### Company Overview

The Company, through its wholly owned subsidiary Hangson Limited, a British Virgin Islands company ("Hangson") and Hangson's variable interest operating business entity Shaanxi Suo'ang Biological Science & Technology Co., Ltd., a limited liability company organized in the People's Republic of China, is engaged in the production and sale of coal-polymer ("COPO") resin products, including but not limited to, degradable mulch used for the conservation of moisture and warmth of soil and protection of the roots of plants, and materials used for plastic injection molding, electric wire covering, and garbage bags. The Company is also engaged in the development, production and sale of "coal-water mixture," which is a potential fuel substitute for coal, oil or gas.

## October 2006 Change in Control

On October 18, 2006, Endo Networks, Inc. (the “Company” or “Endo”) executed a Share Exchange Agreement (the “Exchange Agreement”) by and among Hangson, and the stockholders of 100% of Hangson’s common stock (the “Hangson Stockholders”), on the one hand, and the Company and a majority of the Company’s stockholders (“Endo Stockholders”), on the other hand. The closing of this transaction (the “Closing”) occurred on October 20, 2006 (the “Closing Date”).

Under the Exchange Agreement, on the Closing Date, the Company issued a total of 26,000,000 shares of the Company’s Common Stock (the “ENDO Shares”) to the Hangson Stockholders and to Viking Partners, Inc. (“Viking”), a consultant in this transaction, in exchange for 100% of the common stock of Hangson. Additionally, immediately prior to the Closing, Peter B. Day, Endo’s former President, CEO and sole director voluntarily cancelled 715,500 (post 1-for-5 reverse split) shares of the 915,500 (post 1-for-5 reverse split) shares of the Company’s common stock that he owns; and three of Endo’s other shareholders also voluntarily cancelled a total of 438,850 (post 1-for-5 reverse split) shares of Endo’s common stock that they own. Also pursuant to the Exchange Agreement, and as approved by a majority of the Company’s shareholders, Endo split its common stock on a 1-for-5 reverse basis (the “Reverse Split”) prior to the Closing Date. Further, prior to the Closing, the Company issued an additional 669,600 shares after the Reverse Split pursuant to certain anti-dilution provisions contained in agreements the Company had with two of Endo’s consultants. After the share cancellations, the Reverse Split and the consultant anti-dilution share issuances, Endo had a total of approximately 2,226,723 shares of common stock outstanding. After the Closing, the Company had approximately 28,227,250 shares of common stock outstanding, with the Hangson Stockholders and Viking owning approximately 92.11% of the Company’s common stock, and with the balance of the Company’s common stock held by those who held the Company’s shares prior to the Share Exchange. In addition, at the Closing, Hangson paid Endo creditors and Viking a total of US \$500,000 for consulting services rendered, in order to satisfy certain obligations as set forth in the Exchange Agreement.

Pursuant to the Exchange Agreement, on October 19, 2006, the Company filed and mailed a Schedule 14f-1 Information Statement (“Schedule 14f-1”) to inform the Company’s shareholders of a majority change of the members of the Company’s board of directors, which change shall be effective 10 days after the mailing of the Schedule 14f-1. Effective on October 29, 2006, three new directors were appointed to Endo’s board of directors: Mr. Baowen Ren, who will serve as Chairman of the Board, Mr. Wenjie Zhang, and Mr. Peng Zhou. Furthermore, concurrent with the closing of the Exchange Agreement on October 20, 2006, Mr. Peter B. Day, the former CEO, CFO, Secretary and President of the Company, resigned from these positions. On October 20, 2006, following the resignation of Mr. Day, Mr. Baowen Ren was appointed Chief Executive Officer and President, and Ms. Caixia Peng was appointed as Chief Financial Officer and Treasurer.

A more detailed description of the above transactions can be found in the Company’s Current Report on Form 8-K filed with the SEC on October 26, 2006.

