Item 3. Source and Amount of Funds or Other Consideration

On January 11, 2006, St. Cloud Partners, entered into that certain Securities Purchase Agreement (the "Purchase Agreement"), by and among the Company, St. Cloud Partners and the additional purchasers named therein (collectively, with St. Cloud Partners, the "Purchasers," and such Purchasers excluding St. Cloud Partners, the "Other Purchasers"). Pursuant to the Purchase Agreement, among other things, St. Cloud Partners purchased (i) 8,500 shares (the "St. Cloud

Shares") of the Company's Series B Convertible Preferred Stock, par value \$0.01 per share (the "Series B Preferred Stock") at a purchase price of \$100.00 per share, (ii) a convertible promissory note of the Company in the aggregate principal amount of \$850,000 (the "St. Cloud Note") and (iii) a warrant (the "St. Cloud Warrant") to purchase 255,000 shares of the Company's common stock, par value \$0.02 per share (the "Common Stock") for an aggregate purchase price of \$1,700,000. The Purchase Agreement, the Company's Certificate of Designation of the Series B Preferred Stock (the "Certificate of Designation"), the St. Cloud Note and the St. Cloud Warrant are attached hereto as Exhibit 1, Exhibit 2, Exhibit 3 and Exhibit 4, respectively, and are incorporated by reference herein. The funds were obtained from working capital of St. Cloud Partners and borrowings of St. Cloud Partners from the United States Small Business Administration.

Item 4. Purpose of Transaction.

St. Cloud Partners acquired the Series B Preferred Stock, the St. Cloud Note and the St. Cloud Warrant for investment purposes. Its investment is subject to the terms of the Purchase Agreement, the Certificate of Designation, the St. Cloud Note, the St. Cloud Warrant and the Registration Rights Agreement, dated as of January 11, 2006, by and among the Company, St. Cloud Partners and the Other Purchasers (the "Registration Rights Agreement"), which are attached hereto as Exhibit 1, Exhibit 2, Exhibit 3, Exhibit 4 and Exhibit 5, respectively, and are incorporated herein by reference.

Pursuant to the terms of the Purchase Agreement, one nominee of St. Cloud Partners reasonably acceptable to the Company is to be elected by the Board of Directors of the Company to fill an existing vacancy on the Board of Directors. Effective January 11, 2006, the Board of Directors elected Marshall S. Geller, the Senior Managing Member of SCGP, LLC, the General Partner of St. Cloud Partners, to fill an existing vacancy on the Board of Directors.

The Series B Preferred Stock is convertible, at the option of the holder thereof, at any time after the date of issuance, into such number of shares of Common Stock as is determined by dividing the Initial Series B Preferred Stock Price of \$100.00 by the Series B Conversion Price, which is initially \$0.75. Accordingly, the 8,500 shares of Series B Preferred Stock purchased by St. Cloud Partners are initially convertible into a total of 1,133,333 shares of Common Stock. The Series B Conversion Price may be adjusted to reflect subdivisions or combinations of Common Stock such as through stock splits, dividends, distributions and similar adjustments to the Company's capital stock. In addition, commencing January 11, 2007, if (A) (x) the closing price of the Common Stock equals or exceeds \$1.80 per share for 30 consecutive trading days and the average daily volume during such 30 day trading period exceeds 10,000 shares; or (y) the closing price of the Common Stock equals or exceeds \$3.00 per share during such 30 day trading period irrespective of any average daily trading volume, and (B) all of the shares of Common Stock into which the shares

Edgar Filing: OLYMPIC CASCADE FINANCIAL CORP - Form SC 13D

of Series B Preferred Stock are convertible are then covered by an effective registration statement permitting the resale of such shares of Common Stock without restrictions, then the Company will have the right to require St. Cloud Partners to convert the Series B Preferred Stock into Common Stock at the then effective Series B Conversion Price.

Each share of Series B Preferred Stock is entitled to receive a dividend thereon at the annual rate of 10% of the Initial Series B Preferred Stock Price payable out of any assets or funds legally available therefore. The dividends are cumulative and accrue, whether or not declared by the Board of Directors of the Company, and are to be paid quarterly in arrears.

The holders of Series B Preferred Stock generally have the right to vote on any matter with the holders of Common Stock on an "as converted" basis and are entitled to certain protective provisions pursuant to which the majority of the Series B Preferred Stock have the right to approve certain actions as further described in the Certificate of Designation.

In the event of any liquidation, dissolution or winding up of the Company, either voluntary or involuntary, the holders of the Series B Preferred Stock will be entitled to receive, on a pari passu basis with the holders of the Company's Series A Convertible Preferred Stock, par value \$0.01 per share, and with any class or series of capital stock of the Company created specifically ranking, by its terms, on parity with the Series B Preferred Stock, and prior and in preference to any distribution of any of the assets or surplus funds of the Company to the holders of the Common Stock, an amount equal to the Initial Series B Preferred Stock Price then held by them plus all cumulated and unpaid dividends on the Series B Preferred Stock.

The Certificate of Designation also contains a redemption feature which provides that the holders of the Series B Preferred Stock will have the right to have their Series B Preferred Stock redeemed by the Corporation following the death of Mark Goldwasser, the Company's Chief Executive Officer and President, at the Initial Series B Preferred Stock Price plus accrued and unpaid dividends thereon.

