PROXY STATEMENT

2013 Annual Meeting Of Shareholders

This Proxy Statement is furnished to the shareholders of First Northern Community Bancorp (the "Company") in connection with the solicitation of proxies to be used in voting at the 2013 Annual Meeting of Shareholders of the Company to be held on May 14, 2013, at First Northern Bank's Operations Center located at 210 Stratford Avenue, Dixon, California at 5:30 p.m., local time, and at any adjournment or postponement thereof. The solicitation of proxies in the form accompanying this Proxy Statement is made by the Board of Directors of the Company, and the costs of such solicitation, including the expense of preparing, assembling, printing, and mailing this Proxy Statement and the material used in this solicitation of proxies, will be borne by the Company. It is contemplated that proxies will be solicited through the mail, but officers and staff of the Company may solicit proxies personally. The Company may, at its discretion, engage the services of a proxy solicitation firm to assist in the solicitation of proxies. The total expense of this solicitation will be borne by the Company and will include reimbursement paid to brokerage firms and others for their expenses in forwarding soliciting material and such expenses as may be paid to any proxy solicitation firm engaged by the Company.

It is expected that this Proxy Statement and accompanying Notice will be mailed to shareholders on or about April 10, 2013.

A proxy for the Annual Meeting is enclosed. Any shareholder who executes and delivers a proxy has the right to revoke it at any time before it is voted by mailing an instrument revoking it, or a duly executed proxy bearing a later date, to our Corporate Secretary at 195 North First Street, Dixon, California 95620. In addition, a proxy will be revoked if the person executing the proxy is present at the Annual Meeting and advises the Chairman of his or her election to vote in person.

The proxy also confers discretionary authority to vote the shares represented thereby and on any matter that was not known at the time this Proxy Statement was mailed which may properly be presented for action at the Annual Meeting; action with respect to procedural matters pertaining to the conduct of the Annual Meeting; and election of any person to serve as a director in lieu of a bona fide nominee named herein, if such nominee is unable or unwilling to serve.

Voting Rights and Vote Required

Only shareholders of record at the close of business on the record date of March 28, 2013 will be entitled to vote in person or by proxy at the Annual Meeting. On the record date, there were 9,291,668 shares of our common stock outstanding.

Shareholders of common stock of the Company are entitled to one vote for each share held, except that in the election of Directors, under California law and the Bylaws of the Company, each shareholder may be eligible to exercise cumulative voting rights and may be entitled to as many votes as shall equal the number of shares of common stock of the Company held by such shareholder multiplied by the number of directors to be elected, and such shareholder may cast all of such votes for a single nominee or may distribute them among two or more nominees. No shareholder, however, shall be entitled to cumulate votes (in other words, cast for any candidate a number of votes greater than the number of shares of common stock held by such shareholder multiplied by the number of directors to be elected)

unless the name(s) of the candidate(s) has (have) been placed in nomination prior to voting in accordance with Article III, Section 23 of the Company's Bylaws (which requires that nominations made other than by the Board of Directors be made at least 30 and not more than 60 days prior to any meeting of shareholders) and a shareholder has given notice to the Company of an intention to cumulate votes prior to the voting in accordance with Article II, Section 13 of the Company's Bylaws. If any shareholder has given such notice, all shareholders may cumulate their votes for candidates in nomination, in which event votes represented by proxies delivered pursuant to this Proxy Statement may be cumulated, in the discretion of the proxyholders, in accordance with the recommendation of the Board of Directors. Discretionary authority to cumulate votes in such event is, therefore, solicited in this Proxy Statement.

The vote required to approve each proposal is as follows:

1. In the election of directors, the eleven nominees receiving the highest number of votes will be elected. It is required that all shareholders who hold their shares in “street name” provide voting instructions for nominees as brokerage firms no longer have discretionary authority to vote your shares for you; therefore, we respectfully request you vote your proxy.
2. Ratification of the appointment by the Audit Committee of the Board of Directors of the independent registered public accounting firm will require the affirmative vote of a majority of the shares represented and voting at the Annual Meeting.

