Item 1.01. Entry into a Material Definitive Agreement.

Offering of Senior Notes

On August 5, 2016, the Company completed its public offering (the Offering) of \$425,000,000 aggregate principal amount of the Company's 5.750% senior notes due 2023 (the Notes). In connection with the Offering, on August 2, 2016, the Company entered into an underwriting agreement (the Underwriting Agreement) with Goldman, Sachs & Co., as the representative of the underwriters listed therein (collectively, the Underwriters). Pursuant to the Underwriting Agreement, the Company agreed to sell and the Underwriters agreed to purchase for resale to the public, subject to the terms and conditions expressed therein, the Notes.

The Notes are the Company's unsecured senior obligations. The Notes will pay interest semi-annually on February 15 and August 15 of each year at a rate of 5.750% per year, and will mature on August 15, 2023.

The Underwriting Agreement contains customary representations, warranties and agreements of the Company, conditions to closing, indemnification rights and obligations of the parties and termination provisions. The description of the Underwriting Agreement set forth above is qualified in its entirety by reference to the text of the Underwriting Agreement, a copy of which is filed herewith as Exhibit 1.1 and is incorporated herein by reference.

The Notes were issued under the Indenture, dated October 15, 2000, between the Company and U.S. Bank National Association, as successor Trustee (the Trustee), as amended and supplemented (the Base Indenture) by the Third Supplemental Indenture, dated August 5, 2016, between the Company and the Trustee (the Supplemental Indenture and together with the Base Indenture, the Indenture). The Indenture provides for customary events of default and further provides that the Trustee or the holders of at least 25% in aggregate principal amount of the outstanding Notes may declare the Notes immediately due and payable upon the occurrence of certain events of default after the expiration of any applicable grace period. In addition, in the case of an event of default arising from certain events of bankruptcy, insolvency or reorganization relating to the Company or any of its significant subsidiaries, all outstanding Notes under the Indenture will become due and payable immediately. The description of the Supplemental Indenture set forth above does not purport to be complete and is qualified in its entirety by reference to the Supplemental Indenture filed as Exhibit 4.1 to this Current Report on Form 8-K and incorporated herein by reference.

The Notes were registered pursuant to the Registration Statement that the Company filed with the Securities and Exchange Commission (the SEC) on May 9, 2016, under the Securities Act of 1933, as amended.

The Company intends to use the net proceeds from the Offering, together with, in certain cases, shares of its common stock, to purchase approximately \$292.4 million aggregate principal amount of its 2% Convertible Senior Notes due 2020 (the 2020 Convertible Notes). The Company also intends to use a portion of the net proceeds to purchase shares of its common stock to offset the shares used as partial consideration in the purchase of its 2020 Convertible Notes. Any remaining proceeds will be added to the Company's funds available for general corporate purposes and may be used to purchase additional 2020 Convertible Notes.

Underwriters

Edgar Filing: MGIC INVESTMENT CORP - Form 8-K

In the ordinary course of their respective businesses, the Underwriters or their affiliates have performed and may in the future perform certain commercial banking, investment banking and

advisory services for the Company from time to time for which they have received and may receive in the future customary fees and expenses. Specifically, Goldman, Sachs & Co. advised the Company with respect to the repurchase of the 2020 Convertible Notes. Goldman, Sachs & Co. received customary compensation for its services in connection with such repurchases. Goldman, Sachs & Co. may also act as the Company's agent in connection with any open market repurchases of its shares of common stock as described above.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information provided in Item 1.01 of this Current Report on Form 8-K is hereby incorporated by reference into this Item 2.03.

Item 8.01. Other Events.

The Company entered into privately negotiated agreements with certain holders of the 2020 Convertible Notes to repurchase approximately \$292.4 million aggregate principal amount of the outstanding 2020 Convertible Notes (the "2020 Convertible Purchases"). These agreements include those agreements that were disclosed in a Current Report on Form 8-K that the Company filed with the SEC on August 4, 2016. The total consideration to be paid by the Company in the 2020 Convertible Purchases consists of approximately \$230.7 million in cash and 18,313,482 shares of the Company's common stock.

The Company intends to repurchase shares of its common stock in the future to offset the shares used as partial consideration in the 2020 Convertible Purchases.
