PROXY STATEMENT

Annual Meeting Of Shareholders

This Proxy Statement is furnished to the shareholders of First Northern Community Bancorp (the "Company") in connection with the solicitation of proxies to be used in voting at the Annual Meeting of Shareholders of the Company to be held on May 18, 2010, at First Northern Bank's Operations Center located at 210 Stratford Avenue, Dixon, California at 5:30 p.m., and at any adjournment or postponement thereof. The solicitation of the proxy accompanying this Proxy Statement is made by the Board of Directors of the Company, and the costs of such solicitation, including the expense of preparing, assembling, printing, and mailing this Proxy Statement and the material used in this solicitation of proxies, will be borne by the Company. It is contemplated that proxies will be solicited through the mail, but officers and staff of the Company may solicit proxies personally. The Company may, at its discretion, engage the services of a proxy solicitation firm to assist in the solicitation of proxies. The total expense of this solicitation will be borne by the Company and will include reimbursement paid to brokerage firms and others for their expenses in forwarding soliciting material and such expenses as may be paid to any proxy solicitation firm engaged by the Company.

It is expected that this Proxy Statement and accompanying Notice will be mailed to shareholders on or about April 19, 2010.

A proxy for the Annual Meeting is enclosed. Any shareholder who executes and delivers a proxy has the right to revoke it at any time before it is voted by filing with the Corporate Secretary of the Company an instrument revoking it or a duly executed proxy bearing a later date. In addition, a proxy will be revoked if the person executing the proxy is present at the Annual Meeting and advises the Chairman of his or her election to vote in person.

The proxy also confers discretionary authority to vote the shares represented thereby and on any matter that was not known at the time this Proxy Statement was mailed which may properly be presented for action at the Annual Meeting; action with respect to procedural matters pertaining to the conduct of the Annual Meeting; and election of any person to serve as a director in lieu of a bona fide nominee is named herein, if such nominee is unable or unwilling to serve.

Voting Rights and Vote Required

Only shareholders of record at the close of business on the record date of March 31, 2010 will be entitled to vote in person or by proxy at the Annual Meeting. On the record date, there were 9,055,137 shares of common stock of the Company issued and outstanding and entitled to vote.

Shareholders of common stock of the Company are entitled to one vote for each share held, except that in the election of Directors, under California law and the bylaws of the Company, each shareholder may be eligible to exercise cumulative voting rights and may be entitled to as many votes as shall equal the number of shares of common stock of the Company held by such shareholder multiplied by the number of directors to be elected, and such shareholder may cast all of such votes for a single nominee or may distribute them among two or more nominees. No shareholder, however, shall be entitled to cumulate votes (in other words, cast for any candidate a number of votes greater than the number of shares of common stock held by such shareholder multiplied by the number of directors to be elected) unless the name(s) of the candidate(s) has (have) been placed in nomination prior to voting in accordance with Article III, Section 23 of the Company's bylaws (which requires that nominations made other than by the Board of Directors be made at least 30 and not

more than 60 days prior to any meeting of shareholders) and a shareholder has given notice to the Company of an intention to cumulate votes prior to the voting in accordance with Article II, Section 13 of the Company's bylaws. If any shareholder has given such notice, all shareholders may cumulate their votes for candidates in nomination, in which event votes represented by proxies delivered pursuant to this Proxy Statement may be cumulated, in the discretion of the proxyholders, in accordance with the recommendation of the Board of Directors. Discretionary authority to cumulate votes in such event is, therefore, solicited in this Proxy Statement.

The vote required to approve each proposal is as follows:

1. In the election of directors, the nine nominees receiving the highest number of votes will be elected. It is required that all shareholders vote for nominees as brokerage firms can no longer vote your shares for you; therefore, we respectfully request you vote your proxy;
2. Approval of a non-binding advisory proposal on the compensation of the Company's named executive officers, will require the affirmative vote of a majority of the shares represented and voting at the Meeting.
3. Ratification of the appointment by the Audit Committee of the Board of Directors of the independent registered public accounting firm will require the affirmative vote of a majority of the shares represented and voting at the Meeting.

