sandler O Neill also made numerous assumptions with respect to industry performance, business and economic conditions and various other matters, many of which cannot be predicted and are beyond the control of MetroCorp, East West and Sandler O Neill. The analysis performed by Sandler O Neill is not necessarily indicative of actual values or future results, both of which may be significantly more or less favorable than suggested by such analyses. Sandler O Neill prepared its analyses solely for purposes of rendering its opinion and provided such analyses to MetroCorp at the board's September 18, 2013 meeting. Estimates on the values of companies do not purport to be appraisals or necessarily reflect the prices at which companies or their securities may actually be sold. Such estimates are inherently subject to uncertainty and actual values may be materially different. The analysis and opinion of Sandler O Neill was among a number of factors taken into consideration by MetroCorp's board in making its determination to approve the merger agreement and the transactions contemplated by the merger agreement (including the merger) and the analyses described below should not be viewed as determinative of the decision of MetroCorp's board or management with respect to the fairness of the merger.

At the September 18, 2013 meeting of the MetroCorp board of directors, Sandler O Neill presented certain financial analyses of the merger. The summary below is not a complete description of the analyses underlying the opinions of Sandler O Neill or the presentation made by Sandler O Neill to the MetroCorp board of directors, but is instead a summary of the material analyses performed and presented in connection with the opinion.

Sandler O Neill reviewed the financial terms of the proposed transaction. Shareholders will receive an amount equal to the product of (i) the number of shares of MetroCorp common stock issued and outstanding immediately prior to the closing of the merger and (ii) the lesser of (a) \$14.60 per share and (b) 1.72 times the per share tangible equity. MetroCorp: Net Present Value Analysis

Sandler O Neill performed an analysis that estimated the present value per MetroCorp common share through December 31, 2017, assuming that MetroCorp performed in accordance with the financial projections for 2013-2017 based on publicly available median analyst earnings estimates for the years ending December 31, 2013 and December 31, 2014 and a publicly available long-term growth rate for the years thereafter, as discussed with senior management of MetroCorp. To approximate the terminal value of MetroCorp common shares at December 31, 2017, Sandler O Neill applied price to last twelve months earnings multiples of 12.0x to 22.0x and multiples of tangible book value ranging from 100% to 225%. The income streams and terminal values were then discounted to present values using different discount rates ranging from 9.5% to 15.5%, which were assumed deviations, as selected by Sandler O Neill based on the MetroCorp discount rate of 15.6% as determined by Sandler O Neill. The discount rate is determined by adding the 10 year Treasury Bond rate as of September 16, 2013 (2.87%), the published Ibbotson 60 year equity risk premium (5.70%), the published Ibbotson size premium for companies with a market value between \$1.0 million to \$514.2 million (3.81%), and the published Ibbotson Industry Premium (3.20%) for depository institutions.

Sandler O Neill also considered and discussed with the MetroCorp board of directors how this analysis would be affected by changes in the underlying assumptions, including variations with respect to net income. To illustrate this impact, Sandler O Neill performed a similar analysis assuming MetroCorp s net income varied from 25% above projections to 25% below projections, using a discount rate of 12.5% for the tabular analysis.

Pro Forma Merger Analysis

Sandler O'Neill analyzed certain potential pro forma effects of the merger, assuming the following: (1) the merger is completed in the first quarter of 2014; (2) the deal value per share is equal to a \$14.51 per MetroCorp share; (3) a consideration mix of 33.3% cash and 66.7% stock; (4) MetroCorp's performance was calculated in accordance with publicly available median analyst earnings estimates for the years ending December 31, 2013 and December 31, 2014 and a publicly available estimated long term growth rate for the years thereafter as discussed with senior management of MetroCorp; (5) East West's performance was calculated in accordance with publicly available median analyst earnings estimates for the years ending December 31, 2013 and December 31, 2014 and a publicly available estimated long term growth rate for the years thereafter as discussed with senior management of East West; (6) and certain other assumptions pertaining to costs and expenses associated with the transaction, estimated cost savings and other synergies, purchase accounting adjustments, intangible amortization, opportunity cost of cash and other items. The analyses indicated that, for the full years ending December 31, 2014, December 31, 2015 and December 31, 2016, the merger (excluding transaction expenses) would be accretive to East West's projected earnings per share, dilutive to East West's tangible book value per share at closing, December 31, 2014 and December 31, 2015 and accretive to East West's tangible book value per share at December 31, 2016. The actual results achieved by the combined company may vary from projected results and the variations may be material.

MetroCorp has also agreed to reimburse Sandler O'Neill for its reasonable out-of-pocket expenses, and to indemnify Sandler O'Neill against certain liabilities arising out of its engagement. Sandler O'Neill's fairness opinion was approved by Sandler O'Neill's fairness opinion committee. In the prior 2 years, Sandler O'Neill received fees totaling \$10,000 from MetroCorp for certain investment banking services. Financial Interests of Directors and Officers of MetroCorp in the Merger

Edgar Filing: EAST WEST BANCORP INC - Form S-4/A

In considering the recommendation of the board of directors of MetroCorp to vote for the proposal to approve the merger agreement, you should be aware that certain directors and officers of MetroCorp have interests in the merger that are in addition to, or different from, their interests as shareholders of MetroCorp. The board of MetroCorp was aware of these interests and considered them in approving the merger agreement. These interests include:

- *Termination of Existing Employment Agreement.* Immediately after the merger, East West intends to terminate the employment agreement between MetroCorp and George M. Lee entered into in 2012. Pursuant to the terms of the employment agreement, Mr. Lee will be entitled to receive from East West (A) his base salary for the remainder, if any, of the calendar month in which such termination is effective and an additional lump sum payment equal to three years' salary, (B) an amount equal to

Table of Contents

three times his incentive compensation for the previous fiscal year, and (C) life insurance premiums for two years following such termination and medical insurance premiums until the earlier of two years following such termination and the expiration of East West's obligation to offer such coverage under applicable law. In addition, all outstanding options to purchase MetroCorp common stock will become fully vested and all restrictions on outstanding restricted stock will be cancelled.

- *Consulting Agreement with East West Bank.* On September 18, 2013, East West Bank entered into a senior advisor consulting agreement with Mr. Lee for a term of 12 months, which entitles him to receive an annual fee of \$400,000 payable in bi-monthly installments plus reimbursement of certain business expenses. The agreement also contains non-competition and non-solicitation obligations beginning at the effective time of the merger. The agreement will not become effective until the effective time of the merger.
- *Payments Pursuant to Change in Control Agreements.* As required by the existing change in control agreements between MetroCorp and each of Herbert Baker, David Choi, Andy Hou, David Tai and Mohammad Tariq, upon a termination of employment for any reason at any time (other than a voluntary resignation without good reason or an involuntary termination for cause (as defined in those agreements), in either case prior to March 31, 2015) after a change in control (as defined in those agreements), each will be entitled to receive a lump sum cash payment from East West in an amount equal to one and one-half times his annual base salary as in effect at the time of termination of employment. If the payments were triggered as of October 25, 2013, the amounts of these cash payments would be \$360,000 for Mr. Baker, \$360,000 for Mr. Choi, \$285,000 for Mr. Hou, \$412,500 for Mr. Tai, and \$322,500 for Mr. Tariq. The change in control agreements each contain a provision that prohibits the individual entering into it from disclosing any confidential information (as defined in those agreements) of MetroCorp, MetroBank, or any of their past or present subsidiaries or affiliates.
- *Retention Bonuses.* MetroCorp will pay retention bonuses to certain employees who are essential to the transition and continuation of operations before and after the merger.
- *Insurance.* MetroCorp agreed to purchase for a period of not less than four years after completion of the merger (a) past acts insurance under its current directors and officers insurance policy coverage (or comparable coverage), (b) employment practices liability coverage providing prior acts insurance, and (c) past acts coverage under its current financial institutions bond (or comparable coverage) for each director and officer of MetroCorp, MetroBank and Metro United Bank currently covered under the comparable policies maintained by MetroCorp.
- *Indemnification.* East West agreed to indemnify the directors and officers of MetroCorp, MetroBank and Metro United Bank for four years after the merger against costs or expenses, judgments, fines, losses, claims, damages or liabilities incurred in connection with any claim, action, suit, proceeding or investigation, whether civil, criminal, administrative or investigative, arising out of matters existing or occurring at or before the effective time of the merger, whether asserted or claimed before, at or after the effective time of the merger, arising in whole or in part out of or pertaining to the fact that he or she was acting in his or her capacity as a director or officer of MetroCorp, MetroBank and Metro United Bank to the fullest extent that the indemnified party would be entitled under the articles of incorporation of MetroCorp or Metro United Bank or articles of association of MetroBank as in effect on the date of the merger agreement and to the extent permitted by applicable law.
- *Accelerated Vesting of Equity Awards.*

Edgar Filing: EAST WEST BANCORP INC - Form S-4/A

o Each outstanding option to purchase shares of MetroCorp common stock, including those held by directors and officers of MetroCorp, whether exercisable or unexercisable, will become fully vested upon the approval of the merger agreement by MetroCorp's shareholders, without any action on the part of the holder of the option. All options that are not exercised at least two business days before the effective time of the merger will terminate and, following the merger, East West will pay to the holders the amount needed to cash out the options pursuant to the terms of MetroCorp's equity incentive plans, as applicable, less any taxes required to be withheld.

o Each share of MetroCorp restricted stock, including those held by directors and officers of MetroCorp, will, without any action on the part of the holder, become fully vested and be converted into the right to receive the per share merger consideration on the same terms of conversion as MetroCorp common stock, subject to any required tax withholding.

Table of Contents**Merger-Related Compensation for MetroCorp's Named Executive Officers**

The following table sets forth the estimated potential benefits to MetroCorp's named executive officers as a result of the merger pursuant to the terms of the merger agreement. This table does not include the value of benefits in which the named executive officers are vested without regard to the terms of the merger agreement or as a result of the merger.

Name	Cash	Equity(1)	Perquisites/ Benefits	Total
George M. Lee	\$ 1,785,000(2)	\$ 720,350	\$ 43,520(3)	\$ 2,548,870
David C. Choi	410,000(4)	242,126		652,126
David Tai	512,500(5)	316,353		828,853

(1) The amount listed in this column for each named executive officer represents the following:

a. For Mr. Lee, the value of the accelerated vesting of 25,000 shares of MetroCorp restricted stock and the in-the-money value of 12,000 unvested MetroCorp common stock options with an exercise price of \$3.91, 12,000 unvested MetroCorp common stock options with an exercise price of \$6.34, 15,000 unvested MetroCorp common stock options with an exercise price of \$10.26 and 15,000 unvested MetroCorp common stock options with an exercise price of \$10.41.

b. For Mr. Choi, the value of the accelerated vesting of 16,584 shares of MetroCorp restricted stock. Mr. Choi has no in-the-money unvested MetroCorp common stock options.

c. For Mr. Tai, the value of the accelerated vesting of 21,668 shares of MetroCorp restricted stock. Mr. Tai has no in-the-money unvested MetroCorp common stock options.

For these calculations, we assumed that each share of MetroCorp common stock will be converted into the assumed per share merger consideration of \$14.60, with \$9.73 paid in shares of East West common stock and \$4.87 in cash, and a transaction date of November 6, 2013. Further, the benefit amounts represented here are considered single trigger benefits that vest solely as a result of the change in control.

(2) Represents an amount equal to three times such executive's annual base salary as of November 6, 2013 plus an amount equal to three times such executive's annual cash incentive compensation for the 2012 fiscal year. The benefit amount represented here is considered a single trigger benefit that vests solely as a result of the change in control. This payment is described in more detail under the section entitled Financial Interests of Directors and Officers of MetroCorp in the Merger Termination of Existing Employment Agreement beginning on page 52.

Edgar Filing: EAST WEST BANCORP INC - Form S-4/A

(3) Represents an amount equal to the value of the payment by East West after the merger of the life insurance premiums for two (2) years and medical insurance premiums for up to two (2) years following the merger. The benefit amount represented here is considered a "double trigger" benefit that vests as a result of the termination of Mr. Lee's employment agreement within twelve (12) months of a change in control. This payment is described in more detail under the section entitled "Financial Interests of Directors and Officers of MetroCorp in the Merger - Termination of Existing Employment Agreement" on page 52.

(4) Reflects an amount equal to one and one-half times Mr. Choi's annual base salary as of November 6, 2013 payable pursuant to his change in control agreement plus \$50,000 to be paid as a retention payment. The payment under the change in control agreement is considered a "double trigger" benefit because it is conditioned upon the named executive officer's termination of employment following the change in control. These payments are described in more detail under the section entitled "Financial Interests of Directors and Officers of MetroCorp in the Merger."

Table of Contents

(5) Reflects an amount equal to one and one-half times Mr. Tai's annual base salary as of November 6, 2013 payable pursuant to his change in control agreement plus \$100,000 to be paid as a retention payment. The payment under the change in control agreement is considered a "double trigger" benefit because it is conditioned upon the named executive officer's termination of employment following the change in control. These payments are described in more detail under the section entitled "Financial Interests of Directors and Officers of MetroCorp in the Merger."

Financial Interests of Directors and Officers of East West in the Merger

East West has not entered into any agreement or understanding, whether written or unwritten, with any director or executive officer pursuant to which any such person would be entitled to receive compensation, whether present, deferred or contingent, that is based on or otherwise relates to the merger.

East West's Chairman and Chief Executive Officer, Dominic Ng, owns 2,000 shares of MetroCorp common stock purchased in 2007 at \$13.56 with a total cost basis of \$27,112.

Regulatory Approvals Required for the Merger

Completion of the merger and the bank mergers is subject to the receipt of all approvals required to complete the transactions contemplated by the merger agreement from the Federal Reserve and the Department of Business Oversight and the expiration of any applicable statutory waiting periods. East West has agreed to take all actions that are necessary, proper and advisable in connection with obtaining all regulatory approvals, and MetroCorp has agreed to fully cooperate with East West in the filing of the applications and other documents necessary to complete the transactions contemplated by the merger. East West and its subsidiaries have filed, or are in the process of filing, applications and notifications to obtain these regulatory approvals.

Federal Reserve Applications

The Merger

East West is a bank holding company under Section 3 of the BHC Act. Section 3(a)(5) of the BHC Act generally requires the prior approval of the Federal Reserve for any bank holding company to merge with any other bank holding company. However, East West has filed a written notice pursuant to Federal Reserve Regulation Y Section 225.12(d)(2) after filing the applications for the bank mergers discussed below requesting confirmation that an application for the merger would not be required provided the bank mergers occur simultaneously with the merger, and MetroBank and Metro United Bank were not operated as separate bank subsidiaries of East West. If an application for the merger were required by the Federal Reserve, the Federal Reserve would take the same considerations into account as are discussed below for the application for the bank mergers.

The Bank Mergers

Because East West Bank is a state bank member of the Federal Reserve, prior approval to merge MetroBank and Metro United Bank with and into East West Bank is required from the Federal Reserve, pursuant to Section 18(c)(2)(B) of the Federal Deposit Insurance Act, which we refer to as the Bank Merger Act. In evaluating an application filed under the Bank Merger Act, the Federal Reserve is required to take into consideration (1) the competitive impact of the proposed transactions, (2) financial and managerial resources and future prospects of the banks party to the merger, (3) the convenience and needs of the communities served by the banks and their compliance with the Community Reinvestment Act, (4) the banks effectiveness in combating money-laundering activities, and (5) the extent to which the proposed transactions would result in greater or more concentrated risks to the stability of the U.S. banking or financial system. In connection with its review under the Bank Merger Act, the Federal Reserve provides an opportunity for public comment on the application for the bank mergers and is authorized to hold a public meeting or other proceeding if it determines that would be appropriate.