If you hold your shares in street name, you must vote your shares in the manner prescribed by your brokerage firm, bank or other nominee. Your brokerage firm, bank or other nominee has enclosed or otherwise provided a voting instruction card for you to use in directing the brokerage firm, bank or other nominee how to vote your shares. If you hold your shares in street name and do not provide voting instructions to your broker or other nominee, your shares will be considered to be “broker non-votes” and will not be voted on any proposal on which your broker or other nominee does not have discretionary authority to vote. Shares that constitute broker non-votes will be counted as present at the meeting for the purpose of determining a quorum. Your broker or other nominee has discretionary authority to vote your shares on the ratification of Moss Adams LLP as our independent auditor. If you hold your shares in street name and you want to vote in person at the Annual Meeting, you must obtain a legal proxy from your broker and present it at the Annual Meeting.

Voting of Proxies—Quorum

The shares of common stock of the Company represented by all properly executed proxies received in time for the Annual Meeting will be voted in accordance with the shareholders’ choices specified therein; where no choices have been specified, the shares will be voted “FOR” each of the eleven nominees for director recommended by the Board of Directors and “FOR” the ratification of the appointment by the Audit Committee of the Board of Directors of Moss Adams LLP as the independent registered public accounting firm for the year ending December 31, 2013, and at the proxyholder’s discretion, on such other matters, if any, which may properly come before the Annual Meeting (including any proposal to adjourn the Annual Meeting). A majority of the shares entitled to vote, represented either in person or by a properly executed proxy, will constitute a quorum at the Annual Meeting.

Abstentions and broker “non-votes” are each included in the determination of the number of shares present and voting for purposes of determining the presence of a quorum.

Revocability of Proxy

A shareholder using the enclosed proxy may revoke the authority conferred by the proxy at any time before it is exercised by delivering written notice of revocation or a duly executed proxy bearing a later date to the Secretary of the Company at our executive offices located at 195 North First Street, Dixon, California 95620, or by appearing and voting by ballot in person at the Annual Meeting after advising the Chairman of the shareholder’s intention to do so.

Proposal 1
Nomination and Election of Directors

At the Annual Meeting it will be proposed to elect eleven (11) directors of the Company, each to hold office until the next annual meeting, until their successors shall be elected and qualified, or until an individual director has reached the mandatory retirement age of 72 years (or, if approved by the Board of Directors by resolution, at the adjournment of the first meeting of the Board of Directors following his or her 72nd birthday). It is the intention of the proxyholders named in the enclosed proxy to vote such proxies (except those containing contrary instructions) for the eleven (11) nominees named below.

The Board of Directors does not anticipate that any of the nominees will be unable or unwilling to serve as a director of the Company, but if that should occur before the Annual Meeting, the proxyholders, in their discretion, upon the recommendation of the Company's Board of Directors, reserve the right to substitute a nominee and vote for another person of their choice in the place and stead of any nominee unable or unwilling to serve. The proxyholders reserve the right to cumulate votes for the election of directors and cast all of such votes for any one or more of the nominees, to the exclusion of the others, and in such order of preference as the proxyholders may determine in their discretion, based upon the recommendation of the Board of Directors.

Gregory DuPratt is the Nominating and Corporate Governance Committee Chairman. The Nominating and Corporate Governance Committee held 2 meetings during 2012 for the purpose of considering corporate governance best practices and to review and nominate potential candidates for directors of the Bank and the Company as needed. This Committee fulfills the responsibilities of a director nominating committee for the Company. The Nominating and Corporate Governance Committee operates under a written charter.

The Nominating and Corporate Governance Committee will consider candidates nominated by the Company's shareholders, Directors, officers, and from other sources. The Company does not have a formal policy with regard to the consideration of diversity in identifying Director nominees, but the Nominating and Corporate Governance Committee strives to nominate Directors with a variety of complementary attributes so that, as a group, the Board of Directors will possess the appropriate talent, skills, and expertise to oversee our business. In evaluating candidates, the Board of Directors considers the attributes of the candidate (including skills, experience, diversity, age, and legal and regulatory requirements), and the needs of the Board of Directors, and will review all candidates in the same manner, regardless of the source of the recommendation.

The Board of Directors will consider candidates nominated by the shareholders of the Company if the nomination is made in writing in accordance with the procedures for nominating Directors of the Company, as described above in this Proxy Statement. These nomination procedures are designed to give the Board of Directors advance notice of competing nominations, if any, and the qualifications of nominees, and may have the effect of precluding third-party nominations if the nomination procedures are not followed.