If you hold your shares in street name, you must vote your shares in the manner prescribed by your brokerage firm, bank or other nominee. Your brokerage firm, bank or other nominee has enclosed or otherwise provided a voting instruction card for you to use in directing the brokerage firm, bank or other nominee how to vote your shares. If you hold your shares in street name and do not provide voting instructions to your broker or other nominee, your shares will be considered to be "broker non-votes" and will not be voted on any proposal on which your broker or other nominee does not have discretionary authority to vote under the rules of the NYSE. Shares that constitute broker non-votes will be counted as present at the meeting for the purpose of determining a quorum. Your broker or other nominee has discretionary authority to vote your shares on the ratification of Moss Adams LLP as our independent auditor. Your broker or other nominee does not have discretionary authority to vote your shares on the election of directors. It is not clear whether there is discretionary voting authority for the advisory vote to approve the compensation of our executives disclosed in this proxy statement and we expect this determination will be made by each respective broker or nominee. If you hold your shares in street name and you want to vote in person at the Annual Meeting, you must obtain a legal proxy from your broker and present it at the Annual Meeting.

Voting of Proxies—Quorum

The shares of common stock of the Company represented by all properly executed proxies received in time for the Meeting will be voted in accordance with the shareholders' choices specified therein; where no choices have been specified, the shares will remain unvoted in the election of the nine nominees for director recommended by the Board of Directors, "FOR" the non-binding advisory proposal on the compensation of the Company's named executive officers; and "FOR" the ratification of the appointment by the Audit Committee of the Board of Directors of Moss Adams LLP as the independent registered public accounting firm for the year ending December 31, 2010 and at the proxyholder's discretion, on such other matters, if any, which may properly come before the Meeting (including any proposal to adjourn the Meeting). A majority of the shares entitled to vote, represented either in person or by a properly executed proxy, will constitute a quorum at the Meeting.

Abstentions and broker “non-votes” are each included in the determination of the number of shares present and voting for purposes of determining the presence of a quorum.

Revocability of Proxy

A shareholder using the enclosed proxy may revoke the authority conferred by the proxy at any time before it is exercised by delivering written notice of revocation to the Secretary of the Company or a duly executed proxy bearing a later date, or by appearing and voting by ballot in person at the Meeting.

Proposal 1 Nomination and Election of Directors

At the Annual Meeting it will be proposed to elect nine (9) directors of the Company, each to hold office until the next annual meeting and until their successors shall be elected and qualified. It is the intention of the proxyholders named in the enclosed proxy to vote such proxies (except those containing contrary instructions) for the nine nominees named below.

The Board of Directors does not anticipate that any of the nominees will be unable to serve as a director of the Company, but if that should occur before the Meeting, the proxyholders, in their discretion, upon the recommendation of the Company’s Board of Directors, reserve the right to substitute as nominee and vote for another person of their choice in the place and stead of any nominee unable so to serve. The proxyholders reserve the right to cumulate votes for the election of directors and cast all of such votes for any one or more of the nominees, to the exclusion of the others, and in such order of preference as the proxyholders may determine in their discretion, based upon the recommendation of the Board of Directors.

- (d) who has or is the nominee of anyone who has any contract, arrangement or understanding with any banking corporation, or affiliate or subsidiary thereof, bank holding company, industrial loan company, savings bank or association or finance company, other than the Company or any affiliate or subsidiary of the Company, or with any officer, director, employee, agent, nominee, attorney or other representative of such covered entity, that he or she will reveal or in any way utilize information obtained as a director of the Company or that he or she will, directly or indirectly, attempt to effect or encourage any action of the Company.

Nominations not made in accordance with the procedures set forth in the Company's bylaws may, in the discretion of the Chairman of the Meeting, be disregarded, and, upon his instruction, the inspector(s) of election shall disregard all votes cast for such nominee(s). A copy of Sections 22 and 23 of Article III of the Company's bylaws may be obtained by sending a written request to: Ms. Lynn Campbell, Corporate Secretary, First Northern Community Bancorp, 195 North First Street, Dixon, California 95620.

