Item 2.01. Completion of Acquisition or Disposition of Assets.

Acquisition of Real Estate Properties

On April 13, 2005, Lexington Corporate Properties Trust (the "Trust"), through its subsidiaries and joint venture programs, completed the acquisition of twenty-seven (27) properties (the "Properties") from affiliates of Wells Real Estate Investment Trust, Inc. (the "Sellers").

None of the Sellers are affiliated in any way with the Trust. The portfolio consists of twenty-four (24) office properties, two (2) industrial properties and one (1) office/research and development property.

The Trust assigned its rights to purchase the properties to its subsidiaries and affiliates including certain existing joint venture programs. The Trust's existing joint venture programs purchased six (6) of the properties, with an aggregate purchase price of \$296.1 million.

To finance the acquisition, the Trust obtained \$540.8 million of non-recourse first mortgage loans (the "Loans") from JPMorgan Chase Bank, N.A., secured by individual first mortgages on each of the Properties and on four (4) other properties which the Trust previously owned free and clear. The Loans bear interest at a weighted average fixed rate of 5.21%. The Loans will mature in six (6) to ten (10) years with a weighted average maturity of approximately eight (8) years, three (3) months.

The balance of the purchase price was funded from \$73.6 million from equity contributions of existing joint venture partners, \$167.6 million from the Trust's cash balances and \$4.0 million in borrowings under its \$100.0 million unsecured revolving credit facility with Bank of America, N.A. (as successor-in-interest to Fleet National Bank), as administrative agent, and Wachovia Bank, National Association, as syndication agent. The Trust's \$100 million unsecured revolving credit facility is filed as Exhibit 99.2 to the Trust's Current Report on Form 8-K dated September 9, 2003.