The St. Cloud Note bears interest at 11% per annum payable quarterly in arrears, matures five years from the date of issuance and is convertible into shares of Common Stock at St. Cloud Partner's option at \$1.00 per share, subject to adjustment in the event of stock splits, dividends, distributions and similar adjustments to our capital stock. In addition, if: (x) (i) the closing price of the Common Stock equals or exceeds \$2.00 per share for 10 consecutive trading days and the average daily volume during such 10 day trading period exceeds 10,000 shares; or (ii) the closing price of the Common Stock equals or exceeds \$3.00 per share for 10 consecutive trading days irrespective of any average daily trading volume, and (y) all of the shares of Common Stock issuable upon conversion of the St. Cloud Note are then covered by an effective registration statement permitting the resale of such shares of Common Stock without restrictions, the Company will have the right to require the holders to convert the principal and accrued interest under the St. Cloud Note to Common Stock.

The St. Capital Note may be prepaid, at the option of the Company, in whole or in part, at any time at a redemption price of 120% of the principal amount of the Note, together with accrued interest through the date of prepayment. In addition, upon the occurrence of any transaction or series of related transactions resulting in the transfer of 50% or more of the outstanding voting power of the Company or a sale of all or substantially all of the assets of the Company, the St. Capital Note will be automatically due and payable. Also, upon the death of Mr. Goldwasser, St. Cloud Note will have the right to demand prepayment of the St. Capital Note.

Edgar Filing: OLYMPIC CASCADE FINANCIAL CORP - Form SC 13D

Events of default which would cause the St. Cloud Note to accelerate, causing the principal and interest on the St. Cloud Note to become immediately due and payable, include, among other things: (i) the failure by the Company to perform or observe in any material respect any material covenant or agreement of the Company contained in the Purchase Agreement, which remains uncured for a period of five (5) business days from the date the Company is notified of such default; (ii) any representation or warranty made by the Company under any of the Purchaser Agreement, the Certificate of Designations, the Notes (as defined in Section 5(a)(1) below), the

Warrants (as defined in Section 5(a)(1) below) and the Registration Rights Agreement was, when made, untrue or misleading, the result of which is reasonably likely to have a material adverse effect; (iii) the failure of the Company to make any payment of principal or interest on the St. Cloud Note when due, whether at maturity, upon acceleration or otherwise and the continuation of such failure for a period of five (5) business days following notice; (iv) there shall have occurred an acceleration of the stated maturity of any indebtedness for borrowed money of the Company (other than the Notes) of One Hundred Thousand United States Dollars (\$100,000) or more in aggregate principal amount (which acceleration is not rescinded, annulled or otherwise cured within fifteen (15) business days of receipt by the Company of notice of such acceleration); (v) the Company makes an assignment for the benefit of creditors or admits in writing its inability to pay its debts generally as they become due; or an order, judgment or decree is entered adjudicating the Company as bankrupt or insolvent; or any order for relief with respect to the Company is entered under the Federal Bankruptcy Code or any other bankruptcy or insolvency law; or the Company petitions or applies to any tribunal for the appointment of a custodian, trustee, receiver or liquidator of the Company or of any substantial part of the assets of the Company, or commences any proceeding relating to it under any bankruptcy, reorganization, arrangement, insolvency, readjustment of debt, dissolution or liquidation law of any jurisdiction; or any such petition or application is filed, or any such proceeding is commenced, against the Company and either (i) the Company by any act indicates its approval thereof, consents thereto or acquiescence therein or (ii) such petition application or proceeding is not dismissed within sixty (60) days; or (vi) a final, non-appealable judgment which, in the aggregate with other outstanding final judgments against the Company and its subsidiaries, exceeds Two Hundred Thousand United States Dollars (\$200,000) shall be rendered against the Company or a subsidiary and within sixty (60) days after entry thereof, such judgment is not discharged or execution thereof stayed pending appeal, or within sixty (60) days after the expiration of such stay, such judgment is not discharged. The St. Cloud Note is attached hereto as Exhibit 3 and is incorporated by reference herein.

The St. Cloud Warrant issued pursuant to the terms of the Purchase Agreement is exercisable for 255,500 shares of Common Stock, at an exercise price of \$1.00 per share (subject to adjustment), on or prior to 5:00 p.m. (Eastern time) on January 11, 2011. The St. Cloud Warrant is attached hereto as Exhibit 4 and is incorporated by reference herein.

The Reporting Persons intend to review their investment in the Company from time to time. Subject to the limitations set forth herein and depending upon (i) the price and availability of the Common Stock, (ii) subsequent developments affecting the Company, (iii) the Company's business and prospects, (iv) other investment and business opportunities available to the Reporting Persons, (v) general stock market and economic conditions, (vi) tax considerations, and (vii) other factors deemed relevant, the Reporting Persons may decide to convert and/or exercise all or a portion of the Series B Convertible Stock, the St. Cloud Note and the St. Cloud Warrant and/or increase or decrease the size of their investment in the Company and/or make a proposal with respect to a

Edgar Filing: OLYMPIC CASCADE FINANCIAL CORP - Form SC 13D