The Bank has several other committees that meet on an as needed basis.

If you wish to communicate with the Board of Directors you may send correspondence to the Corporate Secretary, First Northern Community Bancorp, 195 North First Street, Dixon, California 95620. The Corporate Secretary will submit your correspondence to the Board of Directors or the appropriate committee, as applicable.

Board of Directors Meetings

In 2009, the Board of Directors of the Bank held 12 regularly scheduled meetings, 1 special teleconference meeting and 5 joint meetings with the Board of Directors of the Company. Each director attended at least 75% of the aggregate of: (1) the total number of meetings of the Boards of Directors held during the period for which he or she has been a director; and (2) the total number of meetings of committees of the Boards of Directors on which he or she served during the period for which he or she served. The Company has a policy to encourage directors to attend the Annual Meeting. All directors attended the Annual Meeting of Shareholders in 2009.

Director Independence

The Board of Directors has determined that (1) a majority of the Company's directors, (2) each member of the Compensation Committee, (3) each member of the Audit Committee, and (4) each member of the Nominating and Corporate Governance Committee except for Mr. Onsum, is "independent" under the applicable standards set forth in the Nasdaq Marketplace Rules. The Board of Directors has determined that all directors except Mr. Onsum are independent under the applicable standards set forth in the Nasdaq Marketplace Rules.

The Board of Directors does not have a policy regarding the separation of the roles of Chief Executive Officer and Chairman of the Board as the Board believes it is in the best interest of the Company to make that determination based on the position and direction of the Company and the membership of the Board. The Board has determined that having an independent director serve as Chairman is in the best interest of the Company's shareholders at this time. This structure ensures a greater role for the independent directors in the oversight of the Company and active participation of the independent directors in setting agendas and establishing Board priorities and procedures. Further, this structure permits the Chief Executive Officer to focus on the management of the Company's day-to-day operations.

1. The Board of Directors of the Company and the Bank are comprised of the same nine people. Each director who is not an officer or employee of the Company or the Bank received \$1,000 for each jointly-held and regularly scheduled meeting of the Boards of Directors attended, with the exception of the Board Chairman who received \$1,400, \$400 per special meeting of the Board of Directors, \$150 per Directors Loan teleconference or Special teleconference meeting, and \$500 per Committee meeting attended with the Chairman of Committee meetings receiving \$600, with the exception of the Audit Committee. The Audit Committee members received \$500 per meeting with the Chairman of the Audit Committee receiving \$700 per meeting. Mr. Onsum is the only director who is an employee and he receives no additional compensation for his services as a director. Andrew S. Wallace resigned from the Board of Directors on December 17, 2009.
2. This column includes the value of all stock awards, which is restricted common stock though there were no issuance of restricted common stock to Directors during 2009. The amounts indicated for stock awards represent the aggregate fair market value as of the grant date that was recognized for the stock award. The assumptions used in the valuation of stock awards are included in Note 13 to First Northern Community Bancorp's audited financial statements included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2009.
3. Amounts reflected in this column are attributable to the aggregate change in the actuarial present value of each director's accumulated benefit under the Company's Director.

The Company has Director Retirement Agreements with each of its non-employee directors. The agreements are intended to encourage existing directors to remain directors, providing the Company with the benefit of the directors' experience and guidance in the years ahead. The Company believes it is advisable and appropriate to reward director service with a competitive compensation package, including board fees and post-retirement benefits.

For retirement on or after the normal retirement age of 65, the Director Retirement Agreements provide a benefit for ten years ranging from \$10,000 annually for a director with ten years of service to a maximum of \$15,000 annually for a director with 15 or more years of service, including years of service prior to the effective date of the Director Retirement Agreements. There are four directors who have served more than 15 years as a director. Benefits under the Director Retirement Agreements are payable solely to those directors who have served for at least ten years, unless the director terminates service because of death or disability or unless the director's service terminates within two years after a change in control.