Pursuant to Article III, Section 23 of the Bylaws of the Company, director nominations, other than those made by the Board of Directors, shall be made by notification in writing delivered or mailed to the President of the Company, not less than 30 days or more than 60 days prior to any meeting of shareholders called for election of directors. The provision also requires that the notice contain detailed information necessary to determine if the nominee is qualified under our Bylaws. Under our Bylaws, no person may be a member of the Board of Directors:

- (a) who has not been a resident for a period of at least two years immediately prior to his or her election of a county in which any subsidiary of the Company maintains an office unless the election of such person is approved by the affirmative vote of at least two-thirds of the members of the Board of Directors of the Company then in office,
- (b) who owns, together with his or her family residing with him or her, directly or indirectly, more than one percent of the outstanding shares of any banking corporation, affiliate or subsidiary thereof, bank holding company, industrial loan company, savings bank or association or finance company, other than the Company or any affiliate or subsidiary of the Company,
- (c) who is a director, officer, employee, agent, nominee, or attorney of any banking corporation, affiliate, or subsidiary thereof, bank holding company, industrial loan company, savings bank or association or finance company, other than the Company or any affiliate or subsidiary of the Company, or

- (d) who has or is the nominee of anyone who has any contract, arrangement or understanding with any banking corporation, or affiliate or subsidiary thereof, bank holding company, industrial loan company, savings bank or association or finance company, other than the Company or any affiliate or subsidiary of the Company, or with any officer, director, employee, agent, nominee, attorney or other representative of such covered entity, that he or she will reveal or in any way utilize information obtained as a director of the Company or that he or she will, directly or indirectly, attempt to effect or encourage any action of the Company.

Nominations not made in accordance with the procedures set forth in the Company's Bylaws may, in the discretion of the Chairman of the Annual Meeting, be disregarded, and, upon his instruction, the inspector(s) of election shall disregard all votes cast for such nominee(s). A copy of Sections 22 and 23 of Article III of the Company's Bylaws may be obtained by sending a written request to: Ms. Devon Camara-Soucy, Corporate Secretary, First Northern Community Bancorp, 195 North First Street, Dixon, California 95620.

The Bank has several other committees that meet on an as needed basis.

If you wish to communicate with the Board of Directors you may send correspondence to the Corporate Secretary, First Northern Community Bancorp, 195 North First Street, Dixon, California 95620. The Corporate Secretary will submit your correspondence to the Board of Directors or the appropriate committee, as applicable.

Board of Directors Meetings

In 2012, the Board of Directors of the Bank held 12 regularly scheduled meetings, 1 special meeting and 6 joint meetings with the Board of Directors of the Company. Each Director attended at least 75% of the aggregate of: (1) the total number of meetings of the Boards of Directors held during the period for which he or she has been a director; and (2) the total number of meetings of committees of the Boards of Directors on which he or she served during the period for which he or she served. The Company has a policy to encourage Directors to attend the Annual Meeting. All of the Directors attended the Annual Meeting of Shareholders in 2012.

Director Independence

The Board of Directors has determined that (1) a majority of the Company's directors, (2) each member of the Compensation Committee, (3) each member of the Audit Committee, and (4) each member of the Nominating and Corporate Governance Committee, except for Ms. Walker, is "independent" under the applicable standards set forth in the Nasdaq Marketplace Rules. The Board of Directors has determined that all directors except Mr. Onsum and Ms. Walker are independent under the applicable standards set forth in the Nasdaq Marketplace Rules see Nasdaq Listing Rules, §5605(a)(2).

The Board of Directors does not have a policy regarding the separation of the roles of Chief Executive Officer and Chairman of the Board as the Board believes it is in the best interest of the Company to make that determination based on the position and direction of the Company and the membership of the Board. The Board has determined that having an independent director serve as Chairman is in the best interest of the Company's shareholders at this time. This structure ensures a greater role for the independent directors in the oversight of the Company and active participation of the independent directors in setting agendas and establishing Board priorities and procedures. Further, this structure permits the Chief Executive Officer to focus on the management of the Company's day-to-day operations.

The Board of Directors of the Company and the Bank are comprised of the same eleven people. Each director who 1. is not an officer or employee of the Company or the Bank received \$1,000 for each jointly-held and regularly scheduled meeting of the Boards of Directors attended, with the exception of the Board Chairman who received \$1,400, \$400 per special meeting of the Board of Directors, \$150 per Directors Loan teleconference or Special teleconference meeting, and \$500 per Committee meeting attended with the Chairman of Committee meetings receiving \$600, with the exception of the Audit Committee. The Audit Committee members received \$500 per meeting with the Chairman of the Audit Committee receiving \$700 per meeting. Ms. Walker was an employee and she received no additional compensation for her services as a director for 2012.

