**Item 1.01. Entry into a Material Definitive Agreement.**

On December 2, 2015, Pandora Media, Inc. (the Company) entered into Amendment No. 1 to Credit Agreement (the Amendment), which amends that certain Credit Agreement, dated as of May 13, 2011, as amended and restated as of September 12, 2013 (the Credit Agreement, and as further amended, restated, or otherwise modified, the Credit Facility), among the Company, as the borrower, the lenders party thereto, and JPMorgan Chase Bank, N.A., as the administrative agent. The amendment, among other things, (1) increases the size of the Permitted Convertible Note basket from \$300 million to \$500 million in aggregate principal amount outstanding at any one time; (2) amends the definition of Permitted Convertible Notes to include notes that are convertible into cash; (3) amends the definition of Permitted Call Spread Hedge Agreements to include capped call options; and (4) permits distributions to repay permitted indebtedness upon its stated maturity. The foregoing description of the Credit Facility is qualified in its entirety by reference to the Credit Agreement, which is hereby incorporated by reference to Exhibit 10.15 to the Company's Quarterly Report on Form 10-Q filed on November 26, 2013.

**Item 7.01. Regulation FD Disclosure.**

On December 2, 2015, the Company issued a press release announcing its intention to offer \$300 million aggregate principal amount of convertible senior notes due 2020. The Company also expects to grant the initial purchaser of the notes a 30-day option to purchase up to an additional \$45 million aggregate principal amount of the notes. The full text of the press release is furnished hereto as Exhibit 99.1.

As discussed in the press release, in connection with the offering of the notes, the Company expects to enter into one or more privately negotiated capped call transactions with one or more financial institutions and their affiliates. The capped call transactions are expected generally to reduce the potential dilution to Pandora's common stock upon any conversion of notes and/or offset the cash payments Pandora is required to make in excess of the principal amount of the converted notes in the event that the market price of Pandora's common stock is greater than the strike price of the capped call transactions (which will initially correspond to the initial conversion price of the notes and is subject to certain adjustments under the terms of the capped call transactions), with such reduction and/or offset subject to a cap based on the cap price of the capped call transactions.

The information furnished with this report, including Exhibit 99.1, shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act), or otherwise subject to the liabilities of that section, nor shall it be deemed incorporated by reference into any other filing under the Securities Act of 1933, as amended, or the Exchange Act, except as expressly set forth by specific reference in such a filing.

**Item 8.01. Other Events.**
