Explanation of Responses:

- * If the form is filed by more than one reporting person, see Instruction 4(b)(v).
 - ** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).
- Each Performance Share represents a contingent right to receive 0 to 1.5 shares of Common Stock. The conversion rate(0, .5, 1 or 1.5) ultimately applied to these Performance Shares will be determined based on the compounded annual growth rate ("CAGR") of the Common Stock between January 1, 2009 and December 31, 2011 (the "Performance Period").
- (1) This represents one half of the Performance Shares which were awarded on January 21, 2009 and are required to be reported at this time because they constitute derivative securities. The other half do not constitute derivative securities and therefore are not required to be reported at this time.
 - (2) The number of shares of Common Stock underlying this grant of the Performance Shares will be 0 to 1.5 times the number of Performance Shares granted depending on the CAGR achieved during the Performance Period.
 - (3) Options vest in three equal annual installments beginning one year after grant date.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, see Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