The Company has Director Retirement Agreements with each of its non-employee directors with the exception of Patrick R. Brady, Richard M. Martinez and Owen J. Onsum. The agreements were intended to encourage existing Directors to remain directors, providing the Company with the benefit of the Directors' experience and guidance in the years ahead. On November 18, 2010, the Board of Directors determined that Director Retirement Agreements would not be offered to new members of the Board of Directors.

For retirement on or after the normal retirement age of 72, the Director Retirement Agreements provide a benefit for 10 years ranging from \$10,000 annually for a director with 10 years of service to a maximum of \$15,000 annually for a director with 15 or more years of service, including years of service prior to the effective date of the Director Retirement Agreements. There are six directors who have served more than 15 years as a director and are eligible for director retirement benefits. Benefits under the Director Retirement Agreements are payable solely to those directors who have served for at least 10 years, unless the director terminates service because of death or disability or unless the director's service terminates within two years after a change in control.

In the case of early termination of a director's service before age 72 for reasons other than death or disability or within two years after a change in control, he or she will receive over a period of 10 years aggregate payments equal to the retirement-liability balance accrued by the Company at the end of the year before the year in which the director's service terminated. However, early termination benefits will not be payable unless the director is at least 55 years of age and has served as a director for at least 10 years, including years of service prior to the effectiveness of the Agreements. If a director becomes disabled before age 72, the director will receive a lump-sum payment in an amount equal to the retirement-liability balance accrued by the Company at the end of the year before the year in which disability occurred regardless of whether the director has 10 years of service or has reached age 55. If a change in control occurs and a director's service terminates within 24 months after the change in control, the director will receive a lump-sum payment equal to the retirement-liability balance accrued by the Company at the end of the year before the year in which termination occurred, regardless of whether the director has 10 years of service or has reached age 55. For this purpose, the term "change in control" means:

- A merger occurs and as a consequence the Company's shareholders prior to the merger own less than 50% of the resulting company's voting stock;
- A beneficial ownership report is required to be filed under the Securities Exchange Act of 1934 by a person (or group of persons acting in concert) to report ownership of 20% or more of the Company's voting securities; or
- During any period of two consecutive years, individuals who constituted the Company's Board of Directors at the beginning of the two-year period cease for any reason to constitute a majority of the Board. Directors elected during the two-year period are treated as if they were directors at the beginning of the period if they were nominated by at least two-thirds of the Directors in office at the beginning of the period.

No benefits are payable under the Director Retirement Agreements to a Director's beneficiaries after the Director's death. A Director forfeits all benefits under the Director Retirement Agreement if his or her Director service terminates because of neglect of duties, commission of a felony or misdemeanor, or acts of fraud, disloyalty, or willful violation of significant Bank policies, or if the Director is removed by order of the Federal Deposit Insurance Corporation.

The Company has also purchased insurance policies on the lives of the Directors who entered into Director Retirement Agreements, paying the premiums for these insurance policies with one lump-sum premium payment of approximately \$2.15 million. The Company expects to recover the premium in full from its portion of the policies' death benefits. The Company purchased the policies as an informal financing mechanism for the post-retirement payment obligations under the Director Retirement Agreements. Although the Company expects these policies to serve as a source of funds for benefits payable under the Director Retirement Agreements, the contractual entitlements arising under the Director Retirement Agreements are not funded and remain contractual liabilities of the Company, payable on or after each Director's termination of service.

Under the Split Dollar Agreements and Split Dollar Policy Endorsements with the Directors, which were entered into on the same date the Director Retirement Agreements were executed, the policy interests are divided between the Company and each Director. The Split Dollar Agreements provide that a Director's designated beneficiary(ies) will be entitled to receive at the Director's death life insurance proceeds in the amount of:

- (a) \$120,000 if the Director dies before age 72,
- (b) \$60,000 if the Director dies after reaching age 72 but before age 75, and
- (c) \$30,000 if the Director dies thereafter

The Director's beneficiary(ies) would receive no further benefits under the Director Retirement Agreement, and the Company's obligations under that agreement would be extinguished. The Company is entitled to any insurance policy death benefits remaining after payment to the Director's beneficiary(ies).