Table of Contents

Transactions approved by the Federal Reserve under the BHC Act and the Bank Merger Act generally may not be completed until 30 days after the approval of the Federal Reserve is received, during which time the Department of Justice may challenge the transaction on antitrust grounds. With the approval of the Federal Reserve and the concurrence of the Department of Justice, the waiting period may be reduced to no less than 15 days. The commencement of an antitrust action would stay the effectiveness of such an approval unless a court specifically ordered otherwise. In reviewing the merger, the Department of Justice could analyze the merger's effect on competition differently than the Federal Reserve, and thus it is possible that the Department of Justice could reach a different conclusion than the Federal Reserve does regarding the merger's effects on competition. A determination by the Department of Justice not to object to the merger may not prevent the filing of antitrust actions by private persons or state attorneys general.

California Department of Business Oversight Applications

The prior approval of the Department of Business Oversight will be required under Section 4880 et seq. of the California Financial Code to merge MetroBank and Metro United Bank with and into East West Bank. In reviewing the merger of MetroBank and Metro United Bank with and into East West Bank, the Department of Business Oversight will consider (1) competitive impact of the mergers, (2) the adequacy of the surviving depository corporation's shareholders' equity and financial condition, (3) whether the directors and executive officers of the surviving depository institution will be satisfactory, (4) whether the surviving depository corporation will afford reasonable promise of successful operation and whether it is reasonable to believe that the surviving depository corporation will be operated in a safe and sound manner and in compliance with all applicable laws, and (5) whether the mergers are fair, just and equitable to the disappearing depository corporations and the surviving depository corporation.

California Financial Code Section 1251 provides that no person shall acquire direct or indirect control of a California bank without the prior approval of the Commissioner of the Department of Business Oversight. East West submitted a request for exemption from the application and approval requirements of Section 1250 for the merger, whereby East West would acquire indirect control of Metro United Bank, based on a finding by the Commissioner that the requirements of Section 1251 were not necessary given the submission of the applications for the bank mergers and provided that Metro United Bank was immediately merged with and into East West Bank after the merger. If the Department of Business Oversight did not grant an exemption, then East West would also be required to obtain prior approval for East West to acquire Metro United Bank in the merger. In reviewing the application, the Department of Business Oversight would consider the same factors set forth above for the application to the Department of Business Oversight for the bank mergers.

Additional Regulatory Approvals, Notices and Filings

Additional notifications, filings and/or applications will be submitted to various other federal and state regulatory authorities and self-regulatory organizations in connection with the mergers, including the Office of the Comptroller of the Currency, the Texas Department of Banking, the China Banking Regulatory Commission, the Federal Deposit Insurance Corporation and the U.S. Department of the Treasury.

The closing of the merger and the bank mergers is conditioned upon the regulatory agencies and authorities not imposing any restrictions on the operations of East West or, following the merger, the surviving corporation that would reasonably be likely to have a material adverse effect on the surviving corporation or its subsidiaries or that would materially reduce the economic benefits of the merger to East West. Although we currently believe we should be able to obtain all required regulatory approvals in a timely manner, we cannot be certain when or if we will obtain them or, if obtained, whether they will contain terms, conditions or restrictions not currently contemplated that will be detrimental to East West after the completion of the merger.

There can likewise be no assurances that federal or state regulatory authorities will not attempt to challenge the merger on antitrust grounds or for other reasons, or, if such a challenge is made, as to the result of such challenge.

Accounting Treatment

In accordance with current accounting guidance, the merger will be accounted for using the acquisition method. The result of this is that (a) the recorded assets and liabilities of East West will be carried forward at their recorded amounts, (b) East West's historical operating results will be unchanged for the prior periods being reported on, and (c) the assets and liabilities of MetroCorp will be adjusted to fair value at the date of the merger. In addition, all identifiable intangibles will be recorded at fair value and included as part of the net assets acquired. The amount by which the purchase price (consisting of the value of cash and shares of East West common stock to be issued to former MetroCorp shareholders and shares of East West common stock to be issued to former holders of MetroCorp restricted shares) exceeds the fair value of the net assets, including identifiable intangibles of MetroCorp at the merger date, will be reported as goodwill. In accordance with current accounting guidance, goodwill is not amortized and will be evaluated for impairment annually. Identified intangibles will be amortized over their estimated lives. Further, the acquisition method of accounting results in the operating results of MetroCorp being included in the operating results of East West beginning from the date of completion of the merger.

Public Trading Markets

East West common stock is listed on the NASDAQ Global Select Market under the symbol EWBC. MetroCorp common stock is listed on the NASDAQ Global Select Market under the symbol MCBI. Upon completion of the merger, MetroCorp common stock will be delisted from the NASDAQ Global Select Market and thereafter will be deregistered under the Exchange Act. The East West common stock issuable in the merger will be listed on the NASDAQ Global Select Market.

Exchange of Shares in the Merger

At or prior to the effective time, East West will appoint an exchange agent to handle the exchange of shares of MetroCorp common stock for cash and shares of East West common stock. As soon as practicable after the effective time (with the intent to be within 10 business days), the exchange agent will send to each holder of record of MetroCorp common stock at the effective time a letter of transmittal and instructions for effecting the exchange of MetroCorp common stock for the per share merger consideration the holder is entitled to receive under the merger agreement. Upon surrender of stock certificates or book-entry shares for cancellation along with the executed letter of transmittal and other documents described in the instructions, a MetroCorp shareholder will receive a check in an amount (after giving effect to any required tax withholdings equal to one-third of the per share merger consideration multiplied by the number of shares of MetroCorp common stock held by such holder plus any cash in lieu of fractional shares and any whole shares of East West common stock such holder is entitled to receive based on the per share stock consideration. After the effective time, MetroCorp will not register any transfers of shares of MetroCorp common stock.

THE MERGER AGREEMENT

The following is a summary of the material terms and conditions of the merger agreement. This summary does not purport to be complete and may not contain all of the information about the merger agreement that is important to you. This summary is qualified in its entirety by reference to the merger agreement, a copy of which is attached as Appendix A to, and incorporated by reference into, this proxy statement/prospectus. The rights and obligations of the parties are governed by the express terms and conditions of the merger agreement and not by this summary or any other information contained in this proxy statement/prospectus. You are urged to read the merger agreement carefully and in its entirety before making any decisions regarding the merger.

Effects of the Merger

The merger agreement provides for the merger of MetroCorp with and into East West, with East West surviving the merger. The merger agreement provides that the certificate of incorporation and the bylaws of East West as in effect immediately prior to the merger will be the certificate of incorporation and bylaws of the surviving company.

As a result of the merger, there will no longer be any publicly held shares of MetroCorp common stock. MetroCorp shareholders will only participate in the surviving company's future earnings and potential growth through their ownership of East West common stock. All of the other incidents of direct ownership of MetroCorp common stock, such as the right to vote on certain corporate decisions, to elect directors and to receive dividends and distributions from MetroCorp, will be extinguished upon completion of the merger. All of the property, rights, privileges, immunities, powers and franchises of East West and MetroCorp will vest in the surviving company, and all debts, liabilities, obligations, restrictions, disabilities and duties of MetroCorp and East West will become the debts, liabilities, obligations, restrictions, disabilities and duties of the surviving company.

Effective Time of the Merger

The merger agreement provides that the merger will be consummated no later than 5 days after the satisfaction or waiver (subject to applicable law) of the closing conditions, including the receipt of all regulatory and shareholder approvals and after the expiration of all regulatory waiting periods, unless extended by mutual agreement of East West and MetroCorp. The merger will be consummated legally at the time the certificate of merger has been duly filed with the Secretary of State of the State of Delaware and the Secretary of State of the State of Texas or at such later time as may be specified in the certificate of merger. As of the date of this document, the parties expect that the merger will be effective in the first quarter of 2014. However, there can be no assurance as to when or if the merger will occur.

If the merger is not completed by the close of business on March 31, 2014, the merger agreement may be terminated by either MetroCorp or East West, unless the failure of the closing to occur by such date is due to the failure of the party seeking to terminate the merger agreement to perform or observe the covenants and agreements of such party set forth in the merger agreement.

For a description of the transaction structure, merger consideration and treatment of MetroCorp stock options and shares of restricted stock, please see the section entitled "THE MERGER Terms of the Merger" beginning on page 36.

Covenants and Agreements

Conduct of Businesses Prior to the Completion of the Merger. MetroCorp has agreed that, prior to the effective time of the merger, it will generally conduct its businesses, and cause its subsidiaries to conduct their respective businesses, in the ordinary course of business consistent with past practices and safe and sound banking principles. In addition, it will use its best efforts to preserve intact its business organizations, keep available the services of its present officers, directors, key employees and agents and preserve its relationships and goodwill with customers and its advantageous business relationships. Further, except in certain circumstances, it will take no action that would adversely affect or delay the ability of MetroCorp or East West to obtain any approvals from any regulatory agencies or other approvals required for consummation of the transactions contemplated by the merger agreement or to perform its obligations and agreements under the merger agreement.

Regulatory Matters. East West has agreed to promptly prepare this proxy statement/prospectus and file with the SEC a registration statement on Form S-4, of which this document is a part. East West has agreed to use its reasonable best efforts to have the Form S-4 declared effective under the Securities Act and to provide MetroCorp and its counsel with the opportunity to participate in the preparation of the registration statement and to approve the content of the registration statement with respect to MetroCorp and the special meeting of MetroCorp's shareholders.

In addition, East West has agreed to take all reasonable actions to aid and assist in the consummation of the merger, and to use its reasonable best efforts to take all other actions necessary, proper or advisable to consummate the transactions contemplated by the merger agreement, including such actions that are necessary, proper or advisable in connection with filing applications and registration statements or obtaining all required regulatory approvals. MetroCorp will take all reasonable actions to aid and assist in the consummation of the merger, and will use its best efforts to take or cause to be taken all other actions necessary, proper or advisable to consummate the transactions contemplated by the merger agreement.

Shareholder Approval. The MetroCorp board of directors has resolved to recommend to the MetroCorp shareholders that they adopt the merger agreement (subject to certain exceptions if, following the receipt of a Superior Proposal (as defined below), such recommendation would result in a violation of the board of directors' fiduciary duties under Texas law). MetroCorp has agreed, as soon as practicable, to take all steps under applicable laws and its articles of incorporation and bylaws necessary to duly call, give notice of, convene and hold a special meeting of MetroCorp's shareholders to consider the merger, the merger agreement and the transactions contemplated by the merger agreement at such time as may be mutually agreed by the parties for the purpose of considering and voting on the merger agreement and for such other purposes consistent with the complete performance of the merger agreement.

Bank Mergers. MetroCorp has agreed that, prior to the effective time, it will cause the MetroCorp Banks to cooperate with East West and East West Bank as necessary in conjunction with all approvals, filings, and other steps necessary to cause the completion of the bank mergers after the effective time. MetroCorp (or its appropriate subsidiary) has agreed, to the extent requested by East West at least 30 days before the effective time, to execute and deliver such instruments and take such other actions as East West may reasonably require in order to cause the amendment or termination of any MetroCorp employee plan on terms satisfactory to East West and in accordance with applicable law and effective no later than the closing date. If MetroCorp or its subsidiary has used its reasonable best efforts to complete the winding-up of any such plan prior to the closing date, then the winding-up of any such plan may be completed following the closing date.

For all purposes under the employee welfare benefit plans and other employee benefit plans and programs (excluding vesting requirements under stock incentive plans) sponsored by East West or East West Bank, each MetroCorp employee will be credited with his or her years of service with MetroCorp and its subsidiaries and their respective predecessors before the effective time, to the same extent as such MetroCorp employee was entitled, before the effective time, to credit for such service under any similar MetroCorp employee plan in which such MetroCorp employee participated or was eligible to participate immediately prior to the effective time, to the extent permitted by such East West plans and applicable law.

To the extent permitted by such East West plans and applicable law, East West agreed to waive any eligibility waiting period and preexisting condition exclusion applicable to such plans and programs with respect to each MetroCorp employee and his or her eligible dependents. MetroCorp employees will be credited with amounts available for reimbursement equal to such amounts as were credited under MetroCorp's plan to the extent permitted by such East West plan and applicable law. However, to the extent that waiving such conditions or crediting such amounts requires the consent of East West's or East West Bank's health insurance carrier, East West shall only be required to use commercially reasonable efforts to cause such carrier to waive such conditions and credit such amounts. For purposes of determining each MetroCorp employee's benefits for the calendar year in which the merger occurs under East West's vacation program, any vacation taken by a MetroCorp employee immediately preceding the closing date for the calendar year in which the merger occurs will be deducted from the total East West vacation benefit available to such MetroCorp employee for such calendar year.

MetroCorp agreed to take any and all actions reasonably requested by East West that may be necessary or advisable to terminate the MetroCorp 401(k) and Profit Sharing Plan, referred to as the MetroCorp 401(k) Plan, as effective at least one day prior to the closing date, in accordance with the terms of the MetroCorp 401(k) Plan and the requirements of the Internal Revenue Code, ERISA and other applicable laws, and on a basis satisfactory to East West in its reasonable judgment. MetroCorp has agreed that neither it nor its subsidiaries nor any of their respective directors, officers, agents or representatives shall directly or indirectly take any action to (i) solicit, initiate, encourage or facilitate the making of any inquiries, or provide any information to, conduct any assessment of or participate in discussions or negotiate with any other party, with respect to any proposal that could reasonably be expected to lead to an Acquisition Proposal; (ii) approve, endorse or recommend any Acquisition Proposal; (iii) enter into any Acquisition Agreement relating to any Acquisition Proposal; or (iv) propose or agree to do any of the foregoing.

The merger agreement defines an Acquisition Agreement, Acquisition Proposal, Acquisition Transaction, and Superior Proposal as follows:

Acquisition Agreement means any letter of intent, agreement in principle, memorandum of understanding, merger agreement, asset or share purchase or share exchange agreement, option agreement or any similar agreement related to any Acquisition Proposal.

Acquisition Proposal means any proposal (whether communicated to MetroCorp or publicly announced to MetroCorp's shareholders) by any person (other than East West or any of its Affiliates) for an Acquisition Transaction involving MetroCorp, any subsidiary or any future subsidiary, or any combination of such subsidiaries, the assets of which constitute, or would constitute, twenty percent (20%) or more of the consolidated assets of MetroCorp as reflected on MetroCorp's most recent consolidated statement of condition prepared in accordance with GAAP.

Acquisition Transaction means any transaction or series of related transactions (other than the transactions contemplated by the merger agreement) involving (i) any acquisition or purchase from MetroCorp by any person or Group (as such term is defined in Section 13(d) under the Exchange Act), other than East West or any of its Affiliates, of twenty percent (20%) or more in interest of the total outstanding voting securities of MetroCorp or any of its subsidiaries, or any tender offer or exchange offer that if consummated would result in any Person or Group (other than East West or any of its Affiliates) beneficially owning twenty percent (20%) or more in interest of the total outstanding voting securities of MetroCorp or any of its subsidiaries, or any merger, consolidation, business combination or similar transaction involving MetroCorp pursuant to which the shareholders of MetroCorp immediately preceding such transaction hold less than eighty percent (80%) of the equity interests in the surviving or resulting entity (which includes the parent corporation of any constituent corporation to any such transaction) of such transaction; (ii) any sale or lease (other than in the ordinary course of business), or exchange, transfer, license (other than in the ordinary course of business), acquisition or disposition of twenty percent (20%) or more of the assets of MetroCorp; or (iii) any liquidation or dissolution of MetroCorp.

