PART I

Item 1. BUSINESS

(a) General Development of Business

Hormel Foods Corporation, a Delaware corporation (the Company), was founded by George A. Hormel in 1891 in Austin, Minnesota, as Geo. A. Hormel & Company. The Company started as a processor of meat and food products and continues in this line of business. The Company's name was changed to Hormel Foods Corporation on January 31, 1995. The Company is primarily engaged in the production of a variety of meat and food products and the marketing of those products throughout the United States and internationally. Although pork and turkey remain the major raw materials for its products, the Company has emphasized for several years the manufacturing and distribution of branded, value-added consumer items rather than the commodity fresh meat business. The Company has continually expanded its product portfolio through organic growth, new product development, and acquisitions.

Internationally, the Company markets its products through Hormel Foods International Corporation (HFIC), a wholly owned subsidiary. HFIC has a presence in the international marketplace through joint ventures and placement of personnel in strategic foreign locations such as Australia, Canada, China, Japan, and the Philippines. HFIC has a global presence with a minority position in a food company in the Philippines (The Purefoods-Hormel Company, Inc., 40% holding).

The Company has not been involved in any bankruptcy, receivership, or similar proceedings during its history. Substantially all the assets of the Company have been acquired in the ordinary course of business.

On July 13, 2015, the Company acquired Applegate Farms, LLC (Applegate) of Bridgewater, New Jersey, for a preliminary purchase price of \$774.1 million in cash. The purchase price is preliminary pending final adjustments, and was funded by the Company with cash on hand and by utilizing short-term financing.

The Company had no other significant change in the type of products produced or services rendered, or in the markets or methods of distribution since the beginning of the 2015 fiscal year.

(b) Segments

The Company's business is reported in five segments: Grocery Products, Refrigerated Foods, Jennie-O Turkey Store (JOTS), Specialty Foods, and International & Other. Net sales to unaffiliated customers, operating profit, total assets, and the presentation of certain other financial information by segment, are reported in Note P of the Notes to Consolidated Financial Statements and in the Management's Discussion and

Edgar Filing: Hormel Foods Corp /DE/ - Form 10-K

Analysis of Financial Condition and Results of Operations of the Annual Stockholder's Report for the fiscal year ended October 25, 2015, incorporated herein by reference.

(c) Description of Business

Products and Distribution

The Company's products primarily consist of meat and other food products. The meat products are sold fresh, frozen, cured, smoked, cooked, and canned. The percentages of total revenues contributed by classes of similar products for the last three fiscal years are as follows:

	<u>October 25, 2015</u>	<u>Fiscal Year Ended October 26, 2014</u>	<u>October 27, 2013</u>
Perishable	53.0%	54.5%	53.3%
Poultry	18.6	18.4	18.8
Shelf-stable	18.4	19.0	19.0
Miscellaneous	10.0	8.1	8.9
	100.0%	100.0%	100.0%

Reporting of revenues from external customers is based on similarity of products, as the same or similar products are sold across multiple distribution channels such as retail, foodservice, or international. Revenues reported are based on financial information used to produce the Company's general-purpose financial statements.

The Perishable category includes fresh meats, frozen items, refrigerated meal solutions, sausages, hams, wieners, guacamole, and bacon (excluding JOTS products). The Poultry category is composed primarily of JOTS products. Shelf-stable includes canned

Table of Contents

luncheon meats, shelf-stable microwaveable meals, stews, chilies, hash, meat spreads, flour and corn tortillas, salsas, tortilla chips, peanut butter, and other items that do not require refrigeration. The Miscellaneous category primarily consists of nutritional food products and supplements, sugar and sugar substitutes, dessert and drink mixes, and industrial gelatin products.

Domestically, the Company sells its products in all 50 states. The Company's products are sold through its sales personnel, operating in assigned territories or as dedicated teams serving major customers, coordinated from sales offices located in most of the larger U.S. cities. The Company also utilizes independent brokers and distributors. As of October 25, 2015, the Company had approximately 850 sales personnel engaged in selling its products. Distribution of products to customers is primarily by common carrier.