In the case of early termination of a director's service before age 65 for reasons other than death or disability or within two years after a change in control, he or she will receive over a period of ten years aggregate payments equal to the retirement-liability balance accrued by the Company at the end of the year before the year in which the director's service terminated. However, early termination benefits will not be payable unless the director is at least 55 years of age and has served as a director for at least ten years, including years of service prior to the effectiveness of the Agreements. If a director becomes disabled before age 65, the director will receive a lump-sum payment in an amount equal to the retirement-liability balance accrued by the Company at the end of the year before the year in which disability occurred regardless of whether the director has ten years of service or has reached age 55. If a change in control occurs and a director's service terminates within 24 months after the change in control, the director will receive a lump-sum payment equal to the retirement-liability balance accrued by the Company at the end of the year before the year in which termination occurred, regardless of whether the director has ten years of service or has reached age 55. For this purpose, the term "change in control" means:

- A merger occurs and as a consequence the Company's shareholders prior to the merger own less than 50% of the resulting company's voting stock;
- A beneficial ownership report is required to be filed under Section 13(d) or 14(d) of the Securities Exchange Act of 1934 by a person (or group of persons acting in concert) to report ownership of 20% or more of the Company's voting securities; or
- During any period of two consecutive years, individuals who constituted the Company's Board of Directors at the beginning of the two-year period cease for any reason to constitute a majority of the Board. Directors elected during the two-year period are treated as if they were directors at the beginning of the period if they were nominated by at least two-thirds of the directors in office at the beginning of the period.

No benefits are payable under the Director Retirement Agreements to a director's beneficiaries after the director's death. A director forfeits all benefits under the Director Retirement Agreement if his or her director service terminates because of neglect of duties, commission of a felony or misdemeanor, or acts of fraud, disloyalty, or willful violation of significant Bank policies, or if the director is removed by order of the Federal Deposit Insurance Corporation (FDIC).

The Company has also purchased insurance policies on the lives of the directors who entered into Director Retirement Agreements, paying the premiums for these insurance policies with one lump-sum premium payment of approximately \$2.15 million. The Company expects to recover the premium in full from its portion of the policies' death benefits. The Company purchased the policies as an informal financing mechanism for the post-retirement payment obligations under the Director Retirement Agreements. Although the Company expects these policies to serve as a source of funds for benefits payable under the Director Retirement Agreements, the contractual entitlements arising under the Director Retirement Agreements are not funded and remain contractual liabilities of the Company, payable on or after each director's termination of service.

Under the Split Dollar Agreements and Split Dollar Policy Endorsements with the directors, which were entered into on the same date the Director Retirement Agreements were executed, the policy interests are divided between the Company and each director. The Split Dollar Agreements provide that a director's designated beneficiary(ies) will be entitled to receive at the director's death life insurance proceeds in the amount of:

- (a) \$120,000 if the director dies before age 65,
- (b) \$60,000 if the director dies after reaching age 65 but before age 75, and
- (c) \$30,000 if the director dies thereafter

The director's beneficiary(ies) would receive no further benefits under the Director Retirement Agreement, and the Company's obligations under that agreement would be extinguished. The Company is entitled to any insurance policy death benefits remaining after payment to the director's beneficiary(ies).

Director NonQualified Deferred Compensation

The Company has implemented an elective deferred director fee plan, a nonqualified plan providing unfunded deferred benefits for participating directors. Under the Plan, deferred director fees earn interest at a rate determined annually by the Company. Under the Plan, Ms. Aldrete elected to defer \$1,200 of her 2009 director fees. In 2009, her deferred director fees earned interest at 5.23% per annum. Ms. Aldrete's aggregate earnings in the plan are \$1,435 and the aggregate balance at December 31, 2009 was \$28,846. In addition, Ms. Aldrete has elected not to defer any portion of her board meeting director fees in 2010. Deferred fees and interest earned will be paid out to Ms. Aldrete at her retirement. If she dies before her retirement age, her beneficiary(ies) will receive the deferred fees and interest

earned at the time of her death. The Company is entitled to any insurance policy death benefits from an insurance policy purchased by the Company with a lump-sum premium payment of \$75,000.