Superior Proposal means any bona fide written Acquisition Proposal which the board of directors of MetroCorp reasonably determines, in its good faith judgment based on, among other things, the advice of outside counsel and the financial advisor, to be (i) more favorable from a financial point of view to MetroCorp's shareholders than the merger, taking into account all terms and conditions of the proposal and (ii) reasonably capable of being consummated on the terms proposed, taking into account all legal, financial, regulatory (including the advice of outside counsel regarding the potential for regulatory approval of any such proposal) and other aspects of such proposal and any other relevant factors permitted under applicable law, provided that, for purposes of the definition of Superior Proposal, the references to 20% and 80% in the definitions of Acquisition Proposal and Acquisition Transaction shall be deemed to be references to 50%.

However, if MetroCorp or any of its representatives receive an unsolicited bona fide Acquisition Proposal before the MetroCorp special meeting that the MetroCorp board of directors has (i) determined in its good faith judgment (after consultation with MetroCorp's financial advisor and outside legal counsel) that such Acquisition Proposal constitutes or would reasonably be expected to result in a Superior Proposal; (ii) determined in its good faith judgment (after consultation with outside legal counsel) that the failure to take such action would cause it to violate its fiduciary duties under applicable law; and (iii) obtained from such person or entity an executed confidentiality agreement, then MetroCorp or its representatives may furnish information to and enter into discussions and negotiations with such other party.

MetroCorp has agreed to orally notify East West immediately, and in writing within one business day, after receipt of any unsolicited inquiries or Acquisition Proposals and provide reasonable detail as to the identity of the person making such proposal and the material terms of such Acquisition Proposal, request or inquiry. MetroCorp agreed to immediately cease and cause to be terminated any existing activities, discussions or negotiations with any parties conducted before the date of the merger agreement that relate to any proposals for any of these transactions. MetroCorp agreed that it would, and would cause the MetroCorp Banks to, take the necessary steps to inform the appropriate individuals or entities of the non-solicitation obligations undertaken in the merger agreement.

Publicity. Each party agreed that it will not issue or cause the publication of any press release or public announcement with respect to the transactions contemplated by the merger agreement without the consent of the other party, except as required by applicable law or securities exchange rules or in connection with the regulatory approval process.

East West Attendance at MetroCorp Meetings. MetroCorp agreed to allow East West to designate a representative who will be invited to attend meetings of the board of directors, board committees, and management committees for loan approvals, asset and liability, and other decision-making committees of MetroCorp and the MetroCorp Banks held prior to completion of the merger, but such representatives will have no voting rights and may be excluded from certain sessions.

Termination of the Merger Agreement

Termination by East West or MetroCorp. The merger agreement may be terminated and the merger may be abandoned by action of the board of directors of East West and MetroCorp upon their mutual written consent at any time before the effective time or if:

- any court of competent jurisdiction in the United States or other United States (federal or state) governmental body shall have issued an order, decree or ruling or taken any other action restraining, enjoining or otherwise prohibiting the merger and such order, decree, ruling or other action shall be final and nonappealable;
- any of the transactions contemplated by the merger agreement are disapproved by any regulatory authority or other person whose approval is required to consummate any of such transactions;

Edgar Filing: EAST WEST BANCORP INC - Form S-4/A

- the effective time has not occurred on or before March 31, 2014, or such later date as has been approved in writing by the boards of directors of East West and MetroCorp; but the right to terminate is not available to any party whose failure to fulfill any material obligation under the merger agreement has been the cause of, or has resulted in, the failure of the merger to become effective on or before such applicable date; or

- the approval of the shareholders of MetroCorp contemplated by the merger agreement shall not have been obtained by reason of the failure to obtain the required vote at the MetroCorp special meeting (including any adjournments or postponements thereof) at which they consider the merger agreement.

Termination by MetroCorp. The merger agreement may be terminated at any time before the effective time by action of the MetroCorp board of directors if East West fails to comply in all material respects with any of its covenants or agreements contained in the merger agreement, or if any of the representations or warranties of East West contained in the merger agreement shall be inaccurate as to create a material adverse effect as defined in the merger agreement. MetroCorp must first notify East West in writing of its intent to terminate stating the reason and East West has 15 days to cure the alleged breach or inaccuracy.

MetroCorp may terminate the merger agreement if it receives an unsolicited, bona fide Acquisition Proposal and the MetroCorp board of directors determines in its good faith judgment and in the exercise of its fiduciary duties, based on the advice of outside legal counsel and the financial advisor, that (i) such Acquisition Proposal (if consummated pursuant to its terms and after giving effect to the payment of the termination fee and East West expenses is a Superior Proposal and (ii) the failure to terminate the merger agreement and accept such Superior Proposal would be inconsistent with the proper exercise of such fiduciary duties. East West has the right to adjust the terms and conditions of the merger agreement so that the Superior Proposal no longer constitutes a Superior Proposal.

Termination by East West. The merger agreement may be terminated by East West if:

- MetroCorp fails to comply in all material respects with any of its covenants or agreements contained in the merger agreement, or if any of the representations or warranties of MetroCorp contained in the merger agreement are inaccurate as to create a material adverse effect (East West must first notify MetroCorp in writing of its intent to terminate stating the reason and MetroCorp has 15 days to cure the alleged breach or inaccuracy);
- any approval required to be obtained from any regulatory authority or agency is obtained subject to restrictions or conditions on the operations of the surviving corporation or its subsidiaries, which would (i) reasonably be likely to have a material adverse effect with respect to the surviving corporation and its subsidiaries or (ii) materially reduce the economic benefits of the merger to East West;
- MetroCorp has breached the covenant regarding non-solicitation in a manner adverse to East West;
- MetroCorp resolves to accept an Acquisition Proposal; or
- MetroCorp withdraws or modifies, in any manner that is adverse to East West, its recommendation or approval of the merger agreement or the merger or recommends to MetroCorp shareholders acceptance or approval of any alternative Acquisition Proposal, or resolves to take such actions.

Termination Fee

Edgar Filing: EAST WEST BANCORP INC - Form S-4/A

So long as East West is not in material breach of any covenant or obligation under the merger agreement, if the merger agreement is terminated by:

- East West because MetroCorp's board of directors agrees to accept a Superior Proposal;
- East West because MetroCorp's board of directors withdraws or modifies, in any manner adverse to East West, its recommendation or approval of the merger agreement or the merger or recommends to MetroCorp's shareholders acceptance or approval of any Acquisition Proposal;
- East West because MetroCorp breaches the non-solicitation obligations set forth in the merger agreement in a manner adverse to East West; or

Table of Contents

- MetroCorp because MetroCorp's board of directors receives an unsolicited, bona fide Acquisition Proposal and, under certain terms and conditions, determines that it is a Superior Proposal to that of the merger agreement taking into account any adjustments made by East West to the merger consideration,

then MetroCorp will be required to pay East West a termination fee equal to 3% of the merger consideration and up to \$250,000 for expenses related to the proposed transaction.

If either East West or MetroCorp terminates the merger agreement after March 31, 2014, and, at the time of termination, the registration statement of which this proxy statement/prospectus is a part has been declared effective for at least 25 business days prior to such termination and MetroCorp has failed to call, give notice of, convene and hold the MetroCorp special meeting by such date, or, without regard to timing, if MetroCorp's shareholders do not approve the merger agreement and an Acquisition Proposal exists at the time of termination, MetroCorp will be required to pay East West up to \$250,000 for its expenses related to the proposed transaction.

If East West or MetroCorp terminates the merger agreement because MetroCorp's shareholders fail to approve the merger agreement and, within 12 months of termination of the merger agreement, MetroCorp enters into an Acquisition Agreement with a third party, MetroCorp will be required to pay East West a termination fee of 3% of the merger consideration, in addition to up to \$250,000 for its expenses related to the proposed transaction previously paid.

The termination fee and reimbursement of expenses is to compensate East West for entering into the merger agreement, taking actions to consummate the transactions contemplated by the merger agreement and incurring the costs and expenses related to the merger and other losses and expenses, including forgoing the pursuit of other opportunities by East West. The payment of the termination fee and/or East West expenses are East West's sole and exclusive remedy with respect to termination of the merger agreement.

exceptions agreed to by East West and MetroCorp in connection with negotiating the terms of the merger agreement. In particular, in your review of the representations and warranties contained in the merger agreement and described in this summary, it is important to bear in mind that the representations and warranties were made solely for the benefit of the parties to the merger agreement and were negotiated for the purpose of allocating contractual risk among the parties to the merger agreement rather than to establish matters as facts. Shareholders of MetroCorp and East West are not third-party beneficiaries under the merger agreement. The representations and warranties may also be subject to a contractual standard of materiality or material adverse effect different from those generally applicable to shareholders and reports and documents filed with the SEC, and, in some cases, they may be qualified by disclosures made by one party to the other, which are not necessarily reflected in the merger agreement or other public disclosures made by East West or MetroCorp. The representations and warranties contained in the merger agreement do not survive the effective time. Moreover, information concerning the subject matter of the representations, warranties and covenants, which do not purport to be accurate as of the date of this proxy/prospectus, may have changed since the date of the merger agreement, and subsequent developments or new information may not be fully reflected in public disclosures of East West or MetroCorp.

For the foregoing reasons, the representations, warranties and covenants or any descriptions of those provisions should not be read alone or relied upon as characterizations of the actual state of facts or condition of East West or MetroCorp or any of their respective subsidiaries or affiliates. Instead, such provisions or descriptions should be read only in conjunction with the other information provided elsewhere in this document or incorporated by reference into this proxy statement/prospectus. Please see the section entitled **WHERE YOU CAN FIND MORE INFORMATION** beginning on page iii.

LITIGATION RELATED TO THE MERGER

On October 31, 2013, a purported shareholder of MetroCorp filed a lawsuit in connection with the merger. The suit, captioned *Hsin-Hui Kuo v. MetroCorp Bancshares, Inc., et al.*, Case No. 4:13-cv-03198, was filed in the United States District Court for the Southern District of Texas, Houston Division, against MetroCorp, its directors, and East West. It is brought as a putative class action and alleges that MetroCorp's directors breached certain fiduciary duties to MetroCorp's shareholders by approving the merger agreement pursuant to an allegedly deficient sales process and at an allegedly unfair price. It alleges that MetroCorp and East West aided and abetted those breaches. The suit also asserts individual claims against all defendants for violations of federal securities laws and state disclosure duties relating to alleged material nondisclosures in the registration statement. The suit seeks, among other things, to enjoin consummation of the merger. At this stage, it is not possible to predict the outcome of the proceedings or the potential impact on MetroCorp or East West.

In addition, the discussion does not address any alternative minimum tax or any state, local or foreign tax consequences of the merger, nor does it address any tax consequences arising under the unearned income Medicare contribution tax pursuant to the Health Care and Education Reconciliation Act of 2010.

The following discussion is based on the Internal Revenue Code, its legislative history, existing and proposed regulations thereunder and published rulings and decisions, all as currently in effect as of the date hereof, and all of which are subject to change, possibly with retroactive effect. Any such change could affect the continuing validity of this discussion.

East West and MetroCorp have structured the merger to qualify as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code. The obligation of East West to complete the merger is conditioned upon the receipt of an opinion from Manatt, Phelps & Phillips, LLP, counsel to East West, to the effect that the merger will qualify as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code. The obligation of MetroCorp to complete the merger is conditioned upon the receipt of an opinion from Bracewell & Giuliani, LLP, counsel to MetroCorp, to the effect that the merger will qualify as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code. In addition, in connection with the filing of the registration statement of which this document is a part, each of Manatt, Phelps & Phillips, LLP, and Bracewell & Giuliani LLP has delivered an opinion to East West and MetroCorp, respectively, to the same effect as the opinions described above. These opinions will be based on assumptions, representations, warranties and covenants, including those contained in the merger agreement and in tax representation letters provided by East West and MetroCorp. The accuracy of such assumptions, representations and warranties, and compliance with such covenants, could affect the conclusions set forth in such opinions. None of these opinions is binding on the Internal Revenue Service or the courts. East West and MetroCorp have not requested and do not intend to request any ruling from the Internal Revenue Service as to the United States federal income tax consequences of the merger. Accordingly, each MetroCorp shareholder should consult its own tax advisor with respect to the particular tax consequences of the merger to such holder.

The following discussion assumes that the merger will be treated as a reorganization within the meaning of Section 368(a)(1)(A) of the Internal Revenue Code. Based upon these assumptions, the material federal income tax consequences of the merger include the following:

Parties to the Merger

- (a) MetroCorp will not recognize any gain or loss on the transfer of its assets to East West in exchange for the merger consideration and the assumption by East West of MetroCorp's liabilities.

Edgar Filing: EAST WEST BANCORP INC - Form S-4/A

(b) East West will not recognize any gain or loss upon the receipt by East West of the assets of MetroCorp in exchange for the merger consideration and the assumption by East West of MetroCorp's liabilities.

(c) The holding period of the assets of MetroCorp in the hands of East West will include the period during which such assets were held by MetroCorp.

(d) The tax basis of the assets of MetroCorp in the hands of East West will be the same as the tax basis of such assets in the hands of MetroCorp immediately prior to the merger.

U.S. Holders

The following discussion addresses the material federal income tax considerations of the merger that are generally applicable to a U.S. holder. MetroCorp shareholders are urged to consult their own tax advisors regarding the tax consequences to them of the merger based on their own circumstances, including the applicable federal, state, local and foreign tax consequences to them of the merger.

Table of Contents

(a) *U.S. Holders That Receive a Combination of East West Common Stock and Cash.* The tax consequences of the merger to a U.S. holder will depend upon the form of consideration the U.S. holder receives. Based on the assumption that the merger will constitute a reorganization, and subject to the limitations and qualifications referred to in this discussion, the following U.S. federal income tax consequences will result from the merger:

- If the U.S. holder exchanges shares of MetroCorp common stock for East West common stock and cash (other than cash in lieu of a fractional share), the U.S. holder will generally recognize gain in an amount equal to the lesser of:

(1) the difference between (i) the fair market value of all East West common stock and cash received in the exchange (other than cash received in lieu of a fractional share) and (ii) the U.S. holder's basis in the MetroCorp common stock; or

(2) the amount of cash received in the exchange.

- The U.S. holder will not be permitted to recognize a loss in the exchange.

- Any recognized gain generally will be long-term capital gain if, as of the effective date of the merger, the U.S. holder's holding period with respect to the MetroCorp common stock surrendered exceeds one year. In some cases, if the U.S. holder actually or constructively owns East West common stock other than East West common stock received in the merger, the recognized gain could be treated as having the effect of the distribution of a dividend under the tests described in Section 302 of the Internal Revenue Code, in which case such gain would be treated as dividend income. In such cases, U.S. holders that are corporations should consult their tax advisors regarding the potential applicability of the extraordinary dividend provisions of the Internal Revenue Code.

- The aggregate initial tax basis of the East West common stock received by a U.S. holder in the merger will be equal to the aggregate tax basis of the MetroCorp common stock exchanged for the East West common stock, decreased by the amount of cash (other than cash in lieu of a fractional share) received in the exchange (if any), and increased by the amount of gain recognized in the exchange.

- If a U.S. holder receives cash in lieu of a fractional share of East West common stock, the shareholder will generally recognize gain or loss in an amount equal to the difference between (i) the amount of cash received in lieu of a fractional share and (ii) the U.S. holder's basis allocated to the fractional share.

- The holding period of the East West common stock a U.S. holder receives in the merger will include the period for which the U.S. holder held the MetroCorp common stock, provided that the U.S. holder held the MetroCorp common stock as a capital asset at the time of the merger.

Edgar Filing: EAST WEST BANCORP INC - Form S-4/A

(b) *Backup Withholding.* Payments in respect of MetroCorp common stock or a fractional share of East West common stock may be subject to information reporting to the Internal Revenue Service and to backup withholding tax (currently at a 28% rate). Backup withholding will not apply to a payment made to a U.S. holder if the U.S. holder completes and signs the substitute Form W-9 that will be provided in connection with the merger, or otherwise proves to East West and its exchange agent that the U.S. holder is exempt from backup withholding. Backup withholding will not apply to a U.S. holder that is a corporation for United States federal income tax purposes. Any amounts withheld under the backup withholding rules are not an additional tax and will generally be allowed as a refund or credit against the U.S. holder's United States federal income tax liability, if the U.S. holder timely furnishes the required information to the Internal Revenue Service.