Director NonQualified Deferred Compensation

The Company has implemented an elective Deferred Director Fee Plan, a nonqualified plan providing unfunded deferred benefits for participating directors. Under the Plan, deferred director fees earn interest at a rate determined annually by the Company. During 2012, no Director elected to defer their director fees. The Company is entitled to any insurance policy death benefits from an insurance policy purchased by the Company with a lump-sum premium payment of \$75,000. The Company purchased life insurance policies on the lives of participants in the Non- Qualified Deferred Compensation Plan as an informal financing mechanism.

Report of Audit Committee

The Audit Committee oversees relevant accounting, risk assessment, risk management and regulatory matters. It meets with the Bank's and the Company's internal auditors and its independent registered public accounting firm to review the scope of their work as well as to review quarterly and annual financial statements and regulatory and public disclosures with the officers in charge of financial reporting, control and disclosure functions. After reviewing the independent registered public accounting firm's qualifications, partner rotation and independence, the Audit Committee appoints the independent registered public accounting firm subject to shareholder ratification, if required or sought. In addition, the Audit Committee reviews reports of examination conducted by regulatory agencies and follows up with management concerning any recommendations and required corrective action, or to assess the Company's internal control over financial reporting.

The Audit Committee reports regularly to the Board of Directors of the Bank and the Company and has the authority to select, retain, terminate and approve the fees and other retention terms of special counsel or other experts or consultants, as it deems appropriate and necessary to perform its duties. In performing its functions, as outlined in the Audit Committee Charter (available for review on the Bank's website at www.thatsmybank.com) approved annually by the Bank's Board of Directors, the Audit Committee of the Bank acts only in an oversight capacity and necessarily relies on the work and assurances of management, which has the primary responsibility for financial statements and reports, and of the Company's independent registered public accounting firm, who, in their report, express an opinion on the conformity of the Company's annual financial statements to generally accepted accounting principles.

In connection with the December 31, 2012 financial statements of the Company, the Audit Committee of the Bank: (1) reviewed and discussed the audited financial statements with management; (2) discussed with the Company's independent registered public accounting firm the matters required by Statement on Auditing Standards No. 61, as may be modified or supplemented; and (3) received the written disclosures and the letter from the Company's independent registered accounting firm required by Independence Standards Board Standard No. 1, as may be modified or supplemented, and has discussed with the Company's independent registered public accounting firm such firm's independence. Based upon these reviews and discussions, the Audit Committee of the Bank recommended to the Board of Directors that the audited financial statements of the Company be included in the Company's Annual Report on Form 10-K filed with the Securities and Exchange Commission ("SEC") for the fiscal year ended December 31, 2012.

Notwithstanding anything to the contrary set forth in any of the Company's previous or future filings under the Securities Act of 1933 or the Securities Exchange Act of 1934 that might incorporate this Proxy Statement or future filings with the SEC, in whole or in part, this report of the Audit Committee of the Bank's Board of Directors shall not be deemed to be incorporated by reference into any such filings except to the extent that it is specifically incorporated by reference therein.

The Audit Committee of the Bank's Board of Directors consists of five members who are each "independent directors," under the standards set forth in the Nasdaq Marketplace Rules. The Board of Directors has determined that Mr. Carbahal is an audit committee financial expert under the rules of the SEC.

Respectfully submitted,

Audit Committee

- Amounts shown do not reflect compensation actually received by the named executive officer. Instead, the amounts
2. reported above in the "Stock Awards" and "Option Awards" columns represent the aggregate grant date fair value of stock awards and option awards granted in the respective fiscal years, as determined in accordance with ASC 718. The grant date fair market value for stock options is based on certain assumptions that are explained in Note 13 to our financial statements for the year ended December 31, 2012, which are included in our Annual Report on Form 10-K.

Amounts listed in this column represent bonuses paid under our Incentive Compensation Plan for 2012. These 3. amounts are not reported in a separately identified Bonus column because the awards are tied to corporate performance objectives. Payments made with respect to 2012 performance were actually paid in March 2013. No incentive compensation was paid with respect to 2011 performance.

The amounts in this column reflect the actuarial increase in the present value of the named executive officer's 4. benefits under all pension plans established by the Company determined using interest rate and mortality rate assumptions consistent with those used in the Company's financial statements and includes amounts which the named executive officer may not be entitled to receive because such amounts are not vested.

Ms. Walker's participation in the executive retirement plan commenced in 2002. Her pension income reported in 5. 2011 totaling \$133,635 follows four years of no reportable pension income. The adjustment in 2011 was due in large part to her promotion to CEO. Ms. Walker is ineligible to receive any pension benefit from the Company until 2015.