Report of Audit Committee

The Audit Committee oversees relevant accounting, risk assessment, risk management and regulatory matters. It meets with the Bank's and the Company's internal auditors and its independent registered public accounting firm to review the scope of their work as well as to review quarterly and annual financial statements and regulatory and public disclosures with the officers in charge of financial reporting, control and disclosure functions. After reviewing the independent registered public accounting firm's qualifications, partner rotation and independence, the Audit Committee appoints the independent registered public accounting firm subject to shareholder ratification, if required or sought. In addition, the Audit Committee reviews reports of examination conducted by regulatory agencies and follows up with management concerning any recommendations and required corrective action, or to assess the Company's internal control over financial reporting.

The Audit Committee reports regularly to the Boards of Directors of the Bank and the Company and has the authority to select, retain, terminate and approve the fees and other retention terms of special counsel or other experts or consultants, as it deems appropriate and necessary to perform its duties.

In performing its functions, as outlined in the Audit Committee Charter (available for review on the Bank's website at www.thatsmybank.com) approved annually by the Bank's Board of Directors, the Audit Committee of the Bank acts only in an oversight capacity and necessarily relies on the work and assurances of management, which has the primary responsibility for financial statements and reports, and of the Company's independent registered public accounting firm, who, in their report, express an opinion on the conformity of the Company's annual financial statements to generally accepted accounting principles.

In connection with the December 31, 2009 financial statements of the Company, the Audit Committee of the Bank: (1) reviewed and discussed the audited financial statements with management; (2) discussed with the Company's independent registered public accounting firm the matters required by Statement on Auditing Standards No. 61, as may be modified or supplemented; and (3) received the written disclosures and the letter from the Company's independent registered accounting firm required by Independence Standards Board Standard No. 1, as may be modified or supplemented, and has discussed with the Company's independent registered public accounting firm such firm's independence. Based upon these reviews and discussions, the Audit Committee of the Bank recommended to the Board of Directors that the audited financial statements of the Company be included in the Company's Annual Report on Form 10-K filed with the Securities and Exchange Commission ("SEC") for the fiscal year ended December 31, 2009.

Notwithstanding anything to the contrary set forth in any of the Company's previous or future filings under the Securities Act of 1933 or the Securities Exchange Act of 1934 that might incorporate this Proxy Statement or future filings with the SEC, in whole or in part, this report of the Audit Committee of the Bank's Board of Directors shall not be deemed to be incorporated by reference into any such filings except to the extent that it is specifically incorporated by reference therein.

The Audit Committee of the Bank's Board of Directors consists of four members who are each "independent directors," under the standards set forth in the Nasdaq Marketplace Rules. The Board of Directors has determined that Mr. Carbahal is an audit committee financial expert under the rules of the SEC.

Respectfully submitted,

Audit Committee

2. The amounts indicated for stock awards represent the aggregate fair market value as of the grant date that was recognized for the stock award.
3. The amounts indicated for stock options represent the grant date fair market value based on certain assumptions that are explained in Note 13 to our financial statements, which are included in our Annual Report on Form 10-K.

6. The amounts in this column reflect the actuarial increase in the present value of the named executive officer's benefits under all pension plans established by the Company determined using interest rate and mortality rate assumptions consistent with those used in the Company's financial statements and includes amounts which the named executive officer may not be entitled to receive because such amounts are not vested.

7. The aggregate amount of perquisites and other personal benefits or property in 2009 did not exceed \$10,000 for any named executive officer.

Narrative to Summary Compensation Table

Named Executive Officers

The Summary Compensation Table, and the table which follows provide compensation information for Mr. Onsum as the President and Chief Executive Officer, Ms. Walker as the Senior Executive Vice President and Chief Financial Officer, and Mr. Day as the other executive officer of the Company, other than the President and Chief Executive Officer and Senior Executive Vice President and Chief Financial Officer, who received more than \$100,000 in total compensation during 2009.