Through HFIC, the Company markets its products in various locations throughout the world. Some of the larger markets include Australia, Canada, China, England, Japan, Mexico, Micronesia, the Philippines, Singapore, and South Korea. The distribution of export sales to customers is by common carrier, while the China operations own and operate their own delivery system. The Company, through HFIC, has licensed companies to manufacture various Company products internationally on a royalty basis, with the primary licensees being Tulip International of Denmark and CJ CheilJedang Corporation of South Korea.

Raw Materials

The Company has, for the past several years, been concentrating on branded products for consumers with year-round demand to minimize the seasonal variation experienced with commodity-type products. Pork continues to be the primary raw material for Company products. Although the live pork industry has evolved to large, vertically integrated, year-round operations, and supply contracts have become prevalent in the industry, there is still a seasonal variation in the supply of fresh pork materials. The Company's expanding line of branded products has reduced, but not eliminated, the sensitivity of Company results to raw material supply and price fluctuations.

The majority of the hogs harvested by the Company are purchased under supply contracts from producers located principally in California, Colorado, Illinois, Iowa, Kansas, Minnesota, Nebraska, North Dakota, South Dakota, Texas, Utah, and Wisconsin. The cost of hogs and the utilization of the Company's facilities are affected by both the level and the methods of pork production in the United States. The movement toward larger operations, which operate under supply agreements with processors, has resulted in fewer hogs being available on the spot cash market. The Company, like others in the industry, uses supply contracts to manage the effects of this trend and to ensure a stable supply of raw materials. The Company's contracts are based on market-based formulas and/or the cost of production, to better balance input costs with customer pricing, and all contract costs are fully reflected in the Company's reported financial statements. In fiscal 2015, the Company purchased 94 percent of its hogs under supply contracts. The Company also procures a portion of its hogs through farms that it either owns or operates in Arizona, California, Colorado, and Wyoming.

In fiscal 2015, JOTS raised turkeys representing approximately 77 percent of the volume needed to meet its raw material requirements for whole bird and branded turkey products. Turkeys not sourced within the Company are contracted with independent turkey growers. JOTS turkey-raising farms are located throughout Minnesota and Wisconsin.

Production costs in raising hogs and turkeys are subject primarily to fluctuations in feed grain prices and, to a lesser extent, fuel costs. To manage this risk, the Company hedges a portion of its anticipated purchases of grain using futures contracts.

Additionally, the cost and supply of avocados, peanuts, whey, and natural and organic protein are impacted by the changing market forces of supply and demand which can impact the cost of the Company's products. The Company uses long-term supply contracts and forward buying in an attempt to manage these risks.

Manufacturing

The Company has three plants that harvest hogs for processing. Quality Pork Processors, Inc. of Dallas, Texas, operates the harvesting facility at Austin, Minnesota, under a custom harvesting arrangement. The Company currently has seven turkey harvest and processing operations, and 35 facilities that produce and distribute other manufactured items. Albert Lea Select Foods, Inc. operates the processing facility at Albert Lea, Minnesota, under a custom manufacturing agreement. Company products are also custom manufactured by several other companies. The following are the Company's larger custom manufacturers: Abbyland Foods, Inc., Abbotsford, Wisconsin; Agropur Division Natrel USA, Maplewood, Minnesota; Algood Food Company, Louisville, Kentucky; Cloverleaf Cold Storage, Sioux City, Iowa; Deitz & Watson, Inc., Philadelphia, Pennsylvania; HP Hood LLC, Lynnfield, Massachusetts; OSI Industries LLC, Chicago, Illinois; Park 100 Foods, Inc., Tipton, Indiana; Reichel Foods, Inc., Rochester, Minnesota; Reser's Fine Foods, Topeka, Kansas; and Steuben Foods, Jamaica, New York. Exel, Inc., based in Westerville, Ohio, operates distribution centers for the Company in Dayton, Ohio, and Osceola, Iowa.