**NOTICE TO STOCKHOLDERS OF ACTIONS  
APPROVED BY CONSENTING MAJORITY STOCKHOLDERS**

The following actions were approved by written consent of the Board of Directors and the consenting majority stockholders:

**ACTION 1**

**AMENDMENT TO THE ARTICLES OF INCORPORATION  
TO INCREASE THE AUTHORIZED SHARES OF THE COMPANY'S CAPITAL STOCK**

The Company's Board of Directors and its consenting majority stockholders have adopted and approved an amendment to increase the number of the Company's authorized shares of capital stock from 50,000,000 to 250,000,000 total authorized shares of capital stock. The capital stock shall consist of 200,000,000 authorized shares of common stock, \$0.001 par value per share, and 50,000,000 authorized shares of preferred stock, with a par value \$0.001 per share (hereinafter the "Authorized Shares Amendment"). The text of the resolutions approving the amendment is attached hereto as Exhibit 1.

The Authorized Shares Amendment will be implemented by filing a Certificate of Amendment with the Secretary of State of the State of Nevada, a form of which is attached as Exhibit A to the resolution set forth as Exhibit 1. Under Federal Securities laws, the Company cannot file the Certificate of Amendment until at least 20 days after the mailing of this Information Statement.

As of the record date, the authorized number of shares of the Company's capital stock consists solely of 50,000,000 shares of Common Stock, of which 28,227,250 shares are outstanding. If we are authorized to issue 250,000,000 shares of capital stock, of which 200,000,000 shares shall be common stock and 50,000,000 shares shall be preferred stock, then we will be able to issue approximately an additional 171,772,750 shares of common stock and 50,000,000 shares of preferred stock.

We have no current plans to issue any of the additional authorized but unissued shares of the common stock and preferred stock that will become available as a result of the filing of the Amendment. The Management of the Company believes that additional authorized shares are needed to provide the Company adequate flexibility to engage in future capital raising transactions, acquisitions or other transactions which might require the issuance of common

stock and/or preferred stock. The future issuance of additional shares of common stock or preferred stock on other than a pro rata basis to existing stockholders will dilute the ownership of the current stockholders, as well as their proportionate voting rights.

Although this action is not intended to have any anti-takeover effect and is not part of any series of anti-takeover measures contained in any debt instruments or the Articles of Incorporation or the Bylaws of the Company in effect on the date of this Information Statement, the Company's stockholders should note that the availability of additional authorized and unissued shares of common stock could make any attempt to gain control of the Company or the Board more difficult or time consuming and that the availability of additional authorized and unissued shares might make it more difficult to remove management. Although the Board currently has no intention of doing so, shares of common stock could be issued by the Board to dilute the percentage of common stock owned by a significant stockholder and increase the cost of, or the number of, voting shares necessary to acquire control of the Board or to meet the voting requirements imposed by Nevada law with respect to a merger or other business combination involving the Company.

Before and immediately following the Authorized Shares Amendment, the number of shares of the Company's capital stock will be as follows:

	<b>Common Stock Outstanding</b>	<b>Authorized Common Stock</b>	<b>Preferred Stock Outstanding</b>	<b>Authorized Preferred Stock</b>
Pre Authorized Shares Amendment	28,227,250	50,000,000	None	None authorized
Post Authorized Shares Amendment	28,227,250	200,000,000	0	50,000,000

## **ACTION 2**

### **AMENDMENT TO THE ARTICLES OF INCORPORATION TO CHANGE THE COMPANY'S NAME**

The consenting stockholders adopted and approved an amendment to the Company's Articles of Incorporation to change the Company's name to "China West Coal Energy Inc." (the "Name Change").

The amendment will be referred to in this Information Statement as the "Amendment." The text of the Amendment is attached to this Information Statement as Exhibit A to the resolution set forth as Exhibit 1. The Amendment will become effective once it is filed with the Secretary of State of Nevada. Under Federal securities laws, the Company cannot file the Amendment until at least 20 days after mailing this Information Statement to our stockholders.

The consenting stockholders approved the Name Change based on management's recommendation and view that the name "China West Coal Energy Inc." provides for improved branding and a better description of the Company's business and operations. The consenting stockholders also approved, based on management's recommendation, a Certificate of Amendment to the Company's Articles of Incorporation in order to effectuate the Name Change.