Non-Equity Incentive Plan Compensation

The Company paid no annual bonuses under the Incentive Compensation Plan in 2009. These bonuses would have been reported in the "Non-Equity Incentive Plan Compensation" column of the Summary Compensation Table at their actual payout value. The threshold, target and maximum potential bonus payouts at the time the Board of Directors established performance targets for the Incentive Compensation Plan. However, at the time this proxy statement was prepared, the actual payouts had been determined and the amounts reflected in the Summary Compensation Table are final.

Stock Option and restricted stock Awards

In 2009, two named executive officers received grants of stock options and restricted stock awards under the Company's 2006 Stock Incentive Plan. All stock options awarded to named executive officers during 2009 vest 25% at the end of the first year and 25% on each of the three years thereafter. All restricted stock awards to named executive officers during 2009 fully vest after four years. The amounts, if any, actually realized by the named executive officers will vary depending on the vesting of the award and the price of the Company's common stock in relation to the exercise price at the time of exercise.

The numbers of stock options and restricted stock and exercise prices with respect to 2009 awards and detail regarding the number of options and restricted stock held by each named executive officer at year-end is set forth in the Outstanding Equity Awards at Fiscal Year-End Table.

The 2000 Stock Option Plan terminated in February 2007. At the Annual Meeting of Shareholders held on April 27, 2006, the Company's shareholders approved the First Northern Community Bancorp 2006 Stock Incentive Plan. Effective as of February 2007, the 2006 Stock Incentive Plan has replaced the 2000 Stock Option Plan. All option grants and restricted stock awards to named executive officers in 2009 were made under the 2006 Stock Incentive Plan.

Change in Pension Value

The Company and the Bank do not have a defined benefit pension plan providing benefits based on final compensation and years of service. However, the Bank has entered into a Salary Continuation Agreement or Supplemental Employee Retirement Plan Agreement with each of the named executive officers. The year-over-year increase in the actuarial present value of these retirement benefits is included in the amounts reported in the “Change in Pension Value and Non-Qualified Deferred Compensation Earnings” column of the Summary Compensation Table. Additional detail regarding these benefits for each named executive officer is set forth below in the accompanying narrative.

Employment Agreements

In July 2001, the Bank entered into employment agreements with Mr. Onsum and Ms. Walker. Except for base salaries and potential termination payments, the employment agreements are largely identical. The 2001 agreements have three-year terms which expired on December 31, 2003, but the agreements renew automatically for consecutive three-year terms unless the executive officer or the Bank gives advance notice that the agreement will not renew. None of the named executive officers or the Bank gave advance notice that the employment agreements would not be renewed and the terms of such employment agreements were extended to December 31, 2009, on December 31, 2006. The annual base salaries stated in the employment agreements are \$205,020 for Mr. Onsum, and \$109,500 for Ms. Walker. The named executive officers’ base annual salaries have been adjusted on an annual basis since 2001, and may continue to be adjusted at the beginning of each year based on the named executive officer’s performance in the preceding year, as determined by the Board of Directors in Mr. Onsum’s case or by Mr. Onsum in the case of the other executive officers. The executives’ annual base salaries for 2009 are set forth above in the Summary Compensation Table.

In May 2006, the Bank entered into an employment agreement with Mr. Day. Except for base salaries and potential termination payments, the employment agreement is largely identical to those of the three other executive officers named above. The agreement has a three-year term which expired on May 15, 2009, but the agreement renews automatically for consecutive three-year terms unless Mr. Day or the Bank gives advance notice that the agreement will not renew. The annual base salary stated in the employment agreement is \$145,000.

CPP Limitations

In connection with our CPP financing, each of our named executive officers entered into a waiver and consent under which each agreed that the aggregate value of the involuntary separation payments and benefits that he or she could receive would be reduced as required by the terms of the EESA or the CPP rules. Payments to the named executive officers upon termination are not allowed.

