Item 8.01 Other Items.

On October 27, 2010, NutraCea received approval from the United States Bankruptcy Court for the District of Arizona approving the Stipulation and Agreement of Settlement (the “Stipulation”) which resolves the pending securities class action under the case name Burritt v. NutraCea, Inc., et al., Case No. CV 09-00406-PHX-FJM. The order became final and non-appealable on November 11, 2010. The District Court for the District of Arizona had previously approved the the Stipulation on October 4, 2010, and that order became final and non-appealable on November 4, 2010. The lead plaintiff, on behalf of all investors who acquired NutraCea stock from April 2, 2007 through and including February 23, 2009, were seeking damages against NutraCea and certain former officers and directors for alleged federal and Arizona state securities law violations. The Stipulation provides that as full and complete settlement for all claims against NutraCea and the other defendants under the class action, NutraCea’s directors and officers liability insurer will create a settlement fund in the amount of \$1,500,000, plus fifty percent (50%) of any funds remaining under NutraCea’s directors and officers insurance policy after payment of all valid claims made under the insurance policy and payment of all legal fees related to such valid claims, as long as there is \$150,000 or more of funds remaining in the policy.
