

Item 8.01. Other Events.

TCP Capital Corp. (the "Company," "we," "us" or "our") today announced that Tennenbaum Capital Partners, LLC, its investment adviser (the "Advisor"), entered into a definitive agreement with BlackRock, Inc. ("BlackRock"), pursuant to which the Advisor will be merged with and into a wholly-owned subsidiary of BlackRock Capital Investment Advisors, LLC, an indirect wholly-owned subsidiary of BlackRock (the "Transaction"), with the Advisor being the surviving entity after the merger. The closing of the Transaction would result in an assignment for purposes of the Investment Company Act of 1940 of the investment management agreement between the Company and the Advisor and the investment management agreement between Special Value Continuation Partners, LP ("SVCP") and the Advisor and, as a result, the immediate termination of such agreements. The consummation of the Transaction is subject to certain terms and conditions, including, among others (i) the approval of a new investment management agreement between the Company and the Advisor by the stockholders of the Company and (ii) the approval of a new investment management agreement between SVCP and the Advisor by the limited partners of SVCP, including the stockholders of the Company voting on a pass-through basis. If each of the terms and conditions is satisfied or waived, the parties to the Transaction anticipate that the closing of the Transaction will occur in the third quarter of 2018.

The Advisor and BlackRock issued a joint press release regarding the Transaction, a copy of which is furnished as Exhibit 99.1 to this Current Report on Form 8-K. An investor presentation will be posted to the Company's website, which representatives of the Company intend to use in discussion with certain parties. A copy of this presentation is furnished as Exhibit 99.2 to this Current Report on Form 8-K.

The information disclosed under this Item 8.01 is being furnished and shall not be deemed "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, and shall not be deemed incorporated by reference into any filing made under the Securities Act of 1933, except as expressly set forth by specific reference in such filing. The furnishing of this information pursuant to Item 8.01 shall not be deemed an admission by the Company as to the materiality of such information.
