Item 8.01. Other Events.

On October 23, 2009, ISCO International, Inc. (the “Company”) received a letter from its transfer agent, BNY Mellon Shareowner Services LLC (“Mellon”), indicating that Mellon will be terminating the Transfer Agent Agreement dated July 12, 2008 (the “Agreement”) between the Company and Mellon. In Mellon’s letter, it indicates that the Agreement will be terminated because the Company has unpaid outstanding invoices for amounts owed to Mellon for services rendered as transfer agent and the Company has additionally not provided certain requested documentation to Mellon. As a result of its current bankruptcy proceeding, the Company has determined that it does not have the capabilities or resources necessary to cure the default under the Agreement and it does not intend to do so. Therefore, the Agreement will be terminated as of December 22, 2009. Upon such termination, regulatory notice will be made to the Depository Trust Company, a termination charge will be assessed and the Company will no longer have an independent transfer agent.

According to the proposed Plan of Reorganization (the “Plan”), the Company’s common stock will be cancelled on the first business day following the eleventh day after confirmation of the Plan by the U.S. Bankruptcy Court. Confirmation of the Plan has been requested on December 22, 2009.
