This transaction is a purchase of shares of common stock of HealthSouth Corporation (the "Company") pursuant to an election by the reporting person to participate in the Directors Deferred Stock Investment Plan of the Company (the "Plan"). The Plan is a non-qualified deferral plan adopted and effective November 1, 2007, allowing non-employee directors to make elections during 2011 to defer fixed percentages of their directors fees for 2012. The amount each participant defers under the Plan is deducted, on a quarterly basis, from the directors fees the participant would otherwise have received in cash. The transaction reported on this Form 4 is the acquisition of common stock of the Company in the market for the account of the reporting person, for an aggregate purchase price equal to the amount of fees deferred by the reporting person for the current quarter of 2012 under the Plan.

(1) This per share price is a weighted average price. These shares were purchased in multiple transactions at prices ranging from \$23.01 to \$23.054, inclusive. The reporting person undertakes to provide to HealthSouth Corporation, any of its security holders, or the staff of the Securities and Exchange Commission, upon request, full information regarding the number of shares purchased at each separate price within this range.