Table of Contents

(c) *Reporting and Recordkeeping.* If a U.S. holder that receives East West common stock in the merger is considered a significant holder of MetroCorp, such U.S. holder is required to retain records of the merger transaction, and to attach to the U.S. holder's federal income tax return for the year of the merger a statement setting forth all relevant facts with respect to the nonrecognition of gain or loss upon the exchange, including such U.S. holder's tax basis in, and the fair market value of, the MetroCorp common stock surrendered by such U.S. holder. A significant holder is any MetroCorp shareholder that, immediately before the merger, (y) owned at least 1% (by vote or value) of the outstanding stock of MetroCorp or (z) owned MetroCorp securities with a tax basis of \$1.0 million or more.

(d) *U.S. Holders That Receive Solely Cash Due to Exercise of Dissenters' Rights.* Upon the proper exercise of dissenters' rights, the exchange of MetroCorp common stock solely for cash generally will result in recognition of gain or loss by the U.S. holder in an amount equal to the difference between the amount of cash received and the U.S. holder's tax basis in the MetroCorp common stock surrendered. The gain or loss recognized will be long-term capital gain or loss if, as of the effective date of the merger, the U.S. holder's holding period for the MetroCorp common stock surrendered exceeds one year. The deductibility of capital losses is subject to limitations. In some cases, if a U.S. holder actually or constructively owns East West common stock after the merger, the cash received could be treated as having the effect of the distribution of a dividend under the tests set forth in Section 302 of the Internal Revenue Code, in which case such U.S. holder may have dividend income up to the amount of the cash received. In such cases, U.S. holders that are corporations should consult their tax advisors regarding the potential applicability of the extraordinary dividend provisions of the Internal Revenue Code.

(e) *If the Merger Fails to Qualify as a Reorganization.* If the merger does not qualify as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code, then each U.S. holder would be required to recognize gain or loss equal to the difference between (i) the fair market value of all East West common stock and cash received in the exchange and (ii) the U.S. holder's tax basis in the MetroCorp common stock surrendered therefor. The U.S. holder's total initial tax basis in the East West common stock received would be equal to its fair market value, and a U.S. holder's holding period for the East West common stock would begin the day after the merger. The gain or loss would be a long-term capital gain or loss if a U.S. holder's holding period for the MetroCorp common stock was more than one year and the MetroCorp common stock was a capital asset in the U.S. holder's hands. The merger of MetroCorp into East West also would be a taxable transaction with respect to MetroCorp at the corporate level.

THE PRECEDING DISCUSSION DOES NOT PURPORT TO BE A COMPLETE ANALYSIS OF ALL POTENTIAL TAX CONSEQUENCES OF THE MERGER THAT MAY BE RELEVANT TO A PARTICULAR METROCORP SHAREHOLDER. METROCORP SHAREHOLDERS ARE URGED TO CONSULT WITH THEIR OWN TAX ADVISORS REGARDING THE SPECIFIC TAX CONSEQUENCES TO THEM OF THE MERGER, INCLUDING THE APPLICABILITY AND EFFECT OF FOREIGN, STATE, LOCAL, AND OTHER TAX LAWS.

DISSENTERS RIGHTS OF METROCORP SHAREHOLDERS

General. If you hold one or more shares of MetroCorp common stock, you are entitled to dissenters' rights under Texas law and have the right to dissent from the merger and have the appraised fair value of your shares of MetroCorp common stock paid to you in cash. The appraised fair value may be more or less than the value of the shares of East West common stock and cash, if any, being paid in the merger. If you are contemplating exercising your right to dissent, we urge you to read carefully the provisions of Chapter 10, Subchapter H of the Texas Business Organizations Code, which are attached to this proxy statement/prospectus as Appendix C, and consult with your legal counsel before electing or attempting to exercise these rights. The following discussion describes the steps you must take if you want to exercise your right to dissent. You should read this summary and the full text of the law carefully.

How to Exercise and Perfect Your Right to Dissent. To be eligible to exercise your right to dissent to the merger:

- you must, prior to the MetroCorp special meeting, provide MetroCorp with a written objection to the merger that states that you will exercise your right to dissent if the merger is completed and that provides an address to which East West may send a notice if the merger is completed;
- you must vote your shares of MetroCorp common stock against the merger agreement;
- you must, not later than the 20th day after East West sends you notice that the merger was completed, provide East West with a written demand for payment that states the number and class of shares of MetroCorp capital stock you own, your estimate of the fair value of such stock and an address to which a notice relating to the dissent and appraisal procedures may be sent; and
- you must, not later than the 20th day after the date on which you make written demand for payment, submit to East West your certificates representing MetroCorp common stock to which the demand relates for purposes of making a notation on the certificates that a demand for the payment of the fair value of your certificates representing MetroCorp common stock has been made.

If you intend to dissent from the merger, you should send your written objection to:

MetroCorp Bancshares, Inc.

9600 Bellaire Boulevard, Suite 252

Houston, Texas 77036

Attention: Corporate Secretary

Edgar Filing: EAST WEST BANCORP INC - Form S-4/A

If you fail to vote your shares of MetroCorp common stock at the special meeting against the approval of the merger agreement, you will lose your right to dissent from the merger. You will instead receive shares of East West common stock and cash as described in the merger agreement. If you comply with the first two items above and the merger is completed, East West will send you a written notice advising you that the merger has been completed. East West must deliver this notice to you within ten days after the merger is completed.

Your Demand for Payment. If you wish to receive the fair value of your shares of MetroCorp common stock in cash, you must, within 20 days of the date the notice was delivered or mailed to you by East West, send a written demand to East West for payment of the fair value of your shares of MetroCorp common stock. The fair value of your shares of MetroCorp common stock will be the value of the shares on the day immediately preceding the merger, excluding any appreciation or depreciation in anticipation of the merger. Your written demand and any notice addressed to East West must be sent to:

East West Bancshares, Inc.

135 North Los Robles Avenue, 7th Floor

Pasadena, California 91101

Your written demand must state how many shares of MetroCorp common stock you own and your estimate of the fair value of your shares of MetroCorp common stock. If you fail to send this written demand to East West within 20 days of East West's delivery or mailing of notice that the merger is completed, you will be bound by the merger and you will not be entitled to receive a cash payment representing the fair value of your shares of MetroCorp common stock. Instead, you will receive shares of East West common stock and cash as described in the merger agreement.

Table of Contents

In addition, not later than the 20th day after the date on which you make written demand for payment, you must submit to East West your certificates representing MetroCorp common stock to which the demand relates for purposes of making a notation on the certificates that a demand for the payment of the fair value of your certificates representing MetroCorp common stock has been made. If you fail to submit your certificates within the required period, it will have the effect of terminating, at the option of East West, your right to dissent and appraisal unless a court, for good cause shown, directs otherwise.

East West's Actions Upon Receipt of Your Demand for Payment. Within 20 days after East West receives your demand for payment and your estimate of the fair value of your shares of MetroCorp common stock, East West must send you written notice stating whether it accepts your estimate of the fair value of your shares claimed in the demand or rejects the demand.

If East West accepts your estimate, East West will notify you that it will pay the amount of your estimated fair value within 90 days of the merger being completed. East West will make this payment to you only if you have surrendered the share certificates representing your shares of MetroCorp common stock, duly endorsed for transfer, to East West.

If East West does not accept your estimate, East West will notify you of this fact and will make an offer of an alternative estimate of the fair value of your shares that it is willing to pay you within 120 days of the merger being completed, which you may accept within 90 days or decline.

Payment of the Fair Value of Your Shares of MetroCorp Common Stock Upon Agreement of an Estimate. If you and East West have reached an agreement on the fair value of your shares of MetroCorp common stock within 90 days after the merger is completed, East West must pay you the agreed amount within 120 days after the merger is completed, if you have surrendered the share certificates representing your shares of MetroCorp common stock, duly endorsed for transfer, to East West.

Commencement of Legal Proceedings if a Demand for Payment Remains Unsettled. If you and East West have not reached an agreement as to the fair market value of your shares of MetroCorp common stock within 90 days after the merger is completed, you or East West may, within 60 days after the expiration of the 90-day period, commence proceedings in Harris County, Texas, asking the court to determine the fair value of your shares of MetroCorp common stock. The court will determine if you have complied with the dissent provisions and if you have become entitled to a valuation of and payment for your shares of MetroCorp common stock. The court will appoint one or more qualified persons to act as appraisers to determine the fair value of your shares. The appraisers will determine the fair value of your shares and will report this value to the court. The court will consider the report, and both you and East West may address the court about the report. The court will determine the fair value of your shares and direct East West to pay that amount, plus interest, which will begin to accrue 91 days after the merger is completed.

Rights as a Shareholder. If you have made a written demand on East West for payment of the fair value of your shares of MetroCorp common stock, you will not thereafter be entitled to vote or exercise any other rights as a shareholder except the right to receive payment for your shares as described herein and the right to maintain an appropriate action to obtain relief on the ground that the merger would be or was fraudulent. In the absence of fraud in the transaction, your right under the dissent provisions described herein is the exclusive remedy for the recovery of the value of your shares or money damages with respect to the merger.

Withdrawal of Demand. If you have made a written demand on East West for payment of the fair value of your MetroCorp common stock, you may withdraw such demand at any time before payment for your shares has been made or before a petition has been filed with a court for determination of the fair value of your shares. If you withdraw your demand or are otherwise unsuccessful in asserting your dissenters' rights, you will be bound by the merger and your status as a shareholder will be restored without prejudice to any corporate proceedings, dividends or distributions which may have occurred during the interim.

COMPARISON OF SHAREHOLDERS RIGHTS

General

MetroCorp is incorporated under the laws of the State of Texas and the rights of MetroCorp shareholders are governed by the laws of the State of Texas, MetroCorp's articles of incorporation and MetroCorp's bylaws. As a result of the merger, MetroCorp shareholders will receive shares of East West common stock and will become East West shareholders. East West is incorporated under the laws of the State of Delaware and the rights of East West shareholders are governed by the laws of the State of Delaware, East West's certificate of incorporation and East West's bylaws. Thus, following the merger, the rights of MetroCorp shareholders who become East West shareholders in the merger will no longer be governed by the laws of the State of Texas, MetroCorp's articles of incorporation or MetroCorp's bylaws and instead will be governed by the laws of the State of Delaware, the East West certificate of incorporation and the East West bylaws.

Election of Directors

MetroCorp's amended and restated bylaws provide that each shareholder is entitled to one vote for each share of stock held by such shareholder for each director nominee. All elections of MetroCorp directors are by written ballot (which requires the name of the shareholder or proxy voting) and are conducted by inspectors. Cumulative voting is prohibited.

Under East West's amended and restated bylaws, each shareholder is entitled to one vote for each share of stock held by such shareholder. Voting at meetings of shareholders is not required to be by written ballot, nor to be conducted by inspectors, unless the holders of all outstanding shares of stock entitled to vote, present at or by proxy at the meeting, so determine. East West directors are elected by the vote of the holders of a majority of the outstanding shares of all classes of stock entitled to vote at such meeting in person or by proxy. East West's amended and restated bylaws provide for majority voting in uncontested elections and plurality voting in any election that is contested. Any director who fails to receive a sufficient number of votes for reelection at the annual meeting of shareholders must offer to resign.

Vacancies

MetroCorp's amended and restated bylaws provide that vacancies on the board of directors for any reason may be filled by the affirmative vote of a majority of the directors then in office, even if less than a quorum, or by a sole remaining director, and any director so chosen shall hold office until the next annual meeting held for the election of directors of the class of directors to which such director has been appointed and until such director's successor shall have been elected and qualified, or until such director's earlier death, resignation or removal.

East West's amended and restated bylaws provide that a vacancy on the board of directors, including a vacancy created by an increase in the number of directors, may be filled by an affirmative vote of two-thirds of the directors then in office, even though less than a quorum. Any director so elected may hold office for the remainder of the full term of the director in which the new directorship was created or the vacancy occurred and until such director's successor shall have been duly elected and qualified. The Nominating and Corporate Governance Committee and the board of directors have 90 days to act on the tendered offer to resign.

Classification of Board of Directors

MetroCorp's amended and restated bylaws provide for a classified board of directors; each director serves until his or her respective successor is elected. MetroCorp's board is divided into three classes, as nearly equal in number as possible, with each class serving a staggered three-year term. This means that only one-third of the board is elected at each annual meeting of shareholders.

East West's amended and restated bylaws do not provide for a classified board of directors.

Removal of Directors

Under MetroCorp's amended and restated bylaws, any director, or the entire board of directors, may be removed, but only for cause, by the affirmative vote of the holders of a majority of shares then entitled to vote

East West's amended certificate of incorporation provides that directors may be removed for cause by the affirmative vote of at least a majority of the outstanding shares of East West's capital stock entitled

Nomination of Director Candidates by Shareholders

MetroCorp's amended and restated bylaws permit shareholders who are entitled to vote in the meeting of shareholders to nominate a director for election if notice is delivered to MetroCorp's corporate secretary not less than 60 days prior to such shareholders meeting.

East West's amended and restated bylaws permit shareholders who are entitled to vote in the meeting of shareholders to nominate a director for election if notice is delivered to East West's corporate secretary not less than 30 nor more than 60 days prior to the shareholders' meeting, provided that in the event that less than 40 calendar days' notice or prior public disclosure of the date of the meeting is given or made to the shareholders, notice by the shareholder must be received by East West not later than the close of business on the 10th calendar day following the day on which the notice of the date of the meeting was made or public disclosure was made.

Shareholder Action Without a Meeting

MetroCorp's amended and restated bylaws provide that any act or contract may be submitted by the board of directors for approval or ratification at any annual meeting of the shareholders, or at any special meeting of the shareholders called for the purpose of considering any such act or contract, and any such act may be approved or ratified by the written consent of the shareholders holding a majority of the issued and outstanding shares of capital stock.

East West's amended and restated bylaws provide that (unless otherwise provided by the terms of any class or series of stock having preference over East West's common stock) any action which is permitted or required to be taken by the shareholders may be effected by the written consent of the holders of outstanding shares of voting stock having not less than 66-2/3% of the voting power of all outstanding shares of voting stock regardless of class and voting together as a single voting class, unless such action requiring or permitting shareholder approval is approved by a majority of the disinterested directors, in which case such action may be authorized or taken by the written consent of the holders of outstanding shares of stock having not less than the minimum number of votes that would be necessary to take such action at a meeting.

Special Meetings of Shareholders

MetroCorp's amended and restated articles of incorporation and amended and restated bylaws provide that special meetings of the shareholders may be called by the chairman of the board, by the president, by a majority of the board of directors, by a majority of the executive committee (if any), or by the holders of not less than 50% of the outstanding shares

The East West amended and restated bylaws provide that a special meeting may be called by the chairman of the board or the president, or by the written request of the holders of not less than 10% of the voting power of all outstanding shares entitled to vote.

Indemnification of Directors and Officers

MetroCorp's amended and restated articles of incorporation and amended and restated bylaws provide for indemnification, under certain circumstances, advance reasonable expenses incurred to, any person who was, is, or is threatened to be named as, a defendant or respondent in a proceeding because that person is or was one of MetroCorp's directors or officers or because that person served at the request of MetroCorp as a director, officer, partner or trustee of another foreign or domestic corporation, partnership, joint venture, trust or employee benefit plan.