Salary Continuation Agreements and Supplemental Executive Retirement Plan Agreements

The Company does not have a qualified defined benefit pension plan providing benefits based on final compensation and years of service. The Company has entered into Salary Continuation Agreements and Supplemental Executive Retirement Plan Agreements (“SERP”) with each of the named executive officers. There are two different plans. The four named executive officers had only Salary Continuation Agreements since 2002. In 2006, the Board changed the manner in which retirement benefits are provided to executive officers. The Board’s intent was to coordinate the various forms of retirement benefits provided to executives in order to enhance internal equity and to better target the overall level of retirement benefits provided. The result was the adoption of a new SERP that provides a total benefit of 50% of average compensation from three sources: social security retirement benefits, the profit sharing plan, and the new SERP.

The Salary Continuation Agreements included a provision limiting changes to the agreement without executive written consent. In order to comply with this provision, the Board provided each executive officer the option to move from their Salary Continuation Plan into the new SERP. Mr. Onsum and Ms. Walker moved into the new SERP plan. Mr. Day decided to keep his Salary Continuation Agreements.

The Salary Continuation Agreements are intended to provide the officers with a fixed annual benefit for 10 years subsequent to retirement on or after the normal retirement age of 65.

The Salary Continuation Agreements provide for reduced benefits at early retirement age, which is the later of age 55 or the age at which the executive will have had 10 years of service.

The Salary Continuation Agreements also provide for payments prior to normal retirement or early retirement in certain cases, including disability and termination following a change in control. These payments and circumstances, as well as payments under the agreements upon retirement, death and termination, are described below under the caption "Potential Payments Upon Termination or Change in Control."

The new SERP was adopted in 2006. Mr. Onsum and Ms. Walker participate in the plan.

The plan benefit is calculated using 3-year average salary plus 7-year average bonus (average compensation). For each year of service the benefit formula credits 2% of average compensation (2.5% for the Chief Executive Officer) up to a maximum of 50%. Therefore, for an executive serving 25 years (20 for the Chief Executive Officer), the target benefit is 50% of average compensation.

The target benefit is reduced for other forms of retirement income. Reductions are made for 50% of the social security benefit expected at age 65 and for the accumulated value of contributions the Bank makes to the executive's profit sharing plan. For purposes of this reduction, contributions to the profit sharing plan are accumulated each year at a 3-year average of the yields on 10-year treasury securities. Retirement benefits are paid monthly for 120 months plus 6 months for each full year of service over 10 years, up to a maximum of 180 months.

The agreements provide for reduced benefits in the case of early retirement (the later of the executive officer's 55th birthday or the age at which the executive officer has at least 10 years of service with the Company). The early commencement factor is 1.0 minus the product of 0.41667% multiplied by the number of full calendar months that early retirement precedes age 65. Benefits are also payable in the event of death, disability, or termination within 24 months following a change in control.

Eligibility to participate in the Plan is limited to a select group of management or highly compensated employees of the Bank that are designated by the Board.

Proposal 2

Approval of a Non-binding Advisory Proposal on the Compensation of our Named Executive Officers

EESA, which was recently amended by the 2009 Recovery Act, requires all recipients of financial assistance under the CPP to permit their shareholders to cast a non-binding advisory vote on executive compensation during the period in which financial obligations provided under the CPP remain outstanding. This proposal is commonly known as a "Say on Pay" proposal. Accordingly, as a current CPP participant, we are providing our shareholders at the annual meeting with the opportunity to cast a non-binding advisory vote on the compensation of the Company's named executive

officers contained in this proxy statement through the following resolution:

20

RESOLVED, that the holders of the Company's common stock approve the compensation of the Company's executive officers named in the Summary Compensation Table, as disclosed in the Company's 2010 proxy statement in the tabular compensation tables and the related footnotes and narrative.

Because your vote is advisory, it will not be binding on the Board and will not overrule any decision by the Board or require the Board to take any action. However, the Compensation Committee will take into account the outcome of the vote when considering future executive compensation decisions for named executives.