Includes retirement profit sharing contributions by the Company in 2011 and 2012. The aggregate amount of 6. perquisites and other personal benefits or property in 2011 and 2012 did not exceed \$10,000 for any named executive officer.

Narrative to Summary Compensation Table

Named Executive Officers

The Summary Compensation Table and the table which follows provide compensation information for Ms. Walker as the President and Chief Executive Officer, Mr. Smith as the Executive Vice President and Chief Financial Officer, and Mr. Day as the other named executive officer of the Company, other than the President and Chief Executive Officer and Executive Vice President and Chief Financial Officer, who received more than \$100,000 in total compensation during 2012.

Non-Equity Incentive Plan Compensation

The Company uses annual incentives to focus attention on current strategic priorities and drive achievement of short-term corporate objectives. Awards are provided under the terms of the Company's Incentive Compensation Plan. All executive officers are eligible to receive annual cash incentive compensation at the end of each year, if performance goals are achieved. The overall incentive compensation pool is created based on actual performance to goals.

The 2012 awards were contingent on company performance relative to Asset Quality, Efficiency Ratio, Core Deposit Growth, referrals and Small Business Loan Growth, which were weighted 35%, 25%, 10%, 5% and 25%, respectively. Achievement of these measures allows for the creation of a pool for the annual incentive plan. After taking into account the weighting of all metrics, the Compensation Committee determined that the annual Company incentive objectives for 2012 were achieved to the degree sufficient to pay out the dollars set aside in the pool. With respect to 2012 performance, the Company made the cash payments identified in the "Non-Equity Incentive Plan

Compensation” column of the Summary Compensation Table. The table below shows the award opportunities at threshold, target, and maximum, as well as each executive’s actual award as a percentage of salary.

Name	Annual Incentive Opportunity as Percent of Salary			Actual
	Threshold	Target	Max	Award as a Percentage of Salary
Louise A. Walker	0%	25%	50%	14.68%
Jeremiah Z. Smith	0%	20%	40%	11.74%
Patrick S. Day	0%	20%	40%	11.74%

Stock Option and restricted stock Awards

In 2012, the three named executive officers received grants of stock options and restricted stock awards under the Company's 2006 Stock Incentive Plan. Stock option and restricted stock awards are in line with the Company's compensation philosophy which is designed to retain executive management and reward long-term contributions to the Company. All stock options awarded to named executive officers during 2012 vest 25% at the end of the first year and 25% on the anniversary of each of the three years thereafter. All restricted stock awards to named executive officers during 2012 cliff vest on the earlier of the fourth anniversary of the date of grant or upon retirement. The amounts, if any, actually realized by the named executive officers for the stock options will vary depending on the vesting of the award and the price of the Company's common stock in relation to the exercise price at the time of exercise. The value delivered for the restricted stock awards will be based on the stock price when the shares vest.

The numbers of stock options and restricted stock granted and exercise prices with respect to 2012 awards and detail regarding the number of options and restricted stock held by each named executive officer at year-end is set forth in the Outstanding Equity Awards at Fiscal Year-End Table.

The 2000 Stock Option Plan terminated in February 2007. At the Annual Meeting of Shareholders held on April 27, 2006, the Company's shareholders approved the First Northern Community Bancorp 2006 Stock Incentive Plan. Effective as of February 2007, the 2006 Stock Incentive Plan has replaced the 2000 Stock Option Plan. All option grants and restricted stock awards to named executive officers in 2011 and 2012 were made under the 2006 Stock Incentive Plan.

Change in Pension Value

The Company and the Bank do not have a defined benefit pension plan providing benefits based on final compensation and years of service. However, the Bank has entered into a Salary Continuation Agreement or Supplemental Employee Retirement Plan Agreement with each of the named executive officers. These benefits are in line with the Company's compensation philosophy which is designed to retain executive management and reward long-term contributions to the Company. The year-over-year increase in the actuarial present value of these retirement benefits is included in the amounts reported in the "Change in Pension Value and Non-Qualified Deferred Compensation Earnings" column of the Summary Compensation Table. Additional detail regarding these benefits for each named executive officer is set forth below in the accompanying narrative.

Employment Agreements

In July 2001, the Bank entered into an employment agreement with Ms. Walker. The agreement has a three-year term which renews automatically for consecutive three-year terms unless the executive officer or the Bank gives advance notice that the agreement will not renew. Pursuant to such terms, the employment agreement was not renewed on December 31, 2011 and replaced on with a new employment agreement in January 2012. The initial annual base salary stated in the employment agreement was \$109,500. The base annual salary has been adjusted on an annual basis since 2001.

