ITEM 8.01 OTHER EVENTS

On March 16, 2016, CyrusOne Inc. (CyrusOne) issued a press release announcing that it has priced a public offering of 6,000,000 shares of its common stock at a price to the public of \$38.50 per share. The offering was upsized from the previously announced public offering of 5,500,000 shares of common stock. The underwriters have been granted an option to purchase up to 900,000 additional shares of common stock from CyrusOne at the public offering price, less underwriting discounts.

CyrusOne will contribute, directly and indirectly, the net proceeds from the offering to its operating partnership, CyrusOne LP (the Operating Partnership), in exchange for 6,000,000 newly issued common units (or 6,900,000 common units if the underwriters exercise their option to purchase additional shares of CyrusOne's common stock in full) of limited partnership interests in the Operating Partnership.

The Operating Partnership is expected to use such proceeds to finance, in part, its previously announced acquisition (the Acquisition) of certain property in Aurora, Illinois from CME Group Inc., to pay fees and expenses related to the Acquisition, to fund capital expenditures related to recently signed leases, to repay outstanding indebtedness under its revolving credit facility and for general corporate purposes. In the event the Operating Partnership does not consummate the Acquisition, it is expected to use such proceeds to fund capital expenditures related to recently signed leases, to repay outstanding indebtedness under its revolving credit facility and for general corporate purposes.

A copy of the press release is furnished herewith as Exhibit 99.1.