In addition, MetroCorp's amended and restated articles of incorporation authorize MetroCorp to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of MetroCorp or who is or was serving at the request of MetroCorp as a director, officer, partner, venturer, proprietor, trustee, employee, agent or similar functionary of another business, foreign, domestic or non-profit corporation, partnership, joint venture, sole proprietorship, trust or other enterprise or employee benefit plan, against any liability asserted against that person and incurred by such person in such a capacity or arising out of such person's status as such a person, whether or not MetroCorp would have the power to indemnify that person against that liability otherwise under the articles of incorporation or under Texas law.

MetroCorp's amended and restated articles of incorporation include provisions that eliminate the personal liability of MetroCorp's directors to MetroCorp and its shareholders for monetary damages for an act or omission in the director's capacity as a director.

Amendments to Certificate of Incorporation and Bylaws

Under Texas law, a corporation's articles of incorporation may be amended by the affirmative vote of the holders of two-thirds of the outstanding shares entitled to vote on the amendment, and, if entitled to vote by class or series of shares, by the holders of two-thirds of the outstanding shares of each class or series entitled to vote on the amendment, unless a different number, not less than a majority of shares

East West's amended certificate of incorporation provides that it shall indemnify to the maximum extent permitted by law its directors and executive officers. East West may pay in advance any expenses (including attorney's fees) which may become subject to indemnification if the person receiving the payment undertakes in writing to repay the same if it is ultimately determined that the person is not entitled to indemnification. The indemnification and advance payment shall continue as to a person who has ceased to be a director or executive officer and shall inure to the person's heirs, executors and administrators. East West may purchase and maintain insurance on behalf of any person who is or was a director or executive officer, against any liability asserted against the person and incurred by the person in any such position, or arising out of the person's status as such.

East West's amended and restated bylaws provide that each person who was or is made a party or is threatened to be made a party to or is involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative, because he or she is or was a director or executive officer of East West shall be indemnified and held harmless by East West to the fullest extent authorized by the DGCL, against all expense, liability and loss (including attorney's fees) reasonably incurred or suffered by such person in connection therewith and such indemnification shall continue as to executors and administrators. If a claim is not paid in full by East West, within 30 days after a written claim has been received, the claimant may at any time thereafter bring suit against East West to recover the unpaid amount of the claim.

East West's amended certificate of incorporation provides that amendments to East West's certificate of incorporation must be approved by a majority vote of the board of directors and also by a majority of the outstanding shares of its voting stock, provided, however, that under certain circumstances, an affirmative vote of at least 66-2/3% of the outstanding voting stock entitled to vote is required to amend or

Anti-Takeover Provisions

MetroCorp's amended and restated articles of incorporation and amended and restated bylaws contain various provisions which may delay, discourage or prevent an attempted acquisition or change of control of MetroCorp. These provisions include a classified board, restrictions and requirements for calling a special meeting of the MetroCorp shareholders, advance notice requirements for nominations of candidates as directors on the board, and a provision that denies the shareholders the right to amend MetroCorp's bylaws. In addition, certain provisions of Texas law, including a provision which restricts certain business combinations between a Texas corporation and certain affiliated shareholders, may also hinder or prevent an attempted acquisition or change of control of MetroCorp.

Section 203 of the DGCL prohibits a Delaware corporation from engaging in a business combination (as defined under Delaware law), with a person owning 15% or more of the corporation's voting securities for three years following the time that a person becomes a 15% shareholder, with certain exceptions.

Section 1.7 Alternative Structure. Notwithstanding any provision of this Agreement to the contrary, East West may elect, subject to the filing of all necessary applications and the receipt of all Required Regulatory Approvals, to modify the structure of the transactions contemplated hereby so long as (i) there are no adverse federal income tax consequences to the stockholders of MetroCorp as a result of such modification, (ii) the consideration to be paid to the holders of MetroCorp's issued and outstanding common shares, par value \$1.00 per share (MetroCorp Shares), under this Agreement is not thereby changed in kind or reduced in amount because of such modification and (iii) such modification will not be likely to materially delay or jeopardize receipt of any Required Regulatory Approvals. In the event of such election, the parties agree to execute an appropriate amendment to this Agreement in order to reflect such election.

**ARTICLE II
CONSIDERATION AND EXCHANGE PROCEDURES**

Section 2.1 Merger Consideration. Unless otherwise adjusted pursuant to Section 2.2, each MetroCorp Share issued and outstanding immediately before the Effective Time, but excluding (x) any shares to be cancelled and retired in accordance with Section 2.1(b), and (y) any Dissenting Shares (as defined in Section 2.5 hereof) (collectively, the Excluded Shares), shall, by virtue of the Merger and without any action on the part of the holder thereof, be cancelled and converted into and represent the right to receive from East West, without interest, the sum of the Per Share Cash Consideration and the Per Share Stock Consideration.

The compensation committee of the Board of Directors of MetroCorp (the MetroCorp Board) shall set a date (which date will be at least two (2) business days before the Effective Time) (the Specified Date) before which all MetroCorp Options may be exercised by the holder thereof in accordance with its terms. MetroCorp may provide for cashless exercise of the MetroCorp Options; provided that any adjustment to allow for cashless exercise of any MetroCorp Options which are incentive stock options under Section 422 of the Code shall be and is intended to be effected in a manner which is consistent with Section 424(a) of the Code. Immediately after the Effective Time, all unexercised MetroCorp Options will terminate and East West will pay to the holder of each such MetroCorp Option the amount needed to cash out the MetroCorp Options pursuant to the terms of MetroCorp's equity incentive plans, as applicable, less any Taxes required to be withheld.

(b) MetroCorp shall take all requisite action so that, at the Effective Time, each restricted stock award and other right, contingent or accrued, to acquire or receive MetroCorp Common Shares or benefits measured by the value of such shares, and each award of any kind consisting of MetroCorp Common Shares that may be held, awarded, outstanding, payable or reserved for issuance under the MetroCorp Bancshares, Inc. 1998 Stock Incentive Plan or the MetroCorp Bancshares, Inc. 2007 Stock Awards and Incentive Plan, other than MetroCorp Options (each, a MetroCorp Stock Award) immediately prior to the Effective Time, whether or not then vested or exercisable, shall be, by virtue of the Merger and without any further action, cancelled and converted into the right to receive from East West and the Surviving Corporation, as promptly as reasonably practicable after the Effective Time, the Merger Consideration, less any Taxes required to be withheld.

Section 2.5 Dissenting Shares. Each share of MetroCorp Shares issued and outstanding immediately before the Effective Time, the holder of which has voted against the approval of the Merger and who has properly perfected such holder's dissenter's rights of appraisal by following the exact procedure required by Chapter 10, Subchapter H of the Texas Business Organizations Code (TBOC) is referred to herein as a Dissenting Share. Each Dissenting Share shall not be converted into or represent the right to receive the Merger Consideration pursuant to this Article II and shall be entitled only to such rights as are available to such holder pursuant to the applicable provisions of the TBOC. Each holder of Dissenting Shares shall be entitled to receive the value of such Dissenting Shares held by such holder in accordance with the applicable provisions of the TBOC; provided that such holder complies with the procedures contemplated by and set forth in the applicable provisions of the TBOC. Section 2.6 Exchange of Shares.

(a) At the Effective Time, East West shall deposit or cause to be deposited in trust with an exchange agent mutually agreed upon by East West and MetroCorp (the Exchange Agent) (i) certificates representing East West Common Shares, and (ii) cash in an aggregate amount sufficient to make the appropriate payments (A) of the Per Share Cash Consideration, as may be adjusted pursuant to Section 2.1, (B) to holders of Dissenting Shares pursuant to Section 2.5, if any, and (C) to holders of a fraction of a share of East West Common Shares pursuant to Section 2.1(c) (such certificates and cash being referred to as the Exchange Fund). The Exchange Fund shall not be used for any other purpose, except as provided in this Agreement. MetroCorp shall notify East West in writing prior to the Effective Time of the number of MetroCorp Shares and Excluded Shares outstanding immediately prior to the Effective Time.

(b) As soon as practicable after the Effective Time, with the intent to be within ten (10) business days after the Effective Time, the Surviving Corporation shall cause the Exchange Agent to mail (or in the case of the Depository Trust Company on behalf of street name holders, to deliver) to each record holder of an outstanding certificate or certificates which, as of the Effective Time, represented MetroCorp Shares (the Certificates) (other than Excluded Shares) or book-entry shares which immediately prior to the Effective Time represented MetroCorp Shares (Book-Entry Shares) as of that date a letter of transmittal that will specify that delivery shall be effected, and risk of loss and title to the Certificate(s) or Book-Entry Shares shall pass, only upon delivery of the Certificate(s) (or affidavit(s) of loss in lieu of such Certificate(s)) or Book-Entry Shares and instructions for surrendering the Certificates or Book-Entry Shares to the Exchange Agent, in exchange for the Merger Consideration into which MetroCorp Shares represented by such Certificate(s) or Book-Entry Shares will have been converted pursuant to this Agreement (collectively, the Transmittal Materials). The form and substance of the Transmittal Materials are to be acceptable to East West and MetroCorp before they are mailed to the holders of the Certificates or delivered to the holders of Book-Entry Shares. Upon surrender to the Exchange Agent of the Certificate(s) or Book-Entry Shares, together with the Transmittal Materials duly executed, the holder of such Certificate(s) or Book-Entry Shares shall be entitled to receive in exchange therefor the amount of cash and number of East West Common Shares provided in Section 2.1, as may be adjusted pursuant to Section 2.2, and such Certificate(s) or Book-Entry Shares shall forthwith

be cancelled. East West shall provide the Exchange Agent with certificates for East West Common Shares, as requested by the Exchange Agent, for the number of certificated shares provided in Section 2.1, as may be adjusted. No interest will be paid or accrued with respect to the East West Common Shares or cash payable upon surrender of the Certificate(s) or Book-Entry Shares. Until surrendered in accordance with the provisions of this Section 2.6, after the Effective Time, each Certificate (other than Certificates representing Excluded Shares) shall represent for all purposes the right to receive the Merger Consideration without any interest thereon.

Table of Contents

(c) Promptly after receipt of such Transmittal Materials, East West will cause the Exchange Agent to review the Transmittal Materials in order to verify proper completion and execution thereof. As soon as practicable after the Effective Time or within five (5) calendar days after surrender of a Certificate or Book-Entry Shares to the Exchange Agent, together with properly completed and executed Transmittal Materials, East West will cause the Exchange Agent to pay to the former stockholder of MetroCorp the Per Share Cash Consideration multiplied by the number of MetroCorp Shares represented by such Certificate or Book-Entry Shares and issue certificates or shares in book-entry form for East West Common Shares equal to the Per Share Stock Consideration multiplied by the number of MetroCorp Shares represented by such Certificate or Book-Entry Shares.

(d) Former shareholders of record of MetroCorp shall not be entitled to vote after the Effective Time at any meeting of East West stockholders until such holders have exchanged their certificates representing MetroCorp Common Shares for certificates representing East West Common Shares in accordance with the provisions of this Agreement. No dividends or other distributions declared after the Effective Time with respect to East West Common Shares and payable to the holders thereof shall be paid to the holder of a Certificate or Book-Entry Shares until such holder surrenders such Certificate or Book-Entry Shares and duly executed Transmittal Materials to the Exchange Agent in accordance with this Section 2.6. After the surrender of a Certificate or Book-Entry Shares and duly executed Transmittal Materials in accordance with this Section 2.6, the holder thereof shall be entitled to receive any such dividends or other distributions, without interest thereon, which had become payable after the Effective Time with respect to the East West Common Shares represented by such Certificate or Book-Entry Shares.

(e) After the Effective Time, the share transfer ledger of MetroCorp shall be closed and there shall be no transfers on the share transfer books of MetroCorp for MetroCorp Shares which were outstanding immediately before the Effective Time. If, after the Effective Time, Certificates or Book-Entry Shares are presented to East West, they shall be promptly presented to the Exchange Agent and exchanged as provided in this Section 2.6.

(f) Any portion of the Exchange Fund (including the proceeds of any investments thereof) that remains unclaimed by the stockholders of MetroCorp for six months after the Exchange Agent mails the Transmittal Materials pursuant to this Section 2.6 shall be returned to East West upon demand, and any stockholders of MetroCorp who have not theretofore complied with the exchange procedures in this Article II shall look to East West only, and not the Exchange Agent, for the payment of any Merger Consideration in respect of such shares.

(g) If any Certificate or Book-Entry Shares representing East West Common Shares are to be issued in a name other than that in which the Certificate or Book-Entry Shares surrendered in exchange therefor are registered, it shall be a condition of the issuance thereof that the Certificate so surrendered shall be appropriately endorsed (or accompanied by an appropriate instrument of transfer) or otherwise be in proper form (reasonably satisfactory to East West) for transfer, and that the Person requesting such exchange shall pay to the Exchange Agent in advance any transfer or other Taxes required by reason of the issuance of a certificate representing East West Common Shares in any name other than that of the registered holder of the Certificate or Book-Entry Shares surrendered, or required for any other reason, or shall establish to the satisfaction of the Exchange Agent that such Tax has been paid or not payable.

(h) None of East West, MetroCorp, the Exchange Agent or any other person shall be liable to any former holder of MetroCorp Shares for any East West Common Shares (or dividends or distributions with respect thereto) or cash properly delivered to a public official pursuant to applicable abandoned property, escheat or similar laws.

(i) If any Certificate is lost, stolen or destroyed, then upon the making of an affidavit of that fact by the person claiming such Certificate to be lost, stolen or destroyed and, if required by East West or the Exchange Agent, the posting by such person of a bond in such amount (not to exceed the amount of Merger Consideration relating to the relevant missing Certificate) as East West or the Exchange Agent may direct as indemnity against any claim that may be made against East West with respect to such Certificate, the Exchange Agent will issue in exchange for such lost, stolen or destroyed Certificate the Merger Consideration deliverable in respect thereof pursuant to this Agreement.

(c) Except for (i) those liabilities that are fully reflected or reserved for in the consolidated financial statements of East West included in its Quarterly Report on Form 10-Q for the fiscal quarter ended June 30, 2013, as filed with the SEC, (ii) this Agreement, (iii) liabilities incurred since June 30, 2013, in the ordinary course of business consistent with past practice, neither East West nor any of its Subsidiaries has incurred any material liability of any nature whatsoever (whether absolute, accrued or contingent or otherwise and whether due or to become due).

None of East West or any of its Subsidiaries, or any director, officer or employee of East West or any of its Subsidiaries, has committed any breach of trust with respect to any such fiduciary account that would be material to East West and its Subsidiaries, taken as a whole, and the accountings for each such fiduciary account are true and correct in all material respects and accurately reflect in all material respects the assets of such fiduciary account.

(c) East West and each insured depository Subsidiary of East West meet or exceed the criteria to be deemed well-capitalized (as that term is defined in the relevant regulation of the institution's primary federal bank regulator) and well managed (as that term is defined at 12 C.F.R. 225.2(s) or the relevant regulation of the institution's primary bank regulator). Neither East West nor any of its Subsidiaries has been informed that its status as well-capitalized and well managed will change within one year.

(c) MetroCorp agrees to orally notify East West immediately, and in writing within one (1) business day, after receipt of any unsolicited inquiries or Acquisition Proposals and provide reasonable detail as to the identity of the person making such proposal and the material terms of such Acquisition Proposal, request or inquiry. No such adjustment shall of itself constitute or be deemed to be a breach, violation or failure to satisfy any representation, warranty, covenant, condition or other provision or constitute grounds for termination of this Agreement or be an acknowledgment by MetroCorp (a) of any adverse circumstances for purposes of determining whether the conditions to East West's obligations under this Agreement have been satisfied or (b) that such adjustment is required for purposes of determining satisfaction of the condition to East West's obligations under this Agreement set forth in Section 10.3 hereof. MetroCorp and its counsel shall be given the opportunity to participate in the preparation of the Registration Statement and shall have the right to approve the content of the Registration Statement with respect to MetroCorp and the meeting of MetroCorp's stockholders. At the time the Registration Statement becomes effective, the Registration Statement will comply in all material respects with the provisions of the Securities Act and the published rules and regulations thereunder.