The Company seeks to provide compensation to its named executive officers that align their interests with those of our shareholders and motivate the named executive officers to focus on the strategic goals that will produce outstanding Company financial performance. An additional part of the Company's compensation philosophy is that a significant portion of a named executive officer's compensation should be at risk and tied to performance.

Your Board of Directors Recommends a vote "FOR" this Proposal on the
Compensation of our Named Executive Officers.

Proposal 3

Ratification of the Company's Independent Registered

Public Accounting Firm

At the Annual Meeting a vote will be taken on a proposal to ratify the appointment of Moss Adams LLP by the Audit Committee of the Board of Directors to act as the independent registered public accounting firm of the Bank and the Company for the year ending December 31, 2010. Although the appointment of independent public accountants is not required to be approved by shareholders, the Audit Committee believes shareholders should participate in such selection through ratification.

It is anticipated that a representative of Moss Adams LLP will be present at the Meeting, and will have the opportunity to make a statement if he or she desires and will be available to respond to appropriate questions.

Ratification of the appointment by the Audit Committee of the Board of Directors of the independent registered public accounting firm will require the affirmative vote of a majority of the shares represented and voting at the Meeting.

The Board of Directors Recommends a vote "FOR" Ratification of the
Appointment of Moss Adams LLP by the Audit Committee of the
Board of Directors as the Bank's and the Company's Independent Registered
Public Accounting Firm for the Fiscal Year Ending December 31, 2010.

Transactions with Related Persons

Certain directors and executive officers of the Bank and the Company and corporations and other organizations associated with them and members of their immediate families were customers of and engaged in banking transactions, including loans, with the Bank in the ordinary course of business in 2008 and 2009. Such loans were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons. Except as described below, these loans did not involve more than the normal risk of collectability or present other unfavorable features. The total of loans granted to certain directors and executive officers in 2009 and 2008 was \$741,000 and \$506,000 respectively.

During 2009, the Bank had outstanding a loan which was placed on non-accrual status to a company of which Mr. Andrew S. Wallace, a former member of the Board of Directors of the Company and the Bank, is a 25 percent owner. Mr. Wallace resigned from the Board of Directors of the Company and the Bank on December 17, 2009. This loan, which had a balance of approximately \$2.4 million outstanding at December 31, 2009, was originated on September 20, 2005. Management believes that the loan is adequately collateralized and anticipates that the loan will be paid in full.

In addition, during 2009, the Bank had outstanding loans of approximately \$6 million to another company of which former Director Wallace is the Chief Financial and Chief Operating Officer and owns a minority interest of approximately 3 percent. These loans were originated between September 2005 and August 2006, and include a revolving credit facility originated in May 2002 and last renewed in March 2009 and a non-revolving credit facility originated August 2006 and renewed as a term loan in May 2007. On December 30, 2009, the Bank placed loans to that borrower totaling approximately \$2.8 million on non-accrual status and the Bank recorded losses totaling approximately \$3.2 million. The remainder of the balance of these loans have either been recorded as loss or subject to potential loss based on the value of the collateral.

Section 16(a) Beneficial Ownership Reporting Compliance

Assuming no such advance or delay, the Company must receive notice of any proposed business item no earlier than February 17, 2011, and no later than March 9, 2011. If the Company does not receive timely notice, the Company's bylaws preclude consideration of the business item at the annual meeting. With respect to notice of a proposed item of business, the bylaws provide that the notice must include a brief description of the business desired to be brought before the meeting, the reasons for conducting such business at the meeting and certain information regarding the shareholder giving the notice.

A copy of the Company's bylaws may be obtained upon written request to the Secretary of the Company at the Company's principal executive offices.

The management of the Company is not aware of any other matters to be presented for consideration at the Meeting or any adjournments or postponements thereof. If any other matters should properly come before the Meeting, it is intended that the persons named in the enclosed proxy will vote the shares represented thereby in accordance with their best business judgment, pursuant to the discretionary authority granted therein.
