NEWS RELEASE - AUGUST 27, 2006

IMA AND AQUILINE ENTER DISCUSSIONS ON THE NAVIDAD PROJECT PENDING THE APPEALS PROCESS

IMA EXPLORATION INC. (IMR-AMEX , IMR-TSX.V) ("IMA") and Aquiline Resources Inc. ("Aquiline") have entered discussions to co-operate in the orderly conduct of the Navidad Project pending the determination of the appeal by IMA against the judgment of the trial court. The order of the trial court requires that the Navidad claims be transferred to Aquiline within 60 days of the order and that Aquiline pay IMA's costs of acquisition and development of Navidad. The parties are discussing the manner in which the Navidad Project would be transferred to Aquiline on trust conditions pending completion of IMA's appeal of the judgment. One of the trust conditions would be that the Navidad Project would be transferred back to IMA if it is ultimately successful in its appeal of the judgment. These discussions are subject to the negotiation and completion of a definitive agreement, and there can be no assurances that such an agreement will be completed. If an agreement is not reached, IMA will be required to transfer the Navidad properties in accordance with the terms of the order of the trial court, unless it obtains a stay of the order from the British Columbia Court of Appeal.

IMA will maintain its excellent relations with the Navidad stakeholders and will cooperate with Aquiline to ensure that the Navidad Project proceeds to development. IMA are inviting the company managers and staff as well as the mining and government authorities, members of the first nations and all stakeholders to join the Company to continue their cooperation to see Navidad a successful reality for the benefit of the whole province of Chubut.