(b) None of the information relating to East West and its Subsidiaries that is provided by East West for inclusion in (i) the Proxy Materials, any filings or approvals under applicable federal or state banking laws or regulations or state securities laws, or any filing pursuant to Rule 165 or Rule 425 under the Securities Act will, at the time of mailing the Proxy Materials to MetroCorp's stockholders, at the time of the MetroCorp Special Meeting and at the Effective Time of the Merger, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they are made, not misleading, and (ii) the Registration Statement will, at the time the Registration Statement and each amendment or supplement thereto, if any, becomes effective under the Securities Act, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading.

Section 6.5 Access to Properties and Records. To the extent permitted by applicable law, East West shall and shall cause each of its Subsidiaries, upon reasonable notice from MetroCorp to East West, to (a) afford expressly designated employees and officers and authorized representatives (including legal counsel, accountants and consultants) of MetroCorp full access to the financial records of East West and its Subsidiaries during normal business hours in order that MetroCorp may have the opportunity to make such reasonable investigation as it shall desire to make of the affairs of East West and its Subsidiaries, and (b) furnish MetroCorp with such additional financial data and other information as to the business and properties of East West as MetroCorp shall, from time to time, reasonably request.

Section 6.6 Indemnification.

(a) For a four (4)-year period after the Effective Time, and subject to the limitations contained in applicable Federal Reserve and FDIC regulations and to any limitations contained in the Articles of Incorporation or Articles of Association of the Banks, as applicable, East West will indemnify and hold harmless each present director and officer of MetroCorp or the Banks, as applicable, determined as of the Effective Time (the Indemnified Parties) against any costs or expenses (including reasonable attorneys' fees), judgments, fines, losses, claims, damages or liabilities incurred in connection with any claim, action, suit, proceeding or investigation, whether civil, criminal, administrative or investigative, arising out of matters existing or occurring at or before the Effective Time, whether asserted or claimed before, at or after the Effective Time, arising in whole or in part out of or pertaining to the fact that he or she was acting in his or her capacity as a director or officer of MetroCorp or the Banks to the fullest extent that the Indemnified Party would be entitled under the Articles of Incorporation or Articles of Association, as applicable, of MetroCorp and the Banks, in each case as in effect on the date hereof and to the extent permitted by applicable law.

(b) Any Indemnified Party wishing to claim indemnification under this Section 6.6, upon learning of any such claim, action, suit, proceeding or investigation, is to promptly notify East West, but the failure to so notify will not relieve East West of any liability it may have to the Indemnified Party to the extent such failure does not prejudice East West. In any such claim, action, suit, proceeding or investigation (whether arising before or after the Effective Time), (i) East West will have the right to assume the defense thereof, and East West will not be liable to an Indemnified Party for any legal expenses of other counsel or any other expenses subsequently incurred by an Indemnified Party in connection with the defense thereof, except that if East West elects not to assume such defense or counsel for the Indemnified Party advises that there are issues that raise conflicts of interest between East West and the Indemnified Party, the Indemnified Party may retain counsel reasonably satisfactory to East West, and East West will pay the reasonable fees and expenses of such counsel for the Indemnified Party (which may not exceed one firm in any jurisdiction), (ii) the Indemnified Party will cooperate in the defense of any such matter, (iii) East West will not be liable for any settlement effected without its prior written consent, and (iv) East West will have no obligation hereunder if indemnification of an Indemnified Party in the manner contemplated hereby is prohibited by applicable laws and regulations.

ARTICLE VII
MUTUAL COVENANTS OF EAST WEST
AND METROCORP

Section 7.1 Notification; Updated Disclosure Schedules. MetroCorp shall give prompt notice to East West, and East West shall give prompt notice to MetroCorp, of (a) any representation or warranty made by it in this Agreement becoming untrue or inaccurate in any material respect, including, without limitation, as a result of any change in a Disclosure Schedule, or (b) the failure by it to comply with or satisfy in any material respect any covenant, condition or agreement to be complied with or satisfied by it under this Agreement; provided, however, that no such notification shall affect the representations, warranties, covenants or agreements of the parties or the conditions to the obligations of the parties under this Agreement; and provided further, however, that if such notification under clause (a) relates to any matter that arises for the first time after the date of this Agreement, then the other party may only terminate this Agreement if such matter would cause the condition set forth in Section 10.3 with respect to MetroCorp, and in Section 11.3 with respect to East West, incapable of being satisfied.

Section 7.2 Confidentiality.

(a) East West and MetroCorp agree that the terms of the Confidentiality Agreement dated August 19, 2013, between East West and MetroCorp (the Confidentiality Agreement) are incorporated into this Agreement by reference and shall continue in full force and effect and shall be binding on East West and MetroCorp and their respective officers, directors, employees, other Affiliates and representatives as if parties thereto, in accordance with the terms thereof.

(b) MetroCorp's officers, directors, employees, other Affiliates and representatives shall hold in confidence all documents and information concerning East West, this Agreement and the transactions contemplated hereby after the Effective Time, unless required to disclose such information pursuant to order, request or demand of a governmental authority or by judicial or administrative process or by law.

Section 7.4 Employee Benefit Plans.

(a) To the extent requested by East West at least 30 days before the Effective Time, MetroCorp or its appropriate Subsidiary shall execute and deliver such instruments and take such other actions as East West may reasonably require in order to cause the amendment or termination of any MetroCorp Employee Plan on terms satisfactory to East West and in accordance with applicable law and effective no later than the Closing Date, except that the winding up of any such plan may be completed following the Closing Date, provided MetroCorp or its Subsidiary has used its reasonable best efforts to complete the winding up of any such plan prior to the Closing Date. East West agrees that the employees of MetroCorp and its Subsidiaries who continue their employment after the Closing Date (the MetroCorp Employees) will be entitled to participate as newly hired employees in the employee benefit plans and programs maintained for employees of East West and East West Bank, subject to the granting of credit for prior service as provided below, in accordance with the respective terms of such plans and programs, and East West shall take all actions necessary or appropriate to facilitate coverage of MetroCorp Employees in such plans and programs and the granting of such credit from and after the Closing Date, subject to paragraphs (b) and (c) of this Section 7.4.

(b) For all purposes under the employee welfare benefit plans and other employee benefit plans and programs (excluding vesting requirements under stock incentive plans) sponsored by East West or East West Bank, each MetroCorp Employee will be credited with his or her years of service with MetroCorp and its Subsidiaries and their respective predecessors before the Effective Time, to the same extent as such MetroCorp Employee was entitled, before the Effective Time, to credit for such service under any similar MetroCorp Employee Plan in which such MetroCorp Employee participated or was eligible to participate immediately prior to the Effective Time, to the extent permitted by such East West plans and applicable law. To the extent permitted by such East West plans and applicable law, any eligibility waiting period and preexisting condition exclusion applicable to such plans and programs shall be waived with respect to each MetroCorp Employee and his or her eligible dependents. To the extent permitted by the applicable East West plans and applicable law, East West further agrees to credit each MetroCorp Employee and his or her eligible dependents for the year during which coverage under East West's group health plan begins, with any deductibles, co-payments, or out-of-pocket payments already incurred by such MetroCorp Employee during such year under MetroCorp's group health plan. Without limiting the foregoing, East West shall extend coverage to MetroCorp Employees for health care, dependent care and limited purpose health care flexible spending accounts established under Section 125 of the Code to the same extent as available to similarly situated employees of East West or its Subsidiaries to the extent permitted by such East West plans and applicable law. East West shall give effect to any elections made by MetroCorp Employees with respect to such accounts to the extent permitted by such East West plan and applicable law. MetroCorp Employees shall be credited with amounts available for reimbursement equal to such amounts as were credited under MetroCorp's plan to the extent permitted by such East West plan and applicable law. Notwithstanding the foregoing, to the extent that waiving such conditions or crediting such amounts requires the consent of East West's or East West Bank's health insurance carrier, East West shall only be required to use commercially reasonable efforts to cause such carrier to waive such conditions and credit such amounts. For purposes of determining each MetroCorp Employee's benefits for the calendar year in which the Merger occurs under East West's vacation program, any vacation taken by a MetroCorp Employee immediately preceding the Closing Date for the calendar year in which the Merger occurs will be deducted from the total East West vacation benefit available to such MetroCorp Employee for such calendar year.

East West shall take reasonable actions to allow active employees of MetroCorp, as of the Closing Date receiving distributions of their MetroCorp 401(k) Plan account balances, to roll over such distributions (including loans) to East West's 401(k) Profit Sharing Plan.

Section 7.5 Assumption of Outstanding Trust Preferred Issues. As soon as practicable following the execution of this Agreement, MetroCorp shall notify the trustee with respect to the Trust Preferred Issue, or any successor trustee named for purposes of the Trust Preferred Issue, of the execution of this Agreement and cooperate with East West and the trustee to facilitate East West's assumption of the Trust Preferred Issue. East West shall take such action as is required to assume, on or before the Effective Time, the securities issued by Trust I.

Section 7.6 Exercise of Warrants. MetroCorp shall notify the holder of the Warrant of the execution of this Agreement and take such action as shall be necessary to effect the exercise of the Warrant if the Warrant is exercised by the holder thereof. If the Warrant is not exercised at or prior to the Effective Time, East West shall assume any obligations of MetroCorp under the Warrant that survive the Effective Time.

Section 7.7 Section 16 Matters. Prior to the Effective Time, MetroCorp and East West shall take all such steps as may be required to cause to be exempt under Rule 16b-3 promulgated under the Exchange Act any dispositions of shares of MetroCorp Common Shares (including derivative securities with respect to such shares) that are treated as dispositions under such rule and result from the transactions contemplated by this Agreement by each director or officer of MetroCorp who is subject to the reporting requirements of Section 16(a) of the Exchange Act with respect to MetroCorp.

**ARTICLE IX
TERMINATION**

Section 9.1 Termination.

(a) Notwithstanding any other provision of this Agreement, this Agreement may be terminated and the Merger contemplated hereby may be abandoned by action of the Board of Directors of East West or MetroCorp at any time before the Effective Time, if:

(i) any court of competent jurisdiction in the United States or other United States (federal or state) governmental body shall have issued an order, decree or ruling or taken any other action restraining, enjoining or otherwise prohibiting the Merger and such order, decree, ruling or other action shall be final and nonappealable;

(ii) any of the transactions contemplated by this Agreement are disapproved by any regulatory authority or other person whose approval is required to consummate any of such transactions;

(iii) the Effective Time has not occurred on or before March 31, 2014, or such later date as has been approved in writing by the Boards of Directors of East West and MetroCorp; but the right to terminate under this Section 9.1(a)(iii) shall not be available to any party whose failure to fulfill any material obligation under this Agreement has been the cause of, or has resulted in, the failure of the Merger to become effective on or before such applicable date; or

(iv) the approval of the stockholders of MetroCorp contemplated by this Agreement shall not have been obtained by reason of the failure to obtain the required vote at the MetroCorp Special Meeting (including any adjournments or postponements thereof) at which they consider the Agreement.

(b) This Agreement may be terminated at any time before the Effective Time by action of the MetroCorp Board if East West fails to comply with any of its covenants or agreements contained in this Agreement, or if any of the representations or warranties of East West contained herein shall be inaccurate, which noncompliance or inaccuracy, individually or in the aggregate, would result in the failure of the condition set forth in Section 11.1 or Section 11.2 (as applicable) if occurring on the Closing Date. If the MetroCorp Board desires to terminate this Agreement because of an alleged breach or inaccuracy as provided in this Section 9.1(b), MetroCorp Board must notify East West in writing of its intent to terminate stating the reason therefor. East West will have fifteen (15) days

from the receipt of such notice to cure the alleged breach or inaccuracy.

(c) This Agreement may be terminated at any time before the Effective Time by action of the East West Board if (i) MetroCorp fails to comply with any of its covenants or agreements contained in this Agreement, or if any of the representations or warranties of MetroCorp contained herein shall be inaccurate, which noncompliance or inaccuracy, individually or in the aggregate, would result in the failure of the condition set forth in Section 10.1 or Section 10.2 (as applicable) if occurring on the Closing Date, or (ii) any approval required to be obtained from any regulatory authority or agency is obtained subject to restrictions or conditions on the operations of the Surviving Corporation or its Subsidiaries, which would (i) reasonably be likely to have a Material Adverse Effect with respect to the Surviving Corporation and its Subsidiaries or (ii) materially reduce the economic benefits of the Merger to East West. If the East West Board desires to terminate this Agreement because of an alleged breach or inaccuracy as provided in Section 9.1(c)(i), the East West Board must notify MetroCorp in writing of its intent to terminate stating the cause therefor. MetroCorp will have fifteen (15) days from the receipt of such notice to cure the alleged breach or inaccuracy.

Table of Contents

(d) This Agreement may be terminated at any time before the Closing upon the mutual written consent of East West and MetroCorp and the approval of such action by their respective Boards of Directors.

(e) This Agreement may be terminated at any time before the Closing by MetroCorp Board if before the Effective Time, MetroCorp receives an unsolicited, bona fide Acquisition Proposal (as defined in Section 9.3(d)) and MetroCorp Board determines in its good faith judgment and in the exercise of its fiduciary duties, based on the advice of outside legal counsel and the Financial Advisor, that (i) such Acquisition Proposal (if consummated pursuant to its terms and after giving effect to the payment of the Termination Fee and East West Expenses (each as defined in Section 9.3(a)(i)) is a Superior Proposal (as defined in Section 9.3(f)) and (ii) the failure to terminate this Agreement and accept such Superior Proposal would be inconsistent with the proper exercise of such fiduciary duties, provided, however, that MetroCorp may not terminate this Agreement under this Section 9.1(e) unless:

(i) MetroCorp has provided prior written notice to East West at least five (5) business days in advance (the Notice Period) of taking such action, which notice advises East West that MetroCorp Board has received a Superior Proposal, specifies the material terms and conditions of such Superior Proposal (including the identity of the Person or Group (as such term is defined in Section 13(d) under the Exchange Act) making the Superior Proposal); and

(ii) during the Notice Period, MetroCorp negotiates, and causes the Financial Advisor and outside counsel to negotiate, with East West in good faith (to the extent East West desires to so negotiate) to make such adjustments in the terms and conditions of this Agreement so that such Superior Proposal ceases to constitute a Superior Proposal, and MetroCorp Board considers such adjustments in the terms and conditions of this Agreement resulting from such negotiations and concludes in good faith based upon consultations with the Financial Advisor and the advice of outside legal counsel that such Superior Proposal remains a Superior Proposal even after giving effect to the adjustments in the terms and conditions of this Agreement proposed by East West.

If during the Notice Period any revisions are made to the Superior Proposal and MetroCorp Board in its good faith judgment determines such revisions are material, MetroCorp shall deliver a new written notice to East West and shall comply with the requirements of this Section 9.1(e) with respect to such new written notice, except that the new Notice Period shall be three (3) business days. Termination under this clause (e) shall not be deemed effective until payment of the Termination Fee and/or East West Expenses as required by Section 9.3.

Table of Contents

(f) This Agreement may be terminated at any time before the Closing by the East West Board if (i) MetroCorp has breached the covenant contained in Section 5.5 in a manner adverse to East West; (ii) MetroCorp Board resolves to accept an Acquisition Proposal; or (iii) MetroCorp Board withdraws or modifies, in any manner that is adverse to East West, its recommendation or approval of this Agreement or the Merger or recommends to MetroCorp stockholders acceptance or approval of any alternative Acquisition Proposal, or resolves to do any of the foregoing.