Table of Contents

Patents and Trademarks

There are numerous patents and trademarks that are important to the Company's business. The Company holds 46 U.S.-issued and 17 foreign patents. Most of the trademarks are registered. Some of the more significant owned or licensed trademarks used by the Company or its affiliates are:

HORMEL, ALWAYS TENDER, APPLGATE, AUSTIN BLUES, BACON 1, BLACK LABEL, BREAD READY, BÚFALO, CAFÉ H, CALIFORNIA NATURAL, CHI-CHI'S, COMPLEATS, CURE 81, CUREMASTER, CYTOSPORT, DAN'S PRIZE, DI LUSSO, DINTY MOORE, DODGER DOG, DON MIGUEL, DOÑA MARIA, DUBUQUE, EMBASA, ESSENCE C, FARMER JOHN, FAST N EASY, FIRE BRAISED, HERB-OX, HERDEZ, HIBACHI GRILL, HOMELAND, HORMEL GATHERINGS, HOUSE OF TSANG, JENNIE-O, KID'S KITCHEN, LA VICTORIA, LAYOUT, LITTLE SIZZLERS, LLOYD'S, MANNY'S, MARY KITCHEN, MONSTER MILK, MUSCLE MILK, NATURAL CHOICE, NATURASELECT, NOT-SO-SLOPPY-JOE, OLD SMOKEHOUSE, PILLOW PACK, POCO PAC, PREMORO, PREP CHEF, RANGE BRAND, REV, ROSA GRANDE, SAAG'S, SANDWICH MAKERS, SAUCY BLUES, SKIPPY, SPAM, SPECIAL RECIPE, STAGG, TEZZATA, THICK & EASY, VALLEY FRESH, WHOLLY GUACAMOLE, and WRANGLERS.

The Company's patents expire after a term that is typically 20 years from the date of filing, with earlier expiration possible based on the Company's decision to pay required maintenance fees. As long as the Company intends to continue using its trademarks, they are renewed indefinitely.

Customers and Backlog Orders

During fiscal year 2015, sales to Wal-Mart Stores, Inc. (Wal-Mart) represented approximately 13.9 percent of the Company's revenues (measured as gross sales less returns and allowances), compared to 14.1 percent in fiscal 2014. Wal-Mart is a customer for all five segments of the Company. The five largest customers in each segment make up approximately the following percentage of segment sales: 45 percent of Grocery Products, 36 percent of Refrigerated Foods, 41 percent of JOTS, 35 percent of Specialty Foods, and 23 percent of International & Other. The loss of one or more of the top customers in any of these segments could have a material adverse effect on the results of such segment. Backlog orders are not significant due to the perishable nature of a large portion of the products. Orders are accepted and shipped on a current basis.

Competition

The production and sale of meat and food products in the United States and internationally are highly competitive. The Company competes with manufacturers of pork and turkey products, as well as national and regional producers of other meat and protein sources, such as beef, chicken, fish, peanut butter, and whey. The Company believes that its largest domestic competitors for its Refrigerated Foods segment in 2015 were Tyson Foods, Inc. and Smithfield Foods, Inc.; for its Grocery Products segment, ConAgra Foods, Inc., General Mills, Inc., Campbell Soup Co., and J. M. Smucker Co.; and for JOTS, Cargill, Inc. and Butterball, LLC.

Edgar Filing: Hormel Foods Corp /DE/ - Form 10-K

All segments compete on the basis of price, product quality and attributes, brand identification, breadth of product line, and customer service. Through aggressive marketing and strong quality assurance programs, the Company's strategy is to provide higher quality products that possess strong brand recognition, which would then support higher value perceptions from customers.

Research and Development

Research and development continues to be a vital part of the Company's strategy to extend existing brands and expand into new branded items. The expenditures for research and development for fiscal 2015, 2014, and 2013, were approximately \$32.0 million, \$29.9 million, and \$29.9 million, respectively. There are approximately 150 employees engaged in full time research and development, 80 in the area of improving existing products and 70 in developing new products.

