EXPLANATORY NOTE

TransAlta Corporation (TransAlta) is filing this Form 40 F/A, Amendment No. 1, to its Annual Report on Form 40-F for the year ended December 31, 2004, which was filed with the Securities and Exchange Commission on April 1, 2005, to refile its 2004 Consolidated Annual Financial Statements, which contain a restated Note 26. United States Generally Accepted Accounting Principles (U.S. GAAP). TransAlta consolidates its investment in TransAlta Cogeneration L.P. for both Canadian and U.S. GAAP.

In 1998, TransAlta transferred generation assets to its subsidiary TransAlta Cogeneration L.P. (TA Cogen). TransAlta Power L.P. (TA Power), an unrelated entity, concurrently subscribed to a minority interest in TA Cogen. The fair value paid by TA Cogen for the assets exceeded their historical carrying values. For Canadian GAAP, TransAlta recognized a portion of this difference, to the extent it was funded by TA Power 's investment in TA Cogen, as a gain. As TA Power held an option to resell their interest in TA Cogen to TransAlta in 2018, this gain under Canadian GAAP was initially deferred and amortized over a 30 year period for both Canadian and U.S. GAAP. In 2003, TA Power 's option to resell these units was eliminated and the unamortized balance of the gain was recognized in income.

TransAlta has recently determined that pursuant to U.S. Securities and Exchange Commission Staff Accounting Bulletin No. 51, the option initially held by TA Power to potentially resell TA Cogen units to TransAlta in 2018 causes the excess of the consideration paid by TA Power over TransAlta's historical carrying value in these assets to be characterized as contributed surplus in 1998. This amount of contributed surplus is reduced by the related tax effect.

As a result under U.S. GAAP, there is no amortization of the gain into income in the period from 1998 to 2002 and no recognition of the unamortized balance of the gain in 2003.

The restated Note 26. had no impact on TransAlta's 2004 Audited Annual Financial Statements as prepared under Canadian GAAP. For U.S. GAAP purposes, the correction had no impact on total shareholders' equity at December 31, 2004 and December 31, 2003..

Other than as expressly set forth above, this Form 40 F/A does not, and does not purport to, update or restate the information in any Item of the Form 40-F or reflect any events that have occurred after the Form 40-F amended hereby was filed.

UNDERTAKING

TransAlta Corporation undertakes to make available, in person or by telephone, representatives to respond to inquiries made by the Commission staff, and to furnish promptly, when requested to do so by the Commission staff, information relating to: the securities registered pursuant to Form 40-F; the securities in relation to which the obligation to file an annual report on Form 40-F arises; or transactions in said securities.

SIGNATURES

Pursuant to the requirements of the Exchange Act, the Registrant certifies that it meets all of the requirements for filing on Form 40-F and has duly caused this annual report to be signed on its behalf by the undersigned, thereto duly authorized, in the City of Calgary, Province of Alberta, Canada.

TRANSALTA CORPORATION