Section 9.2 Effect of Termination. Except as provided in Section 9.3, if this Agreement is terminated by either East West or MetroCorp as provided in Section 9.1, this Agreement (other than Section 7.2) will become void and have no effect, without any liability on the part of any party or its directors, officers or stockholders, except that the provisions of Sections 7.2, 9.2 and 13.4 will survive termination of this Agreement. Nothing contained in this Section 9.2 will relieve any party hereto of any liability for a breach of this Agreement.

Section 9.3 Termination Fee and Expenses. To compensate East West for entering into this Agreement, taking actions to consummate the transactions contemplated hereunder and incurring the costs and expenses related thereto and other losses and expenses, including forgoing the pursuit of other opportunities by East West, MetroCorp and East West agree as follows:

(a) Provided that East West is not in material breach of any covenant or obligation under this Agreement (which breach has not been cured within fifteen (15) days following receipt of written notice thereof by MetroCorp specifying in reasonable detail the basis of such alleged breach), if this Agreement is terminated by:

(i) MetroCorp under the provisions of Section 9.1(e), then MetroCorp shall pay to East West an amount equal to three percent (3%) of the Merger Consideration (the Termination Fee) plus all expenses incurred by East West in connection with the proposed transaction, provided that the aggregate amount of all such expenses shall not exceed \$250,000 (East West Expenses);

(ii) East West under the provisions of Section 9.1(f), then MetroCorp shall pay to East West the Termination Fee plus the East West Expenses;

(iii) either East West or MetroCorp under the provisions of (A) Section 9.1(a)(iii), if at the time of termination, the Registration Statement has been declared effective for at least 25 business days prior to such termination and MetroCorp shall have failed to call, give notice of, convene and hold the MetroCorp Special Meeting in accordance with Section 5.1, or (B) Section 9.1(a)(iv), if, at the time of termination, there exists an Acquisition Proposal with respect to MetroCorp, then MetroCorp shall pay to East West the East West Expenses; or

(iv) either East West or MetroCorp under the provisions of (A) Section 9.1(a)(iii), if at such time the stockholders of MetroCorp have not approved and adopted the Agreement and the Merger, or (B) Section 9.1(a)(iv), if, at the time of termination, there exists an Acquisition Proposal with respect to MetroCorp and, with respect to either clause (A) or (B), within twelve (12) months of the termination of this Agreement, MetroCorp enters into an Acquisition Agreement with any third party with respect to any Acquisition Proposal, then MetroCorp shall pay to East West the Termination Fee, which shall be in addition to the East West Expenses to be paid pursuant to Section 9.3(a)(iii).

Table of Contents

The payment of the Termination Fee and/or East West Expenses shall be East West's sole and exclusive remedy with respect to termination of this Agreement as set forth in this Section 9.3(a). For the avoidance of doubt, in no event shall the Termination Fee described in this Section 9.3 be payable on more than one occasion.

(b) Any payment required by Section 9.3(a) shall become payable within two (2) business days after receipt by the nonterminating party of written notice of termination of this Agreement, provided, however, that if the payment of the Termination Fee is required pursuant to Section 9.3(a)(iv), then such payment shall become payable on or before the date of execution by MetroCorp of an Acquisition Agreement.

(c) For purposes of this Agreement, an Acquisition Agreement means any letter of intent, agreement in principle, memorandum of understanding, merger agreement, asset or share purchase or share exchange agreement, option agreement or any similar agreement related to any Acquisition Proposal.

(d) For purposes of this Agreement, Acquisition Proposal means any proposal (whether communicated to MetroCorp or publicly announced to MetroCorp's stockholders) by any person (other than East West or any of its Affiliates) for an Acquisition Transaction involving MetroCorp, any Subsidiary or any future Subsidiary, or any combination of such Subsidiaries, the assets of which constitute, or would constitute, twenty percent (20%) or more of the consolidated assets of MetroCorp as reflected on MetroCorp's most recent consolidated statement of condition prepared in accordance with GAAP.

(e) For purposes of this Agreement, Acquisition Transaction means any transaction or series of related transactions (other than the transactions contemplated by this Agreement) involving (i) any acquisition or purchase from MetroCorp by any person or Group (as such term is defined in Section 13(d) under the Exchange Act), other than East West or any of its Affiliates, of twenty percent (20%) or more in interest of the total outstanding voting securities of MetroCorp or any of its Subsidiaries, or any tender offer or exchange offer that if consummated would result in any Person or Group (other than East West or any of its Affiliates) beneficially owning twenty percent (20%) or more in interest of the total outstanding voting securities of MetroCorp or any of its Subsidiaries, or any merger, consolidation, business combination or similar transaction involving MetroCorp pursuant to which the stockholders of MetroCorp immediately preceding such transaction hold less than eighty percent (80%) of the equity interests in the surviving or resulting entity (which includes the parent corporation of any constituent corporation to any such transaction) of such transaction; (ii) any sale or lease (other than in the ordinary course of business), or exchange, transfer, license (other than in the ordinary course of business), acquisition or disposition of twenty percent (20%) or more of the assets of MetroCorp; or (iii) any liquidation or dissolution of MetroCorp.

(f) For purposes of this Agreement, Superior Proposal means any bona fide written Acquisition Proposal which the Board of Directors of MetroCorp reasonably determines, in its good faith judgment based on, among other things, the advice of outside counsel and the Financial Advisor, to be (i) more favorable from a financial point of view to MetroCorp's stockholders than the Merger, taking into account all terms and conditions of the proposal and (ii) reasonably capable of being consummated on the terms proposed, taking into account all legal, financial, regulatory (including the advice of outside counsel regarding the potential for regulatory approval of any such proposal) and other aspects of such proposal and any other relevant factors permitted under applicable law, provided that, for purposes of the definition of Superior Proposal, the references to 20% and 80% in the definitions of Acquisition Proposal and Acquisition Transaction shall be deemed to be references to 50%.

APPENDIX B --Opinion of Sandler O Neill + Partners, L.P.

September 18, 2013

Board of Directors

MetroCorp Bancshares, Inc.

9600 Bellaire Boulevard, Suite 252

Houston, TX 77036

Ladies and Gentlemen:

MetroCorp Bancshares, Inc. (MetroCorp) and East West Bancorp, Inc. (East West) have entered into an Agreement and Plan of Merger, dated as of September 18, 2013 (the Agreement), pursuant to which MetroCorp will merge with and into East West, with East West as the surviving entity (the Merger). Under the terms of the Agreement, upon consummation of the Merger, each share of MetroCorp common stock issued and outstanding immediately prior to the Merger (the MetroCorp Common Stock), other than certain shares specified in the Agreement (the Excluded Shares), will be converted into the right to receive the sum of the Per Share Cash Consideration and the Per Share Stock Consideration. The Merger Consideration is an amount equal to the product of (i) the number of MetroCorp Common Stock issued and outstanding immediately prior to the closing of the Merger and (ii) the lesser of (a) \$14.60 per share and (b) 1.72 times the Per Share Tangible Equity. The Per Share Merger Consideration is the amount derived by dividing the Merger Consideration by the number of MetroCorp Common Stock outstanding immediately prior to the closing of the Merger. The terms of the Merger are more fully described in the Agreement. Capitalized terms used herein without definition shall have the meanings given to such terms in the Agreement. You have requested our opinion as to the fairness, from a financial point of view, of the Per Share Merger Consideration to holders of MetroCorp Common Stock.

Sandler O Neill & Partners, L.P., as part of its investment banking business, is regularly engaged in the valuation of financial institutions and their securities in connection with mergers and acquisitions and other corporate transactions. In connection with this opinion, we have reviewed, among other things: (i) the Agreement; (ii) certain publicly

available financial statements and other historical financial information of MetroCorp that we deemed relevant; (iii) certain publicly available financial statements and other historical financial information of East West that we deemed relevant; (iv) median consensus earnings estimates for MetroCorp for the years ending December 31, 2013 and December 31, 2014 as discussed with senior management of MetroCorp and a publicly available analyst estimated long-term growth rate for the years thereafter as discussed with senior

management of MetroCorp; (v) median consensus earnings estimates for East West for the years ending December 31, 2013 and December 31, 2014 as discussed with senior management of East West and a publicly available analyst estimated long-term growth rate for the years thereafter as discussed with senior management of East West; (vi) the pro forma financial impact of the Merger on East West based on assumptions relating to transaction expenses, purchase accounting adjustments, cost savings and other synergies as determined by the senior management of East West; (vii) a comparison of certain financial information for MetroCorp and East West with similar institutions for which publicly available information is available; (viii) the financial terms of certain recent business combinations in the commercial banking industry, to the extent publicly available; (ix) the current market environment generally and the commercial banking environment in particular; and (x) such other information, financial studies, analyses and investigations and financial, economic and market criteria as we considered relevant. We also discussed with certain members of senior management of MetroCorp the business, financial condition, results of operations and prospects of MetroCorp and held similar discussions with certain members of senior management of East West regarding the business, financial condition, results of operations and prospects of East West.

In performing our review, we have relied upon the accuracy and completeness of all of the financial and other information that was available to us from public sources, that was provided to us by MetroCorp and East West or their respective representatives or that was otherwise reviewed by us and have assumed such accuracy and completeness for purposes of rendering this opinion. We have further relied on the assurances of the respective managements of MetroCorp and East West that they are not aware of any facts or circumstances that would make any of such information inaccurate or misleading. We have not been asked to and have not undertaken an independent verification of any of such information and we do not assume any responsibility or liability for the accuracy or completeness thereof. We did not make an independent evaluation or appraisal of the specific assets, the collateral securing assets or the liabilities (contingent or otherwise) of MetroCorp and East West or any of their respective subsidiaries. We render no opinion or evaluation on the collectability of any assets or the future performance of any loans of MetroCorp and East West. We did not make an independent evaluation of the adequacy of the allowance for loan losses of MetroCorp and East West, or the combined entity after the Merger and we have not reviewed any individual credit files relating to MetroCorp and East West. We have assumed, with your consent, that the respective allowances for loan losses for both MetroCorp and East West are adequate to cover such losses and will be adequate on a pro forma basis for the combined entity.

In preparing its analyses, Sandler O'Neill used publicly available earnings projections and long-term growth rates for MetroCorp and East West as discussed with respective senior managements of MetroCorp and East West. Sandler O'Neill also received and used in its analyses certain projections of transaction costs, purchase accounting adjustments, expected cost savings and other synergies which were prepared by and/or reviewed with the senior management of East West. With respect to those projections, estimates and judgments, the respective managements of MetroCorp and East West confirmed to us that those projections, estimates and judgments reflected the best currently available

estimates and judgments of those respective managements of the future

financial performance of MetroCorp and East West, respectively, and we assumed that such performance would be achieved. We express no opinion as to such estimates or the assumptions on which they are based. We have also assumed that there has been no material change in MetroCorp's and East West's assets, financial condition, results of operations, business or prospects since the date of the most recent financial statements made available to us. We have assumed in all respects material to our analysis that MetroCorp and East West will remain as going concerns for all periods relevant to our analyses, that all of the representations and warranties contained in the Agreement and all related agreements are true and correct, that each party to the agreements will perform all of the covenants required to be performed by such party under the agreements, that the conditions precedent in the Agreement are not waived and that the Merger will qualify as a tax-free reorganization for federal income tax purposes. Finally, with your consent, we have relied upon the advice MetroCorp has received from its legal, accounting and tax advisors as to all legal, accounting and tax matters relating to the Merger and the other transactions contemplated by the Agreement.

Our opinion is necessarily based on financial, economic, market and other conditions as in effect on, and the information made available to us as of, the date hereof. Events occurring after the date hereof could materially affect this opinion. We have not undertaken to update, revise, reaffirm or withdraw this opinion or otherwise comment upon events occurring after the date hereof. We will receive a fee for rendering this opinion and MetroCorp has also agreed to indemnify us against certain liabilities arising out of our engagement. In the ordinary course of our business as a broker-dealer, we may purchase securities from and sell securities to MetroCorp and East West and their affiliates.

Our opinion is directed to the Board of Directors of MetroCorp in connection with its consideration of the Merger and does not constitute a recommendation to any shareholder of either MetroCorp and East West as to how any such shareholder should vote at any meeting of shareholders called to consider and vote upon the Merger. Our opinion is directed only to the fairness, from a financial point of view, of the Per Share Merger Consideration to holders of MetroCorp Common Stock and does not address the underlying business decision of MetroCorp to engage in the Merger, the relative merits of the Merger as compared to any other alternative business strategies that might exist for MetroCorp or the effect of any other transaction in which MetroCorp might engage. This opinion shall not be reproduced or used for any other purposes, without Sandler O'Neill's prior written consent. This opinion has been approved by Sandler O'Neill's fairness opinion committee. We do not express any opinion as to the fairness of the amount or nature of the compensation to be received in the Merger by any officer, director, or employees, or class of such persons, relative to the compensation to be received in the Merger by any other shareholder.

Table of Contents

-4-

Based upon and subject to the foregoing, it is our opinion that, as of the date hereof, the Per Share Merger Consideration is fair to holders of MetroCorp Common Stock from a financial point of view.

Very truly yours,
/s/ Sandler O'Neill + Partners, L.P.

(C) provides an address to which notice of effectiveness of the action should be delivered or mailed; and

(D) is delivered to the entity's principal executive offices before the meeting;

(2) with respect to the ownership interest for which the rights of dissent and appraisal are sought:

(A) must vote against the action if the owner is entitled to vote on the action and the action is approved at a meeting of the owners; and

Edgar Filing: EAST WEST BANCORP INC - Form S-4/A

- (B) may not consent to the action if the action is approved by written consent; and

- (3) must give to the responsible organization a demand in writing that:
 - (A) is addressed to the president and secretary of the responsible organization;

 - (B) demands payment of the fair value of the ownership interests for which the rights of dissent and appraisal are sought;

 - (C) provides to the responsible organization an address to which a notice relating to the dissent and appraisal procedures under this subchapter may be sent;

 - (D) states the number and class of the ownership interests of the domestic entity owned by the owner and the fair value of the ownership interests as estimated by the owner; and

 - (E) is delivered to the responsible organization at its principal executive offices at the following time:
 - (i) not later than the 20th day after the date the responsible organization sends to the owner the notice required by Section 10.355(e) that the action has taken effect, if the action was approved by a vote of the owners at a meeting;

Table of Contents

(iii) not later than the 20th day after the date the responsible organization sends to the owner a notice that the merger was effected, if the action is a merger effected under Section 10.006.

(c) An owner who does not make a demand within the period required by Subsection (b)(3)(E) or, if Subsection (b)(1) is applicable, does not give the notice of objection before the meeting of owners is bound by the action and is not entitled to exercise the rights of dissent and appraisal under Section 10.354.

(d) Not later than the 20th day after the date an owner makes a demand under Subsection (b)(3), the owner must submit to the responsible organization any certificates representing the ownership interest to which the demand relates for purposes of making a notation on the certificates that a demand for the payment of the fair value of an ownership interest has been made under this section. An owner's failure to submit the certificates within the required period has the effect of terminating, at the option of the responsible organization, the owner's rights to dissent and appraisal under Section 10.354 unless a court, for good cause shown, directs otherwise.

(e) If a domestic entity and responsible organization satisfy the requirements of this subchapter relating to the rights of owners of ownership interests in the entity to dissent to an action and seek appraisal of those ownership interests, an owner of an ownership interest who fails to perfect that owner's right of dissent in accordance with this subchapter may not bring suit to recover the value of the ownership interest or money damages relating to the action.

Sec. 10.357. WITHDRAWAL OF DEMAND FOR FAIR VALUE OF OWNERSHIP INTEREST.