In January 2012, the Bank entered into a new employment agreement with Ms. Walker. The agreement has a one-year term which renews automatically for consecutive one-year terms unless the executive officer or the Bank gives advance notice that the agreement will not renew. Pursuant to such terms, the employment agreement was extended on December 31, 2012 to December 31, 2013. The initial annual base salary stated in the employment agreement was \$234,600. The base annual salary has been adjusted on an annual basis since 2012, and may continue to be adjusted at the beginning of each year based on Ms. Walker's performance in the preceding year, as determined by the Board of Directors. Ms. Walker's annual base salary for 2012 is set forth above in the Summary Compensation.

In April 2012, the Bank entered into an employment agreement with Mr. Smith. The agreement has an initial nine-month term which renews automatically for consecutive one-year terms unless the executive officer or the Bank gives advance notice that the agreement will not renew. Pursuant to such terms, the employment agreement was extended on December 31, 2012 to December 31, 2013. The initial annual base salary stated in the employment agreement was \$148,000. The base annual salary has been adjusted on an annual basis since 2012, and may continue to be adjusted at the beginning of each year based on Mr. Smith's performance in the preceding year. Mr. Smith's annual base salary for 2012 is set forth above in the Summary Compensation.

In May 2006, the Bank entered into an employment agreement with Mr. Day. The agreement has a three-year term which renews automatically for consecutive three-year terms unless the executive officer or the Bank gives advance notice that the agreement will not renew. Pursuant to such terms, the employment agreement was not renewed on May 15, 2012 and was replaced with a new employment agreement in May 2012. The initial annual base salary stated in the employment agreement was \$145,000. The base annual salary has been adjusted on an annual basis since 2006.

In May 2012, the Bank entered into an employment agreement with Mr. Day. The agreement has an initial eight-month term which renews automatically for consecutive one-year terms unless the executive officer or the Bank gives advance notice that the agreement will not renew. Pursuant to such terms, the employment agreement was extended on December 31, 2012 to December 31, 2013. The initial annual base salary stated in the employment agreement was \$170,000. The base annual salary may be adjusted on an annual basis starting in 2013, and may continue to be adjusted at the beginning of each year based on Mr. Day's performance in the preceding year. Mr. Day's annual base salary for 2012 is set forth above in the Summary Compensation Table.

Salary Continuation Agreements and Supplemental Executive Retirement Plan Agreements

The Company does not have a qualified defined benefit pension plan providing retirement benefits based on final compensation and years of service. However, the Company has entered into Salary Continuation Agreements or Supplemental Executive Retirement Plan Agreements ("SERP") with the three named executive officers identified in the summary compensation table above. From 2002 until December, 2012, Ms. Walker had been a party to a Salary Continuation Agreement and Mr. Day has been a party to a Salary Continuation Agreement since 2006. In 2006, the Board changed the manner in which retirement benefits are provided to executive officers. The Board's intent was to coordinate the various forms of retirement benefits provided to executives in order to enhance internal equity and to better target the overall level of retirement benefits provided. The result was the adoption of a new SERP that provides a total benefit of 50% of average compensation from three sources: social security retirement benefits, the profit sharing plan, and the new SERP. Mr. Smith and the Company entered into the new SERP agreement in 2011.

The Salary Continuation Agreements included a provision limiting changes to the agreement without executive written consent. In order to comply with this provision, the Board in 2006 provided each executive officer the option to move from their Salary Continuation Plan into the new SERP. Ms. Walker moved into the new SERP plan on December 31, 2012. Mr. Day decided to keep his Salary Continuation Agreement.

The Salary Continuation Agreements are intended to provide the officers with a fixed annual benefit for 10 years subsequent to retirement on or after the normal retirement age of 65.

The Salary Continuation Agreements provide for reduced benefits at early retirement age, which is the later of age 55 or the age at which the executive will have had 10 years of service.

The Salary Continuation Agreements also provide for payments prior to normal retirement or early retirement in certain cases, including disability and termination following a change in control.

The new SERP was adopted in 2006. Ms. Walker and Mr. Smith participate in the plan.

The plan benefit is calculated using 3-year average salary plus 7-year average bonus (average compensation). For each year of service the benefit formula credits 2% of average compensation (2.5% for the Chief Executive Officer) up to a maximum of 50%. Therefore, for an executive serving 25 years (20 for the Chief Executive Officer), the target benefit is 50% of average compensation.