Employees

As of October 25, 2015, the Company had approximately 20,700 active domestic and foreign employees.

Table of Contents**(d) Geographic Areas**

Financial information about geographic areas, including total revenues attributed to the U.S. and all foreign countries in total for the last three fiscal years of the Company, is reported in Note P of the Notes to Consolidated Financial Statements of the Annual Stockholder's Report for the fiscal year ended October 25, 2015, incorporated herein by reference.

(e) Available Information

The Company makes available, free of charge on its Web site at www.hormelfoods.com, its annual report on Form 10-K, quarterly reports on Form 10-Q, current reports on Form 8-K, and amendments to those reports filed or furnished pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934. These reports are accessible under the caption, Investors SEC Filings on the Company's Web site and are available as soon as reasonably practicable after such material is electronically filed with or furnished to the Securities and Exchange Commission.

The documents noted above are also available in print, free of charge, to any stockholder who requests them.

(1) Many of the Company's properties are not exclusive to any one segment, and a few of the properties are utilized in all five segments. For locations that support multiple segments, but with a substantial percentage of activity attributable to certain segments, only the principal segments have been listed.

(2) Acres

The Company believes its operating facilities are well maintained and suitable for current production volumes, and expansion plans are either completed or in process to accommodate all volumes anticipated in the foreseeable future.

Item 3. LEGAL PROCEEDINGS

The Company is a party to various legal proceedings related to the on-going operation of its business, including claims both by and against the Company. At any time, such proceedings typically involve claims related to product liability, contract disputes, wage and hour laws, employment practices, or other actions brought by employees, consumers, competitors, or suppliers. Resolution of any currently known matters, either individually or in the aggregate, is not expected to have a material effect on the Company's financial condition, results of operations, or

liquidity.

Item 4. MINE SAFETY DISCLOSURES

Not applicable.

Table of Contents**PART II****Item 5. MARKET FOR REGISTRANT'S COMMON EQUITY, RELATED STOCKHOLDER MATTERS AND ISSUER PURCHASES OF EQUITY SECURITIES**

Item 9. CHANGES IN AND DISAGREEMENTS WITH ACCOUNTANTS ON ACCOUNTING AND FINANCIAL DISCLOSURE

None.

Item 9A. CONTROLS AND PROCEDURES

Disclosure Controls and Procedures

As of the end of the period covered by this report (the Evaluation Date), the Company carried out an evaluation, under the supervision and with the participation of management, including the Chief Executive Officer and the Chief Financial Officer, of the effectiveness of the design and operation of our disclosure controls and procedures (as defined in Rule 13a-15(e) of the Securities Exchange Act of 1934, as amended (the Exchange Act)). In designing and evaluating the disclosure controls and procedures, management recognized that any controls and procedures, no matter how well designed and operated, can provide only reasonable assurance of achieving the desired control objectives. Based on that evaluation, our Chief Executive Officer and Chief Financial Officer concluded that, as of the Evaluation Date, our disclosure controls and procedures were effective to provide reasonable assurance that information we are required to disclose in reports we file or submit under the Exchange Act is recorded, processed, summarized, and reported within the time periods specified in Securities and Exchange Commission rules and forms, and that such information is accumulated and communicated to our management, including our Chief Executive Officer and Chief Financial Officer, as appropriate, to allow timely decisions regarding required disclosure.

Internal Control over Financial Reporting

- (a) The report entitled Management's Report on Internal Control Over Financial Reporting on page 33 of the Annual Stockholder's Report for the fiscal year ended October 25, 2015, is incorporated herein by reference.
- (b) The report entitled Report of Independent Registered Public Accounting Firm on page 34 of the Annual Stockholder's Report for the fiscal year ended October 25, 2015, is incorporated herein by reference.
- (c) During the fourth quarter of fiscal year 2015, there has been no change in the Company's internal control over financial reporting (as defined in Rule 13a-15(f) under the Exchange Act) that has materially affected, or is reasonably likely to materially affect, the Company's internal control over financial reporting.

Item 9B. OTHER INFORMATION

None.