(a) An owner may withdraw a demand for the payment of the fair value of an ownership interest made under Section 10.356 before:

(1) payment for the ownership interest has been made under Sections 10.358 and 10.361; or

(2) a petition has been filed under Section 10.361.

(b) Unless the responsible organization consents to the withdrawal of the demand, an owner may not withdraw a demand for payment under Subsection (a) after either of the events specified in Subsections (a)(1) and (2).

Sec. 10.358. RESPONSE BY ORGANIZATION TO NOTICE OF DISSENT AND DEMAND FOR FAIR VALUE BY DISSENTING OWNER.

(a) Not later than the 20th day after the date a responsible organization receives a demand for payment made by a dissenting owner in accordance with Section 10.356(b)(3), the responsible organization shall respond to the dissenting owner in writing by:

(1) accepting the amount claimed in the demand as the fair value of the ownership interests specified in the notice; or

(2) rejecting the demand and including in the response the requirements prescribed by Subsection (c).

(b) If the responsible organization accepts the amount claimed in the demand, the responsible organization shall pay the amount not later than the 90th day after the date the action that is the subject of the demand was effected if the owner delivers to the responsible organization:

(1) endorsed certificates representing the ownership interests if the ownership interests are certificated; or

Table of Contents

- (2) signed assignments of the ownership interests if the ownership interests are uncertificated.

- (c) If the responsible organization rejects the amount claimed in the demand, the responsible organization shall provide to the owner:
 - (1) an estimate by the responsible organization of the fair value of the ownership interests; and
 - (2) an offer to pay the amount of the estimate provided under Subdivision (1).

- (d) If the dissenting owner decides to accept the offer made by the responsible organization under Subsection (c)(2), the owner must provide to the responsible organization notice of the acceptance of the offer not later than the 90th day after the date the action that is the subject of the demand took effect.

- (e) If, not later than the 90th day after the date the action that is the subject of the demand took effect, a dissenting owner accepts an offer made by a responsible organization under Subsection (c)(2) or a dissenting owner and a responsible organization reach an agreement on the fair value of the ownership interests, the responsible organization shall pay the agreed amount not later than the 120th day after the date the action that is the subject of the demand took effect, if the dissenting owner delivers to the responsible organization:
 - (1) endorsed certificates representing the ownership interests if the ownership interests are certificated; or
 - (2) signed assignments of the ownership interests if the ownership interests are uncertificated.

Sec. 10.359. RECORD OF DEMAND FOR FAIR VALUE OF OWNERSHIP INTEREST.

- (a) A responsible organization shall note in the organization's ownership interest records maintained under Section 3.151 the receipt of a demand for payment from any dissenting owner made under Section 10.356.

- (b) If an ownership interest that is the subject of a demand for payment made under Section 10.356 is transferred, a new certificate representing that ownership interest must contain:

- (1) a reference to the demand; and

- (2) the name of the original dissenting owner of the ownership interest.

Sec. 10.360. RIGHTS OF TRANSFEREE OF CERTAIN OWNERSHIP INTEREST.

A transferee of an ownership interest that is the subject of a demand for payment made under Section 10.356 does not acquire additional rights with respect to the responsible organization following the transfer. The transferee has only the rights the original dissenting owner had with respect to the responsible organization after making the demand.

Sec. 10.361. PROCEEDING TO DETERMINE FAIR VALUE OF OWNERSHIP INTEREST AND OWNERS ENTITLED TO PAYMENT; APPOINTMENT OF APPRAISERS.

(a) If a responsible organization rejects the amount demanded by a dissenting owner under Section 10.358 and the dissenting owner and responsible organization are unable to reach an agreement relating to the fair value of the ownership interests within the period prescribed by Section 10.358(d), the dissenting owner or responsible organization may file a petition requesting a finding and determination of the fair value of the owner's ownership interests in a court in:

- (1) the county in which the organization's principal office is located in this state; or

Table of Contents

(2) the county in which the organization's registered office is located in this state, if the organization does not have a business office in this state.

(b) A petition described by Subsection (a) must be filed not later than the 60th day after the expiration of the period required by Section 10.358(d).

(c) On the filing of a petition by an owner under Subsection (a), service of a copy of the petition shall be made to the responsible organization. Not later than the 10th day after the date a responsible organization receives service under this subsection, the responsible organization shall file with the clerk of the court in which the petition was filed a list containing the names and addresses of each owner of the organization who has demanded payment for ownership interests under Section 10.356 and with whom agreement as to the value of the ownership interests has not been reached with the responsible organization. If the responsible organization files a petition under Subsection (a), the petition must be accompanied by this list.

(d) The clerk of the court in which a petition is filed under this section shall provide by registered mail notice of the time and place set for the hearing to:

(1) the responsible organization; and

(2) each owner named on the list described by Subsection (c) at the address shown for the owner on the list.

(e) The court shall:

(1) determine which owners have:

(A) perfected their rights by complying with this subchapter; and

(B) become subsequently entitled to receive payment for the fair value of their ownership interests; and

(2) appoint one or more qualified appraisers to determine the fair value of the ownership interests of the owners described by Subdivision (1).

(f) The court shall approve the form of a notice required to be provided under this section. The judgment of the court is final and binding on the responsible organization, any other organization obligated to make payment under this subchapter for an ownership interest, and each owner who is notified as required by this section.

(g) The beneficial owner of an ownership interest subject to dissenters' rights held in a voting trust or by a nominee on the beneficial owner's behalf may file a petition described by Subsection (a) if no agreement between the dissenting owner of the ownership interest and the responsible organization has been reached within the period prescribed by Section 10.358(d). When the beneficial owner files a petition described by Subsection (a):

(1) the beneficial owner shall at that time be considered, for purposes of this subchapter, the owner, the dissenting owner, and the holder of the ownership interest subject to the petition; and

(2) the dissenting owner who demanded payment under Section 10.356 has no further rights regarding the ownership interest subject to the petition.

Sec. 10.362. COMPUTATION AND DETERMINATION OF FAIR VALUE OF OWNERSHIP INTEREST.

(a) For purposes of this subchapter, the fair value of an ownership interest of a domestic entity subject to dissenters' rights is the value of the ownership interest on the date preceding the date of the action that is the subject of the appraisal. Any appreciation or depreciation in the value of the ownership interest occurring in anticipation of the proposed action or as a result of the action must be specifically excluded from the computation of the fair value of the ownership interest.

Table of Contents

(b) In computing the fair value of an ownership interest under this subchapter, consideration must be given to the value of the domestic entity as a going concern without including in the computation of value any control premium, any minority ownership discount, or any discount for lack of marketability. If the domestic entity has different classes or series of ownership interests, the relative rights and preferences of and limitations placed on the class or series of ownership interests, other than relative voting rights, held by the dissenting owner must be taken into account in the computation of value.

(c) The determination of the fair value of an ownership interest made for purposes of this subchapter may not be used for purposes of making a determination of the fair value of that ownership interest for another purpose or of the fair value of another ownership interest, including for purposes of determining any minority or liquidity discount that might apply to a sale of an ownership interest.

Sec. 10.363. POWERS AND DUTIES OF APPRAISER; APPRAISAL PROCEDURES.

(a) An appraiser appointed under Section 10.361 has the power and authority that:

(1) is granted by the court in the order appointing the appraiser; and

(2) may be conferred by a court to a master in chancery as provided by Rule 171, Texas Rules of Civil Procedure.

(b) The appraiser shall:

(1) determine the fair value of an ownership interest of an owner adjudged by the court to be entitled to payment for the ownership interest; and

(2) file with the court a report of that determination.

(c) The appraiser is entitled to examine the books and records of a responsible organization and may conduct investigations as the appraiser considers appropriate. A dissenting owner or responsible organization may submit to an appraiser evidence or other information relevant to the determination of the fair value of the ownership interest required by Subsection (b)(1).

(d) The clerk of the court appointing the appraiser shall provide notice of the filing of the report under Subsection (b) to each dissenting owner named in the list filed under Section 10.361 and the responsible organization.

Sec. 10.364. OBJECTION TO APPRAISAL; HEARING.

(a) A dissenting owner or responsible organization may object, based on the law or the facts, to all or part of an appraisal report containing the fair value of an ownership interest determined under Section 10.363(b).

(b) If an objection to a report is raised under Subsection (a), the court shall hold a hearing to determine the fair value of the ownership interest that is the subject of the report. After the hearing, the court shall require the responsible organization to pay to the holders of the ownership interest the amount of the determined value with interest, accruing from the 91st day after the date the applicable action for which the owner elected to dissent was effected until the date of the judgment.

(c) Interest under Subsection (b) accrues at the same rate as is provided for the accrual of prejudgment interest in civil cases.

(d) The responsible organization shall:

(1) immediately pay the amount of the judgment to a holder of an uncertificated ownership interest; and

Table of Contents

(2) pay the amount of the judgment to a holder of a certificated ownership interest immediately after the certificate holder surrenders to the responsible organization an endorsed certificate representing the ownership interest.

(e) On payment of the judgment, the dissenting owner does not have an interest in the:

(1) ownership interest for which the payment is made; or

(2) responsible organization with respect to that ownership interest.

Sec. 10.365. COURT COSTS; COMPENSATION FOR APPRAISER.

(a) An appraiser appointed under Section 10.361 is entitled to a reasonable fee payable from court costs.

(b) All court costs shall be allocated between the responsible organization and the dissenting owners in the manner that the court determines to be fair and equitable.

Sec. 10.366. STATUS OF OWNERSHIP INTEREST HELD OR FORMERLY HELD BY DISSENTING OWNER.

(a) An ownership interest of an organization acquired by a responsible organization under this subchapter:

(1) in the case of a merger, conversion, or interest exchange, shall be held or disposed of as provided in the plan of merger, conversion, or interest exchange; and

(2) in any other case, may be held or disposed of by the responsible organization in the same manner as other ownership interests acquired by the organization or held in its treasury.

(b) An owner who has demanded payment for the owner's ownership interest under Section 10.356 is not entitled to vote or exercise any other rights of an owner with respect to the ownership interest except the right to:

- (1) receive payment for the ownership interest under this subchapter; and
- (2) bring an appropriate action to obtain relief on the ground that the action to which the demand relates would be or was fraudulent.
- (c) An ownership interest for which payment has been demanded under Section 10.356 may not be considered outstanding for purposes of any subsequent vote or action.

Sec. 10.367. RIGHTS OF OWNERS FOLLOWING TERMINATION OF RIGHT OF DISSENT.

- (a) The rights of a dissenting owner terminate if:
 - (1) the owner withdraws the demand under Section 10.356;
 - (2) the owner's right of dissent is terminated under Section 10.356;
 - (3) a petition is not filed within the period required by Section 10.361; or
 - (4) after a hearing held under Section 10.361, the court adjudges that the owner is not entitled to elect to dissent from an action under this subchapter.
- (b) On termination of the right of dissent under this section:
 - (1) the dissenting owner and all persons claiming a right under the owner are conclusively presumed to have approved and ratified the action to which the owner dissented and are bound by that action;

Table of Contents

- (2) the owner's right to be paid the fair value of the owner's ownership interests ceases;

- (3) the owner's status as an owner of those ownership interests is restored, as if the owner's demand for payment of the fair value of the ownership interests had not been made under Section 10.356, if the owner's ownership interests were not canceled, converted, or exchanged as a result of the action or a subsequent action;

- (4) the dissenting owner is entitled to receive the same cash, property, rights, and other consideration received by owners of the same class and series of ownership interests held by the owner, as if the owner's demand for payment of the fair value of the ownership interests had not been made under Section 10.356, if the owner's ownership interests were canceled, converted, or exchanged as a result of the action or a subsequent action;

- (5) any action of the domestic entity taken after the date of the demand for payment by the owner under Section 10.356 will not be considered ineffective or invalid because of the restoration of the owner's ownership interests or the other rights or entitlements of the owner under this subsection; and

- (6) the dissenting owner is entitled to receive dividends or other distributions made after the date of the owner's payment demand under Section 10.356, to owners of the same class and series of ownership interests held by the owner as if the demand had not been made, subject to any change in or adjustment to the ownership interests because of an action taken by the domestic entity after the date of the demand.

Sec. 10.368. EXCLUSIVITY OF REMEDY OF DISSENT AND APPRAISAL.

In the absence of fraud in the transaction, any right of an owner of an ownership interest to dissent from an action and obtain the fair value of the ownership interest under this subchapter is the exclusive remedy for recovery of:

- (1) the value of the ownership interest; or

- (2) money damages to the owner with respect to the action.

INFORMATION NOT REQUIRED IN PROSPECTUS

Item 20. *Indemnification of Directors and Officers*

The following summary is qualified in its entirety by reference to the complete text of East West's certificate of incorporation, as amended, and its amended and restated bylaws.

East West is incorporated under the Delaware General Corporation Law, of which Section 145 provides that a corporation may indemnify directors and officers as well as other employees and individuals against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with any threatened, pending or completed actions, suits or proceedings in which such person is made a party by reason of such person being or having been a director, officer, employee of or agent to East West or East West Bank. The statute provides that it is not exclusive of other rights to which those seeking indemnification may be entitled under any bylaw, agreement, vote of stockholders or disinterested directors or otherwise.

Article XIII of East West's certificate of incorporation provides that it shall indemnify to the maximum extent permitted by law its directors and executive officers. East West may pay in advance any expenses (including attorneys' fees) which may become subject to indemnification if the person receiving the payment undertakes in writing to repay the same if it is ultimately determined that the person is not entitled to indemnification. The indemnification and advance payment shall continue as to a person who has ceased to be a director or executive officer and shall inure to the person's heirs, executors and administrators. East West may purchase and maintain insurance on behalf of any person who is or was a director or executive officer, against any liability asserted against the person and incurred by the person in any such position, or arising out of the person's status as such. East West maintains policies of directors' and officers' liability insurance which insure directors and officers against the cost of defense, settlement, or payment of a judgment under certain circumstances.

Article VI of East West's bylaws provide that each person who was or is made a party or is threatened to be made a party to or is involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative, because he or she is or was a director or executive officer of East West, shall be indemnified and held harmless by East West to the fullest extent authorized by the Delaware General Corporation Law, as the same exists or may hereafter be amended, against all expense, liability and loss (including attorneys' fees) reasonably incurred or suffered by such person in connection therewith and such indemnification shall continue as to executors and administrators. If a claim is not paid in full by East West, within thirty days after a written claim has been received, the claimant may at any time thereafter bring suit against East West to recover the unpaid amount of the claim.

Item 22. Undertakings

The undersigned registrant hereby undertakes:

(a) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(1) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933.

(2) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) that, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement.

(3) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

Table of Contents

(b) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) To remove from registration by means of a post-effective amendment any of the securities being registered that remain unsold at the termination of the offering.

(d) For purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(e) That prior to any public reoffering of the securities registered hereunder through use of a prospectus that is a part of this Registration Statement, by any person or party who is deemed to be an underwriter within the meaning of Rule 145(c), the issuer undertakes that such reoffering prospectus will contain the information called for by the applicable registration form with respect to reofferings by persons who may be deemed underwriters, in addition to the information called for by the other items of the applicable form.

(f) That every prospectus (1) that is filed pursuant to paragraph (e) immediately preceding, or (2) that purports to meet the requirements of Section 10(a)(3) of the Securities Act of 1933 and is used in connection with an offering of securities subject to Rule 415, will be filed as a part of an amendment to the registration statement and will not be used until such amendment is effective, and that, for purposes of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(g) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the provisions described in Item 20 above, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

(h) To respond to requests for information that is incorporated by reference into the prospectus pursuant to Item 4, 10(b), 11, or 13 of this Form, within one business day of receipt of such request, and to send the incorporated documents by first-class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request.

Edgar Filing: EAST WEST BANCORP INC - Form S-4/A

(i) To supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in the registration statement when it became effective.