The target benefit is reduced for other forms of retirement income. Reductions are made for 50% of the social security benefit expected at age 65 and for the accumulated value of contributions the Bank makes to the executive's profit sharing plan. For purposes of this reduction, contributions to the profit sharing plan are accumulated each year at a 3-year average of the yields on 10-year treasury securities. Retirement benefits are paid monthly for 120 months plus 6 months for each full year of service over 10 years, up to a maximum of 180 months.

The agreements provide for reduced benefits in the case of early retirement (the later of the executive officer's 55th birthday or the age at which the executive officer has at least 10 years of service with the Company). The early commencement factor is 1.0 minus the product of 0.41667% multiplied by the number of full calendar months that early retirement precedes age 65. Benefits are also payable in the event of death, disability, or termination within 24 months following a change in control.

Eligibility to participate in the Plan is limited to a select group of management or highly compensated employees of the Bank that are designated by the Board.

Proposal 2

Ratification of the Company's Independent Registered

Public Accounting Firm

At the Annual Meeting a vote will be taken on a proposal to ratify the appointment of Moss Adams LLP by the Audit Committee of the Board of Directors to act as the independent registered public accounting firm of the Bank and the Company for the year ending December 31, 2013. Although the appointment of independent public accountants is not required to be approved by shareholders, the Audit Committee believes shareholders should participate in such selection through ratification.

It is anticipated that a representative of Moss Adams LLP will be present at the Annual Meeting, and will have the opportunity to make a statement if he or she desires and will be available to respond to appropriate questions.

Ratification of the appointment by the Audit Committee of the Board of Directors of the independent registered public accounting firm will require the affirmative vote of a majority of the shares represented and voting at the Annual Meeting.

The Board of Directors Recommends a vote "FOR" Ratification of the
Appointment of Moss Adams LLP by the Audit Committee of the
Board of Directors as the Bank's and the Company's Independent Registered
Public Accounting Firm for the Fiscal Year Ending December 31, 2013.

Transactions with Related Persons

Certain directors and executive officers of the Bank and the Company and corporations and other organizations associated with them and members of their immediate families were customers of and engaged in banking transactions, including loans, with the Bank in the ordinary course of business in 2011 and 2012. Such loans were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons. Except as described below, these loans did not involve more than the normal risk of collectability or present other unfavorable features. The total of loans granted to certain directors and executive officers in 2012 and 2011 was \$4,025,000 and \$5,373,000 respectively.

Insider Lending policy

The Board of Directors of the Company has a written insider lending policy that covers all officers, directors and "control persons" who have substantial share ownership or other control over election of directors. Loans to insiders must be on terms that are substantially the same as those made to non-insiders, as demonstrated by the submission to the loan officer of at least three comparable non-insider loans that are comparable, including with respect to interest rates and collateral. Extension of credit to insiders must be approved by the Board of Directors and be recommended by the Management Loan Committee and Directors Loan Committee. Insider loans are also subject to maximum percentage and dollar limits. The Board of Directors has not adopted a related party transactions policy with regard to transactions other than loans. Company personnel are expected under the Company's code of ethics to make immediate disclosure of situations that might create a conflict of interest, or the perception of a conflict of interest, which includes transactions involving entities with which such personnel are associated. The Board of Directors recognizes that related party transactions present a heightened risk of conflicts of interest and/or improper valuation (or the perception thereof). Such transactions, after full disclosure of the material terms to the Board, must be approved by the members of the Board who are not parties to the specific transaction to determine that they are just

and reasonable to the Company at the time of such approval, with those members of the Board (if any) who have an interest in the transaction abstaining. Such procedures are consistent with the terms of California corporate law.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act, as administered by the SEC, requires the Company's directors and executive officers and persons who own more than ten percent of a registered class of the Company equity securities to file with the SEC initial reports of ownership and reports of changes in ownership of common stock of the Company. Executive officers, directors and greater than ten percent shareholders are required by the SEC to furnish the Company with copies of all Section 16(a) forms they file. Based solely upon a review of such reports, the Company believes that all reports required by Section 16(a) of the Exchange Act to be filed by its executive officers and directors during the last fiscal year were filed on a timely basis, except that: Mr. Martinez reported the purchase of 2,172 shares which occurred on February 6, 2012 and was reported on February 6, 2013.
